2nd Lesson: Romans 8 : 16

Golden Text: John 10 : 35-36

TOPIC: BE LIKE GOD, FOR, YOU ARE MINI- GODS

Brethren, open all your ears, your intellects, to imbibe this gospel. And the Father has already endowed you with ability to understand these unique teachings and the recondite wisdom of truth. I implore every person to listen with attention. This recondite wisdom of truth is going to be proved mathematically to you as geometric and algebra. This gospel is going to bring to nothing the wisdom of wise, prudent, the great scientists and the philosophers. Therefore it is imperative that you all open your minds and receive this gospel. The first question is, do you believe in the Holy Bible? And the second question is, do you believe in what is written in Genesis to Revelation in their totality? I need an answer. If you believe in what is written in the Holy Bible, do you believe in what is written in Psalm 82.6-7, ' I have said, ye are gods and all of you are children of the Most High but ye shall die likemen, and fall like one of the princes. ' That is what you are supposed to keep in mind always. 'was it not written that ye are gods? You often deny the veritable truth that man is god The question is. if man is not God what is he? Did God create man in His image and likeness? I therefore stand here in the highest heavens to proclaim and affirm that you are gods

YOU ARE THE LITTLE GODS:

When is said "there are Gods of the heaven and Gods of the earth ," we are all the gods of the heavens and Gods of the earth. Although you are the minor gods, Gods is God; the size and form makes no difference. That is why God Himself, even the Spirit bears witness that we are the children of God. But the record should be put straight that you are not the Father, the Lord or the King. We have only one Father and one Lord. But you are of God, and sons of the living God. So you are little gods. This has to be revealed to you, and it had been said and has been prophesied that this generation shall not pass away until these words are consummated. Therefore whenever you see a man, you are seeing God. And that is why wherever you see a man, that is God in His self reflection.

WHAT YOU DO TO MAN IS DONE TO GOD

Whenever you call man God, you do not make any mistake in doing so. There is no better name you should call a man than God. It stands to reason therefore to reveal to you that whenever you commit any acts of evil against

your fellowman, you are directly doing it to God. If you think you are fighting with a man you are making a great mistake You are fighting against God. If you steal another man's property, kill him, fornicate with his wife or children you are offending God. If you treat a man badly, hate him, disgrace him or abuse him you are offending God. If you wage any war against man you are directly waging war against God. If you curse or calumniate against any man, you are doing it to God. If you refuse to help a man you have also refused to help God. If you manipulate a man or be crafty to any person, you are doing the same thing to God.

If you are charitable to a man or love him, you are doing so to God. Therefore do not waste time gazing at the sky in the vain hope of seeing Jesus the Christ come back. Because, after all you are all gods; why you are God in the plurality is that you are the minor Gods. Each man is a small God. He is just like mother goat who gives birth to young ones. Are the young ones not still goats? It is just like a person who marries a wife, and she later delivers a bouncing baby; will you then say that because the new born baby is a child, he is not a human being? That is the fundamental situation that is comparable to the supreme God and the little Gods. That is why you are asked to "love one another even as I have loved you." And He goes on to say "I was hungry, and you gave me food, I was naked, and you gave me clothes, I was in the hospital, and you paid me a visit. I was in the prison yard and you came to console and comfort me." And you will ask, "Master, when were you hungry, and I gave you food to eat, naked and I clothed you and visited you in the hospital or prison custody?" And He will answer and say, "once you did this to any of your brethren, you were doing it for me."

THOUGH MORTAL, YE ARE STILL GODS

What is man, my dear brethren, tell me what man is? I am challenging the whole world to tell me what a man is if he is any other being than God. What is it that a man is not capable of doing? Our Lord Jesus Christ has said that a son cannot do anything except that which His Father has asked Him to do. God had authorised man to rule over all other creations including fishes in water, birds of the air, animals in the bush, the moon, sun, star, fire trees, and everything. Man has been given the mandate to oversee everything; he rules and lords it over them all. Man ate of the fruits of the tree of the middle of the Garden and became as wise as God. When God saw that man has become as wise as Himself, He ordered that he should be driven out of the garden of Eden so that he should not further worsen the situation by eating the tree of eternal life. Had man eaten this fruit of eternal life, man would have been immortal. But because he was driven out man remains mortal.

