

# **WE ARE SAVED BY THE RIGHTEOUSNESS OF THE LORD JESUS CHRIST**

**1st Lesson : I Peter 3:12**

**2nd Lesson: Romans 5:19**

**Golden Text : Matthew 24:22**

This is a very significant and consoling message for all the inhabitants of the world. This Gospel will also indicate to you that God does not forget His people. It will also show to you that God is merciful unto mankind. It is because of only one person that all the inhabitants of the whole world are saved. Who is this person? He is Our Lord the Christ. That is why He says as many as receive him to them gave he power to become the children of God.

That is why a spiritual chorus asks whose work you are doing no matter how you toil, if you do not believe in the Lord, you will not see that beautiful and glorious city. Why I am telling you that this Gospel is an important message of joy is that a lot of people are complaining that they are lost. Today's message will go into the annals of history. It is also the gospel that gives us life, it gives us hope and full faith. It also gives us salvation.

## **Only God Cares For You**

You do not know that the Father is thinking about us and does not desire that we should perish. The Gospel of today will be written and circulated throughout the entire world concerning the love of God with mankind.

Remember the statement made by Our Lord Jesus Christ that it is finished, but many of you continue to ask why sufferings are still rife in the world. It is today that I want to reveal to you why you continue to suffer. You will also realise why the various dates which church groups and individuals prophesied as the end of the world did not come to manifest. Others look at their failure and refer to them as false prophets. They are no false prophets.

You remember that the Jehovah Witnesses fixed the end of the world at a certain date. That year passed and nothing happened and also people said that they are false prophets. I am telling you that they are not false prophets. Other groups and individuals also made their own predictions which did not come to pass. And so people argue that they should be left alone because they are all false prophets. They are no false prophets. It is because of that statement which God made that he will save the entire world through the righteousness of one man. It is

because of that one man that the whole world were spared on those dates.

### **God Always Disguises Himself each Time He comes to the Earth**

Many wicked persons and sinners ask why God continues to preserve their lives inspite of their evil tendencies. They fail to understand that it is because of that one man that God has spared them. He knows the reality and weakness of man and that is why He uses one righteous man to save the entire world. As many as accept that righteous man the Lord Jesus Christ, they are changed and saved. There is no righteousness of yours that can save you except you believe in Him.

Our Lord Jesus Christ said: "For their sakes I sanctify myself, that they also might be sanctified through the truth". That is why I tell you that it was God Himself who came in the person of the Lord Jesus Christ. Since God does not make a noise, He did not come according to the expectations of man. He does His things His own way and that is why He is a mysterious God. He knew what man is. If He had come and said that He was God, no person would believe Him; that is why He always disguises Himself whenever He comes to dwell with men.

### **Only Person is Lost except a Child of Perdition**

It is said that when in Rome you should behave like the Romans. In His love and mercy for mankind, He came down from heaven in the likeness of man, as the Son of a carpenter. That was why after accomplishing His Work, He made the pronouncement that "It Is Finished". If there has been any person among you who counted Himself lost, you are not lost; because of Our Lord Jesus Christ, all of us are saved.

Put on the gospel of today at all times. I have seen that many souls are desperate. Many have given up hope. Many have lost their faith. Today's Gospel is an armour for all the children of God. God does not save the world through two persons. He uses one righteous man alone. You are witnesses that it was one Man alone who was hanged on the tree. His death has saved all of us. It was not two, three, five, twenty or a million persons; but it is single righteous man who was used in saving the whole world. For the sake of this one person as many as believe in Him shall not taste of death.

### **In All Things, Give Thanks to God**

With all the tribulations and persecutions in the world, apart from Him there will not be one soul remaining in the world. You are

witnesses to the happenings around you in the world. So many people have lost hope. They are convinced that nothing can save them from the present circumstances in the world. But the Gospel of today is delivered to make you understand that for the sake of the elects the number of days will be shortened.

That is the reason why I tell you that there is neither satan nor man, but He alone exists. Everything belongs to Him and they remain as He has kept them. We are to thank and praise Him in everything. In all things we should rejoice with Him.

Who can, by one person, justify all sinners? If you have three sons and one of them is good, you will receive him and send the other two away. If you have a good wife whose children turn out to be truants. You will not accept them for the sake of their mother. You will still send them away. In the town that you come from if there is only one righteous person, him alone will you know. You will condemn the rest and would have nothing to do with them. God is the only one who uses one person to save little but godliness is profitable unto all things having promise of the life that now is and of that which is come.

### **Only the Lord Jesus can Save**

If you are a retired civil servant you continue to enjoy your pension as long as you live. They will not remember your children. But it is different with God. The pension you receive from God is for eternity. For the sake of one righteous person the Lord does not impute sin unto the inhabitants of the whole world. The Reverend gentlemen, whether a Bishop or the pastor will come to you saying that he wants to save your soul. Who is he that can save your soul? It is for the sake of that one righteous person that all of us are saved. It is for His sake that we have the right of gathering here today.

