

concerning us.

## **Father's Gospel**

For the first time since this Executive came to be, an attempt is being made to incorporate the Father's gospel starting with that delivered during the last pentecostal meeting of August. It is abridged. As "Man shall not live by bread alone, but by **Every Word** that proceedeth out of the mouth of God." It becomes an arduous task to compress it. Non-the-less, for purposes of having the Leader's Representatives Fellowship proceedings/activities published in the Minutes of the Universal Spiritual Council of Churches quarterly minutes in order to obey his injunction that we blow this gospel loud and clear to all nooks and crannies we are here making a subtle attempt at achieving the seemingly impossible. Our aim achieved or not, it is the Lord's doing. Our one hope and prayer is "May it be marvellous in our eyes" ... Amen.

Texts:

1st Lesson - John 13:4-5

"He riseth from supper, and laid aside his garments, and took a towel, and girded himself. After that he poureth water into a basin, and began to wash the disciples' feet, and to wipe them with the towel wherewith he was girded".

## **2nd Bible Lesson**

"Even as the Son of Man came not to be ministered unto, but to minister, and to give this life a ransome for many."

Golden Text - Matt. 11:29

"Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls".

As a prelude to the gospel, the Holy Father raised this spiritual chorus which was sung "Ini emi edi emi-o" meaning "This is my time. The time of our Lord Jesus Christ".

"Brethren, the song you have just heard tells you to repent as this is the time of our Lord Jesus Christ. This is the golden text. He is the mediator of this age. He is our Leader. We must follow his footsteps as he has directed. No more no less!

## **Practical Example**

This is not the time of Melchisedec, Abraham, Noah or any other but the time of

Christ now come in the flesh as the comforter: the Holy Spirit of Truth. It is therefore the time of doing God's work by example as our Lord Jesus Christ did. Only this way can we be seen to be worshiping God in Spirit and in Truth as demanded of us. Listening only to the gospel and not practising it because, as you are wont to say - afterwards I am not Jesus - will not exonerate you. If you are not Jesus; If you are not spirit then tell me who or what you are. Following his footsteps makes you be like him and indeed him. The washing of the disciples' feet is for an example. Help one another. Acts 20:35, Luke 22:31-32.

### **He is All and All**

He is our all and all. He is Leader by example. He is our Leader. He said so and was seen to be so. This you must aspire to be because he alone is our Teacher, or Lord, Our Master and our Saviour. The duty we owe him is to copy him because he is our Corner Stone - our all and all.

### **Rejection of Christ**

The life-style of our Lord Jesus Christ is the Christ. This was what the builders rejected and still rejects till today. If we should join them to reject it we do err and do not know and follow the Truth. By coming here to dupe one another, to snatch one another's wife, you reject Christ. It is most disturbing and disheartening.

### **He is here**

He promised he would come back to us. He asked us not to allow our hearts disturb us His promises never fail. He is here. How do we know?

When shall these things be? His disciples asked him. The answer is to be found in Matt 24:1 - end. Are these things not happening now? Look at Russia - a SUPPER POWER indeed. Look at China. You wait and see. Any one who does not confess that Jesus Christ IS come in the flesh is not of God - 1 John 4:1 - 7. Brethren, now are we the children of the most high. We have seen Him as He is and accepted Him. 1 John 3:1-3. If you do not accept him then your blood will be upon your head. You are finished.

### **New Kingdom of God**

Many people are not aware that this is the new kingdom of God; the new Jerusalem foretold. Everything here is new.

He went to prepare a place for you and I, and promised to come and take us one by one unto himself that where he is there we also should be. We have

been taken unto himself. Where he is we now are. Believe it or leave it. Your opinion does not change this basic Truth in the name of our Lord Jesus Christ.

### **Wisdom of the Wise**

Where is the wisdom of the wise. The seemingly foolish things we do here has confounded the wisdom of the wise.

### **Persecution**

Was persecution not promised you by Christ. If they obey Him and therefore persecute you why do you worry. Did he not promise you that they now rejoice while you are sorrowing but that you need not worry as your sorrow will be turned into joy in the end. Do not worry what blasphemous things they say about you. Just wait and see what will happen. Just practise the gospel and that is your passport.

