

Brethren, this is a special day set aside for all inhabitants of the world to come and receive the Word of God, the Word of Wisdom and of truth, from the horse's Mouth. This Word is accompanied also with immeasurable blessings, joy and peace. This is a wonderful year, a year of prosperity.

There is time for everything. Also in Brotherhood everything is according to its plan. This is the Kingdom of God and we are the children of God. If you read in Roman 8:16—17, you will know that we are the children of God. As the children of God we have to follow the footprints of Our Lord Jesus Christ. We have to be ready to receive the kind of suffering He underwent, and learn from Him. He told Nichodemus, verily, verily, I say unto thee, Except a

man be born again, he cannot see the Kingdom of God (John 3:3). Therefore, you have to comply with the teachings in this Kingdom in order to be a worthy servant.

A sensible person, it is said, sees something afar off and takes precaution. It is also said that a good child observes and does the things that his father does. God is the only one who sees far and near. We therefore have to obey Him and do only the things He instructs us to do and refrain from the ones he advises us not to. He is holy, and we who are His children should resemble Him. We are the begotten of God and we should not indulge in sinfulness. He says, be ye holy even as I am Holy, for evil does not dwell with me. It is for our sake, for

our redemption, that Our Lord Jesus Christ accepted to come down and shed His precious blood. When His Father looked down and saw that the entire universe was polluted and defiled, He requested for a redeemer who would come and save mankind from total perish. All the engels and hosts of heaven were there but no-one accepted to come and die for the salvation of man.

NOBODY ON EARTH HAS SUFFERED FOR BROTHERHOOD

Many of you complain that of all that you have done to God you have not been rewarded. You also claim that you have suffered a great deal in the service of God. But I tell you that none of you, no body on earth, has suffered even in the least proportion what Our Lord Jesus Christ suffered. He was persecuted, spat on the face, beaten and finally nailed to the Cross. If the begotten and beloved Son of God was persecuted and humiliated who are you to complain? God said about Him, "This is my beloved Son, in whom I am well pleased." The two thieves by His sides were nailed because of their sins. But in the case of Our Lord Jesus Christ He did nothing. He suffered for our own sake. He sacrificed Himself for our salvation because He did not want mankind to be destroyed any more like in previous generations and creations. Therefore, you have to reciprocate that gesture, by complying with His injunction and submitting yourself to Him.

ONLY THE KING KNOWS THE SECRET OF HIS KINGDOM

There are many things in this Kingdom that you do not know and have not heard. The King, it is said, knows the secret of His Kingdom. As you are in this Kingdom, you have to abide by all the rules and regulations of this Kingdom. It is just like a child that is born of Calabar parents, the child automatically inherits the Calabar heritage. He becomes also bound by the norms, customs and traditions of the Efik people, and is equally entitled to the benefits that accrue thereto. He therefore has to do all the things the people do, behave the way they do and be identified as that. Yet the fact remains that even though a person may come from the stock of the Efiks his knowledge of the customs and traditions of his people is not automatic. You are living witnesses that there are many things in and about your various communities and houses you do not know, and you would not know them except somebody tells you. The culture of your people, their traditions and observances are many which you do not know. You can be there in your village or community for many years, but if something happens the elders will be called upon to come and do it the way it was done in the days goneby. Don't forget that you are born there and grew up there yet there are many things you do not know.

FAMILIES AND ILLUSTRATION

This is only an earthly situation I am using to illustrate to you what I am talking about. In your village there could be some families that are

identified with stealing, some with murder, some with indulgence in idolatry and necromancy, some with prostitution, some with trouble making and so on. If somebody does not tell you these things about each family, would you know? There are certain families that are wealthy or knowledgeable. There are also certain royal families. They have their own procedures and methods of crowning a king. Certain places also have their peculiar way of greeting, and if you go there and somebody does not tell you you would not know.

ELDERS WHO MATTER IN VILLAGES

In some villages there would be certain elders, say three or so, whom when seen sitting together the people would immediately know that something serious has happened. There are certain meetings in some villages that signify that something serious has happened when convened; or that something was going to be done. But if you are a stranger you will not know. There are certain elders or personalities in a village or city whose coming out would indicate that something serious is happening or has happened. That is why a local adage says that a stranger does not know where the toilet is.

That was why when the people met Our Lord Jesus Christ and asked Him to tell them spiritual things, He replied them saying, if I had told you earthly things and you did not believe how would you believe when I tell you heavenly things. That is why today, a work free day, is set aside for people to

come here and listen to the Word of God directly from the Father so that no person would come around and deceive you. I have not asked you to come with money or any other thing, but with your ears and heart to receive the words of wisdom.

Today is a day of joy and you are called to come and sing and dance and listen to the instructions that would lead you unto eternal life. The Scripture tells us that he who accepts advice loves wisdom but he who hates chastity is like unto an animal, and the righteous shall receive goodness from the hands of the Lord.

Therefore, any person who has no child, whenever he has one, handles that child so comfortably and dearly and holds him like an egg. But when such a person continues to have more of the children the attention and euphoria decreases. You will even like to go into hiding at times that the children are so troublesome. Equally, the same thing applies here. Time is coming when you will see me no more, and people will only be hearing it as a fairy tale that once upon a time the Holy Father used to meet with His children and teach them 24 hours and they will not believe you.

NO ONE PERISHES EXCEPT A CHILD OF PERDITION

The instrument of governance here is Love, mercy, peace, joy, truth, humility and grace. That is what has been the luck you have. That notwithstanding, it has been written that no one perishes except a child of perdition. Therefore it has been predestinated that there must be a

child of perdition. Apart from that no man would perish. The reason is that love worketh, mercy worketh, truth worketh, righteousness, humility and all the virtues of God are at work. How then could you perish? If you were meant not to have any share in this Kingdom, there is nothing that can nominate you into it. That is why when you hear that people backslide it is not because somebody has driven them away. I have never suspended or excommunicated any body from Brotherhood. Therefore, if you hear any person say he was once in Brotherhood but had to withdraw know that it has not been written for him to be in it.

