I remain grateful to the ETERNAL SPIRIT OF TRUTH that has caused me to compile this book. A common constraint almost made the publication of this work impossible but for the intervention of the KING OF KINGS. To him, I remain grateful. Words of appeal went to many well placed brethren to help sponsor this publication. Though unable to assist financially, the compiler is grateful to them for the moral support.

And finally to Sister Mabel Ekpenyong for being a willing research assistant. May the Holy Father richly bless her. To others who have contributed morally, we remain grateful.

# Who is Jesus the Christ?

When people talk about Our Lord Jesus Christ, they count His genealogy but have they heard of this statement made by Christ that before Abraham He was? Why then do people say that Our Lord Jesus Christ was the son of David? Why do you take 25th of December as the day Christ was born?

Is it true that He was born on that day? The question is, does the world not tell lies by saying that Christ was born on the Christmas Day? You are bold to stand up and claim to narrate the story of the birth of Jesus Christ. Do you know exactly when He was born? It seems to me that the world loves falsehood more than the truth.

Brethren, who is Christ? I have been trying to clarify this point but you close your ears and refuse to receive the gospel. In spite of that, you still want to find out when Christ would come from above. Who is Christ? He is the word of God. Have you not heard Christ always say "I and my Father are one" (John 10:30)? Who is Christ? Who is God? Was Christ not in existence before the world was made? Then does this not reveal openly that Christ was, before Abraham came into the world? God and His Christ has no beginning and no end. They exist forever. Have you not heard what was said about Christ? Some people said that He was mad, others said that He was a Samaritan. I am telling you the fact that He was the Word sent directly from God.

It is also a truism that Our Lord Jesus Christ was not only the son of man, son of God but God Himself. He also said that when the Comforter comes, He will glorify me because He shall not speak of Himself but whatsoever He shall hear that shall he speak to you

and he will show you things to come.

People did not believe in Him but as at now, His glory has manifested unto the entire world. It is now realised that all His statements are true. Are you not surprised that Our Lord Jesus Christ dwelt in the land of Israel for twenty nine years but no person identified Him.

If you ask somebody now whether he believes that Our Lord Jesus Christ has come, he will reply that He has not yet come. The Roman Catholics say not yet. The Archbishop of Canterbury says not yet. All the prominent figures say not yet. But you and I, ignorant and illiterate, dine and converse with Him. When Adam derailed from the path of rectitude, he prayed and wept and fasted continuously praying God for forgiveness and for God to return to Him. But God rejected the plea and instead made a promise that at the fullness of time He would come. During his coming a sword will pierce through His side and He would be crucified on the tree.

The signs of His coming were to be frankincense, myrrh and gold. That was why these items were presented during His birth. The one born and called Jesus was no other than God Himself the Creator of Heaven and Earth, the Holy Spirit. Was He recognised? He walked through the land of Israel incognito. They called Him the son of carpenter, beelzebub , and other names. That was the Creator of the heaven and earth. The Almighty God who created them all.

Remember that Philip asked Our Lord Jesus Christ, "show us the Father and that will suffice us". Our Lord Jesus Christ did not invite him to the desert or to Jerusalem or to any other location. But He rather asked, Philip have you been with me all these years and you ask, show us the Father? Who sees

me sees the Father. I dwell in the Father and the Father dwells in me. The words that I speak are not mine but the Father doeth the work. Christ preached peace and left peace with us.

It is not healing the sick that is the most important thing but making peace with people. This is the problem existing in governments, church denominations and societies; between husband and wife. There are problems everywhere. From where will salvation come?

You are the peacemakers that is why the fruits of righteousness are imparted to you. As long as you receive these words, and become clean in your words and actions you will shine. This brightness will enlighten the whole world. Wherever you go, you do not have to speak many words but peace will be restored.

The children of the world speak and listen to worldly things, only children of God speak and listen to the words of God. By this we know the spirit of truth and the spirit of falsehood.

It was written that the children of God shall judge the world and the angels. Thus these fruits of righteousness are being imparted to you, to prepare you for the task of restoring peace to the whole world.

When it is proclaimed that God is on earth, people argue that he is not. It means that Jesus is their God. Is this not the Father whom Jesus said was greater than Him? It is because they did not believe in Him. All those who believed in Him that He is the Son of God, they also believe that the Holy Spirit has come.

If Our Lord Jesus Christ did not suffer tribulations, He would have no testimony and He would have no

companion and no one would know the way and power of God. God used Him to manifest His glory through the ordeal he experienced.

It is said the Lord is Spirit and where the Spirit of the Lord is, there is liberty. For this reason, there is no discrimination, here. There is neither Jew nor Greek, male nor female, slave nor freeborn. Our Lord Jesus Christ is all and in all. It is a great pity to hear a lot of people argue that a woman should not preach and children should not perform certain functions. They create distinctions between people and between new comers and old members. Some claim seniority over others. While some claim to be pastors, some argue that they built; others are charm removers or prayerists. Such claims are not admitted here. Our Lord Jesus Christ is all and in all.

Our Lord Jesus Christ, who was sent to redeem the whole world from its sinful position came as a very small baby, helpless and powerless.

He could not do anything as a small child. Without power what could he have done?

You are true witnesses to the great works done by Our Lord Jesus Christ, what book knowledge did He acquire at that time to enable Him meet with people and charge them to follow Him and listen to Him? It is the same power I am talking about. He would see a blind person, talk to him and the blind would receive his sight. He saw a lame person, talked to him and he could use his two limbs. He saw a deaf person, spoke to him and he could hear. It was because of this power that people wondered and asked "who is this man? There is no difference between what is happening now and what happened during the lifetime of Our Lord Jesus Christ. Take a look at the whole life of Our Lord Jesus Christ. He lived on earth

for only thirty three years. That would not have been a sufficient time for his fame to have been so established in the world, otherwise he would not have been known. You can now see that after one thousand nine hundred and ninety one years we are still hearing about Our Lord Jesus Christ.

If you look at the Bible, you would see the teachings of Our Lord Jesus Christ, His discourses, His preachings, and sermons, testimonies and dreams, visions and prophecies, all interwoven.

When you go about saying that Jesus said this and that, you are just telling stories because you have not seen Jesus physically before. If Our Lord Jesus Christ did not die, it would not have been possible for Him to come back and carry out all the assignment He had. Christ was killed in the flesh and He resurrected in the spirit and it was in the spirit that He carried out all the marvellous assignments. He was in the spirit when He took the key of death from Hades and released the prisoners from the hands of satan. He is stronger in the spirit than when He was in the flesh.

Very many of you do not know that when you go into the spiritual world you can become Omnipresent and you can carry out assignments which seem impossible to humans. If Christ did not die, He would not resurrect and once He has died and resurrected, He will never die again because He has dominion over death. And so it was after this that He had the power of appearing to people physically and being Omnipresent at the sametime. And so it was in the spiritual body that He could do all things. When Christ was alive on earth He was only one person but when He resurrected He could make many appearances to various people anywhere at the

sametime. He was lavishly seen throughout the world.

If Christ had not died, He would not have returned in the form of the Holy Spirit. Diversity of tongues refers to a multiplicity of Christs. When one Christ died, He came back in large numbers upon the disciples on the day of pentecost. This is why I tell you that unless somebody dies you cannot have a new spirit coming out. Your greatest fear and problem is death. If it was possible you would make an appeal to God to remove death. Death strikes fear into you. But I am telling you that there is nothing like death - for if somebody does not go on spiritual transfer to the great beyond, you cannot have infants born into the world.

Brethren, each one of us came into the world with a particular assignment and at the completion of that assignment you have to be reborn before you are reassigned to another duty. You cannot carry the same body and take upon yourself a fresh assignment. So you have to leave that body aside and take up a fresh body before you are reassigned. Those who will practise Brotherhood are not yet born. For illustrative purposes I am looking for 144,000 virgins, but now some of you have wives, husbands and you are so much engaged in the affairs of this world that it is impossible for you to become a virgin.

Before you can become a virgin you have to die and be reborn.

Right now, tell me how you can practise the words of God. May be you have made a determined effort to be among the 144,000. You have to abandon your wife, children. In order to become a virgin, your wife and children would have to tell you "if you are going there, I am coming with you." Right now you are the breadwinner for your family and so no person in the

family would want you to leave them. All these things have tied you down; you cannot practise the word of God. And so the best thing for you to do is to return to your maker so that He will recreate you and send you back to take up that assignment. At the moment God wants 144,000 virgins to rule with Him and you are so polluted that you are good for nothing. You can remain in this New Kingdom for one thousand years, in as much as you are not a virgin, you do not serve any useful purpose. The best then is for you to return and come back as a virgin.

Our Lord Jesus Christ is God; He has reincarnated a million fold and so you find the children of God who can always listen to the words of God and put it into practice. These children of God can be referred to as the Holy Ghost. These are the people who can listen to the words of God and practice same.

The main reason why Our Lord Jesus Christ prayed, calling upon God everywhere he went was to introduce to the people the Almighty God and to establish implicit faith in the people but throughout his lifetime, people did not know God. They had no belief in God. Upon all the members of Brotherhood sitting down here and elsewhere shouting wonderful God, they have not known God. It was written that Christ will never die but for him to come and say that He would go to Jerusalem and would be persecuted and killed meant that he (Peter) made a mistake in following the wrong person. He was not the Christ which meant that forever he was doomed. That was what bothered him. That was the reason why he said "Far be it from you".

