

# PULPIT ANOTHER LOOK AT THE LITTLE CHILD

Contd. from December Edition Pg. 23

tree of good and evil because when you were a child, you were pure, righteous and devoted in the service of God and when you grew up, you indulged in various sins. It is only the good things you did in your childhood days that sustain and protect you till date.

There is no elderly person who will advise you truly about life, rather they will advise you to look for something that will protect you. You will be told that God helps those who help themselves. But I always tell you time without number that nobody in the entire world can help himself apart from God and it is through the little children that this help comes to you, for the little children are the dwelling place of God. They constitute the kingdom of God.

Whenever you notice new trends in the affairs of men, know that a deity has been born but the world

**It is only the good things you did in your childhood days that sustain and protect you till date.**

may not know. Considering the case of our Lord Jesus Christ, everything surrounding His birth is unique. The water that was used in bathing Him, healed the sick. That is why He exists up till now with his righteous ways because He is the saviour of the entire world. But the adults, even the government are not aware of those facts that is why they neither give regards nor take cognizance of the little children.

A lot of you punish and treat them as your slaves. If you were just treating them as slaves, it would have been better, but you treat them as people who do not exist at all. You knock them on the head, hit them with huge and gigantic materials and do all sorts of things against them but they do not bother themselves rather they just look and laugh at you and continue to play and associate themselves with you.

They do all those things because they constitute the Kingdom of God and God abides in them and they are the source of salvation to the entire world. That is why our Lord Jesus Christ advises us to suffer little children, and forbid them not, to come unto Him: for of such is the kingdom of heaven. If the world would have been aware of this fact, she would treat children very well.

What can the adults do unto God?

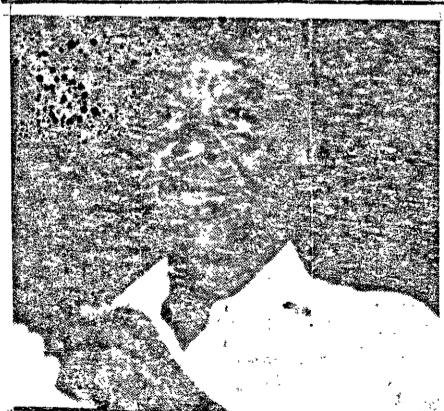

They can do nothing because they are corrupt. They tell lies, steal, kill, fornicate, commit adultery and generally live abominable lives. That is why they can do nothing good unto God Himself who does not require their services.

## CHILDREN KEEP GOD'S COMMANDMENTS

The commandment that one should love one's parents, honour and obey them, not to steal, commit fornication and adultery, not to have other gods beside the Almighty, and the rest of the commandments are not kept by the adults. But the little children have passed through all those commandments easily and are justified. If the entire world had humbled herself like the little children, you would realize that there would be no problem, no sickness, no starvation, no war etc; because they are they ones that adhere to God's commandments.

The children of God who are here, if you investigate carefully, you will realize that their parents have not surrendered them wholeheartedly to the Father. They only do it physically but not spiritually. This case could be compared to the case of Jesus Christ when He sent His disciples to go and bring an ass to Him. They demanded to know what they would tell the owner if they asked them why they were taking away his ass. Jesus the Christ told them to go and tell them, the Lord wanted it. So when they went for the ass, behold: the owner emerged and asked them where they were taking the ass to. Then they told him that the Lord wanted it and the owner did not say anything again. And they took the ass to Christ. That is the exact thing that is happening here in this world.

Giving parents chance to decide every parent would want his or her child to grow up, go to school and become prominent person. Then get married and bring forth offsprings and so on. But God has done it His way. That is why if a child grows up as a girl and tells her mother she wants to surrender herself unto God, she will oppose her plans and curse her for saying such a thing and further ask, if she did not marry her father, whether she would have been in existence.

Leader O. O. Obu  
- the Holy Spirit controls children

The mother would warn the girl not to repeat that statement because she has to get married and bring forth offsprings as she and her father did.

