

**All things that the Father hath are mine:  
therefore said I, that he shall take of  
mine, and shall shew it unto you; (unquote)**

**John 16:12—15**

This prediction presupposes the visible presence of a personality, a deity, whose teachings or explanation of what our Lord Jesus Christ had said will be devoid of *parabolic traits*.

About 2000 years after the prediction of our Lord Jesus Christ has emerged, a controversial yet, phenomenal personality in the person of Leader Olumba Olumba Obu.

Leader Obu's life is shrouded in mystery and His wisdom arcane. To demystify Him is to listen to Him, analyse the mechanics and properties of life.

This little booklet, **THE IMMORTAL WORDS OF LEADER OLUMBA OLUMBA OBU: BOOK 1**, a souvenir publication of Herald Press Ltd. (the mouthpiece of the new kingdom) during the celebration of its Sixth Anniversary, attempts to present his exact words on contemporary issues.

He talks on reincarnation, predestination, vegetarianism, marriage, wealth, health, fasting, ownership of Brotherhood, His mission and many other issues.

His teachings have lasted for more than three decades. This book contains a minute part of his teaching. It is part of a series.

**THE IMMORTAL WORDS OF LEADER OLUMBA OLUMBA OBU, BOOK 1** makes a compelling reading. It is a useful reference book not only for members of Brotherhood of the Cross and Star but for all seekers of Truth.

## *On Brotherhood*

1. You may say that you know what Brotherhood means, but we know from our heart of hearts that no one knows what Brotherhood means. People have given it many meanings.
2. Search yourselves, you who say that you are Brotherhood whether you are really Brotherhood. Search yourselves who say that you are not Brotherhood whether you are not Brotherhood.
3. Brotherhood means God, Christ and the Angels. It means the people of this world, the fishes in the water, the trees in the forests, the grasses that grow in the fields. It means the ground on which we walk. Brotherhood means the sky, the wind, the moon, the sun, the stars.
4. It means the worms, the ants, the birds. Brotherhood means every four footed animal and every creeping thing. In short Brotherhood means anything created by God. Brotherhood means oneness. God and everything created by Him put together are Brotherhood.
5. Those in Brotherhood continue to complain that they are the only Brotherhood in the family or that they are the only Brotherhood in the village or State which means that they are still ignorant of the Oneness of the world. So this gospel will serve to remove the wax from your ears, scales from your eyes, stones from the walls of your heart and brighten your intellect and mind.
6. Do not preach any other gospel but tell people about Brotherhood that the inhabitants of the world are one and that there is no division between them for there is neither Jew nor Greek, nor white, nor black, nor man, nor woman. I intend that this gospel should remove from your minds any divisive, discriminatory or segregative tendencies.
7. Realise that Brotherhood is oneness, unity, love, mercy, tolerance etc. For this solid reason, we assert that Brotherhood is not a church, nor

a prayer house, not a service centre, it is not even a hospital but the **NEW KINGDOM OF GOD**. Everything here belongs to God and you.

8. This organisation is called the "Christ's Universal Spiritual School of Practical Christianity" which is the highest University in the world prophesied in Isaiah 2 "that the mountain of the Lord's house shall be established in the top of the mountains and shall be exalted above the hills and all nations shall flow into it."

### ON THE CROSS:

9. The Cross means bearing another man's burden without complaining. It means tolerating all kinds of sinners, murderers, thieves and backbiters.

10. Some people think that to give alms means carrying the Cross. Others think that healing the sick through prayers means carrying the Cross. Many others think that to pray three times a day means carrying the Cross. Yet another class of people think that to pay tithes, give free will offerings, and charity means carrying the Cross.

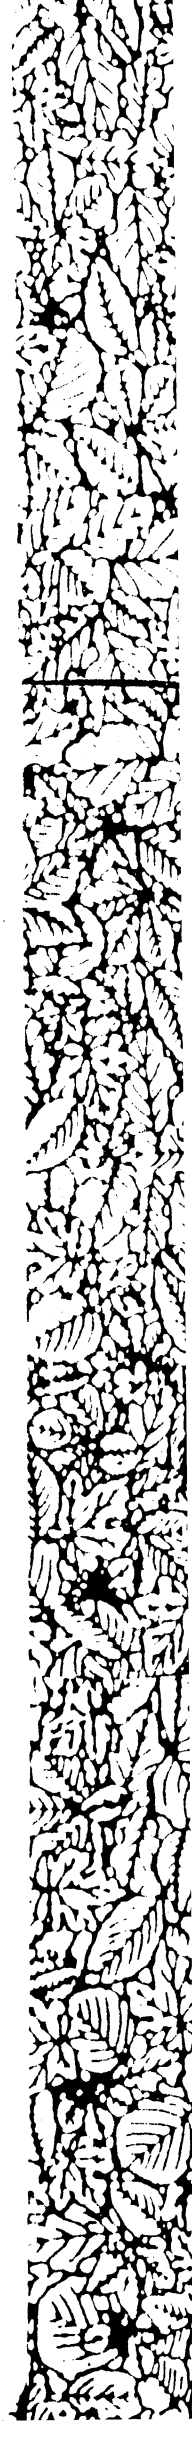

11. By what means can one convert a snuffer, a smoker, a fornicator, a thief, a murderer, a backbiter or a liar? It is by carrying the Cross. If we all should decide to take up the Cross, the sins of the world would vanish immediately.

12. The Cross has been made into different forms. Some changing it around their necks. Some hanging it on their doors. Do all these make up the Cross which Christ said we should carry?

13. To be able to carry the Cross you must resign yourself completely to God. You must be loving. You must be humble. You must have patience. You must be forgiving. You must see another man as being better than yourself. You must not be envious.

14. If you live with a cunning man without hurting his feelings, if you can stay with a notorious liar very happily without stirring up his anger when he tells you a lie, if one persecutes you and seeks to destroy your life by all means yet you tolerate him whole-heartedly, you are carrying the real Cross.

15. If you can rejoice in tribulation, and humiliation, if you can

tolerate people, be they young or old, then you are carrying the Cross.

16. When you are accused falsely and you bless such a person, when one assassinates your character and you bless him, when one hates you without reason and you bless him, when you do not complain for being painted black, when you go on your knees to ask God to forgive your enemies wholeheartedly, you are carrying the Cross.

17. When you smile at every persecution, smile at false accusations, when you continue to do good in the midst of strong temptations, when you are hated because of the good things you have done, yet you are not discouraged, you are carrying the Cross.

18. If you give out your house for rent and because your tenant does not pay his rent you eject him you have not even lifted up the Cross.

19. If a thief comes into your house and you shout thief, thief without allowing him to achieve his objective you are not carrying the Cross.

20. You may say that this is humanly impossible but I tell you that it is humanly possible. This is the only way you can carry the Cross.

21. When you allow him to steal what he wants, he will be at peace and you will also be at peace.

22. By asking him to steal what he wants, you have set his mind thinking, much more, when you tell him that you are prepared to help him carry out your stolen goods.

23. He may come to his senses. He may be ashamed of himself. He may even confess to you why he decided to steal, he may become converted because you did not wound his pride.

24. When you stay with a wicked person, allow him to complete his wickedness because if you stop him when he has not completed his evil intentions you are blocking his salvation.

25. Do not say you are good, when you are not. This may make your Cross look burdensome.

26. What type of Cross are you carrying when you flare up at the slightest provocation?

## ON THE STAR

27. You have read in the scriptures about a secret name. That secret name is the STAR.

28. **STAR IS CHRIST.** The STAR is the glory of God and it is also the glory of Christ. The Star is the revelation of God.

29. It is the hidden name to people in the world. The star indicates the reign and the glory of Christ. The Star here does not refer to the whole constellation above.

30. The Star means the Brightness of God and the power of His reign. The Star is the peace of the Almighty God that governs the Universe.

31. There is no other monarch other than Christ the Star. From His birth the Great Light has been shining over His Head.

32. The ruler of the Brotherhood of the Cross and Star is the Star. That is Christ and Christ is not alone. He is in the Father and Christ is the city for which we are needed because He shines there and the Son and Father also shine to eternity.

33. When He is called Star, you cannot distinguish one from the other. The Star radiates light. His glory and His reign go to eternity, Christ is the Light. Christ is Jehovah God.

34. The Star means the Son, Father and the Holy Ghost. It is a name unknown to all human beings. Since many of you are doubting Thomases, I have revealed it to you. *That name belongs to me alone.* It is a name greater than all names given among men.

35. The Star is indicative of the New City called New Jerusalem, the city of the children of God. All earthly kings must have to surrender their kingship and enter into His glory. The Star is the first glory that we have seen.

36. The Star means everlasting life, everlasting joy, happiness, truth, love. It is the new city of life and glory. Lamentations and falsehood have no place there. Death also has no dominion over it. The old world has drifted away leaving a place for the new world.

## *On His Identity*

1. Call me Teacher, Master, "Etubom". I am the Universal Teacher. I have come to reveal my Father to the world.
2. I am not God. I am Olumba Olumba Obu. Believe in His message and act profitably on what He tells you and find peace and comfort and prosperity for your soul for it is "I AM" that is speaking to you through the object of My Choice. Therefore stop calling Me in Him blasphemous names such as Beelzebub, or Baalzebub, "Ndem", "Ekpo", "Idiong", "Ibok" and the like. But embrace warmly the truth and find life, peace, prosperity and joy that shall never end, lest you be found to commit unpardonable sin against the Holy Spirit.
3. Other people glory in the university education, and theological degrees. But I have never been to school or church and I have never been taught by man. I was born like this and it is the Father who does everything.
4. I now sound a note of warning that you should stop investigating who the Leader is but go and practise His teachings and see whether they are from God or from man.
5. It is true that many of them (Brotherhood members) have said such things because of the wonderful acts which have been performed here. We have cured several sicknesses. A dead man has been raised after seven days in state. All these are baffling achievements. But it is the Father who has been doing all these works. The entire world is my witness; even the angels, I have never said that I am God.
6. Many say that they want to come and have audience with God, they want to discuss with Him or exchange letters with Him. And I pity you because, in all your past lives you have been having encounters with Satan. You have been transacting your business with Lucifer. Right from Adam until now, nobody has known the exact Deity of God. Nobody has experienced an encounter with God. Therefore you are doing things the

way you like.

7. I turn this side and it is said Olumba Olumba Obu is a good man and I will not come to that side again. But when it is said, He is a bad man, an abominable person, an evil doer, a ghost or apparition and I will shout and say that is myself. I will go to them and bubble with light.

8. You should be very observant that all the preachings I deliver from January to December are about myself. I have not read them from any book. Neither have I read it from the Bible and I have practised them. They are therefore nothing but the truth. I thank God immensely for the Holy Bible. It has helped me a little for when I speak, I quote from the Bible. If the Bible were not available people would have questioned the source of the teachings.

9. Where can love, power and wisdom be obtained other than from God. Love is God, Power is God and wisdom is God. The reverse is also true in all cases. The three attributes represent the Father, the Son and the Holy Spirit.

10. Instead of going to preach to people in your homes, offices, market places that God wants them to refrain from drinking, smoking, stealing, giving and taking bribes, fornication and other vices, you go about shouting Olumba Olumba Obu is Jehovah, God, He is Jesus. Have you ever seen Jehovah.

11. People call me a man from Biakpan, a cloth seller, who had never been to school and wonder where I get my wisdom. The allegations are true. The teachings are not mine but His who sent me. This is a very deep mystery which if God is not with you, you will never believe. This is the reason the unwary world hold firm to their unbelief. They allege that those who regard the Leader as a wonderful Teacher are being deceived and that they could not be deceived.

12. I am seen everywhere. As I am here now, I am seen physically in Los Angeles. When you hear such testimony you say that the Leader is a wizard and he should go away with his witchcraft and that you are worshipping the real God. Notwithstanding, you will stay with your real God and perish

## *On His Mission*

1. All the gospels that I give to you daily are only introductory teachings leading to my main assignment. If I do not do all these things you will not come to the accurate knowledge of truth.
2. I have not come into the world to joke, I have not come to teach the word of God in theory but in practice.
3. The work that I have come to do on earth is so great and significant that no one has ever done such work before. It is also impossible that any other person can accomplish this work.
4. The major assignment that I have come to do has never been done before nor will it ever be done again. It is to reform a sinner and return him to the standard required by God, so that he may live according to the expectation of God.
5. My mission is to establish the new kingdom of God on earth so that the will of God may be done on earth as it is done in heaven.
6. In this new kingdom, I have nothing to do with abuses, annoyance, hatred or any vice. I have not come in order to judge and condemn you but to make everything new. Therefore no matter how badly your children behave do not beat them.
7. I have come to lead you to the accurate knowledge of truth. To teach you the way of everlasting life and to liberate you fully from the pangs of destruction.
8. I tell you, if I had not come the whole world would have perished. It is a veritable truth that these teachings do not come from here. Think of it, somebody who has not been taught in any school yet He teaches. This is what shows that He is the Supernatural Teacher.
9. Know from today that I have not come to teach the Whites alone. Neither have I come to teach the Blacks alone. I have come to teach all creations of God including all human beings, animals, birds, fishes and the rest.

