CHAPTER ONE

AN EVERLASTING GOSPEL DELIVERED BY GOD ALMIGHTY THE VOICE OF GOD

GOD'S IDENTITY

FIRST LESSON: II CORINTHIANS 5:16-17

Wherefore henceforth know we no man: after the flesh: yea, though we have known Christ after the flesh, yet now henceforth know we him no more.

Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.

SECOND LESSON: JOHN 13:20

Verily, verily, I say unto you, He that receiveth whomsoever I send receiveth me; and he that receiveth me receiveth him that sent me.

GOLDEN TEXT: MATTHEW 16:16-17

And Simon Peter answered and said, Thou art the Christ the son of the living God. And Jesus answered and said unto him, Blessed art thou, Simon Bar-jona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven.

GOD IS A SPIRIT:

Beloved, I do not want to take you far but to make you understand that God is not a phenomenon to be toyed with.

You can see the smallest thing as the ant but since God is a Spirit, you cannot see Him. If you have been seeking to know God carnally, right now, show a heart of remorse and repent because no one can see Him in the flesh.

This word is the cause of confusion all over the world. Even those gathering here, still desire to see Him physically, but God cannot be seen carnally from the beginning of the world. Hence He stated in Matthew 7 verse 27 that:

*And the rain descended, and the floods came,
and the winds blew, and beat upon that house;
and it fell: and great was the fall of it.*

It is now in your discretion to seek for Him because you cannot physically know him even if He stands in front of you. Consequently, He said, 'Blessed is he that does not see and yet believes.' Beloved, this is what happened. I want to reveal to you what was written about this generation. Your problems are caused by your not believing in the spirit and the word of God. He also stated in St. John 14:19 thus:

Yet a little while, and the world seeth me no more: but ye see me: because I live, ye shall live also.

Some people are erroneously believing that since Christ came and died, God is also dead. Who told you that God has ever died, He is an eternal God and is here with us. He is working daily but if He reveals not Himself unto you, you would not know Him. He also stated in II Corinthians 5:1-2.

For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens.

For in this we groan, earnestly desiring to be clothed upon with our house which is from heaven.

If you remain in the flesh, once the flesh dies, you have automatically cease to exist. Except you are in spirit, then the Holy Spirit will reveal Him unto you and you will surely know Him. This is the time of revelation, hence it is wonderful in our eyes and I want to reveal this wonders to you. He is truthful, His words are true, you have heard the revelation that He is Omnipresent and is always with you but you cannot see Him because you are not in spirit. Do not go to the moon the stars and the sky to seek for Him because He is always with you. This confirms the spiritual chorus which says; 'I have put on Christ, well gladdened with full hope that no matter how stormy is the atmosphere, it cannot shake or remove the rock from its position. Now, how do you put Him in your body. It is through baptism, that is immersion into the water, that you can put Christ on as a garment and on coming out of the water, you will be well armed to the teeth. Right from then, no one is known in the flesh neither can He be known in the flesh. Everybody is known in spirit because He is only in the Spirit.

Let our first lesson be re-examined to broaden your understanding as to whom God is and how to know Him. Many of you do not know Him because you are searching for Him in the flesh and not in the spirit.

FIRST LESSON: II CORINTHIANS 5:16-17

Wherefore henceforth know we no man after the flesh: yea, though we have known Christ after the flesh, yet now henceforth know we him no more.

Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.

GOD IS KNOWN IN SPIRIT:

If you see a little child singing or praying, you would praise such a child whereas the work is done by the spirit indwelling in the child. It is only that you know Him in the flesh hence you attribute any thing done by anyone to the flesh. No one can know Him in the flesh therefore ye would not be known in the flesh. Just as it is stated that 'To whom He loves he reveals Himself unto Him.' If I do not reveal this thing to the world, would the world know Him? If anyone therefore comes to you and profess to be Jesus, do not believe him because he is not seen or known in the flesh but in spirit. For this reason, you are told that no one can know any man in the flesh, neither the works of God nor even his operations except in spirit. Right from the time He was crucified on the cross and He said 'It is finished', nobody knew Him in the flesh but in the spirit. If God does not therefore reveal this spirit unto you, you cannot know Him. But once you are in the spirit, He shall reveal these things unto you and you shall walk on the sea, in the air and no one who is carnally minded shall see you. Consequently, you would be given different sobriquets such as magician, herbalist, wizard

etc. Just as testified by one of our American brethren that a certain American man had a wife but one day his wife divorced him and left the city. On seeing that the wife has deserted him, he was demoralised hence he decided to sell his house to this our brother. Though our brother however complained that he had no money, the man - insisted that he wants to sell his house to him irrespective of whether he has the money or not though this brother continued lamenting, where to get money. Later, he went to the Bethel and knelt down, knocked his head on the ground and prayed to God. Saying, 'God, if it is by your authority that I should own this house, let it be according to thy will' instantaneously, somebody came out and gave him the sum of one thousand dollars.

However, the amount requested for this house was about, eighty thousand plus. This brother then phoned the man and told him what he had to offer. In reply, the man said, do not bother, come down and let us meet. When this brother got there, he presented what he had but the man told him that, even if it was a penny, the house belongs to you because presently, I do not know myself. My wife has deserted me, I left my place of work for some time now while my children are dying of hunger, therefore what type of life am I living? I am ready to die instead of this shameful sufferings.

This brother asked him, 'do you wish your wife to come back to you again? He re-questioned, where would you see her? She has gone to her parents, but this brother requested that he should accompany him and he did after some discussions.

This brother prayed for him and also told him that his wife would later return to him. Beloved, the next day, the wife phoned the husband and told him, that she would be coming back to him. Just as she said, she returned to the husband with her children.

I am telling you this story because of the statement made by the whites and some of you that Brotherhood is a ghost, mermaid, witch etc. Beloved, it was through this brother that the white man and his family got baptised into Brotherhood of the Cross and Star. Later he profess that he would want to see the juju in Brotherhood and its secrets.

For this reason, you would hear people calling him, witch, ghost, mermaid wherever you go. Tell me what name has Brotherhood not been called. You will realise that any man who beholds the power of Brotherhood, would claim that it is the magical works of the witchcraft which is doing all these work in the entire universe.