But if the girl insists, the parents would plan with somebody they want to give her in marriage and instruct him to defile her and do anything that pleases him to her. They would tell him about her stubbornness. So the man would do as he was instructed and after everything, the parents would come and shake hands with him for defiling the girl so that she may not be able to serve God anymore. That is all parents require; nobody wants his or her child to submit unto and serve God. They want their children to be very prominent, popular and wealthy people. And by the time you go through all those things you have lost your virginity and get condemned.

The little children, on their own, have thought of their own and so they surrender themselves wholeheartedly unto God and God abides wholly in them because they are pure.

Let the golden text be re-examined;

## GOLDEN TEXT - ROMANS 12:20

*Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head.*

## ADULTS ARE GENERALLY ABOMINABLE

Is there any adult who can adhere to the injunction nominated in the golden text? But the injunctions could be a hobby to the little children. No matter how you curse and abuse the children, they do not mind because they do not understand what you are saying. They do not have enemies nor commit any sin because they do not know anything about evil. But an adult who claim to be sensible, mature, and can rely on himself, indulge in various kinds of evil tendencies. That is why the adults cannot practise this kind of gospel because their hearts and minds are crowded with evil; they cannot serve these evils and God at the same time.

Prophet Eli had two children. They were both big officers of the rank of colonels in the army. These sons of Eli did not know God nor reverence Him. They were used to stealing the tithe that was given to God and lived abominable lives. Their father prophet Eli also did not warn them and did not realise that God was watching those evil deeds carefully. This story should serve as a lesson for those who claim that

God cannot come down on earth. If the God was not existing with us, would the world exist up till today? His place of abode is in the little children who you do not recognise. That is why whosoever regards and recognizes them is the greatest and God will make such a one His dwelling place and establish in such a person the kingdom of God. That was the reason Hannah surrendered herself unto God and serve Him in His temple. She prayed unto God to give her a child that may also be surrendered unto Him. When prophet Eli observed that Hannah's lips were moving He asked Hannah whether she was drunk but Hannah replied obediently, "My Lord, I am not drunk but I am communicating with my Father". And so God heard her prayer and answered it by giving her a child. Prophet Eli was not aware of what had happened. So when the child had grown up to be a small boy, Hannah took him and paid tithe to God. That was the only child she

**No matter how you curse and abuse the children, they do not mind because they do not understand what you are saying.**

had. She did not bother herself and did not even tell the child to pay her visits, rather she paid the child daily visits and took food and other things to him. The child was there in the house of the Lord and grow up with the fear of God, Love, Peace, Obedience, respect, humility among other virtues.

God endowed Samuel with wisdom, power and knowledge. Then one day as Samuel was sleeping, he heard a voice calling him, "Samuel: Samuel!!". He woke up and found no one. Then he went to the master and asked him whether he was the one calling him. But Eli knew that Samuel was called by God. Then he advised Samuel on what to say when he heard the voice again and further warned him that, if he did not tell him all what the Lord told him God would severely punish him. Could you imagine what a prophet of God could say to a child? This is why I disassociate myself with those who claim to be wise and knowledgeable. What prophet Eli said to Samuel clearly revealed that it is the adults that corrupt the little children. All the problems and difficulties originate from the adults and without the little children, the world would have perished.

When the Lord called Samuel!

## ANOTHER LOOK AT THE CHILD

again, "Samuel!!! Samuel!!! then Samuel woke and said; "Speak my Lord for thy servant heareth you". Then God revealed to Samuel the things that would happen to the Israelites, how the ark of God would be taken from them and what would happen to Eli and his two sons since they did not honour and respect Him. God told Samuel all the things Eli's children did in the temple, without any warning from their father. For that reason, God revealed that they would die on the same day as well as their father.

God revealed a lot of things to Samuel about the Israelites and he disclosed everything as he was directed. Then at last, when the Israelites were fighting against the Philistines, the Israelites were defeated and the Ark of Covenant taken away from them. The two Sons of Eli were killed. So when the remaining Israelites returned home, Eli asked how the war was. They told him that they had been defeated.

