FAKE PASTOR TURNS MAD

BY MATTS I. UDOAKA
PORT HARCOURT

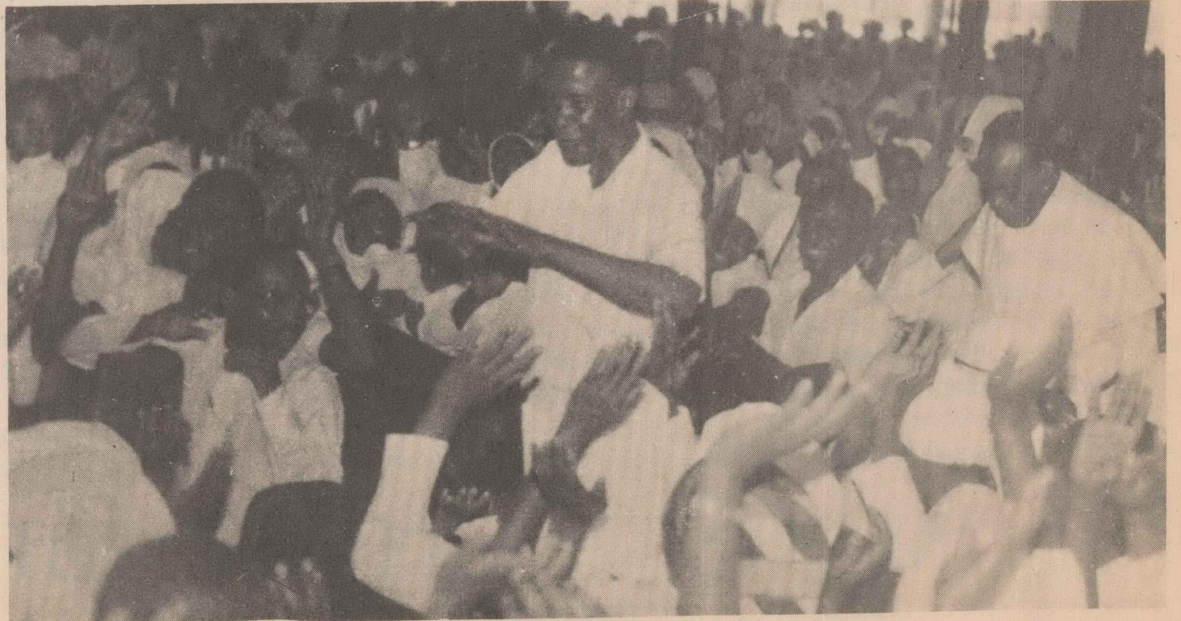

As the upsurge of mobile preachers and religious brigandage assumed a greater dimension in recent times, hungry men have devised strategies of making ends meet by using the name (Jesus) that everybody loves to hear to achieve their selfish aims

But in doing this, Nigerians who must do things the Nigerian way, have always forgotten that every word spoken by God must fulfill. This is because the Bible has cautioned that in the Last days many false prophets shall arise, preaching with sugarcoated tongues, and performing wonders and miracles to deceive people, and could even deceive the very elect of God. For those who are still in doubt as to whether we have reached the end time, this prophecy came to fruition on October 28, 1999 when one fake "born again" Pastor (names withheld)

turned mad and tore his clothes to the full glare of a teeming crowd which surged to catch a glimpse of the scenario.

According to our source, the incident took place at Education Bus Stop in Mile 1, Diobu area of the busy Rivers State Capital. The said "Fake Pastor", a co-founder and assistant Pastor of one of the numerous Pentecostal churches in Diobu area, used to preach in buses that ply Port Harcourt/Aba, Lagos, Uyo, Calabar routes etc. He was also alleged to be presenting outreach envelopes soliciting for financial assistance and offerings which he purportedly channels to the Destitutes and Motherless Babies Homes.

