

BY THEIR FRUITS YOU WILL KNOW THEM

1st Lesson: John 3 : 3

2nd Lesson: Mathew 12 : 33

Golden Text: 1 Timothy 2 : 21

Brethren, that is the theme of our revelation tonight.

After reading the first and second lessons as well as the golden text, you will know what we are going to reveal unto you. If the Father had not come to the world Himself, the world would have been in a very pathetic situation.

REFRAIN FROM SINS

You will realise why we continue to advise you to refrain from all manners of sin. No matter how numerous you may be if you do not refrain from all acts of sin God cannot use you in His own service. You are a thief and you pray that God should use you in His service, what do you want Him to use you for? You are a fornicator and ask God to use you in His service for what service is He going to use you? You are one who indulges in the preparations of concoction and you claim that you have surrendered yourself, in what way is He going to use you? You are a drunkard and you claim you have surrendered yourself to God, what do you think He can use you for? You ask God to give you money, children and houses, in what way and for what purpose will these requests be used, when you are corrupt? Do you think that if you do not repent, that you can be a vessel unto honour sanctified and meek for the master's use and prepared unto every good work?

REPENT AND BE SAVED

And so the first and foremost thing we have to do is to repent and abstain from all acts of sin. Whoever does not refrain from sin, cannot do any good thing and God Himself is not prepared to use you for any good thing. You will realise that the wisdom of God is far higher than the wisdom of man. Before God uses you in His service, you have to see to it that if you were a thief, you must refrain from theft, if you were a fornicator, you refrain from fornication, if you were a liar, or one who indulges in the preparation of concoction you have to refrain from such vices. If you desire that he should use you in His service, you have to forsake all the carnal things and then you surrender yourself to God. That is why it is said the field is all wide but the labourers are few. If you do not refrain from sin and if you do not surrender yourself to God, He cannot use you for any good work.

REFORMATION IS THE GREATEST WORK DONE BY MAN

You will then realise that the greatest work to be accomplished by man is to reform an evil person. That is the downfall of our government. That is the cause of the downfall of our community, that is the downfall of the church, that is the downfall of any firm or company. You have not refrained from sin but you go to establish a company. For what use will God put that company? You have not refrained from sin, you found a church, what use will God make of such church denomination, and who will rule over the church denomination? You have not abstained from sin, you lobby people

to vote you as the president, who will be subjects to such a president? It is said when the tree is made corrupt its fruits will be corrupt, and when you make a tree good the fruits will be good. Because a tree is know by its fruits.

EXCEPT YOU ARE REGENERATED YOU CANNOT SERVE GOD

In as long as you are a bad man and you are enthroned as the community head what do you think will be the condition of such a community? In as long as you are a wicked man and you become a governor of a State, what will be the condition of the State? In as long as you are an evil person and you are a Managing Director of a certain Company how will that Company look like? In as long as you are an evil person and you are enthroned in your city, what do you think will be the outcome of such a reign, infact such a community stands destroyed. When an evil person rules in a village, such a village is in ruins, wretched and impoverished. When an evil man is the Chief Executive of any Company, such a Company stands liquidated. When an evil person is the president or a governor or King of any Country, or State or Kingdom such a Country, State or Kingdom is in ruins. When an evil man heads any church denormination, such a church denormination stands destroyed. The first figure you have to count in the Arabic numerals is the Zero '0'. That is why Our Lord Jesus Christ has said except a man be born again and be regenerated, he cannot do any good thing.

You are a millionaire, but you do not refrain from sins, you are of no use to any person. Fill this hall with money, fill it with high education, of what benefit is your money or high education simply because you have not repented. Government is formed and somebody is elected to preside over it after some years another person is elected, but none of them refrains from sin, does not repent and does not believe in God, why is he elected and what is he going to do there?