That is why Psalm 82:6-7 says, "But ye shall however die like a man or fall as the princes." Therefore if you die today that does not diminish the fact that you are mini-God. The erroneous concept held by a number of

people should be disregarded. (And this gospel message should be delivered to the Father to-day by all means). It is idle to keep on insisting that man cannot be God. What of the portions of the Holy Bible, we are treating now, Had you forgotten about it? Therefore it is true that man is God, and whoever contests this truth will see the fire of Gods wrath burning on his head.

GOD IS IN HIS ELEMENT WHEN HE TAKES HUMAN FORM

It is then senseless to say that God should not come physically to dwell with man on earth. It is self defeating to hold unto this misleading idea that God cannot be in the form of man. You keep on bothering yourselves about all these elementary and childish ideas concerning God. That is why dear brethren it is clearly stated in the Holy Bible that whoever does not love, is in darkness. And if you do not love your fellow man, how can you love God whom you cannot physically see. It is high time that you stopped that foolishness I wonder how to make you accept without all doubt that man is God. The only thing that can perturb man is the shame and disgrace that man has all the time been subjected to, once he is of God. Yes it is man's fear and inability to bear such hardship and humiliation. Yet man is a mini-God in reality, and so the image of the living God. So always bear this in mind that whatever you do to man you are doing to God.

CHIPS OF A BLOCK OF GOLD ARE GOLD

Brethren, that is why the Father has given the teachings on equality to support the fact that any evil done to another person is done to God and yourself. We are all the children of God. For example if you cut off small portions from gold and use in making bangles, ear-rings, or finger rings, gold will still remain gold, no matter into what shape it has been committed. So are you chips of God. Therefore whatever good thing you do, you are doing it for God, and also to yourself. Meanwhile, when you know the truth, the truth shall set you free. As soon as you came to the realization that man is God, you will no longer commit any evil against any person. You will no longer do any vicious act against any man, nor will you any longer kill or plan any evil against your fellow man. It will eventually become a matter of course that you stay in love with your fellow man.

Meanwhile, if you visit a strange place which is fully electricified, with good roads and other modern infrastructures, but there is no single individual, what will you do there? If you dream and you happen to see a strange city which is without people, what will you tell people when you wake from sleep? But on the other hand, you see a man in your dream with long beards, seated in a kingly throne, with all his paraphernalia, and he tells you that he is God, when you wake up the following morning, you will tell

people that you have seen God. I do not mean to manipulate you, henceforth, if any person says that he is not God, you should tell him "man you do not know thyself". That is why I do not hate, or cheat you nor am I being cunning to you. I love and so extend my expression of love to all of you because I know that you are part and parcel of God Almighty.

BUT THERE IS ONE ALMIGHTY GOD OUR FATHER

As it is recorded in Mathew 23:7-10, Our Lord Jesus the Christ has said that you shall call no man Rabbi, for one is your master, even Jesus the Christ and all of you are brethren. You should call no man father upon the earth, for one is your Father which is in heaven, neither call you any person master or teacher for only one is your master and teacher even Jesus the Christ.

We have only one Almighty Father and one Almighty Lord and King who owns the universe and us. We cannot exist alone. We are just like the branches of the tree. Does it mean that if a person has one thousand the children are no longer his own because they are too many? Or will you say that we are also not the children of the founder of this earth because his children are rather too numerous? Therefore that kind of foolish reasoning should stop forthwith. This gospel shall be written and published for distribution to the entire world. You should also help in giving out copies to people who dare to contend with you on the fact of man being God in reality. Those who refuse to believe are unfortunate. The word of God cannot come out for nothing. Its intent and purpose must always be fulfilled. If you are not God, what are you? Where do you come from? Gold could be used to manufacture any jewelry, gold-ring, gold ear-rings, necklaces and bangles. Turn gold into anything, gold will still be gold. So God remains God even though we call the out come by the word man. Let our 1st lesson be read, as I do not want to belabour you.

