Unfortunately however, in this last age, there has been a misconception in the entire Christendom in particular and the world in general that, God's different manifestations and appellation were farce. As a result of this misconception therefore, Christians all over the world are seriously looking into the sky, expecting the Lord Jesus to crashland. His religious life started as a Minister of Lewisham Unitarian Church, in South East London. He continued service as Honorary Minister of Westgate Unitarian Chapel in Lewes, an important religious county town in East Sussex. On 7th November, 1991, his services took a fresh and dynamic phase when Leader Olumba Olumba Obu, the Sole Spiritual

Head of the Universe appointed him as his representative for Western Europe. From that time till this present day, he has continued to work in the Spirit of the Father.

While at Cambridge University, Dr. Goring met Sister Rosemary who later become his wife in 1958. Sister Rosemary Goring was born in Buenos Aires, Argentina also to a Unitarian family. She has a degree in French and Spanish and they are blessed with tour children; Charles, George, Margaret and Daniel. George and Daniel are both Christ's Servants. The choice of Dr. Goring as Leader's Representative of Europe fulfilled the Holy Father's earlier promise to appoint an English man as his personal representative for Europe

FATHER'S COMMENTS

I have instructed you time without number that, nobody should testify for more than fifteen minutes in this 34 Ambo Hall. inspite of this instruction, if one comes out and spends more than 15 minutes, I will not ring the bell against him. I will just enter my vestry and leave him there until I know that he has finished his jargon before I come out to attend to others. You should understand that obedience is the first order in Heaven.

Hitherto many of you were struggling for ordination but having been ordained what good thing have you done as an ordained one. Many of you have mistaken this turbaning as a title for committing sin. It is one thing to want to be ordained, yet another to be ordained but the most important thing is for you to carry out effectively the duties of an ordained one.

Of all those I have ordained, who have actually justified the purpose of the ordination?

Gone are the days when you had to do everything the way you liked. Now is the time to practise the words of God.

You have through deeds and words caused people to see this kingdom as an oracle centre. The ways you conduct your healing, vision etc. are not different from that of traditional medicine men. These things are not in line with the doctrine of Brotherhood of the Cross and Star. The doctrine of Brotherhood of the Cross and Star indicates that everything, such as services, preaching, healing, and visioning in this fold should be free of charge.

God is love and everything about love is free. If the services one gets from you is bought how will the beneficiary show gratitude to God? Your behaviour thus misleads those who come to serve God and receive salvation. Your actions, thoughts and words have gone a long way to cause people to decide against God their creator.

The slogan that, 'what a man can do, a woman can do it, even better' should be stopped henceforth, rather, it is what a man and woman can do the Holy Spirit can do it better. I have instructed that you should try as much as possible to buy books from Brotherhood of the Cross and Star Bookshops. Read through the three important books introduced to you and you will discover that, love is all and in all and God is love. So when you have the love for God, you automatically have love for your fellow humans'.

I want you to take particular notice of the fact that in this kingdom everything is done orderly. Everything is divided into sections. Whichever section you are assigned to, be contented. In event of anything being shared it will reach you and in the quantity God had kept for you. So do not scramble for anything. Whosoever disturbs himself for these things is for punishment for himself. asking Bear in mind that God does not listen to the prayers of a sinner, His eyes are against them but the eyes of the Lord is upon the righteous and He is ever willing to listen to their pleas.

THE MAKING OF THE NEW WORLD BIBLE

The Bible as known by all christians is a reference book. Some people say that the Bible was written through inspiration while others see it as the records of what happened in the olden days. Nevertheless, however one thing is pertinent and the Bible may be seer. that is, it has kept the record of events for posterity.

Christians all over the world regard the Bible as a verv important book and we owe our gratitude to those who preserved all the records of events that we may behold first, the ywonderful works of the Creator, His commandments, promises and thereafter, His second coming, His love, the works of His adherents - and the great vision about the new world. It should be borne in mind that, without a proper documentation of these events, the Bible could not have been in existence but the only regret we have now is about the attitude of the early christian from the first church who hid the original Bible from others and only reproduced this "tract" which we use how as the Bible. However, those of us in this kingdom are very lucky to have the "Orginal Bible" in our midst

The importance of keeping records for posterity should not be underemphasised. Apart from reminding others of what happened in the past, it also gives credit to the persons that recorded the events. Names of such people are not always forgotten. Take for instance, the story of Mary Magdalene pouring the alabaster oil on the feet of Our Lord Jesus Christ. This was recorded to her credit and her name can never be forgotten by generations yet unborn. Also, Judas Iscariot, though the world sees his action in the negative light, his name cannot be forgotten. In fact, the works of the apostles and disciples of Jesus the Christ form the apex of the New Testament. It should be noted that, without a proper documentation of all the things done by Our Lord Jesus Christ and the disciples, the present day christians would have threaded through a new path. In other words, the activities of the disciples of Jesus the Christ is the bedrock of the present day christianity.

Therefore, as it was done in those days, so should it be done in this last age, for once the priesthood is changed, there is a necessity that the laws must also be changed. The book of Revelation - God's plans for the future, talks vehemently about a new heaven and a new

earth instituted among men. This new world which will commence in less than eight years needs a new Bible which will contain the new laws, new teachings, new testimonies and new names. This is why the Everlasting Gospel Centre and Herald of the New Kingdom were established by the Holy Father. While the Everlasting Gospel'Centre keeps records of the Father's lectures (sermons) in prints and cassettes, Herald of the New Kingdom publicnes some of these sermons, testimonies and other events which take place in this Kingdom for posterity. Apart from these two media, the Computer Centre, recently established is also for this purpose.

It should be noted that, this generation, with the presence of the Holy Spirit personified, had done more than the past generations and accordingly, their works should be published for posterity. In this wise therefore, Herald of the New Kingdom, the Official Organ of Brotherhood of the Cross and Star is looking forward to publishing the following:

1. How Brotherhood of the Cross and Star started and spread in each local government area. The person or group of persons who initiated the idea of opening a bethel in his/her area.

2. Whatever contribution an individual or group of persons has done for the spread of Brotherhood of the Cross and Star in States, Pentecostal Centres and Bethels.

3. Important testimonies, dreams, visions, prophecies and congratulatory messages.

4. Evangelism undertaken by individuals, fellowships or group of persons.

NOTE: These information should be directed along with names, postal addresses and relevant photographs to the Managing Editor of Herald to be published for their names to be immortalised by everyone and read by generations yet unborn. This is a task that must be done before the year 2000.

Thank You Father.

Managing Editor.

A GIRL SAVED FROM CLUTCHES OF EVIL DEATH

A seven year old girl, hit by a disastrous sickness hag been restored to life by the Supreme Being now on Earth, Leader Oiumba Olumba Obu.

The girl called Egbe was reluctantly admitted into the Spiritual Hospital of the Brotherhood of the Cross and Star, Ekiosa Street, Benin - City by the Holy Father's Disciples due to her terrible condition. But working miraculosly, the Holy Father cured the girl of her sickness after three months intensive care at the hospital.

At that time her condition was such that we reluctantly accepted her because nobody believed she would survived the next twenty four hours. But today the Holy Father had done a great work of healing in her.

Egbe now in good health is a living witness of the Holy Father's Work on Earth. She is still at the Healing Home till this moment.

CLASH OF POWERS

The name Lucifer should not be construed to mean someone sitting somewhere like a king issueing orders. Rather, it is the spirit of disobedience, rebellion and arrogance

Disobedience is the worst enemy of man. Thus, there is nothing that God abhores as such. Cases of people who were debased as a result of

disobedience rebellion or arrogance abound. For instance, Saul was dethroned because of his disobedience Absalom died prematurely because of rebellion and Lucifer himself was brought low from his exalted position for questioning the divine authority of God.

In this generation, and as members of this kingdom, 'Brotherhood of the Cross and Star' are concerned, once the Holy Father speaks, it stands. There is no angel or man that has authority to question or disobey His divine order. Such an act is unheard of.

When the Holy Father personally appointed His Representative to Europe in the person of Rev. (Dr.) Jeremy Goring in November, 1991, like in all matters it was binding on all concerned.

Therefore, any person or group that kicks against His divine order either by adding or subtracting from what He had said should put himself/ themselves into fervent prayer because such an act tantamounts to rebellion.

There is only one king, one authority and one people, all are subject to Him alone.

It is said, obedience is the first order in heaven. Therefore, no matter how exalted your position in the world or in this kingdom, you are not above your creator.

THE WHITES HAVE **MUCH TO LEARN FROM** BROTHERHOOD

Flipping through the pages of this edition of Herald of the New Kingdom, official organ of Brotherhood of the Cross and Star worldwide, you would come across one name in every page. Better still, you would see the name in virtually every paragraph too. This name is Rev. (Dr.) Jeremy Goring, Leader's Representative to the entire Europe. For this reason, one important question will surely cross your mind. Who is Rev. (Dr.) Goring and what is his position in this Kingdom of Jehovah God and His Christ.

Rev. (Dr.) Goring is the first Enalishman to be made Leader's Representative for Europe. Not only that, he is an accomplished intellectual with a Phd. from two renowed Universities, Oxford and Cambridge. Better still he is a renoun ed Reverend, a true child of God. Most of all, he is a chosen son and ear marked for the Holy Father's work in the continent, Europe,

We spoke to Dr. Goring and Sister Goring and they answered us, interestingly too. Something you will want to hear too. Please read on:-

QUESTION: What made you leave the Unitarian church to Brotherhood of the Cross and Star?

ANSWER: I am still a member of the unitarian church in-fact I am a minister there. My two sons Daniel and George brought me into Brotherhood of the Cross and Star. QUESTION: Was there any other thing that made you join Brotherhood and if any what has been your experiences in Brotherhood compared to the Unitarian Church?

DR. GORING: I see everything as one and I do not see any division in the world. The Father Himself has been saying the same thing and I believe we are all one. Moreover, my parents were into vegetarianism even before I joined Brotherhood. I also believe in working in harmony with everybody and these are the basic practises of Brotherhood.

QUESTION: Sister Rosemary Goring when you came to Nigeria last year in November. You were baptised and we heard you are journalist. So how have you been propagating the work of the Father?

porated and the Article of Association drawn up. In January 1985 it pleased the Holy Father to formally grant an independent status to the paper with a commision that it should battle for its survival. To back up this commission, He donated the piece of land currently housing the New Secretariat building for the setting up of the Herald Press complex. to realize this objective, the Board set up a full-fledged press for Herald Press Limited.