10. You are told that the Comforter will teach all and therefore all are expected to submit to Him. Whether you are a President, Governor, a Commissioner, a millionaire, a Professor or anything you must submit to the Comforter, the Holy Spirit.

11. God does not need any other thing from us other than to worship Him and obey Him. He has come to help us and redeem us. He has come to shower His blessings upon mankind.

12. This gospel is quite distinct and unique. It will be circulated to the disputers of the world, the greatest linguists, the great dislecticians, the foolish, the ignorant, the dull, the inquisitors etc.

13. The work that is greatest is the unification of the inhabitants of the world into one fold whether a person is a thief, truthful person, deceiver, prostitute or murderer. This is the work the Holy Spirit has come to do. Whatever was written must be fulfilled. The Glory of God must be manifested.

### **ON THE HOLY SPIRIT:**

14. If you were to obey the Holy Spirit, then no person would have had any problems. Your greatest problem in life arises from your disobedience to the directives of the Holy Spirit.

15. Your problems, your ill-health, your afflictions and tribulations, your worries and difficulties are neither attributable to apparitions nor mermaids, not to witchcraft nor to any diabolical means, but to your refusal to comply with the instruction of the Holy Spirit.

16. Having been deliberately recalcitrant to the directives of the Holy Spirit, tell us how you can have peace in this life or in the life to come, in this generation or in the generation to come.

17. The reason why you find people in prisons, in psychiatric homes hospitals, prayer houses, receiving treatment with necromancers and consulting oracles is that they are disobedient to the Holy Spirit.

18. A few years ago the Holy Father sent a message to the President of United States of America and he refused to comply and the Nixon Watergate is still fresh in your memory.

19. In 1979, Holy Spirit again sent a message to General Ignatius Acheampong, the Head of State of Ghana. He was directed by the Holy Spirit to do certain things and also see the Holy Father in Calabar. He refused to comply with the instructions of the Holy Spirit. Even though he was no longer the Head of State when Rawlings staged a coup which ousted the military Head of State, he, Acheampong was assassinated along with other Heads of State as punishment for disobedience.

20. Know that when a war becomes harder, it is then the king comes. The Holy Spirit has come to unite the world so there is no Black, no White, no young, no old, no man, no woman, no Jew, no Greek, we are all one and equal.

21. God has never revealed Himself to all the inhabitants of the world in one day and at the same time. He reveals to people one after the other.

22. As it is revealed to you, it is your duty to go and preach to people who are not as fortunate as yourself.

23. Do not preach division, do not preach segregation. Do not say that some people are not Brotherhood or that some are not children of God but rather preach to them that all human beings are brothers whether they be Moslems or Christians, Buddhists or Bahais or necromancers or what have you.

24. Go forth and preach to them and demonstrate the love of God to all of them in order to win them to the Holy Spirit.

25. The moment the Holy Spirit departs from you, love has departed from you, peace has left you, Truth has left you Mercy has left you and patience is elusive. What you find are ill-feelings and anger, fighting and quarrelling because you have defiled the temple of the Most High. Your eyes will be darkened while you will be eclipsed in Spiritual darkness. Indeed, you are dead already.

## *On His Life Pattern*

1 Right from the period of Adam till date, have you seen a person like this. Melchizedek, Adam, and others knew not the Father. I seek no knowledge, wisdom, wealth from anybody. Mention any man from creation with this characteristics and teachings.

2. I am at 34, Ambo Street but wherever you go, there you will find me. Yet I wear no slippers. Simplicity is the watchword.

3. I know nothing, I am blind, lame, and deaf. He uses me to do whatever He desires. I and my Father are one. I am happy with the song because my eyes, nose, ears are His.

4. I am not worthy and fit, yet He makes me part of His kingdom. He does not wear shoes. He is not gorgeously dressed. Since I have seen Him I cannot put on these things.

5. When that Yoruba brother got baptized here and I conducted him round the vestry, he asked whether it was possible for a person to touch me because it never occurred to him that men can come near me. I had to embrace him and he was surprised.

6. Have you seen me with any wrist watch, have you seen me with rings in my fingers, have you seen me with hat on my head, have you seen me with flamboyant dresses, have you seen me with a pair of shoes or slippers? Where is the bicycle or motor car that you are told is my own, where is the house that you are told is my own, where are the properties and things that belong to me? All these things, I am on top of them.

7. I own them all. But you continue to fiddle with all these insignificant things that I have thrown away. Are you in your correct senses? Do you think you are safe at all, why do you look for what I have rejected? If you are looking for what has been thrown away by me, who then is a fool?

8. The first and only time I wore a tie was on the 25th of December

1944. That was the first and last time I dressed that way.

9. You also go about trying to resemble Leader O. O. Obi in the way that He dresses. You wear white shorts, white short sleeved shirts and go barefooted. In the case of a sister she puts on a white gown and white headscarf but indulges in fornication and other vices. What is the usefulness of wearing white and going about barefooted professing to be a Brotherhood?

10. Very good, do you know what kind of food a pregnant woman eats? No! A pregnant woman eats what the child in the womb likes, therefore I eat what the Holy Spirit likes me to eat.

11. I tried as a man to eat meat or fish but could not. It is not that it is lawful to me to eat meat or fish but I neither need or appreciate them. I have never tasted them since I was born. I have no business with such things. When one complains that he has the urge to eat meat I would what stimulates such urges in man.

12. When you argue that you want to be like the Father but you have neither refrained from meat or fish, what do you imply in your argument? Can you realise the downfall of many in Brotherhood? Can you also realise the power in Brotherhood?

## *On Who Owns Brotherhood*

1. It is God who owns it, rules and leads it. But Christ takes charge. What are the duties of the Angels? They are servants in Brotherhood. What are the duties of the Spirits? They are workers in Brotherhood. What are the duties of the people? They too are workers in Brotherhood. The stars, moon, fishes, animals, birds of the air etc — are all workers in Brotherhood.

### **ON DOCTRINES OF BROTHERHOOD:**

2. This is the time of the reign of our Lord Jesus Christ, this is the time of His glorification, this is the time to magnify His name.

3. That is why we start from the beginning of December to the end and it is not even sufficient.

4. Therefore the December Pentecostal is in commemoration of the birth of Christ.

5. The Significance of April Pentecostal Assembly is to remember the death and resurrection of our Lord Jesus Christ.

6. Our Lord Jesus Christ died on Thursday. We observe the Bible Class on Wednesday because it was the day He gave the last supper to His disciples. All that we do here in Brotherhood of the Cross and Star is what our Lord Jesus Christ did.

7. The washing of the disciples' feet which we observe was what our Lord Jesus Christ did. It was on Wednesday that He selected the Apostles out of the rest of the world and ordained them and called them His disciples.

8. That towel that I tie around my waist was the same thing that our Lord Jesus Christ did, when He washed the disciple's feet and wiped them with the towel.

9. I do that in order to show those who did not know and do not believe.

10. The three days dry fasting signifies His three days and three nights in the grave.

11. The Thursday fasting is to remember the day he was crucified on the Cross. The Wednesday watch and pray signifies his arrest and trial. We have got to do this for eternity.

12. There is no need to tell anybody to remove his shoes before he enters the Bethel. You must know that there are people who are descendants of John the Baptist. They are vegetarians. There are some who call themselves vegetarians but continue in sin. If you quarrel, fight, fornicate, commit adultery and other vices, what type of vegetarian are you? You may not have any charm but no man or woman passes your eyes without your fornicating with her or him.

13. Some fishermen who were neck-deep in the preparation of concoctions came here. They were not told to stop preparing concoctions. Instead they were told that if they continue to practise Brotherhood and remain faithful their concoctions will become very strong. When they heard that their juju would be exceedingly strengthened, they trooped in in very large numbers, but before they realise themselves their concoctions had all got spoilt.

14. All those who drink, those that paint their mouths, perm their hair, and do other sort of things, let them come in here. Even if they like, let them bring their boyfriends and girl-friends. There are enough seats for all of them.

15. If somebody wants to bring her boyfriend to be kissing here let them do their own thing. If someone wants to drink here, do not worry, just let him come in.

16. It is only God that can change him and that He will do within a twinkling of an eye at His appointed time.

17. Shun religious bigotry and total condemnation of societies but only preach Brotherhood and tell the people that we are all children of God.

18. Preach that our Lord Jesus Christ died for the scattered children of God to be gathered together to love.

19. Preach that man should not be wolf to man nor wrought evil against the other and that no matter how numerous we may be, whether we be men, or angels or spirits, we are but one; trees, leaves, water are all Brotherhood.

20. Anybody who starts to count his numerals from one or two or three will not end well. If you do not worship a tree, how will you worship a man, if you do not worship man, how will you worship God.

21. Do not advise somebody to withdraw from his church denomination to enrol in Brotherhood. If you do that you will cause confusion.

22. In the community, the family or the State you come from every person is Brotherhood.

23. But you have to reveal and also teach them the tenets of Brotherhood. Do not fight against the authority in your community.

24. If they engage in environmental sanitation you should participate and also associate with the aspirations of the people while showing yourself as a true Brotherhood.

25. When you begin to persuade somebody to come to Brotherhood, that he shall be blessed with children, with cars, with promotion, with good health, I ask, are all these the only bounties in Brotherhood? And this is why you have not told the truth.

26. Tell the people your experiences here, what you have seen in this kingdom.

27. Anybody placed in authority over you has the mandate to rule over you and you have to submit to him. This is because God has made it so.

28. If you say you know the truth and you lack knowledge of the above, it means you have not known anything.

29. If you fight with anyone placed above you, you know that you fight with God and therefore bring problems to yourself.

30. If you find that a younger one than you has been ordained, you have to respect him.

31. Even if your own child is placed over you, you have to obey him.

32. Today you hear Nigeria has killed her Leader and you laugh.

71  
Tommorrow you hear that Ghana has executed her Head of State and you rejoice.

33. It is reported this government or the other has been overthrown and you are happy.

34. What is the use of all that. We overthrow the leaders of our villages only to bring problems unto ourselves because God placed them there.

35. Do not pass judgement on any leadership.

36. I entreat you all Brotherhood members never to go on strike. All that wage war with any government wage war with God.

37. Submit to the rulers. He has come to save your soul and He will account for your souls, so do not let Him shed tears. The time is short.

38. I speak from the highest heaven, if Israel listened and practised those words they would have dodged the calamity that befell them. Your money does not count, your beauty does not count. Only the practise of the word of God counts here.

39. Brethren, the basis of Brotherhood is oneness. People are used to asking what is inside Brotherhood. Today, I have revealed what is inside Brotherhood. **IT IS ONENESS.**

40. Wherever you come from does not matter. In this kingdom I regard you all as my children — children of God. I regard you all as one.

41. This bond of **ONENESS** buttressed with **LOVE** is what keeps you here in this kingdom of God.

42. There is no class distinction here, neither does your position, village, community, race or nationality, serve any purpose. That is why I am looking for virgins to establish the kingdom for them. This is why I keep telling you that the time for jokes has long passed.

43. Here in this kingdom nobody owns anything. Everything belongs to the Father and what belongs to the Father belongs to His children.

44. Because of the norms of this kingdom nobody can come into the kingdom without being born of water and Spirit. You don't walk into this kingdom without fulfilling this noble cause.

45. It is not merely baptising into Brotherhood, wearing white garments or preaching the gospel that is supreme rather what matters is

the practice of the teachings you receive.

46. A great many of you say that they have left everything and followed Brotherhood and I ask "have you forsaken fornication"? Here in Brotherhood there is no class distinction, the Brother from Cameroon is jobless but he is a prophet and there are highly placed persons in society who are also members but they remain congregation members.

47. Worldly positions has no place here in Brotherhood. Ordination is performed by the Holy Spirit, neither the person to be ordained nor myself knows until the Holy Spirit picks him or her out of the midst of the people.

48. If Brotherhood comes out to proclaim that you can marry as many wives as you can and that you fornicate and commit adultery this big hall will always be filled up to its brim.

49. But since Brotherhood forbids all these things your numerical strength is rather small.

### **ON THE KINGDOM AND THOSE FOR THE KINGDOM:**

50. For anyone to glory in the fact that this kingdom originates from Africa, Nigeria or from the black race is futile.

51. The kingdom could be taken away and given to any nation who bears those fruits of righteousness which are needed for entry into it.