1st Lesson: John 10:34

"Jesus answered them, "Is not written in your law, I said, ye are gods?"

You claim that you believe in the words of the Holy Bible, why do you not believe that man is God? I believe very firmly that whenever you hate a man, you automatically hate God. When you see a man, you are seeing God. Man is the temple and the house of God. Man is the farm or the vine yard of God. If there is something that can make you to come to the realization of yourself, it should be this unique gospel given to you. To-day, therefore, whatever good you do to a man, you are doing it for God.

THE EVIL YOU DO TO OTHERS BEFALLS YOU

When you come to this recondite wisdom, you will not hate, backbite, cause division, fight, cheat or fornicate. Our Lord Jesus the Christ used this precious blood to atone for our numerous sins and to unite us together. Those who have come to this consciousness cannot create a situation where by they to built tin gods to Lord it over others.

There is nothing very effective or meaningful which an individual can do of his own. We should not allow the blood of Our Lord Jesus Christ to be in vain, which blood He has shed to unite humanity together. The only unifying force which can withstand the test of time is love. Adam's knowledge stopped where God stopped teaching him. If he had come to the wisdom you have today that God is dwelling in man, he would not have done what he did. You are witnesses to the fact that when a child is born, you have to train the child as he grows up to be a useful individual. His knowledge grows up to where the training stops. If man had realized himself he would not steal, take drugs, neither kill, fornicate or hate his fellow man. But the wisdom eluded him because he does not know himself and does not have enduring patience.

WE ARE GODS WHEN WE ATTAIN PURITY:

The ten commandments were brought by Moses for the guidance of man. One of them says that "you should have no other God besides me." The sum total of it all is that you should purify yourself. Then all the vices, such as fornication, backbiting, murder, shall be refrained from, and it is in this state of absolute purity we can realize ourselves as Gods. God and the Spirit of God in us bears witness with our spirit that we are God and children of the living God. The emphasis is laid on "the spirit in us". If you say you are not God what are you? The Lord God wants all things to be under the supreme Lord and King. We have spirits in us which witness with another that we are God's children. The Father is the one who owns everything and us, and Jesus Christ is the Lord of Lords, and the King of Kings

WHEN YOU FEED THE HUNGRY, AND GIVE AIDS TO THE POOR YOU ARE DOING IT FOR GOD:

Brethren, I do not say things with a purpose of tricking you. When did God stay hungry, or when was He thirsty and so on? So when God "when I was hungry", it means "when, man was hungry." Therefore what ever you do unto man, you are doing it to God. And in doing good you are directly glorifying God. The so-called wisdom of man, has been exposed as zero because if he had so much wisdom he could have known that when you

people that you have seen God. I do not mean to manipulate you, henceforth, if any person says that he is not God, you should tell him "man you do not know thyself". Therefore whatever you do unto man, you are doing it to God. And in doing good you are directly glorifying God. The so-called wisdom of man, has been exposed as zero because if he had so much wisdom he could have known that when you

help another man, you are helping yourself and God also. After all, an does not even know number of the strands of the hairs which are in his head. It is only God alone who can accord any person the ability to do anything. Although man is God, yet he is not the Father or the Lord and King. It will be recalled that the interpreter - Brother Essien wrote a book of which the Chief physiologist in the University became very critical. Although he agreed with what Dr. Essien the interpreter wrote on the concept of vegetarianism was true, and that the eating of fish and meat should be stopped, but he said this was a secret to be hidden away from the general public in the interest of profession. He failed to realize the health hazard and the over-all interest of the masses who have in one way or the other met their death because of professional self-interest.

I am happy whenever there is the Elder's Week, the Father uses it to reveal much recondite wisdom of God. For instance you may call upon God to come and help you; and eventually a man comes to render you some help. And you call upon a man to come and help you, but God comes to your aid. You can see that even in a small child, there is that semblance of God in him. If you do something for your fellow man, you are in effect doing it for God.

