

First Bible Lesson: 1 Corinthians: 6 : 9-10.

Second Bible Lesson: Galatians 5 : 20-21.

Golden Text: Revelation 21 : 8.

Satan is deceiving the whole world today that if you steal, fornicate and commit all forms of abomination, but call on Jesus as your personal saviour that you are saved. That since Jesus Christ came and shed his blood for the redemption of sinners, you can go ahead drinking wine, committing adultery, murdering and covering and be licentious. This is an outright deception. All those led by those precepts are going headlong into hell and they are in hell right now.

This is no time for false claim or a time for showing false front. It is no time for saying that somebody is God, Christ or an angel, but it is the time for each one to repent and refrain from sin and to abide with God's righteous principles. I want to point out to you those who are the children of perdition. Have you noticed what the golden text has in its context? Those who practise those things are in hell right now. You are not forced or bound to do what is right, but you must know that any sin that you commit leads you into hell. Let it become known to you that from time immemorial all sinners have their abode in hell till now.

Is there any person in the world that can point to any portion of the Bible that says if a person fornicates, steals, commits adultery and indulges in lawlessness that such a person will inherit God's Kingdom? Let such a person come out and prove his case. How can you have hope of entering into God's Kingdom and at the same time remain lawless? This shows you have no hope at all. Some people having seen that they are lawless, have decided not to attend any church, for, they conclude, that they are good for nothing and are in hell in this they are correct. There are others also who are aware that they are chronic immoral persons yet they are the best churchgoers. What is the sense in going to church when you are lawless? Are you not the same as the one who does not attend any church at all? However, the sheep must be separated from the goats right now.

SEPARATING THE SHEEP FROM THE GOATS:

This is the time to separate the sheep from the goats. Since you know that you are a goat, why do you come in here? We do not keep goat here. You know that the thief only comes to steal. Since you are licentious, or a sex maniac, your intention is to come and corrupt the sheep, who are kept chaste and undefiled by God.

Your destination is in hell and the sheep only are for Heaven.

Today many people are rushing into the Brotherhood of the Cross and Star with the intentions of being healed of their sicknesses or to have an improved condition of life. But little do they think of refraining from sin. Christ said: "come to me all of you that are loaded with heavy burden and and I shall give you rest." He further said, that it is the sick that looks for the physician and not the physician that looks for the sick; that he did not come for the righteous but for the sick, sinners to repent and get saved. With this text in mind, many have been brought into Brotherhood with a heavy load of sin in order to get saved and get out of hell. But they must refrain from sin they must repent whole heartedly now for survival into eternal life in heaven.

The Brotherhood of the Cross and Star is the Kingdom of God; it is for the righteous ones. No lawless fellow has any share in this Kingdom. Obedience is better than sacrifice. Instead of spending your money in celebrating sumptuous feasts, why do you not refrain from sin? why do you not repent and get saved from this adulterous generation? Instead of suffering yourself in fasting for number of days and nights and going to unnecessary ministerial tours, why not refrain from sin? Instead of becoming regular confessor of sins, why not heed God's instruction now and live? For it is written for if they did not escape who begged off from him who was giving divine warning upon earth, much more shall they not if they turn away from Him who speaks from heaven.

YOU ARE OBLIGATED TO REFRAIN FROM SIN:

God gives us life, protects and heals us and bestows all good gifts on us. There is every

reason then why we should and must obey God. It is because of this fact that you are given this gospel. God has given you all that you need for your daily sustenance, why then do you choose to go to hell-fire? If you were to abide by the gospel of Christ, you would not spend your time going about telling people that the Leader of Brotherhood is God, Christ or an angel. This is a wasteful exercise. All that are required to do and get saved is for you to practise the Word of God. For it is written that not all those who call me Lord, Lord will enter into the Kingdom of God but those who practise the Word of God.

The choice is before you now, either you abide by the instructions of God and enjoy life in God's Kingdom or practise lawlessness and be condemned into hell now. Why do you choose to go to hell? You do not come here to work for anybody or for the interest of anyone. You are here to save your soul. God and His Christ are here to save you. Many people think that if they refrain from fornication, adultery, stealing or telling lies that they are doing another person any favour. not at all! It is for your own good and welfare, it is for the salvation of your soul. Why? For under no circumstance, shall a sinner go unpunished. The world is full of blind and crippled leaders. Satan invites you to his organization with false promises.