The world is expecting the coming of our Lord Jesus Christ from the sky, now the question is, has he not come? Who amongst you know Him when you are carnally minded? Any one who is in the flesh does not know or see him. He is in the spirit and you shall only see Him when you are spiritually directed. This explains the song which is sang thus:

**WHEN I AM ADORNED IN MY ROYAL
REGALIA, EARTHLY THING I DESIRE NOT.**

Now, you have put on the glorious garment which you have been hearing of. Recall the testimony of Brother Solomon Esté, (Senior Christ Servant) who said that in Overseas, when they go on singing, everybody will be amazed and thus questions, where do these things kind of behaviour? People singing, dancing and tooning their robes. These things are not done by them, but by the Holy Spirit. He is responsible of doing everything. In a similar way, all the wise are capable of inventing things of different kinds and characters, how much more, God, who is the custodian and the giver of all knowledge and wisdom with which these things are accomplished? He has come to rebuke everything by Himself because He had sent many prophets and they were all killed since His first coming.

THE HOLY SPIRIT HAS COME IN PERSON.

He has now come by Himself to rule, reign and do everything as He is the Christ, the Spirit, the King, the Teacher, the Father and the God of equality. Right now, you are no longer recognized as pastor, chorister or any other name but Christ because He has come to take control of everything to His glorification. He said, whoever is in Christ, such is a new person and he is in spirit. The flesh is no more in him because he is only controlled by the spirit of God. No accident on their way, everything is given to them in abundance. No one can knock or kill a child of Brotherhood except such a person has connections with them. If you are in spirit, nothing can happen to you. Just as that brother in Agobain. Another man planned and waited for this brother with his gun and bullets which he triggered and gave him three shots while this brother was still approaching. However, this brother was not hurt as expected hence the

hunter questioned this brother thus: 'why are you still going? But this brother replied, what have I done to you? The hunter then told him, that he had fired him with three gun shots, whether he had not heard the sound of the shots? Surprisingly, this brother requested again, what have I done to you? This is exactly the situation. Once you have put on Christ, you are no longer the one walking but Christ Himself. No motor accident or otherwise can occur to you once He is in you. For instance, Bishop Ekanem wanted to pay a visit to the King of Benin. But the King rejected the visit. Consequently, they started thinking why the king should reject the offer from Bishop Ekanem. Later, the king confessed that there was a certain time Brotherhood brethren came to his palace and celebrated feast, sang and danced around the entire palace and when they left, his juju powers died automatically and he had to spend more than three million naira to resuscitate them. For that reason, let it be as it may but we shall continue to be friendly. That being the case, once this song is rendered,

**SPIRIT OF THE LIVING GOD COME AND LEAD
US ARIGHT FOR IT WAS WRITTEN THAT YOU
SHALL LEAD.**

Every spirit resumes work instantaneously and you will be led by the Spirit. Once the spirit overwhelms you, any eye having negative focus on you will be afraid because you are not human beings but the spirit. This same thing is applicable to this song whenever it is rendered.

**HOLY SPIRIT, FATHER DO THY WORK IN ME,
HOLY SPIRIT FATHER DO THY WORK IN ME,
IN THEE I PUT MY TRUST.**

As soon as this song is rendered, everything created and uncreated will be afraid of you, because the works done by the Spirit in you is so great. Hence it is acclaimed that you are worshipping what you know not. The world is afraid of you because of the spirit working and operating in you. But if you allow this spirit to desert you it therefore means that you shall be taken up by the spirit of the devil thus making you an empty vessel because the Holy Spirit is no longer in you. If the people of the world decides to prepare an environment for you, tell them to prepare such for themselves before yours because it will be too late for them to go closer to the children of God whereas their father (God) is hated. God is the owner of everything, He gives you the ability to see and focus far and near. We therefore, have every reason to glorify Him because He is all and all for us. We have problems because we have not recognised His existence. If we however know and recognise His existence, the evil one would have had no power on us.

You have continued calling on Jesus. but you know Him not. You could see or meet somebody who needs your help and assistance but you refuse to receive him claiming that he is not Obu or Olumba. By so doing you have embraced failure, therefore, any person you come across, anywhere should be warmly received and by such act, you have received the Holy Spirit to yourself. Be he a blind man, lame, deaf, leper or whatsoever, take him unto yourself, receive and rejoice with him

For that is the Holy Spirit you have been searching for. Feed him, give him clothes and be free with him because it is he who shall save you out of your problems.

You have been here in this kingdom for twenty years or more, your hundred years here does not give you anything because you believe not in Him who is in your midst and you are nothing. Having a million naira, being a car owner etc. has no share in this kingdom because for such persons take no cognisance of the Holy Spirit personified on earth. Here in this kingdom there is no big man, woman, boy, girl, little child, rich, poor but everyone is equal before the law as He is the God of equality.

Let our second lesson be re-examined.

SECOND LESSON: JOHN 13:20

Verily, verily, I say unto you, He that receiveth whomsoever I send receiveth me; and he that receiveth me receiveth him that sent me.

RECEIVE THE SERVANTS OF GOD:

This text will make you know what is meant by the word of God as I have opened your ears to hear. It is pathetic that you know not whom ye are. Are you not still seeking for money, wealth and every other thing? Make peace where there is no peace for such shows the spirit of God in you. Do not accuse any man, receive whomsoever you have seen, because He can come at any time to you. Just as it is stated 'I will come in the night like a thief.' He has come to renew everything and glorify Himself.

Lack of believe and faith is your problem. Once you are free from all these acts, you have definitely put him on as your garment. He is a spirit hence your works should be done in spirit and not for the physical view of the eye. If He wants you to feel His presence, He shall descend on you even as the sound of the piece of song which you sing evaporates. But if He is not pleased with your songs, no matter the loudness of your voice, it cannot get near Him and you cannot feel His presence. This is the reason why many people make their discoveries in Brotherhood. But the more you go into carnal discoveries, the more you continue to perish .

Let our Golden Text be read.

GOLDEN TEXT: MATTHEW 16:16-17

And Simon Peter answered and said, Thou art the Christ the son of the living God. And Jesus answered and said unto him, Blessed art thou, Simon Bar-jona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven.

FLESH AND BLOOD CANNOT REVEAL GOD:

You could come here and stay within the 34 Ambo world Headquarters premises without knowing Him because you are not led by the Spirit of God. Once you are in the flesh, spiritual decisions are hidden from you. But one could stay in America and know the Father more than you who are at 34 Ambo.