### **An Offence Against One Law offend all the Laws**

We have only one righteous person throughout the whole world. He is Our Lord Jesus Christ. We have only one Mediator He is the Mediator of the New Covenant; there is no other. Whenever I commit sin and whenever any person commits sin, He solicits for us. There is no other person throughout the world who can solicit for you. When you pray and fast that God should save you, are you that righteous One?

Tell the whole world that whatever we are today is not of our making nor of any other person's. We are what we are for the sake of Our Lord Jesus Christ who is the only righteous Person. Through Him, salvation and redemption are being brought to man. The law says that you should not steal. It also forbids adultery. If you do not steal but you

**commit adultery, you are a transgressor. The law which states that you should not kill also states that you should honour your Father and your mother. If you do not kill but fail to honour your father and your mother, you have transgressed all.**

**The question which we all have to answer is those who kill and do not honour their father and mother continue to live. It is because of the intercession of Our Lord Jesus Christ. It is because of what happens in the world that people argue that God is no more in existence. The reason is that, they are all spared for the sake of Our Lord Jesus Christ. That is why Our Lord Jesus Christ says, "I have yet many things to say unto you, but ye cannot bear them now. Howbeit when he, the Spirit of Truth, is come, He will guide you unto all truth: for He shall not speak of Himself: but whatsoever he shall hear, that shall he speak: and he shall shew you things to come. He shall glorify me: for he shall receive of mine, and shall shew it unto you. All things that the Father hath are mine."**

**Why we are living today, and why we see all that we see today, is attributed to the intervention of Our Lord Jesus Christ. Apart from Him, by now the world would have ceased to exist. This New Covenant stands forever. It is meet that we rejoice and sing His praises everyday. What else can we do to commensurate His act of mercy and the salvation He has extended unto us? We are set free not because of works nor because we know Him. It is not for any other reason that we are saved. It is for the sake of the one righteous man.**

### **Of the 600,000 who left only Two Entered Canaan**

**You remember how Noah preached for 120 years but no person repented of his sins. Then the flood came and only Noah, his wife, his three sons and their wives—eight souls alone were saved. The flood destroyed the whole world. You will also remember that in the city of Sodom and Gomorrah, upon all that Lot did to convert them, it was Lot alone and his two children who were saved. You will also remember that when the Israelites left the land of Egypt the population of the people—not including women and children who were under the age of twenty-one, was 600,000. And you know that in any census, the population of the women and children outnumber the rest. And so if you included these in the number, it would have been an uncountable host. Of all the number of them who left Egypt it was only two persons who entered the Promised Land. The rest perished in the Wilderness.**

### **God's New Covenant**

**That is why He says this is the New Covenant that I will enter into**

with the house of Israel after those days: Not according to the Covenant that I made with their fathers; because they continued not in my covenant, and I regarded them not, saith the Lord. For this is the New Covenant that I will make with the house of Israel after those days, I will put my laws into their minds, and write them in their hearts. And they shall not teach every man his neighbour, and every man his brother, saying, know the Lord: for all shall know me, from the least to the greatest. For I will be merciful to their unrighteousness, and their sins and their iniquities will I remember no more."

Why does he forgive the sins of the world and will not remember them again? It is for the sake of that one righteous Man Our Lord Jesus Christ. Many people pray to Him that He should not let His Blood pour in vain. God forbid. His Blood can never be set at nought. Till eternity, only His Blood can save the entire world.

### **Only Jesus Can Save**

We are saved by grace and not because of our works. We are not worthy of his grace. It is for His sake alone that the entire world is saved. There is therefore no point in lamenting and complaining that you are perished. You are not perished for as long as Our Lord Jesus Christ has shedded His precious Blood, you are all saved. Many of you wonder why God continues to shower His Blessings on you because you are not worthy. Do not be surprised any longer because it is for the sake of that one righteous person that God has saved all of us.

His law is that you believe in Him and love one another as He has instructed. If the entire world should love one another there would be no problems again in the world. The love of God is sufficient unto all. It covers man and beasts. And there is nothing that can take away this love. Whether you look for Him or not, He has seen you and He will change you. Whether you are a sinner or a righteous person, He will call you and save you in His Kingdom.

### **God Regrets Having Created Man**

Do you think that the life you are living now should be attributable to your father or to your good behaviour? It is only attributable to that one righteous Person—Our Lord Jesus Christ. You heard that God sent Enoch to inspect the works of the Sons of men in the world. When Enoch came and went with the report that man has completely derailed from the ways of God and that there was no righteous, or God-fearing person on earth. It was then that God regretted having created man. You and I are aware of the way and manner we deal with each other. Even within the same house, people betray and kill one another. They hate, they fight and do all sorts of evil things against one another.