HE CONTINUES TO TEACH US INNSPITE OF OUR VICES.

Have you ever seen or heard about this kind of being and this period, where one person continues to teach and instruct people from the beginning of each year to another relentlessly? But in spite of the teachings which ask you to refrain from anger, hatred, stealing, fornication and the rest of the vices, you continue to do these things. Even though you continue doing these things, I teach you not I have never been angry with you. This happens to fulfil the words of the Scriptures which says, to them who were not called the children of God them will I call the children of the Most High; and to them who were not called my beloved will I call them beloved. You will see clearly that you are here not because you are worthy to be in this Kingdom. But God has chosen you to fulfil His statement that if the little ones are not

allowed to praise Him even the little stones will rise and sing to His praises. This explains why you are very lucky. But for His long suffering many of you would not enter into this Kingdom. He is being patient with you so as to give you chance to change, otherwise you will perish.

THE STONE THAT THE BUILDER REJECTED NOW BECOMES THE HEAD OF THE CORNER

In times past, many people in Brotherhood never wanted to be ordained. Because of that many of them simply stay away during the day of ordinations, which initially used to take place on, the Easter Monday in the month of April. But because of the love of the Father and so that His children do not perish, the ordination was extended to Easter Sunday. Many people, because of the change, decided not to attend the April Pentecostal Assembly at all. That further indicated man's unpreparedness to serve God and to be bound by His commands to refrain from drinking, fornication, smoking, snuffing, etc. But because God does not want man to perish, the Father decided to select people for ordination on days other than the Easter Pentecostal periods. Man never wanted God neither was he prepared to serve Him. Up till date man is not ready to follow God. But He continues to show His love, kindness and mercy towards mankind. To further show your unpreparedness to serve God, when ordained followships are held here you will find only a handful of people.

But you have been told that the stone which the builders rejected has become the head of the corner. All those who reject his teachings and despise them will regret and weep one day. That is why I had set aside the past one month to teach you, advise and exhort you for your own good. That I have done to fulfil the wordings of our spiritual chorus which says, clear the bush and I will set it fire on my powerful fire.

I HAVE COME TO RENDER SERVICES TO MANKIND

All the observances that we do here are for your own good but you do not know. It is not my fault if you refuse to refrain from sins. Neither will it disturb me if you refrain from sins. I have come to help you, I have come to save you and I have come to render services to mankind. I seek not your appreciation or your gratitude or reciprocation. I do not want you to know me or recognize me either. My aim is so that the precious blood of Our Lord Jesus Christ is not shed in vain.

GOD HAD NEVER ASSOCIATED HIMSELF WITH SINS

The first trick that satan played had been unveiled by Our Lord Jesus Christ. He unveiled it through His precious blood. Because God abhors evil that is why satan pushes man into doing it after which he, -satan. deserts him. That is the weapon he uses. From the beginning of time and up till now and even until the end of the world, God will never have anything to do with sin. No matter the extend of love God has for you once you sin you are completely separated from Him. The

lion does not eat dead animals. It feeds only on an animal it catches. In like manner God has nothing to do with anything sinful, no matter how small. Satan the lucifer knows that God abhores sins, that is why he, satan, encourages and entices people to commit sin so that man will be completely separated from God.

GOD DECIDED TO REVISIT ONLY AFTER THE PRECIOUS BLOOD HAD BEEN SHED

Remember that the world of Noah was destroyed because of sinfulness. The world of Sodom and Gomorrah was also destroyed of sinfulness. It was because of the frequent destructions that the Lord decided to intervene. That brings to fulfilment the condition which God gave Adam that he will revisit man only after a precious Blood had been shed. Where do you think such kind of blood could have been found?

Right from Adam to Zacharias and etc., none who was born of a woman was righteous. Lucifer was very happy to continue to deceive and to introduce more sins in to the world thus denying man God's fellowship. Man was given to thinking that God was associated with beating, torture, punishment, starvation and all kinds of suffering. God is not identified with anything evil. All the torments and sufferings on earth are being metted by angels who stand between man and God and do not allow man to go close to God. God does not fall sick, he does not lack and never changes. he is God forever. So His children are never sick, they do not lack and they do not lament. God does not quarrel, Our Lord Jesus Christ

does not quarrel and they do not frown or commit any sin. God does not lament and does not sigh and so His children do not lament and sigh. All the things that cause man to stumble and fall are introduced by satan. He entices and encourages man to do the things God abhors and then suffers in return. That was why when Christ saw that man was misled and was suffering a great deal and to the verge of being destroyed He accepted to come and mediate and bring man to his lost glory. It is an easy thing for a thief, a fornicator, a reviler and murderer to wine and dine with Lucifer. But it is impossible for a thief, a murderer, backbiter and a person who frowns to go near God because such qualities are never identified with God. God abhors frowning, weeping, sighing, lies, anger, discrimination and quarrelling. He does not send any one to do anything for Him. Because He is everything, he teaches His children the doctrine of live and let live.

YOU REAP WHAT YOU SOW

Whatever you sow the same will you reap. You are living witnesses to the fact that any time you smile satan is not pleased. But the moment you frown and lament, he will be so happy and pleased with you because he has succeeded. Any time you testify about the goodness of God upon you, satan will be greatly distressed and angered. Any time you blaspheme against God satan will be so happy. That is why each time God tells you not to pass through a certain route, satan will come telling you how good that road is and why God does not want you to go through it. If you comply with satan's

instruction he will be happy because he has taken you away from God.

The friend of man is Our Lord Jesus Christ. Your parents, friends, husband, wife, children or community does not love you like Our Lord Jesus Christ does. The only person who is jealous and who really fights that you should go back to God and assume your rightful position as a child of God is Our Lord Jesus Christ. No other man or angel cares for you. When you pray to God through the Name of Our Lord Jesus Christ, you do not recognise the fact that you too are the son of God. You claim to come from a certain village in a certain local government area a certain state and so on. You fail to understand and accept the fact that we are from God; He is a creator, He is our Father and mother, He is our town and everything. Nobody is ready to surrender himself to the service of God.