### **History**

History repeats itself. Those who follow his footsteps in practical terms CAN NEVER be forsaken nor their seed found begging bread! It has never happened and will not now happen. He who has promised is faithful. Having loved, he loves till the end.

### **Holy Spirit**

Many here claim that Obu is the doer of all that is happening here. Is that true? Where you not told that I can of myself do nothing? And that without Christ we can do nothing? Where then lies your claims? It is love that is doing all things here. It is the Holy Spirit of Truth. It is the comforter ... in the name of our Lord Jesus Christ - Amen.

### **Fulfilment**

Christ did not come to change the laws but to fulfil them. So do not preach against anyone. Allow all things to come on naturally. They will just all fit into

place in the name of our Lord Jesus Christ ... Amen. We are all one in Christ and in the Father.

It is never too late to mend. Therefore please let this gospel be fulfilled in you. It is for your own good and the entire world.

Those who have ears to hear, let them hear and may God bless his holy words.

## **Roaster of Movement For 3rd Quarter**

1. Zaria - 3/10/92
2. Abuja/Niger - 17/10/92
3. Ghana - 30/10/92 - 2/11/92
4. Bauchi - 14/11/92.

## **Finance**

After all expenses, the sum of N5,845.50 (Five thousand, eight hundred and forty-five Naira, fifty Kobo) was paid into the Fellowship's account at the Treasury.

## **Father's Blessing**

The Father richly blessed all delegates at 3.25 a.m. after which the meeting adjourned.

Thank You Father.

Pastor J. I. Iyo

**SECRETARY.**

---

## **QUARTERLY REPORT OF ELDERS INTERNATIONAL FELLOWSHIP PRESENTED TO CHRIST UNIVERSAL SPIRITUAL COUNCIL OF CHURCHES DURING 1992 DECEMBER PENTECOSTAL ASSEMBLY**

---

Let thanks, honour and glory be given to the Father, in the name of our Lord Jesus Christ, in the blood of our Lord Jesus Christ, now and forever more, Amen.

## **PERIOD COVERED BY REPORT: 7TH AUGUST 1992 - 11TH DECEMBER, 1992**

With great thanks unto Jehovah God and His Christ, we are happy to report that only one General Meeting was held during the period under review. It took place on the 21st November, 1992 at Pentecostal Centre, Warri, Delta State. The turn out appeared to have been unprecedented. We are thankful to the Father for the joy and peace which prevailed and for his guidance throughout. States/Zones are to note that in future, they have to arrive at the venue of the meeting quite on time, so as to participate in the visits to personalities, house to house and street preaching, that would be carried out. Our movement to any

daughter was transferred recently. Sister (Deaconess Pat's) carnal sister was also transferred. We pray that the Father will strengthen them, increase their faith and ability to do His work. We include those members not mentioned individually as well.

Sister (Deaconess) Udondem is speedily recovering from a broken ankle suffered when she fell down. We thank the Father for taking control of the situation. We are convinced that in the near future all will be well with His children in the Blood of our Lord Jesus Christ. Amen.

## **PLANS FOR THE YEAR**

We thank the Father for fulfilling His promise on His children. Without His divine love and mercy, we will not be able to fulfil all our plans for the year. We thank the Father for providing us with energetic and God fearing executives. We also thank the Father for the wonderful co-operations and support that the brethren has given to the executive throughout the year. May God bless us all in the Name of our Lord Jesus Christ. Amen.

## **PLANS FOR THE FUTURE**

If it is the will of the Father, we would like to fulfil the following plans in the year 1993:-

1. Working towards a more united spirit among all the sisters irrespective of age and status.
2. To engage in more Overseas ministries especially in (virgin lands).
3. To encourage sister to take up the role of women priesthood seriously.
4. To establish a better relationship with our sisters in the entire kingdom.

## **CONCLUSION**

The Women's Fellowship in London has always been under-estimated as not possessing the ability to do the Father's work. Some claim that there is no love amongst the women, they are quarrelsome and fight in the Bethels. This is not the true picture of us. We pray to the Father to use this report to enlighten the brethren that we sisters in London are doing the Father's work diligently. We engage in local and international ministries. We are not happy just sitting in the Bethels.