Side by side with the preparation for the complex was the provision for machines. Herald was no more a mere church project. It became a limited liability company. In order to avoid waste and extra expenses in printing the paper elsewhere

at least one kord machine was needed. It is observed that if Herald is to achieve the dual purpose of evangelism and profit - making, then it must extend beyond the present precincts of Brotherhood of the Cross and Star. In order to achieve this goal, the management is putting finishing touches to Increase the circulation from its present 3,000 to at least 20,000 copies in the nearest future. Before the end of the 1994. it is hoped that production will hit 30,000 copies.

To enable the Management of the paper to succeed the Board should as a matter of necessity and urgency provide the following:

1. A circulation van.

2. A circulation officer

3. Printing materials

4. Trained and competent Journalists and coresp. ondents.

5. Type setting machines and Lithographic section. THE OKU IBOKU **NEWSPRINT FAC-**TORY:

Herald had a distributorship with the above company. It is advisable that the board should revive the agreement immediately as buying Newsprint from retailers will cost much more.

In the alternative, import licence should be obtained for the importation of news print and other printing materials. Equally important is the need to embark upon a massive media promotion of rierald, to let the public

know of its existence. Radio, television and even Newspaper advertisements should be aggressively addressed. This will no doubt lead to an enlarged readership of the paper and expansion of its market.

Talking about sales, currently it is very difficult to market the paper both at home and abroad. Sending the paper abroad is a very costly venture. the situation is even worse when the proceeds from the sales could not be remitted since this could paralyse the entire set up. Therefore, the Board should as a group bear direct responsibility for sending the paper abroad by purchasing the desired quantity and transporting them.

As earlier mentioned, one of the greatest problems confronting Herald is that of staff strength. In order to enhance efficiency and productivity the Editorial Board is to be streamlined. To this end at least two trained journalists are to be recruited to assist in editing. One will stay with the Father permanently to report on what takes place every moment in the vestry.

INVESTMENT:

With the incorporation of Herald of the New Kingdom Press as a limited libaitlity company, the need to transform the hitherto church venture to a business venture with the aim of making profit, cannot be ruled out.

not just exist in name but the props that constitute the company should equally be transformed.

Finally, the Board should determine the modalities for the floating of shares to enable both members and other interested persons to buy. It should also consider the possibility of inviting more financial directors. If these measures are carefully implemented, the idea of making the paper viable would be a foregone issue.

Let glory, honour and dominion be ascribed to the Holy Spirit personified. Now and for ever more, Amen,

My name is Brother Michael Glynn. I am from Ireland. I was baptised when I was staying in London in 1986. I moved from Dublin/Ireland to London/England in January 1986. At that time, I was working as a painter. I stayed in North London and found a bedsit in Muswell Hill after a couple of months. I was spending a lot of time on my own, as I had very few friends. I was about eighteen years of age and was mystically minded. In other words, I loved spiritual things; always trying to find out the truth and more about God. So when I had so much time for myself in London, I began to go to different churches, trying to find out God. I believe in our Lord Jesus Christ and was confident that He was the only why to God and that He had all the answers to every problem. I remember vaguely praying to God, asking Him to reveal Himself to me.

(Sup

I met a nice christian friend in Muswell Hill, the town I was staying. He invited me to His Bible class. I was hesitant but he insisted by phoning me from time to time till I finally accepted the invitation. It was the first time I attended anything like that. It turned out to be nice. I learned a bit more about the scriptures and the members were very nice people. So I went along to their church and a few more Bible classes. Eventually, I got baptised into their church. I did not notice any difference in me after my baptism.

At about this time, I met a man from Barbados. We were in the same profession and worked at the same place. His name was Mike Smith, we became friends. The Holy Father used him to introduce me to Brotherhood of the Cross and Star. At the time, we seemed to have the same christian interests. At work, we kept to ourselves and during tea breaks, we talked and seemed to get on well. One day, Mike told me that he was going to get baptised into a church down in Elephant & Castle which is in South-East London. A friend of his called Brother Justin, believed in this church and told him about it. Mike requested that I accompanied him.

So, after work one day, Mike, myself and another friend of his called Mary, drove over to the bethel in Elephant & Castle. This would have been August 1986. It was a cold evening and the bethel didn't really look like much from the outside.

As soon as we were inside, we were greeted with the word 'peace' from one of the sisters. The three of us were told to take our shoes off and wait inside the bethel for the prophet. The prophet came in and sat amongst us and explained to Mike the meaning and reasons for baptism; quoting the Bible brilliantly and whenever necessary explained himself. I was listening with great interest as I heard the word of God spoken to me for the first time.

My friend was baptized. We were led downstairs to the small bethel. Christ's Servant Solomon, Samuel, Etim and One Senior Christ's Servant Emah were there. This was around August 1986. They did some fantastic work for us and I pray that the Holy Father continue to pour the Holy Spirit on them. Christ's Servant Solomon Etteh (who I am very very fun of) came into the small bethel.

Then the Holy Spirit started working. It was the greatest spiritual experience I ever had or felt. I cannot justifiably describe it. The Holy Spirit revealed several things to me through Christ's Servant Solomon. These revelations were the truth about my past. The fact that I had been engaged to a girl in Ireland but never went through with the marriage. The Holy Spirit said that this was wrong and that if I should get engaged again that I should marry The Holy Spirit further revealed that I had a problem in passing urine in my groin. this was my closely guarded secret for some months. I thought nobody would know. The Holy Spirit then confirmed that i was a child of God and that my star was very bright but that ! must get baptized soon.

114

TESTIMONY AND CONFESSION OF A LOST SHEEP

Supreme form of authority was talking to me; correcting and disciplining me. Telling me my past, my present and what I should do. The fear of the All knowing God gripped me. Yet I was left craving to experience and know more. At this stage, I had not been baptized yet, but through the grace of the Supreme Father, Leader Olumba Olumba Obu, I was baptised.

The next evening, I and Mike attended the spiritual X-ray and healing in Elephant & Castle bethel. The Holy Spirit worked through Christ's Servant Solomon. The Holy Spirit healed many illnesses that evening. So, Christ's Servant Solomon stretched out his arm and walking from left to right, poured out the Holy Spirit to all the brethren in the room.

The time came when the Holy Spirit looked at me through Solomon and said that I had a problem and to say what it was but I was shy to share my problem with others I hoped for some way out of this, but there was none. At a time, I felt a strange sensation surrounding my body. No word would come out of my mouth but the sensation went all over me and underneath my knees. I can only describe the feeling, as being like a flame, all over me. It made me spit out the words and so, I just felt my tongue moving as if somebody else was working it for me.

After one or two days in Brotherhood of the Cross and Star, I had seen the photographs of the Holy Father above the altar in Elephant & Castle bethel. But I was not sure of whom He was. I asked the prophet, hoping for an answer from him, but he asked me to pray that the Holy Father should reveal Himself to me. And that night I did. I remember kneeling beside my bed praying earnestly to the Holy Father to reveal Himself to me; to tell me who He is. I prayed to God to tell me who this man (the Holy Father) is.

The room was like a box room. At the end of the single bed stood a dark brown wardrobe. After a while, I started to see the outline of a man in spirit form against the wardrobe. It was from the chest up. I don't think it was full scale or size, But probably on a scale of one foot three inches. I prayed to God, as I looked on in amazement. The figure became more vivid, the face became clearer, but not distinct. I didn't recognise the face straight away. But the features were of this black man that was familiar to me. Then it was as if the eyes of this man began to shine in a strange way. Like small but distinctive flames of fire coming straight out of his eyes. The image lasted for a few minutes. But never came back again. Something started to tell me that the Holy Father was God Almighty. My way of life started to change rapidly.

I thank our Lord Jesus Christ from my innermost mind for leaving the peace and tranquility of heaven to come to this earth for no benefit of His own. But rather to suffer and later sacrificed for the cleansing of our sins. I love you and thank you. Thanks to the Holy Spirit, the new birth began.

in everyway He was (and is) number one in, my life. I quickly turned vegetarian and could not eat meat, fish, dairy products etc. My eyes could see purely for the first time, my ears could hear clearly and all my senses pure. The Holy Spirit began to talk to me and through me, guiding me and comforting me. I felt younger and as if chains of burden, of stress and a weight were taken off me. But one of the strongest feelings was that, I felt like an alien in this world, I wanted to be with my Father.

Needless to say, I never went back to the other church I had been baptised in about one week prior to this. Two of the members of that church, came down to the bethel. To try and talk me back into their church, but by now, I could see with the Father's eyes, hear with the Father's ears, and refused to follow them. However, I tried in vain to get them to understand and join Brotherhood. I finally returned a book which I borrowed from one of them and bid him (and other) a goodbye.

A couple of days after my baptism, I noticed I was unusually tired. The Holy Spirit consoled me that it was alright. But that after being baptised, I was born again. And like a new born baby, I needed sleep and a different type of food (the word of God. I rapidly lost all interest in work and only wanted to be in the bethel at Elephant & Castle. After work, I got on the train and headed for the bethel in Elephant & Castle. While on the train, an underground train, I felt like I was being drown or being pulled like a magnet towards the bethel and I could go nowhere else, and in fact, I didn't want to go anywhere else. When I got there, I spoke to some of the Brotherhood members, and told them that I wanted to give up. my job and serve the Father, full time they smiled and explained to me that I had to do some sort of work. But I insisted by comparing myself with the Christ's Students and Christ's Servants who work for the Father fulltime. Speaking from my heart, I did not know the Father's plan for me.

Anyway as time went on, about five and a half months later. I felt as if the Holy Spirit which had changed me for the better was leaving me. My heart was broken. It was as if the one I loved more than anyone was leaving me. I talked to many of my very helpful brothers and sisters about this. They prayed for me and told me the Father can never leave me. But the prayer and advice seemed to be of no use.

So after about five and a half months of bliss in Brotherhood of the Cross and Star, I am sorry to say, I began to backslide. Things changed for the worse. I heard things about Brotherhood that were putting me off. I gradually became weaker in spirit. I remember loosing mypeace of mind and felt that if I didn't leave Brotherhood that I would have a nervous breakdown. Members of Brotherhood came to my house to pray for me. And I hid and pretended that I wasn't in. I turned away from the Father and forced myself to change. I feel like the seed that landed in the thoms because I was tested but failed the test.

grace; and now I cannot tell our Lord how sorry I am. I have realised how wrong I have been and the damage I have done. I am sorry Father, please forgive me, in the name of Our Lord Jesus Christ.