If somebody comes from the blue sky and says that ne is Jehovah God, does it mean that he exploded from somewhere or he exploded from the

African oil bean tree? Does it mean that he did not come to the world through the usual channel which is the womb. When Adam came did he even declare himself as God? What about Noah or Moses or even Our Lord Jesus Christ? Did they at anytime declare themselves as Jehovah God? Everything that is created has some connection with something somewhere. If there is a break in the link, then that thing is not good.

Why Christ did not offend anyone is because he has that love. He was called a beelzebub He did not worry but continued to love others. He was called a mad man but He did not get annoyed. He was called a friend of sinners but he still loved them. He was called a law breaker but he loved them still.

Our Lord Jesus Christ is the first born and till eternity He is the first begotten Son of God. All the inhabitants of the world are the second son. When you put together all the angels, the trees, and animals and human beings, Our Lord Jesus Christ is still the first born.

Who do you think Our Lord Jesus Christ is? He is the word of God. He is the Holy Spirit. Whoever does not want the word of God, whoever tells you to go away with the word of God is His enemy. What are you sent to do? You are told to go forth and preach His glory. Whoever does not accept the word of God is the enemy of Our Lord Jesus Christ. Whichever city or town does not rejoice in the word of God is an enemy of Our Lord Jesus Christ. Whoever does not practise the word of God has reached the wits end. All the church denominations shout on the name of Jesus but do they receive Him? Do they believe in Him?

Our Lord Jesus Christ overcame the world

because He loved not the world and the things in the world. He carried out the instructions of His Father. Know then that whatever a person may be, whatever village or city, church denomination or religion, spirit or angel which does not listen to the voice of that prophet shall be cut off from among the people.

'Do not think that I will condemn you in 'anyway. The same Jesus who you are waiting for, whom you are shouting, the good friend of man, He had already judged you.

# His Last Advent

When Our Lord Jesus Christ came to earth, did he come here to Nigeria, or Africa, did he reach London or Germany?

Is it in his second coming that He will reach all these places? Today you hear people saying "until Jesus comes back..." When He was here, what did He do? Do you think it is the coming of someone from the sky that will change man? Nay, it is rather yourself that will put things right when you start practising the truth. Upon all that Christ preached who heard? Who practised His teachings? If you did not do these what is the use of waiting for His second coming? Is He not the one that says we should not lie to one another but should be truthful always, Have you done this?. If we should follow the teachings of Our Lord Jesus Christ we should neither make evil utterances, nor become angry, tell lies, backbite, report a person to another.

Can you see what bring's problems to us.

This is hidden from the whole world.

The main reason why Our Lord Jesus Christ fasted for a while was that the Comforter did not come by then. You cannot compare this time with the time of Our Lord Jesus Christ. Christ did not at anytime tell His disciples to fast; why; because the Holy Spirit had not come by that time. Some people gave excuses that Our Lord Jesus Christ had fasted, died and risen again and so there is no need for fasting anymore. Others will complain that their job is taxing and so cannot fast, but I tell you whatever you do you are doing to yourself and you will have yourself to blame.

The tribe from which Our Lord Jesus Christ came was that of Judah, a notorious place, a deserted place unknown to any person, multiplied from a broken family. The citizens were not only heathens and barbarous but also superstitious. This was the very tribe from which Our Lord Jesus Christ came.

Brethren, the ways of God are incomprehensible. We do not doubt the Deity of Our Lord Jesus Christ but the Jews do not believe that Jesus is the son of God. They regard him as one of the prophets but definitely not as the son of God. They maintain that since he was a commoner from a heathen tribe and from a family-stricken with abject poverty any person who proclaimed Jesus as the son of God must be somebody who suffered from mental trouble.

If we listen to and watch the behaviour of Our Lord Jesus Christ such will not be the case. He says: if you have two coats give one to the person who has none. He who has food should do likewise. If we do this, we will see that, we will have no problems preserving the extra.

Why it is said that Christ is the truth but not love is because, when He instructed his disciples to go to the lost sheep of the house of Israel and not the Gentiles, He had limited Himself. That is not love. Again, it is said that He came to save His people Israel, but what about the Gentiles? Are they not human beings. People think that what is called the flesh is this body which we touch and feel. That is not what is meant. That is a spiritual language. When you hear that somebody is walking in the spirit, it does not mean shaking your head or panting like a miler. Christ Himself walked in the flesh and that is why He said that if He did not go the Comforter would not come but when He went He would send Him. How could He have walked in the spirit? When

our Lord Jesus Christ had done great works in Chorazin and Bethsaida, he came back to find the people unrepentant, He cursed them. When he went into the temple and saw the merchants changing money, did he not drive them away with a whip? Do you not realise that if it were that Jesus, all of you would have been driven out of this place. Upon all that I preach to you, you stay before me and fight, would Jesus tolerate such a behaviour? He is a man of war, He did all that because he was in the flesh. You can see that he wept, when Lazarus died. When Our Lord Jesus Christ told his disciples to go only to the House of Israel and not to the Gentiles, that was the time he was in the flesh. But when He died and resurrected, he sent his disciples to go and make all nations his disciples. At this time, he was in the spirit.

In the whole of heaven, He is the first born of God. In the whole earth, he is the first born. Even before the foundations of the world were laid, He was the first born. God has introduced Him to the whole world - this is my beloved son in whom I am well pleased - what else are you waiting for? It behoves us and the entire creation to love Him. And so if we love Him we must listen to His voice. And so whoever loves Him loves God and if you do not have Christ, it means you do not love God. Whoever claims to love God but does not love His son is deceiving Himself. Whoever says, he hears the voice of God but does not hear the voice of His son is deceiving Himself. You can remember that when He was a boy of twelve He went into the temple and sat with the lawyers to discuss the law. When they questioned him, he gave them the correct answers, but when He questioned them, they could not answer Him. Where did He get

such wisdom from at the age of twelve? You say that Jesus went to a University in India. He only went there to teach them because He was taught by the Father and the Father was living in Him.

Right now, if you go to the whiteman's land what reigns is the traditions of our forefathers. Christ has led us to the accurate knowledge of truth.

For as many of you as have been baptized into Christ have put on Christ. All of you here are one in Christ Jesus. It is improper for you to say that you are a disciple. It is also wrong for you to call yourself a Christian. Since you have put on Christ, you are Christ. All of us are Christs. I am saying this to make myself clear to the whole world in this matter. To be a Christ and to be a Christian, which is greater? He has said that if we keep his words he no longer calls us servants but friends because a servant does not know what his master is doing. When we keep his commandments we have become Christs.

Christian means disciple, servant; you are a slave and follower. Those in that category do not know what Christ is doing, neither do they know anything about Him. They only follow Him sheepishly. That is the reason they cannot forsake sin. They drink, tell lies, fornicate and kill; they continue to live all sorts of abominable lives, and yet they say they are Christians. But Christ did not drink or fornicate, He did not tell lies and never was exasperated. All He possessed is love. Being the Christ He preached the word of God because He is with the Father.

Christ did not say that if you complied with His instructions that you would be in some other place like Lagos, or London; he said that "where I am, you shall be also". And so all of us in Brotherhood are Christs and we live in Christ. If you are taught by a

Professor or a Doctor in the University and you pass the doctorate examination, you are automatically a Doctor yourself.

Do you see how foolish human beings are. When you tell him that he is Christ, he will deny it strongly, saying that he is a man. Are you a man? So be it. We are Christs. I have told you before that titles like prophet, apostle are only trademarks. It is Christ who is everything. If Peter was an apostle, does it mean that he still remains an apostle up till now? What was the purpose of all their self-sacrifice? Was it not to be promoted to the office of Christhood? We have passed from disciples to Christhood.

In the world when somebody does anything, he will praise himself. But here we praise the Father. It is the Father who owns everything. He owns us. He owns the Gospel. Christ has said, that we live in the Father and the Father is in us. Just as Jesus raised the dead, so are you raising the dead. As Jesus opened the eyes of the blind, so do you also make the blind to see. As he healed the sick, so do you heal the sick. As he heard the voice of the Father, so do you hear the voice of the Father. Everything that he was and did is exactly what you are and do today. Go and spread this wonderful news abroad. You are with the Father and you continue to say until Jesus comes back again. We are working both night and day but they say until He comes again. He has never said a word and it fails to manifest. Just as Christ went from house to house and town to town preaching the word, you have been told to go to the world and spread the word of God because you are Christs. All of you are Christs.

Go and invite the whole world to come so that there may be one fold and one shepherd.

A great many of those who call themselves Reverends and Bishops have never preached the word of God, - not even in their Churches. If they do, they do not know what they are preaching because they are not taught. They are Christians but you are Christs. He has said that He will come as a thief in the night. And when you say that you are waiting till he comes from the sky, who is that standing and speaking before you? Is that not the Christ? It is through the blood of Our Lord Jesus Christ that peace is brought into the world. Instead of asking God for peace, people request for knowledge, wealth and wisdom. Peace is greater than all other things.

What has brought problems and confusion is that the world has abandoned the peace that was brought by Christ. Christ did not bring any other thing into the world apart from peace. Troubles had existed, pestilence and wars were also around before Christ came. What was not available was peace. All the problems and tribulations that plague the entire world come as a result of man's failure to practise the teachings of Our Lord Jesus Christ. There is nothing on earth that can give mankind peace except the words of Our Lord Jesus Christ. Food, money, wealth, or man can never give peace to mankind except the teachings of Our Lord Jesus Christ which you are asked to adhere to. Christ used peace to fight and conquer the entire world.