You are told that if you pay your church dues, partake of a so-called communion and be baptized that you are saved. When you die, you are going straight to heaven. This is absolute falsehood. Others believe that to carry the Bible about, parading every door, streets, in pretence of preaching, that they are saved when they do not live up to what they preach. This is also another self deceit. Any person who commits those things mentioned in the first Bible lesson, is in hell now Read the first Bible lesson distinctly so that you may have discernment. All those who practise such things will not inherit God's Kingdom.

REAPING WHAT YOU SOWED

This gospel will save you just as it happened to that robber on the cross. For one of the evildoers on the cross began to say abusively to Christ, 'you are the Christ, are you not? Save yourself and us'. But the other robber rebuked him and said: Do you not fear God at all, now that you are in the same judgment? We, indeed, justly so, for we are receiving in full what we deserve for the things we did. But this man did nothing at all. At this point he pleaded with Christ to remember him for good. It is your place now through this gospel to take stock of yourself and know that all that befalls you daily are due to the sin that you commit.

For example, I mentioned that marriage is hell in one of the gospels. That fact still stands true. If you are involved in this marriage contract, do not complain to any one of the consequences of its torment. You know that Christ is the only Bridegroom. Why do you come to report to Christ when you have stolen a woman, yes his wife from Him? You must suffer the penalty. There is no amount of fasting that would likely take away the sufferings in this hell. This is the judgment. Your sufferings are no part of God's service, you are receiving in full what you deserve. Because the scripture says, that those who counted worthy to partake of the new system of things, they neither marry nor are given in marriage. If you turn a deaf ear to this instruction and marry, then you must be prepared to face the heat of fire from the hell. Do not call on God either, do not complain to anyone; you must reap what you sowed.

You who take fornication as your hobby; why do you complain when you are struck with the fire of hell?

All those who practise such things will not inherit God's Kingdom.

You who commit adultery as you take breakfast, be prepared to face the consequence of it. Tell no one about it; do not complain. Accept the blows; this is what you wanted. It is so also with the thieves. Continue to steal, but know that you are in hell. There is no turning of the shadow from there. You must drink your cup of evil. There is no sense for a thief to seek a defence. He is already in hell. Consider from youth all the sufferings that you have received because of the sins that you commit! Are these sufferings not enough? Listen to the first Bible lesson.

FIRST BIBLE LESSON: 1 Cor. 6 : 9-10

“What! Do you not know that unrighteous persons will not inherit God's Kingdom? Do not be misled. Neither fornicators, nor idolaters, nor adulterers, nor men kept for unnatural purposes, nor thieves, nor greedy persons, nor drunkards, nor revilers, nor extortioners will inherit God's Kingdom.”

Just as I have already told you, hell is a condition of suffering, a state of perpetual punishment, affliction, tribulations, gnashing of teeth, poverty, distress, and torture of extra ordinary kind. It is a place of torment, where you will look for life but will not see and pray to die but death flees away from you. It is a terrible condition ever thought of. Stealing, fighting, murdering, anger, lying, hatred, lawlessness, in short all manners of evil are found in hell.

Ask the soothsayers, the sorcerers, fornicators and adulterers whether they have the required happiness and joy. Someone who seduces another person's wife can not have peace or rest of mind. He lives in fear, eats in fear, walks in fear. He is in hell. Or someone that defies another person's daughter, he can never have peace of mind; he is in hell right in the fire, poor soul.

He lives in fear, moves about in fear and perhaps die in fear. The world is in fire. In every home the fire is blazing high but ofcourse without visible flames. Nothing physical can extinguish this fire. The only extinguisher capable is for one to follow the instructions of God. The sins of mankind have now reached the climax. The fire is perfectly heated now for lawless fellows.

You who want to get rich over-night and steal another person's money, have you actually enjoyed what you stole? You, who indulge in dubious ways of getting money, either by immoral conduct or otherwise, have you enjoyed this hot money? There is no enjoyment in hell. You do not even get to hell with these things that you possess, the fire quickly consumes them.

Today thieves are shot because of the increase of highway robbery. The prisons are full of lawless men. The hospital beds are insufficient because of diseases due to immoral conduct; the doctors are on the run. The Courts are filled with cases that are not able to be disposed of. Retirement, dismissal, termination with immediate effect every where. Yet you are warned to refrain from sin, but you refuse. Even as you are here in Brotherhood, if you are a fornicator or immoral person, know that you are in hell.

What makes a person to steal, fornicate or to drink wine? It is mere greed, lust, selfishness. Unless you refrain from these things, you will have no share in this Kingdom of God. But someone may say, I want help myself in one way or the other. Some want to enjoy themselves. There is no happiness or enjoyment in hell fire.