SEPARATE YOURSELF FROM CARNALITY

Somebody founds a church denormination and establishes branches all over the world but he does not abstain from all manner of sin, what can such a church do to any person? Brethren can you realise the truth in the Gospel of Our Lord Jesus Christ that except we be born again, be regenerated and refrain from all acts of sin, and surrender ourselves to Him, God cannot use you for anything good. The first and foremost we should ponder over, is how we will be able to refrain from fornication, theft, thoughts about money, indulgence in the preparation of concoction and charm and talisman, drinking and snuffing, and smoking and any other act which does not give glory to God. God is looking for people He will use for honest service and does not want those who persist in sins because the world itself is filled up with the commission of sins. He is searching for such amongst the whites, but has not seen them, He searches amongst the blacks and cannot see either. And our Lord Jesus Christ says for their sake I sanctified myself that they also might be sanctified through the Truth. He has also said if any man would come to me and hate not his father, and mother, and wife, and children, and brethren, and sisters yea and his own life also, he cannot be my discipule. And whosoever has not forsaken all that he has, cannot be my discipule. Tell me

now, when you come in the morning and in the evening. in the mid-day, in the night you ask God to give you wisdom and power, as you have not refrained yourselves from all manners of sin what are you going to use these gifts for?

Now God wants those who refrain from sins to follow him. When you forsake everything whether you are educated or not, forget about such things because God will use you to execute good work. Money is nothing, wisdom is nothing, life is nothing, what matters is for you to repent and surrender yourself to God and forsaking all what you have. As you see your government in ruins, even if you select another person and place Him as a President, or as the Prime Minister or as a governor, the same condition will continue to apply except one who refrains from all manners of sin, who denounce his sins, forsakes all he has and surrenders himself to God. Do you know that when you make a tree corrupt its fruits will also be corrupt. It is said, unto the pure everything is pure unto the righteous everything is good, but for them that are defiled and unbelieving is nothing pure but even their minds and conscience is defiled.

High education will not save your community. Money will not save your community, your high position or assuming an air of importance, will not save your community, neither man nor woman can save the community. There is no church denomination which will save the community, neither white nor black can save the community, exesting any person who is born again, be he a small child who refrains from sin, he will be a vessel which God will use for all good works.

Brethren, I do not want to overload you this night, the first lesson will now be read.

John 3 : 3

“Jesus answered and said unto him, verily, verily, I say unto thee, except a man be born again, he cannot see the Kingdom of God”

Brethren, have you heard what is read unto you? Even a necromancer now want to found church denorminations. What type of church denormination is he going to find? A necromancer, or a soothsayer, or a member of a secret society, wants to be a president or governor, what sort of president or governor is he going to be? A thief, a swindler, an extortioner wants to be a president or a millionaire or a bishop; what type of bishop is that, what quantifiable benefit can be derived from his work as a bishop?

WHEN A TREE IS CORRUPT, THE FRUITS ARE CORRUPT

You who elect somebody, who professes to be a professor, to be the president so that the government might be re-organized well, and so that both the government and the various components of the city might work hand in hand, do you know that when the tree is corrupt the fruits will also be corrupt? Do you know that when you enthrone an evil person as the community head, that the whole community faces destruction? Be it in your community, village, family, house, government, company, church. if you elect the Chairman and Secretary from evil man, such an association is ruined.

That is why you find all the church denominations empty, which of the members is God going to use? You can also observe that all villages, towns, cities, communities, are inhabited by thieves; which thief will God use to do marvellous work on earth? When you also observe this worldly people, you will realise that they want to rule as president, governor, prime minister, minister, commissioner, permanent secretary; which is the person to be selected amongst both the whites and the blacks to occupy such positions? Not one person is worthy to occupy.

The first and foremost thing is for the world to repent, forsake all our past lives, denounce our membership of the secret society and all other things which give no glory to God and then surrender ourselves to God and He will use us as vessels unto honour sanctified and meek for His use and prepared unto every good work. We should not come to God to ask for money, good health, power and long life. What do you want to use good health and power, and long life for, is it to use them to commit evil?

Is it not a very pathetic situation since Adam derailed from the path of rectitude, there is no righteous person, who has ever stopped for a moment to reconsider his ways and purge himself of evil, in spite of the punishment, problems, difficulties and the encumbrances visited on man, man has refused to repent, who then is God going to employ in His good service? It is said all those who enter not by the door into the sheepfold, but climb up some other way, they are thieves and robbers, but he who enters through the door is a good shepherd of the sheep. To him the porter will open the gate and he will go before the sheep and the sheep will follow him behind for they know his voice. And a stranger will they not follow, but will flee from him for they know not the voice of the stranger. That is why our Lord Jesus Christ has said also those who came before me are thieves and robbers. Notice that all the secret societies are thieves and robbers because they want to pass into the house through the window and the porter will not open the door for them because he knows that there is no righteous and elected person amongst them. All those who want to administer as president, as a governor, and as any other functionary are thieves and robbers because they want to pass into the house through the window. Any person who wants to rule in the town or community or church or ward, or family and in as long as such a person has not repented, he is a thief and a robber.