MY CONFESSION:

I had betrayed my Father

I had crucified the Son of God all over again and subjected Him to public disgrace.

I had broken all the commandments

I had fornicated and committed sexually immoral acts

I had had prostitutes

I had been angry and fought with my brothers and my sisters

I had defiled the tempie of God by taking drugs and alcohol

I was ashamed of the Holy Father and Our Lord Jesus Christ.

I was ashamed of being called a Brotherhood.

I have sinned in some ways which I am too ashamed to put in writing.

For these sins and those I have not thought of, I pray to the Holy Father to find it in his heart to forgive me. I beg, prostrating for forgiveness, in the name of our Saviour, Lord Jesus Christ. Please listen to my pleas Father. I love 'You and beg you to forgive me for you alone is the way, the life and the truth. Amen. I know that I deserve to be punished, please I ask you Father for the strength to accept that punishment. I love you.

I wish to return to the Brotherhood of the Cross and Star more than anything else; if the Holy Father will have me back and forgive my sins. I beg You Father for forgiveness and the ability to repent. My only ambition or desire is to serve you and please you for as long as you wish.

It has been about six years since I was baptized. Of these six years, I only practised the word of God for six months. so I have been away from Brotherhood for five and a half years; a long period indeed and I want to return to my Father. I am now a completely changed person. I am single and still hope to remain this way, as I have only room for the Holy Father in my heart. I love the Father more than anything in the universe. And I beg Him to give me the ability to express my love to Him.

Thank You Father.

I used to smoke but I stopped smoking straight away, drinking alcohol stopped and fornication ceased. I stopped signing for social welfare. No more cheating, lying, cursing, laziness. The false me disappeared and real me came out full.

In Hebrews chapter 6:4-6, the word of God says:

"It is impossible for those who have once been enlightened, who have tasted the heavenly gift, who have shared in the Holy Spirit, who have tasted the goodness of the word of God and the powers of the coming age, if they fall away, to be brought back to repentance, because to their loss they are crucifying the Son of God all over again and subjecting him to public disgrace."

True to these words, I fell away, I L crucified Our Lord Jesus Christ again and again and subjected Him to public dis-

ALAS! THEWHITES HAVE MOVED TO TAKE OVER THE KINGDOM

For the great glory of the Holy Father, Leader Olumba Olumba Obu, Deaconess Gloria Dominiquez has every cause to rejoice and lift up her thankful heart to God.

Born of American parentage, she had become an eptimome of the great works of the Holy Father in the United States of America.

Deaconess Dominiquez who resides in Florida (United States of America) is a Guidance Counsellor of note. Training and advising student, she has distinguished herself in her field. Since joining this New Kingdom, she has experienced a lot of things. Things that have made her (and all brethren in America) realise that truly, Olumba Obu's Kingdom is the promised kingdom.

Her experience with the Holy Father has been unique. For this reason a strong team of journalists from Herald of the New Kingdom (Official Organ of Brotherhood of the Cross and Star) went in search of her for an interview during her recent visit to Nigeria to see the Holy Father. She spoke extensively on herself, Brotherhood in America, and her belief in the Holy Father, Read on!

Qus: Sister, how did you become a member of this New Kingdom on Earth?

Ans: Really, I became a full member in January 23, 1981. That was when I was baptised.

Qus: How? I mean did you just wake up one day and moved to where you had the nearest Brotherhood bethel and became baptised, or.....?

Ans: Oh no! Back in 1977 or so, I had a dream. In my dream, I saw a black man at a gate. To me, I felt he needed something and just then, it occured to me that I had to

give him \$20 (twenty dollars) before I could enter. I did no have the cash on me, so I gave him a cheque for the \$20. With that, I passed through the gate yet he kept staring at me as I left the gate.

As I entered the house, I saw a lot of people all dressed in white, singing and dancing joyously. Oh! it was so beautiful. So when I came to Nigeria some years after the dream, I discovered that the man I

saw in my dream was the Holy Father.

Also, before this period of my contact with the Holy Father, a good friend of mine who was a Nigerian told me about this Spiritual Church in America which could help me overcome the problem I had at that time. That was in 1981. So I visited one of the Bethels in Brooklyn (United State of America). There I met the Late Deaconess Ulaeto and she told me about the Holy Father and His great works. So, immediately, I borrowed money to come and

see the Father in Nigeria. In Lagos, I met Deaconess oworen and the following day, Pastor Ekanem brought me to Calabar.

My first physical contact with the Holy Father was at 26 Mbukpa Road. Sister Esther Obu escorted me there. I looked at the Father and thought, "there's where you are hiding away from the world." On arrival, though I had some problems due to the time difference between America and

Nigeria, my body did not adjust immediately, so I had to spend a whole day sleeping before I could book an appointment to sue the Holy Father.

Qus: Well, did you see Him?

Ans: Not immediately. The following day, I wanted to see the Father. But, while I waited, many people came to see Him, yet I was not allowed to see Him. Almost getting frustrated, I had to turn to the person in charge. I said, if you don't let me see the Father, I am gonna jump over the fence and go right in to see Him.

Qus: You mean you can do that?

Ans: Oh yeah. I am capable when I am desperate. (Laughter) Anyway, I did not. It was then that Sister Esther asked me if I have been baptised. I thought it was not important until I have seen the Father. When I felt the necessity, I turned to Sister Esther and begged to be baptised. se Brother Emah (Managing Editor of Herald Press) took me away for baptism. Im-r mediately wecame back. I was taken in to see the Holy Father.

When I saw the Father, He just sat there and was conversing with some brethren inthe Calabar dialect. I handed Him a present, but He did not seem to care to know what was in it because He just set it aside. I thought He did not appreciate it because He did not open it. Anyway, I told him my problem, that I have been married for seven

years without having a child. Yet He ignored me. But suddenly, He turned and said He had given me a child. So I was acked to knock my head on the ground.

Qus: Do you have a child now?

Ans: No, but I have the Spirit of the Father, which is greater than anything in the world.

Qus: So, you came inte Brotherhood because you had this problem?

Ans: Yes. The Lord God has His way of bringing you to appreciate His work. I had everything I could ever wish for in life, except a child. But I have come to learn about the New Kingdom of God on Earth. We human beings never want to know that God exist until we have a problem. But, when we do realise it, we then know that God really loves us and needs us to be obedient to him.

Qus: Thank you Sister. Now, you are a witness to the Holy Father's Works in America, could you tell us your views about this?

Ans: The Holy Father's presence on earth is being felt around the world. Sitting in this corner of the world is not even stopping Hin Impact on the earth. Bat The

"] and My Father are one"! That is the essence! This deep and wonderful statement was uttered by Our Lord Jesus Christ when the disciples asked: Show us the Father.

As far as our review of existing literature on World Religions is considered, no other religious Leader has repeated these words to the World since the time of Our Lord Jesus Christ except the Leader of the Brotherhood of the Cross and Star.

Now, those six words contain deep philosophical truths, and can be said to summarize the whole teachings of the Holy Father. Bishops, Popes, Pastors gloss over these words, superficially, while they preach sermons and institute obsolete rituals that do not make any impact to the ongoing spiritual transformation of the world.

It is sad tonote that many Brotherhood members who should teach the world the Truth appear not to understand those words. The Holy Father has taught them the meaning of those words. We do not understand because we think that the Holv Father is preaching sermon. This is not true. Listen to preachings in orthodox churches! You will discover that there they preach, shout, and rattle away sermons in great speed. Let them have their way! here in Brothérhood, we listen to teaching. Watch the Father teach, and you will know the difference. Attend Bible Class even once, and you will be struck by the truth of being a student in this school of practical christianity. Failure to learn from the teachings of the Father leads to error, speculations, and false practices.

What is the essence of the King of Kings? Those who cannot go beyond appearances are perplexed by the sudden installation of the Queen Mother and the King of Kings, But if you desire wisdom, you must reflect on the teachings of the Father because there is no practical activity in Brotherhood that has not derived its principles from the Holy Book - the Bible.

Let me draw your attention to the event of the Black Soutane. It is the exclusive right of the Holy Father to wear it at the Time of Judgement. Years ago, Prof.

A phenomerion exists, and many schools of thoughts hold and believe as the non existence of life in a living creature. Be it a mystery or superstition which ever way it could be proven; its reality is emphasized in the non existence of life. That phenomenon is DEATH. An organism whether unicellular or multicellular is said to be entirely dead when all the functional cells of the organism have ceased to function completely with special emphasis on the brain cells. This, is a state scientists call irreversible coma.

Here is an extract from the New Encyclopaedla Britainica (Macropaedia Vol.5 of 1973 - 1974, 15th Edition) at page 527 paragraph 6 and at page 528 paragraph 2; carefully taken to determine the worlds views on death.

and the theologian its physical signs are yielding to codification by the biologist and the physician. The King of Kings is the exclusive title of the Holy Father. The King of Kings is the Father Himself. It is the name of the universal King. We have world Presidents; world kings; world chiefs; and world generals. Whatever attribute we assign to them, these are temporary and limited. They rule particular dominions, and they make laws within small jurisdictions. They have wealth, influence and power. But all these are limited within time and place. The universal King rules over these kings, and these kings derive their authority from this Universal King. The King of Kings has jurisdiction over all the worlds, visible and invisible.

How does the King of Kings rule such a vast universe? Small Kings of the world want their subjects to obey them. They believe they can rule. This, however is false. You can compel people to do your will by force. This is not ruling. To be able to rule, you must satisfy two conditions: One. you must have absolute knowledge of whom you are. You must know yourself absolutely. You must have absolute control over yourself. You must be absolutely imperturbable. Second, you must have absolute knowledge of those you want to rule. Your knowledge of them must be reliable and valid. You want to be a king and rule others, do you satisfy these conditions have you absolute knowledge of yourself and absolutely knowledge of your fellowmen? That is why the Father is the only one who is qualified to rule. While worldly small Kings amass weapons, the Universal King has the most powerful weapon in the world: The word of God. He is also the personified Word. The King of Kings is the Star which must shine for ever.