It was because Christ preached to the people saying 'all those who were loaded down with heavy burden should come to Him that he would give them rest' made many people to rush to him. Fornicators, drunkards, adulterers and all types of persons.

But no sooner had Christ given them this solid food, that unless they ate the flesh of the son of man and drank his blood, they would not have life in themselves, that many started to grumble, murmur and leave him. According to the report, they said: 'this speech is shocking, who can listen to it?' Yes, who can eat the flesh of someone and drink his blood? Impossible! They concluded and went away. The gospel is the beginning of the end. If you want to be saved practise the gospel.

But if you have signed a bond with satan and you are bent on committing sin, if you do not come here to be saved but to corrupt those that are here. The best thing for you to do, since you have concluded like those of old, that what you are hearing from this gospel is impractical, you better stay out and face the penalty that is due you. All I know, heaven and earth shall pass away, but no particle of the Word of God that shall pass away until all are fulfilled. God had sworn by His Name, that those that practise these sinful things would not enter into His rest. God is the Word. His word is the Truth and His pronouncements are irrevokable.

When you have time, examine these texts carefully. If you are suffering, sick and afflicted, know that your name is on the list of those who are in hell. If you are an angry fellow, a liar, know that your name is there in hell. You have yourself to blame for being disobedient to God's instructions. All evildoers should not ask God for any help. If you want to be free from all your sicknesses, refrain from anger, immorality and live with God your Creator. Christ came and preached this gospel but people rejected it. Today no church organization attaches importance to the Bible principles. People claim to be christians, the people of God. But they do not know who Christ is, nor follow His instructions.

You have yourselves to blame. May we read the second Bible Lesson.

SECOND BIBLE LESSON: Gal. 5 : 20-21

Idolatry, the practice of spiritism, hatred, strife, jealousy, fits of anger, contentions, divisions; sects, envies, drunken bouts, revelries and things like those. As to those things I am forewarning you the same way as I did forewarn you, that those who practise such things will not inherit God's Kingdom.

If you are hardened in mind and remain here in Brotherhood and commit sin despite this vital warnings, know that you are in hell. Does it not surprise you to hear that someone is attacked by evil forces right in the altar or in the Bethel? On the other hand, that there is person in the bush enjoying his sleep undisturbed by anyone? This shows that some one can be right in the presence of God and yet be in hell.

I do not say you must come to Brotherhood, but what I am saying is; wherever you are, if you practise these things mentioned in these three texts, of this gospel you are in hell and the Kingdom of God is not for you. On the other hand, I can see that many of you here are in heaven while some are deep in hell. Those, who, though in Brotherhood, are in hell, are those who do not care to receive and practise the instructions given them from God's Word. They brush them away by saying: 'as the Father likes it'. You must understand that hell is everywhere and heaven is also everywhere. If you practise what is good, wherever you are, you are in heaven. If you practise what is evil, no matter where you may hide you are in hell.

Go and tell the world, that all evildoers are now in hell. Why sympathize with the sick or someone that has got into trouble? Rather advise him to repent, confess his sins, and refrain from sin, that all may be well.

For this reason, it is written; Is there anyone sick among you, let him call the elders of the church and let them pray over him anointing him with oil in the name of the Lord, and the prayer of faith will make the indisposed one well and the Lord will raise him up. Also if he has committed sins it will be forgiven him. This is no hospital business, it does not require any black magic priest. The black magic priests themselves do not have peace. There is no point of saying that you will refrain from sin gradually. You cannot continue in sin and the grace of God abound in you, for if a person like David did not escape the punishment of taking someone's wife, who are you to evade God's judicial judgment? All what God told David happened to him because of taking Uriah's wife. David did not escape any. Why then are you toying with sins? When you refrain from sins all your troubles will be over.

Do not be afraid of the angels, spirits or any person, but flee fornication, adultery, stealing, anger, telling lies, cheating, fear sin, because anything short of this lead to hell. But if you would discern what you yourselves are, you would not be judged. However, when you are judged, you are disciplined by the Lord, that you may not become condemned with the world. For example in the prison yard, there are those who are for one day imprisonment. Such persons are not tortured at all. They are given all delicious dishes and cared for until that **ONE DAY**. Whereas they are those who may be there for two or three weeks but are punished and tortured but will be freed after this period of disciplined. The latter refers to the children of God, while the former refer to the children of the world. When the children of God commit sin, they are punished and restored, unlike those of the world who will continue to enjoy themselves.

though in sin, until the ONE DAY— condemnation. These one-day prisoners may continue to mock at you when they see you disciplined. They are those whose sins are revealed immediately and they are punished, whereas there are others, whose sins are concealed and later on will become manifest, too late to amend, too late to be corrected. Condemnation!