His presence is only revealed to those who are spiritually minded. Flesh and blood cannot know Him. He can be in form of a person who is blind, deaf, leper etc. but you would not

know Him if He does not reveal Himself unto you. Some people merely claim that those members who are at 34 Ambo Street, Calabar, Nigeria are very lucky, but I am telling you that those who are outside and are spiritually minded are luckier than those at 34 Ambo Street.

Separate yourself unto God, resist the evil spirit and it shall flee from you. Purify your heart and refrain from all manner of sins and you shall see Him anytime you need Him. He shall come to your rescue and shall set you free. Do not hearken to any man's instruction, or be shaken either, for you are in Him and He is in you for eternity once you accept and recognise Him. Therefore brethren, this kingdom cannot be revealed to any one through blood and flesh but through the Father who is in heaven. He is the one that reveals this kingdom to you. Therefore, do not be shaken, remain constant in Him for He is the sole owner of everything.

He shall make you happy and enjoy the kingdom. The Holy Spirit enables you to speak boldly and walk majestically in thy Father's Kingdom. The Father God reveals Himself to everyone without exception, but you will only know Him when you believe in Him. It is as a result of this that, the hands which I hold you, I will never leave you.

Your problems are as a result of your doubts in God. If you are afflicted in one way or the other, you will think, contemplate or speak against God, and ask yourself, whether you are worshipping the real God? Is God the giver of everything? Is God here in this place etc. This was the same thing John the Baptist did. When he was taken to prison. Having waited for a long time without seeing Jesus coming to release him from

prison, he asked, is this the one whom I have testified about? Or is this the Christ of which I witnessed? Still not satisfied, he sent forth missionaries to find out whether He is that Christ indeed or whether he should look for another. This is the problem you all are faced with. I do not want you to continue in these acts; do not allow your heart to be troubled, keep yourself holy for God and remain sanctified. The Father has said, that he will not leave you comfortless.

He has come to reveal Himself unto us, and if he reveals not Himself to you, will you know Him? The carnal people have continuously asked Him 'if truly thou art the real God, reveal thyself unto us', He will never reveal Himself to them and they will not know Him. He does His things as He likes. No matter who you are, if He does not reveal Himself unto you, you cannot know Him. He knew we are men of little faith hence He has come to increase faith upon faith unto us. Therefore, let us not know Him again in the flesh for flesh and blood cannot see God. Right from the time of Adam, it is only the spirit that sees and communicates with God. For this reason, many people from all nooks and crannies of the world know and have seen the existence of Brotherhood.

Tell those that need God to seek Him in spirit for flesh and blood cannot see God. In what way can they seek Him? By being holy, defile not yourself, seek after the glory of God and you shall see God in spirit and in truth. If God does not reveal Himself unto you, you cannot know Him. We are that lucky generation, 'And they shall not teach everyman his neighbour,

and every man his brother, for all shall know me, from the least to the greatest' (Hebrews 8:11).

For this reason, every man has known Him in the spirit. If you are carnally minded, you cannot see Him, once He is therefore revealed unto you, be satisfied or if one is sent to tell you that our Father is God be satisfied. It is stated that a word of testimony from the mouth of two or three people reveals the truth. But how many millions of people have testified about this truth? Even those who have not come here have seen and have believed that He is the true God. The Holy Spirit is here to comfort and provide everything for you, therefore believe at all times and be hopeful in Him.

**Brethren, it is stated that a stroke of cane is sufficient unto the wise. He who has ears to hear let him hear what the spirit has imparted unto the entire world. May God bless His holy words--
Amen.**

CHAPTER TWO

THE AUTHOR AND FINISHER OF OUR FAITH

FIRST LESSON: HEBREWS 12:2-4

Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God.

For consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds.

SECOND LESSON: 1 CORINTHIANS 3:10-11

According to the grace of God which is given unto me, as a wise masterbuilder, I have laid the foundation, and another buildeth therein. But let every man take heed how he buildeth thereupon.

For other foundation can no man lay than that is laid, which is Jesus Christ.

GOLDEN TEXT: JOHN 10:11

I am the good shepherd, the good shepherd giveth his life for the sheep.

CHRIST: RANSOM FOR ALL:

Brethren, these are the Texts. Many people claim to have rendered various services to God. But the question is: have you offered your life in the cause of your serving God? Put differently: have you supported your claim of rendering services to God by giving your life? Did our Lord Jesus Christ come into glory by donating cars, food and money to the needy? Did Christ not lay down His life as a ransom for many?

There is no other corner stone apart from our Lord Jesus Christ. He is the foundation stone as well. If many of us had this knowledge nobody would have had the effrontery to make such boastful claim of rendering service to God. What is it that you have done that should be considered so great! Have you given your life in your endeavour to serve God?

We are admonished to emulate the footprints of our Lord Jesus Christ and look steadfastly at Him. If you do not abide by this admonition then you have not started your journey; and whatever you do attracts nothing to you. Christ suffered greatly for our sake: he was accused falsely. Persecuted, blasphemed unjustifiably, nicknamed Beelzebub and other debasing things done to Him, but upon all these things done against Him, He neither uttered a word in defence nor ran away from the Father. He patiently bore all these for our sake. Are you not aware of this truth?

BUILD ON THE FOUNDATION STONE:

If you do not experience all kinds of suffering, tribulation and self-sacrifice in your path of service to the Father then you have not begun you still have a long way to go.

You must be prepared to be accused, beaten and blasphemed for the sake of the Father. The work of God requires the exhibition of long-suffering, patience, humility, bearing uncomplainingly all forms of disgrace, accusation and blasphemy. We must steadfastly look unto our Lord Jesus Christ and also share in the experiences He underwent for our sake. He is the foundation stone: we must gaze at Him steadfastly; for upon this foundation must we build.

THE IMPORTANCE OF STEADFASTNESS:

The scripture says: "without the shedding of blood there shall be no remission of sin." Had Christ not given His life as a ransom for our sake, salvation would have not been granted to us. On that fateful morning, when Christ was arraigned before Pilate to be condemned and crucified He was asked by Pilate and many others around to escape for safety because of His imminent death. He refused to take their advice, so He faced their judgment, condemnation and crucifixion.