This could be likened to a situation where people are playing in a pool of water and one of them continue to dive into and out of the water asking the rest to find him. As he continue to dive in and out of the water, he may finally disappear from their sight. The on-lookers may think that the swimmer is drowned inside the water, because they do not see him. But suddenly the man they supposed to have lost in the water emerge to the surprise of the on-lookers. He is the same person. Does this things not happen in this way. This reveals that God is with men, hiding, in their midst. But have you seen him? The same God lives in you. You are his vineyard, you are God's city, house; you are God's sheep; (and flock of sheep), you are man; you are spirit. Even as the Spirit has confessed that ye are gods do you believe this? You are not conscious of the God in you. So no man knows himself. Rights from the hair of your head down to the toes of your feet, no one knows anything about himself. And no man can do anything of himself except the ability to do so comes from the Father.

If the Father does not give you the ability you cannot know anything about God. I again referred to the case where the Father used this interpreter to publish a book sometime ago, on the medical aspects of vegetarianism. The book circulated around the medical college of the University. But Chief Physiology became infuriate with the contents of this book. He was annoyed not because the book contains untruth, but because his view was that, he should not have revealed this secret to the public, because that is only restricted to the medical profession, which is not exposed to students who take it

as a course in the medical school. The interpreter was almost expelled. But in the heart of the crisis, the Holy Father appeared on the television and preached a sermon on the concept of vegetarianism to the whole nation and the world. This sermon of the Father was universally accepted and this interpreter was freed.

At the end of it all, it became clear that what the Father used the interpreter to write was the truth with full backing of the Holy Spirit. And so this is what is happening today. If the Father does not give you ability to know that you are gods, you can never know, let alone accepting the fact that you are gods.

That is why when God passes through some one to help you, and some other tells you that it is God who renders the help to you, you doubt it. You will wonder how come it is God? But if man is not God, what then is man?

Think of a situation when you conceive a plan to deceive another person and immediately this your evil thoughts and plan interacts with the mind of that particular person. He would make plans to deceive you also. And eventually as you succeed in deceiving him, he also deceives you. Then when you return to your different homes each rejoices that he has deceived the other. Both of you are fools. This reveals that any evil plan that you conceive and eventually do to any person, you are thinking and doing same to yourself. That is why Jesus The Christ say any city divided against itself cannot stand and any kingdom divided against itself stands desolate and is bound to fall.

The main reason why Christ shed the blood was to unite all men together. And once the blood was shed this unity of all the children of God had been achieved. Every person has been united unto the Father. And there is only one Father, one Lord and one king. He is an indivisible whole. The entire earth is also put under the control of man, including the water, fishes, animals, birds, trees, the nocks and all other created things are subjected unto man to rule over. If all these things are subjected under your rulership why do you still say, that you are not God? If you are not God, what else are you. Blindness is a bad sickness and Jesus the Christ knew this quite well. That is why for merely saying that "I and the Father are one." He was killed

What if he had said openly that He was God, don't you think that the would have killed Him earlier? Because of man's blindness our Lord Jesus Christ implored us to love our enemies, pray for those who persecute, ridicule and say all manner of bad things against us the children of God so that we might resemble our heavenly Father, for He makes the sun to shine on the just and the unjust and sendeth rain to both good and bad people. We should be perfect as our Father is perfect. This confirms that we have on

and the same God. That we should love one another even as he had loved us. This clearly indicates that when you slap a man, you are directly slapping God; whenever you tell lies, to a man, you have told lies to God. If you had known this, you would not have carried out any evil plan against any man. For it said any kingdom divided against itself cannot stand.

MAN AND GOD; AS INSEPARABLE AS FLESH AND BLOOD

The cause of evil, hardships and untold sufferings, prevalent in the world is because every man plans against his fellow human beings. And because of this the Kingdoms of the world has fallen, never to rise again. No progress no prosperity, but adversity all round. You had known this, who would have killed his fellow human being knowing that the man is God? Who would have cheated his fellow man or count sin against any person? You would not have done that, if you had this recondite wisdom that anything you do unto man, you are doing same directly unto God.