TO OBEY IS BETTER THAN SACRIFICE

You want God to give you a wife, have you repented? You want God to give you a child, have you repented? All those who have not repented but looking for wife and children are thieves and robbers. Do you not know that man is the most precious being in the world? God cannot commission the soul of a small baby to your care, you thief and robber. You complain that your wife does not obey you, if your wife obeys you, will you not kill her? You complain that your children do not obey, if they obey you will you allow them live? What is that an evil man can do? For what purpose can God use man? Since Adam and Eve were driven from the Kingdom of God, what tangible thing has man done for God? Apart from stealing, killing, fornicating, drinking, snuffing, causing confusion and speaking evil and yet you pray that

He should preserve your life for long Does He preserve your life, that you may continue to commit evils? What was the purpose of asking Him for these gifts?

BODILY EXERCISE HAS LITTLE PROFIT

In your household, you want to rule. in the church you want to rule alone; in the company you alone want to rule-in the government. you also want to rule and in all things you want to be at the head, who thinks about any other person? That is why our Lord Jesus Christ said except we are born again or regenerated, repent and refrain from sin and have good manners, God will not use us for anything. You cannot see what is good nor hear what is good nor listen to what is good, you cannot perceive that which is good and you cannot do any good thing. That applies to all of us here, in as long as we do not refrain from sins. That is why our Lord Jesus Christ has said that there is great joy in heaven over one sinner who repents more than over ninety-nine just persons which need no repentance. God does not use two persons to save the world but one person who has repented to save the world. For as death passed into the world through the sin of one person so by the righteousness of one person shall many be made righteous. That is why it is said for bodily exercise profiteth little, but godliness is profitable unto all things having promise of the life and now of that which is to come. Our Lord Jesus Christ has also advised that we labour not for the meat that perishes but for the meat that endures unto everlasting life. You are contemplating about your high education and you will leave your education behind and remain as an uneducated person, how you are going to leave your money behind and remain koboless like a small child. how you will abandon your wife and children behind and lead a solitary life. And I ask, where will these things lead you to?

ONE THING LACKEST YOU

Remember what the learned lawyer asked Our Lord Jesus Christ. He said good master what shall I do to inherit eternal life and Christ said why callest thou me good? There is none good except God. He then told him you know the law, what is written in the law? And he said, do not commit adultery, do not kill, do not steal, do not bear false witness, defraud not, honour your father and mother. And he answered and said, Master all these have I observed from my youth. Then Christ said to him yet lackest thou one thing, go your way, sell all what you have and give to the poor and you will have a treasure in heaven and come and follow me. He was very sad because he lived on falsehood and thought so much about carnal things and so he went away grieved for he had great possessions. The same thing applied to you. You still lack one thing. You still boast because of your beauty and handsomeness, you are still singing praises of your free birth, you are still boasting because of your big position, you still boast because of the landed property you have, you still rejoice because of the church denominations you founded and the secret societies in which you were a member, and the high education you acquired. But have you heard that our Lord Jesus Christ has said except we are born again you cannot do the work of God.

EXCEPT GOD BUILDS A HOUSE HE LABOUR IN VAIN WHO BUILDS

Right now if you place somebody in the position of responsibility you will observe that he will be bothered with religious sectionalism, secular things about his village and community, local government affairs, affairs of the secret society, family matters will be added, with all these many sided activities how can you do the will of God? Except the Lord builds the house they labour in vain who build it; except the Lord keeps the city, the watchman watches but in vain, If we do not forsake all including our evil utterances, our thoughts, our actions, whatever we want to trade, and farm or do any other thing, if we do not forsake what we have we cannot be engaged profitably in the service of God. Remember what the blind man said when he told the people it was our Lord Jesus Christ who restored his sight and they all shouted that He was not a good man. But the blind retorted now we know that God does not hear the prayers of sinners but if any man be a worshipper of God, and doeth his will him He heareth.