The work of God has nothing to do with gorgeous dressing, being garbed on tie, honoured with crowns, driving in luxurious cars and living in opulence. But you must be prepared to sacrifice yourself through endurance, sufferings, tribulation, afflictions, persecutions and confrontation in the cause of serving God. There is no other way by which a man can become victorious over the forces of evil when rendering services other than surrendering his life as a ransom for mankind. You shall only be victorious if you are prepared to endure every suffering, tribulation, confrontation, persecution, accusation and

blasphemy all for the sake of God. If we look steadfastly at our Lord Jesus Christ and strengthen our faith, we would not have any problem; but would be able to carry out this work and accomplish same successfully.

Re-examined the Second Lesson.

SECOND LESSON: 1 CORINTHIANS 3:10-11

According to the grace of God which is given unto me, as a wise masterbuilder, I have laid the foundation, and another buildeth therein. But let every man take heed how he buildeth thereupon.

For other foundation can no man lay than that is laid, which is Jesus Christ.

VICTORY IN CHRIST:

Brethren, have you properly re-examined the above text?

SPIRITUAL CHORUS:

**THE FOUNDATION STONE IS MY POWER,
YOU SHOULD FIGHT COURAGEOUSLY:
FOR YOU WILL BE VICTORIOUS.**

Brethren, when you want to serve God you are admonished not to look at anybody but to look steadfastly unto our Lord Jesus Christ, for His sacrifice is the foundation stone. He shed His blood for the remission of our sins. If you place your belief on any human being whether white or black, you would certainly fall. He is the foundation stone of the kingdom of God. The work of God does not attract any commendations. You must be

ready to accept all false accusations, persecutions, disgrace and insult. All these must be received and borne with mercy, patience, tolerance and temperance.

Anyone can speak ill of you, it could be a child, adult, sinner or an upright person. Moreso, you must be called all kinds of names. And except you look unto our Lord Jesus Christ you would not be victorious. But the moment you look unto our Lord Jesus Christ you are sure of victory. You must look unto Christ at any moment of the day, in the morning, afternoon and evening. Look steadfastly unto Him and know that He was crucified for our sins.

Do not be afraid of death, suffering, tribulations, disgrace, persecution and false accusation. Stand firm on Him for you shall be victorious. We only observed 72 hours self-discipline, but our Lord Jesus Christ observed 40 days and 40 nights self-discipline. Who among you suffers humiliation and disgrace and it is not Him (Christ) who is suffering such humiliation and disgrace. Who among you is beaten, imprisoned, accused unjustly and persecuted and He (Christ) is not the one experiencing those things. It was for this reason that Christ made this statement as recorded in St. John 15:18-20 that:

If the world hate you, ye know that it hated me before it hated you.

If ye were of the world, the world would love his own; but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you. Remember the word that I said

unto you. The servant is not greater than his lord. If they persecuted me, they will also persecute you; if they have kept my saying, they will keep yours also.

SEEK THE GLORY OF GOD:

Brethren, do not be sycophants; do not work expecting to be paid or rewarded. Do not work so as to be glorified, or for people to sing your praises. Do not seek the glory of men but the glory of God. We are not in Brotherhood of the Cross and Star to look for our own glory and good, community or city; but to work for the glory of God, and to emulate His footsteps just as Christ demonstrated. This is because Christ is the foundation stone: the author and finisher of our faith. He, being the King of kings and Lord of lords accepted to die as a slave with the enormous disgrace. Though He is righteous and holy yet He died as a sinner. Therefore brethren, let your mind be strengthened in our Lord Jesus Christ no matter the situation you find yourself.

Be steadfast and look unto Christ, for He is the author, mother, sister and brother. Other relatives and the generality of the people may desert you; you may be faced with critically difficult situations, amid these do not be perturbed. You are admonished to patiently look unto Christ for you are sure of being victorious.

We do not carry out the services of God in order to be rewarded with material benefits such as money and other riches. Neither are we doing the work of God in order to be righteous.

But we are doing this work because it was so ordained for us to do it, at this last advent or dispensation without cross there is no crown.

THE ONLY TRUE FOUNDATION:

Some people came and laid another foundation different from that of our Lord Jesus Christ: they sought self-glory, money, salvation etc. And for this reason they fell short of the glory of God. They are the so-called church which is meaningless. We are called Brotherhood of the Cross and Star. You have strictly been warned to be mindful of how you build upon this foundation and what you are building because there is no other foundation stone apart from our Lord Jesus Christ. Do not establish any other church, prayer house on other foundation.

No other person is to establish any other church or foundation except the one laid by Christ. This already laid foundation is based on the concept of love, mercy and oneness. The whole world is one flock with Christ as the only shepherd. He is our Leader, Ruler, Shepherd and Gateway for everybody to pass through.

THE REVEALED KINGDOM:

King Nebuchadnezzar had a revelation concerning this kingdom and the revelation was interpreted by Daniel. He saw in a vision kingdom upon kingdoms but only one kingdom arose and swallowed up all the other kingdoms. This is the kingdom prophesied by King Nebuchadnezzar (see Daniel 2:44). There

is neither man nor woman, black nor white, rich nor poor, wise nor foolish in this kingdom.

We should be mindful of what proceeds from our mouths and beware of our actions. We should equally be careful what food we eat and the clothes we wear; for indisputably we cannot lay another foundation separate from that laid by our Lord Jesus Christ. When you are called into the Kingdom, be reminded that you are not here for the sake of Nigeria, Africa, USSR, rather you are here for God. This is the kingdom of God for which Christ died and shed His precious blood. We are here to build on the foundation He had laid by being humble and complete self-surrendering to Him. And at the same time we should be prepared to also shed our blood and seek the glory and good of this kingdom of God.

There exist only one church, Christ and God. We have one king, ruler and Teacher. The teachings we have here are based on that concept of one God. Therefore, all that we witness are directed by the footsteps of Christ. He had already laid a foundation by shedding His precious blood. By His precious blood shed on calvary. He was able to buy the whole world, and got it united as one fold under one shepherd. Consequently, all the creation of God are one under God's supreme leadership.

According to scripture as recorded in St. Matthew 28:18-20, it is revealed that:

All powers in heaven and on earth have been given to me. Go ye therefore and teach all nations baptising them in the name of the Father,

and of the Son and of the Holy Ghost, teaching them to observe all things whatsoever I have commended you and lo, I am with you always even unto the end of the world.

