

FATHER'S GOSPEL FATHER'S GOSPEL

home, he would realise that the wife had already divorced him to marry his friend. This is exactly what is happening in the world. Every man even the government is corrupt. Every man is a thief. If there is a vacancy in the bank, and a man is asked to fill the post, his next line of action is to think of how to defraud the bank. Again, if a man is given charge of a well-stocked supermarket with much money therein, would he not loot the wares and the money? So, a bad man cannot do any good thing no matter the situation.

That is why people would say that members of the Brotherhood do not call on the police to arrest any one, if they are offended. What do you have to do with the police? They are equally in the same shoes as the offenders.

We are advancing to the end of time, so there is need for a spiritual war to restore sanity. It is not a war waged between countries, rather, its target is those who are wicked and sinful all over the world.

The angels have been sent to all parts of the world. Some are doctors, nurses, lawyers and other professionals. They come with every good thing into this kingdom for the children of God to enjoy. What is only needed of you is to practice the word of God and the angels will minister unto you. If you have spiritual insight to see the type of glory designed for you, you would have realised that even the type of motorcade usually identified with only the governors and presidents cannot be compared to yours. The type of protection you have is such that you can go to any place without any problem.

In a short while, there will be no more robbers, juju priests, fornicators, backbiters, liars and all evil doers.

In spite of all the hospitals and clinics built all over the world to provide health services, and in spite of research to produce more potent medicines, many sick people and incurable diseases abound the world. In this kingdom, you do not need to inject yourself nor take any tablet but your illness will certainly vanish.

God has made a solid plan against those who are workers of iniquity, His children have been protected from this calamity because His angels had already been instructed on those to make war with. Not because of your prayers nor has He (God) got any instruction from any person. If you employ the services of a day and night watchmen, you are indirectly inviting armed robbers to your house. Do not rely on anybody's protection but if you abide in righteousness, the angels would be sent to minister unto you. No person has the power to do anything for you except God. The golden text below expatiates on this point.

GOLDEN TEXT: REV. 21:4-5

'And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall be any more pain, for the former things are passed away.'

And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful.'

Brethren, the first lesson reminds us of the promise of God concerning the first begotten son of God. He is said to be worshipped by all angels. At His appearance, it should be noted, everything shall be made anew, as recorded in the second lesson. The golden text confirms the presence of the first begotten Son of God.

In its totality, therefore, these three texts focus first, on the existence of a Supreme Being, then a general purgation of the earth and lastly, the eventual joy of the chosen ones. They are the ones that will inherit the earth. Before the year 1999 to 2001, the events mentioned in the second lesson and golden text shall come to pass. And after the purgation, nobody is expected to be sinful.

If you look at the world now, you will notice great tribulation, and death. This is because of the sinfulness in the world. Hospital cannot cure most sicknesses. Many deadly diseases are daily taking the lives of human beings without any medical solution. Diseases like AIDS, Hypertension,

Gonorrhoea and many others are as a result of sinfulness. They can only be cured by baptism in the Brotherhood of the Cross and Star. Henceforth, you are advised to desist from all manners of sins. Everybody is a Brotherhood. The world is not meant for only members of Brotherhood. Therefore, Wherever you are, if you commit sin, you cannot go scot free; you must be punished accordingly. It has been said that those people or things that cause the children of God not to worship God shall be destroyed. Therefore, whether one is a member of Brotherhood or not, he/she shall equally be punished if he or she entangles himself/herself in sin. It is said that, 'the axe is laid unto the root of the tree: every tree therefore which bringeth not forth good fruit is hewn down, and cast unto the fire'. (Luke 3:9). In other words, if the evil men are not completely wiped out from the earth, the angels shall not be at rest. To escape this wrath, refrain from sin and abide in righteousness. There should be only love, joy and peace everywhere.

Some foolish people think that if you are a Brotherhood, that you can escape punishment after sinning. It is not so. There are certain angels commissioned to deal with individual sinners irrespective of their church or society. There is no solution other than practising the word of God. If you like, fast for days and pray. It can not stop the judgement from being executed.

Are you not shocked that many Brotherhood members over the years have not taken any type of drugs yet they are healthy? The Father has wiped away tears from their eyes. Here in Brotherhood, nothing is applied but ordinary word. The promise of God as recorded in the golden text is for everybody who is righteous.