For many years, worldly people have sent invitation to the Father to come physically and participate in their launchings. The Holy Father has responded by sending

them donations. They think that the Holy Father is only physically present at Ambo. In the same way, people want the Holy Mother to come and participate in their launchings. We, in Brotherhood, know that the Holy Father can appear anywhere he chooses to appear. Still, the demand for the physical appearance of the Holy Father has increased.

We are all representatives of the Father. We represent him in different capacities. We are to represent him in the working place, in the Schools, at home, within the churches, in the government establishment and the totality of our social relations. To represent him requires two conditions. First, we must have clear and sound knowledge of his teachings. Without this, we will go and misrepresent him. Many Brotherhood members lack the valid knowledge of the teachings of the Father. As a result they have gone to teach what they fabricate. How can you represent him if you do not have a valid knowledge of his teachings? It. is not possible. Second, you must practise his teachings. This implies that there is no difference between the teachings of the Holy Father, and the Holy Father Himself.

Do we meet these requirements? We don't meet them. We are therefore not valid representatives of the Father. In fact, for years, we have misrepresented him. This is another way of saying that we have caused so much confusion in the world because we have failed to represent the Father as He is,

This brings us back to the opening words of this write-up; I and my Father Are One! Do you think you can say these words truthfully? Can you say to some villagers: Look at me. This is how the Father is! That is practical christianity. Now, the Father has absolute knowledge about who can represent him validly in his world. To see such a person is to see the Father, and there is no difference between his bonafide representative and Himself. The King of Kings is the Father himself as He freely decides to appear to his children.

Essentially, therefore, the King of Kings, visit to States is the valid symbol of the Father. As a valid symbol, he is directly from the source. But the symbol of that when validly authorized by him, is essentially non-difference from the Father. The Father is this King of Kings and this King of Kings is the Father. This deep dialectical thought must be grasped by all Brotherhood members who, equally by varying degrees, are also Father's representatives: It is the wish of the Father that we all look like him, and reflect his behavioural patterns. The King of Kings is qualified to say; I and my Father are one. This must be regarded as the first philosophical principle in Brotherhood of the Cross and Star. This principle implies practically the implementation of the teachings of the Father in our daily life." Many people are moving and living under false consciousness today. They are prisoners of the Wild Beast. Beclouded by passion, they could not identify with the Father. As soon as we know that our freedom and salvation lies in the principle of identification with the Holy Father, our eyes will be opened, for the essence of the King of Kings is that the Father and His Son are one. As sons of the Holy Father, we must also proceed courageously to identify with crowning of the King of Kings, let us remember that there is no difference between the Father and His Divine words, and that essentially, the Father and His Spiritualized symbols are One.

Hail! King of Kings

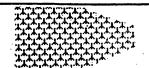

Thank You Father.

(patient) is existing in the absolute absence of brain activity. The questions are:- Is a patient alive who has only his or her vegetative functions and no consciousness of his or her being? Is not a patient virtually dead who has no brain activity whatsoever?

From the Biblical Christ sermon on the mount, Matthew 5; 7 & 9, the fanatic believes he must propagate the philosophyⁱ of mercy, for it is said blessed are the kind and merciful for they shall obtain mercy and mercy and happy are those who strive for peace - they shall be called the sons of God. He comes by a suffering patient and in his heart he is convinced out of mercy and mere sympathy that disconnecting the life aid machine of a virtually dead person who has been undergoing such pains for the past two or three years, would for goodness sake end the patient's suffering and grant him or her eternal peace. Yes he striving for peace here. He is exhibiting mercy and mercy, they say prowls or spurs up sympathy. He is convinced he has done good to a desperately needy human being. But his is a unique circumstance others have termed criminal and illegal. It recently aroused a controversy in the United States of America where Medical Doctors in California went into a one week debate. 53% of the doctors voted against and 47% voted for.

In confused moments of this nature the world would rather ask; what does the "Comforter" say? Yes the "Comforter" you will recall in St. John gospel chapter 14:16-17: is the Holy Spirit, a Supernatural Teacher who leads man into all truth. So when

essential than others. Large portions of bone, for example, may be lost forever, and kidney may cease functioning for several hours; but if organs such as the heart or the lung, stop working for only a few minutes, irresparable damage may occur. Cardiac or even respiratory standstill does not, however, automatically mean the onset of clinical death. Through the use of respirators pacemakers, and other sophisticated apparatus life can be extended greatly. It is therefore possible to sustain the function of both the heart and the lungs even in the face of total loss of brain activity. LIFE OF A SORT MAY CONTINUE, BUT IT IS NOT LIFE AS THE: TERM IS NORMALLY UNDER-STOOD. It would appear that the definition of death should be more closely related to the determination of brain (celebial) death, or at least to the condition of irreversible coma." From the above two paragraphs in quote we have seen the complicated and inexplicable nature of the phenomenon, death. It is therefore on record that higher organisms die gradually. It does appear that it takes an incomprehensible force of a kind to bring about the actual manifestation of the phenomenon called death. This force, humanis, cannot very convincingly explain it's modus operandi.

CAUSES C)F DEATH: The biblical context pinpoint two types of death; the physical and spiritual or soul death. This is Indicated in the saying of Our Lord Jesus Christ which says:- "Fear Him that can kill the soul and body." But since by the topic

the physical death is involved, it is expedient that we confine our discourse to the physical death. Physical death can be attributed to accident, biological disorder, human or animal savagery (wars or violent

One of these causes has long inspired the noble mindfulness of the Greek scholars; sympathy or mercy killing. Hence the term EUTHANASIA came from them. Since then it has drawn the attention of elites of many great nations of the world and very controversially too. The debate on this topic EUTHANASIA has been on in many circles of the human society; Radio and Television houses, institutions of higher learning, government circles, secret societies and religious organisations. But it has been very pathetic to notice that in all these centuries of debates all across the earth on the issue EUTHANASIA, the most eligible humans who constitute these series of aged debate, always arrived at a controversy. It has always been either the "fors" win or "against." In other words they opinion of these humans are divided on the issue. Many believe it is illegal and criminal. The rest simply see it as an earnest exhibition of that humane feeling of sympathy on a suffering patient whose unfortunate living is largely, if not completely, subjected to the mechanisms of machines quite indefinitely. Nigeria's Plateau State is popularly known as "Little London" because of her similarities with the prevailing weather conditions in London. It is little wonderthatmost tourists find in Plateau State what they generally miss in other States of the Federation. For this single advantage, it occupies a special position in the socio-cultural development of Nigeria as well as act as the entrepot of Nigeria's Public Relations. As a result of it's excellent weather conditions, the early missionaries, despite the usual uncompromising stance of the muslims had succeeded in carving out a Christian empire for themselves. This is not suggesting that Islam has not made an effective inroad in the terrains of Plateau religious waters.

The already overcrowded and saturated religious nature of Plateau State notwithstanding, the advent of the Comforter, on the earth plane must also make equal impact here, for indeed, the inhabitants of this area must be led to the accurate knowledge of truth as taught by the Holy Spirit through the Brotherhood of the Cross and Star.

ORIGIN OF BCS IN PLATEAU STATE

As in other places, the Holy Spirit is the chief propagator of the New kingdom. But human efforts, are usually enlisted to concretise this divine efforts in the mundane world.

And so, the flagbearer of this noble cause in Plateau State was a seasoned daughter of the Father simply known as Mma Ette. An Efik indigene from Henshaw Town, obviously an ordained sister, sojourneed to Plateau State in the early parts of nineteen hundred and sixty, hired two rooms and established the first Bethel of Brotherhood at No.2 Grey Garden, Jos. Mma Ette and a certain Brother Ekpo with the Holy Spirit as their guide continued to propagate this New Age gospel until about feast and Sunday worship.

At the end of the civil war, full sclae Brotherhood activities started as most of the refugees returned to Jos. Once again, the bethel shifted to the residence of Prophet and Prophetess Oku at No. 6 Grey Garden, Jos. Prophet and Prophetess Oku were mandated to take charge of the bethel.

At the end of the civil war, full scale Brotherhood activities started as most of the refugees returned to Jos. Once again, n, the bethel shifted to the residence of Prophet and Prophetess Oku at No.6 Grey Garden, Jos. Prophet and Prophetess Oku were mandated to take charge of the bethel.

Jos experienced an influx of people from the various war ravaged areas of the then South Eastern State, East Central State and Rivers State. From here, a need arose for a more spacious accommodation. To solve this problem, Bro. R. E. Dogun offered two rooms and the immediate surroundings within his premises at No.3 Sitreet Crescent, Jos in the year 1973 for the establishment of a bethel. At the Sitreet Street bethel the nuclei of Men's, Women's and General fellowships started manifesting. Pastor E. Eshiet was the first Leader's Representative while Sister Christiana Ibok was the first Christ Student in charge of the area.

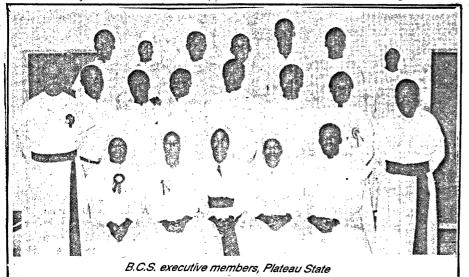

It was from the Sitreet. Bethel that the brethren purchased the permanent site of the Central Bethel, Katako, Jos.

Rukuba Pentecostal Centre has come a long was to it's present state. Formerly and

twelve regular members were baptized. This number precludes the various visitors who thronged the bethel at different times for one reason or the other.

In 1961 she packed from Grey Garden to Nassarawa Gwom, Jos and finally left for Calabar to continue her ministry. Since the mustard seed was already planted, it had to grow in leaps and bounds. Soon after the departure of Mma Ette from Jos, the Father sent Pastors Ekpe and Udoh of the then P. & T. to Jos. This duo continued from where Mma Ette stopped. The Father's Bethel at this time was located at No. 5 Niger Avenue Jos. The Father led His children in this bethet until the civil distrubances of 1966 forced most Southerners back home. We cannot account for the growth of Brotherhood of the Cross and Star during the war period but immediately after the liberation of Calabar and the riverine areas, a new crop of Brotherhood faithfuls migrated to Jos due to the promptings of the Holy Spirit. These new children of the Father in Jose were Pastor O. E. Bassey, Prophet E. O. Oku and Bro. B. E. Jonah. During this war period, they concerned themselves with gathering in one another's room on rotational basis to conduct evening service, popularly known as "SOLDIERS BETHEL", the bethel came into existence in 1975. Block D40 in Rukuba Military Cantonment, the official residence of Brother Bernard Benjamin was used as the first bethel. The founding members were soldiers who came on posting from Port Harcourt.