We do go out into the world to proclaim the Holy Name of our Father (the Sole Spiritual Head). We want to spread the word of God to the entire world. Now that the churches in England are accepting women into their priesthood, we are thankful to the Father for the love He has for us. We thank Him for accepting us as His true workers in His vine-yard. With this, we humbly declare that the Holy Father is truly a unique supernatural cosmic teacher who has come to teach, lead, direct and bring us to the accurate knowledge of the truth. May His Holy Name be praised now and forever more. Amen.

Thank You Father.

Sister Leon Etim  
(Chairlady)

Sister Maude Dadson  
(Secretary).

**EVERLASTING GOSPEL DELIVERED BY THE SOLE SPIRITUAL HEAD  
LEADER OLUMBA OLUMBA OBU.**

---

**AN OPEN LETTER TO THE WORLD**

**FIRST LESSON: 2ND PETER 2 : 9**

The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgement to be punished:

**SECOND LESSON: JOHN 14 : 27:**

Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid

**GOLDEN TEXT: MATTHEW 11 : 28:**

Come unto me, all ye that labour and are heavy laden, and I will give you rest.

**SALVATION IS FROM CHRIST:**

Brethren, the above texts reveal our lesson. The Bible texts clearly confirm to us that, there is nowhere else which anybody can find love apart from Christ. There is no other source of salvation, peace and power other than in Christ. Therefore, whoever calls upon His name can never fail to get salvation from Him. Brotherhood, is the Biblical Noah's Ark.

Our Lord Jesus Christ is the same yesterday, today and forever. He is the only one who knows how to deliver from temptation all those that fear Him. Whether you are a thief, a murderer, a fornicator or a woeful sinner, once you call upon His name and fall before His feet. He will not fail to save you. Do not be ashamed to call upon His name and do not be afraid to worship Him. He has come to save all those that seek after and accept Him.

Money, food or the government cannot save you. There is nothing material that can save mankind other than Christ. There is equally no other man that is capable of delivering man from his current predicament other than our Lord Jesus Christ. It is for this reason that all should forsake sins. Whoever hardens his heart should change now. Christ is that Noah's Ark and He has arrived at your door post. Follow Him, believe in Him and seek after Him for He has come to search for the lost sheep. As many as believe in Him and practise His injunctions shall have everlasting life.

In the whole world, what is practised is retaliation and vengeance. People keep on ill-treating fellow men, obstructing their progress, and doing all sorts of evil

to them. The three main texts in this gospel reveal the mission of Christ's on earth. You will equally realise and believe that Christ is the only one who has the capability to save the world. One of our Spiritual Choruses says, "weep not child and lament not for the saviour of the poor is not on His way, but is in our midst". Except the tree falls, the axe would not rest. This is the reason why all of us should get into the field to save the lost sheep.

### **THE LORD OF PEACE:**

If you say, you love God, Christ and the world, then it is your place to go out and save the sheep in the field. Christ alone is the one who does not impute sin to any person. He is the only one who thinks and cares for us day and night. He is the King of Kings and Lord of Lords. He is Lord of peace and of life. Therefore, we have to resemble Him, follow Him and love Him. It is a matter of necessity, that a child should resemble his parents.

A house that is divided against itself cannot stand and is doomed. Any house where a member therein engages in quarrelling and lusts for materialism, such a house is doomed. Any individual or group of persons who lust for the things of this world is doomed.

Let us seek for God now that is yet day and do so with the whole of our heart, body and soul. Let us look for Him when it is possible to see Him. A time is coming when such golden opportunity will not be available again. This is the time of peace, life and the right time to seek for God. When God extends His divine call to you, do not hesitate, waste time and harden not your heart, but follow Him immediately. He can call you by whatever means, it may be through sickness, court case, hatred, hardship or through the enemy. God is never pleased with the death of an evildoer. He continues to call His people through various means to Himself.