The worldly people claim that they cannot come to Brotherhood for fear of death. It should be noted that death is for sinners not for righteous Brotherhood. Whenever you commit sin, you must die. Except you fail to practise the word of God, nothing can harm you. Whenever you have any problem, use your telephone number - O. O. O. and everything will be well.

May God bless His Holy words, A - men.

CONGRATULATIONS!

Papa, with humility and reverence, we the Spirited Children Fellowship of the BCS heartily Congratulate you on this great occasion of your Birthday.

We accept that you are the promised Holy Spirit, Comforter and Supernatural Teacher

GOD'S PROMISE

SERMON DELIVERED BY THE SOLE SPIRITUAL HEAD LEADER OLUMBA OLUMBA OBU

1ST LESSON, HEBREW 1:6

'And again, when he bringeth in the first-begotten into the world, he saith, And let all the angels of God worship him.'

2ND LESSON: MATTHEW 13:40-43

'As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world. The son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend and them which do iniquity;

And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth. Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.'

GOLDEN TEXT: REV. 21:4-5

'And God shall wipe away all tears from their eyes, and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful.'

Dear brethren, the texts above are meant to reveal the injunctions of God to the entire world. Whether you believe it or not, these injunctions must be complied with. Your problem is that you do not believe in the efficacy of the word of God.

Remember when Zachariah was in the temple, an angel appeared to him and informed him that his wife would give birth to a male child whose name should be called John. This was fulfilled. If you should take stock of relevant events, you would realize that, all that God commands always come to fulfilment. It is God's perfect arrangement. Whether you read the Bible or not, what had been written must come to pass.

The manifestation of the Holy Spirit on earth had been prophesied. All you need is do everything to glorify Him for His coming. Set aside everything and praise Him through testimonies, songs and dances. Thank Him for the wonderful works He has performed so far; and those that He will do in the future. He deserves to be praised. Everybody, (both young and old) all should suspend every other thing and thank the Holy Spirit.

Our Lord Jesus Christ had said in Matthew 5:18 that, *'... till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.'*

Brethren, if you are aware of the gravity of one word uttered by the Father, you will always remain in awe. For the Father to say to you, 'go', 'come' or 'my child' know that you are very lucky. Such words are greater than the world.

"If you are a Brotherhood member but keep on indulging in fornication, preparation of diabolical substances and other vices, then you are at variance with my teachings and you have to blame yourselves for whatever the warriors (Angels) may do with you. It is their assigned role to sweep off everything that is at variance with the teachings of the Holy Spirit. However, if you are a true Brotherhood who practices the teachings of the Holy Spirit, your time to jubilate and be joyous has come"

If you could recall a letter sent by Dr. Bazie of India to me after his brief visit to Brotherhood's Headquarters, you would be baffled. He wrote that, the father should pardon him for whatever evil he Bazie must have done in the past. He confessed that for me to have called him, 'My dear son' was the greatest thing, that my words are the most powerful words ever pronounced on earth. This is the time to rejoice with the Holy Spirit on earth. This is the time to rejoice with the Holy Spirit because He has come to rule, lead and reign forever. No power has any authority over my children any longer.

The angels surrounding you are too numerous and more powerful than any evil force. One angel alone, can destroy the entire world and all evil forces, no matter their number and strength. If only one angel can do that, think of the whole angels of God bowing down to one being. What personality is that? If you were to have a spiritual insight into the kingdom of God in your midst, you would have remained in absolute awe and quietness. If only one person amongst you were to be completely prepared for this kingdom, then I would have taken action. However, once the time is up, nothing can prevent the will of the Father to materialize.

The testimonies given by the top members of different secret societies - Bazie and Chukwudi, confirm the power in your midst. They said that millions of angels in your midst (members of Brotherhood) are so great. They said that the first day they visited the Headquarters of the Brotherhood of the Cross and Star, 34 Ambo Street, Calabar, with three thousand, five hundred elemental spirits, they were arrested and chained by only three angels. You have also been told by these same occult leaders that the power is not only restricted to the Headquarters alone but covers the entire Brotherhood World. That, once they were released by the three angels, they left for Biakpan. There, they saw a very mighty fence that extended to the sky. One angel stood guard at the entrance but they escaped destruction through the mercy of the Father. Another instance of this overwhelming power in your midst is the testimony given by the four moslem leaders (Alhajis) who visited me. That they saw a

very tall fence extending to the high Heaven that was impregnable. Spiritually, they were all tortured after which they went home. On their way back home, the vehicle they travelled in was involved in a ghastly motor accident. They just managed to escape death as a warning for trying the Holy Spirit. There are others who testify that members of Brotherhood of the Cross and Star are fortified beyond the reach of evil forces.