Brethren, I do not intend to be tedious with you, let reference be made to our Golden Text.

GOLDEN TEXT: JOHN 10:11

I am the good shepherd, the good shepherd giveth his life for the sheep

CHRIST: THE GOOD SHEPHERD:

Brethren, what is in the above text is what we must steadily look unto. All the inhabitants of the world are one flock under one shepherd. We must surrender our lives to salvage our brethren who are still ignorant of this truth. We must save those who have knowledge of this truth but are incapable of coming here.

This is the end of time and the shepherd is about to be revealed to the entire world. We must therefore be instruments for setting examples to the entire world. Whether the person is a thief, murderer, of the Bahai faith, a Roman Catholic, Muslim, there should be no segregation for we are serving everybody equally. By so doing, we would be emulating the footsteps of Christ, for it is recorded in the Golden Text that:

I am the good shepherd: the good shepherd giveth His life for the sheep.

Be prepared to face all kinds of affliction not forgetting that you have to bear all patiently so that you can lead aright those around.

EMULATE CHRIST:

If you view the activities of the churches of the world, you will notice that all of them seek self-glorification and self-praise, God is not associated with such act; for it was written that at the end of time, false prophets shall rise with false doctrines and churches. We are here waiting patiently and hopefully; undergoing all suffering and persecution for the sake of giving glory to God. Anyone who does anything out of his personal volition seeks self-glory. In the same vein, anyone who does anything through the directive of God, seeks God's glory. If the whole world had emulated the footsteps of Christ there would have been no problems. Division and segregation would have been a thing of the past if we members of Brotherhood of the Cross and Star had accepted to follow the footsteps of Christ.

Do not run away from death, do not be afraid of imprisonment, false accusation, persecution, abuses, sickness, famine, drought, calumny and other disdainful things done against you: for all these things are in accordance with the foundation stone of this kingdom. Be patient and accept to be cheated, oppressed, accused and disgraced for the sake of God. For if you want to save yourself, you shall lose same. This is because if you want to save yourself you have to lose your life. Let us therefore give our lives as ransom for the sake of Christ and the gospels of God.

Be prepared to endure the children of God, spiritual ones, choristers, congregation, governments, other people and every thing created by God - these includes the lizards, Ants, Birds and Animals. The inhabitants of this world should not be allowed to perish. This is why we must salvage all the creation of God whether living things or not. As you have heard: 'I am the good shepherd: the good shepherd giveth his life for the sheep.' He does not leave us an inch even in the night, in prison, death or in sickness.

He is with all His creation in all their undertakings and does not desert them for even a second. That is why we are doing these things as a way of emulating Him.

All what we have experienced can not be measured with the wonderful glory God has given us.

Brethren, I will not be tedious with you. A stroke of cane is sufficient unto the wise. He who has ears to hear, let him hear, May God bless His holy words - Amen.

CHAPTER THREE

TRUTH: THE REAL NAME OF GOD

GOLDEN TEXT: II CORINTHIANS 5:16-17

Wherefore henceforth know we no man after the flesh: yea, though we have known Christ after the flesh, yet now henceforth know we him no more.

Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.

THE AUTHENTICITY OF GOD'S WORDS:

Brethren, God is the truth and whatever is taught here in Brotherhood of the Cross and Star constitutes nothing but the whole truth. The prophecies of Christ are all true because they constitute the word of God and come directly from God.

When it was prophesied that a Messiah shall emerge amongst men and would be tortured and killed, and three days after His death, He shall resurrect, people thought it was a joke and an impossible task. But today people are rejoicing in the authenticity of the said prophecy. The said Messiah emerged and was tortured, killed and three days after His death, He resurrected.

In Brotherhood of the Cross and Star, our visions and prophecies are very authentic because they come directly from

God. Do not joke with the true visions and prophecies of this kingdom because they come directly from God. If you want to give vision or prophecy to someone, make sure that such revelations come from God, the Holy Spirit. The Holy Spirit is ever truthful and straight forward, so do not tell people vain and misleading things in the name of mission of prophecy.

Beloved, it is a veritable truth that God is the truth hence, there is no deceptive features inherent in Him. He has never deceived and will never deceive. Whatever He says at any point in time is true and valid.

Let he who has an ear hear. May God bless His Holy words - Amen.

CHAPTER FOUR

KNOW THY GOD

SPIRITUAL FOOD: MATTHEW 6:9-11

After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name.

Thy kingdom come. Thy will be done in earth, as it is in heaven.

Give us this day our daily bread.

WHO IS THE FATHER:

BELOVED brethren, this spiritual food is going to serve as an eye-opener to the entire human race, because upon all the claims made by the whites, scientists, occultists, blacks and business men and women, that they know God, no one indeed knows Him. But today I am going to reveal unto you who and how God really looks like. Recall when John the Baptist was teaching his disciples how to pray, and the disciples of Christ on seeing that went to Christ and demanded that He 'Christ' should also teach them how to pray. That is where we are going to focus our attention.

Read the text of discourse again (Matthew 6:9-11). Who is this our Father which art in heaven? Do you know Him? It is said, 'Our Father which art in heaven, hallowed be thy name, thy kingdom come, thy will be done on earth as it is in heaven.' Is that statement not referring to God? Is God not the creator of

heaven and earth? But do the whites or the government recognise Him? God is only but one being and He is the creator of heaven and earth.

GOD'S UNITY WITH MAN:

Did you know that if you offend your fellow man, you are offending God? All the good and bad things you are doing in this life, you are doing same to God. God is the Father of all creatures. He is the sole owner of heaven and earth and the fulness therein. He is now here on earth with men and this is the era in which all hand must be on deck to uplift Him highly. This is the time for you to refrain completely from all vices. Do not kill somebody because he has committed adultery with your wife, for whatever thing you are doing, you are doing same to God. Are you aware that all the sins you commit in this world are against God? You who claim to be so wise, do you have this wisdom? Every human being, be he big or small, is under God's governance.

So, in all that you do know that you are doing same to God. He has come to dwell with men. Hence, you are told not to indulge in sin any longer. Do not take vengeance, rather, commit everything to God for everything in this world belongs to Him. Hence, you have no right to claim ownership of anything. The entire human race is very stubborn, even to their creator. They disregard Him, abuse and neglect His presence. That is why they are experiencing hardship.