WHERE YOU FIND YOURSELF IS THE KINGDOM OF GOD

I want to let you understand that where you find yourself is the Kingdom of God. Wherever you may be and whichever community you find yourself, known that you are in the Kingdom of God. Brotherhood is not a church denomination, neither is it a prayer house nor healing home nor a service centre nor a secret society. It is the Kingdom of God. This is our father, mother, relation, husband, wife, friend, family, village, husbandry and everything to us. We have no other place to go. Whatever you have to do, do it as though you belong to this

single family, the Brotherhood of the Cross and Star, the New Kingdom. You therefore have to return as a wanderer into your Father's house.

YOUR FAMILY IS THE SOURCE OF YOUR PROBLEMS

What did Pilate tell Our Lord Jesus Christ? He asked Him am I a Jew? Read John chapter eighteen from verse thirty four to thirty six, so that you may know the source of your problems. All the problems, sufferings, sicknesses and all your tribulations are traceable to your family. Wherever you may be, whether in America, whatever happens to you comes from nowhere but from your family at home. No outsider can do you harm except somebody who is part and parcel of you. Brotherhood, therefore, has come to set you free of charge from the hands of the evil one. Even your parents, husbands, wives, children, friends, and so on do not seek after your well being and prosperity. They are always at your neck.

WHAT CAN YOU DO TO BROTHERHOOD

When you claim that you have done so much for Brotherhood, what have you done to Brotherhood and what can you do to Brotherhood? More over some people use to recall that they had once been in Brotherhood. I ask you, when were you in Brotherhood? How would you claim to have been in Brotherhood when you continued to steal, fornicate, know that your salvation is derived from the Blood of Our Lord Jesus Christ and that is why the injunction was given that you should call no one a reprobate. He also instructed that no

one should impute sin sins upon another because He has not reckoned on our sins, that is why His Salvation is sufficient unto all. That is why the world complains that some of you here do not merit and are not worthy to be in this Kingdom. But I continue to teach and admonish you so that God will change you unto Himself.

I came for the popes, Bishops, the kings and queens, the rich, the powerful and ruler of this earth, but they refused the call. I came directly for these people so that I can teach them and so that they can take those teachings to the rest of you. But, incidentally, how many of these persons do you have here? I have extended my call to all of you here now so that your problems can be solved and your afflictions taken away. But you have remained stubborn.

WHO DOES NOT HONOUR A HUMAN BEING?

The world accuses you that you worship a man. :Are they themselves not worshipping a human being? The Bible says honour thy father and thy mother; are your parents not human beings? When you honour your elders or village head or paramount ruler or teacher or president or the Government and the powers that be, are these people not human beings? Where is the wisdom in the accusation that you worship man?

That is why the Father has called you in here to teach you and change you. If you do not resemble Our Lord Jesus Christ you cannot have any share with me.

A lot of people think that the Kingdom of God is at Biakpan. That is not true. The Kingdom of God is right here with you. Some other people think that the Kingdom of God is located somewhere in a hidden place. The Kingdom of God is right there with you. The moment you refrain from all the vices you have the Kingdom of God before you and have gained entry in to it. But if you are left with any bit of sin you cannot even see the Kingdom let alone inheriting it. If you are left with falsehood, theft, hatred, deceit, discrimination, pride, retaliation, frowning, weeping, etc., you cannot enter into the Kingdom.

THE INDIGENE OF A VILLAGE KNOWS THE NOOKS ANY CORNERS OF THE VILLAGE

The place of city you have never been to, you cannot know the way that leads to it and their language. But the indigence of that place knows the nooks and corners of the place. I have yet many things which you are to be taught. None of you knows the way that leads to that Kingdom and the manner you have to walk into it. A lot of you suggest that the Father's Gospel should be given only twice or three times a week, so that you can have enough time to attend to other businesses of yours. But I continue to remain here to teach you day and night because I know what you do not know and I do not want the precious Blood of the Lord to be in vain.

What kind of accusation or persecutions should make you quiver? If Brotherhood of the Cross and Star and its leader could be so accused and persecuted, what do you think about

yourself? The number 999 has been associated with Brotherhood by the world because according to them Brotherhood is a devilish organisation. They have called Brotherhood all sorts of names and have gone to the extreme, yet no answer from us. If the Father is being called various derogatory names what do you think about yourself?

READ | JOHN 3:8; JOHN 8:44

Brethren, all the evils things around us are caused and done by satan. Satan has never done anything good, otherwise he will be God. But now the world says that Brotherhood is Luciferious, vampire and non religious organisation, and so on. If these evil things are being said about the Leader, what do you think about yourself? And why do you have to be angry when these false accusations are levelled against you? If a relation of yours sleeps in the Lord, the world will accuse you of being responsible, that you have given the person to Obu so that he will open your eyes. if you fall sick, they will say that it is God that has punished you. Which God punishes any person? When you do not have money they will say that Obu does not like you other wise he would have made you to be as rich as the other brother. and immediately your heart will become troubled and you will believe that the Leader does not love you. They will allege that it is because you have not drawn from the Leader's fountain of Beelzebub. When you succumb, satan will then go home and laugh saying that he has succeeded in deceiving you. If you are sick and do not recover quickly, Satan will tell you

that your Leader does not love you otherwise He would have healed you, and you will become disturbed in mind. That is how satan recruits members into his fold. He knows that whosoever blasphemes against the Son of man shall be forgiven. He knows equally that whoever blasphemes against the Name of the Holy Spirit shall never be forgiven in this generation and another generation to come. Therefore, it is the intention and pleasure of satan to make you blaspheme against the Name of the Holy Spirit so that God's curse and condemnation may come upon you. I have come to help you free of charge and therefore you have no justification to murmur against against me.