### **THE EXPERIENCE OF JONAH:**

Something spectacular happened to Jonah. Many people today are like Jonah. The voice went to Jonah to go Nineveh to save souls, but because of his lust for materialism, he refused. To fulfil the local adage which says that, a child that would not want the mother to sleep, would also have to stay awake; Jonah obtained a fair share of his bargain. A number of us today have been called by God and charged to go into His vineyard but, we have refused. We are God's servants and messengers, just as the angels do.

this is indeed a wonderful time in spirit. God is never pleased with the death of evil-doers. It is for this reason that He commissions us daily to go into the

vine-yard and save souls. It is said that today when you hear His voice, harder not your heart.

There is no other salvation apart from our Lord Jesus Christ. There is no other person who can save the world apart from Christ. This is the right time to save those who cannot help themselves out. The way of God is different from the ways of man. God is not lax in fulfilling His promise but only exercises long-suffering. It is not His will that any should perish but, that all should repent and be saved. Governments all over the world, the churches, the various communities, nations and individuals are in a precarious situation and pitiable state.

Now is not a good time for any one to go about seeking for money, wife, husband, children or any material thing. This is God's own period for His service and for the manifestation of His kingdom. This is the time to seek for only the living and mighty God. For a time is coming when we shall seek for Him but will not see Him anymore. Read our first lesson once again.

#### **FIRST LESSON: 2ND PETER 2 : 9**

The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgement to be punished:

#### **THE END IS AT HAND**

All the events that, we see in the world today merely represent "police action". The real time of judgement is fast approaching. People are crying and shouting that life is so hard and the going so rough; this is yet a tip of the iceberg. Tougher conditions and harder times are yet to come. The first lesson has it that,

The Lord knoweth how to deliver the godly out of temptation, and to reserve the unjust unto the day of judgement to be punished.'

Tell the world that, judgement is coming. What is obtainable now are mere signs of "labour pains". Let all the inhabitants of both the heaven and earth seize this golden opportunity to serve the Lord. Those that worship Him should hold fast and those who do not know Him should now return to Him. It is advisable to search for a black goat when it is yet day. Do not think that after-all He is the God of love, mercy and grace and because of that, you continue to wallow in sinfulness. This is the time of peace and joy. Therefore, you have to seek for peace and joy.

During the era of Noah, this same situation was what took place. People were

busy selling and buying; they got married and were equally given in marriage. They engaged in all the trades and pleasures of life to the detriment of God and in total abandonment of His message. Noah preached persistently to the people for 120 years, yet they refused to listen to Him. They rather derided him and regarded him as a demented and idle person. But in the end, the foolish became wise, the demented became sane and the idle became active. The first lesson therefore reveals God's plan and handwork. If all of us turn to Him, follow and worship Him, we will surely have salvation.

All the songs that we sing, the testimonies that we give, our dances, the words that we preach, all constitute the blowing of the trumpet to the world to repent of their evil ways and come over to God. All the churches, associations, and individuals must remain one with each other to foster peace, prosperity and eternal life in the world. If the whites refuse to abide by this call they would not be saved. On the other hand, if the blacks refuse His call, they will also perish.

Do not think that, your colour, sex or religion will save you, if you fail to listen to His call to righteousness. Let no church deceive itself that, it will be saved except it lives in peace with all. This is the time every man should advise himself and unite with one another in peace. Live in peace with your parents, children, friends, government and all the inhabitants of the world.

It may come to rule us in peace and to unite all peoples in love. Therefore, you should discard the thought for right knowledge, rivalry, war and other reactionary activities for they cannot profit you anything. All those who seek for love, salvation, peace and eternal life must live in peace with all. This is the everlasting gospel. Tell the proud or arrogant and those who delight in the abundance of their wealth to surrender to the rulership of the Almighty Father so that, peace, love and prosperity would return to the earth. Tell those who continue to wage wars and to plan for further wars that, the time for that has now passed. This is the time of God, all should therefore surrender to His will.

The Lord has come to save the whole world in general and in particular, those that worship Him, from temptation. He is also reserving the unrighteous under punishment till the day of judgement. You should always remember what the Bible says that, one day is like a thousand years in the eyes of the Lord and a thousand day like one day. On the other hand, one day for men is a thousand years for God.