ONE BAD APPLE SPOILS THE REST

You are a village head and yet you do not fear God and will God listen to your prayers? You are a bishop in your church but you do not fear God, how will you expect God to listen to your lamentation? You are a king or a queen, or a traditional ruler or a president, or prime minister or a governor but you do not fear God, how will God lend His ears towards you? You are a Managing Director in a company or a Mercantile House but you do not fear God, how will God hear your voice? Because it is said either make the tree good and its fruits good or make a tree corrupt and its fruits corrupt. In as long as you are a thief, a fornicator, a necromancer if you are a Managing Director, it means your company has fallen, if you are a governor, your state has fallen, if you are a president, your country has fallen, if you are a church founder, your church has fallen. Right now every person is complaining that their government, their church, their society, their school has fallen, have you searched yourself properly whether you are good or corrupt? It is said either make the tree good and its fruits good or else you make the tree corrupt and its fruits corrupt. No evil person utters one good word and a good man cannot utter any evil word. The symbolism of this is that I am the tree and you are also the tree, if we depart from iniquity, it means the words of our mouth, our thoughts, our looks and our actions are all good and will be serviceable to God.

There will be no peace in the world until every person stands upright. This is the era of God and the fulness of time that God should reveal his own Glory. We should forsake all our past lives, all our behaviour, the earlier teachings we had, God will prepare and use us as His vessel for service. The second lesson will be read.

2nd Lesson:

Matthew 12 : 33

“Either make the tree good, and its fruit good, or else make the tree corrupt, and its fruit for the tree is known by its fruit.”

Brethren, can you see what is transpiring in the world? It is for this reason that the tree is corrupt. You will come across a community head who is a member of various secret societies, drinks, fornicates, snuffs, indulges in the preparation of concoctions, marries a number of wives and breaks all the laws because he is a chief, he has the licence to commit all forms of vices.

WHEN THE TREE IS CORRUPT THE FRUITS ARE CORRUPT

It is disturbing to find the head of a church denomination fornicating, drinking, stealing, telling lies and indulging in all acts of sin because he is the head of the church and so no other person has the right to query him. Look at the public functionary, the president, the governor, the prime Minister, who tells lies, no woman will ever pass their way unnoticed by them, they fornicate, take bribes and kick backs, drink and cause confusion, how will such a state or country enjoy peace and will not be overshadowed with darkness. Sometimes, you come across somebody who calls himself a Professor but he steals, fornicates, kills, drinks and smokes, indulges himself in the preparations of concoction, tells lies, do you think that God can ever use that type of professor? That is the pathetic situation in which the world is enveloped. This explains why God has sent this gospel to all the inhabitants of the world. Here is their centre of wealth and money and employment opportunities but what is lacking is an honest person. If the head stream is not good then the down stream will never be good. The person who is at the head of the government; if he is not without spot or wrinkle, how do you expect honesty and purity from the subjects. If the village head is not honest and clean then the villagers will never be clean and honest. If the head of the church is not clean, then it will be impossible tht members of the church will be clean.

THE KING DOES NO WRONG

If you point out to him that he should not do certain things he will accuse you of kicking against him and for that reason he will hate you. That is why if you are very honest in government you will be hated, you will not earn your promotion and your boss will do everything to watch against your transparent honesty so that you can be dismissed. In the church if you are an honest fellow you will be hated by many people who will not want to hear your voice. In the village also, if the village head is a chief and a liar, he will not appreciate any person who tells the truth.

SURRENDER YOURSELF TO GOD

In your country you use human blood to establish the government, to find a church, to float a company. All your establishments are based on sins. That is why our Lord Jesus Christ has told us this night that except we refrain from all the sins, forsake all earthly things and surrender ourselves to God, He will not use us for any purpose at all. What is impossible with man is quite possible with God. Every time you spend sleepless nights praying that your house should be in peace, and your village to be in peace but have

you refrained from sins? Do you think the eternal life promised was for the evil doers or it was promised the righteous ones? Do you think that the reign of our Lord Jesus Christ is over the evil or the righteous? He rules with love, truth, mercy and peace and lowliness of the heart. Whoever wishes to inherit this new Kingdom of God should forsake all what he has carnally and refrain himself from sin. You will discover that the government is complaining, the church is complaining, companies and firms are complaining. Why are they complaining because they have landed on forbidden grounds. Right now the world is in a stand still; governments, churches, schools, societies, institutions all can neither go forwards, rich man, highly educated men, wise men, scientists, notwithstanding because the world has refused to refrain from sin. There is a great illumination shining, He is looking for even one Person who can make use of it.