52. God has to be born a human being He created man in His image and likeness. He cannot be a tree, stone, neither can He originate from the air, sea.

53. Therefore the fact of His place or family, or nativity does not qualify anyone for the kingdom of God. Neither does the fact that He has revealed himself to you automatically entitles you to this kingdom.

54. The Muslims, the Christians and other religionists are looking for this kingdom. It is the incumbent on us to rearrange our own thinking so as to take the advantage we now have for getting a place in the kingdom.

55. How shall you feel if you see people from USA, India and other parts of Africa come to share in this kingdom but you who professed to

have served God for twenty years, thirty years and forty years are thrown out.

56. Rather than you being a king in the kingdom of Satan, it is better to be a slave in the kingdom of God.

57. Instead of you to be a millionaire in the kingdom of Satan, it will be better to be a wretched person in the kingdom of God.

58. When you find any person arguing that he cannot come into Brotherhood because members worship a human being, such a person is in the world, he has not yet entered the kingdom of our Lord Jesus Christ.

59. Humility is a very important condition in the kingdom. Whatever is your disposition in life, whether you are a child, an adult or an old man, whether you are a man or woman, whether you are rich or poor, educated or illiterate, you have to humble yourself.

60. This is effect is the glory of God which is neither the glory of the world nor the glory of man.

61. This is not a new kingdom, but it is that kingdom which had already existed before the foundation of the world were laid. When the world was void and without form, this kingdom was already in existence.

62. Why was it said "let us create man in our own image"? Why is it said that "it should be done on earth as it is in heaven"? Where did Christ come from? Was He not from heaven? If he came from heaven was it not this kingdom that was existing then?

63. It is said that those who come from heaven are heavenly and will return to heaven. They who are of the earth are earthly. The situation can never be changed. If you are of the earth till eternity you are earthly.

64. Pray and fast, practise every word of God, you will continue to be earthly. But if you come from heaven, you are heavenly. Do not pray, do not go to church, do not ask for anything, you still are in heaven.

65. And fortunately God has set aside the narrow path as the sure course to eternal life. This is the only way to have life and along this narrow path we have thorns, wild animals, crocodiles, hippopotamus and they are all abundant along the path. And there is no other way

excepting for us to tread upon it.

66. If you watch carefully, you will realise that, the situation in this kingdom of God is that we do not give regards to money, we don't give regards to houses, we don't give regards to children, we don't give regard to any transitory thing at all, we don't give regard to man.

67. But what we give regard to is the will of God. We are at all time seeking to accomplish the will of God.

68. If this kingdom is hidden to any person, it is that person who has been blinded by the god of this earth. But for us to whom the kingdom is revealed to we are untiringly seeking after it.

69. Do you understand the intricacies of this kingdom? The intricacies of this kingdom are quite clear to the outsiders. That is, those who are not yet born into this kingdom. They know that no one inside this kingdom is permitted to indulge in any manner of sin.

70. Many of you do not understand my mission on earth. Just as you have in the secular world various stages of establishments like the magistrate courts, the Courts of Appeal and the Supreme Court. So also does the same situation prevail in the spiritual world.

71. The Supreme Court is the equivalent of the Holy Spirit personified. Is there any of you who is aware that nobody is permitted to cry no matter the circumstances?

72. We should refrain from eating meat and fish, we should refrain from committing murder and fornication and adultery. We should not backbite, or beguile, or bear malice against any person. We should not kill or hate. We should not do all the unseemly things.

73. We should show the expression of love and mercy and patience, we should be gentle and meek and humble. We have to get ourselves prepared for the kingdom of God.

74. Struggle seriously so that you may gain entry into this kingdom. Have you forsaken sins? Have you refrained from committing fornication and adultery? Have you refrained from eating fish and meat? Do you give up pride, arrogance, strife, stealing, and indulging in preparation of concoction and diabolology? Have you refrained from

taking court action yourselves? It is against these points that the Holy Week and change over week has been set aside so that you may be changed.

75. A great many of us, but for the gospel of this morning, would have been sitting about and cogitating within us — why is persecution so great in Brotherhood? When we were in the world committing theft, we were praised and received well, when we were in the world as celebrated narlots we were highly received by the society.

76. But now that we have forsaken all these sins and ~~changed into~~ God, why is it that they are buffeting us from left and right and calumniating against us in all directions?

77. And this is exactly the matter which has caused many to backslide from Brotherhood because they do not want to face tribulations.

78. This tribulation that I am talking about does not end with sickness alone, neither does it terminate with your being imprisoned. But even if you do good to somebody he will pay you back with a bad coin.

79. Sometime ago, you would even give money out of the purse of Brotherhood to people and they would refuse to collect arguing that it is money from beelzebub.

80. You all are my witnesses that nobody is charged for any spiritual work including prayers or healing done in this kingdom. Whoever charges even a kobo for any spiritual work done for others is greatly in opposition to the will and purpose of the Holy Spirit.

81. All spiritual gifts were freely given to us. We have to freely give to others so that the great bond of love might be solidified.

82. The most important things in the kingdom are love, power and wisdom. And even you here today, the reason why you claim ownership of things and why you cheat and extort money from Brotherhood is because you do not regard this place as yours, otherwise you ~~would not~~ have claimed ownership of anything here. You would have discarded all tendencies to steal and extort money from Brotherhood.

83. I do not want a handful of you but all the inhabitants of the world to come here and obtain salvation. But since they do not know that they

are sick, neither do they know the nature of their ailments, they continue to suffer these maladies.

84. Wealth, educational achievements and power are not pre-requisites for entry into Brotherhood but love and adherence to instructions of God.

85. For this reason a Brotherhood should not commit abortion, or carry the sword, or gun and should not hate. Brotherhood has nothing to do with anything sinful. Brotherhood dwells in love.

86. This kingdom is not for the rich, the millionaires, the billionaires, the engineers, the lawyers, professors etc. It is not meant for Nigerians, Africans and Europeans or Asians. It is only for those who practise the word of God.

87. There is no church, no person, or organisation, or religion that is good enough to be chosen. Rather it is only those who do the will of God that are good enough to be chosen.

88. That is why we start from January to December yearly to come to the accurate knowledge of truth. And this is the only known path to salvation.

89. Whatever name of church a man answers, let him answer but we are all one and we are all brothers. Even the other person who does not belong to any church-denomination is your brother.

90. Even if you call yourself a pagan, you are still a brother, eat what you like you are a brother. The point is that we are all Brotherhood, ipso facto children of God.

### **ON BROTHERHOOD AND THE WORD:**

91. A Nigerian High Commissioner saw how the Indians embraced Brotherhood and out of shame got baptised. It is not being baptized that matters but believing in God is more important. All of you are baptized but do not believe.

92. In Nigeria, nothing is heard about Brotherhood except that it is beelzebub, vampire, juju, apparition, and mermaid. In overseas countries the whites themselves testify about the works of Brotherhood.

93. Now all the church denominations in Liverpool have been

amalgamated and the leader of the new body is directed to go and receive teachings from Brotherhood of the Cross and Star.

94. I had mentioned to the Jews that I am the one to settle the war between them and the Arabs, and they accepted it and knelt down to receive prayers.

95. The assignment Brotherhood has come to accomplish is to make peace between them and to deliver them from bondage and to wipe away tears from their eyes.

96. The way God has revealed Brotherhood is wonderful. In the whole western world about a hundred years ago, they had known about Brotherhood.

97. That is why they have no doubts to entertain Brotherhood. Wherever you go overseas, the people preach Brotherhood to you. They have also taken cognisance of the Kingdom of God.

98. But no African speaks even good about the kingdom. Rather they are resenting Brotherhood. God has revealed Himself openly to the people of the western world. People beg to touch the white garments Brotherhood put on overseas.

99. The moment you leave here to the whiteman's land the glory you receive is immense. But here you are jeered at because in their own estimation you are worshipping a human being. You are a beelzebub and a blood sucker.

100. When the Youth and Apostle and Evangelist Fellowships went on ministry work to America, they wanted to pay a courtesy call on the Governor of the State of Mississippi.

101. But the Governor asked them who he was that God should come to him. He came out and knelt down. All other officers prostrated on the ground. But here you will be told to go and wait and apply in writing for an audience with him and sometimes he will not want to see you.

102. What you see in Biakpan today is brought about by our Holy Mother. But for me, I have no business there, and there is no wisdom preaching the words of God to them.

103. Do not fool around with the words of God.

104. A lot of people argue continually: I would have gone to Brotherhood but they are enjoined not to eat meat, fish, not to drink, not to snuff, not to attend parties, discos, not to indulge in societies, and cultural organisations, not to go to social gatherings, not to be members of the secret cults, etc. Because of that let me remain where I am since all churches are the same.

105. Let me continue to drink and eat meat and fish.

106. Remain where you are, continue to eat your meat, and fish and drink like a bee and do whatsoever you think you are doing.

107. All the church denominations contributed money to hire mercenaries to perpetrate false allegations against the fold. Such persons are the Judas Iscariots. Linus Umoh testified that they were paid to carry out calumny against Brotherhood.

108. Right now, those of you in Nigeria, your problem is money, wife and husband. But those in London their problem is how they can get into this kingdom.

109. The first National Anthem in Nigeria was very significant. It was not only for Nigeria but for the entire world.

110. It said "though tribes and tongues may differ, in Brotherhood we stand". So from today on do not regard yourself as anything different from others for whatever you call or make yourself, that does not stop you from being a Brotherhood.

111. About twenty years ago, a white clergyman of the Presbyterian church called together the members of the denomination and intimated them that they do not know God.

112. He advised them to go to Brotherhood. It did not end there, the Methodist Church also invited a certain whiteman, an important figure in the denomination to come because a certain church denomination whose adherents wear white garments was taking all his followers into their fold.

113. But on arrival, he told them that there was nothing he could introduce to Brotherhood from their denomination. Rather he had come so that, they could accept the teachings of Brotherhood.

114. Who were those people who crucified our Lord Jesus Christ, they

were the high priests and elders of the churches.

115. Who are those persecuting Brotherhood, the church denominations. They calumniate against Brotherhood in all ways. Those who professed that Brotherhood are blood-suckers join forces to persecute against it.

## *On Our Lord Jesus Christ*

1. Discrimination is the order of the day in the churches, the whites claim superiority and righteousness, the blacks also discriminate and the coloured are not left out in this aspect of discrimination. The question now is, does our Lord Jesus Christ teach us to discriminate?

2. Infact if all who claim to be christians are really so in the strictest sense of the word, immorality, injustice, cruelty, discrimination, persecution, intolerance, wickedness, war and other forms of vices would have been eradicated among human race.

3. It is ridiculous for you to make a statement either in your prayer or speech as "until Jesus comes back" Where did he ever go to? There is nothing he left undone for humanity. He is in the Lord of Lords, King of Kings and the ruler of the Heaven and Earth.

4. Our Lord Jesus they say is at the right hand of God. Is that true? The fact is that Jesus is very much alive. He is in your houses. He walks with you, He talks with you and has covered every inch of the ground and is doing His work.

5. There is no place that the Lord Jesus Christ cannot be found. I want to make it abundantly clear that the Lord Jesus Christ is the Son of man. He is a man just like yourself and He is God Himself.

6. It is only our Lord Jesus Christ and his disciples who put God's word into practice. The rest of humanity has allowed the gospel of Christ to die. No one practices it.

7. In the whole world, there is no one who puts the teachings of Christ about Love and oneness into practice. The orthodox and spiritual churches do not practise this gospel. That is the downfall of the christendom.

Even though our Lord Jesus Christ cursed and abused, He did not commit sin because that was his own assignment.

8. I am not criticising our Lord Jesus Christ neither am I criticising Moses, I am merely informing you that their assignments differed from mine.

9. Our Lord Jesus wept and mourned when Lazarus died. But now any day that you weep or mourn no matter the circumstances you cannot enter this kingdom.

10. Any day that you say woe unto any person then you have deprived yourself of this kingdom.

11. Even though our Lord Jesus Christ cursed the scribes and Pharisees such a thing cannot happen in this kingdom. You are not to pronounce woe unto any person because this is the new kingdom of God where righteousness dwells.

12. In all the church denominations the only aspect that they know is that Jesus Christ is the Son of God.

13. But as for His teachings, exhortations, injunctions, and commandments, none of the church denomination is able to put them into practice.

14. Our Lord Jesus Christ in His advent had a very short assignment. He only came to shed His blood. Since He came for a short assignment, He did not come with His whole family. He came alone.