Today there are people who are good but they are rejected of men. After their life time, their good works will become manifest and people will talk well of them. This happened in the case of Christ. He was killed as a lawbreaker and trouble-maker. But, today He is searched for; He is called the good friend of mankind. He is in heaven. And so it is with everyone who abides in his words.

Wherever you are, if you like put on the white robe all over your body, if you commit sin, you are in hell. You should not be surprised therefore to see people committing all sorts of abomination even before the altar or in the house of God. Such people are in hell. A fornicator, a thief, a drunkard has no respect for anyone. They are dangerous persons, when you see them, take care of yourself. You have heard that Satan said he would not remain alone in the bottomless pit. Who is this Satan? If not fornicators, thieves, adulterers, murderers, and all lawless people? They campaign for people to join their company. Therefore beware of these men! The drunkards will always give you the reason why they drink. No good person will take snuff and eat tobacco. It is stated: 'Give wine to to the one about to perish and drink to those who are bitter of soul. Let them drink and forget their poverty and let them remember no more. Of course, under the influence of alcohol they may forget their sorrows and poverty. But when they become normal, their problems will surely come back to their headache. So you can see that wines

or drinks are not for good people, especially not for the children of God. If you see men and women running around like sex maniacs, it is because they are in hell; And ofcourse, no one can help you in hell.

The heat of fire in hell is the cause of your high temperature and such high fever that sometimes could cause a wet cloth to get dry when placed on your body. Do you not even ask yourself where such heat comes from, without flames in your body? Man you are in hell'. Why do you not do something now to erase your name from the list of those in hell? It is because you were in hell while in the world, that you were requested to confess your sins and repent of your evil course and get baptized; removing you from hell into God's Kingdom. May we read the golden text.

GOLDEN TEXT: Revelation 21 : 8

"But as for the cowards and those without faith and those who are disgusting in their filth and murderers and fornicators and those practising spiritism and idolaters and all the liars. their portion will be in the lake that burns with fire and sulphur. This means the second death".

Let no one mislead you, all those that practise these things have no share in heaven, their destination is in hell. Show them those who will go to heaven and those who will go to hell. All those in Brotherhood still complaining of sickness, afflictions, tribulations are not yet in Brotherhood. They are still in hell, although here in Brotherhood. Poor souls, if they can simply discern what hell and heaven are; if they could but abide with God's instructions, this would erase their names from hell and be written here in the Kingdom of God.

You who believe in the eating of communion as guarantee of salvation, you who believe in baptism as a sacrament, do you know what is the actual communion as taught by Christ? The bread is

the Word of God. You must eat the word of God. That blood is the suffering that comes through the practise of the word of God. Yes, as for your contest against sin you have not started until you have shed blood. This is the time for you to enrol your name in the book of life so that it may go well with you.

Today in the world you may look at some people as wealthy people blessed with children, but you do not know that there is a canker worm in them. Remove Jonah from the boat so that the boat may move. Yes, unless you take away those things meant for destruction, that are now in you, you can not escape God's punishment. You Jonah class, repent now otherwise you will have no peace. Do not hope to repent in hell. Now is the acceptable time for salvation.

Evildoers are head-strong, disobedient. Fornicators and thieves have no need for church services. They do not see any good in worshipping God. Someone will say I have been a member in all the churches. Is that a good report, for someone to say that he has been a member in all the churches? Is it not because of your sins that you parade the buildings of these churches? Or someone may say, I have toured the whole world in search for power. Why not refrain from lawless practises and have God's favour now? Or do you prefer to be burnt by this fire? How long will you choose to remain there? It is not the wish of my Father that any of you should perish but that you should repent and get saved. This gospel is for that purpose to help you out of hell. If you reject this gospel, there is no alternative. It means you have been destined for hell.

Decide now or never! Be transformed by making up your minds to do God's will. If the people

of old were to have this type of gospel do you think they would have chosen to be destroyed? But if you now are determined to refuse the warning contained in this gospel, I am confident and convinced that millions that are now on their way into this Kingdom, who have already got themselves prepared for this glorious treasure in heaven will enjoy these eternal blessings now and for ever more.