Our spiritual chorus says: take from me every other thing but give me Christ because Christ is the King of Peace. This peaceful attitude in Christ was revealed when His disciples were asked to pay their taxes. He asked Peter to take his hook and go to the river and whatever comes out of the first fish he would catch he should use to pay their tax. Christ did this so that peace might prevail. When Christ was

asked to leave their community where He cured a man possessed by demons, He did not hesitate to depart. He did this in order to give peace a chance. Throughout the lifetime of Our Lord Jesus Christ, He had never quarrelled, disagreed, or fought, He was a man of peace.

Tell me the truth, when you came into this hall this morning, did you know that you were the Christ? But you have been saying that Christ is at No. 34 Ambo Street, and that you are not the one. Is it clear to you now? Who are you in person? Are you not Christs?

Can you not see that none of us is worthy of this glory. Right now, we do not realise that we are Christs. You have been hoping for Christ to come on the last day. But you do not realise that you are in Him, that you have put on Our Lord Jesus Christ. As you are walking, He is the one walking, and doing everything for you. He is the Son of God, the first born and all of you are the children of God. He is the King of Kings and you are those Kings. You are all Christs. Wherever He is, you are there. Wherever you are, He is there. You walk in Him, you lie with Him. When somebody asks you where the Christ is, tell Him that when He sees you, He has seen Him. The words you speak are not yours he is the person speaking.

Tell the Christians, that they should stop telling lies and stealing; they should refrain from committing murder, preparing concoctions but they should believe and accept baptism so that they may put on Christ. It is then they will know the power of Christ. Tell them to forsake idolatry and repent so that they may be saved. Tell the Moslems and the Hindus to forsake their beads and idols and repent and receive baptism so that they may see the power of Christ. Go and tell the native medicine men and the soccerers to

forsake those things, let them repent and get baptised and put on Christ because He is here. Go and tell all the members of the Secret Societies and all the Kings of this world who claim to be the owners of the earth that they should repent and receive baptism that they may receive Christ.

Christ is love, Christ is truth, Christ is the word. He is the word you speak, the prayer you offer, the testimony you give. He is all that you do and He is the person doing everything. Do you know that Peter was Christ, Do you know that Paul was Christ. It was not Peter and Paul who spoke those words but Christ. Can you realise that any person who does not preach the Lord Jesus Christ has not preached the word of God.

People remain in this world up to the age of 40 years and yet they do not know who created them, they do not speak about God, they do not reflect the attributes of God in their lives as a result of which they cannot do any good thing in the world.

They killed Our Lord Jesus Christ because He said, He was the Son of God. Since they did not believe that God was in existence, they could not believe that he has a Son. It is exactly the same situation in the world today. Because we do not believe that God exists, we do not believe that He has children. Our Lord Jesus Christ knew when he came and when he was going. No other person knows this. He spoke the word of God.

In the morning, in the night, at all times, He spoke the word of God because He came from God. He did not speak about man neither did He speak about trees and rocks or any other thing. He spoke about God throughout his stay. There is no other person who can lead the world except Christ.

We preach Jesus the Christ because He is everything. He had neither a wife nor child He had no landed property.

No person knew him. It is true that as at today no person knows Him. If He had a house, those who pay visits to Jerusalem would have reported seeing His house and probably how they found a very nice bed in it. Have you ever heard such? If He had a piece of land, there would be comments of how the land is undulated, muddy or plain or is red earth. Have you heard anything like that? If He were a Chief, you would have seen His regalia. But no person knows such things. He had nothing. Even His village did not love Him.

John did not come as the Christ, but as a forerunner to make straight His way. He came to reveal Christ to the world. That was his only assignment. If it were not so, why is it that upon the number of years he had remained, Herod did not kill him until then. It was so because, He did not yet accomplish the assignment which was given to Him. The same thing happened to Our Lord Jesus Christ. Why is it said that Judas Iscariot betrayed Him? Why did Judas Iscariot not betray Him the number of years he was with Him? Upon all the number of years they had been going about preaching the word of God, why was he not regarded as a law-breaker? It means His time was not yet up and He had not completed His assignment. What was his assignment? His assignment was to shed His blood on the Cross and take away the sins of the world. He also came to reveal God as the Word.

Since the creation of the world there is no person who preaches the word of God apart from Him. You have heard that they shall speak with new tongues.

---

The word of God is a new tongue. And that was why it sounded strange to the people of the world when He was speaking the word of God, and they concluded that he was mad.

He knew that going about preaching was to reveal the glory of God. But no matter how he preached, if He did not lay down His life, he would not have accomplished anything. His work was to give His life for the redemption of mankind. All the prophets preached the word of God but did not practise it. It is only our Lord Jesus Christ who came, preached practised God's injunctions and showed that God is the truth. And since then people have been preaching him without practising His teachings.

Do you believe in Jesus? Yes, He is the son of God. But you continue to steal and fornicate. You all pay lip service to Him.

Before Christ was born all the prophets had prophesied about His coming. The moment He was born they started seeking to kill Him. But it was also written that He would suffer tribulation, he would be hated, would be killed. Everything that happened to Him right to His crucifixion was prophesied.

When he came, was there any of the prophecies which did not come to pass? He raised the dead. He made the lame to walk, the blind to see and the deaf to hear. And did they accept Him? Did they believe in Him. Everyday, they were conspiring on how to arrest and kill him. He had enemies until the very last day of His life. He did not walk in the open, He was always in hiding. When some identified Him as the Christ, others pointed to Joseph and Mary as his parents whom they knew. They concluded that the Christ had not yet come. They often asked people why they were listening to that mad man; that Belzebub. They

did not think him to be anything to reckon with. He was not angry eventhough they called Him ghost, Belzebub and a mad man. He did not make any trouble with them and yet He was persecuted and finally killed. After, he had risen, they all repented that of a truth, this man was the son of God. Was it not too late? Today when many hear that Our Lord Jesus Christ was persecuted, killed and his disciples were similarly ill-treated, they conclude that those people of old were ignorant and that if it were today, such a thing would never happen. Many people even say that if they were living in the era of Jesus they would have followed Him. They would not marry or work or do anything, they would only follow Him. What is the situation today?

Does God know such distractions as constituted by various denominations and divisions in the world. All God knows is love. That is all. Was Jesus a Christian? Was Mechizedek a Christian? You call a place Church of Jesus Christ, did Jesus Christ have a Church? Another person might call his own group Church of Christ, has Christ a Church? I have never heard of it. Another calls his own Church of the Lord. What do you mean by all these? God does not know any of these churches. They are carnal and do not amount to anything. You who went to Jerusalem, did you find the Church of Abraham? At the birth of Our Lord Jesus Christ who was sent to redeem the whole world from its sinful ways, He came as a very small baby, helpless and powerless. He could not do anything as a small child without the power of God, what could He have done? You are true witnesses to the great works done by Our Lord Jesus Christ, what book knowledge did He acquire at that time to enable Him meet with people and change them to follow Him and listen to Him. Take a look at the whole life of Our

Lord Jesus Christ. He lived on earth for only thirty-three years.

That would not have been a sufficient time for His fame to have spread much in the world, but through Him wonderful works were done by the power of God in healing the sick; the lame walked, the blind saw and the dead rose. All these things helped to establish His fame in the world otherwise He would not have been known. You can now see that after one thousand nine hundred and ninety four years we are still hearing about our Lord Jesus Christ.

# His Various Tasks

Right now Jesus the Christ has taught you everything. He has declared that the teachings are not His but the Father's. No person accepted to listen to what He was saying. He is the only person who understands the lessons I am imparting to you. He alone knows them no other person does. Since His time was limited he could not expound this teaching to you as is being done now.

Moreover, that was not His job, but He tried because he learned of the Father. You can see how numerous the commandments of Moses are - do not steal, do not kill, do not commit adultery, do not bear false witness against your neighbour and so on and so forth but Our Lord Jesus Christ came and gave only one commandment - which swallowed up all the Mosaic laws namely, "thou shalt love thy neighbour as thyself".

Even if you keep all the commandments of Moses, there is no salvation for you. But if you keep the one and only commandment of Our Lord Jesus Christ you are saved. You can see in this world - somebody initiates himself into one secret society and learn everything there is to learn. There, he is given the seal, rings, and symbols. He finishes here and goes into another one to undergo the same process but all to no avail.

But here immediately you practise love for one another, you have fulfilled everything. You say that Jesus says this and that, Jesus did not say anything. All the words are spoken by God. He has told us openly that they are not His words but the Father's. And so all that He said were not spoken by

Him but by God.

Upon all the people God sent into the world **only** Our Lord Jesus Christ got the prize. Right now, **He** has to rule. **He** reigns in heaven and on earth. **Every** other teaching is extinct. His commandment is **not** burdensome; love one another, that is all. **He** does not need drumming, he does not need lighting of candles, **He** does not require going from house to house healing people. The moment you love one another as **He** loves you, you are free and you have no difficulty. Listen to **Him** because **He** is speaking to you. Whatever **He** tells you to do, that do. You do not need another teacher. **He** is the only Teacher. If you comply with all **His** instructions and injunctions you are saved.

Our Lord Jesus Christ denied responsibility for any action **Himself** and referred it to God. You have heard that after the crucifixion of Our Lord Jesus Christ, **His** garment was divided into four parts. Did you also know that the Bible is also divided into four parts.

The summary of the Bible contents right from **Genesis** is neatly done in the twenty two chapters of Revelation of John the Divine. **Everything** is compressed into this twenty two chapters. It marks the terminal point. The moment the contents therein are all fulfilled we will all chorus Amen.

When I look at the world and its dwellers, I shed tears about those who continue to call upon the name of Our Lord Jesus Christ but do not actually understand what the name means. If God does not rule, if the Lord Jesus Christ does not rule, no other person is fit to rule. It is because, **He** is called Faithful and true.