15. Even if our Lord Jesus Christ had remained from that time until now, He would not have completed His assignment.

16. Whoever does the will of God, God will become everything for him all the time. Shouting "Jesus Up" and "Satan Down" cannot salvage anyone at all. What is really needed is to do God's will. It is needless calling Jesus Christ your friend and brother when you are not prepared to do His will.

17. Can you notice the motive of both the christians and moslems. Some claim to be moslems and yet they kill christians, others profess to be christians, yet they kill the moslems. Is it the function of moslems and christians to kill. Is it the practise of Brotherhood or is that the injunction of love one another. Since the commencement of the so-called Holy War, has the world benefited from it. What is the use of the war.

**18. Our Lord Jesus Christ had reconciled all the inhabitants of the world through His death. Our problems emanate from our ignorance. We have to put a stop to such foolishness come 2000 A.D.**

***On Love and leniency***

1. Love has no beginning nor an end. It has no midway but remains love forever.
2. Show me the love that comes from a pure heart. The first reason for marriage is to beget children. Is that not a product of lust?
3. Because the love that comes from the Holy Spirit is lacking, a woman will abandon the house not minding how much the man had expended on her.
4. People go to church as if they attend association meetings. This they do to ensure that they are helped whenever anything happens.
5. To them it is an association where they can go to prove their prowess, enjoy themselves and play about the way they like. No one goes there with love out of a pure heart to worship God.
6. When you profess to love a girl very much, you do not love her. You only want to become sexually intimate with her.
7. You profess you really love a man. You do not love him but you only want to collect money from him.
8. At times you give alms to the poor because you are given a vision that when you give alms to the poor the father will bless you abundantly.
9. You are not doing so out of love but because of the expected gain. All those who love God put their hearts in Him, they have their hope and faith in Him, they boast of Him, and they are proud of Him. Because God does not rust, no thief can steal Him. If we love God we will enjoy real peace.
10. God is love. Our Lord Jesus Christ is love. The Holy Spirit is love. Let no circumstance or situation in life remove you from the love of God. Let us abide in this love.
11. What can admit one into the kingdom of God is love alone. Whether you are a wonderful dreamer or cannot preach, whether you are

not a visioner or you are ignorant of everything, once you have love, that is the kingdom of God. Whether or not you are literate is immaterial, once you possess love, you are in the kingdom of heaven.

12. If one is full of love he can do nothing else than worship God for God is love. If one is full of love, he cannot kill, he cannot falsely testify, he cannot covet, can do nought but honour God and man.

13. The love of the child of the flesh is to give you drinks so that you will become drunk, urinate, and pass excreta in the public.

14. To express his love to you, he will show you a great juju priest he consults at Ikot Ekpene, Lagos, Kaduna or any other place in the world.

15. Where there is love you must swallow hatred and allow the love to reign.

16. If you know where you were you would have put into practice the injunction of love one another which you are being taught everyday.

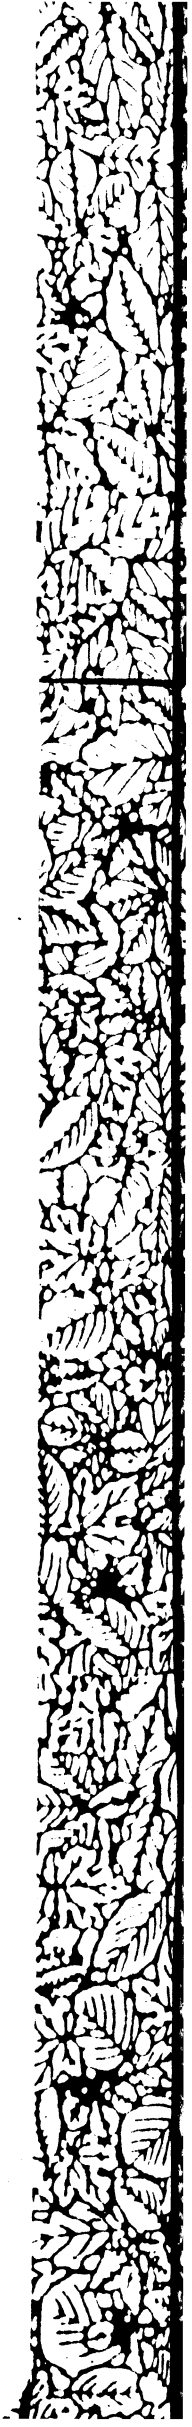

17. This is because wherever and whenever you practice this love, it gives you direct entry into the kingdom. As I am speaking the Father has completed His work and I love every person. Whether you are a christian, it is my duty to love you. Whether you are a moslem, have to love you. Whether you belong to Bahai faith or you are a necromancer or an idol worshipper or you belong to no church denomination or you are a human or animal, I continue to love you.

18. So you can now realise the chain which links us together. It is love that magnetizes all of us.

19. Sometimes some people are tempted into believing that God loves the black more than the whites. Who are the whites and who are the blacks. Others argue that He loves the whites more than the blacks who are the whites and who are the blacks? Is God dual?

20. When you are among the necromancers love them, and tell them that they are children of God who should not hate their neighbour for it is time that every person should serve God.

21. If you find yourself with hoteliers, love them. Instruct them not to sin. Many church denominations have invited me and I have sent money to them irrespective of what they will use the money for.

22. Be it known to you that love in itself is eternal life and once you have love you have eternal life.

23. Man has made a lot of inventions and has manufactured various things but cannot have eternal life. This is so because there is no human being who has love. Love is that cornerstone which the builders have rejected.

24. Man has learnt how to swindle, steal, kill, swim, shoot, and do all sorts of things including criminal things but has refused to learn how to show the expression of love and have the benefit of everlasting life.

25. All things are in abundance in the world today except love and eternal life. Therefore whoever desires eternal life must love one another.

26. There is nothing on earth that can give you eternal life except love. Eternal life is not found in hospitals, or healing homes, or in visioners houses or in medication.

27. You do not need to worry yourself consulting medical doctors, soothsayers, visioners, and indulging in preparation of concoction and charms. All you need to do is love one another.

28. Even if you ran into the sun, moon, star or into the abyss or sea, or into the thin air, death shall find you out. In order that you may escape death and have eternal life you must possess love.

29. Go and tell the politicians, men and women, rich and poor, the governors and presidents, and men of all walks of life that they should abide in love. Tell them that whosoever abides not in love is dead.

30. The entire world has forsaken the path of love and are engaged in things that bring perdition.

31. Whoever wants eternal life has to love one another otherwise his blood shall be upon him.

32. In the world you find that cathedrals built are always closed down after every Sunday service. Nobody is allowed to sleep in the church or even in the verandah.

33. But in Brotherhood, you can sleep in the Hall or the Bethels. Some people even stay in the hall or bethels for more than three years. If you

do not extend mercy to the less privileged ones, whose exemplary lifestyle are you following?

34. Love is the basis and mystery in this kingdom. If you have love and take everyone as father, mother, brother and sister, friend and relative, if you regard everything in this kingdom as your own, you will not have the tendency to criticise, discriminate or extort money from other brethren under false pretences.

35. For if you do not love people how do you expect others to love you.

*On Submission to and knowing  
God*

1. If you think you are fighting with a man you are making a great mistake, you are fighting against God.
2. If you steal another man's property, kill him, fornicate with his wife or children, you are offending God.
3. If you treat a man badly, hate him, disgrace him or abuse him, you are offending God. If you wage any war against man, you are directly waging war against God.
4. If you curse any man you are doing it to God. If you refuse to help a man, you have also refused to help God.
5. If you manipulate man or you are crafty to a person, you are doing the same thing to God. If you are charitable to a man or love him, you are doing so to God.
6. Therefore do not waste time gazing at the sky in the vain hope of seeing Jesus the Christ come back. Each man is a small God. He is just like the mother goat who gives birth to young ones. Are the young ones not still goats.
7. It is just like a person who marries a wife and she later delivers a bouncing baby. Will you then say that because the new born baby is a child he is not a human being. That is the fundamental situation that is comparable to the Supreme God and the little Gods.
8. What is man, my dear brethren, tell me what man is? I am challenging the whole world to tell me that a man is, if he is any other being than God.
9. What is it that a man is not capable of doing? The erroneous concept held by a number of people should be disregarded. It is idle to keep insisting that man cannot be God.
10. For example, if you cut off small portion from gold and use it in

making bangles, earrings, or finger rings, gold will still remain gold no matter into what shape it has been committed. So are you chips of God.

11. It is then senseless to say that God should not come physically to dwell with man on earth. It is self-defeating to hold unto this misleading idea that God cannot be in the form of man.

12. As soon as you come to the realisation that man is God, you will no longer commit any evil against any person. You will no longer do any vicious act against any man nor will you any longer kill or plan evil against your fellow man.

13. It will eventually become a matter of course that you stay in love with your fellow man. That is why I do not hate or cheat you nor am I being cunning in dealing with you. I love and so extend my expression of love to all of you because I know that you are part and parcel of God Almighty.

14. We have only one Almighty Father and one Almighty Lord and King who owns the universe and us. We cannot exist alone.

15. I believe very firmly that whenever you hate a man you automatically hate God. When you see a man you are seeing God. Man is the temple and house of God. Man is the farm or vineyard of God.

16. Adam's knowledge stopped where God stopped teaching him. If he had come to the wisdom you have today, that God is dwelling in man, he would not have done what he did.

17. You can see God even in the sands of the soil, in water among the trees, in the animals, man and all creation. That is why if you look at any man, you should be afraid to talk to him.

18. As flesh can't be without blood so also you cannot separate man from God. If you know that you are God, would you have done anything ungodly? You would not have told lies, you would not have committed fornication, and adultery, you would not have stolen or murdered, you would not have consented to the worship of trees, stones, snakes, and other aspects of idolatry, you would not have committed any ungodly act.

19. Oneness of God with all His creation is inevitable. With Him, there is no division, no class distinction, your position, and status in life

cannot alter the oneness. whether you are a child or adult, a male or female, whether you are poor or rich, it has nothing to do with this concept of oneness and equality.

12. It is said that half education is dangerous. The ignorance of the fact that man is God has led many people to empty boasting that they belong to the mermaid family and are satan.

13. What is the tree that you worship, what is water, stones, animals and other creatures that you are given to worshipping? Are all these things not created by God and subjected under man to rule. Who is the man? Man is God.

14. When you say you are Gods, you do not err. It is however blasphemous to say you are the Father, Lord and King. You are not the Father, the Lord, the King. No! you are not.

15. It is unfortunate that you have not realised that you are the power house of God. All the powers have been given to you but you are vet to realise or utilise the power

16. We have to resemble our Father because a good child resembles his Father. We have to listen to Him. We must love him and have faith and belief in Him.

17. We have to put all our hopes in Him. We do not have to be disorderly any longer. We should not constitute ourselves into busy bodies to hinder the progress of others using the spirits daily to foster the work of the father in the vineyard.

18. Let us leave all judgement and vengeance in the just and powerful hands of the Father. A child does not speak in parables. If God does not teach you about Himself or reveal Himself to you, you would not know Him nor understand Him.

19. When you know God, you know no anger, division, you don't claim to be a monarch. You will regard others as being better than yourself.

20. Man is very precious, God cannot depart from man for one minute. Also man cannot depart from God for even a minute. The situation remain's for eternity. It is not putting on the white garment that makes

you a child of God, but it is keeping His instructions and complying with them and following Him that makes one God's child.

21. What is as beautiful as God. God is a very handsome young man. If you were to see him you would not notice beauty of anything else. You always think of God as an old man on a big throne but I am telling you that he is a young boy .... God is never sickly nor can he get old.

22. Even though God does not need your money and wealth, you have to show your appreciation and thankful heart in kind and dedication. If you have power you can brave situations, and remove obstacles.

23. Also if you have wisdom, deceit and difficulties will succumb to you.

24. That is why God has overcome the world and if you too have these virtues you will subdue the world.

25. When the government says this, some churches say they will not comply. Is the government not from God?

26. Since God created man, this is the first time that God is spending so much time in the morning, in the afternoon, in the evening and from dawn to dusk teaching man one lesson after the other, revealing to man, his own nature.