MAN'S BLUNDER:

The world is so foolish to the extent that they have refused to recognise the God who created them. They are so stubborn and

hard hearted. They are the Pharaohs, the Nebuchadnezzars, and the Herods. They are so stupid, and ignorant, that is why they suffer. All the self-acclaimed scientists, engineers, doctors, the whites and the blacks, etc. claims tantamount to nonsense. It is because of their so called wisdom, self-independence, negligence of God's work, etc. that they are now rendered useless in the world. All the encumbrances faced by the entire world is as a result of the fact that they have refused to recognise their creator who is now at their door steps. It is not that the world does not recognise their president or governor, but they have failed to recognise God, their creator. The entire world indeed do not know that God is in existence; they do not know that it is God who created the earth, that He is the one giving them the knowledge they use in doing all the good things around them. Because of this ignorance, you see people giving praises to stones, water, sun, moon, etc. The first and foremost thing every individual must do is to recognise the one who created him, and to surrender himself unto Him. If this is done the problem confronting the entire world would be lessened. Christ, during His first advent, made it clear to the world that there is just but one God. See John 20:17 thus:

"Jesus saith unto her, Touch me not; for I am not yet ascended to my Father: but go to my brethren, and say unto them, I ascend unto my Father, and your Father; and to my God, and your God."

WHAT FORM IS GOD?

My main concern in this gospel is for you to know who God is. Whether He is a stone, water, man or spirit. God is the one who rules over the entire universe and you ought to recognise Him.

He is even the person who wreaks vengeance, and He is the one ministering to the whole world and they must recognise and succumb to His rulership. Do not think that all the good or bad things you do are against your fellow man, but whatever thing you do, you are doing same to God. At any point in time you tell lies, understand that, it is not him perse you are lying to, but God. On the other hand, if you, at any point in time conceive some good thoughts in your mind or do good things to somebody you are not doing it to that person perse, but to God who created everything, and you will have peace in your soul. There is no judge, chief judge, president, governor, or pastor, who is worthy before God, the entire world is found wanting in God's way; they abuse and neglect the one who created them. That is why the entire world is suffering. But right now, I have brought to you an eye-opening gospel so that you will know yourself and flee from ignorance and stop recognising stone, water, tree etc. but God. Everything you are doing is for God not man, stone, tree etc. for He is the one who created everything. Everything in this world is in subjection to God. Christ, Spirit, etc. All are serving God. This explains the reason Christ bore eloquent testimony about God as the greatest being in creation. But now the worldly people are claiming to serve Jesus, not God, the creator. I wonder whether they have not read in the scriptures that 'whosoever does not forsake all that he has cannot become my disciple.' God is too awesome for man to insult. All things both in the heaven and on earth are under His rulership, for He is everything you can think of. He is the morning, night, moon, stars, firmament, mountain etc. Everything one is doing is in accordance with His constitution. Whether you are dead or living, you are moving in accordance

with His divine plan. All the little creatures you are seeing are from God. The ants, maggot, flies, etc. all come from Him, and apart from Him nothing can exist. Therefore, whether you are doing good or bad, you are not doing it for any other person but God. So, if we, as from today, start to recognise Him, we would no longer indulge in evil and God will come and make His abode with us and reveal Himself to us. No matter the name you call God, whether you call Him God, Jesus Christ, Jehovah, etc. it is the Holy Father (God) you are referring to. Take a reference from Colossians 3:22-end.

RESPECTER OF NONE:

God is not a respecter of any person. The worldly people are claiming to be so wise and prudent, but observe what they are now encountering. No peace, no food, political instability everywhere, students' unrest, just to mention but a few. Whom do you think is responsible for all these things? God can make and unmake. They are claiming to be wise, hence, they would not recognise and honour Him. Is it God who will then recognise and honour them? Have you not seen how He is shaking the world? Have you not seen how He is shaking the government, churches, schools, ministries, banks etc? Now, Mr. President have you known that God is the one shaking the world? What about you Mr. governor and Mr. scientist, the so call researchers; are you aware that God is the one putting everything in disarray and confusing the entire world due to their ignorance? You who claim to be so rich; you Mr. Royal Highness, you Mr. Commissioner of Police, you Mr. Chief Judge, are you at any point in time aware that God is no respecter of any person? God does not care whether you are

this or that as He treats the spirits and the angels, in the same manner does He treat you. Have you not seen how He glorified Christ? He is the one ruling over you. Therefore, if you do not recognise Him, how possible will it be for you to recognise Christ? Is Jesus not a fellow-servant to God? Are you also not a fellow-servant to God? Why then do you say that you are worshipping Jesus not the Father (God)? Any body who knows and worships Jesus must also know and worship man. Anybody who honours man honours God. God is in everything that you are seeing, and I have told you this before that His spirit has been distributed and transmuted into everything. Without Him (God) nothing can be effective. That is why I brought to you this gospel so that you will know that God is existing and He is very much around you; so that the traditional rulers, chief judges, presidents, governors, etc. will know that somebody greater than them is now on earth. The traditional rulers, governors, president, etc. are so stupid to claim that they are the rulers. They should remember the case of Nebuchadnezzar, Pharaoh and all other so-called Kings of old. Where are they today? The owner of the whole universe is now on earth. And He is only but one being. Should you steal, you are stealing His property. Should you fornicate, you are fornicating with Him. Therefore, if you do not obey Him, where will you be? What is your duty on earth? What is the essence of your so-called wisdom? All the encumbrance human beings are experiencing is as a result of their stubbornness with God.

Right from the time of Adam, the human being has never respected God. That is why God is throwing them into a state of confusion. If you see somebody being a witch or wizard or any body who destroys souls, it is God who is using him to punish

man against his shortcomings. Have you ever seen any man who is ready to honour God, right from Adam? Everybody is engaged in warfare with God. That is the reason for the encumbrances you go through. How can mankind be free from suffering, When he is waging war against the one who created him. What is the essence of their so-called knowledge? What is the sense in 'pointing a gun' at the one who created you. What is the sense in stealing what belongs to God? Tell me how you are going to be saved when you are not obeying the one who created you? I know you are surprised to hear this gospel for you have never heard this kind of thing before. From the beginning of the world, the whole inhabitants of the world have been engaged in war against their creator. And yet they claim to be so wise. Are they not rather stupid? Take another reference from (Acts 7:47-50). The world has never at any point in time wanted to hear of God, and if any body mentions anything about God, they would want him to be killed. But since they started doing this, what has been their gain? Where lies the sense if you are hating God and at the same time want to erect a church for Him? So you think that God dwells in a house made by man?