Our source who was an eye witness reports that on that fateful morning, at about 10 o'clock, the said pastor met his Waterloo after preaching in a Lagos-bound Chisco Transport bus. He had brought out his offering

THE HOLY FATHER, LEADER OLUMBA OLUMBA OBU IN THE MIDST OF HIS CHILDREN

envelopes as usual, written "Living Evangelical Outreach" which he had been using to extort money from unsuspecting commuters. Nemesis caught up with him when one of the passengers identified him and his fake envelopes, and abused him for deceiving the public. In the ensuing argument, the Pastor alighted from the bus, stripped himself naked, and threw his clothes in a nearby dustbin. In the ensuing confusion, some onlookers arrested and took him to a

nearby church where prayers of intercession were offered for him.

This incident affirms the warnings often given by the Holy Father to the world to be careful with their craze for cheap money and how they steal and dupe people in the holy name of the "Lord

Jesus". Even Brotherhood brethren are not exempted from this divine warning in that the consequence could be very disastrous as no fake dealings of any kind will be tolerated in the next millennium.

Thank You Father.

IS MAN PREPARED TO RECEIVE GOD? - KOK

BY BRO. MATTS I. UDOAKA

The King of kings, His Holiness, Olumba Olumba Obu, while reflecting on the celebrated birthday of our Lord Jesus Christ, has queried the state of man's preparedness to receive God. He took this stand against the backdrop of man's insistence on aborting and committing sins despite the advent of the Father on earth now.

The King who made this remark during the choral night that marks the Father's birthday at the 34 Ambo Arena doubted how prepared man is to receive God if the great works and teachings of the Holy Father cannot still convince man to forsake sins and follow God. His Holiness referred to the past generations like that of Adam that waited and fasted to behold the face of God, but in vain, and added that the birth, the agony and the supreme

sacrifice of our Lord Jesus Christ formed the bed-rock of the Father's coming; and that His physical manifestation on earth has saved man and all the governments of the world, even though they are ignorant of this

The King used the occasion to urge man to maintain the sanctity of God in them as we march towards the new century.

The highlight of the occasion was the presentation of trophies and medals to the football teams, and individuals that made the King's visit to Ghana a memorable one.

Brethren were also thrilled to melodious tunes and poems from various choirs and individuals, and drama presentation from the New Kingdom theatre.

Thank You Father.

GOVERNOR DONALD DUKE

CHALLENGED

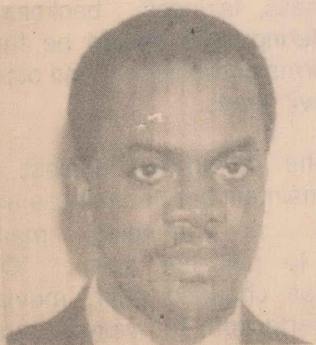

The President, University of Calabar Chapter of Association of Brotherhood Academic Scholars (ABAS) Brother Victor Bifom has called on Governor Donald Duke of Cross River State to approve that his Association takes

students towards greater educational, social, and economic achievements in the State.

Brother Victor Bifom a final year Student in the Dept. of Medicine and Surgery dared the Governor that if this is approved the question of cultism in schools, educational backwardness, incessant students unrest, smoking, fornication coupled with general licentiousness among students will be things of the past. The President attributed the cause of all these problems to the non-recognition of the Holy Spirit now on earth, a result of which the State consistently miss the

blessings that attend His recognition. He stressed that the Holy Spirit has proffered solutions to all human problems but it is left for the Government and people of Cross River State to accept Him and reap bounteous blessings.

Asked how this task will be achieved, Brother Bifom said, he will follow a systematic evangelical approach where the teachings of the Father will be made accessible to all and sundry and that over a period of time, the expected change in behaviour will hold sway. The President further informed the press of his intention to launch a spiritual rebirth programme for Cross River State, come February, 2000. Thank You Father.

I HAVE CHANGED GEAR

- HOLY FATHER

BY EYIBIO ANTIA

In His New Year Message, the Holy Father, Leader Olumba Olumba Obu has warned humanity that He has changed gear in the way He operates the universe.

Handing down this warning at the 34 Ambo Great Hall, the Holy Father declared "It is not time to only listen and hear the word of God. Rather it is time to practise the Word of God."