Right now it is neither the animals nor the trees nor the fishes which are troubling us. But we ourselves constitutes the stumbling blocks against ourselves. The wife you take unto yourself is the one who seeks to kill you. Your own husband is the one who is against you. Your children are after your life. It is your neighbour, your landlord, your tenant who is after you. This will show to you that man has reduced himself to an object of ridicule.

All the weapons of war which you have manufactured are for the purpose of destroying the life of man. There is no person who thinks good of the other. If the wisdom of God did not surpass that of man in his decision that His Son should come down and shed His Blood for mankind and because of this sacrifice God has sworn that He would not destroy the world. But for this grace where would mankind have been today?

### **The Covenant of the Rainbow**

That is why Our Lord Jesus Christ says that no man knows the Son except the Father and no one knows the Father except the Son and to whom the Son will reveal Him. You see that because of the report that Enoch took back to God, that He came and destroyed the world of Noah and only saved Noah and his household. That you may comprehend the expanse of His love, after that incident, He established a token of the covenant with man that He will never again destroy the world with flood. What is that sign? It is the rainbow. Whenever the sins of the world are multiplied, God will place the rainbow on the sky and remember His Covenant.

God does not dishonour His Word. He does not dishonour Himself because He is the Word. Whenever the sins of the world are very glaring in the sight of God, He will re-establish the rainbow and remember His covenant. If 23,000 Israelites dies in one day because of fornication but for this one righteous man Our Lord Jesus Christ, what will be the position today? No person would have been spared. For tempting God, the Israelites were destroyed by the destroyer. But today all of you are tempting God. And yet for the sake of that one person, God does not destroy us. He forgives us. Because of murmuring against God, they were killed by serpents. Today we curse and again blaspheme God, and we argue that He does not even exist. And yet we continue to live healthy and fine. For what reason? It is for the sake of that one Person; because He has promised that He will use Him to save the whole world.

We are saved by grace. Whose grace? The Grace of Our Lord Jesus Christ He has promised to change us within a twinkling of the eyes of

with the house of Israel after those days: Not according to the Covenant that I made with their fathers; because they continued not in my covenant, and I regarded them not, saith the Lord. For this is the New Covenant that I will make with the house of Israel after those days, I will put my laws into their minds, and write them in their hearts. Jehovah are upon the righteous and His ears are open unto their cry. Who is that righteous person? It is Our Lord Jesus Christ. And the eyes of God are always on Him. What do you lose if you believe in His Name and love one another in order to have eternal life?

There is no other name through which you will be saved except Our Lord Jesus Christ. That is why it is written "those mine enemies who would not that I should rule over them bring them before me and slay them."

Go and spread this glad tidings to the entire world. Whether you are a member of a secret society, or a juju doctor, or a pastor, or a pagan know that it is through this one Man that you are saved. His promise does not change; it abides forever. Can you now realise that we do not lose in any way when we choose to serve God? Serving Him goes with a promise. If we serve Him, apart from ourselves, the whole of our family, village, town, country and even the entire world will be saved.

### **Israel was saved from Assyria because of David**

Remember when the king of Assyria sent a letter to king Hezekiah that he would wage war with Him and destroy the whole Israel. Why was it possible for the Israelites to be saved? Was it because of the righteousness of king Hezekiah or that of the Israelites? Or was it because of their strength? Was it because of the fervent prayers or their constant calling upon the Name of the Lord? Was it because of their righteousness? It was for the sake of only one person, David and for His own sake that the Lord defended the city, and promised that the king of Assyria would not set his foot in Israel. It is also against this background that the Bible asks, how great is the joy in heaven, for a single sinner who repents about wars and famine. From whence come wars and famine, when Our Lord Jesus Christ is in our midst? He is the Mediator of the New Covenant. For His sake, there is nothing that can rear its ugly head.

Brethren, if you read through Isaiah chapter 37 you will see what we are telling you. The good Lord did say "For I will defend this city to save it for mine own sake, and for my servant David's sake. For this reason God sent an angel to the Assyrian camp. The hundreds and thousands of Assyrian soldiers were smitten by the angel.

### **All are Saved by the Righteousness of the Lord Jesus Christ**

Whatever you witness shaking up the world at any time without involving you, do not bother yourself. It is not because of your righteousness but for the sake of Our Lord Jesus Christ. For His own sake, for the sake of the elects and for the sake of keeping to the words

or his promise that He will shorten these days for the sake of the elects. If you still persist in stealing, or fornication, or drinking, or in any other sin whatever, realize that for the sake of this one person, He will change you and make you whole. Brethren, when the spiritual chorus is rendered, that Jesus laid sure foundation and opened the gates of mercy, it is a chorus, we should accept with joy. Our Lord Jesus Christ has laid the foundation and has actually opened the gates of mercy. There is nothing that can flap its wings. Nothing can also cause us to perish. For his sake and for the sake of his elects all the inhabitants of the world are saved.