An agreement to purchase land outside the barracks was reached. To the glory of the Father Brothers Benard Benjamin, Godwin Young, Dangiwa Zakaria, and Inusa Henry sacrificed to purchase a befitting piece of land from the Chief of Bassa Local Government council. Through the concerted efforts of all brethren a bethel was built. Father in February 1988 when it was officially declared open. Through the untiring efforts of Christ Servant S. W. Udoh, the Father declared Rukuba Bethel a pentecostal centre.

It is worth mentioning here that the four rooms house for the full-time worker was built by Elders Friday Isaiah, Okon Michael and Francis Adason. The Father's Manger was built single-handedly by Elder Ita Ekpo.

Again it is on record that the General Fellowship electrified the bethel, while Women Fellowship decorated it. Elder (Sister) Emilia Ita Ekpo handled the decoration of the Altar, Men's Fellowship fixed doors and windows, the Elder's fellowship had the responsibility of furnishing the full time

Katako Pentecostal Centre, Jos Plateau State

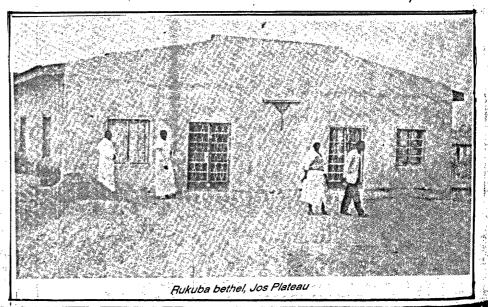

Because of its proximity to the Ammunition Depot the Army authorities in 1976 demolished the bethel. This was an unjust act, a resolve to further persecute the children of God. The Holy Spirit in His infinite mercy intervened and a compensation to the tune of N3,000, was secured from the 3rd Infantry Division General Officer Commanding (GOC). It is important to note that this compensation was paid to only Brotherhood of the Cross and Star. A true example of divine intervention.

Mr. Adingbu Izi and Inchiko Uchu accepted to part with their parcels of land at the cost of N160.00 and N140.00 respectively. With this land, a temporary bethel was constructed at this newly acquired land. Brethren started worshipping in the temporary bethel in September 1978.

Just as the brethren continued to worship in the temporary bethel, they did not loose sight of erecting a befitting structure for the worship of the Most High God. So it was, on the 7th of February 1982 the foundation of a permanent bethel for the brethren in Rukuba was laid by the Father using Pastor Andy Anyankop and Christ Student Patrick. In 1984, the Father seeing the need for a "Solomon" in Rukuba, sent one of his illustrious sons in the person of Pastor J. O. Anota not only to act but play the role of Solomon effectively. It is no gainsaying the fact that the Father used him to complete the building of Rukuba bethel and handed over the keys to the

worker's residence, planted an orchard around the bethel that had since started bearing fruits. The Mercy Fellowship use to visit hospitals and orphanages, with gifts. They also provide money for the needy among them. There is also a verv functional Chorister's fellowship. They won a cup during the Mother States Competition in 1988. The pentecostal centre has a membership strength of over 200.

7) Prop. B. Akpan. UNIVERSITY OF JOS CAMPUS BETHEL

The instrument used by the Holy Spirit for the establishment of University of Jos, Campus Bethel is Deac. (Dr) Gladys Oby Oti. The pronouncement for her to open a bethel came directly from the Father after she was ordained a Deaconess. According to her, she was also commissioned to write the Book of Books. Like all other truth seekers, she could not understand why she should open bethel. She challenged the Supreme Father to reveal Himself to her before she could comply to the divine directives. At a time unexpected the Father revealed Himself to her.

After all the revelations, she became convinced and was then prepared to hearken to the master's call. It was not easy to locate an accommodation within the University. It became more difficult as the University authority recognises the Catholic, the Protestants and the Moslem. It was therefore Greek to talk of the New Kingdom

In 1987, to confirm the earlier revelation that his house would be a "Church", the Holy Father redirected him in a revelation to open a Bethel in his own house, at Burkuru, Jos. With his revelation Bukuru Bethel was offcially opened for the Brotherhood world on the 26th of June 1988 with an apartment. in Elder Onwubiko residence becoming the nucleus of the new bethel. Arrangements are in top gear to secure a permanent site for the bethel. The Father has blessed the bethel immensely. The Bethel now has a membership strength of about one hundred and eighty.

RECREATION HEALING HOME

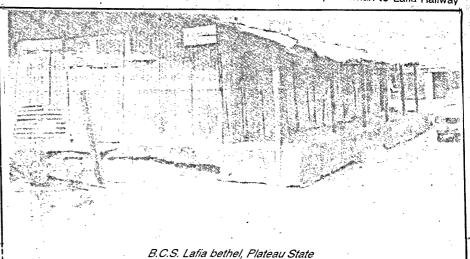

Before Recreation Healing Home moved to Jos, it was already established at Kaduna in the bedroom of Bro. Friday E. Udo. Here, the Father used him to heal a lot of sicknesses ranging from cancer of the breast to epilepsy with prayers and holy oil.

Owing to the Kaduna Muslim religious crisis of 1988, the Father moved Bro. Udo and the Healing home to Jos.

In Jos the home was located at 77 Gero Road, Bukuru. Here the landlord showed a high level of intransigience until, they were forced to leave the place. They finally moved to their present site. The healing home was registered with the Father on the 23rd of June 1991 while it was declared officially opened for use by the entire world. on the 17th of November 1991. Since then, the Holy Spirit has been doing marvellous works there.

LAFIA BETHEL

Before 1980, there was no bethel of Brotherhood of the Cross and Star in Lafia. But the all-loving Father on 20th November 1980, posted one of His children Bro. Okoasu, then a policeman to Lafia Railway

of God now on earth.

However, at His appointed time the Campus Bethel was opened with five members. Since then, miracles upon miracles are wrought in daily by the Holy Spirit. The Campus Bethel can now boast of 35 members, 5 Sabbath Children and 10 Elders.

It is the Father's plan to propagate to the academic world His mission

through evangelical and research activities. They wish to place the doctrine of Brotherhood side by side the orthodox religious groups.

Meanwhile a permanent site for the Campus Bethel has been secured through the help of the Father. It is the avowed resolve of members in the Campus Bethel to proof that Brotherhood is not a church or sectarian group, but a place where Godly life is practised under the fatherhood of God with the intention to make a christian a better christian.

BUKURU BETHEL

This bethel came to manifestation through the special grace of the Father using Elder (Bro.) Francis Onwubiko, He was formerly a member of the Universal Church of Christ but while there Prophetess Mmuto had foretold him of his house becoming a church. He did not take it kindly until he finally found himself in Brotherhood of the Cross and Star. Three months after his baptism, the Father opened a bethel through him in his hometown.

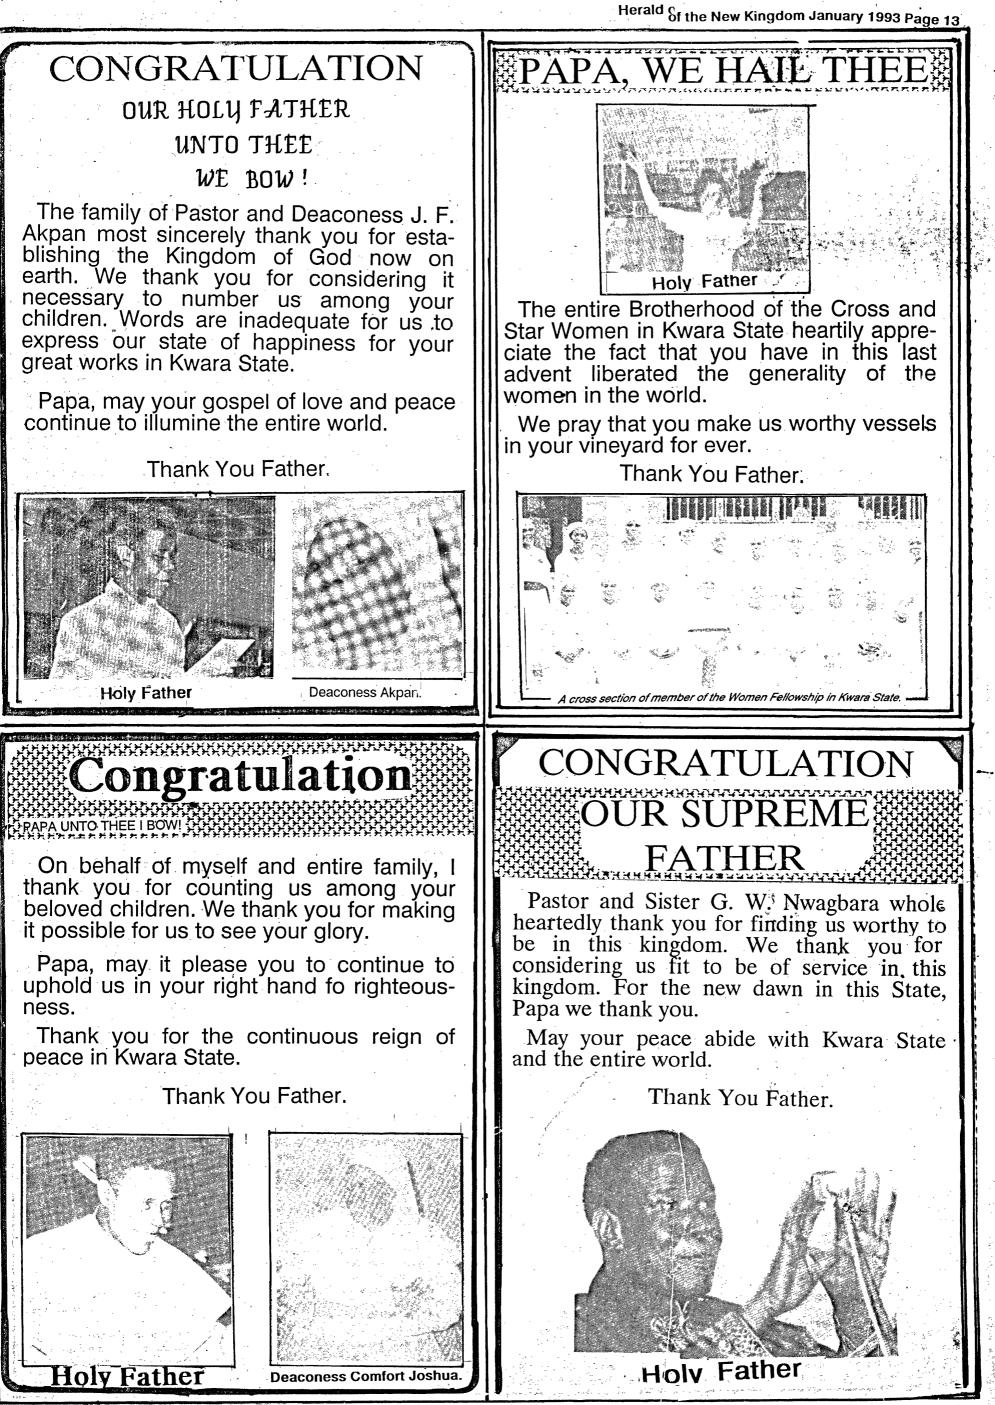

Police Station on transfer. With the brother's room and parlour apartment in the police barracks together with members of his nuclear family, the first Bethel of Brotherhood in Lafia was established with the help of Evangelist Rosemary and her children who decorated the altar on the 26th of April 1981.