In a rhetorical manner, the Holy Father asked, "Jesus Christ and all the Prophets preached the word of God, for how long will this preaching last?"

Stressing further on the change of gear, the Father warned those who flock Brotherhood of the Cross and Star in search of fortunes. His words, "All those who come here for greener pasture, should try somewhere else. There is no room for them. Those that are willing to serve and have surrendered completely unto God should continue."

Indicating the time brethren must abreast themselves with the new changes, the Father stated. "From today, 1st January 2000, Brotherhood is out to practise the Word of God. One is at liberty to choose the kind of Brotherhood one wants."

The Holy Father followed up by stating that. "Everyone should define his mission then hold fast to that which he has chosen." He reminded brethren to forsake all worldly things, for the time calls for absolute practice of righteousness, and crave to reach perfection.

The Holy Father finally warned that man should fast and pray and dissociate from all forms of evil so that the light of God may shine.

The Emir of Ilorin, Alhaji Sule Gambari, has expressed implicit confidence and truth in Brotherhood of the Cross Star.

The Emir made this declaration during the visit of His Holiness, Olumba Olumba Obu to his palace in Kwara State. He recalled that Prophet Mohammed had promised his followers of the coming of the Holy Spirit.

The Islamic faithful also confirmed certain similarities in the mode of worship between Islam and Brotherhood. He cited the example of knocking the head on the ground "which is akin to that of Muslims and signifies total submission to God Almighty."

He reiterated his love for Brotherhood of the Cross

The Emir was particularly hopeful that his palace stands blessed as the feet of His Holiness, Olumba Olumba Obu had touched his

He recollected how the first visit of Olumba's children into the palace brought an abrupt end to the initial misunderstanding between him

misunderstanding with CAN.

He confirmed that "if the visit of the Holy Queen Mother some years ago could bring an instant end to the first problem, this second visit by the Holy Father Himself will bring a speedy settlement to the current feud".

He harped on the oneness of all creations.

His Holiness, Olumba Olumba Obu, the King of kings and Lord of lords had earlier informed the Emir of the physical advent of the Holy Spirit on earth and that the salvation of all creation of God was predicated upon the recognition and acceptance of the Holy Spirit now on earth.

It would also be recalled that the Kwara State Leader's Representative Bro. (Elder) I. E. Essien had introduced the Brotherhood of the Cross and Star as the long expected New Kingdom of God on earth.

SPECIAL REPORT

FATHER'S DECREES AND EVENTS '99

BY EYIBIO ANTIA
WITH MATTS I. UDOKA

1999 was a good year. It was a bad year, at least, for some. It was bad and good for others. It was a year that conjured impossibilities were supposed to have been made possible. A year that long cherished hopes were dashed and unexpected realities were faced by an ever pessimistic and unrealistic humanity.

By and large, it was a year most people still disbelieved the advent of the Holy Spirit of Truth on earth. May be because they were still expecting the crash-landing Christ in defiance of the Father's decree that no such thing would happen

BILL CLINTON
PARDONED BY THE FATHER

1999 was a year, most brethren wept and ran berserk, mistaking the Father's maroon-red soutane for a black one. They went to town that the Father had adorned the dreaded Black garment. It was untrue. It was a year that His Holiness Olumba Olumba Obu's birthday was celebrated outside the shores of Nigeria. It happened in Ghana. The marriage solemnization of Her Holiness, Ibum O. Obu took place this year. This led to the decree by the Father that brethren must be coupled to avert licentiousness. Her Holiness also visited the Republic of Cameroon in 1999 just as His Holiness was at the Republic of Ghana

Fear gripped everyone when the Holy Father warned brethren to watch and prepare for the three Days Darkness. The fear is still not relaxed even when out of love and mercy the Holy Father cancelled the three days "Doomsdays". That was 1999. It was a year that brethren, for fear of reprisals rushed in and out of vegetarianism. Some sauntered into fruitarianism and made radical "u-turn" to "altarianism"

Still in 1999, the Christ Witnesses abandoned the white soutane and adorned themselves with Jewish attires and chieftaincy garbs to depict the twelve tribes of Israel. The

exercise was a symbolic enthronement of the Lord of the New Age - Leader O. O. Obu.