NOTHING IS RELATIVELY NEW

You make much ado about nothing modern invention of aeroplanes, electricity and other sophisticated technological developments, are good inventions but these inventions are not relatively new. These inventions were known before the so-called modern age but according to the evolution of the earth, it is sometime eclipsed in the 'Dark ages' and then surface again during the renaissance.

TO VOTE FOR A CORRUPT KING IS TO ABET EVIL

When King Pharaoh heard that another king would be born who would rule in the country, he undertook the first massacre of the innocent children. That was in Egypt. In Israel, King Herod heard that the King of the Jews was born "where is he that is born for we saw his star in the East and have come to worship him." As soon as he heard that, he let loose his army which undertook the second massacre of the innocent babies. Another Herod killed James. Another Herod cast John the Baptist into prison because John rebuked him for marrying the wife of his half brother. He later got John the Baptist beheaded. Remember also what Nebuchadnezzar did with the Children of God.

Evil men have always displayed their wickedness whether they be kings or chiefs or princes or millionaires they will continue to commit evil.

Know it this day that when you vote a bad man into any position of responsibility, you have installed evil and you have encouraged and abetted evil. This is so because these evil men have been struggling to place themselves in the various positions, if they go into the society, they will try to figure prominently; if they get into the government they would want to reign supreme; if they go into the church they would claim superiority over others

A BAD MAN SPEAKS OUT OF THE EVIL TREASURE OF HIS HEART

Right now those who claim to have power cannot go to stay for one week in their villages, they cannot even sleep because the village people including the village head thrive in evil. A great many people now live in the township which is like an ocean containing all sorts of evil things. People

live in a very formal way and whatever sin you commit, bothers no person. Church denominations have also spread everywhere in the township, which are named by these evil men. That was why our Lord Jesus Christ said O generation of vipers, how can you, being evil, speak good things, for out of the abundance of the heart the mouth speaks. A good man out of the good treasure of the heart brings forth good things and an evil man out of the evil treasure brings forth evil things. Can you see how the world is? Have you not witnessed how they speak evil, listen to evil, think evil, do what is evil? That is why our Lord Jesus Christ was killed; that was why Stephen and the rest of the men of God were killed—from Elijah to Moses—because the world is full of sins and even the rulers were evil men. *This is the Era of God, no evil person can reign in this era*, nor even smell the corridors of powers. If you must have a share in this reign, total abstinence from sin is a sine qua non. If you want to rule with our Lord Jesus Christ, you must refrain from fornication, theft and other evils and He will use you to perform marvellous works in the Kingdom. The golden Text will now be read.

Golden Text: 2 Timothy 2 : 21

“If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meek for the Master’s use, and prepared unto every good work”

Brethren, have you heard what is read to you? If you separate yourself from all worldly things then you become a righteous vessel which the Father will use for every good work. You have heard that what our Lord Jesus Christ said: I can of my ownself do nothing, as I hear I judge and my judgement is just because I seek not my own will but the will of him that sent me. He says for their sake I sanctify that they also might be sanctified through the truth. If you therefore wish that God should use you in His service, you must sanctify yourself, refrain from all your sins, surrender yourself to God, forsake all what you have and be truly repentant and God will use you in His service.

Why people are fed up with life is that they think that our Lord Jesus Christ is foolish. You are a thief, a fornicator; there are so many women and you are sent to take care of the women. It is like employing a goat to watch over yams, the yams will be eaten up. Do not be deceived by any person, everything has failed, this is the rule of our Lord Jesus Christ. If you wish to rule with him refrain from falsehood, wisdom of the world, craftiness, preparations of concoction, pomposity, become foolish and surrender yourself unto him and our Lord Jesus Christ will employ you to do a good work because he is looking for those who perform good work for him throughout the world.