27. Now, when you knock your head on the ground you receive goodness, and when you kneel down you receive peace.

# 9

## *On Food, Prayer and Fasting*

1. Food is so great to you, but it destroys the body. If someone kills a cow or goat and prepares food for you, do not think that the person loves you, know that such a person is your worst enemy.
2. Food and the Holy Spirit are incompatible. They are antagonistic to each other.
3. The worst enemy of man is food. If you do not refrain from eating, you will not stop being sick, stop dying and you will not be able to overcome your problems.
4. The food you continue to eat brings problems, sickness, degeneration and death to you. You are witnesses to the fact that right from the beginning of the world God prescribed all tree bearing herbs and fruits to be the food of man.
5. You are an enemy of God when you think of food all the time in your home, your office, on the way, everywhere, you always concentrate your attention on food.
6. Do you know that for you to eat somebody's food for nought is an act of overdraft against you. The moment you take somebody's food without giving anything commensurate with it in reciprocation you have contravened the law and this leads to damnation.
7. In this kingdom no one eats free. You must work before you eat. If you see any wealthy person today, he has suffered, toiled and laboured.
8. Don't you know that if you eat somebody's food freely, you are worse than an armed robber. God does not give food to an idle man. You must always use your hands to labour for your daily bread.
9. Even if somebody gives you something, it is equally subtracted from your spiritual accounts.
10. I do not want any person in this kingdom to go about begging for

what to eat. Do not place your hopes on your carnal father's and mother's wealth.

11. You continue to pray that God should take away sins. Take away sins and keep them where, when you continually indulge yourselves in committing sins?

12. Do you know that when you request something from God, that it is an act of gross insult on Him?

13. God is the one who created everything so he owns you and therefore He knows those things you require in life. What can you request from Him? Do you know what is good or what is bad?

14. God alone is the one that teaches man. There is no other teacher unto mankind. All these times, did we know that requesting something from the hands of God is temptation? Did you come to this understanding?

15. All persons who request things from God, they are the children of perdition and they shall come to their wit's end.

16. For somebody to argue that he offered prayers to God to give Him money and after sometime God bestows money to him, it is untrue. What came in effect was that his request for money synchronized with the very time that God has appointed for him to have money.

17. God has kept everything in shape before the foundations of the world were laid.

18. Your duty, my duty, our duty is that of giving thanks to God at all times for everything that He does for us. Since you come to the kingdom, have you ever seen me praying God to do this or that for me?

19. At all times, I am always bent on giving thanks to the Father for what He has done. For He is all in all and knows everything about us.

20. When you come in here and begin to pray, O God I am a sinner, I have told lies, I have committed fornication, I have done this or that, does it mean that God does not know we have committed these sins.

21. He lives in you and knows everything about you. What he requires from us is to be truly repentant, Once we acknowledge our sinful nature, all will be well with us because God knows mankind suffers from human

frailty. All those who are fond of rendering long prayers, they are woeful persons, they are abominable persons.

22. For twenty seven years of my life I never offered a line of prayer. All that you have to do is to give Him thanks by loving one another.

23. There is nothing from God that is evil. All that emanate from Him is good. And therefore his goodness is generously distributed to all men.

24. Therefore when you see somebody given to offering long prayers do not regard him as somebody who loves God so much.

25. Rather, those who offer prayers are those who are very greedy, those who are trying to tempt God. No person can offer prayers to God, it is He himself alone that can speak on behalf of man.

26. When you come out here to say let thanks and praises be given to the Father, do you think that is the correct way of offering prayers.

27. No person throughout the entire world knows. All the inhabitants of the world are not aware of the correct wisdom of the Deity of God.

28. That is why today, this pattern of prayer has been given to us. Anywhere you find yourself, you should be bent on giving thanks to God.

29. Come to think of our Lord Jesus Christ as a case in point. He told His Father "I know you always hear my prayers"! But I ask, on that eventful day, the day He was arrested, did He not pray? Did the Father hear his prayers?

30. It is said ask, seek, knock, ye shall receive. Because of this you come in here to make so much noise, all by way of prayers until my eardrums have been affected.

31. You stand here to pray, shouting at the top of your voice. Does it mean that God is deaf? You come out here to show things to God, does it mean that God is blind?

32. You come out here to advise God. He knows the reason behind my ordaining prophets and prophetesses in the manner I have done. Who knows the reason why somebody who has not yet received the baptism of this kingdom, cannot even pray and the next moment I elect him as a pastor.

**33. Do you know the reason behind this? Even somebody will come in here to steal, I will quickly catch him and ordain him as a pastor.**

**34. This is the kingdom of God and not the kingdom of the world. Now when you want to offer prayers, you see yourselves holding girdles, this one will hold this edge and another person will hold the other and you will encircle somebody and pray. I have seen something in this kingdom.**

**35. You place the girle on somebody's head, some will use the girdle to beat parts of the person receiving prayers.**

**36. It is unfortunate to note that the Efik version of the Bible does not contain the word "FASTING" This is omitted not because they forgot but because they do not believe in the importance and in the role fasting plays in the life of an individual.**

**individual.**

**37. The omission is a deliberate act because the writers have rejected the gospel. Today, I am preaching to the whole world. Those who want to hear, if you do not fast and pray, it means that you do not honour our Lord Jesus Christ.**

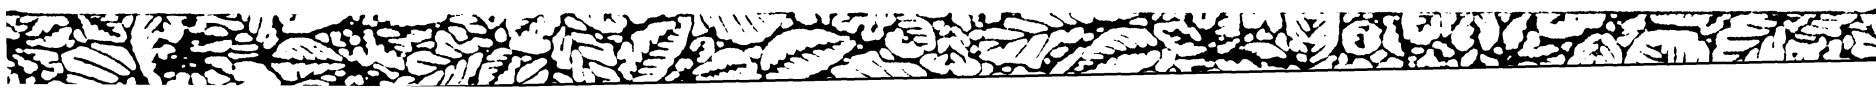

**38. Why is it that different denominations and individuals are seeking for power but they reject fasting and prayer? Do you hear what our Lord Jesus Christ Himself said, that He could not do this without fasting and prayer?**

**39. Why do you profess to be Brotherhood when you cannot fast from six in the morning to six in the evening. You should not wait for anyone to tell you to fast before you do so. It should be a standing rule.**

**40. Fasting is not a thing that someone should order you to do before you carry it out. It is not something you tell people or broadcast in the radio or television that you are going to fast. It is something very vital to your life which you must do for and by yourself.**

**41. Which is easier for you to do, to look at the sky for Jesus to come again or simply to fast and pray?**

**42. Some of you say that all churches are one. How can it be when one church is fasting and the other eats gluttonously. There is no other way which you can enter this kingdom except through fasting and prayer. If**

you like, give all your money to the poor, build skyscrapers for orphans, pay tithes, go on in ministry work, you will not please God.

It is known that at that time there was food and every other thing, but Christ fasted for forty days and forty nights. You now have no food. What stops you from fasting?

44. If you preach the whole gospel from January to December but you cannot fast and pray, you are preaching something else. If you give vision to people for ten hours each day, but you cannot fast and pray, your visions are of no use.

45. The hidden wisdom in this kingdom is fasting and prayer which some of you despise and regard as a waste of time and unnecessary self-denial.

46. Put these words, this gospel into test. Whether you are rich or poor, sick or well, fearful or fearless, pray and fast and you will see how everything will turn on well with you.

47. If you are looking for God in the sky, in the moon, in the sun or you are going from left to right but you do not fast and pray, you are wasting your time.

48. Whoever is in this kingdom and does not know how to fast, such a person has not started to move with God.

49. Call yourself what you wish, prophet, bishop, apostle, evangelist, visioner, elder, whatever name you like to call yourself, if you cannot subject yourself to fasting and prayer all you do is null and void.

50. Fasting is spiritual discipline; if you do not crucify the flesh you are of no use. And now, I want to decree for all the inhabitants of the world whether they are Moslems or Hindus, Jews or Christians, they must fast and pray.

51. Whether you are a fornicator, evil man, good man, one involved in juju-making, a thief, even a murderer as from now on, it is incumbent on you to fast and pray.

52. Whatever happens, leave sorrow, mourning, sadness, and put these words to test. When you fast and pray, you will see Jesus Christ in your life.

53. You will not be hungry when he lives in you because He is sufficient for you and with Him everything is alright. No one can enter into this kingdom except through prayer and fasting and there is no way that you can refrain from sins except through fasting and prayer.

54. You are true witnesses to the fact that before any Pentecostal here we have to go on three days dry fasting. That is the foundation stone of the power in this kingdom. This is for you and for me and for all those in the world.

55. You do not need to go to America, London, travel from India to Calabar to fast, fast wherever you are and you will receive the power of God.

56. You are not fasting when you bear grudge against somebody, when you are angry or when you drink water, when you fornicate, or have a bad mind against someone.

57. Fasting goes with confession of sins and repentance. You should not drink, fornicate, put your heart in man, woman, or money. You do not have to do something for people to show that you are fasting.

58. It does not do you any good to tell somebody that you are fasting. Even in the office where you work, do not tell anyone that you are fasting.

59. Do not tell your wife, sisters, brothers, sons, daughters, anybody. Let it be an agreement between you and your God. It is a sad situation to hear that some people hire some other people to fast for them. Know that the hired person is fasting for himself.

60. No one can fast for another person. A bishop or pastor cannot fast for his church, This church cannot fast for the other church.

61. Each person must fast for himself. Fasting is the key. It is the water, sponge, soap with which you are washed and cleansed. It is oil. It is everything.

62. Take Moses for an example, before he received the Ten Commandments, he fasted for forty days and forty nights on the mountains. This is what you have to do. Take it as an assignment, fast and pray. Do it always and throughout your life.

63. When you fast and pray, you are in the spirit. You are elevated and

as such you cannot die. You are filled with grace, peace, the spirit of God, glory and you are filled with truth.

64. As from today onwards, do not go to any person to pray for you or see visions for you or direct you on what you should do. You have the power through fasting to do anything you want by yourself for yourself.

65. Do not compare yourself with someone who fasts and prays for such a person is filled with great power. When in your gluttony you fill the whole stomach with food, where do you want the power you are seeking to occupy.

66. You have eaten your food, and you have drunk your wine and gone to a preacher to pray for you, what type of prayer is that. Why do you not fast if you need power?

67. This is the time for you to fast and pray in order to get what you want. Even if you are in a thick forest or on the high sea, and you do not know how to help yourself, fast and pray and you will have the help you want. If you do not get what you want after fasting and praying, know that these words are not declared by God.

## *On Wealth, Health and Healing*

1. Even if your father is a millionaire struggle for your own wealth. Don't be solely dependent on him.
2. If somebody gives you something, he seals your mouth and ties you to his apron strings. What you use your hands to labour for is what you withdraw from your spiritual bank accounts.
3. Those you receive from others are your spiritual overdraft. Some people have reincarnated three times yet they continue to pay off their indebtedness.
4. The only way you can worship God is to use your wealth for God's services. When I look at the world, I cannot help shedding tears. They have rejected the word of life.
5. When you reject God, you reject health, wealth, beauty and blessings of God.
6. If you like, experiment with this today. If you lack what to eat preach the words of Christ, sing and dance His own words and testify about His words and you will actually find food pouring down to you from anywhere.
7. Why quarrel over wives, children, etc. when these things are transitory. You go and commit murder to get money. You commit adultery and fornication to get money. You go and steal in order to get money. You extort things from people, you tell lies, you indulge in preparation of concoctions and diabolism in order to get money.
8. You maim, you castigate others, you are at all times ready to do anything all in the name of getting money. But you are told that fire will consume you.
9. Sometimes you are told that Aba market is set ablaze or that one at Onitsha is set ablaze or another one at somewhere is burnt down?

10. Who do you think is responsible for this fire outbreaks? What you acquired through stealing or by bullying another person or by killing somebody or deceiving somebody or cheating God in order that you may get them.

11. You have now realised that within seconds, millions upon millions worth of goods you have gathered over the years can be consumed by fire.

12. If you are not healthy but you practise the lesson of loving one another you will become healthy. Consider those who were invited to Nigeria to heal people. This is what little children are doing in this fold.

13. When sick people are brought here, the children will offer prayers and the sick will be completely healed. Such healers are so numerous here. All of you have been endowed with the healing power.

14. If you request for talisman from India, you are referred to 34 Ambo Street and you will throw away such a letter. You require something from America you are equally referred to 34 Ambo Street. But you throw it away asking why such a vain matter should be raised while you are on an important issue.

15. Even here in Brotherhood, the honour you accord the Holy Oil, you have not given such to the leader and the fear that the worldly people express in the Holy Oil, they do not have that kind of fear for the Leader.

16. Many of you use the Holy Oil to scare your neighbours. You put in a bottle and hang it on your doorpost to scare people off.