GOD'S EXPECTATIONS OF MAN:

Do you think that your so-called code of conduct is in line with what God desires from man? He wants you to recognise His presence. It is said that the fear of God is the beginning of wisdom. If you fear Him you will not even kill a fly, talkless of killing your fellow man. All the sins you commit are against God. If at all there is anybody who is ready to forsake sins and serve God, such will surely be saved. But nobody is ready to do

that or has ever done that except Jesus the Christ. The problem of the entire world is that everybody, both young and old is fighting against God, will they be able to withstand God? Do you now see the reason why I always preach about Christ? Because He is the only one who honours and sees God.

He is the only righteous man. That is why He is exalted. Christ is a human being as you are, but He honours and respects God. To answer Jesus, Chief, King, this or that, can never help you. What can really save you is to honour and recognise God, your creator. But you have refused to do this, which shows that you are just a fool. What you have to do in order to please God is to keep to His injunctions, by loving one another; by abiding in love and peace with everybody, and by recognising His presence. Since the creation of the world, the only being I know practising the injunction of God is Christ hence, I keep on talking of Him. Therefore, everybody must follow His footsteps. Beloved, your duty as a partaker in this kingdom is to honour and love God. You have to serve God throughout your life and surrender yourself completely unto Him. You ought not to doubt God. Read 1st John 4:19-21.

Beloved have you heard that. Who among the whole inhabitants of the earth has loved God except Christ? Take another reference from John 1:17-18.

It is said that a stroke of the cane is enough for the wise, let He who has ears to hear let him hear what the Holy Spirit has imparted unto the entire world. May God bless His Holy words - Amen.

After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. Thy kingdom come. Thy will be done in earth, as it is in heaven.

GOLDEN TEXT: 1 CORINTHIANS 1:18-22

For the preaching of the cross is to them that perish, foolishness; but unto us which are saved, it is the power of God.

For it is written, I will destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent.

Where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world?

For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe.

For the Jews require a sign, and the Greeks seek after wisdom:

INTRODUCTORY SPIRITUAL CHORUSES:

- (1) WHEN THE WORD OF GOD IS IN MY HEART,
I HAVE LIFE.

- (2) IN THE BEGINNING WAS THE WORD AND THE
WORD WAS GOD.

WHAT BRINGS SALVATION TO MAN:

Brethren, let our First Lesson be re-examine.

FIRST LESSON: JOHN 6:44

No man can come to me, except the Father which hath sent me draw him: and I will raise him up at the last day.

A lot of people marvel at the things they see transpiring in the world, but I am not in the least amazed because it is all the fulfilment of that which has already been written in the prophets. Hence it is said; when you hear His voice, harden not your heart, for we are not under the law, but under grace. As our Bible reading has already stated; the worldly people have tried to know and identify Him through many carnal ways, unknown to them that nobody can identify God through the carnal wisdom, money, food, cars, education, or whatever mundane thing. All these things are vanity and are not helpful. It is only the word of God that salvages man. All the knowledge and wisdom we acquire from our carnal father, mother, brethren, friends, institutions of higher learning and all schools

of thoughts are empty, null and void. They lead you nowhere because the scripture has already stated; 'And they shall be all taught of God. Everyman therefore that hath heard, and hath learned of the Father, cometh unto me'. And the scripture has further enjoined that; 'No man can come to me, except the Father which hath sent me draw him...' And to fulfil this scriptural nomination, I have today seen a good number of people who have never been here, in our midst. Those who had not baptised, and who never thought they can be Brotherhood, are all here today. It is that same joy that our Lord Jesus Christ had within Himself when He was questioned by the Pharisees; whether it is lawful to heal on a Sabbath day?

Again, He further question them in Matthew 12:11-13 thus: 'what man shall there be among you, that shall have one sheep, and if it fall into a pit on the Sabbath day will he not lay hold on it, and lift it out? How much then is a man better than a sheep? Wherefore it is lawful to do well on the sabbath days. Then saith He to the man, stretch forth thine hand. And he stretched it forth; and it was restored whole, like as was the other.'

Right now, all those who were not here yesterday, last month, last year and in the past years are today present. Therefore, it is only God who can teach man. No man can teach another, man cannot teach himself, fish, animals, spirit. The Institution of Higher Learning are not capable of teaching you, it is only God that has to teach us. By hearkening unto His voice and practising His teachings, you gain salvation. Today we have all been salvaged because we have received His teachings.

Brethren, let our Second Lesson be re-examined.

SECOND LESSON: MATTHEW 6:9-11

After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. Thy kingdom come. Thy will be done in earth, as it is in heaven.

Give us this day our daily bread.

HOW THE FAITHFUL OUGHT TO PRAY:

Brethren, the disciples of our Lord Jesus Christ approached Him saying that, John the Baptist taught his disciples how to pray, and so they wanted Him (Our Lord Jesus Christ) to teach them also how to pray. And then our Lord Jesus Christ taught them to pray in this manner. Therefore brethren, this is the prayer which we have to offer at all times; 'Our Father which art in Heaven, hallowed be thy name'. Once you speak the truth, you honour His name. If you tell lies, it shows that you have disgraced His name. If you steal, fornicate, fight, concoct and do all manner of evil, you bring to shame and disgrace the name of God. But once we do the right thing and abide by His instructions, we then have honoured the name of God, in the name of our Lord Jesus Christ.

There is a saying that; out of your deeds, the name of God is brought to disgrace. You claim to be a church goer, but your activities prove you wrong. You go after the preparation of charms, falsehood, stealing and by these your actions, people disrespect the name of God. Just like it happened during the civil war of 1968, Adekunle was then the Military Officer. The food that was sent to various places to be distributed to the refugees was never given to them, rather the few opportuned

ones, who were in the position of distributing this food to the refugees kept it all to themselves. Adekunle was very bitter about this and had to come down here to Calabar and questioned, 'whether there was no single man of God in this city.' This was the incident that gave rise to the christian community which is now in operation. There are presently about twenty-eight churches that form the Christian Community in Nigeria. And with the aid of this Christian Community, the food was properly and evenly distributed to these refugees. Therefore, whatever project we have to embark on has to be in this very name, because the entire world is just one flock under one shepherd; in the name of our Lord Jesus Christ. The church has nothing to do with the welfare of the orphans, needy and destitutes.