It is for this reason that we are instructed that whoever has any boast should boast in Our Lord Jesus Christ. Boast neither in yourself nor in the government nor in concoction. There is no other thing in existence you should boast of but boast in Our Lord Jesus Christ. Do not boast in your faith because you have none. Do not boast in your righteousness or might. If right now God changes you, it is for the sake of Our Lord Jesus Christ. If you are righteous today, it is because of Him. All the goods things bestowed to the world are because of this one righteous person.

### **No Man has any Boast**

It is very pathetic to find some people proclaiming that they do not recognize Our Lord Jesus Christ and also congregate to announce that they are capable of any righteous act. There is no other foundation apart from Him. There is no supporting foundation. He is the only one. He is the King of kings and the Lord of lords. We are saved because of Him. We are changed because of Him. He has done everything for us and has overcome temptation for the entire world. Lament no longer that you have no father or brother or sister. Do not lament about relation or money or child or husband or wife. Lament no more about Our Lord Jesus Christ. For His sake we are saved. For His sake they are saved. For His sake we have eternal life. But do not boast in yourself or in any other person but in Him alone.

Upon the attempts of many to refrain from sins, how many people were capable? How many now accept that they are unable to refrain from sins? Do you not notice that sins have departed from you? How come about that? It is because of this one person. It is bamboozling to people. When you attended other church denomination, did you refrain from sins? Did you even acknowledge your sins? When you were sacrificing to idols and engaging in various atrocities, you knew sins and sins knew you. What is the case today? Can you explain how sins have departed from you? Can you explain how you have abstained

from sins? It is because of this one person.

Mark down the revelation given by Apostle Eyibio because it is coming to manifestation. According to him, he had the revelation about three months ago. The Father has given the same revelation to all the inhabitants of the world. The blind, lame and murderers have this revelation. That explains why wherever people are, they are looking for Brotherhood. When you are called upon to them or put them in prayers, do you think they do it deceitfully. It is what they do. There is no other excepting the one person who is alive to all the world. Brethren, let our first lesson be read.

### **1st Lesson: I Peter 3:12**

**“For the eyes of the Lord are over the righteousness, and his ears are open unto their prayers: but the face of the Lord is against them that do evil”.**

Brethren, have you heard that? What do you lose if you refrain from telling lies? What do you lose if you refrain from fornication? What is your loss, if you love all? It is your complaint that when you do good, you are paid back with a bad coin and all the good things you do are losses. Who tells you that the good things you do are losses to you? Have you not heard that the eyes of the Lord are over the righteous and his ears are open unto their prayers? God does not use millionaires to save the world. He uses neither professors nor pillars of the world nor the prominent nor the highly esteemed figures in the society to save the world but He uses the righteous ones, those who reverence Him, to save all the world.

### **The Eyes of God are over the Righteous**

It surprises me when I hear many people here advise, “Go yet and keep the family in order, “Go and build a house for your father, Train your children until they complete their university. Because contemporary society places high premium on university education. Is university education more important than forsaking the world in order that your family may be saved? The question is. “What does it profit a man to gain the whole world and lose his soul in perdition?

Do you remember what the blind man said, whose sight Our Lord Jesus Christ restored? When the people heard that the miracle was wrought on a Sabbath day, they concluded that Our Lord Jesus Christ was a sinner and did not hallow the Sabbath. But the Spirit of the Lord

**was infused into the blind man who said that God has never hearkened to the prayers of any sinners but that as many as reverence God, them God hearkenes to their prayers.**

**Now that you go to set your house in order, or to keep your husband's house in order, or the house of your family in order, and in the process you steal, fornicate, prepare concoction, fight and tell lies, have you not heard that the eyes of Jehovah are over the righteous and His ears open to their prayers: but that He is against them who do evil? Have you not heard? You argue that you want children so that when you are no more you will be remembered. You want a house or many other things as memories. What will aid your remembrance? It is righteousness. Whoever does righteousness is the one who has made an evergreen mark on the sands of time. Anything short of this is a loss.**

### **Walk by the Promptings of the Holy Spirit**

**When Abraham travelled with Sarah his wife, to purchase corn in Egypt, the Holy Spirit revealed to him that he should tell any person who asked him whether Sarah was his wife that he should say Sarah was his sister. Abraham relayed it to Sarah that should anybody ask her, she should say that she was his sister and not his wife. That is why we are told to listen to the spirit that whoever walks according to the dictates of the spirit does not err. The Spirit is true. All His actions are true. He sees near and afar. When they arrived Egypt, messengers were sent to usher them to the Pharaoh. The Pharaoh asked them of their relationship and they maintained that they were not wife and husband but brother and sister. Immediately, Pharaoh negotiated to marry Sarah and paid the bride price to Abraham. Thereafter, the Pharaoh took in Sarah as wife and gave Abraham an apartment befitting an in-law.**