YOU DO NOT NEED TO STRUGGLE FOR ANYTHING IF YOU DO NOT WANT GOD

Now I want to disclose one of the secrets in this Kingdom. Read *John 21:25*. **That is one of the secrets.** If you do not love God what do you struggle for? We do not need money here and we do not seek after beauty, houses, wealth or anything whatsoever. The only thing He wants from you is to love Him. When you ask God to give you money so that you can pay tithe and *** build cathedrals for Him, what does He do with those things? It is satan who requests for such things. God wants you to love Him.** Christ handed over the key to Peter because he loved Him more than all else. Of all the disciples of Our Lord Jesus Christ it was Peter who loved Christ most and that was why the Lord asked him to feed His lamb. If you love God, death cannot

separate you from Him. If you love God sickness cannot cause you to blaspheme against His name. If you love God, nothing can cause you to insult God or blaspheme against His Name. It is the worst offence to question God, to murmur or blaspheme against His Name. It is the greatest sin for you to declare that God does not love you. Has He not told you that you should not tempt your God, or murmur against Him and that you should not commit fornication? Read *Romans 8:35* — end.

GOD HAS CALLED YOU TO ADVISE HOW TO PLEASE HIM

Why then do you murmur against God? Why do you ask Him questions, doubt Him, and accuse Him of not loving you? Why do you tempt Him and continue to do the things He tells you not to do? It is for these that the Father has called you together to teach you and do advise you on the things you should do to please God and to inherit His Kingdom. Read *1 Cor. 10:7—11*

Have you now seen why i said there are many things in this Kingdom but which you do not know? And there are yet many things which you cannot be taught now. You are told not to tempt God so that you will not be destroyed by the destroyer. When you complain to God about your pains, your childlessness, hunger, poverty, etc., does it mean that God did not know all those things? Does He not know your infirmities? You have been told to refrain from begging because God knows our heart desires. If you disobey God and do that which he says you

should not do you tempt Him. What He sees and knows you do not see and does not know. You do not even know the Kingdom that he has brought to you.

If Abraham had loved his wife more than God would he have been God's friend? If Abraham had loved his son more than God would he have been a friend of God? If Abraham had loved all else than God would he have been God's friend? Do you not realise now that except you hate everything else you cannot be a friend of God. he has told us in *Luke 14:26–27*.

ABRAHAM AND SARAH WERE ACTING ACCORDING TO GOD'S INSTRUCTION WHEN THEY LIED TO THE KING

When Abraham was 75 years old the voice of God came to him saying that he should leave his land of birth and go to a place I have kept for you that you may serve me. If he did not leave his land of birth would he have answered the name Abraham? If it were you would you have left your land of birth? Would you not have beaten your chest and vowed never to move even an inch? Once upon a time Abraham took his wife, Sarah, to Egypt to buy maize. Sarah was a beautiful lady and before they set off to Egypt God had instructed him never to admit that Sarah was his wife and that he should tell Sarah also never to disclose that Abraham was her husband. When they arrived Egypt information reached the king that a very beautiful damsel with a certain man were in town. But God had already proved that He sees both out far and near and He had known

what kind of drama he wanted to make out of the situation. That was why he gave Abraham specific instructions before he left his home.

When the king heard about their arrival he sent for them. When they appeared before the king, he asked Abraham whether Sarah was his wife and to Sarah he asked whether Abraham was her husband, but both of them said no. Because Abraham loved God he hearken to His voice. Meanwhile the king had ordered that Sarah be taken into a different room away from Abraham and had gone ahead to settle the bride price with Abraham. If you were Abraham how would you have reacted and felt towards that situation? Would you not have decided to swim or sink with your wife? Can you now see the manifestation of the statement that whosoever does not hate his father and mother and husband and wife and children and friends and even himself cannot be his disciples. To hate your father does not mean that you have to insult him or despise him.

GOD REVEALED HIMSELF TO THE KING IN THE DREAM

In the night God revealed Himself to the king warning him if he dared touch Sarah. He, God, would destroy him and his kingdom. The King woke up in fear and went to Abraham and asked him why he did not tell him that Sarah was his wife. Abraham replied saying that if he had done so would the king not have ordered him to be killed in order to take Sarah? The king then pleaded with Abraham and gave him many gifts and presents and requested him to plead with God not to carry out

His threat on Him. Abraham left with plenty of wealth. Therefore, if somebody says that a man of God is never wealthy he lies. Everything in heaven and on earth belongs to God. It is Satan who is poor and helpless. That is why he promised not to remain alone in that bottomless pit. God has never failed any man and he will never fail.

THE IMPOSSIBLE COULD BE POSSIBLE TO GOD

The third example is the case of Sarah you all know who had no child. It was because of her childlessness that she asked Abraham to sleep with their maid, Hagar, and see whether he can have a child from her. But for 90 years Abraham continued to marry Sarah without complaining of her barrenness. If it were you, you would not have tolerated such a woman for even one year. You would even have accused God and parted ways with Him if that kind of thing happened to you. Abraham was sure of one thing and that was, God was capable of making the impossible to be possible. He had faith and believed in God. If it were you, you would not have failed to visit all the hospitals and native doctors and would have consulted oracles and would have made sacrifices to the gods of the land.

When Hagar gave birth to Ishmael Abraham was happy. But another temptation came to Abraham when God sent an angel to tell Sarah to cast Hagar and her child outside because neither the woman nor her child had any share in Abraham's inheritance. If you were Abraham you would not have failed to tear Sarah into pieces. But

when Sarah explained the whole thing to him Abraham did not get offended. When he came back he found Hagar and her child outside weeping. He complied with the directive of the angel and they were taken away. Who amongst you would have endured that. Does that not fulfil the Gospel which says if one does not hate his children and himself he will not be His disciples?

THE CHILD OF PROMISE WAS BORN

Then finally Sarah was conceived and she delivered a baby boy who was called Isaac. Another trouble came and God asked Abraham to sacrifice Isaac, his only child, unto Him. Do not forget God's statement in the Scripture that whosoever does not hate his father, mother, husband, wife, children and even his life is not worthy to be His disciple. God showed Abraham a very distant place to do the sacrifice. The journey took him some days to arrive at the spot of the sacrifice. Abraham endured and took Isaac to the place of Sacrifice. While there, Isaac asked him to produce the sacrificial lamb, as the fire was burning out the woods gradually. Isaac did not know that he was the lamb intended to be sacrificed by his father. Who on earth would have accepted to offer his child for sacrifice, even if he had dozens of them? And when you claim that you have done so many things to God. Then I asked what are the things you have done to God? After all whatever you have is given to you by God.