**Then he asked of his sons, they told him that they were killed in the war. And Eli fell down and also died, as God revealed to Samuel. Read Psalm 34:1-7.**

### MAINTAIN RIGHTEOUSNESS

All those things you do, stealing, killing, committing fornication and thoroughly educating yourself from the primary school, secondary school through the university, fall outside the perfect will of God. For the scripture states that:

**"The heavens are thine, the earth also is thine: as for the world and the fulness thereof, thou hast founded them. (Psalm 89:11).**

His will for us is to dwell in righteousness from our childhood by having love and other virtues of God.

As I have already told you that I have no other weapon to use in defending Myself apart from Love. When you come with craftiness, I will overcome you with Love. When you come with your deceitful tendencies, I overcome with love. Any act of evil you come with, with my weapon which is Love, I will overcome it. If you claim to have deceived the Father or do anything and the Father is not aware of it, you are deceiving yourself because I have turned away my eyes from such things. It is only Love that I recognize and with Love I have been able to overcome the world. Have you been able to see this weapon?

### OVERCOME EVIL WITH GOOD

The world has no regards for anyone that possesses Love but she recognises the evil doers because

people are still living by the Torah. That is why our Lord Jesus Christ condemned such laws and promulgated another one, that you should love your neighbours as you love yourself and even your enemies. So whosoever possesses love has overcome the entire world. That is why we are advised that we should not be overcome by evil, but we should overcome evil with good. If somebody hates you, do not hate him in turn. Rather love him. If your enemy is thirsty, give him water to drink. That way you heap burning coals on his head.

### LOVE OVERCOMES THE WORLD

Love is the only weapon that is greater than all other weapons. With love, you have overcome the entire world. But uptill now, none has realized this truth. The children of God however have realized this truth because God is dwelling in them and they are the only people that have been able to practise the injunctions of the Holy Spirit.

Leader Olumba Olumba Obu  
- God recognises the Children

Now one of the children of God promised to donate a lantern to a Bethel at Obutong Abasi Ike because there is no lantern there. Is he a civil servant or has he any source of livelihood. Where has he the money to donate the lantern. It is the work of Love. If you love your enemy, you have heaped a coal of fire on his head which will burn all the evil in him and drive away the demon in him and by so doing he will become a man of God.

You cannot overcome your enemy with matchet or cutlass neither can you do so with your physical power. None of these things can be used to overcome an enemy but his love is the only reliable weapon that you can use to overcome your enemy. That is the reason I continue to preach Love to you from January to December. So even if a thief gets into your house, you caught him, do not harm him out just give him what to eat, clothe him. And

that is the only examination that is set for the entire world. If you are able to pass it, you have overcome the world. That is the reason why our Lord Jesus Christ asked His disciples whether He did not elect twelve but one amongst them was demon. That demon was their examination. By the examination, God went to observe whether you will or will not be able to abide by His injunctions.

### LOVE IS MY WEAPON

While four days old, (the Holy Father), a certain blind woman, out of joy, went to welcome the child. During the celebration of the feast, she received her sight and at that time I was not able to see well nor talk. What can a child of only four days do? He could not do anything. That alone is a clear indication of the wonderful work of God. As I have already told you that since February 1942, I have no idea of mine. Neither do I have a house, a car nor anything. The only food I have is Love, the car I have is Love, My house is Love and everything of mine is love. Therefore, whosoever has love, has everything. Whosoever has Love can overcome the entire world, and in addition, has everlasting life.

It is said in our familiar spiritual chorus that the truth remains stationary and accomplishes a lot of work. Have you not heard of wonderful works in far and near countries, in the water and everywhere from there, the world receives salvation. A lot of people are in the habit of using destructive weapons. The same did the disciples of our Lord Jesus Christ do; thus He told people that He did not come to destroy any person but to give life to all those that believed and accepted Him. So this is not the time for you to steal, kill, quarrel or commit any vices at all but it is the time of Love. Love your neighbours

as you love yourself and also have your enemies as you love yourself.