### **Be satisfied with your position**

**I am narrating this to you to enable you realise that neither wealth nor glory nor anything else apart from righteousness which can save. Abraham made no fuss but surrendered the wife unto him. But that same right God revealed Himself unto the Pharaoh asking why he took Abraham's wife unto himself. He was commanded to immediately return the wife or in the alternative face not only his own destruction but of his household and kingdom. The Pharaoh woke up with a start, shivering and quaking. He immediately sent for Abraham and asked why he told a lie to him and put him so great a trouble. In reply Abraham ask him if he had told him that Sarah was his wife, if he would not have killed him and also take the wife unto himself. In an attempt to please Abraham, the Pharaoh gave wealth, slaves, cows, parcels of land and**

many other things, pleading that Abraham should plead with his God not to carry out His threats against him.

See it to yourself! You seek for wealth and earthly glory instead of seeking for righteousness and following the footsteps of Our Lord Jesus Christ. Have you heard that you are saved by any carnal thing or by the righteousness of man. It is said that the reverence for God profits when one realizes that what he has is sufficient. Because we came with nothing and shall certainly go back with nothing. In so long as we have what to cover our nakedness, and what to eat, let us rest content. But those who want to become rich have left the path of life unto the path of iniquity.

### **God's attitude towards the rich**

Our Lord Jesus Christ said through the mouth of Paul, if my Gospel is hid, it is hid unto those who are perishing and them to whom the Lord of this earth had blinded. Have you not heard it said in the Epistle of James, "Go to now, ye rich men, weep and howl for the miseries that shall come upon you." Why do you seek for salvation where there is none? What the world despises is what God loves. Whoever has no money does not command the respect of the world. If you do not wear shoes, you are not regarded. If you do not build a house or graduate from the university, you are looked down upon. But I tell you to count on righteousness. It is through righteousness that He saves the sons of men. The same attitude is noticeable even in this Kingdom. When heavy donations are made, many people applaud. For this reason some people feel that they should rather look for money and make heavy donations so that they may be known. You are not known by displaying your wealth, no matter how ostentatious. Righteousness is the passport. The ears of the Lord are open to the prayers of the righteous. Salvation comes unto the world because of righteous persons not because of millionaires.

### **Only the Lamb of God takes away Sin**

What do you have that you did not receive? If you did receive, all that you have, why do you boast as if you did not receive them? Tell the rich that they should not hope on their riches which will disappoint them. They should hope on God who bestows on them abundantly. They should be kind and generous, and do good and ask for that which shall abide for ever. All things emanate from this one person. Riches, good health and peace emanate from Him. He alone takes away all the sins of the world.

The world claims that Brotherhood does not know Our Lord Jesus

Christ. If Brotherhood does not know Our Lord Jesus Christ, where is He? Is He not the one operating in Brotherhood? Is He not power? Is He not hope? Is He not the giver of bread? Is He not the one reforming us? Is the world of His not made manifest? He said for as by one man's obedience many were made sinners, so by the obedience of one shall many be made righteous. When you prepared charm and concoction were you reformed? When you practised the doctrines of the other church denominations and went to many other places in your vain hope, were you transformed? But now that you have applied the righteousness of Our Lord Jesus Christ, do you not notice the difference. How you gradually refrain from sins. The little vestiges of sins in you will gradually go. As the transformation goes on in you do you even know? Do you know how you refrain from stealing or falsehood.

Right now you have been made a pastor free of charge though you have three wives. You go about prostituting whereas you are a prophet or prophetess, or Deaconess. You are an Apostle or chorister yet you are committing all manners of sins. You are given these positions free of charge because of the one righteous person. The people of the world are angry that some of you are lawyers and are made pastors without going through any sort of theological training. In other places, if you act the Pastor without formal investiture you are either disfellowshipped, or refused communion or suspended. Here you are neither owed, nor punished nor suspended. But day after day you are changing from your evil deeds. Even when you beat up your children, in order to correct them, you cannot do anything to change. But here our watch word is peace and day after day, the Father is changing us.

This generation shall not pass away till everything written in the Book of God, shall be consummated. Listen to how the words are fulfilled as our second lesson will now be read to you

### **2nd Lesson: Romans 5:19**

“For as by one man's obedience many were made sinners, so by the obedience of one shall many be made righteous”.