Also in 34 Ambo Great Hall, Her Majesty Queen Esther Olumba Olumba Obu was revealed as Queen Esther of old by the Holy Father and this was followed with her reception by the Brotherhood world. That same year also saw the reception of Blessed Mother Onugen Obu. This was organised by the 144,000 Virgins. In 1999, the advent of the Holy Spirit on earth was revealed through a Special Conference co-ordinated by Prophet & Deaconess Jomo Coco in London.

Painfully, we remember that, it was this year that the cold hands of death snatched Bro - Elder Udoaka Ekpaeneng from the Trumpet Family just as Prince Princewill Rockwell a Senior Christ Servant, an itinerant pressman and an author of books left the Senior Christ Servants pew for eternity. And in the New Kingdom Trumpet, it was the first time that we changed the front page of the paper on divine instructions. Wonderful experience it was.

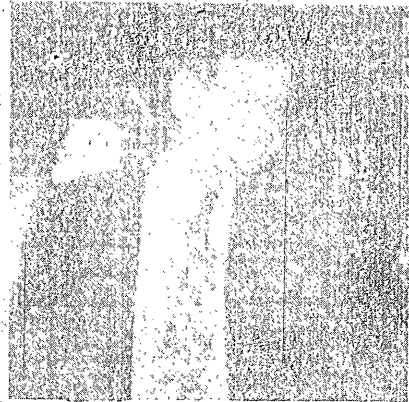

In Nigeria and the world at large, 1999 was quite eventful. In keeping with the Holy Father's decree that the military were already working overtime, in Nigeria, Feb. 27, 1999 saw Olusegun Obasanjo as President elect of Nigeria and was duly sworn in on May 29, 1999 as President of democratic Nigeria. This brought to focus again another decree of the Father that Nigeria is the greatest country in the world and that without it, no United Nations not to mention Commonwealth of Nations To strengthen this position, the Common Wealth "lifted the suspension it imposed on Nigeria since November 1995. This affected economic and diplomatic sanctions. Similarly, the European Union, United States, Japan and France lifted sanctions slammed on Nigeria since 1995."

OLUSEGUN OBASANJO
CHOSEN BY GOD

The battered image of Nigeria worldwide needed proper rehabilitation. This, Obasanjo, even as president elect worked on. He promised to fight corruption head on and vowed not to rest until human right abuses were surely and firmly addressed. As at today, an anti corruption Bill initiated by Obasanjo is before the National Assembly of this country while Christopher Kolade heads a panel on contracts review.

Justice Chuwudifu Oputa is probing cases of human rights abuses since 1966 to May 29, 1999. As at today over one thousand thought-provoking memoranda are before that panel. These are all in consonance with the decrees of our Father that sanity must reign in Nigeria. All these happened in 1999

REINHARD BONNKE
BLOODY CRUSADE

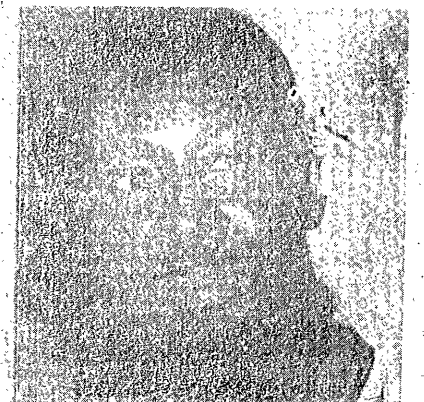

In the wake of the present revolution in Nigeria, on July 22, Salisu Buhari resigned as Speaker of the House of Representatives after accepting charges of age and certification while on November 19, 1999, Evan Enwerem was impeached on grounds of matters related to his personal integrity and inefficiency. Before now, the Holy Father, Leader O. O. Obu had decreed that all stolen monies from Nigeria must be returned. Today we affirm that in March 22 1999, Sani Abacha's Family returned \$ 5 million (Five million Us dollars). Anthony Ani, former Minister of Finance and Bashir Dalhatu returned DM .30 million and \$3 million dollars and a promissory note to return \$5 million dollars.