By so doing, you will not confront or have any problem anymore. That is the reason why it is stated in Psalm chapter 127 vs 1, that;

**Except the Lord build the house, they labour in vain that build it: except the Lord keep the city, the watchman watcheth but in vain.**

### LOVE PROTECTS

You are not aware that God does everything, that is the reason why you purchase gun, matchet, machine gun and a lot various weapon to keep watch over your house.

But if you have love, you have every other thing you lacked because it is only love that protects you. Love is everlasting life, it is power, it is every thing and it is also God.

The Father has called a lot of children of God into this Kingdom. Have you not seen a lot of changes since they came in? They do not use matchet, gun or any weapon apart from Love to accomplish various works. They constitute the New Kingdom of God where righteousness dwells. But in your own case, if anyone offends you, you seek to revenge because you do not have love and you do those things so that you frighten people but all those things are abomination in the sight of God. So whosoever has love, one mind, mercy and humble himself as a small child shall definitely inherit the Kingdom of God which was hidden from you when you were in the world. This Kingdom is the mustard seed.

A stroke of cane is enough for the wise. Let he who has ears, hear what the Holy Spirit has imparted to the entire world. May God bless His Holy Words. Amen.

# AMBO TIPS

## FOR THE FIRST TIMERS(3)

Perhaps this is your first trip to BCS World Headquarters. If that is the case, read page nine of November Edition, and page 35 of December 1996 issue of the New Kingdom Trumpet Newspaper for guidance.

1. If you have never been to BCS World Headquarters, please, be informed that your visit is incomplete without entering the Pentecostal Hall. The Hall can accommodate more than 5000 persons. The seating arrangement is labelled with neon lighting boxes. The Ordained members of the fold, Choristers, Elders, Congregation (men/women), Full-Time priests named Christ Students, Christ Practical Students, Christ Servants, Witnesses, Children of God, Christ preachers etc are positioned according to their call. The King of kings and the Holy Queen Mother have their

highly esteemed seats in this great Hall. Only the Holy Father uses the Altar and the marble pulpit on daily basis. The Holy Father conducts services, prayer sessions, Bible Class lectures (on Saturdays/Wednesdays) and fasting (general) on Thursdays too. Decrees, with which the Kingdom is administered often times come from the Holy Father while teaching from the pulpit or Altar at any time He chooses.

(2) Most functions in 34 Ambo premises take place at the only long class room block. Apart from launchings, meetings, (for now) by Fellowships and Associations, Marriage blessings, in most cases are conducted in the building and BCS Sabbath children equally hold their Sunday Services there. If you are coming to Ambo for the first time on Sunday, please take your child there.

### STILL WITHIN AMBO

#### BEAUTIFUL GATE

The sight of the Beautiful Gate now should not scare you. Major reconstruction to give it a befitting look that meets with the international status of BCS world Headquarters is on. The Universal Youth Fellowship is handling the renovation work. The Fellowship is determined to complete the job soonest.

#### ROSSETS DEAL INCREASES:

Man's want is insatiable. Even in the face of biting economic climate and short supply of money, the demand for rossets is on the increase. Ambo Tips gathered that some members at the World Headquarters of BCS would not bother being tapped or disturbed, even when the Father's gospel is on to negotiate prices for different categories of rossets. The dealers would not spare their breath loafing within Ambo for unsuspecting arrivals from any part of the world to get decorated at a fee. This is indeed a pathetic situation.

Indeed, a very sad one.

If Jesus the Christ frowned at money changers in His Father's Temple, these rossets dealers should please be advised to find another "SUPERMARKET" in fact not in God's Temple and before His physical presence.

#### INFORMATION OFFICER DROPPED:

Our snoopers gathered that on Sunday January 5, 1997 the Supreme Holy Father, Leader O. O. Obu relieved Christ Servant Eyo Okon of his office as Information officer to the BCS Pentecostal Hall. The duty, done by Brother Eyo which include introducing persons present in the Hall for testimony during morning and evening prayers is now done by the Children of God. Christ Servant Eyo Okon is yet to be reached for his comments and reactions to the "BIG DROP". Ambo Tips will surely brief you when this happens.