Have you ever heard that a soldier is either a pastor or a Reverend? Have you ever heard of a Police officer being a pastor? Have you ever heard that millionaire is either a pastor or reverend of any church denomination? Have you ever heard of a stark illiterate who cannot even read an enlarged 'A' alphabet being ordained a pastor? Have you heard of a pauper who cannot afford a meal being ordained a pastor

anywhere? But that these words may be fulfilled, can you not witness these sets of persons made Pastors in our midst today?

### **He is our Lord Jesus Christ:**

For as by one man's disobedience many were made sinners, so by the obedience of one, many are made righteous. Are you not witnesses to this fact? Who is this one person? He is Our Lord Jesus Christ. The world refers to Him as 'Jesus', but here He is 'Our Lord Jesus Christ.' He is addressed with reverence. He is Our Lord, and that is what we know Him to be. He is the Lord of lords. The inhabitants of the world do not know Him as the one who reigns. They do not know Him as the one ruling over heaven and earth, neither do they acknowledge that salvation comes from Him. It is because of this awareness that we always prefix our prayers with 'In the Name of Our Lord Jesus Christ' we also end with the same note. We begin our testimonies with the same note and end in the same way. All our undertakings are done through that name, because this is His reign and this is his kingdom. This also explains why we preach about Him from January 1st to December 31st every year. For this reason too is our faith in his name. So are we expected to practise His teachings and love one another as He advises.

When you remember that you are saved by grace, afterwards you were not worthy, you were preparing charms and concoctions. But since you came into Brotherhood, you have raised the dead. You become emboldened. People express their surprise at your new way of life. They question how and when you became a Brotherhood member. You are no longer living your former life. Why is this possible? It is not because of your righteousness. It is rather because of Him in whose name we believe that we become the children of God. Such a radical change in you, surprises the people of the world. They wonder that they went about together with you preparing concoction, and initiating into secret societies but today you have become Brotherhood, praying for people and raising the dead and no longer a drunkard. For this reason, they conclude that there is something in Brotherhood.

### **The Mysterious Occurrences of Events**

Even some Brotherhood members, are of the same opinion that there is something in Brotherhood especially when you begin to take stock of your past and wonder how you of all people should pray for the sick and he is healed and how you have become a visioner and a dreamer. You become affrighted when you cannot comprehend the wherefore of things. This is the fulfilment of that promise; For as by one man's disobedience many were made sinners, so by one man, the Lord Jesus

**Christ, we have all become righteous.**

**You are told wonderful testimonies everyday; how somebody prays to the sick and he is healed. You have also heard, how an insane person was immersed into the water of baptism and he immediately gained his sanity.**

**When you are asked what is in Brotherhood, you reply that there is nothing. There is something after all. It is because of the one person, Our Lord Jesus Christ that many things have happened to us. Believe in His Name, and call upon the world to come and witness this great thing. Let us respect and honour Him. Let us love Him and abide by His commandments. All the inhabitants of the world bear eloquent testimony about this power. They bear witness to this power. They bear witness about your righteousness and your reformation. All these events are laid bare before them; though their problem is that they are still ignorant of the source of power happenings are brought about for the sake of the one righteous person, Our Lord Jesus Christ.**

### **God is Sufficient to All**

**Have you ever witnessed a millionaire sitting side by side and sharing the same plate of food with a pauper? Have you ever witnessed a professor or a learned man sitting side by side and eating from the same plate with an illiterate? It has never happened anywhere. And you cannot find it in any other place. But what obtains here? It is what we witness here everyday.**

**Have you ever seen a Royal Highness, a chief, a traditional ruler, a king sitting with little children and eating with them? Where else have you ever heard of such a case? Even mere shaking of hands, a Royal Highness will not agree to do so. Have you come across a leper, a person who suffers from tuberculosis or any other form of disease being embraced by a healthy person? Have you ever come across grown ups drinking with children from the same cup? They do not even think that the children will drop some saliva in water but they take up the cup and collect water to drink. And everybody roll on the floor and enjoy themselves. If you go round the entire world you will not observe such a thing. But for the sake of one man, we have made to see ourselves in such unpleasant situation.**

### **The God of Ability**

**Go to the world and tell somebody to refrain from drinkining and see if he will not slap you. Go to the world and tell somebody to put off her necklaces, trinkets, rings, and not to paint her nails, and blech her whether she will not spit on you and call you an abominable fellow. But**

what happens here? There are people here with ten boxes of raiments and several boxes of trinkets and other articles of adornments. But now they have no need of them. You can notice how the Father has changed all of you. This is because of that one person. The Father has changed unto Himself. Many people offer money to people in order to induce them to refrain from drinking. They engage in the preparation of concoction to cause them to forsake smoking, fornication and other evil acts but all to no avail. Thieves cannot refrain from stealing. They have spent money to the point of even weeping, but they are unable to forsake stealing. But here we are today. When once you are baptized into this Kingdom, for the sake of that one man, all such tendencies are taken away from you. And you begin to wonder whether you are really your very self. You are the very person. It is for the sake of that one person. You can observe how God has changed us unto Himself. Can you realise the fulfillment of that statement? For the sake of that one righteous man, you have been changed. It is neither for your own sake, nor for my sake, nor for the sake of any other person. But it is for the sake of one righteous person. For He had promised that "For as by one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous". You can realise that millions of persons are now made righteous.