I am reassuring you that wherever you are, as a member of Brotherhood you are under strict protection by the angels. You should therefore, be joyous and thankful to the Holy Spirit.

Many people are still researching into the source of power in Brotherhood of the Cross and Star. But the Father has personally come down and there is nothing that can flap its ugly wings. It is said that, 'when the battle is fierce the king, himself will lead the war.' I have told you and I am reiterating this that you should be joyous and jubilant because the spiritual protection you are provided with is unspeakable. As you go on your normal business, there is an angel each in the front, back and on the flanks and even in your house. The angels are always used as tools by the Father. They are the workers in the vineyard and you are a thing of glory to God. His glory is made manifest in you. That is why I keep on reminding you that as members of Brotherhood, you should not dabble into diabolical acts, stealing, fornication, annoyance and all other vices. This is because, once you engage in such activities, the angels who are always with you, would deal with you drastically.

Now go and inform the world that things have greatly changed. The situation in the world today is quite different from what you witnessed years gone by. Before now, those in the vineyard of God used to be subjected to torture but today, nobody dares scold you or successfully plan evil against you. All the so-called juju priests, witches, and wizards, occultists and wicked persons must testify openly of their evil deeds and forsake such practices, otherwise, they will have themselves to blame.

What took place in the days of our Lord Jesus Christ was according to God's plan.

FATHER'S GOSPEL FATHER'S GOSPEL FATHER'S

That was why, when Peter took up a sword to prevent the arrest of our Lord Jesus Christ, He (Christ), warned him against the use of the sword, for he that carries the sword shall perish by the sword. He added, 'Thinkest thou that, I cannot now pray to my Father, and he shall presently give me more than twelve legions of angels'. (Matthew 26: 51-53)

The yesteryears, however, witnessed the tears, poverty, suffering, tribulation, persecution and death of the children of God. The presence of the Holy Spirit in this era has changed all these. This time is designed for joy, riches, good health, freedom, and the time for the glory of God. This is an opportunity to inform you (members of Brotherhood) that you should go into the world with dignity.

People used to have the notion that a godly man has to be poor, sickly, intimidated and finally die prematurely. But I am emphatically telling you that these do not apply to the present children of God. A child of God now must be rich, eat satisfactorily, be robust, joyous, subdue all evil forces and live forever.

1ST LESSON: HEBREW 1:6

'And again, when he bringeth in the first begotten into the world, he saith, And let all the angels of God worship him.'

As you read from the passage, there is no doubt about who is to reign. When the Almighty Father will send back His first begotten into the world, He commands all the angels of God to worship Him. In that statement, no animal, or any inanimate object is mentioned; but 'His first begotten Son'. Everything is subject to Him.

God has never made a mistake. After He had created everything, He said, 'let us make man in our image'. (Genesis 1:26). He then created man and woman to rule over all other created things. Have you ever heard when God said to an angel, today have I begotten thee? When Adam was driven out of the Garden of Eden, which angel did God send to replace him?

Our Local adage has it that, 'When a Father, out of annoyance slaps his child with the right hand he would also recall the same child with the left hand, once he is pacified'. Your Father, the God of Hosts has come down to dwell with His children. You should, therefore, stop referring to yourself as ordinary human beings because you are all dwelling with your Father. It is an insult for you to repeat the mistake made by Adam by disobeying God.