You can see that God even in the sands of the soil, in the water, among the trees in the animals, man and all creation. That is why if you look at a man, you should be afraid to talk to him. You should dread him, because of the God in him. If you are afraid of doing evil to mere man, so much more if it be to God himself.

You can recall vividly the story of Shylock and Anthonio in Shakespear's Merchant of Vernice. It was an agreement between Shylock and Anthonio that if Anthonio would not repay the death he owed Shylock, within the given period, Shylock would accept no other compensation whatsoever, but a pound of flesh from nearest Anthonio's heart. As the case proceed, the wife of Anthonio used the technicality of the law profession and accepted the evidence of the case, that Anthonio must pay for his debts. Sylock was given the knife to cut out the pound of flesh from nearest Anthonio's heart, but provided that no drop of blood should be lost in the process. How can this be? It was impossible for Shylock to cut the pound of flesh from Anthonio's chest without any blood dropping. And so Shylock gave up his claim As flesh can t be without blood so also you cannot separate God from man. That is why Christ said let the wheats and the tares grow together untill the harvest, when the wheat is gathered into the barn and the tares set on fire. But now you have resisted the will of God in that you have up-rooted the weeds

This goes at length to reveal that there is no way you can hate man without hating God, no way you can kill man without killing God, no way you can tell lies to a man, without telling same lies to God. Whatsoever you do unto a man whether in thought and indeed you do same unto God. This

is why Jesus the Christ said let the wheats and the tares together grow until harvest, but today you don't allow the will of God to take place.

You argue, mentators, debators and Thomases. Listen to the second lesson.

SECOND LESSON JOHN 8:16

"The spirit itself beareth witness, with our spirit that we are children of God."

Have you heard that? You are all small gods, you are not the Father you are not the Lord, and you are not the King. For the Gospel itself bears witness with our spirit that we are gods. Do not be deceive by the phraseology. The expression that ye are children of God means that ye are the smaller gods. But if you are not God who then is man? Tell me. You can now see the cause of the down fall of the entire habitants of the world because no one person knows himself.

It is said "man know thyself". If you know that you are God, would you have done anything ungodly? You would not have told lies; would you have committed fornication and adultery? You would not have stolen or murdered, you would not have consented to the worship of trees, stones, snakes and other aspects of idolatry, you would not have committed any ungodly act.

Remember when our Lord Jesus Christ healed a person on a Sabbath, the Pharisees accused him of disrespecting the Holy Sabbath through that healing act performed on the Sabbath. But he told them my Father worketh, hitherto I work. That a son can not do anything unless that which he sees his Father doing. That is why He said "I am the way, the truth and the life, that no man come unto the Father but by me. I am the vine and my Father is the vine dresser". So we are the branches. As long as the branches cannot produce any fruits independently of the tree, so we cannot do any good thing unless we are part of the Father.

The problem with the world is that, we do not know ourselves; We do not know ourselves to be any gods. And because we do not know ourselves as gods we do not also know that our Lord Jesus Christ is the Lord and Saviour. And by not knowing that Christ is the Lord and Saviour, we have strayed like sheep without a shepherd.

The word of God has made it clear to us that we are the temple of the most High. It is the Spirit of God which dwells in us. The Holy Spirit indwelling us is responsible for all these good works we do. He takes us to

many places to perform various wonderful works. We should never feel that these works are done by ourselves. These works are performed by the Holy spirit. We are just his tools and witnesses to these wonderful works done by the Holy Spirit.

That is why when you are directed by the Spirit to reveal to a person that she is a witch, she will wonder how you come to know that she is a witch. She would say that you must be a witch also to be able to know her as a witch. When God speaks the words which pass through your mouth to other people such spoken words often come to fulfilment. The people will become afraid of you, and would ask you to go away with your witchery. This is so because the words you have spoken have become manifest. The God in you has been using you to reveal and say things to the people and, your words always come true. All this point out so the fact that you are gods. But with all these signs, do you ever know, let alone accept the fact that you are gods?