Britain, United States and France are on stand by wishing to help us recover the loots. For now, Adamu Ciroma, Minister of Finance said in November 1999 that N800 millions had been recovered from Abacha's family. It must not be forgotten that the Holy Father had said that all works of darkness shall be revealed. It was not long before Clifford Orji, a human flesh eater was arrested. This was in February 1999. On April 20, 1999, two teenagers

Dylan Klebold and Eric Harris went on rampage at Columbia High School in Littleton Colorado. They killed 15 students and wounded 22 in a shoot out and shot themselves after.

The Holy Father, it will be recalled commissioned the Association of Brotherhood Academic Scholars (ABAS) International to ensure the curbing of cult activities in institutions of higher learning in Nigeria. After this declaration, the Obasanjo led administration decided to clam down on secret cult activities in Nigerian schools. This resulted in the confessional statements and denouncing of cults activities by penitent cult members.

Apart from these, the Father has consistently reminded His children to watch out for information

about the end times. After making such statements, world disasters had taken place. We are aware that "earthquake ravaged North Western, Turkey, killing 15,000 persons and smashing 40,000 buildings. More than 600,000 were rendered homeless and \$20 billion was lost in property and production." In Greece, earthquake killed 39 persons on September 7, 1999. Taiwan had a similar experience. At the end of the day, more than 2,200 people were homeless.

Florida, Georgia, and Carolina United States coastal areas were hit by Hurricane Floyd killing 41 persons. The experience of La Aurora in Teziuthan, a town in Mexico was not less catastrophic. About 375 were affected while property worth \$2 billion dollars was submerged in the flood. And in United States of America, President Bill Clinton should have been impeached on accounts of loose conduct but for the declaration of the Father that He stands forgiven. And he was forgiven.

1999 witnessed the rise, fall and humiliations of some acclaimed men of God. Reinhard Bonnke, a

happened and when you go and just say "let" all will be well. Have you not seen what the Crusaders team lead by Brother Udo Umoren used to do? That is the work of the Crusader. A lot of people who cannot come here are not able to do this work because they are still in the hands of the evil one, but immediately they are at liberty and the Holy Spirit gets into them all will be well. All evil must be exorcised completely from this earth, so as to ensure full growth of the work of God. Therefore, the weapon we are using is not that of the flesh. Read 1st Corinthians 1 : 8 - 24.

They that are willing should support these labourers of the Father in the Father's work. Let us fast and pray, then dissociate ourselves from

all evil so that our light may shine. This is the war of the spirit and this is the time. No one is bold enough to point accusing fingers at you, if they attempt, the fingers will be broken. A brother came here and testified about witches, I rebuked him and told him not to disgrace God. After all Brotherhood is termed "wonderful." So go and tell the world to forsake and refrain from sin because this New World we are into is not for jokes. If you think evil about any one, you are in for a very big trouble, not to talk of indulging in evil tendencies. Let go all those things, so that all might be at peace. I had told a certain Sister to indulge no more in fornication or else something will happen to her, she ignored and went back and fornicated. Truly something happened, she died. Did

you not hear about it? People came here and pleaded with me to withdraw the statement, I ignored them and warned them not to indulge in fornicate. Oh! so you enjoy to fornicate, thinking God cannot do anything or God has no power. Annanias and his wife died because of lies. Was that not the spirit of God doing that? God requires not anything evil and so if any one brings evil near you, such a person will have himself to blame.

Now every one of you, wherever things are difficult, when you just step into that place, things will change immediately. Recall what happened at Ibandan. You all know those you regard to be strong.

Let my peace and blessings abide with the entire world; Now and forever more. Amen.

Thank You Father.

our Father, to establish an Orphanage Home where they will bring in the 'Street Kids' and train and make them (by the Father's grace) to be useful children to themselves, to the society and to God. Before they can do this, they need some money to start and they have planned to start a small business which the initial capital will be about three hundred pounds. They have already written a request letter to that effect to the Women Fellowship London for financial assistant. We hope the Father will answer their prayer.