GOD SHALL FIND A SACRIFICIAL LAMB

In reply to Isaac's question, Abraham told him that God will find a sacrificial lamb unto Himself. Even if Abraham had sacrificed Isaac, he stood to have lost nothing because, eventually, the God who owned Isaac also owned Abraham. And if God who gave also required of what he had given, Abraham would have lost nothing. That is why it is said that without faith no one can please God. When he was set to slaughter Isaac, a voice came and told Abraham to look to his right that he would find a ram for the sacrifice unto God. Abraham earned the name, a friend of God because he obeyed God. Therefore we are the children of Abraham and should work under that love and obedience. For faith that worketh in love is that which is required in this Kingdom.

YOU HAVE BEEN COMMISSIONED TO GO INTO THE WORLD AND PREACH THE GOSPEL TO ALL NATIONS

From now henceforth you are commissioned to go ye into the nooks and corners of the world and preach the Gospel and make all nations disciples unto God. This assignment is for the Brotherhood world. When you go out, do not speak of your own wisdom but say exactly what you have heard from the horse's mouth.

Do not beg anybody to come to Brotherhood, and do not prevent any person from coming to Brotherhood. Do not despise any person, any church or any organization. If you go into a place that rejects the Word of God,

shake the dust from off your feet and leave the place. It is your duty to heal the sick, raise the dead; make the lame to walk, the blind to see and the dumb to speak. Freely ye received and freely ye must give. Do not take with a bag or cloth or sandal or anything because a labourer is worthy of his wage. Whatever shall be presented before you, eat without questioning. If you get into a house where there is a child of God the peace of God will surely abide there. Where there is no child of God, shake off the dust from thy feet and that shall be unto them the judgement, and their position shall be terrible on the judgement day.

ANSWER CERTAIN QUESTIONS THROUGH QUESTIONS

Do not argue the word of God with anybody. You are only sent out to go and bear testimony of what you have seen and what you have heard. But if any person would want to use carnal knowledge to try your wisdom and argue with you, I am going to tell you how to tackle such a person. Certain questions can only be answered through questions. If somebody questions you who is your Leader, tell such a person to concentrate himself with the instructions of Our Lord Jesus Christ which say thou shalt not steal, thou shalt not commit adultery, thou shalt not covet, love ye one another and so on. Tell him that Our Lord Jesus Christ has given an injunction that ye call no one teacher, for there is only one teacher and we are brethren. If somebody asked you to say whether your Leader is God, tell him that, that is not what you are coming for. Tell him you have brought good news from

Our Lord Jesus Christ which says we are all brethren and we should love ourselves, live in harmony, refrain from stealing, fornication, hatred, discrimination and the rest of the vices. If he further stresses that you should say who your Leader is, also ask him to say who Our Lord Jesus Christ is. If he says that Jesus is the Son of God, also tell him that your Leader is equally the Son of God. If the person says that you are worshipping a human being, question him who Our Lord Jesus Christ is. If he says He is a human being you tell him that He is also worshipping a human being. Another similarity between Jesus Christ and Olumba Olumba Obu is that both of them are born of woman. therefore, whosoever says to you that you are worshipping a man he too worships a man, and if he says that he is worshipping God or the Son of God then you are also worshipping the same thing. Another thing is that, the world has not seen Jesus, the Christ they claim to worship? And if you bear testimony, of something you did not see is your testimony true? But in the case of Olumba Olumba Obu, tell your adversary that you are testifying about somebody you see and have wined and dined with. Then go ahead and enumerate the qualities, characteristics and activities of the Leader. After that, ask your a c c u s e r whether he can mention the features of Jesus Christ and His full activities. Also go ahead and ask him how many times he has seen Jesus Christ in his dreams. then tell him that in the case of the Leader, you see Him everyday and he is present everywhere. Tell him

that the good news here is also about the teachings of Our Lord Jesus Christ which says we are all brethren, that there is only one teacher and that we should love one another. That is what the Leader has come to remind you. Any time, therefore, somebody asks you the question "who is your Leader?", ask him in return whom does he think is the Leader. It is an insult for you to answer such a question straight accepting that the Leader is Christ or God, or even denying it. Do you think that God or Christ can say that you are worshipping a human being? These questions are tricky ways of diverting your attention from the truth and from discussing the vices they commit. A certain white man came to see the Father after reading the book "The Truth Has Come". He became so angry, after reading the book and refused accepting the fact that he was a brother. Before he could introduced another irrelevant discussion the Holy Father asked him whether he was baptized, and with what kind of baptism. he said he was baptized by sprinkling of water on the forehead. The Holy Father quoted portions from Bible which prescribed baptism by immersion and he immediately became stupified and realised how empty he had been. He accepted them he became a brother and went and told his church members that he had see the truth. The world applies a strategy, when you go to them to discuss the world of God, where you will quarrel and get angry and immediately go away without preaching the Gospel to them. that is why they quickly

introduce other peripheral and irrelevant questions, like the lawyers would do in the court, so that you will be offended and lose balance.

Another way of answering the question when asked who your Leader is, is to tell the person to get baptized into Brotherhood and the Father will reveal the Leader to him. If you answer straight that the Leader is this or that, Satan has defeated you. You have to take the good news into the world and preach the truth here to them and baptize them in the Name of the Father, the Son and the Holy Spirit. *Read Matthew 28:19-20.*

Your work is not only to go from Bethel to Bethel, but to every nook and corner of the world and liberate them. You have to show them the way by flashing the light to them. Preach Christ to them and tell them to refrain from all manner of sins. Your problem is that you want somebody you intend to offer a new garment to come naked with you to the market where the new garment is to be bought. You have to allow such a person to wear his old garment to the market with you where you will procure the new one. The joy of seeing and having a new garment alone is enough to cause him to remove and discard the old one voluntarily. Have you ever heard that I persuaded any person to come to Brotherhood? Have I ever told you that I am a Prophet or an Elder or anything? My duty is to preach and explain Jesus the Christ to you. You are not asked to go out with your own wisdom or understanding to preach the Gospel. You are to take exactly the teachings

you receive here and what you have seen and witnessed here outside.