The expression "The Father" connotes the supreme being. Out of Him all the creation take their existence. The expression 'Lord and King' connotes our Lord Jesus Christ, who had been appointed to oversee all the creation of God. Now if five people are chosen and sent on a trip, it is customary to appoint one of them as the leader or head of the group. But the fact that he is elected as the head of that group does not make him in any way different from the other members of the group. He is still a man. There has always been a head of any group. The other members of the group are not different, in any way, from the leader of the group. The group, or the body remains one, leader plus followers together.

That explains why our Lord Jesus Christ told his disciples; "for I have not yet ascended to my Father, your Father; my God and your God, therefore touch me not". And He said, "If you know what this means you would rejoice indeed because I tell you, I go to my Father who is greater than myself". What does that greatness mean? That indicates the bigger Father (God). So the almighty God has SWALLOWED up all other gods. But the fact that we (the smaller gods) have been swallowed up by the Almighty God does not in any way deprive us from being Gods. We still maintain our position as mini-gods.

I want this gospel to be delivered on me today. All those who are involved in the successful production of the gospel, the blessing due to them can better be imagined than described. Now the scales have fallen off your eyes and the wax removed from your ears and your stone-heart made soft and soft and you have realized that all the bullying of people, boxing one another, dehumanising people and all other atrocities committed against man are against God. It has become clear to you that anything whatsoever you do to

any man you do directly to God. Even right here in our midst there are some people who have perceived some evil thoughts against other people, that today I will finish it with that my neighbour or with that my child, but since you have exposed to this recondite wisdom of the truth, all those negative thought in you have been discarded. You would henceforth think well of them all.

Right now, we are the sons of the most high. However we have only one Almighty God, one Lord and one king, this is what has left people wondering why the one and only God should be present in you, in me, and in every other person. This only shows that they are not convinced on the omnipresence attribute of God. The truth is that we have one God Almighty and we are the mini-gods. Thus, oneness of God with all his creations is inevitable. With him there is no division, no class-distinction your position and status in life cannot alter the oneness whether you are a child, or adult, a male or female, whether you are poor or you are rich. It has nothing to do with this concept of oneness and equality.

We are all small gods, sons of the most high God. This one and only God is the one present in us all. There is only one God and one Son of God, but when you add together all these smaller gods, these constitute Jehovah God and His Christ; which is just one God.

The Father, Son and the Holy Spirit are but one God. The Father is not different from the son, the son is not different from the Father. They created all things and thereafter appointed the son to rule over all the creation. The Father and the son are one indivisible entity.

It is said that half education is dangerous. The ignorance of the fact that man is God has led many people into empty boasting that they belong to the mermaid family and are satan themselves. What is the tree that you worship what is the water, stones, animals and other creatures that you are given to worshipping? Are all these things not created by God and subjected under man to rule? Who is the man? Man is a god. There is only one God who is present in each and every creation of God. But after God had completed of all His creation, He breathed his own spirit into man, this is what makes man greater than every other creation of God. For as man has been raised up all other creatures of God have been subjected under the superintendency of man. As soon as you believe in this gospel, you have got your salvation and I believe that this gospel has saved the world. And whatsoever remains for the salvation of man, this gospel has already completed.

MINI-GODS MUST RESEMBLE GOD

All the teaching that you receive here in Brotherhood of the Cross and Star confirm this fact. God can never tell a lie. We are gods and therefore it becomes inevitable for you to be revealed as the gods, that you are. And

therefore it became clear that you should no longer wage war against any person, you do not need to steal or fight and quarrel. You should no longer involve in telling lies or commit murder and other atrocities. For if you fight, whom are you fighting against? if you steal whom do you steal from? The fact is that we are just one indivisible entity with the one and only Father. It is also said in Romans 8:19 that the whole world is anxiously expecting the revelation of the children of God.