### **Whosoever is led by the Spirit of God Surpasses others**

You have not attended any theological seminary before, but if you preach here, people will be impressed at your wit. You have not been to any school to study music, but if you sing here, it will be very melodious. You have not been to any university, but no bishop can rival you in preaching the Word of God. Wherever we go to, we are on top of the whole world. The white apparel we put on is superb, the steps of our movement are unrivalled, the love we express overwhelms the entire world. From where comes all these blessings? It is for the sake of that one man that He has done everything for us. And He has given us this Kingdom of God gratis.

The bishop abandons his position and comes here to prostrate on the ground. The Reverend abandons his status, withdraws from his church denomination, throws away all he has and kow-tows here. Everybody is caught up in the same situation. But people who had no positions of any importance in life, people who were not accorded any regard in life, have been wonderful persons known by all the inhabitants of the world. It is for the sake of that one man. For it is said that "For as by one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous." As many as believe in Him, He

**gives them the right to become the sons of God.**

**A person is a church founder. He has branches of the church everywhere, He ordains pastors, prophets in his church. But now he has disassociated himself from the church and has come down here. His family members have met, so also have his church members to persuade him that if it is because of money they are ready to give him the money. If it is because of houses they are prepared to construct a building for him. For they cannot see how he as a leader of a church going to remain under another leader of a church, that he should stand on his feet. But he will pack his belongings and come over to Brotherhood. Brethren, I do not wish to overload you. Let our golden text be read.**

### **Golden Text: Matthew 24:22**

*“And except those days should be shortened, there should no flesh be saved: but for the elect’s sake those days shall be shortened.”*

### **For your sake the days are shortened**

Have you heard that? If He has not shortened those days, no person would have been saved. For the elect’s sake, those days shall be shortened. Therefore, you have no difficulties again. Do not think about any happenings around you. For your own sake, those days shall be shortened and the world shall be saved. What do you lose in worshipping God, going on ministry, preaching the Word of God and by so doing your family is saved. And for your sake, the world is saved. The difficulties and problems of life which were besetting the inhabitants of the world are taken away for your sake. What do you lose by so doing?

You can then realise that it is a blessing to serve God, and to surrender yourself completely unto God. There is no regrets whatsoever and you stand to lose nothing. Rather, it works salvation to the entire world. Go on ministry work to the Camerouns, to America, to India, to Spain and to France. Go everywhere on ministry work, to Liberia and to every part of the world. You are free to go anywhere. For by so doing and for your sake, all the inhabitants of the world are saved.

For one of you to board the aeroplane, it shall have no crash. A great many of you have been testifying that the car you wanted to enter had an accident on the way. And that if you had boarded it, you would have been involved in the accident. If you had entered it, no disaster would have happened. You thank God for taking you out of a certain city before the outbreak of war in the community. Even if you were in that village for twenty years, no war would have broken out.

## **Salvation comes by one man**

Brethren, now the scales have fallen off the eyes of the inhabitants of the world, they have started to observe what I am telling you. You wonder that Brotherhood has reached America, and other parts of the world. But look at the situation of the world today. They are involved in one form of trouble or the other but the children of God are going about their normal businesses. For the sake of one person and for your sake the whole world has been saved. One of us here testified recently that she is the only person in her family and in his community who is a Brotherhood. I laughed at such a testimony. For your sake alone, the entire community is saved. A Russian sister has been baptised into Brotherhood and for her sake, all the Russians are saved. It is not for the sake of the government that God saves the world. Neither is it for the sake of the black man nor scientists nor millionaires nor the soldier. But it is for the sake of the elects of God that God has saved the world.

You remember that when God wanted to destroy the two cities of Sodom and Gomorrah, Abraham asked if a hundred righteous persons were found, whether the destruction would still be carried out. And it was said that the cities would not be destroyed. And he asked if eighty persons were found, God answered they will not be destroyed. He asked about sixty righteous persons? And He said that the cities would not be destroyed. And he continued till he asked if twenty righteous persons were found? And the Lord replied that if that number of person was found, the cities would not be destroyed. He did not go further to ask if one righteous person was found. There was no where to find twenty righteous persons and thus the cities were destroyed.