DO YOUR BROTHER NO EVIL

Another injunction is that you should love yourselves, love one another and do evil to nobody. Practice Brotherhood and let the entire world see it in you. When the disciples of Our Lord Jesus Christ went into the farm out harvested and ate the corn, the owners of the farm expected Christ to scold His disciples and condemn their action. Rather he told them the story of David how he got into the temple and ate of the bread meant for the prophets and God did not strike him. If ye love one another the world will know that ye are the true children of God. Do your brother no evil and always be your brother's keeper. Respect and love your seniors and constituted authorities. But for the fact that the world has seen and known the Holy Father your attitudes would have completely denied the principles of Brotherhood. Your attitudes go contrary to the morals of Brotherhood. We should love ourselves so we will be able to love others.

LOVE ONE ANOTHER AND DO NOT IMPUTE SINS AGAINST ANY ONE.

When Our Lord Jesus Christ was washing His disciples feet Peter told the Lord, when it was his time, that he should not wash his feet. Christ told him if he did not wash his feet he will not be worthy to be His disciples. Peter then asked the Lord to wash his head too. But the Lord told him that once

one has been washed clean he needed no washing. Strive at all times to help one another and do not impute sins against any one. You were not called in here to come and fight, quarrel and impute sins on one another. You are called in here to come and love one another. Go out and bear testimony of what you have seen and be generally kind to all. When Brotherhood started I used to go from house to house to help people in their houses as well as preach to them. I never used to pray to any sick person; what I used to do was to ask the person to go on ministry work and there he will be healed. If you go out and reach and practise the word of God then God will not fail to bestow His blessings unto you. He has said, seek ye first the Kingdom of God and every other thing will be added unto you.

Your assignment therefore from now henceforth is to go from house to house and to all nooks and corners of the world to preach the Gospel. Be ready to sacrifice whatsoever, it may require to do the work diligently. The secret of your wealth, strength, health, goodluck and every good thing is to go out and preach the Gospel. If you continue to come to receive the teachings but fail to go out and preach same to the people, you can be likened unto those who are ever learning but who never attain the wisdom of truth. preach the word of God to your wife, children, friends, family, neighbours, colleagues, and whoever comes across you.

YOU CAN ONLY DECEIVE A MAN NOT GOD

You can only deceive a man but cannot deceive God. That is why when I look at you I conclude that you do not know yourselves and where you are. You do not know that wherever a runner gets to, a person who walks gets there also. Whatsoever you own and wear, whatsoever you are whatever kind of cathedral you build to God, you must practise the Gospel. No matter how melodiously you sing, no matter how hard you pray and preach, the basic thing is for you to practise the Gospel. The air of preaching the Word of God is for righteousness. There is nothing that can change a man other than the word of God. No matter the nature of his person and his religion, if you are able to approach him with the word of God, gradually you will see a change in him. If you continue to feed him with the Gospel he will finally grow into the accurate knowledge of truth. It is only when you go out into the world to preach and pray to people will you witness and testify about the wonderful work of the Father. If you have a brother who is given to fornication, drinking, hatred and various vices, preach the Gospel to him. Where he fails start giving him visions and to tell him other sweet things and even give him money; so that he is not lost in the final day. That is why we have been commissioned to go into the world and preach the Gospel and baptize the people and making all nations disciples unto the Lord. That is the only way you can use to bring salvation unto mankind. If you build a Bethel to God, go on ministry

work and do the rest of the things but do not preach the Gospel to the nations are you saved? The people who call the Leader all sorts of names and blaspheme against His Name would never know the Leader except you go and preach the truth to them and get them baptized. It is only when such a person is baptized into Brotherhood will he receive the teachings here and will gradually know who the Leader is. If you continue to go round in places where there is Brotherhood already you have succeeded in doing nothing. You have to go into the places where the people have never heard anything about Brotherhood and break this good news to them.

ABIDE BY CHRIST'S INSTRUCTIONS ALWAYS

Do not try to do anything out of your own wisdom or power, always abide by the instructions and guidelines given by Our Lord Jesus Christ. Do not use your own wisdom to teach; always go out and say exactly what is written down by Our Lord Jesus Christ. If you have the talent to preach or give visions, or sing or dance, combine all those talents for the service of Almighty God. Do only that which you are gifted to do.

If you call yourself a Brotherhood member but indulge in necromancy, juju and consultation of oracles what are you good for and where do you stand? Many of you fail because you are impatient and are not prepared to suffer for the sake of the Gospel. You do not want to be stoned, persecuted, abused and ridiculed for the sake of the Gospel. You believe and practise

revenge tit for tat. That has been your undoing.

YOU ARE NOT BETTER THAN THE CHRIST STUDENTS

Another thing that you have no knowledge of is about the Christ students. Many people are of the opinion that because they have built Bethels for Brotherhood and have done other things in Brotherhood they are better than the Christ students and are above them. That is not true. They represent what Brotherhood stands for, having left their parents, kids and kins, friends and the things of the world and surrendered themselves unto God's service for 21 years now. Christ had said, I am the way, the truth and the light. that is what the Christ students are to Brotherhood. Therefore if you are seeking for the truth, wisdom and blessings you have to meet the Christ students. Never you compare yourself to the students no matter who you are and the position if not for anything but for their 21 years in God's service and their ability and courage to forsake their parents and every other thing and follow God. They have undergone all forms of tribulations and persecutions and yet they have not lost hope and their faith has not dwindled. How many of you have forsaken anything you had wife, husband, children, money, etc., have surrendered yourself to God? You are still holding unto whatever you had and are not prepared to serve God. They have suffered all forms of tribulations even in the hands of brethren yet their faith has not been shaken.