Ninety percent of Brotherhood members go about with erroneous notions. There are those who say that the Holy Father does not want to extend His powers to His members otherwise His members would have been walking like him, speaking the way He speaks and doing the kind of work He does. But these people fail to note the fact that Our Lord Jesus Christ did not mention anybody's name who would do the works He had done and even greater. He said that whoever believed in Him would do those works because He was going to His Father.

When He resurrected Our Lord Jesus Christ did say that every power in heaven and on earth had been handed over to Him. If the owner of power had promised to bestow even greater power to whoever believed in Him, why then do people say that the power in Brotherhood does not come from God? Where then does the power come from? What is more surprising to the world is that the only thing that can be seen here is the Holy Bible. There is no candle here, no perfume, no incantations, nothing whatsoever. Out of calumny people say that it is the Biakpan water that contains all the power. Brotherhood is now the talk of the town. The source of power here is still very disturbing and elusive to them. But they have forgotten the promise of our Lord Jesus Christ that whoever believes in him shall do even greater works than He had done.

You are only pretending to serve Our Lord Jesus Christ. It is exactly what Moses did. He went about with bushy beards getting gratifications from people. When Our Lord Jesus Christ came, He ministered to people instead of being ministered unto. The Church denominations, pastors, bishops, and other people fail to have Christ's promise fulfilled in them because they are still telling lies, indulging in the preparation of

---

concoction and soothsaying, enlisting in secret societies, and most especially, they have no faith in God and don't believe in Him.

What do you think you can preach to another person when you only keep on shouting Jesus, Jesus but have no faith and do not even believe in Him. If you had believed and had faith in Him would you go to any hospital, would you consult oracles, indulge in the preparation of concoction, get angry, commit fornication, and other vices.

Why Our Lord Jesus Christ attended feast and other functions was to meet with the afflicted and deliver them. Where there were such celebrations, great multitude of people always gathered. He did not hesitate to minister unto their necessities. What we are now doing can be likened to borrowing from Peter to pay Paul. We build a house which attracts a congregation of people, tax them and put the proceeds in the pockets of few. Christ Witness Ime Akpakpan went to Jerusalem along with others. Did you find a house built by Our Lord Jesus Christ or Peter or John or any of the disciples. The things found there are buildings which are used to generate revenue. They have no love. No truth is found in them.

If you claim to believe in Our Lord Jesus Christ and have faith in Him too, why do you believe in juju, apparition, mermaid, and harbour fear that other persons want to kill you. Why do you even fear death? Because he has overcome sickness, and death and indeed every evil, you should not be afraid of those things. The reasons are that you do not hear His words and put them into practice which result in your lack of faith and your unbelief in God.

Whoever has faith in God and believes in His

words need not fear sickness, elementary spirits, tribulations, and death because our Lord Jesus Christ had gained victory over and conquered all those things. The Lord controls all of them.

Many church denominations argue that those who do not believe in Our Lord Jesus Christ will perish. Should this imply that the whole Moslems, Hindus, Budhists and Pagans in the world will perish? Because of His merciful kindness even whether you believe in Him or not, He shows compassion upon all the children of men in the world.

If you take stock of those who know and believe in our Lord Jesus Christ in your village, they may not be up to twenty. This means that if all the unbelievers were to be destroyed, only about twenty would have been left in your village. Even the twenty people we are talking may only be worshipping Him with their lips and forsaking His commandments. If God were not to be merciful, none would have been left including even the trees.

Now that you argue that you cannot worship any person, who is the worker of God? Was Our Lord Jesus Christ an animal? Tell me whether He was an animal or a spirit or a tree? You loquacious fellows, who continue to argue that you cannot respect, honour, or worship any man, was Our Lord Jesus Christ that you are worshipping an animal? Was Melchizedek a stone or an animal or a spirit?

He was a priest of God who was making intercession for every person in the world throughout His time. Our Lord Jesus Christ too is a priest of God who looks after the affairs of God. That was why during the time of Our Lord Jesus Christ all those who believed, abandoned all that they had. Mathew was a millionaire, Luke was a doctor. They all brought

together their wealth and established a common purse. Jesus, Jesus, Jesus, how many of you have followed His footsteps or even that of His early disciples?

## HIS WORDS OF JUDGEMENT

Our Lord Jesus Christ spoke some words, people followed Him, He spoke some words again, the people dispersed from Him. You will realise that most of the words spoken by Our Lord Jesus Christ are now being modified and rectified by me.

Notice the words spoken by Our Lord Jesus Christ in St. John Gospel Chapter 12 verse 48: "He that rejecteth me and receiveth not my words, hath one that judgeth him, the word that I have spoken, the same shall judge him in the last day"

The passage is indicative of the fact that all the words spoken by Our Lord Jesus Christ were just. You do not know that the Lord Jesus Christ whom you are waiting for and expecting from the clouds has already judged you. I am not the person to judge you, rather I bring peace and comfort unto you. Any person who does not put the words of Our Lord Jesus Christ into practice is doomed. Such a person is in the opposition party. The inability of mankind to practise the injunctions of Christ is the bane of the present world.

I am exhorting you to follow up the words of Our Lord Jesus Christ. Do not leave any stone unturned. Comply strictly to all the words spoken by Our Lord Jesus Christ so that you might live long. I am fearful of the words of Our Lord Jesus Christ because heaven and earth will pass away but His words will not pass away until all of them are fulfilled. Quote (Luke (Luke 12:49-55)

*'I am come to send fire on the earth: and what will I, if it be already kindled? But I have a baptism to be baptized with: and how am I straitened till it be accomplished! Suppose ye that I am come to give*

*peace on earth? I tell you, Nay; but rather division: For from henceforth there shall be five in one house divided, three against two and two against three. The father shall be divided against the son, and the son against the father; the mother against the daughter, and the daughter against the mother; the mother in law and the daughter in law against her mother in law. And he said also to the people, When ye see a cloud rise out of the west, straight way ye say, There cometh a shower; and so it is. And when ye see the south wind blow, ye say, There will be heat; and it cometh to pass.'*

What is that fire set by Our Lord Jesus Christ? Is it not His Words? The Words spoken by Our Lord Jesus Christ had since manifested in the world.

Take a close look at the world and you will know that peace has eluded them. Husbands fight against their wives, and parents against the children. In the villages, towns, cities and countries all over the world, people are fighting against themselves. King's are pitched against themselves. It is the Word of Our Lord Jesus Christ that is in operation. All the Words spoken by Our Lord Jesus Christ have come to fulfilment because they were judgement pronounced by Him. All those who comply with the Words are saved but if you fail to comply with the words of Our Lord Jesus Christ you are condemned to death.

*Quote (Matthew 16:21): "From the time forth began Jesus to shew unto his disciples, how that he must go unto Jerusalem, and suffer many things of the elders and chief priests and scribes, and be killed, and be raised again the third day."*

Have you heard the Words from the mouth of Our Lord Jesus Christ, you should decide whether He was killed by somebody or persecuted. He was killed as a result of what He had spoken of Himself.

If Our Lord Jesus Christ did not say that on the third day He would rise from the death, He would not have resurrected. If He did not say that when He went to Jerusalem he would be persecuted and killed by the elders, He would not have been killed.

Have you not seen the tribulations and afflictions affecting the whole world? Our Lord Jesus Christ did not come as a Prophet. He came as a teacher to teach the world and to lead them. Why things are like we see now is because we have rejected the teaching's of Our Lord Jesus Christ.

This same teaching of Our Lord Jesus Christ is repeated in this last era. It appears to me that you people come here for prayers, bread, butter, and fishes. You profess to attend church services but no person is prepared to practise the teachings of Our Lord Jesus Christ. Our Lord Jesus Christ was a great Teacher. He continued to impart His lesson as we are doing here.

In all His Words, thoughts and deeds, He demonstrated His Teaching unto the world, but every person, King, Emperor, Lord, Spiritual or Temporal and all the inhabitants of the world have rejected His own teachings.

He did not establish any church denomination. He did not establish a prayer house or healing home, but He came as a great teacher to teach the people of the world about the ways of God. All the living lessons given to the world by Our Lord Jesus Christ have been rejected because the world prefers punishment and suffering to peace.

Why did Our Lord Jesus Christ live for only 33 years? As the Son of man, Son of God and God Himself why was it possible for people to get Him

without resistance? It shows that God is no respecter of persons. It was because of our sins that Our Lord died. He promised to carry our sins and that He should be killed for our sake. You will remember that the cup of the sins of the whole world, the cup of woe, was given to Him to drink. Immediately He drank from that cup of woe, God departed from Him and He became susceptible to death.

He was despised by the Jews who subjected Him to all sorts of sufferings. They slapped Him, spit on His face and even cursed Him. Since He drank the cup of the sins of the world He became a sinner.

If Christ had not surrendered His Spirit He would not have died. That was why He said "Father into thy hands I commit my Spirit" and immediately He gave up the ghost. He died before the death of the other two persons crucified with Him. It was an act of God that He died at that time because if the soldiers observed that He did not give up the ghost His limbs would have been broken. This would have meant in his resurrection He would be a deformed spirit. But God did not want it that way and so He died before the other two.

Our Lord Jesus Christ died once unto sin; and since then He has nothing to do with sin.

All those who continue in sin and wait to be changed when Jesus will come back, I tell you, they will never see Our Lord Jesus Christ because, He is not a party to sin.