Meanwhile, the brother and his household had been attending Sunday services at North Bank Bethel at Makurdi. The Foundation members of Brotherhood of the Cross and Star then at Lafia were Bro. Okoasu, Sis. Joy Okoasu and Sis. Onyiye Okeasu, Bro. Emmanuel Nkama and his family

As at now the Father has brought many of His children to settle in Lafia. Led by the Holy Spirit, the bethel in Lafia is waxing stronger everyday. The Father has also secured a parcel of land through the Area Leader's Representative Elder (Bro) James O. Agha for a permanent site. With the blessings of the Father, building work will soon start on this site.

rad 😁 The Holy Spirit is life, power and everything to the world. Have you ever heard or read from any book that juju, mermaid, appartition etc. is lavishly seen everywhere performing great and commendable feats? None has this unique quality of omnipresence except the Holy Spirit. If you worship Him in Spirit and in truth, you would not have any need for Him to be shown to you or for His injunctions to be spelt out for you. But if you worship him correctly, you will know Him; hear His voice and heed His instructions and above all, He will assume rulership over you and you will not be the same again.3

When next you are asked who is responsible for the work in Brotherhood of the Cross and Star or whose power operate herein, tell them that it is the Holy Spirit that is at work. And again if you find anyone one seeking for ways of getting the Holy Spirit, tell such a person to confess and refrain from all manner of sins and accept baptism (by immersion) after which the Holy Spirit will indwell him and do everything for him. House

There is no point consulting any man to do anything for you. Do not seek for any man to teach you. The Holy Spirit is the only Teacher and Lord. Do not rely on any man anymore. Gone are the days when God operated as man. That was when you killed Him on the Cross. That was when He came to invite people to follow Him and they told Him to wait until they bid farewell to their parents and relations at home. Till today, such people have not returned to follow Christ.

This is an indication that, man had no value for God when He came as man. Now that He has come as Spirit. He does not need your consent before He calls you. Once the invitation is extended to you, you have to let go all you had and abandon everything you have been doing and follow Him sheepishly. As a Spirit His invitation is irresistible. This is the era of the Holy Spirit, as such, no man is known by the flesh anylonger but, in Spirit, And for you to be known in the Spirit, you have to live a sin-free life.*

You will not be subjected to questioning if you tell somebody, that it is the Holy Spirit that is doing everything in this kingdom. If you tell somebody this but he refuses to believe, leave him alone for Christ will definitely approach and tell him that everything is done by the Holy Spirit Himself and willy, he will realise the truth and accept it. Afterall many have testifed that ever before they came into this fold, they had no preknowledge of Brotherhood, but that the Father appeared to them, told them about Brotherhood and even brought them into this fold.

No doubt, you are likely to find it difficult seeking the Holy Spirit but the reverse is the case when He seeks for you. Once He has the need of you, He will immediately condition His mind for you and you will go to Him without any form of resistance. Many have spent sleepless nights and others, their fortunes to work against Brotherhood; all with the intention of destroying the kingdom, yet they could not achieve their aims. And so, you should not doubt the fact that, if Brotherhood were to be man-made, it would have since been destroyed. To be frank and sincere, Brotherhood members would have destroyed it by now. However, all efforts towards destroying it having failed, you should therefore be convinced that, Brotherhood of the Cross and Star is not a man-made kingdom but the kingdom of God.

, The Holy Spirit is capable of doing everything, and so,

for you to benefit from Him, flee from sin. The world suffers mishap and lack because they have rejected the Holy Spirit and His words, If you heed His word and accept Him as He who was to come and lead the world to the accurate knowledge of truth, you will have no problem whatsoever.

Our Lord Jesus Christ bore witness of the Holy Spirit, so also did Prophet Mohammed. This is so because they know that what is impossible before man is quite possible with God. No carnal man can do the work done in this kingdom. No other power can survive the pressure mounted on this kingdom. But, because of the presence of the Holv Spirit in our midst all the juin that people bring here, the prayers against BCS, the campaign

lecall that our Lord Jesus Christ was condemned to the because of the misunderstaning the Jews had about Him. They believed Him to be the Sole doer of all the works then, even when He had told them many times that the Father was the one doing the works. The Jews condemned Him to death with the hope that, when He must have died the work will cease. Far be it, the work continued after His death and even much more remarkable works are done up to this day. Just as our Lord Jesus Christ said, I reiterate that I am not the doer of the works you witness in this kingdom rather, I am bearing testimony to the Holy Spirit - the doer of the works.

He that was promised by our Lord Jesus Christ has now arrived in your midst. The Father, Son and the Holy Spirit have arrived and they are currently doing all that were designed and pre-planned for them to do. You contradict issues when you say that man is the one doing the works in this kingdom. You should know that no man wants another man to rule. Any attempt by a man from one tribe to rule; the world will be faced with serious problem and indeed, deadly resistant from people from other tirbes. God knows this, hence He decided to come by Himself to do the work alone. However, the same God who is rejected all over the world is the one doing the wonderful works in our midst. His rule is everlasting; no coup can succed Him till eternity. CONTRACTOR OF A NOT RECTA

Mysterious as the work of God is, if you mention a particular person as the doer of these works, you have automatically named that person witch or wizard, Compare the works in this kingdom to a shop located somewhere in the outskirt of a town. The store which is fully stocked with wares has no one to attend to customers yet, people buy from the shop. The question now is, who renders these services? If you tell somebody that the

shop which belongs to Mr. Okon is managed by the man, then you are indirectly saying that he is a witch. You therefore, are responsible for anything he encounters as a result of your information.

Brethren, do not attribute the glory of God to anyman. The Holy Spirit is the operational force in the world today. The Father came and manifested His share of the work and went back. The Son came, fulfilled His assignment and left. This is the reign of the Holy Spirit. He shall reign and rule forever. Read the golden text again. 😒 i

GOLDEN TEXT: 2 CORITHIANS 5:17

"Therefore if any man be in Christ, he is a new creature; old things are passed away; behold, all 'things are become new."

Have you not witnessed a change in your life? All the mundane things of this world have been destroyed completely. The Holv Spirit alone is the operational force. It has made all things new in your life. All inventions are useless. Medicines, roots, herbs, drugs etc. have ceased to function as before. All powers on earth have been subdued, leaving the Holy Spirit alone to prevail. The whites, blacks and indeed, all creations have gathered to research into the source of this power yet; they have not come up with any useful information. Unknown to them, the flesh had long ceased to exist. This accounts for why ou are dreaded by the people of the world. All efforts to harm you have failed because you have been made a new creature in Christ. You are free to go to any place anytime because the Holy Spirit has taken full control of you. No plan against you can succeed. This is why you have been given every derogatory name. When the people of the world brag to harm you, you need not be bothered. Instead continue in your joy, dance sing and the glory of your Father's kingdom because no matter? the evil they plan against you, they will never succeed.

world. Rather, it is the outsiders who know how effective your power is. The people of the world have now been conquered by the Father. This is because at the first instance, He sent the prophets into the world and were killed. Secondly, He sent His angels and they were also killed. Thirdly, He decided to send His only begotten son, and was killed by the people of the world.

3141

But now that the Holy Spirit has come in earnest, they are unable to kill Him as they did to others. The existence of the Holy Spirit, has rendered the governments, powerful people, churches, individuals and groups useless and ineffective. In fact, He alone has conquered all and sundry. It is for this reason that the entire inhabitants of the world are now panic-striken. When people speak ill of Brotherhood of the Cross and Star and attribute its power to evil force without evidence to support their allegations, they do that out of ignorance. But the Comforter sent to us by the Father to teach us all things, has been proved beyond all reasonable doubts. In the same vein, whoever is in the spirit is a new creation in Christ, because all the old things (flesh), have passed away. So, for us to be one with Christ, we need to purge all those acts which defile the body.

Now in Brotherhood of the Cross and Star, the rate at which people involved in sinful acts such as drunkenness, flesh eating, segregation, fornication, etc. have been drastically reduced. But if you were to be told that, there shall come a time for such things to take place, would you have believed? What you are seeing and experiencing here in this kingdom, are in line with what John saw. When the angel of the Lord asked John a certain question, he also gave a certain answer, which has confirmed what is happening in Brotherhood. For details read Revelation 7,9-16. So brethren, we are in Christ. For that reason, we need to forgo sall forms of materialism and the old life-styles. We get entangled into problems once we indulge in any sinful act.

The old lifestyles that were controlled by sinfulness have been ejected from the surface of the earth. Therefore, it is incumbent on us to embrace the new life styles which is righteousness if we wish to remain problem free. Have you not heard what Revelation 11:15 says:

"And the seventh angel sounded: and there were great voices in heaven, saying, the kingdoms of this world are become the kingdoms of our Lord, and His Christ; and he shall reign for ever and ever."