MEN TO ESTABLISH A FARM

The Men Association during their meeting planned to establish a farm. In their opinion, if this project is undertaken, keeping the children by the Women Association will not be a problem. The crops from the farm can provide food for the children that the Women Association are planing to bring together. The children too can work in the farm. They are praying the Father to open their way so that there will be funds for this project to take off on time. They said that if some money were given to the village head, he would give to them a large parcel of land for the project. We believe that our Father will make fund available for this project to take off at his own time.

FATHER'S ACCOUNT

During the Bethel Executive Meeting held on 10 September 1999, the brethren, after an explanation about the blessing and tithing money that no one has right to use the money, decided that Brother Treasure J. Edemikoh should open an account so that the money from blessing and tithing will be paid into it instead of keeping it with any person.

Brother Treasure J. Edemikoh opened the account with the sum of one hundred thousand Kwacha, which is equivalent to twenty seven pounds (#27). As the Father has registered Brotherhood of the Cross and Star in Zambia, an account will be opened in the name of Brotherhood of the Cross and Star and the money will be transferred into it.

Brother Maurice Katongo is the Caretaker who sees about the cleaning and keeping watch over the Bethel. Sister Lilian is the one the Father is sponsoring to learn sewing. Brother Nephias was out of job and has no accommodation; the Father helped him to secure an accommodation. The Father assisted Sister Beatrice to pay her daughter's school fees and Brother Vincent Manasseh who is the one conducting service in Zambia was given a token as seen above. Some used clothes, shoes, ties and soutanes were also distributed to the brethren.

CONCLUSION

We are thankful to our Holy Father for taking us to Zambia and accomplishing his divine assignment by registering Brotherhood in

Zambia. We know that He will continue to nurture the Mustard Seed that He has planted in that country according to His divine will. We are grateful to the King of Kings and the Holy Queen Mother for their moral support, which has made this ministry a success. We are thankful to the Holy Father for all brethren in the United Kingdom who contributed in cash and in kind to the success of this ministry, may the Holy Father bless them abundantly in the name of our Lord Jesus Christ, Amen.

RECOMMENDATIONS

(1) I recommend that Brotherhood Memorandum be made available in the Bookshop and Brotherhood Offices worldwide.

(2) I recommend that the proposed projects in Zambia be supported financially and also be supervised to make sure it is done successfully.

(3) I recommend that the Brother who is conducting service in Zambia be encouraged by arranging to send him to the Headquarters to learn more of Brotherhood doctrine.

Thank You Father

wherever they were going, he would send somebody to take permission from "Bro Obu" so that I could return to them. The old man further instructed that I should be taken to my apartment so that when I return I would move there directly.

With my two guides, we went to check the room. As I got into the room, I saw a rug carpet. Flowers, especially rose grew on top of the carpets. The bed was covered with red roses. We went to many other places. What I noticed was that, life in that place was quite enjoyable. Then our normal problem. The people refused to allow me go. At that point, two other people came to us. They said "Bro Obu" had directed that they should hand me over to them so that I should be brought back because there was much trouble on earth. That the trouble if not checked through my return could lead to war. This instruction was not heeded immediately. They sent two people to come with me to inform the Leader that they did not want me to return.

Did he return after that? What circumstances led to his return if ever? What happened after that? Keep a date with Brotherhood Yesterday.

terribly difficult task since it consists principally in dealing with men." Conrad must have observed pitifully that in spite of the woman's effort to live as a naturally endowed person, the man has always been a cog in her wheel of progress. The woman is almost always accused of some form of misdeeds but the man is behind her wrong doings. This was an old trick of giving a dog a bad name in order to hang it. The millennial woman must now resist every attempt posed by the man to lure her to circumvent the divine laws of her naturalness. The woman must exhibit some subtle spiritual violence against all tendencies that can cause her to act contrary to her essence. The Millennial woman must be free from anger, hatred, murder, licentiousness, laziness, backbiting and slandering. She should be free from all forms of mediocrity and other forms of evil deeds.