# Christ Has No say

It is erroneous for you to say that Jesus said this or that. It is the Holy Spirit who speaks and He is God who created heaven and earth. Jesus is the name of a human being on earth. God is not called Jesus. Jesus is a common name like any other name. That is all. Christ is the office of the anointed one of God. Whatever is spoken from the office is the voice of God. Any person whom God anoints is the Christ. He is the person God uses to manifest Himself to the world. But the word itself is God.

I want to show you the difference between the words of Our Lord Jesus Christ, your statements and those of the whole world. He was the mouthpiece of God; it was not His mouth speaking but the mouth of God. And so all the words proceeding out of His mouth are the words of God. Any statement which proceeded out of His mouth should be credited to God and not Our Lord Jesus Christ because it is the voice of God. The downfall of this world arises from the erroneous belief of the people that the Christ was a human being and spoke like a human being. For this reason, people disputed with Him and refused to put His words into practice. People know Him as the crucified Christ, the one who died and shed His precious Blood; others praise Him for performing many miraculous feats, raising the dead, making the blind to see, the lame to walk, but these are not important. If I begin to enumerate the various activities, accomplishments and feats of Our Lord Jesus Christ, you will realize that until eternity no person will be able to narrate fifty percent of His stories. Since the creation of the world, the first interpreter who spoke exactly the will of God is Our Lord Jesus Christ. Interpreting the mind of God is the

greatest of all assignments which any man can undertake.

If He had not surrendered Himself completely, mortifying the flesh, forsaking everything and surrendering Himself to the Father who spoke through Him directly without any addition or subtraction from Him, the world would have perished. Several persons have found and established church denominations but have they established the word of God? In these Church denominations they have founded, do they preach and practise the word of God? It is a pitiful situation and even perplexing to find somebody who says he is going to study the word of God for five years in the University. Sometimes it is said, he has obtained a PHD, do you acquire the PHD in the word of God? If you obtain PHD in the scriptures what has Our Lord Jesus Christ obtained? If you argue that you studied from the University in which University did Our Lord Jesus Christ study the word of God?

All what is written in the New Testament consists of the words which proceeded out of the mouth of Our Lord Jesus Christ, not really his own words perse but the words of God. Do not preach either the Psalm, or Deuternonomy or Ezekiel but preach the New Testament which are the words proceeding out of the mouth of God.

If you like, experiment on this; if three or four persons are standing and you try to come in while a lecture is being delivered and others are interpreting, you will not know the speaker because the interpreters will interpret exactly what the speaker has said and so it will not be that easy to know the originator of the word. So it was with Our Lord Jesus Christ. Some argued that He disgraced God and blasphemed against His name. How could He have disgra-

ced God? This is erroneous. He was saying exactly what He heard from God, neither adding nor subtracting. Whatever He said was the voice of God.

Those who do not know how to interpret, when the speaker makes his speech, (the interpreter) will use the indirect speech and third person pronoun "he said" instead of speaking in direct speech with the first person pronoun. "I said this".

By using the indirect speech you render the interpretation vague, but by using the direct speech, you are repeating the speakers actual words and by so doing maintain the original sense. This explains why Our Lord Jesus Christ did not say God says one thing or the other but when He used the first person pronoun. "I say" they accused him of arrogating to Himself the position of God.

Our Lord Jesus Christ only spoke out what He heard from God, what God had directed him to say. That was what he imparted to all the inhabitants of the world; those teachings were not his, but they emanated from the Almighty God. It is not easy to be truthful without rendering ineffective the word of God.

That is why I say that the most difficult assignment is to interpret the will of God, and that is what Our Lord Jesus Christ did. That is why also when people read the books and pamphlets in Brotherhood, they quickly conclude that the Leader has made Himself God because He always speaks in the direct speech. "I" not as a person, He is interpreting the mind of God which is invariably the word of God. It is God teaching me, you and all others. There are no other teachings but those of Our Lord Jesus Christ, neither can you add to nor subtract from any other aspect of the teachings but you have to practicalise all of them, and then teach the others who have not got the

opportunity to hear from the horse's mouth.

Since the creation of the world, the first man who does the will of God was Our Lord Jesus Christ. He came to the earth and did everything. He attributed everything to God. "The Father does everything!

Listen, all the food you have prepared and kept for Our Lord Jesus Christ when He will descend from the sky and all the cars you have bought for him, give to any person you find, a child or anybody at all. When you do that for him you have done it for Our Lord Jesus Christ. All things you think are good enough for God to possess and have glory, do so for man, these men around you, the man you can see. Right from today, do not joke with any man, think no evil against any person, do no evil to man, curse no man, hush no man, handle man with care. When you do this, you have done so for God. Our Lord Jesus Christ did not love the world and the things of the world, He loved God because He is God and loved the brethren because He is man. If we trace our genealogy, we will find out that we are from God and indeed all human race are descendants and children of God.

Right now, because you love money, you will tie money around your waist and yet you will be going about hungry, not attempting to remove even one kobo so that the money will not be finished. Right now everybody has enslaved himself to money. Before your wife tells you that the feeding money has finished, you will start wearing a heavy look. When you give one naira to your child to buy something for you, if the child comes back complaining that the money is lost, you will become so enraged and rebuke him to go and bring back your money. No matter how heartily you will laugh, if only one kobo of

yours is no more found in your pocket, the laughter will cease instantly, fighting will erupt.

If you have not Christ, you have no life. If you hate your child, your mother, any man created by God, you hate God your creator. You turn around to love money, food and clothes. Is your head with you? The very important thing that Brotherhood has come to do is to take man back into the love of God. God is man but you say you do not worship man. I am worshipping man because man is God. God your Creator, my Creator and the Creator of all things says I should respect you, love you, honour you, do good things at all times to man. If I do not do so, it means I do not do the will of He who sent me.

# HIS RESURRECTION POWER

This is to reveal to you that Our Lord Jesus Christ is God, who has come down on earth, but the world knows Him not. Neither does it believe in him, since He has come in a human form as the Son, the Holy Spirit, and as the Father. All the words spoken by Our Lord Jesus Christ even His statement that "whoever believes in me will not die" were not believed in.

Do not seek for the Holy oil, nor water. There is nothing which could be of any help to you. Money cannot avail you anything. The only thing which will help you are the words of God.

If you hear and believe in the words of God, then you are free from bondage. No other thing was used in creating you apart from the word of God. There is no other way through which you can have same spirit of our Lord Jesus Christ apart from these words.

If you hear the words of Our Lord Jesus Christ and believe fervently in them, then the flesh is completely dead and the spirit has triumphed. If the spirit of Him that raised up our Lord Jesus Christ from the dead does not dwell in you, what then will cause you to resurrect?

What we therefore have to seek after; is that spirit of Our Lord Jesus Christ which made Him to resurrect. Not to pray for money, children, motor cars, promotion. If the Holy Spirit dwells in you, if Our Lord Jesus Christ dwells in you, then you will have the ability to do anything. If our Lord Jesus Christ did not have that spirit nothing would have caused Him to resurrect.

Since the creation of the world people have been

coming into the world and dying because they do not have the Spirit of resurrection. You who places your hope on the resurrection of our Lord Jesus Christ, do you have the Spirit of Christ? You who continue to say "I am perished, I am going to die" do you not believe that you have the Spirit of Our Lord Jesus Christ? If the Spirit of Our Lord Jesus Christ dwells in you, then the flesh dies completely. If the flesh dies and the Spirit triumphs, what problems do you therefore have, you cannot die again, neither can you become sick, nor poor. Why then do you seek after the carnal things of the world.

That is why Our Lord Jesus Christ had no problems. That is why all those who have the Spirit of Our Lord Jesus Christ have no problems and do not complain. The only thing which has made us to fall is the fact that we do not believe in Our Lord Jesus Christ. All the children of God have their boast in the fact that since they have the Spirit of Christ dwelling in them, that Spirit will cause them to resurrect.

Since you have Christ, what can the sword do to you, what can imprisonment do to you?, what can hunger do to you?, what can sickness do to you, what can death do to you?, what can hades do to you?, what can human beings do to you?.

Brethren, can you not see that a great many of you do not know Our Lord Jesus Christ? If you were to know Him, what have you to do with the Holy Oil? What have you to do with water? What have you to do with any human being? What should you be afraid of? As long as Our Lord Jesus Christ dwells in you, then the flesh is completely dead.

If Christ dwells in you and you in Him then you have overcome the world. There is nothing which the Spirit cannot do. He can turn the morning to night. He

can cause the morning to become evening. He can turn you into a tree. He can turn a tree into a human being. Do you not realise that all the miracles performed were not performed by our Lord Jesus Christ perse but by that Spirit in Him. It was that Spirit which spoke all the words you have heard of our Lord Jesus Christ. This is the spirit referred to as King of the spirit. There are different spirits. There is spirit of fornication, spirit of falsehood, spirit of evil and the spirit of death etc. But we are referring to the spirit of Christ. If that spirit dwells in you, no other thing will have dominion over you. If you have the spirit of Christ, you will be accused of having demon, power of mermaid, power of witchcraft, power of a ghost. You will even be surprised to find people laying these accusations against you. That is because the spirit of our Lord Jesus Christ dwells in you. People will say that you are very powerful but when you look round, you'll see nothing. It is that spirit of our Lord Jesus Christ which they are talking about. You can now see why I continue to tell you that the flesh profits nothing. it is merely a framework. Unfortunately for you, if you have not the spirit of God and indeed the spirit of our Lord Jesus Christ then you are good for nothing. You have the right to rejoice, to shout and jubilate, dance and sing because you are save. Pentecostals are kept so that you may be overhauled; regenerated, and your spirit revived so that our Lord Jesus Christ may dwell richly in you. You are told to love one another so that the spirit of our Lord Jesus Christ may come in and dwell with you. The reason why you are told not to steal, commit fornication, and adultery, indulge in the preparation of concoction, and charms is so that you may have the spirit of our Lord Jesus Christ. In the past you had come to Brotherhood to seek for carnal things, of this world. You have to change your mind right now. Let the main reason of

your coming to Brotherhood be to seek for the spirit of our Lord Jesus Christ. Do not forget that our Lord Jesus Christ was a carpenter, but right from the day He was bestowed with the power of the Holy spirit, He had stopped to have any dealings with carnal things.