From what is written in the text you would realise that the kingdom you are in today, is the one referred to. The kingdoms of the world have become the kingdom of God and His Christ. The situation could be likened to the house of a necromancer, being automatically changed to a place for the worship of God. And the former customers of such necromancers on arriving there, would join in worshipping God, thereby avoiding the preparation of juju. This is why Brotherhood of the Cross and Star is capable of converting to God, all the great sinners of the world. It is the existence of the Holy Spirit in Brotherhood of the Cross and Star. that is responsible for every marvellous works done. Therefore, it is erroneous for you to tell people that there is nothing in Brotherhood of the Cross and Star, when asked of what is in Brotherhood of the Cross and Star. The cost was and When people say openly that, you do not know the Father, it is a veritable truth. This is because, you continue to wallow in sin. Let those who have ears hear. May the Lord bless His Holy words. Amen, 马马达马马尔

FATHER'S GOSPEL

FIRST LESSON: JOHN 4:23

"But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth for the Father seeketh such to worship him."

SECOND LESSON: JOHN 14:26

"But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you."

GOLDEN TEXT: 2 CORINTHIANS 5:17

Therefore if any man be in Christ he is a new creature: old things are passed away; behold, all things are become new."

Brethren the three bible texts read to you constitute our revelation. You could recall when our Lord Jesus Christ asked His disciples about the opinion of the people of the world about Him. They told Him that some believe He was JOHN THE BAPTIST, others said Elijah, and others Jeremiah or one of the prophets. Then He asked His disciples saying: 'who do you say that I am'? Simon Peter, in a quick reaction said, you are the Christ, the son of the Living God.' It was at this point that Christ told him 'Blessed are you, Simon Bar-jona! For flesh and blood has not revealed this to you, but my Father who is in heaven.'

'And I tell you, you are Peter, and on this rock I will build my church, and the powers of death shall not prevail against it. I will give you the key of the kingdom of heaven, and whatever you bind on earth shall be bound in heaven, and whatever you loose on earth shall be loosed in heaven. (Matthew 16:17-19). Thereafter, He (Christ) warned His disciples not to tell anyone that He was the Christ, until all the things meant to be fulfilled, were fulfilled. Right from the time our Lord Jesus Christ died and resurrected, He was no longer known as Jesus Christ, but as Christ. So brethren, the great and wonderful works accomplished by Peter, were not done by him, but by the Holy Spirit through him. Right from that time, no one is known to have performed any task except the Holy Spirit. Therefore, we can rightly affirm that, the Holy Spirit is the only accomplisher of all things.

You should also recall that, it was on that fateful pentecost day that the Holy Spirit descended on the apostles. It was at that occasion that the apostles spoke in tongues. Right from that time, such people are no longer in the flesh, but in the Spirit. It is very unfortunate that the world does not recognise our Lord Jesus Christ as the one doing all the things taking place in the world today. It is because of this ignorance of His presence on earth that the people of the world erroneously believe that He is in the sky with His mother and father.

Anyone without the spirit cannot hear and understand the word of God. The works done in the gospels of Matthew and that of John are quite different from the works done in the Acts of the Apostles to Jude. But all the said works were done solely by Him in the spirit. There is no word of God which is yet to be made manifest. What is written in John 4:23 has been made manifest today.

"But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth, for the Father seeketh such το worship him."

In fact, it is as a result of our understanding of the presence of the Holy Spirit here on earth that we often sing that 'the Holy Spirit should come and lead us, for it was so written'. so brethren, I want you to understand that, He is no longer operating in the flesh but in spirit. As such, you should stop seeking for Christ in flesh.

The cause of the trouble in the world is that people are still seeking for Christ in the flesh when He is in the spirit. Also, it people have abstained from praying and fasting. However, Our Lord Jesus Christ is the same yesterday, today and forever as written in the scripture. You can address Christ with any name that pleases you, but the fact remains that, He does not change and will never change.

If all the members of Brotherhood of the Cross and Star were to be in spirit, they would not have experienced any problem. What we are witnessing now is the fulfilment of the word of God which says that, though we knew Christ in the flesh, but right from then, none is known in the flesh any more. The statement of our Lord Jesus Christ as recorded in John 16:7 is quite true. He said:

"Nevertheless I tell you the truth, it is expedient for you that I go away; for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you."

The above statement is a contirmation of the fact that. His first advent on earth was in the flesh. He is no longer known in the flesh but in the spirit. Whoever develops a strong dislike for spiritual churches is indirectly hating God. Our Lord Jesus Christ is here on earth. But people are waiting for when He will crashland from the sky. The question is, who is this spiritual being accomplishing all things here in the world? Again, what do people think is responsible for all what is taking place in the world. Is it not the same Christ? We have been enjoined not to ascribe the works done by God through us to ourselves.

All the works done here on earth are performed by Christ in the spirit, but made through us. If you are advised to go to a certain place, you should bear in mind that He is already there waiting for you. Also note that, He is the only one that leads, secures and directs you in all your endeavours. In fact, He is the sole healer of all infirmities. It is for this reason that the present generation is said to be the luckiest of all generations. Christ Himself assured us that:

"......Except a corn of wheat fall into the ground and die, it abideth alone, but if it die, it bringeth forth much fruit." (John 12:24).

Taking the above text into consideration, have you not seen the extent to which the works He did became greater after His death?

In fact, after His resurrection, He was known everywhere. But now, most people are waiting for His second coming. Those who fall within this group should really put themselves into prayer. If people did not lack the accurate knowledge of truth, they would have regarded the statement of our Lord Jesus Christ when He assured us thus: 'when I go to prepare a place for you, I will come again and will take you to myself, that where I all you may be also.' (John 14:3). So beloved, if Me did to come as promised, who do you think, would have done these works seen daily?

John the Baptist baptised people purely with water as such they did not receive the Holy Spirit. John himself gave eloquent testimony about the baptism of the Holy Spirit and also bore witness about Christ thus: "I baptise you with water for repentance, but He who is coming after me is mightier than I, whose sandals I am not worthy to carry; He will baptise you with the Holy Spirit and with fire." (Matthew 3:11).

Our Lord Jesus Christ has also testified that, 'unless one is born of water and spirit, he cannot enter the kingdom of God.' (John 3:5). So this confirms the fact that, the Son, the Father and the Holy Spirit are present in our midst. This is the time for the true worshippers to worship God in spirit and in truth. It is not a time for people to go to Jerusalem, Mecca, mountain among other places to seek for God, for, behold, He is within your reach.

We are also taught not to call anyone teacher, for we are brethren and have just one teacher, who is Christ, Have you not seen this thing happening in this kingdom today? You have also been told that God will teach you all things and those who will receive His teachings. follow mim. This is exactly what is going on in the kingdom today. He (Christ) also enjoined His disciples that, blessed is he, who does not see, yet he believes. This is what we are witnessing here in the kingdom. Many people often claim that, they cannot be defeated by anybody not to talk of their mates. But today, He is defeating whoever He wishes at ease. Yet you do not accept His existence on earth. Does it mean that, you are deranged? Do you want to be defeated by one who you do not see and touch? He (the Holy Spirit) was in existence before the foundation of the earth was laid. So, note that there is no time He ceases to exist. But the Father has assigned appropriate time for everything. In the past, great and marvellous works were done in secret but now everything is done in open.

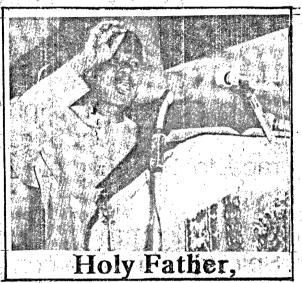

EVERLASTING GOSPEL DELIVERED BY

period when King Saul and David fought. Then, Saul was informed that, David was in Samuel's house. Saul instructed three of his soldiers to go to Samuel's house and kill David and bring his head to him. When the soldiers got there and saw David, they could not carry out their assignment. Instead they were very friendly with David. They dined together and chatted with him. It was during their conversation that the soldiers told David their mission.

After that the soldiers left. Have you seen the work of the Holy Spirit? This is a proof to you that, the Holy Spirit has never ceased to exist. He is ever before, behind, beside and all round you. He is in fact existing in every nook and cranny of the world doing His work. When the messengers of Saul arrived, Saul asked them of

David's head they were sent to go and bring. They told him that, they saw David, chatted, and dined with him. And that, David even saw them off. Saul, on hearing this, decided to put on his armour of war to go to Samuel's house to behead David.

Brethren, when King Saul arrived where David was. the spirit of God overwhelmed him and he started to prophesy . When people saw Him, they were astonisned and started to ask of when King Saul became a prophet. King Saul in this case was rendered powerless; and defeated by Christ. So there is nothing impossible in the hands of Christ. Imagine Saul who had gone there with the sole aim of beheading David, turning round to ask David of when he would return in a very peaceful manner. Indeed, Saul was overpowered by the Spirit of God to the extent that, he started pleading with David to forgive him. They even ate and drank together before he left peacefully to his destination. Now the question is. who was responsible for this event? Is it not the Holy Spirit which you erroneously address as ghost, mermaid, beelzebub and charm? Have you now seen the beelzebub, ghost, mermaid and witch which people often claim exist in Brotherhood of the Cross and Star? It is as a result of the existence of the Holy Spirit in Brotherhood of the Cross and Star and our fervent belief in Him that people find it very difficult to harm us.

One of our sisters who lives in Ogoi - Ibami in Cross River State testified to how the entire villagers unsuccessfully planned to kill her, for the mere fact that she is a member of Brotherhood of the Cross and Star. Their hatred for the sister was so much that, they attributed the death of her brother to her. In order to kill her, she was ordered to come and bury the body of her brother. Before she arrived there, the villagers prepared charms and placed on the seat she was to sit on. Quite unknown to her, when she got there she sat on the seat quite comfortably and nothing happened to her. When the people discovered that the woman was not hurt they were astonished about the power in the sister. Since these villagers were bent on killing the woman, they went ahead to arrange with a hired assassin to kill her." What I am imparting to you is not a dream, but a reality. So take note. One morning, the hired assassin went to hide along the path leading to the bethel which the sister used to follow while going to morning prayer so as to execute his evil plan. But as this woman was approaching him with her lamp, the hired killer fell into a gutter and the sister even went there to rescue him. Inside the gutter, the sister saw a loaded pistol which the man was to use in killing her. She handed it to him and he returned home without carrying out his evil plan. With i this, the villagers who had sent the hired assassin were amazed. It was at this point that they started blaming the hired killer for having drank before he went to execute the plan. As if that was not enough lesson for them. another man, a son to the dead brother of the sister was drafted to the assignment in the sense that, he was a

"We are also taught not to call any one teacher, for we are brethren and have just one teacher, who is Christ. Have you not seen this happening in this kingdom? You have also been told that God will teach all things and those who will receive His teachings will follow Him. This is exactly what is going on in this kingdom."

to the time when people used to know Him in the flesh has passed giving way to the spirit. You should recall the

member of ECKANKAR, and as such was very capable to kill the sister, at ease.-

So, he went and hid in a very strategic spot which would enable him to kill her. As she approached, he shot at her for three times but nothing happened to her. To his greatest shock, he came out of his hideout to address the woman. He said, Arit, (the sister's name) are you not the one I am shooting at, what do you use to protect yourself against bullets? In apparent surprise, she asked the man what had happened. She asked the offence she had committed to warrant him to shoot at her. That person also failed and his efforts proved abortive. In fact, all those who embarked on the evil plan have completely stopped because they discovered that they could not harm her at all. Owing to this, most of the evil planners have baptised into Brotherhood of the Cross and Star in order to be blessed with such power. Now the question is, in your estimation, who was responsible for this event? Do you know that, you are an embodiment of this power which people address as beelzebub, witch, ghost and mermaid?