## *On Men and Women*

1. A woman says she is looking for a good husband but fails to be of good behavior. A man says he wants a good wife but also fails to be good himself. If you want a good government you must be a good citizen.
2. Use love, use peace, use mercy, use patience, use truth and all the fruits of the Spirit and righteousness in bringing up your children.
3. If man has accepted the advice of the Lord in staying with their children in love, in patience, in mercy, in good habits, all children would have done likewise.
4. And by now the whole world would have been a changed place good enough for all of us to dwell in. You are a fornicator, you are a drunkard and an idolater. In the presence of your child you do these things, you also send him to buy you some drinks, buy drugs for you.
5. What are you doing? Are you not training or bringing up your child in your way? You will agree with me that if the ways of God were the ways of man, He would have poured burning fire all over menfolk because they are completely good for nothing.
6. You have no mercy for yourselves, you have no mercy for your wives, you do not have any mercy for your children either and you have no mercy for anybody whatsoever.
7. Your wife is at home but you keep deceiving her and continue to meet other women, going to sorcerers, going out to drink. What do you think the next child your wife will bear will be?
8. Is he not going to be the blood of your practices? Someone advises you to forsake fornication but you say that is impossible because it is in your blood.
9. Yes that is true because his own father was outstanding and excelled in that practice and so he the son cannot abstain from it.

10. Now, what are we seeing? We are seeing tricksters, we are seeing rogues, magicians, native doctors, sorcerers, diviners, and many others of various esoteric societies. They have filled up the whole world.

11. Have you really seen a good child, one that pleases God and insist on doing good always.?

12. Men, do not receive advice from your children. They are not entitled to advise you. Do not receive your advice from your wife. But get it directly from the Almighty God. It is God who has to advise men.

13. Listen and pay attention to the Spirit, heed His instructions, His love, His mercy, His goodness and His patience. Until eternity God does not reckon with women as anything neither does He with the children.

14. It is man, the father that God recognises. This is because one man is one nation two men two nations, three men, three nations. Why? Because all the children come from the man not out of the woman.

15. God want men, Christ want men. What is he going to use women for? It is you who want women. Consider the occasion when Christ resurrected from death.

16. He met Mary but He sent her to inform His disciples to wait for Him. Again, consider His disciples, out of the twelve disciples, how many were women? They were all men.

17. It is man that He handed over the world to for control, for guidance, for rulership. He created man and embodied in his power. He gave him all the wisdom.

18. He gave him all the wealth but this same man has descended so low that he sleeps with hens. But who killed our Lord Jesus? Who are those who still hate our Lord unto this day?

19. Have you seen any woman who hates our Lord Jesus or any child who does so? It is the menfolk. Go to any church whatsoever, if you see about ten men, you will see over three hundred women.

20. These three hundred women do not signify anything. These ten men will rule over these numerous women. But these ten men will only go there to cheat and parasite on these women.

21. They are not prepared to contribute to the well-being of the

34

institution. Men regard women as fools, they regard children as fools, and also regard God as a gigantic fool and regard Christ as something to be toyed with and joked with, that is why the world is the way it is.

22. Men all over the world are pre-occupied with arguments, hatred annoyance, anger and quarrel at all times. If you advise men to stop fornicating, they take offence, if you advise them not to be angry, goodness! you have killed them completely.

23. And so they ask; "how can one live in this world with all tribulations and poverty and not get angry as a matter of course." Now, this night Christ has commanded you parents, do not provoke your children to anger.

24. This is not all, beating is inclusive, pinching and dragging them by the ears are inclusive, even refusal to eat the food they have prepared for you or any other thing.

25. Your child offended you but he went and called your friends to come and plead on his behalf but you kept shouting you are not my child, I do not want you again, go back to your mother.

26. Let me ask you, are you truly a father or you are a beast? Because woman is nothing, she knows nothing. Children are nothing, they know nothing too.

27. It is the place of man to use the real word of God to teach and nurture them using truth, meekness, and temperance so that they can see the glory of God.

28. A woman who claims that her husband loves her so much but who does not know that he is keeping chains of concubines and spreading lavishly on them is deceiving herself.

29. The same thing applies to a man who claims that his wife loves him so much but who does not know that she is flirting around with other men. There is no love in persons who behave that way.

# 12

## *On Marriage*

To marry is not a difficult thing. But can you be the keeper and lover of your wife? This means laying down your life for your wife.

2. If the marital home is not at peace, the husband is answerable. He is not a good pastor. If the wife goes astray and perishes God will demand her soul from her husband.

3. God does not know the women but He places everything under the care of the man. He has warned us that if a man does not love his wife his prayers will not be heard by God.

4. What day has Christ scourged you, what day has He cursed or pronounced woe unto you? What day has He refused to give you food? Or has he said unto you "from today, I don't want you again, go away to your mother." What day has Christ told you "This house is mine I don't want you"? Has he ever told you not to touch anything in the world because you brought nothing. No, Never! Christ is the bridegroom without blemish.

5. But contrary to Christ's expectation and instructions, husbands today are selfish and they cause division in the home. They maintain strictly exclusive ownership over this or that thing in the house, whereas a husband and a wife should have the same right on everything in the house.

6. They should share the same trunk, spoon, plate and cup. There should be no harm in the husband using the wife's wrappers and vice versa. They should have everything in common.

7. Yet instead of heeding Christ's instructions some husbands treat their wives spitefully, disgracing them wherever and whenever they like.

8. They boast they can marry as many women as they like and in their foolishness forget that any pastor who cannot take care of a single sheep, cannot be entrusted with two let alone more.

9. Tribulations, litigations, fear, illness and death are among the things any husband who does not love his wife is most liable to suffer.

10. Some people claim that they are behaving as Europeans, first, by leading a happy marital life. This is not true. The only fact is that Europeans first embraced Christianity and have successfully applied the principle of love in marriage life.

11. So the man who behaves well in marriage is not doing as Europeans but is doing the word of God of all things in the world, what is most precious to a man in his life.

12. She is the lifetime cross that the man has to carry till death separates them. All truth, humility, longsuffering and patience should be employed in dealing with his wife.

13. She is the only person with whom you are one flesh in this world. Something you do to your wife is something you do to yourself.

14. Money does not show love in marriage. First ask yourself whether you will be able to carry your wife's cross during sickness, tribulation, want and misfortune.

15. You are her father in tribulation. You are also her mother. You are her brother, sister and husband. You are her all in all. You cannot think of her clothes, health and food without thinking of how you can supply them.

16. But disappointment comes when the man who is supposed to be provident in love comfort and godliness chooses to deprive his wife of all these rights simply because he prefers wine, hotel, and outside women to his wife.

17. He leaves his wife too worried to be comfortable. The bad husband causes his wife to wander and be lost like a sheep without a shepherd.

18. Why should we give our wives stones instead of bread? Why then should our wives knock and we refuse to open and admit them into the bowels of our love.

19. Why should we be stone-hearted against the weaker vessels of the Lord. Why should we desert them in their poverty? Why should we be bad shepherds and antichrist.

20. We are created in the image of God and Christ. If we do not love our wives, we are no more in the image of Christ and God is no more in us.

21. Any husband who does not have Christ is useless and a house where the man is useless is good for nothing. Before now you were saying someone had spoilt my house.

22. But now you have seen that by telling lies to your wife, causing division, in anything with her, and by not loving her as you should, you are the sole cause of unhappiness in your home.

23. Accept Christ as the head of your house otherwise you are ruined already. Because you cast your wife out, you have cast out Christ and all good things.

24. To be a good husband or good shepherd, you need not money, drink or medicine as you need Christ. God created one man for one woman and one woman for one man. If you have a wife and she goes to commit adultery she is no longer your wife.

25. You have the right to divorce such a woman and marry another one. But you must be sure that the second has not been married previously. A woman has no right to use her body anyhow neither does the man.

26. Also to be intimate with your wife, it should be at will and after that both of you should fast so that the house does not go on fire.

27. It is either you stay unmarried or you get married to only one wife. No matter what you are, if you do not keep to the already established norms of this institution destruction will set in.

28. Any woman who is married, know now that anyday your husband brings in another wife, his love for you has died. It will be advisable in such a situation to go away from him.

29. Anyday that your wife leaves you and becomes intimate with another man, know that her love for you has died and marriage is ended.

30. From the time of Adam until now women had tried as much as they could to shake off the shackles of man's authority but they cannot annul that statement of God. It stands firm forever.

# 13

## *On Sin*

1. When many of you are told to bow down and knock your head, you refuse to do so. The wisemen were setting a good example for all followers of Christ to emulate.
2. If you claim to have seen God face to face, yet you go about stealing, deceiving, quarrelling, fighting and coveting, you are a liar and a child of perdition.
3. Many of you do not care to accord the Father any honour, or reverence, you take any posture while talking to Him. Is that how to worship God, the very God you claim to have seen face to face.
4. You come to God and claim you want to serve Him only when you are poor, naked and hungry. You need God at that stage so that He will help you and not because you are ready to serve Him.
5. The sufferings which afflict the world are not pleasing to God. All your tribulations and afflictions are a cause of sorrow in heaven among the angels.
6. The Lord says you should neither steal nor kill, but you say that you have stolen but have not killed. I stand in the high heavens to tell you that if you steal you have killed and if you kill you have stolen.
7. All evildoers such as drunkards, fornicators, murderers, backbiters, swindlers, and thieves have no share at all in this kingdom.
8. Those who therefore hope for this kingdom should not commit sin, worship idols, initiate themselves into traditional societies, cults and the rest of the secular organisations.
9. Those who indulge in all these demonic things are not worthy. Return to the house thou wanderer for the father is looking for you. The problems and difficulties plaguing you do not come from God but from you and your ignorance and foolishness.
10. Bad words are bad swords. The evil thought we nurse against.

another person is a bad sword. Our eyes which look dangerously at people are bad swords.

11. With all these swords we commit more murder than those of old. A person with an unwanted pregnancy who goes in for D & C commits the same offence as he who kills with a gun or machet.

12. Should you consult a medical doctor to terminate your pregnancy by means of an injection, you and your doctors are murderers. Should any person prescribe tablets to be taken in order to put an end to the development of a pregnancy both parties commit the same offence as that of a person who kills by strangulation.

13. Some women have contraceptives which they take after sexual intercourse to prevent pregnancy. They have also committed murder. Many sisters have no love for men but are attracted by their money. Such sisters do take contraceptives to prevent conception, they have also committed murder.

14. Some men become intimate with sisters but do not want their blood to pass into them, such men have also committed murder. What is sin? It is division, class distinction, and other behaviours that are against morality.

15. Should a native doctor give you any concoction by means of enema in order to abort, your punishment is as heavy as that of a murderer.

16. If you abort by means of prayers offered by a prophet, you both will be committed to judgement. You may not want to use the aforementioned means to terminate a pregnancy, so you take a dry fasting, if the unwanted pregnancy is miscarried as a result of the fasting, you have committed abortion and you are in the same shoe with those who use tablets, injection, or kill by strangulation.

17. Some often declare their innocence by lifting up their two palms to the sky calling on God as a witness that they commit no serious offence like murder and stealing.

18. But they admit telling minor lies, being intimate with young girls and indulging in self-protecting concoctions. I am telling you now that you have offended in all the laws because the so-called minor or venial

sins are equivalent to killing by gun or poisoning. For this reason they carry equal penalty.

19. It is often said that a thief or any offender should not be killed nor ill-treated and you receive this with mixed feelings since you see it as an act of encouraging the offender. This is fallacy.

20. Anybody who commits an offence is already a dead person. The law and the prophets will exist until all sinners receive their due punishment, it will take its exit when sin will no longer exist.

21. All the native and medical doctors who give out drugs and contraceptives for abortion are murderers. They shall be killed. Do you know the mission of the child in the womb that you have killed by abortion?

22. Were it to be that your mother committed an abortion, how would you have been in existence? If the mother of John the Baptist aborted, who would have preached repentance?

23. If Mary committed an abortion, how could salvation have come to us, who would have been a friend of sinners? Why are you afraid to kill with gun and matchet but delight in committing abortion.

24. You should not commit fornication because if Reuben did not fornicate with the Father's wife he would not have been cursed. Secondly, you should not be easily provoked because it was anger which induced Jacob to pronounce the curse.

25. Thirdly, do not allow evil communication to proceed out of your mouth as Jacob did. If Jacob were to be present today he would have wept because of the predicament he had brought into the world.

26. Judah loved money. Invariably all those who come from that family are money-mongers.

27. Those who have money like to give and receive bribes. They also like stealing, lying and swindling. Consider this issue carefully yourself. You accuse Adam and Eve for disobeying God, and claim that if you were in the Garden of Eden, you would not have disobeyed.

28. But till today you are committing the same offence by eating the forbidden fruit. The cause of evil, hardship and untold sufferings,

prevalent in the world is because every man plans against his fellow human beings.

29. And because of this, the kingdom of the world has fallen never to rise again. No progress, no prosperity but adversity all around.