And so now you have all been revealed as the children of God. It has also been said (in 1 John 3:2) that we are the sons of God, "it is not yet revealed, we shall see Him and we shall be like Him". Is it a simple thing for anyone to tell a man not to eat fish and meat? Is it a small thing for a man to stand before the congregation and tell them not to drink? Is it a simple thing for a man to stand at the altar and declare that man should not fornicate? Any person who dares to so forbid his congregation gets into trouble even before he ends his sermon. His corpse would not be found, soon after he quits speaking I ask you. Is it so simple a thing for anyone to stand and declare that man is God? Just try it and see the consequence. Even you have heard a testimony that right up there in the north, one person just stood up to say something of the like, people surrounded him and called police for him. Even the government of the day would not take it kindly with anyone who would call himself God. In Bendel State some body proclaimed that he is god and the government of Bendel State got him locked up for three months. They told him to stay therein the cell and tell people how he ever become God. But this one has declared and proclaimed from the highest heaven that man is God, all men are sons of God and man is mini-god of the most High God.

Right now every person has come to the understanding of the truth that man is mini-god. Not the Almighty God, but little gods. *Therefore as gods even though small, you have to resemble your Father the Almighty God. You have to resemble your Father in love, in truth, in patience, in humility, meakness and lowliness of the mind and in every other virtue.* In this way you the small god and your Father, the Almighty God would be one.

That is why when the disciplines of John the Baptist saw our Lord Jesus Christ and his disciples baptising, they told John "look the person you baptised, is now baptised other people over the Jordan", that John should give them the authority to go and stop him (Christ and his disciples) from baptising people. But John the Baptist told them, "no one can receive anything except that is given him from heaven.

~~It is not that Jesus the Christ did not know all these, but it was not given Him to have expounded or expatiated on the divine teachings. For it is~~

written about him that he should speak in parables and preserve the profound wisdom until the comforter, the Holy Spirit comes and unfold the teaching and leading every man to the accurate knowledge of the truth. Therefore Jesus the Christ had to confirm with the prophesy by speaking in parables. But right now the Holy Spirit has come indeed to reveal the profound wisdom in his full. Right now the scales have fallen off your eyes. You are very much aware that any person who ever stands up to say that He is God, you see that people will not allow him to ever go scotfree. But now I stand in the highest heaven to declare that you are gods, sons of the most high. And you also testify that you have seen God face to face yet nobody lays hands on us. Let our golden text be read to confirm that all the words of God will not pass away unfulfilled.

Golden Text: John 10:35 - 36

"If he called them gods, unto whom the word of God come, and the scripture cannot be broken; say ye of him, whom the Father sanctified, and sent into the world, thou blasphemest: because I said, I am the son of God?"

YOUR CLAIM TO BE MINI-GODS IS NO BLASPHEMY

Have you not seen how the truth has been proved? Can any one challenge this? none, for, God Himself has said in the Bible that ye are gods. What sin has a person committed if he says he is god, and that you are gods? If you believe that you are god and every one believes that he is god, there is that tendency to avoid hatred, killing, division, envy, etc. Rather we shall regard ourselves as one flock under one shepherd. When you say that you are gods, you have not blasphemed at all, because it had already been written that you are gods.

When you say you are gods, you do not err. It is however blasphemous to say, you are the Father, Lord and King. You are not the Father, the Lord, the King. No! you are not.

MAN IS THE GOD OF THE EARTH:

When you hear of the God of the heaven and the God of the earth, you are the Gods of the earth. You are equally the salt of the earth, and as the salt of the earth, you have to sweeten things for all persons. When you hear a person exclaiming, "God, come and help me." It is man who is used to give help to that needy man. The Father is the one who owns everything, while our Lord Jesus the Christ is the one who Lords over everything. Still we are all Gods. None of us can do anything by himself unless the ability is given to such person by the Father. And so we do everything in accordance to His injunction. For it was written thus: "For this is the covenant I will make

with the house of Israel after those days, saith the Lord, I will put my laws into their minds, and write them in their hearts, and I will be to them a God, and they shall be to me a people. And they shall not teach every man his brother saying, know the Lord, for all shall know Me, from the least to the greatest. For I will be merciful to their unrighteousness, and their sins and their iniquities will I remember no more." Have these words not come to full manifestation today?