Because our Lord Jesus Christ has clearly stated in Matthew 12:7 thus:

But if ye had known what this meaneth, I will have mercy, and not sacrifice, ye would not have condemned the guiltless.

Therefore brethren, let every inhabitant of the world, be you a Christian or pagan, come together in Brotherhood of the Cross and Star and practise peace, mercy, oneness and unity, desist from fighting, quarrelling, segregation and all vices, because these vices yield nothing beneficial. The Christian Community of Nigeria is stronger than the Christian Association of Nigeria (CAN). CAN is only a political party and has nothing to do with God. The Christian Community was founded on the grounds of

mercy and charity and is a well registered body with the government. Therefore all the churches have to come together in love and in mercy to render help unto the poor, needy, orphans, destitutes and the less privilege. This does not stop you from attending your various denominations, but we must all come together and carry out this task set aside for us as it was in the very beginning; in the name of our Lord Jesus Christ.

Brethren, I do not intend to be tedious with you, let our Golden Text be re-examined.

GOLDEN TEXT: I CORINTHIANS 1:18-22

For the preaching of the cross is to them that perish, foolishness; but unto us which are saved, it is the power of God.

For it is written, I will destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent.

Where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world?

For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe.

For the Jews require a sign, and the Greeks seek after wisdom:

O. O. O: THE TRUE MEANING:

The inscription O. O. O. appeared and was seen in the United States of America, the government sought for just one person to

interpret the meaning of this inscription with a great reward, but there was none that could interpret same. Again it appeared in the United Kingdom, the government also required just one person who could interpret the meaning of the O.O.O., again, no single soul was able to interpret it. It also was seen in Saudi Arabia, and scientists, professors and many more tried, but could not interpret it. But as it would please the Father, He has revealed it here in Brotherhood of the Cross and Star to a Child of God. It has been revealed to this child in such a great knowledge that eludes the government, various church denominations, institutions of higher learning and even the members of Brotherhood of the Cross and Star. The meaning has been revealed to Child of God Arikpo. For this reason, this book has to be launched as a sign of appreciation and thanksgiving to God, because He has hidden this knowledge from the wise and the prudent and has revealed it unto us the foolish and the babes. We can no longer be questioned because this book will spread to the hades, water, earth beneath, heaven above and infact all planes of manifest. Therefore, bring forth whatever you have to enable more and more copies be produced. We have to greatly rejoice today because this is what our carnal fathers could not do, but today these children have done it. Come forth and launch this book, because it is of great importance to this fold, and must be spread into the entire nooks and crannies of this world, in the name of our Lord Jesus Christ. There is a scriptural nomination that, 'it is sin unto a man who knows the right thing, but does the wrong.' And now we have to show appreciation because we have seen this truth. Because even here in Brotherhood of the Cross and Star a lot of people have interpreted the inscription O. O. O. to mean so

many things. Some say it signifies Olumba Olumba Obu, some say it signifies Omnipotent, Omnipresent and Omniscient, some even interpret it into the Igbo dialect and many more. But none of these interpretations truly suits the inscription and now the true interpretation of this inscription has been revealed, in fulfilment of what has been read in our Golden Text and to prove to you that this worldly knowledge is of no avail. This publication will be read out here to the hearing of every body so that the launching can commence. Whatever amount you can donate, be it fifty thousand, twenty thousand, two hundred naira, in fact whatever amount, bring it forth and your name will be registered, for the promotion of this book in order that several other copies can be printed and distributed all over the world, so that the entire world may be saved, hence the revelation. People have tried using this worldly and carnal knowledge and have failed to bring out the true and real interpretation, but His words have been fulfilled for He Himself has come to teach us, reveal unto us the meaning of that inscription and to reveal unto mankind the application, efficacy and authenticity of the inscription O. O. O.

At the mere mention of this name O. O. O. sickness cease to be, death obeys, the blind see and peace is restored; wherever and whenever this name is called, everything is instantly made well and perfect. When you read through this book you would then realise that this name is worthy of all honour and glory, and is sufficient unto all. Recall the Golden Text: 'where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world? For after that in the wisdom of God the world by wisdom knew not God, it pleased

God by the foolishness of preaching to save them that believe. Hence, we are given this gospel today, for through today's gospel, the entire world have been saved, in the name of our Lord Jesus Christ.

The book contains about forty pages. By reading it, you will see the wonderful works his name accomplishes. And I am of the believe that if we should read this book and understand that salvation is only gained by this name, it will then dawn on us to spread this name unto the entire world, the trees in the forest, fishes in the sea, and to the entire world. And as many as receive these words receive salvation.

As it once was when I was questioned on my identity. I plainly made it known that I am not God, but Olumba Olumba Obu. And by this reply of mine, a lot of Brotherhood members were troubled, because they claimed that I had disgraced them by my reply, but it is by this very reply that Brotherhood has today been revealed. Same also will this book (The Revelation of the Inscription O.O.O.) salvage the entire world, because by mere reading it, they will see the Father, Son, Holy Spirit, Children of God, Children of men, the entire world, and all the problems surrounding mankind have been taken away and the entire world has been united as one, in the name of our Lord Jesus Christ.

Brethren, the Father has several reasons for publishing this book, because a good number of us here have never before raised or contributed a mite to the accomplishment of any project in this kingdom, but today I have seen many ready to

donate all that they have into the tray to see to the success of more printing of this publication, so that this book can be circulated round the world. All those who did not have a knowledge of the importance of this book, now know. Those who have never before been to church, have today realised that it is this preaching that saves the entire world; in the name of our Lord Jesus Christ. The white man has it that, 'Charity begins at home.' And we can confidently say it that today is the D-day, because never before has such a preaching been imparted, this is the very first time in the history of Brotherhood. The gospel of today has fully surfaced in order that we all might be saved, because God desires that we be saved. Therefore, this gospel has brought the entire world again salvation, in the name of our Lord Jesus Christ.

Brethren, it is said, a stroke of the care is sufficient unto the wise. He who has ears to hear let him hear. May God bless His holy words - Amen.
