All reports about Stations and Students must be sent to the Students Cabinet Council and then should be forwarded to the Supreme Council – here in the Head Quarters. If you want to resign or get married, visit your parents or to any official duty, you must first communicate the Supreme Council for approval. The General Secretary from the Head-Quarters would from time to time visit your areas and when it would be found out that you are not in your Station, if the report is brought to me, you will be dismissed.

Do not write unnecessary letters to the Leader. All what you need, or you encounter in the Station should be made known to the Supreme Council.