Thank You Father.

## NEWS

BY TOM MOSES AND ISAIAH MBOSOWO (COG)

When the Holy Father, Leader Olumba Olumba Obu invited the 34 Ambo 8 (Lincoln), choir to His vestry recently, it was not unconnected with their soul inspiring choral renditions.

On Thursday, November 28, 1996, the climax of the last quarter's three days Dry Fasting meant to usher in the December 1996 Pentecostal Convention, the choir rendered an anthem in the World Headquarters' Pentecostal Hall.

The Lincoln choir won the Father's package of N2,000 and another N5,000.00 appreciation from Pastor Moses Isang, a patron of the choir, for releasing this all-important song.

The following day the Holy Father requested the children of God to render this song to Him.

Since the choir was not conversant with the desired tune, the Father sent for the Ambo 8 choir which promptly responded with the piece and many other relevant compositions.

Expressing satisfaction with the choir and her interesting renditions, the Father directed the "Children of God" to interact with members of Ambo 8 choir to enable them gain more wisdom in choral compositions.

## CHRIST SERVANTS' WEEK KICKS OFF FEB. 10TH

BY EPHRAIM SUNDAY

The Christ's Servants Natural Body's Week slated to kick off by February 10, will end on Sunday 16, 1997.

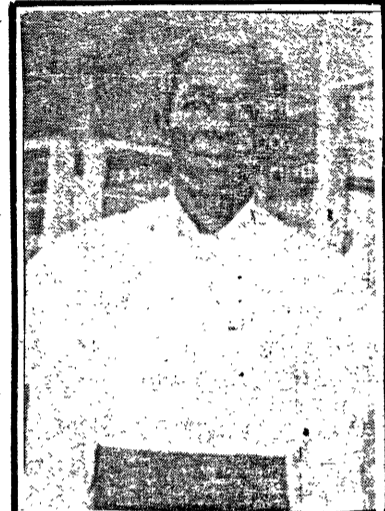

In a statement issued by the Organising Secretary for the week, Christ Servant Prince Princewill Rockwell, the week shall be opened with a divine service on Monday February 10, 1997. The statement adds that, the evangelical ministry (house to house preaching) would extend from Tuesday to Wednesday of that week.

Apart from the normal general fasting on Thursday and Sabbath children's quiz competition, Friday would be "Trinity Day" to be observed

## LINCOLN CHOIR BLESSED

He nowever instructed the choir members to always exude love as well as cultivate the spirit of "live and lets live" in all their dealings if they must completely inherit the kingdom of God.

With reference to Hebrews 11:1-12, the Father

Pastor E. A. Umoh  
Chairmaster Lincoln Choir

told them to have faith in Him always because in anything He commissions a person to do, He goes along to accomplish same.

He debunked the claim by a certain choir that it was revealed that they should be singing for Him in the vestry and equally warned them to desist from such attempts. The Holy Father blessed the choir and assured its unemployed members of jobs and eternal joy.

Fielding answers to questions from the New Kingdom Trumpet, Pastor E. A. Umoh, the Choirmaster of Lincoln Choir said, November 28, 1996 will remain memorable in the minds of members as being the day of revelation.

He said, although the Father has been commending the choir over the years for rendering appropriate songs at appropriate times, this date will be specially remembered for the confidence it has renewed in the choir members.

Pastor Umoh went on to reveal that until the formation of the Central choir, Lincoln choir was commissioned by the Father to represent Him in all outside choral engagements, officiate in marriage and children's blessings. The choir's name, according to Pastor Umoh originated from No.1, Lincoln Street, where children's blessings were usually conducted.

The expression of happiness by members culminated in the celebration of love feast.