THE STUDENTS HAVE THE GREATEST LOVE FOR THE FATHER

Peter and the rest of the disciples got not the services when they were advanced in age. But the Christ students surrendered themselves to God's service in their teens and tender ages. The students have the greatest love for the Father. They obey the Father because of the love they have for him. The disciples of Our Lord Jesus Christ did not love their master so much.

It is the students who introduced and spearheaded the singing of the Holy Father's name in Brotherhood Hymn book. They faced stiff oppositions from many personalities both within and without. But they were undunted inscription of same across the pulpit. Those ideas were vehemently opposed by other members including the pastors initially. But the students stood their grounds, and took every accusation from members. No other group of people understand Brotherhood as the Christ students.

That is why I implore you to be good and kind to the students. You do not pay your tithes, and are not prepared to practise the Gospel. You claim that you are saved by grace, what kind of grace do you mean? Ninety nine per cent of members in Brotherhood are being baptized by the Christ students. But today you do not want to recognise them. They have undergone all forms of hardship which you cannot withstand. Whatsoever you want to know about Brotherhood you have to meet the students and whatever had been your heart desire and problem get

close to the students and be generous to them and all your problems will be solved.

THE CHRIST STUDENTS ARE MY REPRESENTATIVES

The purpose I chose the Christ students was because the rest of you never had and still have not the time to serve God. You are always busy pursuing your businesses and enjoying in your homes. I selected them so that they will go out into the world and preach and practise the Gospel. Therefore, they are my representatives. You people came into Brotherhood so that you will have money, get children, be healthy and that your business may thrive. But the students, according to their names, are here to study and practise the Gospel.

Brotherhood is progressing day by day. Therefore the things that were taught and done ten to twenty years ago are not the ones done and taught now. The things that were taught even last year are not the ones taught this year. You cannot compare a full time regular student to the one who reads and teaches himself at home or through correspondence courses. The situation could be likened unto the recruitment of a fresh graduate from the University into the police as Superintendent with no experience about the police. Such a person cannot function effectively; The situation is obtained in all fields of professions. What that mean is that in everything you want to do you have to start from the beginning. That is why many people in Brotherhood, even including the ordained ones, do not

know the procedures of doing things in Brotherhood. Instead of coming down to learn from the Christ students, these people pride themselves because of their wealth position and a g e. Wherever the Christ students are posted to everything there works smoothly and according to laid down rules. All of you have to be schooled by the Christ students from now henceforward on what Brotherhood is. No matter the number of publications you read you cannot understand Brotherhood except you come here and be tutored, and even so by the Christ students. The things you do and say as the Father pleases—those things do not please the Father. The Father does not like what is evil.

You have to love one another as the Kingdom is built on love. Practise love so that it will attract many to come and witness the wonderful work of God.

THIS KINGDOMS IS VERY ACCOMODATIVE

In this Kingdom there are many mansions that is to say there are many sections to accomodate all kinds of people. But what the Father wants are people who will devote their entire lives to God s service. Your problem is that you disobey the teachings of the Father. If you do anything outside the guidelines given by the Father you have derailed and you are in trouble. The problem that took place in Ghana, the only people who were able to settle and solve it were the students, after every other group had failed.

Many brethren who open Bethels operate such Bethels as their exclusive private concerns. Such brethren share

out positions in the Bethel to their wife, children and themselves and hardly pay proceeds from tithe box to the headquarters.

Before a teacher is deemed fully qualified and certificated teach, he has to undergo a practical teaching himself to put into practise the theory he had been taught. I am now going to send out the Christ students on their practical training and teaching outside. they have to go out and teach the rest of the people the rules and guides in Brotherhood. Therefore when you see any Christ student in your Bethel you have to receive him and listen attentively to his advice and do exactly what he taught. If you receive them, it is not them you receive per se but the Holy Father. They have been selected to represent the Father because they are more learned than any other person or group in Brotherhood. Therefore, there is no need for you to want to see the Father for anything. Whatsoever you want, go to the students.

Some of your problems arise because of your failure to pay tithe, be kind and obey God s injunctions.

I DO NOT WANT ANY FORM OF POLITICS IN B.C.S.

There is no politiking in Brotherhood. Everything is done by merit. If you are to be made the Leader s Representative it shal not be because you are a visionary, or because you are rich or because of your carnal position. The selection of the Leader s Representative should be on merit, based on spiritual and physical qualities. He should be upright,

honest, dedicated, merciful, righteous, kind and knowledgeable. How can you represent the Father when you are a fornicator, a murderer, a robber, a backbiter, an idolater and do commit all sorts of vices? How can you represent the Father when you cannot preach the Gospel, you cannot practise it and do not even believe in the Gospel? How can you represent the Father when you have no love, no faith, Therefore, whoever seeks any position in Brotherhood should possess all the necessary qualities. In this Kingdom, it is God who appoints someone into any office. The problem in the world is that people appoint or nominate themselves and do not wait to be appointed. That is why there were many square pegs in round holes and that is why there is economic, political, social, religious and all-round failures in the world. To some people God has endowed them with wealth, some with knowledge, some with power, some with wisdom, and so on. therefore there could be some who are poor but wise and because they are not wealthy their ideas are not accepted. Somebody could be deceiver, swindler and robber but because he has money and is educated he is trusted with a leadership position. How do you expect that kind of a person to perform well and lead the people correctly and sincerely?

THERE IS DIVISION OF LABOUR IN BCS.

In Brotherhood every person has his own duty. No person should therefore

engage in any activity that would bring disgrace to his family and to his God. Do not be idle and lazy. Rather than stealing or living a dependent life accept even to sweep or sell groundnuts in order to live. You cannot be rich by begging but by working hard. It is said that it is blessed to give than to take and that no person should eat one's food for nothing. It is also said that nobody should feed the lazy. Rise up and get yourself engaged in any form of genuine work to earn a living. Brotherhood has no place for a thief, a deceiver or lazy person. What Brotherhood wants is honesty and hardwork, obedience and the rest of the good virtues. You do not have to disobey your boss. Behave well in your family, office, community and wherever you are. Conduct yourself to portray yourself as one who receives the teachings of God. You have to love yourselves, so that you can love those who are outside. If you do not love your brethren outside how can you love God? Our duty is to love everything created by God, including the ants and grass because they form the Brotherhood family.