Do not live in the illusion that, after all God had been planning to destroy this world since the time of our great-great-grand parents yet up till now He has not

done so. Matthew 24, Luke 17, 2nd Peter 2 and 3 all confirm that, fire will be used to examine each individuals work. He said that as it was in the time of Noah so shall it be on the judgement day. Also as it was in the days of Lot so shall it be in this generation. As the Father did not forgive the erring angels but held them in detention until judgement, so shall it happen in these days. As He did not forgive sodom and gomorah; as He did not forgive the people during the time of Noah. He shall in no wise forgive this generation.

All sinners should repent and turn to Him. You should abstain from stealing, fornication, adultery, idolatry, killing, anger, disobedience and all the voices. Hold fast to God. He has come to bestow us with love, peace, and eternal life. Life, it is said, is greater than food and good health is better than raiment. Read our second lesson once again.

## **SECOND LESSON: JOHN 14 : 27**

Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you: Let not your heart be troubled, neither let it be afraid.

## **THE DAYS OF GRACE:**

Brethren, you should now realise that, this is the time of peace, mercy, love and righteousness. If He is given the cause to withdraw the peace, grace, love and mercy then the world is doomed. If you refer to Revelation.7 : 1 - 3

You would discover God's plan for mankind.

This is to remind you that, if God withdraws His grace, the whole world will be destroyed.

Let us embrace the peace that the Lord has left with us so that, we can equally extend it to our friends, neighbours, churches, governments, husbands, wives and all the inhabitants of the world.

## **ONE FLOCK, ONE SHEPHERD**

There should be one flock under one shepherd. Remember the statement of our Lord Jesus Christ to the disciples when He said that He had another sheep that was not present there. And so, He instructed them to go and bring them into His sheepfold, so that, there may be one flock under one shepherd. **Do not** allow yourself to be deceived that you can have peace except you live in peace with your brethren. You will never be justified except you live in peace with one another. The reason why the Father commissions us to go into the field is to bring back all the lost sheep together under one shepherd in love and peace. God is not pleased with the death of the sinner but preserves them through His

long suffering so that they may repent.

No man does a good thing and confines such a thing to his house. He will definitely take the thing outside into the full view and appreciation of all. Warri in Delta State is very close to Calabar, yet a certain brother confessed that it will only recently, about two weeks ago, that he heard about Brotherhood of the Cross and Star. there are many people who give such testimony all over the world. there are those who are looking for help in prison, sick beds, water, forests. There are those who would have only called on the name of the Father for their problems to be solved but could not because, there is no one to direct them. In trying to evangelise the world, you should be prepared to answer any derogatory names which the world will call you in the cause of propagating this message of hope and salvation

God has promised mankind when He said that we should call upon Him and He will answer us. The spiritual song which goes with the above promise says: "Call upon me in the time of trouble, call upon me I will answer you." The question now is, how will the people call upon the person they do not believe in? how will they believe in the name they have never heard of? How will they hear when there is no preacher to inform them? And, how will a preacher go out and preach when he has not been commissioned to do so?

A certain brother in America who was in prison was asked to call upon the Lord for he would be saved. And since he believed in the Lord, he called upon the Lord's name and was saved. This also confirms the statement of our Lord Jesus Christ that, except a man is born of water and Holy Spirit, he cannot be His disciple. Many are called onto the Lord, but there is a danger when you delay. The song goes thus:

"Many are called, unto to the Lord, Many are called unto to the Lord, Don't you delay to come to the Lord, There is danger if you delay".

Read the Golden text again

**GOLDEN TEXT: MATTHEW 11 : 28**

Come unto me, all ye that labour and are heavy laden, and I will give you rest.

**THE LAST CALL:**

The biblical excerpt above is the last call and the golden opportunity for those who want salvation. Whoever delays shall have himself to blame. Do not quarrel with any person or engage in any argument over anything, do not even beg anybody, but only tell them the good news and whoever believes and answers

the call, shall be saved. But if you go to a place and the people there reject you, the bible says that you should shake the dust off your feet there and that will remain as an instrument of witness against them. The end of such people or city would be worse than that of sodom and gomorrah.