AS GODS BE THEREFORE AS VIRTUOUS AS GOD

It is evident that we are the different parts of God, but we are constituted into one that is why it is said that as soon as you come to this realization, or recognize the fact that you are Gods, it will then be incumbent on us to do everything to resemblance of God. That means that you should be humble, meek, patient, merciful, truthful, loving and so on. In all aspect of your life, you have to show that you have the virtues of God in you. If you were not Gods, why should He give the power to rule over Fishes in water, birds of the air, animals in the bush, all creeping things and all His creation. And above all, why did He creat you in His image?

No far reaching changes will take place in us except we follow His pattern of life as God, and regard ourselves as gods. As soon as we regard ourselves as gods, we would be duty bound to resemble Him. We will not need any other teachings about Him except the practical aspect of His life. What is the image and the likeness of God in us? They are love, joy, peace, mercy, patience, humility, meekness, truth, good, temperance and the rest of the heavenly virtues. Right now we should be identified by these virtues in words and practice. You are the salt of the earth and wherever you find people with insoluble problems such people are advised to go to Brotherhood for solution. You are all witnesses to this truth that wherever you go you are being identified and approached as the children of God. And whenever you offer them prayers and the word of God they have peace, joy and happiness. I would further prove Biblically to you that you are gods. Hebrew 2:8 confirms this claim as the self evident truth. It is said that blindness is a bad thing, all powers are in you, but you do not come to this realization.

Hebrew 2:8 refers:- "Thou has put all things in subjection under his feet. For in that he put all in subjection under him, he left nothing that is not put under him. But now we see not yet all things put under him." It is unfortunate that you have not realized that you are the power house of God. All the powers have been given to you but you are yet to realize or utilize the power.

JEHOVAH GOD AND HIS CHRIST ARE IN FIRM CONTROL OVER ALL THINGS

It is a fact that Jehovah God and His Christ are in control over all situations in all the plans of manifest. They have to rule and reign over everything in the divine way. We should therefore not claim superiority over any person. We should stay peacefully with one another showing absolute expression of love to one another. That is this kingdom admits of, no fighting and quarrelling. There is no man or woman, no young or old man, no black, white or coloured people. This Kingdom is a model of stability, joy, peace and happiness. There is no lighting of candles here, there is no beating of drums, and we don't use incenses and perfumes. We are to pool all our resources together for the common good of all the brethren. And at the end of it all there would be joy and stability for the Father and his children. It is the responsibility of a father to take care and to protect all his children all over the world. The child would always take care of his father where he is thankful to the father for good done to him. And since it is the Holy Father who takes care of all His children we therefore have to be grateful to the Holy Father.

THIS SERMONS BLESSINGS ARE UNIQUE

I give thanks to the Father having released this unique gospel message to the entire world. The Father has blessed those who write this gospel the interpreter those who are to listen to this gospel are immensely blessed. Those who shall be associated in one way or the other in the production of this gospel for dissemination and those who shall read and put same into practical application are greatly blessed. Those who believe in this gospel the Father has blessed them. and this gospel message above all, has brought salvation into the entire universe. We have to resemble our Father, because usually a good child resembles his father, we have to listen to Him. We must love Him and have faith and belief in Him. We have to put all our hope on Him. We do not have to be disorderly any longer. We should not constitute ourselves into busy-bodies to hinder the progress of others using the spirit of daily to foster the work of the Father in the vine yard. Let us leave all judgment and vengeance in the just and powerful hands of the Father. A child does not speak in parables.

When a child kills an animal in the bush, he is the owner of the animal while in the bush, but when the animal is taken home it belongs to his father. When the Holy Spirit did not come, we had been disorderly and unholy in our lives; but now that the Holy Spirit has come, you have to put on godliness. You are very aware of the Spiritual song we used to sing: "Spirit of the Lord come and lead us. It has been written that you

will lead us.” Henceforth we should allow the Holy Spirit to be leading us in all aspects of our lives. If the spirit directs us in all our affairs we shall have no problems. This is just the summary of what has been done during the week set aside by the Father through the Elders’ Week. The week has been a unique one in which the recondite wisdom of God has been expatiated unto His children. Brethren, I do not want to take you further, it is said that a stroke of the cane is enough for the wise let those who have ears to hear, let them hear, may God bless His Words - Amen