**NEWS****ELDERS LAUNCH "ELDERS' DIVINE GUIDE BOOK"**BY EMMANUEL MARTIN  
WITH TOM MOSES

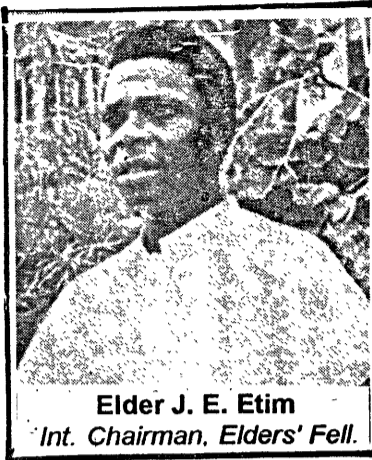

This year's Elders Annual General Conference held at the 212 Hospital Road Pentecostal Centre, Aba, Abia State was rounded off recently with the launching of a book titled "Elders' Divine Book".

The Conference also considered modalities for the execution of the BCS model primary school project, and

the inauguration of State Executives for the newly created Ebonyi state.

The Abia State Leader's Representative, Pastor Maxwell C. Okorafor in his welcome address reminded the Elders of the legacy they will bequeath to generations yet unborn by building the model primary school at the World Headquarters.

In his speech, the Inter-

Elder J. E. Etim  
Int. Chairman, Elders' Fell.

national Chairman of the Elders' Fellowship, Elder J. E. Etim, was optimistic that with the personalities present, the money needed for the school project would be raised.

He appealed to the Elders to donate generously to ensure the execution of the project as further delay would expose them to ridicule. The International Chairman noted with grief the lack-lustre attitude of some elders to the Fellowship's activities.

Nevertheless, he was confident that the Aba Annual Conference would proffer solutions to the project execution and other goals of the fellowship.

Later in his advice and blessings, His Divine Majesty, King Roland Obu who was represented by Pastor B. A. Otu expressed thanks to the Holy Father for making the conference a reality and prayed that the dreams of the Elders regarding the World Headquarters primary school project be realized.

The King of kings stressed on the relevance of faith in the New Kingdom, saying that whatever project brethren may embark on, they should rely on God for its accomplishment. He showered the Father's blessings on the guests, elders and the entire mankind.

**FATHER ADMONISHES PREACHERS**

BY AYARU GEORGE

The Holy Father, Leader Olumba Olumba Obu has advised the Christ's Natural Preachers to intensify effort in the propagation of the teachings of the New Kingdom to all inhabitants of the world.

The Father stated this at the World Headquarters of the New Kingdom in Calabar during the preachers meeting with Him pointed out that their membership in the Kingdom was a demonstration of God's love in order for them to be saved.

He however observed that most members are only interested in material wealth even as they know that the glory that await them cannot be compared with the entire world. He disclosed that as far as Christ experienced tribulation, all other children of God must share similar fate before being crowned.

With references from Revelation 3:7-12 and Matthew 25:14 - end, the

Father urged the preachers to free their minds from the mundane things and to tread the path of rectitude so as to abide eternally with God.

He showered blessings on the brethren and presented money to the body for onward pursuit of the projects involved in their ministrations.

Earlier, the Chairman of the occasion, Apostle, Godswill John thanked the Father for bringing them safely to participate in the meeting with Him.

He enjoined the preachers to appreciate the Father's love for them by inculcating His virtues and serving Him diligently.

Also speaking were the Assistant Secretary of the Fellowship, Brother F. Silas and Brother F. A. Obot. They spoke on the Baptismal Fund Project to be established in areas where there is no river to enhance baptism of converts and said one of such projects would soon be completed.

Deaconess Janet Etop in her contribution, spoke of the preachers as the "tools of evangelism" and advised them to use all available resources at their disposal to disseminate the Father's teachings to the world. It was her view that the world is curious to know what BCS is all about and must therefore be informed by the preachers. Reporting on the activities of the Father at Ikpa Bethel in Lagos State, the National Chairman of the Preachers' Body, Brother Paul Uchechukwu IHEME said, more impetus have been added in the way as a result of their aggressive evangelism. "We now record more members through baptism as well as the return of the backsliders" he maintained.