Any house you go into, first say, "let the peace of God be unto this house," and if there be a child of peace, the peace of God shall follow him. Go and preach to individuals and groups, preach to the churches, preach to the government, preach to all the creations of God to repent and turn to God. Those who hearken shall be saved but those who shall reject you, will forfeit their lives. Go into the enemies front for as a soldier of Christ, you cannot be wounded at the front.

Tell everyone that you come across to forsake sins and follow Christ. Let nobody continue to engage in planning and doing evil to his brethren. Let them know that whoever goes with the sword shall die by it. I know that as you go out, the people do ask you what the Father says. Tell them that the Father says they should leave their old ways and accept the truth, love and peace. Tell them that Christ is the way, the life and the truth. Tell them that except they passed through Him, they would not see God and they would not inherit His kingdom. Inform them that the Lord is willing and ready to accept and wash any sinner clean. Preach to the presidents, Prime Ministers, Ministers, Governors, Senators and the rest of the people in the corridors of power.

Tell those who want to plant themselves as life presidents, or Governors, that the time has come when they themselves will run away from those political positions. this is the time for Jehovah god and His Christ to reign and rule. The government, and the governance of the people are in His hands. The blacks, the whites, men and women, young and old, animals in the bush, fishes in the water, birds in the air, the trees and all God's creations have to return to their creator. All the activities that men engage in cannot be of help to them. If we do not follow Him now, we stand to lose His love, peace and grace.

### **GOD'S PROMISE:**

Remember His promise that you should not trouble your minds; that you should believe in the Father and in Him, for in His Father's kingdom there are many mansions, for if it were not so, He would have told us. He said He went to prepare a place for us and thereafter, He would come and take us there, that wherever He is, we should be there also. And truly, He has come to take us all into the kingdom. This is the time to part ways with anything mundance and follow God. Follow Him now when it is not late that you may not regret. Our

spiritual chorus says:

Come O! come come my children, I do not want you to be decoyed, come and make peace with me.

Those who were with me, I will come to take them to myself.

It is advisable that we follow God because He lives, and we shall also live. He does not taste of death.

He has said

But this man, because he continueth ever, hath an unchangeable priesthood. Wherefore he is able also to save them to the uttermost that come unto God by him, seeing he ever liveth to make intercession for them. For such a high priest became us, who is holy, harmless, undefiled, separate from sinners, and made higher than the heavens; (Hebrews 7 : 24 - 26).

This is the time He has come to lead the world to salvation. He is our only Saviour and Treasure.

## **AN OPEN LETTER**

This gospel is an open letter to the whole world. It should be disseminated to all nations, all liberation fighters and rebel leaders, all life presidents and monarchs, all oppressors and deceivers, and all the inhabitants of the world and the angels. To be forewarned is to be fore-armed. Your money, education, position, power, colour or stature will not help you. There is no life, no glory, no truth, nothing in the world at all, other than sorrows and woes. But whoever accepts this message stands to be saved.

Remember that the same letter was written to Sodom and Gomorrah in Isaiah 1 : 10 - 20. If the two cities of Sodom and Gomorrah had heeded God's instruction, that they should refrain from iniquities and love one another, the young and old, rich and poor, man or woman, they would not have been destroyed. If they had accepted to make peace with their Creator, He would have forgiven all their iniquities and washed them to be as white as snow, as He promised. But because they refused God's injunction, they were devoured by the sword.

Christ is here on earth and the Father is here too. Both are calling us all to come and be saved. The Lord has come to save the living and the dead. The call is not to follow Obu or Brotherhood, any church denomination, country or individual. Follow Christ alone for He is here on earth to gather all the sheep as one flock under one shepherd. Let us refrain from war, hatred, stealing, killing,

and every act that destroys man. We should rather love one another, live in peace, be humble and merciful. If all the inhabitants of the world and all the nations do this, then we shall be saved.

A stroke of the cane is sufficient for a wise. May God bless His word. Amen!

Thank you Father.