The only thing our Lord Jesus Christ has come to do is to follow the path of righteousness, show the expression of love, patience, truth and humility and reveal the glory of God and accomplish good works. You will now see why our Lord Jesus Christ has been able to fast for forty days and forty nights without becoming hungry. Once the spirit of our Lord Jesus Christ is in you hunger will not have any dominion over you. The thought to acquire one thing or the other will be completely dead. Fear will completely die. It is only our Lord Jesus Christ who will have dominion over you. The greatest gift is the Holy Spirit, the Spirit of our Lord Jesus Christ. No matter how much money you may have, even if the whole world is bestowed on you, you are but empty. But the person who has the spirit of our Lord Jesus Christ has overcome the world. He is no more on earth but in heaven. The whole world is like a mighty ocean in which a great many people have been drowned. What you will find is everyone trying to help himself. Who else will be there trying to help the other. That is why our Lord Jesus Christ having visualised the whole situation promised to send the Comforter, even the spirit of Truth, so that we may be saved. The reason why no one right from the time of Adam to the time of our Lord Jesus Christ was able to do anything was because no one had the spirit of our Lord Jesus Christ.

Have you ever seen someone who has overcome death, grave, hades, sins and taken the key of death

and Hades? Have you ever seen a person whom death is afraid of, whom sickness is afraid of, whom sleep is afraid of, whom human beings are afraid of? It is the Spirit of our Lord Jesus Christ whom you do not know.

When our Lord Jesus Christ cried 'Eli, Eli, Lama Sabathani' meaning 'My God My God why has thou forsaken me,' events very spectacular happened in the whole of Jerusalem. Apart from that He said "My God, into thy hands I commit my Spirit. That was when He gave up the Ghost that will show you that if He had not given up His spirit unto the Father He would have continued to remain there for a hundred years, without anything happening to Him.

In spite of the fact that you had amulets and rings around your hands, necks, waists, fingers and other parts of your body, you would always be stricken with fear at the slightest sound. But the story is different today, now that our Lord Jesus Christ has taken complete dominion of you right from the head to the toes, that fearful spirit has become courageous. There is no one amongst you here who is not even afraid of himself when he recollects his past life; because the stranger who is living with you, is knocking waiting that you may open for Him. Right now, you have opened the door and He has entered as a thief and taken dominion. It is the spirit of our Lord Jesus Christ that is responsible for everything. You will notice that all the things which happened in those days, have repeated themselves today. That same spirit has reappeared to prove that our Lord Jesus Christ is the same yesterday, today and forever. Just as He made the lame to walk, blind to see in those days, so has he also done those works today. Just as He was called Beelzebub, ghost, mermaid, demented fellow, so is he called

today.

If you are dehydrated you can survive. if you are anaemic you can also survive, but as soon as the spirit departs from you, you will surely die. Who is the water in your body? It is still that spirit. As long as the spirit of our Lord Jesus Christ is in you there is bound to be water in your body, there is bound to be blood, power, good health vitality beauty and food. Is it not clear that it is the spirit of our Lord Jesus Christ which is doing all the works you find in the world. Everyone should be happy and rejoice because this is the luckiest, of all the generations created by God. Right now, our Lord Jesus Christ is on earth. What had caused him to resurrect is the Holy Spirit. That is why the children of God have no problems on things pertaining to death, sickness, imprisonment, and lack because the spirit of our Lord Jesus Christ is dwelling in them. Why are you afraid of death? Why are you afraid of man? Why are you afraid of hunger? You know and believe that the spirit which caused our Lord Jesus Christ to resurrect will also cause you to resurrect. Resurrection is not solely for our Lord Jesus Christ. It was not a matter for Peter alone, It was not for Paul alone. It is for all those who believe in our Lord Jesus Christ. As many as believe in Him, they also have share in the resurrection. It is the hope of all the children of God. Our boldness arises from the fact that the spirit which caused our Lord Jesus Christ to resurrect on the last day is here.

Now that you do not seek after that spirit and you also doubt it, can your money cause you to resurrect with Him? Now that you are still seeking after the wisdom of this world and the glories and power of the world, will those things cause you to resurrect on that day?

On our own part, we boast in the Holy spirit because as it had caused our Lord Jesus Christ to resurrect it will also cause us even in the midst of all problems, be it in the evening, or in the night, in the shadows of death, in time of hunger to resurrect with Him.

There is no other spirit both in heaven and on earth which will cause you to resurrect with our Lord Jesus Christ, except that very spirit of Christ.

---

## His Greatest Enemies.

You will realise that the churches are enemies of Christ because they say that Christ is dead and gone until He comes back. Does God die? Know ye not that God never dies? When you go home tell the Pope, the Bishop and the so called Church dignitaries who presume that Christ had died and can only be seen when He comes back. That He is at the right hand of God in Heaven. Is that correct?

I have told you that He died for only three days during which time He gained dominion over death and the hades, triumphed over all principalities and powers and cast them into the bottomless pit. Therefore He resurrected and now lives forever. He is now living both in the flesh and in the spirit. He is now a living soul a quickening spirit. He is very much in the world. He is now everywhere. He is in your house. He is with you in the office. He is with you at the market. He is with you when you travel in an aeroplane. He is with you in the darkest night. He is talking to you. He is discussing with you. He is eating with you. He is in the prison custody with you. How many of you really know and believe that our Lord Jesus Christ is living. If He is God are you saying that God dies? If He is in the likeness of God, the son of God, why do you say He died. He is a living God who does not die. It is the handiwork of Church denominations or anti-Christ who spread false doctrine, who indoctrinates and brainwashes you to believe that Christ died. The Bible has confirmed that He is living but the agents of satan are preaching that He had died. Some people say now that Jesus Christ has come back again, where did he go to? He has always been with us. If a man is travelling to Port-Harcourt he can decide to travel by air, he will go to Calabar

---

airport, enters a plane which flies thousands of kilometres above sea level. The plane lands at Port Harcourt and he decides after transacting his business, to travel back by road to Calabar.

Does it mean that since he travels by road he will not get back to Calabar? Does it mean that he is still in the air? Will you continue to look at the sky to see when he will fly back in the plane? The man has travelled back by road, he has arrived back at Calabar and is singing and dancing, eating and doing all sorts of things but you are looking at the sky to see when he will fly back from Port Harcourt. Who would voluntarily die on behalf of the people and then would leave the people behind on earth and go to stay in Heaven? What is He there for? Why would He not come to stay and care for the people He redeemed. Do you believe that for one thousand nine hundred and ninety four years since Christ left you that He is in the Sky? What is He doing there? Under whose care has He left you? Is He not a human being? Is God not a human being? How can he afford to desert you? He has not left you like sheep without a shepherd? why should He not take care of you? Why should He not protect you? It is this mistaken belief that has led many a man to find protection in other means as they say "heaven helps those who help themselves" and for that reason they become entangled in the work of darkness. Since God created the world, Christ is the only person who does not want honour and glory from man. He comes with His own glory. He knows Himself, where He came from and He knows that He is in the Father. That is why He overcame the world. The whole world is reading the Bible but until doomsday no person would know who our Lord Jesus Christ is. That is the trouble besetting the entire world today. Right now

people argue that even our Lord Jesus Christ died, Is it true that He is dead? Where is the grave of God? He is raising the dead, cleansing lepers, He is watching over the world. He is in the water, He is in the sun, and in the moon. But you still say until Christ comes back and I laugh at you.

You are preaching about man and non-existent things. But whom did Christ bear witness of. He testified of the Father because he was in the Father. He lives in the Father and it is the Father who works in Him. All the words of Christ are the words of God. He did not speak of himself or of any man. He spoke the words of God alone. If you listen to his words, you will know God and you will also know yourself. He came from the Father and He is the only person who revealed the Father to the whole world. No prophet did it. Right now people maintain that no person can be like Jesus, no person can do the works He did. Does that mean that you know yourself? Somebody sat for an examination and passed. He left the question papers and answers for you. All that you will be asked and what you will write in the exams are therein. Does it mean that if you study the paper you will not pass? Somebody orders for something from America and the thing arrives for him, He gives you the address and tells you to place your own order and travels to another place. But you say that until he comes back and place the order for you. Are you not a fool? The address is there with you, place your order and get the products.

# The Anti-Christ

1st lesson Luke 1:32-33 • 2nd Lesson Luke 2:10-11 • Golden Text Matt. 2: 1-2.

Brethren, - the above texts confirm what we are going to reveal to you today. It is but pathetic with those whose eyes are not yet opened. A lot of people know our Lord Jesus Christ as a human being while others equate His status to that of an angel. The question now is, which angel has God ever proclaimed His begotten child? But He said of Our Lord Jesus Christ "this is my beloved son in whom I am well pleased, here ye Him."