When a local peasant farmer goes to his farm with the local implements like machet and hoe, what extent of work would he cover in a day? But once a machine is used, such as bulldozer the whole farm could be brushed in a second and all the heavy stones removed and packed. Similarly, weapons of war from generation to generation undergo certain technological improvement to give man the desired effect. For instance, before the first world war, the type of weapons used were not as advanced as those used during the second world war. The artilleries and the bombs were more advanced. The jets then used were also sophisticated. But today, the level of technology in the world is so sophisticated that people can stay at a distance of hundreds of miles to launch a rocket or a missile which is capable of destroying a whole country in a second. This is a weapon without a human being in it, yet it covers thousands of miles. If human beings can design and develop such sophisticated technology, how much more God? Our Lord Jesus Christ referred to this situation when He said in a parable,

(Matthew 21:33-41), 'Hear another parable: There was a certain householder, which planted a vineyard, and hedged it round about and digged a winepress in it, and built a tower, and let it out to husbandmen, and went into a far country: And when the time of the fruit drew near, he sent his servants to the husbandmen, that they might receive the fruits of it. And the husbandmen took his servants, and beat one, and killed another, and stoned another. Again, he sent other Servants more than the first: and they did unto them likewise.

But last of all he sent unto them his son, saying, they will reverence My son. But when the husbandmen saw the son, they said among themselves, This is the heir; come, let us kill him, and let us seize on his inheritance. And they caught him, and cast him out of the vineyard, and slew him. When the Lord therefore of the vineyard cometh, what will he do unto those husbandmen? They say unto him, He will miserably destroy those wicked men, and will let out his vineyard unto other husbandmen, which shall render him the fruits in their seasons'.

Inform your brethren and parents to forsake sin because the time has come for God to mete out justice. But for our Lord Jesus Christ, do you think anybody would have survived? Only one angel can destroy the entire world. That statement is irrevocable. Whenever the Father would come down, He would be accompanied by a host of angels.

The Sole Spiritual Head, Leader O. O. Obu explains the G

Death is an angel. Sickness is an angel. What you regard as good or bad are all angels. They all submit to the Father. Angel Gabriel, and other archangels have all come down to worship the Holy Spirit.

You must have read from the scripture that angel Lucifer was thrown down by angel Michael, the warrior during the battle in Heaven. It was after this encounter that Heavenly hosts lamented over what would happen to the inhabitants of the earth because of Lucifer's presence. He is the one (Lucifer) causing all these problems and strife in the world. He causes you to live in fear and tribulation. The spiritual war between good and evil is called Armageddon.

People claim that Brotherhood worship man but now, if you utter any evil word against members of Brotherhood, you will be arrested by the angel, because this is not the period to insult God and His children. If you attempt it, you cannot go scot-free.

In Nsofang, Ikom Local Government Area, Cross River State, a certain man changed his physical body into elephant and confronted a member of Brotherhood in a forest. As the brother saw it, he remembered one spiritual chorus that, 'Whatever is creeping or flying, Olumba rules them all'. At this point, the elephant miraculously fell down and died on the spot. But at home, the actual man who changed his human form into this animal was groaning with pains calling on Brotherhood members to come to his aid. Also, he warned the people never to tempt members of the Brotherhood of the Cross and Star.

He later gave up the ghost. So when this brother got home, the man had died. In that Community now, people refer to Brotherhood as the miraculous God.

If you call the name, 'Brotherhood' nobody knows exactly what you are referring to unless you call it miraculous

"We are advancing to the end of time, so there is need for a spiritual war to restore sanity. It is not a war waged between countries. Rather, its focus is those who are wicked and sinful all over the world."

GOSPEL FATHER'S GOSPEL FATHER'S GOSPEL

...sis of the reign of God", to the congregation

God. The people of that area dread Brotherhood. Once you go there as a member of Brotherhood, they hold you in awe. The entire place is rendered spiritually weak.

The situation with this village could be likened to what our Lord Jesus Christ said in Luke 14:31-32 about waging war with an enemy who has more number of soldiers than you. Christ said that the best thing to do in such a situation is negotiate for peace. Similarly, the villagers have subjected to the power of the Father. It is time for the world to seek for a peaceful resolution with God.

Right now, all principalities and evil spirits have been brought to their knees. People all over the world have started and will ever come to pay homage to the Holy Spirit. We are now waging war against the spirit and not with ordinary flesh. (Ephesians 6:12). Our basic war implements are prayers and feast. Once you conduct a feast, all your problems are over and the situation becomes peaceful and calm. No other sacrifice will be accepted by any spirit except the Brotherhood feast because it subdues every problem. The effectiveness of charms and all elemental spirits have been rendered impotent for the sake of true children of Brotherhood.