Do not force anybody to do anything in Brotherhood and do not impute sin upon any person. People are differently created. There are numerous commandments, but the greatest of them all is love. If you love one another then there will be no problem. If you tell somebody that he must be a vegetarian or refrain from fornication and the rest of the vices before he comes to Brotherhood you shall have succeeded in scaring him and poisoning his mind about

Brotherhood. All you have to do is to preach love and extend same to everybody so that your light can shine on them and attract them.

PREACH TO PEOPLE TO LIVE IN PEACE AND HARMONY WITH ONE ANOTHER

The rule in Brotherhood is one man one wife and vice versa; no person should commit fornication. That does not mean that you have to force somebody who had already married more than one wife before coming into Brotherhood to divorce the rest. Rather preach to such a man, and indeed everybody, to live in peace and harmony with one another. Therefore it is either you marry one man or woman or you do not marry at all.

DO NOT HATE THOSE WHO STILL HAVE FAITH IN JUJU

Moreover, there are still many persons in Brotherhood who have their faith in medicine and juju. If you see or know such persons, do not hate them or despise them. But continue to get close to them and impart the truth to them. The Almighty God who is all powerful is capable of changing any person at any time. I want to let you know that there is no juju, no mermaid, no witchcraft, and there is no other power whatsoever other than the power of God. All we need to do is to believe in God.

Many of you suffer because you believe in juju and other diabolical things than in God. If you believe and indulge in necromancy, fornication, charms and the rest of the vices you have to suffer tribulations. Once you

listen to the word of God and put it to practice and discard every other thing you will have no problem.

Another thing you have to take home is that you should not persuade or force somebody to get baptized into Brotherhood so that his infirmities may be healed and his problems solved. The purpose of baptism is for the remittance of sins. You have to tell the person to refrain from every form of vice and follow God. The baptism of John is for the renunciation of sins and repentance while that of Christ is for the forgiveness of sins and salvation. That is why in Brotherhood before any person is baptized he has to confess his sins. The purpose of baptism is not so that your problems may be taken away. If you confess your sins and are baptized you will be bestowed with the Holy Spirit. Tell that to any person no matter what he is to you.

DO NOT PERSUADE PEOPLE TO COME TO BROTHERHOOD BECAUSE THEY WILL GO BACK.

If you preach the Word of God to somebody the person will not fail to see his nakedness and ask for baptism. This kind of person will never have any cause to leave this Kingdom. But somebody who came in here, maybe, because of persuasion, force or any other reason will not stay long. Equally do not compel any member to belong to any fellowship or do any thing outside his wish. Apply the love of God with all men and refrain from anything that will cause your brother to stumble and fall.

This Kingdom belongs to the entire world. Shortly there will not be enough space for the multitude of people, both black and white, who will be trooping into Brotherhood. Examine yourselves perfectly and know what is your talent. If your talent is to marry, or trade, or go to school, or farm, or sing, or preach, etc., etc., do exactly that which you are gifted and do it wholeheartedly. Do not engage in blackmail or plan evil against any person or impute sins against anybody. Every person in Brotherhood has got his work and usefulness. In a no distant future, brethren will be coming from abroad in great number to see the Father and will be taken to places including Biakpan. From now henceforward, you have to unite cooperate and help one another. Be your brother's keeper. There is nothing as great and joyous as the children of God coming together and rejoicing with one another.

It is not a simple thing for one to come out and identify himself as a Brotherhood. Many have tried but could not because of the attendant tribulations and persecutions. You who are in it already should stand firm. Live together and love one another. You cannot reap what and where you have not sown. For instance, if one was a police man and had resigned his appointment and gone into farming, will such a person go to his former office and request to be paid his salary? He cannot be paid his salary after resigning his appointment and not working in the office. Consequently, we are living in a different and new world, having left the carnal world and

abandoned it. There is nothing the world would do for you other than to hate you, persecute you, despise you and do you all forms of evil. Brotherhood is your only salvation and is sufficient unto you. You therefore, have to fully identify yourself with Brotherhood and surrender yourself wholly to God. Brotherhood is the New Kingdom of God and nothing more than that. It is Brotherhood alone that can stand with you at the time of trouble and distress. Your father, your mother, your husband, wife and friends will all desert you at the time of trouble. If somebody cannot help himself, can the person help another? But somebody who is capable of helping himself can he not equally help another person? Brotherhood it is that can help you, solve you problems, comfort you and do everything to you. If a city were to be carved out for Brotherhood, how large do you think the city would be? But Our Lord Jesus Christ is preparing for us a Kingdom wherein we shall dwell.

THE MOST IMPORTANT ASSIGNMENT IS TO CHANGE MAN KIND

The first and most important thing to be done is to change mankind. Once man has been changed, Brotherhood is big and resourceful enough to accommodate and take care of everybody in it. In future there shall be a Brotherhood farm, bank, school and many other outfits. You have to gird up your loins and refrain from every form of vice. In due season too, Brotherhood shall engage in media services, mass cultivation, and many other activities.

Therefore you have to rally round your brethren, especially the new ones, so that you can strengthen their faith. It is said that a labourer is worthy of his wage. Whatever you are endowed with in Brotherhood do it well and show a sense of commitment. :There had always been, in times past, full time servants of God and those who serve Him partially. The part time workers, therefore, have to support the full time stewards to enhance the full and smooth services. use whatever you have to the service of God and serve Him in any capacity and with the ability God has given you.

As you love the Father extend that love also to one another. If you love

one another then you have loved the Father. Read *1 John 3:17* Therefore, **whosoever sees his brother in need and fails to help him does not love God. After all, money is not life, it is not health, it is strength, is not power, is not joy and does not bring you peace. God is nothing but love, and so Brotherhood also stand for love. Whosoever has two coats should give one to the person who has none. If you do not have, you do not have to go and steal in order to serve God. This Gospel is directed to those who have; those who are more blessed. Unite together and love one another.**

Thank You Father.