What I want to reveal to you today is that Christ did not come to heal neither did He come as a prophet. He was, and still is not a Pastor, an Apostle, or Evangelist. He was not a member of any of the church denominations that existed and did not found any healing home, prayer house or church. He had been from time immemorial and ruled over all nations. He has come to rule over heaven and earth, not because He healed the sick or raised the dead but because He is a born king. His glory therefore has neither beginning nor end. The Gospels I have been preaching, what is happening in the world today and your individual experiences in life should tell you that He has come to rule and His reign knows no bounds. He has come to reign in the house of His Father David and in the house of Jacob.

I have told you many times that your problem is disobedience. Our Lord Jesus Christ is not Lord because He healed the sick, raised the dead and did other miracles. He is Lord and King from birth. He is Lord to mankind, animals ants, birds fishes and everything created by God. But who recognises Him as the Lord? Of all the Jews, did anybody recognise Him as the Lord of lords? Will you say that there were

no prophets in Israel at that time? He came only to rule, to save and to heal; that is why once that name is mentioned all things bow in submission. A lot of people do not know that Christ is not a prophet, but a King. What have people done to show that they recognise Him as the king of kings? Only those four wise men knew Christ as the King of kings and Lord of lords. It is an act of ignorance that somebody will say to God that he shall be grateful with the sum of N10.00 if he is healed. That is insulting the Lord's integrity with such a condition. The only thing you can do to the Lord is worship Him. If the four wise men had asked where the prophet, Elder, Pastor, Bishop or pope was born, king Herod would not have been worried. But they asked where is He who is born King? Herod became uncomfortable on hearing that another king was born while he was still alive. Do the church denominations recognise Him as the king and ruler of the universe? Ask the governments of the world if they know Christ as the king whose rulership has neither beginning nor end? If Pilate, the man-made governor, knew that Christ was the king of the universe would he have released Him to the Jews?

We have one Father who is God; we also have one king who is Christ. That is the reason He is called Christ the King. He is not a spirited child, not an ordained or Elder. That is why you are told not to call any person teacher or Father. There is only one teacher and king who rules over all things whose glory has neither beginning nor end. Even those of you who are here, do you recognise Him as the King and ruler of all mankind, the angels, the fishes, birds, sun, moon, stars and everything created by God? Do not ever pray to God that He should send unto you a king because the one and the only king had been

and still is.

Do you not hear the Lord's reply when the Jews reported to Him what His disciples did on the Sabbath. He replied saying that sabbath was made for man and not man for the sabbath, and that David and his men committed more serious offences yet were they not punished. David went into the altar and took the shew bread and ate with his people and yet they were not persecuted. If David had known that the Son of man needed no sacrifice but worked on mercy he would have known Him as the Lord of the Sabbath.

Has God ever appointed an angel as king? Is it a tree, animal, spirit or bird that has to be king? God created man to rule heaven and earth. Can you prevent God's plan that man should not rule the world? How many have to rule? Only one man and King did God destine to rule. All other kings are counterfeit. But the fact remains that those who accept and rejoice with Him, He gives them the right to rule with Him. That was why He said that whoever overcomes shall I give the crown; that is to say no cross no crown. No person has been given the authority to rule except Our Lord Jesus Christ. He rules over the trees, the water, the hades and the entire universe. Man is so stupid to raise his shoulders high and call himself a king. That is why there is no kingdom that stands and no king survives. All things are temporary. He has said that all the things that are not planted by my Father shall be uprooted.

The people are complaining of punishment and suffering here and there. The question is, do they recognise their anointed King? When you people talk of the Queen of England, is she known by the

animals, the grasses, the sun, the stars or even the ants. Is Queen Elizabeth known by any of the angels? That was why He said I have no honour from man. But you who receive honour from one another how will you believe in God? That is the problem with mankind, you demand and receive money and other things in order to be installed a king or given a title. When you do this, are you crowned by God?

The name Christ had been with God and means the anointed King and Lord. He is not voted into power by human beings. He had been anointed by God and kept. He rules over all the fishes, the birds, the angels and the entire creation. That is why the name is called Jehovah God and His Christ. They....are one - The Father, the Son and the Holy Spirit. Can you see now how this knowledge is hidden from you. You crown people and appoint them to various royal positions and ranks. If you look around the world you will find that there is nothing the world cherishes today, and any other time, than worldly honour and kingship. These people are called the anti-Christ. If you call any person king other than Our Lord Jesus Christ you are against Him; and all those who claim to be kings themselves are false and quack kings. Who made you or your father a king? In the case of Our Lord Jesus Christ He had been a king before the foundation of the world was laid. He is the only one king and none other. But it is pathetic to note that the same mankind He came to save have rejected Him.

It was written against Him - King of the Jews. The people asked pilate to erase that name but he refused saying that what he had written had been written. Pilate was asked that he should write saying that it is Christ who claims He is the King of the Jews. They debated amongst themselves to expose their foolish-

ness. Uptill now many people believe that Christ does not rule over them. If He does not rule over you, whom does He rule? Besides can you oppose His rulership? Tell me, if it is announced that the president, or one of his subordinate is visiting this town, will you rest? But who rejoices with Our Lord Jesus Christ? Have you not heard that the Lord reigneth in heaven and on earth? It is against this background that I keep saying that you do not know Him. In the entire world, who realises that the ruler of the Universe, the King of all kings is living with man? The angels and all spirits know that the King is dwelling with man except human beings themselves. Even the disciples of Christ did not know their master. When they were in the sea and there was a heavy storm that threatened to drown the disciples, Peter intimated the Lord to know that they were drowning. Christ woke up and rebuked the waves and it ceased immediately. This explains the fact that even the wind recognises Christ as the King and Ruler of all things. Peter did not know what kind of person Christ was, that even the wind obeyed Him. He also commanded His disciples to go to the next small village and bring the ass they will see to Him. When the disciples asked what they will say supposing they were interrogated on who wanted it, He informed them to say that it is the king. When the decorated ass was brought to Him, He mounted it and rode through the streets, with the people chanting songs of praises. The Jews out of jealousy and ignorance tried to stop the multitude from singing the Lord's praises. But He replied them saying if those people should stop, the stones, sand and grasses will rise up and sing to the Lord.

The white horse presented to the Holy Father also has caused another stir. It has caused many people

to be baptised. When the horse was presented the print and electronic media were invited to witness and cover the ceremony. But the other church denominations held council and instructed them, especially the Nigerian Chronicle, not to feature that occasion because they disputed the religious significance of such presentation. And that if the occasion was featured it would mean the acceptance of whatever significance was given to the media. Behold the occasion has not been heard of since then. Even at the council no form of presentation of the story was accepted because it would still point to one thing and that is the fact that the Holy Father has been given a white horse. The issue gathered such momentum that the Governor and Head of Service in Cross River State were consulted. Finally the horse matter was published without the spiritual significance. This issue raises the same question asked by Pastor E. Eyo in his book that should Our Lord Jesus Christ descend with a trumpet and His legions of angels will anybody allow Him to lodge anywhere? What is the major thing that is causing trouble in Nigeria today? Is it not the struggle for position and honour? Unfortunately the whole of Africa has no King but chiefs. The whole of America, Russia, and other Western countries have no single king. The whites do not call anybody king except in England. If you see the way the Queen of England is honoured and respected you will be surprised. If a carnal Queen can be so honoured, what then do you think about the King anointed and crowned by God, the Christ of God. Let the first lesson be read.

### ***1st Lesson: Luke 1: 32 - 33***

“He shall be great, and shall be called the Son of the Highest:

And the Lord God shall give unto him the throne of his father David:

And he shall reign over the house of Jacob for ever; and of his kingdom there shall be no end."

Brethren, have you heard that? You call Him Jesus. Which Jesus do you refer to? And is He Jesus actually? He is the King of kings who it is said shall reign in the house of Jacob and whose reign has neither beginning nor end. For this reason there is no other king in heaven and on earth except the only anointed one who had been king before the world was. Our duty is therefore to reveal Him as the King who rules over the fishes, the angels, the state, and who rules over everything. He is not made a king out of His earlier work or achievement but because He had been a king right from birth. The dress He wore, the way He moved did not betray Him to the Israelites as king. He is the son of man, the son of God and God Himself and then the King. He dwells in the Father and the Father in Him too. He is one with the Father. The world is undergoing numerous problems because nobody hearkens to His instructions. We are given the injunction to love one another. But who has hearkened to that instruction?

He owns the governments, the individuals and the entire Universe. This is the time for Him to reign. Whoever does not receive Him and hearken to His instruction should put himself in fervent prayer. You have been advised to cease seeking for honour and glory because the person who is worthy of glory and honour has come to rule. Therefore even if you are asked to come and receive a free honour and glory do not go so you do not make yourself God's adversary. Do not call Him Jesus any longer so that

you do not put yourself into trouble. He is the Lord of the lords and King of kings who has come with a new Name. You will remember when He asked His disciples whom the people said He was, they replied saying that they say He is a prophet, Elijah, Jeremiah, and an Apostle. He then asked His disciples who they say He was. Other disciples mentioned various names; but Peter said that He was the Son of the living God. The Lord replied that it was not flesh and blood that revealed it to him but His Father who is in heaven. After that He commanded His disciples not to tell anybody what had happened until all things were fulfilled. Why did He command the disciples not to disclose to the people that He was the Christ? That is because except somebody has completed his assignment he cannot earn his wage. Christ's assignment was to glorify His Father first after which He would be glorified too. When a heir to the father's inheritance is a small child he is not in anyway different from the slaves.