The spiritual war that is raging across the earth is waged by the angels. If you are a Brotherhood member but keep on indulging in fornication, preparation of diabolical substances and other vices, then you are at variance with my teachings and you have to blame yourselves for whatever the (warriors) angels may do with you. It is their assigned role to sweep off everything that is at variance with the teachings of the Holy Spirit. However, if you are a true Brotherhood who practises the teachings of the Holy Spirit, your time to jubilate and be joyous has come. Leave vengeance to God. Whatever someone does to you, do not react; rather, maintain your calm because He who is to take vengeance has come.

What is witnessed now is not caused by man nor other power but through the power of the Almighty Father. Our Lord Jesus Christ had said in Matthew 28:18 that, 'all power is given unto me in heaven and in earth'. Therefore, His reign has no opposition from any quarter. Any person or community that is a cog in the wheel of progress of this kingdom will be swept aside by that great force of the angels. The kingdom of satan has been vanquished and trampled upon by the victorious force of the Heavenly host.

Dear Brethren, this sermon is revealing the source of happiness for the children of God. It is the promise of God to His children. This promise was not made by any other person than God, and this is its period of manifestation. Read the second lesson again.

2ND LESSON: MATTHEW 13:40-43

'As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world. The son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity;

And shall cast them into a furnace of fire; there shall be wailing and gnashing of teeth. Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.'

Brethren, the above passage is not a new message. This prophetic statement was made several years back, and it is a truism that "Once the word of God falls unto the ground, it breaks mighty rocks up to fulfil its purpose."

The Russians once ignorantly believed that there was no God. But the situation has changed today. At a time, communist countries were real 'enemies' of God. They were people who never wanted to hear anything about God but the situation is different today. I want the whole world to be saved.

People speculate about what will happen in the world. But such speculators have failed completely.

No man can claim responsibility for any happening or what will happen in this world. Everything happens at their appointed time - God's own time. Everybody should therefore refrain from sinfulness, because this is the time of the holy spirit to reign.

By now the entire world would have been destroyed but for the love of God.

You must have heard about the wordings of one spiritual song which says, 'sinful child, take stock of your deeds'. You who attend Brotherhood but keep on indulging in sinfulness, do you pay heed to this warning? You have been warned never to be annoyed, steal, fornicate, involve yourself in the preparation of charm and to avoid evil deeds. Have you taken heed of this warning? Some of you cannot come to Brotherhood, because of its sound doctrine. Rather, you prefer other churches where you would be allowed to do your wishes. Are you mindful of your deed? You, the juju priest, soldiers, secret society members, both the white and the black, do you pay attention to this terrible danger facing you?

It is because of the grace of God that, He has stopped war physically.

Can you count the number of people who died during the last civil war in Nigeria and the amount spent to save people's lives? God does not want us to perish. If you are still adamant to what is preached to you, then pray fervently for yourself.

Do not think that what is to come is like an ordinary war involving weapons made by the so-called advanced countries. Even with their stockpiled weapons, only one angel can destroy them.

Psalms 127 states that, 'Except the Lord build the house, they labour in vain that built it ...' Juju, Church, Soldier, Government and even man can never protect anybody. Right now, wherever you go, in the space, everywhere, He takes dominion. Angels are in complete control of everywhere. If your conversation focuses on an evil topic, they are there watching you. Angels are spirits, human beings, animals, wind, fish, tree, rain, fire and everything.

They are after the destruction of sinful ones so that, the children of God can eventually take the world with joy and happiness; thereafter discrimination, division and strife shall be a thing of the past.

The people of the world claim to be wise. Where lies the wisdom of the world? It is just like asking a goat to keep watch over a yam. If a woman who is seriously looking for a husband is asked by her friend to take care of her husband till she returns from her tour, has that woman not deprived herself of a husband? Since the other lady was seriously looking for a husband, she would simply snatch the man from her friend. By the same token, if a man goes on a long journey and asks his friend to take care of his wife, by the time he returns

"Whenever you commit sin, you must die. Except you fail to practise the word of God, nothing can harm you. Whenever you have any problem, use your telephone number O. O. O. and everything will be well."