GOD HAS CHOSEN BASED AND DISPISED THINGS TO CONFOUND GREAT THINGS

When you come into Brotherhood you will not find a lawyer, nor a professor, nor a king, nor a millionaire but can you not see Brotherhood running smoothly? Mighty work is being carried out in the world. From time to time, the secret societies will send spies to watch what is done in Brotherhood, but the more they look, the less they see. They will not find any person who is important, but the foolish, the babes, the ignorant but our Lord Jesus Christ is using his children to perform marvellous work throughout the world. Right now you are being called names, witches, mermaids, but they do not know that you have already be adorned and well balasted and kept for his Holy use.

Members of the secret societies have complained that they cannot succeed in operating against Brotherhood Brotherhood, Necromancers, juju priests also complain why they cannot do it, it is only because the Father has adorned his children and no person has dominion over them.

Have you heard the gospel of this day, that you should separate yourself from sins and vices, and carnal things? You are precious. You are kept for the service of God. You will be a good vessel unto honour sanctified and prepared for good work by our Lord Jesus Christ. That is why you are told that money, high education, good health, distinction between man and women is out of question, the only thing is that the words you receive have made you clean. It is because you are clean that is why our Lord Jesus Christ has made use of your service. You are vessels prepared unto every good work because the Father has prepared you, he will only come to collect and assign you to America, to Britain, to India, to the deep Ocean, to the Abyss, and other places; and you are shaking everywhere that is why people shout on Brotherhood. Others complain that your type of witchery is higher than any other in the world. It is not witchery but our Lord Jesus Christ is using you.

YOU ARE CLEAN THROUGH THE WORD YOU RECEIVE

Brethren, if you were to know what you are before God, you would have been happy because from January to December we continue to use the word of God to wash and massage you, to adorn you, and charge you and when you are charged the worker will collect you and assign you with certain duties and the Shepherd of the Sheep will use you in his vine yard.

The government and the secret societies and churches are sending spies to watch and see the source of the powers, but it is unfortunate that the more they look the less they see. When you instruct them not to fornicate, not to drink, not to take court action against any one, and to walk barefoot, they argue why somebody should remain without these things. They will soon realise that the moment they take court action against any one, they will smell the rat.

All those who listen to these words and refrain themselves from the sin they have been committing, from theft, fornication, drinking, and snuffing and surrender themselves to God, the Master will use them as his vessels.

See how this Wisdom has eluded you and the whole world. No person can do the work of God in his own volition excepting that you have to listen to the words of God, put them into practice then our Lord Jesus Christ will change you, and the Master will use you as his vessel.

Many people complain that the work of God is very difficult but I tell you it is the simplest thing any person can do. Do you not see in Brotherhood most people have never gone overseas but sit here and reach there. They go to the sun, to the moon, to the seas, to all parts of the world. Members of the secret societies have been spying here but they cannot do anything but when you begin to speak and act, they are bamboozled, but little did they know that it is the Father using you. Until today, unless you come, you will not believe that there are no diabolical things in Brotherhood but we are still operating as people who do not know themselves.

When you tell them to forsake all they had studies, they will query your rationale, how can one leave those things and continue to live. These things hinder you. That is why whenever somebody comes I will show him round all nooks and corners and will remove all my dresses and appear naked. When you appear in your nudity, the Father will use you in his vine yard without your knowing anything.

APPEARANCE OF THE FATHER

Upon all the claims that the Leader is seen everywhere, I am not the one, it is the Father, I do not know anything, I have no wisdom. What I know is that I walk naked and the owner of the vine yard can use me for whatever purpose. So it is with you all. As you are seen in the sun and moon and water, you are not the ones seen but Our Lord Jesus Christ, who is the Master doing the good work. That is why it is said except you are born again you cannot do the work of God and our Lord Jesus Christ will not use you. great many of you are still going to Russia and other places, praying for people; they are seeing you with the white. Even though you do not wear white in the spirit you are wearing the white. Our Lord Jesus Christ said: Thou has a few names even Sardis which have not defiled their garments, and they shall walk with me in white for they are worthy. That is exactly what happens now. You are seen everywhere with white and people testify about this, however, they do not see you but Our Lord Jesus Christ.

Brethren, I do not wish to be tedious unto you, one stroke of the cane is sufficient for the wise. Those who have ears, let them hear, May God bless His holy words — Amen.