The Lord was always at His assignment until the last day when He shedded His blood. That was the reason He said to the Father "now glorify thou me even as I had glorified thee by doing the things which thou sent me. Initially He was the king of angels. But because He successfully accomplished His assignment He was given the power to rule all flesh. Today we are all His instruments. He uses us at will. He can order you to perform any assignment without prior consultation.

The people are aware that there is power in Brotherhood but nobody knows from where this power comes and that it does not come from God. In the days of our Lord Jesus Christ, he went from place

to place requesting people to come with Him but they refused. But now the Father does not come to you. He does not make any request. Yet, you will find yourself in the field doing the work. This is the time for His kingship; the time to reign in heaven and on earth and over everything. But whoever recognises Him will glorify. You will remember that the Christ Students were first known merely as students. Today they are known as "Christ students". You also have the Christ Witnesses, and so on. All these names have power in themselves to heal the sick, raise the dead and to extract charms from peoples body. This school here has its name as the Christ Oriental Spiritual School of Practical Christianity. The whole names hang on Christ. That is why I ask you to always sing His Name and His praises. In Brotherhood you lack no food, energy, children and health because He is here and everything belongs to Him. He does not reign only here in Nigeria, or Africa, or America, or in the water, in the sky or in the heart of the soil alone. He reigns everywhere and forever and ever.

Have you ever heard that somebody's name is called and something happens? For example, the letter O is an alphabet. What is the power in it that when it is written somewhere people would immediately order it erased? If you write the three Os the entire people are in trouble and will complain that you vacate the house or office. You people have erred and that is what I want to correct you now because this is His week. It is what you have never heard that I want to reveal to you. The cow has delivered in the open so there is no need to close its legs.

What is then the meaning of the three Os? They represent the Omnipotent, Ominpresent and Omniscient God through whom salvation comes to everyone. We should be happy, we should sing and

shout and leap for joy because we are saved. If you are not saved I am saved. A time is coming when we shall only be singing and dancing and rejoicing all day and night because this is His kingdom and this is His reign which has neither beginning nor end. Let the 2nd lesson be read.

*2nd Lesson: Luke 2: 10 - 11*

“And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.

For unto you is born this day in the city of David a Saviour. which is Christ the Lord.”

Brethren, tell me the truth, if the Jews had known that the name Christ meant the King would they have allowed Him to survive His childhood? As I have said earlier, how can, a child who is an heir to his Father's inheritance start to enjoy that right from his youth? He has to grow up with the slaves and then gradually matures and assumes his roles. Joseph was made a governor only when he was sold out into slavery. Our Lord Jesus Christ was crowned the King when He accomplished His assignment. How then do you expect your reward now when you have not successfully ended your labour?

Go and announce to the entire world that Our Lord Jesus Christ has not gone anywhere; He is here with man. We are beset with numerous problems because we refuse to recognise Him, reverence Him and worship Him. He is the ruler of heaven and earth and dwells with us on earth. Call Him King of Kings and Lord of Lords and not Jesus. This is the time for His reign that commenced from the moment He overcame death. That is the reason we preach Him from January to December of each year, we sing to

---

His glory, dance to praise Him and testify about His Name. We do not have any problem because we recognise and acknowledge His existence.

Moses did say that at the fullness of time, God shall raise amongst you a prophet whom you shall obey. That whoever refuses to obey that prophet shall be exterminated. You have to obey His instructions that you should love one another, pray for the good of your enemies and whoever needs your help do not hesitate to grant him. He also said that if somebody strikes you on the right cheek you should turn the other for him and that if anyone requests you to walk a mile you should walk two. We are having problems today because we have refused to obey His instructions. He is a prophet because He is a being; a priest because He prays, and a king because He has come to reign. He is the only perfect being who is God's mouth-piece, who has come to save and to rule. We therefore have to rejoice with Him because there is no other king in heaven and on earth excepting Him alone. There is no other ruler apart from Him. He takes care of all things, the blacks and whites, the birds in the air, the fishes in the water, and the animals in the bush. He protects everything in heaven and on earth. In addition He is fire, water, man, tree, animal, sun, moon, star and indeed everything.

The Omnipresent God that He is means that He is water, leaf, bird, fish, ant, grass, air, fire and everything. He can appear here as a woman, or a small child, Yet He is the ruler of all things in heaven and on earth. He is the King of kings and Lord of Lords. He can come into your house and carry out an assignment you never had ideas how to accomplish.

As we had borne the image of the earthly man so do we have to bear the image of the heavenly being. That is why the evil things we desire to do we do not do them, but the good things we do not desire to do we find ourselves doing them because the king dwells in us and reigns over all things. It is therefore a wrong language for you to want to go to Brotherhood so that you will be healed. Your duty is to bow down, and worship Him. Did those ~~four~~ wise men not indicate to us what we should do? That we should surrender what ever and place them before the king and worship Him. He is the greatest of all the things worth having and so we should forsake whatever we have and seek after Him.

Today is the Youth Fellowship with the Father, but where are the members of Brotherhood and other inhabitants of the world? Today is the day this hall should be filled to capacity. Market should be abandoned today, likewise office, business and farming activities. The king has the power to cause all those activities to cease to exist but because of His kindness and mercy He continues to maintain us. I do not want to be tedious with you. Let our golden text be read.

Golden Text: Matthew 2 : 1 - 2

“Now when Jesus was born in Bethlehem of Judea in the days of Herod the king, behold, there came wisemen from the east to Jerusalem,

Saying, where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship Him.’

Brethren, have you heard that? The question was not about the prophet, or pastor or Elder who is born. The wise men asked about the king who is born. But today He is not only a king, but also the

one who reigns in heaven and on earth. Your problem in the entire world is that you do not know Him. It is exactly that, that I have come to reveal to you. This is the time for Him to be glorified. The reason the whole world is like this is because they have no king, and moreover they do not know Our King. Why all the shaky things are falling is because it is time for His glory to be revealed. The governments, industries, church denominations and so on are all shaky. He has come to uproot all shaky things and show His supremacy over all creations. It is said that on the last day there shall be joy with those who love Him while those who do not love Him shall weep and gnash their teeth. This explains why some people are mourning in the world today while others are rejoicing.

Do you know that to call another person a king means putting yourself into problems, and the act in itself is insulting. Except you surrender immediately to the reigning king, pray fervently for yourself. The whole of Nigeria today, and indeed the entire world, people are quarrelling and fighting about traditional and chieftaincy titles. There are series of court cases relating to kingship positions all over the place, even reviving and introducing those ones that had never existed. My question to all of you is whether it is not too late for you to struggle for positions and titles now? You have no just cause to struggle for one title or another. This is not even the time. Those who had been made kings and carnal lords should relinquish such positions and titles, otherwise they will see what shall happen to them. Those He alone shall give the power to rule with Him are there, and there are the people who recognise Him as the King of Kings; they are those who will constitute the 144,000.

That is the reason I say always that you do not

know where you are. Why should you accept to be crowned a king, even a chief, after seeing this Kingdom?

When the King was born, Mary was ordered to take the child to Egypt to escape being killed by Herod. His movement from one place to another was to fulfil what has been written about Him; otherwise He would not be the one so written about. If He was not chased from one place to another, as written about Him, He would not be the one.

When Herod had died and his son succeeded him, the angel went again to Joseph and asked him to return with the child that the person who sought to kill Him had died. But Joseph still had some fear since it was Herod's son who succeeded the father. He thought his son might be interested in pursuing his father's programmes and so he refused to return but rather went to Nazareth. That also happened so that the scripture might be fulfilled that He will be called a Nazarite and thus the name Jesus of Nazareth. But is He from Nazareth? That name was derived because He had gone through Nazareth with His parents to fulfil the words of the prophecy. If those things did not go that way He would not be the one. His parents were only following a laid down plan, though unconsciously, and moved from one place to another. The way a building plan is drawn so shall the contractor follow to build the house according to specifications. This is the time for His glory to be revealed. All of us have to kneel and bow unto Him. Those wise men came from different places and were directed because they believed that a king was born. The journey of the wisemen symbolises the one we are undertaking today. So, all that we have to do is to honour Him, glorify Him, rejoice with Him and praise His name alone. Brethren, we are not serving a

prophet, Paul, angel or Jesus. But we are serving the King of kings and Lord of lords who had been and ever shall be. The time has come for Him to be revealed. You have been told many times that a time is coming when we shall be singing and dancing and rejoicing from the beginning of the year till the end of it. there shall be no hunger, no pains, no darkness, no sickness, no death and no tribulation of any form. In Revelation 7:9 mention is made of the multitude of people who are innumerable "standing before the throne, and before the Lamb..." When the angel asked Him who are these clad in white He replied thou knoweth; that they are those who have washed clean their garment in the blood of the Lamb and who stand before the throne worshipping God day and night. That He shall cover them with His tent and they shall hunger nor thirst no more; the sun and rain shall not smite them. The Son of man shall wipe away their tears and lead them into the living waters. That is the promise to those people who have come out of great tribulations.

If you compare the wisdom of God to the wisdom of the world you have erred; and have worked your way to perdition. If you read the Bible without listening to the Spirit you are lost because you will regard its contents as baseless and unrelated to you. But if you look into it with the wisdom and spirit of God you will find everything therein right.

Many people say that Jesus was in Bethlehem while others say He is an indigene of Nazareth Although He was born in Bethlehem when His parents went there to register, His journey at maturity took Him through Galilee to fulfil what the prophecy had said that Bethlehem is the kindred of David. Those wisemen surrendered their wisdom, wealth and everything and searched for the new-born King

they rightly recognised.

A stroke of the cane is said to be sufficient for the wise. I do not intend to take you further. Let those who have ears hear, May God bless His Words. Amen!