In his contribution, Professor Assasu Inyang-Ibom expressed delight in seeing the preachers gather to discuss issues on the propagation of the Father's gospel. He referred them to 11 Timothy 2:11-13 and Col. 3:22-25 and pointed out that Christ was the greatest preacher (teacher) who ever lived. He enjoined the preachers to regard themselves as the Harbingers of God, adding that to achieve their goal, they should shun all carnal things. He wished them the good things of the Kingdom and the blessings of the Holy Father.

Thank You Father.

If you want to thank God for having taught man for 40 years now, make Trumpet Office your destination.

**REFRAIN FROM OLD WAYS**

Contd. from P.1

Referring the congregation to the scriptures in Revelation 11:15, John 16:12-16, John 6:45 and 2nd Peter 3:13-14, the Leader disclosed that the time for the Father to be revealed and glorified has come and declared that all churches and religious organisations must come together under the umbrella of BCS as all barriers of unity has been removed.

Speaking further, the Father said that since this is the era of the Holy Spirit, people seeking leadership positions in this country must be ordained by Him as a notion

that He has manifested in Nigeria.

He expressed dismay at the wisdom of Nigerians for going to America to beg their pardon over the sanction on the country whereas they should have come to receive His word and all would have been well in the country.

He maintained that until Nigeria acknowledges His presence, her exalted position in the world would not be known.

Meanwhile, the Father has declared that 1997 will be a year of testimonies to all His Children.

Thank You Father.

**RIVERS STATE ELDERS VISIT THE HOLY FATHER**

BY AYARU GEORGE

The Rivers State Elders led by their Chairman, Elder J. B. Igonikon recently visited the Royal Family to thank the Father for the successful Evangelical explorations in Ahoda, Eleme and Kporasoceama areas of the state.

The brethren expressed gratitude to the Father for creating Bayelsa State from the former Rivers State for the purpose of development.

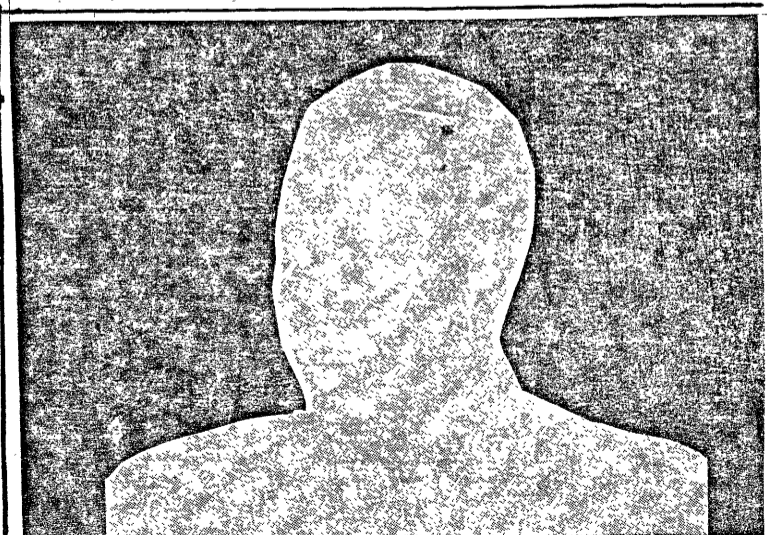

Speaking to Trumpet the Chairman said they have so far procured a public address system and now solicit the cooperation of brethren towards the

acquisition of an evangelical bus to facilitate their movement to nearby, remote and distant areas.

The representative of the Elders in the visit include: Elders J. B. Igonikon, I. S. Okere, G.D. Igbara, I. M. Ahamins, Albert James, Elder (Sister) Beatrice Brodmendas and a host of others.

The visiting team was blessed by Her Divine Majesty, Queen I. O. Obu who assured them of the Father's control over their affairs and good testimonies in the near future.

Thank You Father.

Leader O. O. Obu