30. You know that a woman has a husband who is alive and you still go in for her. Do you know what you are doing. It is better for you even to die than being alive.

31. You know a woman is married to your friend and you go to have intimacy with her. No matter how dutiful you are, go on ministry work or go round bethels and celebrate feast, there is no way out for you.

32. Even if you like to escape from the Father and hide yourself in London, you are still in fire. Don't you know that whoever fornicates is indebted to sorrow, death, poverty and wretchedness?

33. If there is any person that says, when he fornicates, he has no problem, bring him to me. No matter the amount of love you have for God, the minute you fornicate fire sets in.

34. Major problems you encounter these days especially thieves making away with your property, somebody borrowing from you without paying back, your child becoming sick, your wife or husband deserting the house, you becoming sick, all are caused by fornication.

35. You go to commit fornication with somebody's wife or husband and when you come back your child dies. It is because of fornication that you cannot pass your examination and enter the university.

36. As a result of fornication, you have no child and grow sick. You defile the house of God and become nothing and useless because of fornication.

37. A drunkard or an insane person is better than a fornicator. If you don't tell lies, prepare concoctions and yet fornicate you are liable to death.

38. Some people marry twenty wives, yet pretend that they never committed adultery but I tell you that you have committed adultery with nineteen women.

39. If you are a blackman and fornicate you have to die. If you are a

whiteman and you fornicate you have to die. Whatever you are, if you fornicate, you have to die.

40. If you are an old man and you fornicate you die there. If you are a Bishop or Archbishop no matter what you may be, if you fornicate, you have to die.

41. If you are a millionaire or billionaire, if you fornicate, you cannot escape death.

## *On The Ordained Men of God*

1. You should be asking yourself this question; I came in here lusting after a certain sister who came to steal but all of a sudden she said, this man has ordained me.
2. What has happened? I could not even pray but see the position he has given to me in Brotherhood. Now amongst all the visioners in the kingdom, those the Father has opened their eyes, have you seen me ordaining any of them as prophets?
3. But those I ordained as prophets, even if letter "A" should be as big as this house, they would not see spiritually. They cannot even dream and remember what they dreamt but these are the human beings I have elected as prophets.
4. Can you see how the wisdom of God has eluded mankind? How many of the Christ's Students have I ordained? They are the preachers, they are those who understand the intricacies of Brotherhood.
5. But how many of them are with girdles? There is no ordained one who knows an iota of the intricacies in this kingdom. Yet I ordained them.
6. The Christ's Students who know everything about this kingdom I have not washed their legs. Have you seen me ordaining them? Can't you sit back and ask yourself why God does things this way. Does God make mistakes?
7. Here there are those who left their mothers, their fathers, their relations, and some others resigned from the civil service and their management positions they were occupying in the world.
8. They came in here and have spent twenty one years and so shall they remain forever. But here you are, you are jumping left and right, jumping from pillar to post and when you come I ordained you.
9. What do you think about this place?

# 15

## *On the So-called ordained men of God*

1. Look at your pastors, prophets, bishops, archbishops etc, there is no secret society they have not joined.
2. There is no juju they have not touched. Tell them to stop and their answer to you will be that where you are, there is something they have hidden from you.
3. When you hear of false prophets, these are those who rely on precepts alone and do not practice what they preach. Similarly, all those who listen to the word of God preached, but do not practise it, they are the thieves, robbers and the false prophets.
4. My answer to the world is that I have not gone to any school or church. But go and bring any Dean of Faculty of Religion, the Pope, Archbishop and other clergies of any Episcopal Seminary and I will confound them because they are practising occultism.
5. When you say that you do not want a spiritual church, you are dead. That is why the world is void. Whoever prevents the children of God from serving their father will be destroyed and all his ways will be closed.
6. If it is the government that prevents you from serving Him, God will cause confusion, reshuffle the ministries and cause you to lose your job.
7. If it is the husband that prevents the wife from serving, the Father will remove the husband to afford the wife the opportunity of serving God.
8. If the wife wants to hinder her husband in the service of God, then the Father will either remove her or call a halt to the marriage. If it is the mother who prevents her children from serving God, He will remove your mother in order to allow you all the freedom to serve Him.
9. Whatever stands in the way of any person, who decides to serve his God, whether it is Government or church or village or relations or society will be completely scattered.

## *On Idolatory*

1. Right from the day you make unto yourself a graven image, an idol, and bow down to worship it, your woes and sorrows began.
2. From the day that you are initiated into any secret society, God abandons you and that is the beginning of your sorrows. Right from the time you go to consult with a sorcerer, God has forsaken you and you are visited with the wrath of God and death.
3. Your problems start from the day you receive a ring, or talisman or amulet for one reason or the other. There is nothing that has defiled the world, the man, the family, the house the community as idolatory.
4. It is the greatest sin in the sight of God. If somebody gives you a rod, do not accept it. God is not a rod. If you are given a handkerchief do not accept because He is not handkerchief.
5. God is not a piece of wood. He is not a stone. He is none of these things. But God is a Spirit. He is truth, love and life, God is the Father.
6. All the sins that are in the world are brought about by idolatory. There is no robber who does not prepare charms. All those who commit other sins, fornicators, and liars all indulge in diabolology.
7. It is God who has given them over to this abomination because they refuse to know God. That is why they die by the roadside and are eaten by beasts.
8. The first condition in Brotherhood is that if you have been initiated into any secret cult like the "ekpe", "ekpo" "obon" or unto any secret society you have to deny them completely otherwise you have no share in the kingdom.
9. The sin of idolatory is the last enemy of God and it is what defiles man.

10. It is what separates man from God. It is Lucifer who has introduced drinking. He is the person who has introduced idolatry and he is at the head of all diabolical means.

11. You accuse Brotherhood of worshipping a human being, and yet you worship trees, rings, rocks, leaves, and water. You fall down before a shrine and ask it to save you. Is that not sinful?

12. There is no native doctor who has peace, there is no sorcerer who has peace, there is no person who has either ring or chain or rod or amulet who has peace.

13. These are the things which hinder them. They are covered with darkness because they are in hell fire. I am standing in the highest heavens and declaring to all those who have idols of one kind or the other to forsake them completely and make peace with God because this is the time of peace otherwise the destruction that will visit you will be terrible.

14. Heaven and earth and their fullness belong to God. What belongs to God also belong to His children. Why then do you continue to suffer?

15. It is because you have forsaken God and have gone to bow before rocks, trees, and streams. Heaven is here, hell is also here. Right from the day that you go to prepare yourself one charm or the other for protection, you are thrown into hell.

16. All those who forsake these things are in heaven. It is a pitiable situation today in the world to see people who have spent years overseas studying either as doctors or lawyers or qualify as priests or bishops but returned to revive what they call tradition and culture.

17. They share in pouring libation, and fetish activities. Such persons have forsaken God and God has deserted them completely. Many people think that the true God is something like the Bible, a hymn book, a handkerchief or a Staff or a human being who could be carved or worshipped. Far from these thoughts, God is not like any of these.

18. Man was created in the image of God. He was endowed with all wisdom, power, love, justice, beauty and splendour. How foolish then is man to imagine God to be like a stick, water, earth, stone, sun, moon and the solar stars and to worship them.

19. For instance if you regard the Holy Oil as God then you are making a grievous mistake because God is the maker of the Holy Oil. Why should man worship the creature and not the creator.

20. Anyone who does this has dishonoured God and must suffer the penalty.

## *On Reincarnation and Predestination*

1. Sometimes you are asked how old you are and you say five years. This is false. You are not five.
2. Some of you have made about five incarnations. Some seven, some three but you do not know. You often say that new child has been born, no new child is born. What you regard as new child is a being that has only reincarnated at your time.
3. This is the wisdom which has been hidden from the whole world. There is no human wisdom which can discover this truth. That is why you have never found any man changing or reforming another man.
4. In our earlier incarnation many of us were born in India. But after, the Father transferred us to Nigeria. In that incarnation, you were a Nigerian but since there was an arduous task to be done in America, we were transferred to America so we continue to migrate in our reincarnation from one country to the other.
5. That is why Jehovah God and His Christ are laughing at you seeing that you are very foolish. Don't you see that we die to live? People often confuse physical death with spiritual death or slumber should I say, that is when a person is no more breathing.
6. He is inactive and mute. He is not alive because the generator which activates the cell of his body and make them move is withdrawn.
7. During physical death, it is the flesh that is generally affected. The spirit is taken off the man by the owner God and is sent on another errand, perhaps to the Soviet Union where he is translated from his spiritual existence to mortal and is called a mortal name.
8. This is the physical death we hear about daily here and there. There is nothing at all like death speaking frankly but transformation of beings for assignment in other places.
9. Anyone physically dead must physically reincarnate. All those living

at the present today on earth are parents of past ones. Each one of us has undergone several reincarnations unknown to us but known to the Supreme power, God.

10. Therefore whether you cry or not you must undergo this process as many times as may suit the Supreme of the Spirits. You do not know where man is going neither do you know where he comes from.

11. As long as you do not know these, they are none of your business. If it was the case that if one dies, he is gone forever, who would remain in the world today?

12. When you cut yourself, blood will drip to the ground. Each drop of blood is a human being. You can kill an animal but you should not have to eat the blood because that is life.

13. The same is applicable to man. That is when you say that a person dies, that one person will come in million into this world. As we are here if you tell me that you are here, it is not true because you are somewhere else. Some people say that they come from Calabar. Some say they are from Ibibio. Some say that they are Nigerians. You are from none of these places. Shut up! because you do not know where you come from.

14. God has created man as a channel. The woman is the pathway through which people pass from the other world into this world. It does not mean that they are your children.

15. This world is a strange land and you are all strangers here. The Spiritual world is the real world and that is your real home. It is eternity.

16. Jacob the patriarch had twelve sons, representing the twelve tribes of Israel, the twelve Calendar months of the year and the Twelve Zodiac signs.

17. All the poor people in the world are from Reuben's family Even if such people are given all the money in the International Banks, they will squander them in riotous living.

18. People argue that destiny is not in existence; but I tell you vehemently that Destiny is in existence for whatsoever had been written about you, the same you must face in life.

## *On Vegetarianism*

1. All the troubles in the world which hinder man from knowing God and the imminent ruin of man results from eating meat and fish.
2. By this the world has departed from the way of God to the path of perdition. This brings about sickness, afflictions, gnashing of teeth and death to man.
3. Egg is a bird. Milk is taken from an animal and so it is part of an animal. Do not eat any of those things. They are not prescribed for man. The only food prescribed for man is either fruit, or seed. If you love life, follow the prescription. If you follow the prescription you will no longer be sick. You'll have no pains.
4. There shall be no movement of objects in your body ~~system~~ which you attribute to witches and wizards. The fish and meat you eat cause these problems because you have eaten the forbidden fruit.
5. All animals created have their own kingdom. The trees have their own kingdom. They attend meetings, have their chiefs, converse and do their own thing, their own way.
6. Their kingdom is equally very enjoyable. If I say that you are a member of either the plant or animal kingdom, you will wonder how.
7. Do not bother about that aspect but believe that you are also a tree or a fish, or an ant or bird. Therefore you are a brother to them all and they are your brothers.
8. The power of superintendency of man over animals is the first grace man has lost. If you were to care for and feed the snakes, goats, dogs and other animals, they would watch the house, go on errands, sweep the floor, and do other domestic chores.
9. Brethren, the effort we waste in training men, if we were to concentrate our attention in training the animals, they would have given

similar responses. We would use them for errands, sit back to enjoy our glory.

10. You are not more beautiful or handsome than an animal. They hear when they are spoken to and can move when they are told to do so.

11. More so you do not know that when you kill an animal, you have killed a human being. When for instance a native doctor demands a cock and hen from you, he is in effect asking for a man and a woman. He does not know this and you do not know too.

12. When God demanded that Cain and Abel should offer sacrifices unto him, Abel chose the fattest of his ram, and offered it to be burnt as a sacrifice.

13. He thought he was presenting a ram not knowing that he was offering himself. He gave his own life. It was not Cain who killed him. It was self-inflicted.

14. Can you realise the wisdom I have brought to you? It is the recondite wisdom. If he did not offer the ram, he would not have given his life and nothing would have happened to him.

15. You pray God to take away death. Where do you intend Him to take the death to? You are still killing fishes, hens, cocks, and other animals. Are those not human beings you are killing? People die as a result of what they do.

16. Secondly, whenever you eat meat or fish your heart is trouble because you have defiled the temple of the living God. The house becomes impure.

17. Wrath, strife, and all kinds of filth will fill the house and you will not have peace. Then the Holy Spirit has departed from you.