## **Now is Salvation wrought to the World by the Christ**

Under the new covenant, only one person can bring salvation unto all mankind. For His sake, wars and lack are taken away. Therefore, do not be disturbed in mind. Rather, hold tenaciously to your talent. Hold fast to your crown of life. For the sake of one man and because of you also, the whole world has been saved. Rumours have it that America has prepared their weapons of war but to no avail.

Russia has manufactured its weapons of war but to no avail, so also France, Italy and other world powers. What do they do with those weapons of war. For the sake of that one man, salvation has come unto mankind and there is no more war. You can then realise that to refrain from fornication, drinking, and other evil acts is no loss to you. But for the elect's sake, those days are shortened and salvation has come to the entire world. Yet a little while, those who were not regarded in the society will be approached by millionaires to stay with them, to offer

them shelter and to protect them. You will discover that the millionaires and other highly esteemed personalities in the society will be looking for you to hide under your cover. And their wealth will be handed over to you not long from now. It has almost happened

### **The Holy Spirit surfaced in 1918**

The day the scales will fall off the eyes of your government functionaries, they shall no longer order for weapons of war. Soldiers will not be in existence again because they serve no useful purpose. Weapons of war cannot serve any useful purpose. What save us are the elects of God. The elects of God alone bring salvation to the whole world. You had heard that the world was to be destroyed between 1916 and 1917. But in 1918, the Holy Spirit manifested in the world. You had heard that the second world war would have wiped off the entire world. But for the sake of the existence of the Holy Spirit in our midst, such an occurrence was taken away. You are aware that the last Civil War in Nigeria, would have resulted in a third world war, but because of the righteous person in our midst, Our Lord Jesus Christ, God took away such a thing. Do you know that every day people are hatching plans to destroy the world, they are engaging in many destructive ventures. But for the sake of Our Lord Jesus Christ, who reigns supreme, nothing disastrous happens and nothing can flap its wings.

### **A country without a Prophet Perishes**

At present, fear has been let loose upon the entire earth as to what will happen. There is nothing that is going to happen. For the elect's sake, God shall shorten those days. You have been given this Gospel so that you refrain from bothering yourself in anyway. And it is to make you realise that it is because of you, the elects of God, that God has saved the whole world. Therefore, whether you are rich or poor, whether you have a house or not does not count. Do not claim that you will not continue in well-doing, that when a person does good, he is paid with a bad coin, that you die since God does not bless you with a child, since He does not give you money or since people are hating you, or since the world is so bad. Stand firm because for your sake, God shall shorten those days.

The Scripture says that a city without a prophet perishes. A city where there is not man of God, that city is damned. It is said "Except the Lord build the house, they labour in vain who build it: except the Lord keeps the city, the watchman waketh but in vain". Let us allow this rulership unto Jehovah God and His Christ. For He is worthy let us and the government believe in the Name of Our Lord Jesus Christ and

**“Love ye One Another” as He has commanded. For He shall shorten those days. That which we regard as problems now shall be made easy.**

### **Accept Him and be saved**

**If all the Nigerians should accept God now, they will receive money and everything instantaneously. If the whole African continent should accept Him; the inhabitants will be blessed with everything now. If the entire world should accept Him now, all difficulties would be taken away from them. “And except those days should be shortened, there should no flesh be saved: but for the elect’s sake those days shall be shortened.”**

### **Only the elects can save**

**I want this Gospel to be documented for everybody to read and come to the realisation that those who go about in cities claiming to be protecting the place, that those who call themselves soldiers and other glorified names, are merely wasting their time. But it is for the sake of the elects of God that salvation has come unto mankind. Remember the king of Nineveh. When God sent Jonah to intimate that they should refrain from sin, he came down from his throne, prostrated on the ground and accepted what God told him. And for that reason, God shortened those days. Remember Pharaoh when he had a dream which he could not interpret. He had seen seven fat cows and seven thin cows. And He sought desperately for someone to offer the interpretation to that dream. One of the men told him that there was a prisoner named Joseph who could offer the correct interpretation to the dream. He sent for him. When Joseph arrived, he interpreted the dream that the seven fat cows indicated seven years of plenty. And the seven thin cows meant that they would be famine on the land for seven years. Of all the claim that Pharaoh was wicked, he appointed Joseph the man of God, governor. For Joseph’s sake, the entire world then was saved. “And except those days should be shortened, there should no flesh be saved: but for the elect’s sake those days shall be shortened.”**

**Brethren, can you realise why this generation is hard hearted and stiff necked? It is now incumbent on all of us to surrender the entire rulership unto Our Lord Jesus Christ because He is worthy. Even as we are now, do we know how He manages to change us and feed us?**

**Brethren, it is said that one stroke of the cane is sufficient unto the wise. I do not wish to be tedious unto you. He who has ears let him hear. May God bless His Holy Words. *Amen!***