You should understand mat, from the day you accept baptism, you have put on Christ as your armour. You

"From the day you accept baptism, you have put on Christ as your armour and you automatically become one with Christ. It is needless to segregate, hate, kill, fornicate or commit any other vice. For being one with Christ you are equally counted among the children of Abraham - the heirs of the kingdom."

automatically become one with Christ. Therefore, it is needless for you to segregate, hate, kill, fornicate or commit any other vice. For being one with Christ you are equally counted among the children of Abraham, the heirs of the kingdom.

So brethren the spoken words of Christ have been manifested at this fullness of time. The mermaid, beelzebub, witch and other foul spirit which people often claim exist in Brotherhood of the Cross and Star, is the Christ in you. Such things like juju, witchcraft, soothsaying and works of necromancers have all been rendered impotent and are no longer effective. Why then should the members of Brotherhood of the Cross and Star with the power in them, seek help from these things? Do you not know that the power possessed by members of Brotherhood of the Cross and Star often render all evil forces useless at any place and at any point in time a member passes along. It is for this reason that most necromancers have resorted to banning members of Brotherhood from coming near their shrines so that their juju will not be useless. You have been made to understand this fact today. 🔹 📖

The Holy Spirit has come to live on earth and He has entered into all creation of God to take control of their affairs. All the so-called world powers, the native doctors, necromancers, wizards, juju priests among others, have been deprived of their powers. They are no more active; Christ alone is the only reigning force and power in the whole universe. This accounts for the unpredictable happenings in the world today. The children of God now have the right and privilege to go round every nook and cranny of the world to propagate the word of God to all creation of the Father. Now, the blacks, quite unlike before can boldly go to the whites to preach the word of God and pray for them. If the Holy Spirit were not to take control of human affairs, man could have seen himself in a worse situation than what it is now. And there is no arrived there that the Father used him to accomplish the onerous task of demolishing all undesirable things in Ghana. Hitherto, Brotherhood did not make any impact in Ghana but today, everybody has an idea about Brotherhood there. Who else has done these if not the father Himself. And so, you make a mistake when you say, that Christ is yet to come. He is here in our midst today. He is the one doing everything herein obtained. Read the first lesson again.

FIRST LESSON: JOHN 4:23.

"But the hour cometh, and now is, when the true worshippers shall worship the Father in Spirit and in truth: for the Father seeketh such to worship Him."

It is said that obedience is better than sacrifice. This is the mode of worship God desires from those that are willing to worship Him, and so you must worship Him in Spirit and in truth. You are to heed His divine instructions at all times.

You should recall when the people sort to know from Christ, why. His disciples did not fast whereas the disciples of John did fast. He told them that so long as he is with them they had no cause to fast but that they would fast when He would be no more with them. (Matthew 9:14-15). Have you not fasted today? Fasting started the moment he was hanged on that awful tree. Today, fasting is a very reliable source of earning favour from God. These things I keep revealing to you is consequent upon the fact that even till today those of you who claim to be members of this fold are still doubting the person responsible for the works in this kingdom.

Do you think your improved condition of living and freedom are as a result of your hardwork Somebody must have been responsible for this and many more. Then ask yourself who that person is. Who is He? When you are confronted with a question such as: "What is in Brotherhood?", you will be bereft of words. At times, you say nothing. What do you mean by: 'There is nothing in Brotherhood of the Cross and Star?' Where else can you hear the word of God which you have here? And where have you seen a place where a worse condition is changed to a better one, within seconds, by pronouncing "Let" and the bad condition would give room for a better one. Even at gun point, grave yard, sick bed, the scene of fatal accident, in abject poverty, lack and extreme frustration many have found life, grace, peace, comfort and indeed a new lease of life at the pronouncement of "Let" and O. O. O. Is this not unique?

With these experiences, can a right thinking person not believe that there is something in Brotherhood of the Cross and Star? You have not yet told the world the truth about this kingdom of God. Again you tell the world that it is Leader Olumba Olumba Obu that is doing this work. What evidence have you to proof that He is the one doing this work? What equipment, charms etc. have you seen me use? I have never taken you to any shrine, river bank etc. to perform any form of rituals. What then qualifies me as the one doing this work? I am permanently stationed here in 34 Ambo Street, Calabar. How come people say they see the Father lavishly in all the countries of the world? Do not attribute the glory of this work to any man. The Holy Spirit is responsible for everything in this kingdom.

Christ is at the helm of everything done here. That is why everything is named after Him in this kingdom, such as: Christ's Student, Christ's Servant, Christ Witness, Christ's Universal Spiritual School of Practical Christianity etc. And so, call a spade a spade. Tell the world that Jehovah God and His Christ are responsible for all the works in this kingdom. He is everywhere monitoring the affairs of the entire world and He is aware of every comment made by any man.

You could recall that Thomas did not believe that Christ has resurrected when he was informed and unknown to him, Christ was spiritually present in their midst. And, so, when after eight days, Christ appeared in their midst and called upon Thomas to puthis handin His pierced side, Thomas then believed that Christ has resurrected. This he believed because he had seen the wounded side. Jesus then said to him, standing, you have to be baptised again into this kingdom. And you have to confess your sins and accept baptism in this kingdom even if you were a pope or founder of your church.

The first stage of baptism is the confession of sins and refraining from it, after that is the reception of the Holy Spirit. You cannot receive the Holy Spirit unless, you have confessed and refrained from all manner of sins. The orthodox wordly churches do not have this wisdom. It is only here in Brotherhood of the Cross and Star that this secret is unveiled. This is so because the key to the secret of the kingdom of God is custodied here. Once you confess and refrain from sins and accept baptism, you are blessed with the gift of the Holy Spirit and with this, Christ indwells you. He will assume the rulership of your entire being and do everything for you. You will no longer lack joy, peace, love and infact, all good things will abound in your life.

The wisdom of God is unique. It cannot be compared with that of man. During the 1914 world war, crude weapons were used. During the 1939 war, more sophisticated weapons were manufactured and used. As time went on, the so-called world super-powers manufactured missiles, jets, chemical weapons, atomic bombs and computerised nuclear warheads that were better than those of the past years. They now boast that these weapons, if put to use, can destroy a whole country in a matter of minutes. These are the handiwork of man. What then do you think of God who created man? If man has gone this far, it then implies that God cannot be reached. And so, you will believe with me that as the heavens is higher than the earth, so has the wisdom of God surpassed that of man.

Ever since men started to investigate Brotherhood, have they come up with any useful information? Even you, members of Brotherhood, have you anything to say with regards to the nature of Brotherhood? You too, are confused about what Brotherhood is. You cannot deny the fact that you came here to seek for protection. Some of you came here for charms, Having thought Brotherhood to be a secret cult, you came to be initiated into it so that you might command influence in the society. You never, for once, thought it to be the kingdom of God.

If you have practised what you are thought in this kingdom, you would have witnessed God's physical presence in you. The wisdom of God that has since eluded you would have been revealed to you and you would never be the same again. It is because you have not surrendered yourself completely to God that you continue to attribute the glory of the works in this kingdom to man. You err by saying that Olumba is the one doing the work in this kingdom. Let it be known that God and His Christ are responsible for all the things done here. Read the second lesson again:

SECOND LESSON: JOHN 14:26

"But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you."

Lis it Olumba Olumba Obu that was promised in the above scriptural text? It is none other than the Holy Spirit. He is the one operating in the world today. God cannot promise white and give black: His promise is unchangeable and is ever sure. He promised the world a Comforter, the Holy Spirit of truth and today, the same Comforter, the Holy Spirit of truth is the active force in our midst.

The promise of our Lord Jesus Christ as recorded in John 14:15-17 has (today) manifested. For you to qualify to reap the fruit of the divine promise, you need to love one another. Love is the key to open all doors in the kingdom of God. If you practise universal love, the Holy Spirit will come down and indwell you and accomplish all tasks for you. You cannot do anything; He is the one doing everything. You err whenever you say that Father

man who can effect these types of changes in the world. Imagine the type of spiritual work which the Father is using Christ's Witness Mary Obu to accomplish abroad. If the Father was not the one using her, who is she to preach the gospel to the whites.

When the Father liberated Ghana, they said they did not have need for a preacher, because, they felt they knew so much. They resisted all attempts for a preacher or a tull time worker to be sent to them from here. As such, they could not achieve any reasonable thing. In line with the Father's pronouncement, during the King of Kings visit to Ghana, it was disclosed to them that it is only the ordained preachers, students or Christ's servants that are authorised to serve and train others on the teachings of the Father. It was only then that they accepted to have a full time worker and Christ <u>student</u> Bernard was sent to them. It was when Brother, Benard

"Thomas, because thou hast seen me, thou hast believed: blessed are they that have not seen and yet have believed." (John 20:19-29).

The death of Christ on the awful tree of Calvary makes for the forgiveness of sins, hence you have been taught to confess your sins, accept baptism and completely refrain from all manner of sins if you must have life but many churches of the world do not know this. Though many of them undergo baptism by immersion, they do not confess their sins before such baptism. That is why when you come here, your previous baptism notwithis using you. He cannot use you because you are not fit for use. He is the one doing everything in this kingdom and in the entire world.

"It is unfortunate that the world does not recognise Our Lord Jesus. Christ as the one doing all the things taking place in the world today. It is because of this ignorance that the people of the world erroneously believe that He is in the sky with His mother and father."