18. Because of your penchant for eating meat a very young girl no longer sees, a young girl no longer menstruates.

19. Little children suffer different forms of sicknesses. How come all these things happen? It is as a result of the meat and fish you eat which defile the body, the temple of the living God.

20. There is no more life in you and your life is wasted. Your ears will be blocked and your life is not worth its salt. The doctor says you are

anaemic. It is true you are bloodless because you do not eat fruits, which constitute the body of our Lord Jesus Christ and which provide blood.

21. Fruits give you blood and life and power and good health and beauty and all the glories of God. But you have left the glory of God to base things. Come to think of the effect of meat on man. God has created fishes, hens, goats into very lowly and dishonourable places.

22. When you eat their meat, where do you find yourselves. Can you not realise how you are living as beasts? Even animals are wiser than you.

23. Know that as a man suffers from cough, the goats, birds and all the animals suffer same. As one suffers from belly ache, rheumatism, and all the ailments so do animals, where do you think the diseases are transferred to?

24. The inhabitants of the world will shout when they listen to today's gospel that "Leader Obu has killed them" He has instructed that people should not eat meat or fish.

25. Many people complain that they are bewitched and seek for powerful oracles to consult. Do not consult any oracle again. It is eating meat and fish which is killing you.

26. Most especially those who are in universities, you fry here, roast there, bake and boil your food. Fry no more for that means death unto yourself.

27. If you want to pass your examinations, eat fruits. Wisdom, wealth, power, peace, beauty, good health and life will be bestowed on you.

28. When people talk of going to the mountains or Jerusalem what actually do you go to do there. Here is God before you, conversing with you but your sight has been blocked by the meat and fish which God has directed you not to eat.

29. If we no longer eat meat, mourning house will cease to be kept, necromancers and juju doctors will fold up. All the secret societies in the world will cease to exist.

30. Consequently, we will no longer have problems. People will no longer die because the animals you kill are human and you stop killing them, they will no longer die and human beings will consequently not die

again.

31. Those who are left with ten days to one year or so to depart this world to the world beyond because of their disobedience, by beginning to practice this gospel, thousands of years are added to their days.

32. All those whose faces are wrinkled, legs crooked and they are oldish by beginning to practise this gospel they will be rejuvenated and will become handsome young men and beautiful women.

## **19** *On Prophecies, Predictions, Dreams and Visions*

1. The question now is, what is vision, dream and prophecy? It is a divine revelation of the future events in sleep or in trance, a prophetic utterance or a prediction. It is the Spirit alone that is capable of revealing one to as many people as possible and without a mistake.
2. There is no other way you could develop your luck, your fate and your faith except through dreams, visions and prophecies. God can talk to you through dreams or visions. He can also talk to you physically as you are hearing now.
3. Many people do not believe in dreams and visions. But whether you believe it or not, the truth is unchangeable. The birth of our Lord Jesus Christ was first seen in a dream.
4. Before anything happens to you, it will first be revealed to you in a dream. What is called Spirit is what you see in the dream. The Spirit also is the kingdom of God and is God.
5. You therefore have to believe all the dreams you have. Secondly, the Holy Spirit can do and undo.
6. Many of the things people do are not done in this physical realm. Before anything manifests itself in the physical realm it would have been revealed in the spiritual realm.
7. If you obey visions and dreams you will obey God. Many people encounter problems and difficulties because they disobey the voice of God through dreams and visions.
8. That was why when Joseph was instructed in the dream to take his wife, he obeyed when he woke up. It is rather pertinent to believe what you see in dream than what you see in this physical realm.
9. Right from the time of Adam there has never been a time when the Spirit was not in existence. There has never been a time when dreams and visions ceased to exist.

10. For instance before 1974 no photographer was able to take the picture of the Holy Father and have it developed. The negative must certainly become plain paper.

11. It was not until it was revealed by Deaconess Odudu that as from 1974 the production of the Father's pictures will be made possible before people began to produce them.

12. The Deaconess also prophesied that the Father's pictures will sell like hot cakes. Today many people trade on His postcards and are really doing good business. All the dreams and visions you have will not fail to manifest.

13. If therefore you do not believe in dreams, visions and prophecies what do you think of yourself? The Holy Spirit has come to gather all the children of God together. He has already accomplished this but what remains is for you to go and testify about it.

14. Only one currency will be used throughout the world and there will be no visa and passport. Indeed all gaps will be bridged by the Holy Spirit. There will be no division between the Jews and the Greeks, between Nigerians and Britons.

15. It will not be long from now, you will see that wealthy people will denounce their money and forsake it completely. They will leave their money in bags and call on people to come and take. Those who have estates will forsake their estates. They will declare that people should come and take them.

16. Then it shall be too late. People will forsake their children and riches and call upon people to come and take them. The kingdom of God you have been waiting for has arrived.

17. In 1967 before the creation of States, Brotherhood members met the Father and requested Him to create a separate State for them because there was much cheating in the Eastern Region.

18. The Father pronounced that He had given them States and in that 1967 States were created. In 1969 when the civil war was still on, during a service, the father saw that anguish and sorrow were written on every member's face. The father stood right there and pronounced that He had

ended the war and the following year January, the war thus came to an end.

19. After the Nigerian Civil War many people said that measures should be adopted to ensure that the war did not reoccur. The Father as usual stood in the altar and pronounced that there would be no more war in Nigeria. He said what Nigerians would witness is police action.

## *On the World*

1. If Africans need a good leader they must be good and if the western world needs a good ruler, they must be good themselves.
2. Whether your ruler is good or bad it is incumbent upon you to submit to his rulership. You should stop coup planning, it has brought problems to the whole world.
3. Whether good or bad submit to them. Your assignment is to submit to your ruler. The moment you start your own business independently, you will become very rich. Have you ever seen a civil servant who is a millionaire? Even if he is, he has embezzled and the punishment awaits him.
4. If you observe the happenings in the world, you will see that there are no nations who express their love as Africans. Indeed there are no people who look as foolish as Africans.
5. Neither are there people in the whole world as humble as the Africans. African people are honest and truthful. Nevertheless, the trouble with Africans is their tendency to worship strange gods.
6. The Whites argue that if God is in Nigeria, why are there so many problems besetting the country? Somebody will wonder why your village is not well off.
7. None of the inhabitants of your village believe in God? Do the entire African people believe in Him? That is where the trouble lies?
8. None of the rulers of this world has the Bible. They belong to various secret societies and talk about those societies.
9. Tell me how they can rule the whole world without the constitution cut out specially for the administration of the affairs of this world. I want to tell you that throughout the whole of Nigeria there is no set of people as strong as the Ibibios in craftiness, in power, in swindling, in atrocities, in embarking on any type of investigations.

I want to tell you that throughout the whole of Nigeria there is no set of people as strong as the Ibibios in craftiness, in power, in swindling, in atrocities, in embarking on any type of investigations.

10. If something is far beyond the comprehension of the Ibibio man, what do you think the phenomenon is? As at now, all of us are looking for the Whites. Even in Nigeria today, if a whiteman heads an establishment, whatever he suggests will be done.

11. If a blackman occupies that same position and makes the same suggestion, he will not be accepted. That is what happens. The unwary world insinuates that your leader is not educated. But the educated professors and academicians deny the existence of God. They argue that life came by evolution and not by creation.

12. In the past religion only came for the black world from the whiteman's land. The whites were those who introduced christianity to the blacks.

13. Any church that had no headquarters abroad had no recognition. But today the reverse is the case. The Blacks are evangelising the Whites.

14. Therefore each and everyone of us should rest and continue to give thanks to the Almighty God for all the good things He has bestowed on us.

15. If a world conference was convened of all the inhabitants of the world to decide where the word of God should be made stationery to be spread to other parts of the world, who would have cast his or her vote for Africa?

16. It would have rested in London or America. Because a popular agreement would have been put up that Africans be left alone for they are already down and are condemned. Are you the person who asked God to do this?

17. The greatest mathematician in the world comes from Egypt and cannot speak English. Yet the fanatics query why your Leader does not speak English. Is this a question of English Language? You should be ashamed because if I speak the real English Language you will not understand.

18. Why does the world not appreciate a good thing. It is polluted with synonyms so that the word come can be subjected to different interpretations. For this reason French Language is preferred in

## International Conferences.

19. As the government uses diplomacy in its administration so is the English etymology. If you apply for work in the government, they will not reply that there is no work but will calm you by saying that the application is receiving attention. You will wait and become tired because the attention is indefinite.

20. Now millions of Europeans and Americans want to come to Africa and millions of Africans want to migrate to Europe and America, why do you intend to go since you claim that you are not white and you have no relationship with the whites?

21. God has not created any boundaries for us.

## *Food for thought*

1. Here in Brotherhood, we do not clap hands, play orchestra, or burn candle and incense. As you come here your problems and sickness are taken away by the Holy Spirit.
2. You argue that you do not know what sin you have committed and I ask, have you not eaten somebody's food for nought? Those who killed our Lord Jesus Christ were not juju doctors, government officials, traders, or farmers but the church people.
3. If he was from them they would not have killed HIM. Likewise today no church accepts Brotherhood of the Cross and Star. Though they all attest that there is power there but they conclude that nobody knows the source of the power.
4. I thank God for such testimony because if they had known, it would not have been the one. When I confess that I had never been to church, the world frown at those who come to me and wonder what I would teach them. If I had attended any church before coming to found Brotherhood, it would have been an imitation.
5. If a person is sent by God and he is taught by another person and is issued with a certificate he is not taught by God because he has his teacher.
6. But the one sent by God does not need a teacher because no one can teach God. You rejoice that your brother has gone overseas and has graduated as a professor or doctor. Then I ask, professor or doctor of what? Of stones, iron and wood?
7. There is no knowledghe of God in the world. The only knowlêdge here is how to read and write. Sometimes people argue that things have changed in the world and that the world has changed a great deal.
8. This is not true. Nothing has changed. The world is exactly how it has always been right from creation. Not a pin has changed There is no

wiseman in the world. The whites, the blacks, and the coloured are not wise. They are blind deaf and dumb.

9 There is time for foolishness and time for ignorance but is this the time for foolishness? When you argue that you are white or black, who was your father and grand father? Were they not the children of Adam who was your grandmother, was she not Eve?

10. When you beget many children and they in turn beget many children and your grand children beget other children as it were, does it mean that you and all of them are not brothers?

11. War sets in because people claim they come from one community or the other. Discrimination also sets in and people condemn others and arrogate to themselves positions superior to others. That is why the world disintegrates.

12. It does not serve any useful purpose to continue to make the distinction that one is a white and the other is a black or that one is the son of God or that one is a white man because He himself has brought about the unification of all people of the world.

13. So human beings, trees, animals, water, fishes, birds are all children of God. A native doctor believes in juju which I don't. If I were one, I shouldn't have done what I am doing.

14. And mark you, I am not a christian convert. Being a convert is different from being born into a faith. You call me a Leader, this is true because God has provided a living example for you in me in order to lead you to God's kingdom.

15. The qualities you see in me are for you to imitate, I am a model. I don't smoke, drink, or worship juju. Can you see any candle, cross or image here?

16. I do not belong to that cult. The membership of the Brotherhood of the Cross and Star is very large. If I attend one burial without attending the other, I will be accused of partiality.

17. I have many pastors to administer unto the need of members. In any case why should the world attach so much importance to death? I have been telling you that the whites are not wise as they would have

people believe.

18. Infact there is no person who is wise in the world. If it were not so there would not have been a case that an untutored person should reveal what your problems are to you.

19. What you refer to as an enlightened person is the one who can write and read his name. Civilisation or enlightenment does not imply building a school or manufacturing aeroplanes. And I sympathise with you because the whole world is blind and sick and lame.

20. If you say you are a pastor, or bishop ask yourself whether you have love, power and wisdom. If you do not have these attributes, what kind of pastor or bishop are you?

21. If somebody says that he is a servant of God, yet is poor, is powerless, and is foolish and ignorant, is he a true child of God? Fear brings torments, because of fear you kill, prepare concoction, and commit other vices.

22. Why do people get initiated into secret societies like Ogboni, Rosicrucian Order, Freemasonry and De Lawrence? Is it not fear? Fear avails no good thing. When you see a tree bringing out young shoots, know that someone is watering it.

23. A person who does not know His creator is in great suffering. The Whites and Blacks suffer as a result of not believing in Him because without Him there is no life and with Him there is life.

24. Some people think that Spirit is what you cannot see. This is not true. You can see a spirit but you will not know that it is a Spirit.

25. After weeding your garden and clearing all the plants after some time others will grow up. Where do they come from? When you have shaved your head so that there is no single hair after some time you see hairs growing again on the same head, where does it come from? The hairs that were cut, where did they go to?