She should try, against all odds, to maintain her naturalness and potentials, not minding man's intrigues to pull her down. Our creator has changed gear, moving towards perfection, the woman must also change hers. This is how the millennial woman can remain blessed.

Thank You Father.

PEARL OF WISDOM

The wiseman does not expose himself needlessly to danger since there are few things for which he cares sufficiently but he is willing in great crises to give even his life knowing that under certain conditions, it is not worthwhile to live.

1999 was a good year. It was a bad year, at least, for some. It was bad and good for others. It was a year that conjured impossibilities were supposed to have been made possible. A year that long cherished hopes were dashed and unexpected realities were faced by an ever pessimistic and unrealistic humanity.

By and large, it was a year most people still disbelieved the advent of the Holy Spirit of Truth on earth. May be because they were still expecting the crash-landing Christ in defiance of the Father's decree that no such thing would happen

BILL CLINTON
PARDONED BY THE FATHER

1999 was a year, most brethren wept and ran berserk, mistaking the Father's maroon-red soutane for a black one. They went to town that the Father had adorned the dreaded Black garment. It was untrue. It was a year that His Holiness Olumba Olumba Obu's birthday was celebrated outside the shores of Nigeria. It happened in Ghana. The marriage solemnization of Her Holiness, Ibum O. Obu took place this year. This led to the decree by the Father that brethren must be coupled to avert licentiousness. Her Holiness also visited the Republic of Cameroon in 1999 just as His Holiness was at the Republic of Ghana

Fear gripped everyone when the Holy Father warned brethren to watch and prepare for the three Days Darkness. The fear is still not relaxed even when out of love and mercy the Holy Father cancelled the three days "Doomsdays". That was 1999. It was a year that brethren, for fear of reprisals rushed in and out of vegetarianism. Some sauntered into fruitarianism and made radical "u-turn" to "altarianism". Still in 1999, the Christ Witnesses abandoned the white soutane and adorned themselves with Jewish attires and chieftaincy garbs to depict the twelve tribes of Israel. The

exercise was a symbolic enthronement of the Lord of the New Age - Leader O. O. Obu.

Also in 34 Ambo Great Hall, Her Majesty Queen Esther Olumba Olumba Obu was revealed as Queen Esther of old by the Holy Father and this was followed with her reception by the Brotherhood world. That same year also saw the reception of Blessed Mother Onugen Obu. This was organised by the 144,000 Virgins. In 1999, the advent of the Holy Spirit on earth was revealed through a Special Conference co-ordinated by Prophet & Deaconess Jomo Coco in London.

Painfully, we remember that, it was this year that the cold hands of death snatched Bro - Elder Udoaka Ekpaeneng from the Trumpet Family just as Prince Princewill Rockwell a Senior Christ Servant, an itinerant pressman and an author of books left the Senior Christ Servants pew for eternity. And in the New Kingdom Trumpet, it was the first time that we changed the front page of the paper on divine instructions. Wonderful experience it was.

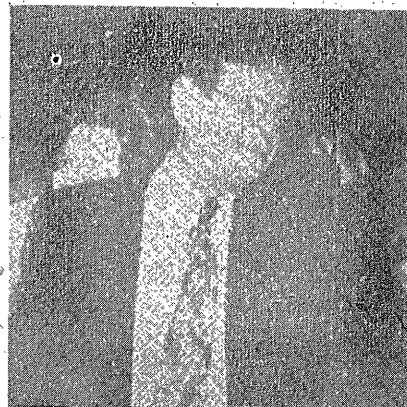

In Nigeria and the world at large, 1999 was quite eventful. In keeping with the Holy Father's decree that the military were already working overtime, in Nigeria, Feb. 27, 1999 saw Olusegun Obasanjo as President elect of Nigeria and was duly sworn in on May 29, 1999 as President of democratic Nigeria. This brought to focus again another decree of the Father that Nigeria is the greatest country in the world and that without it, no United Nations not to mention Commonwealth of Nations To strengthen this position, the Common Wealth "lifted the suspension it imposed on Nigeria since November 1995. This affected economic and diplomatic sanctions. Similarly, the European Union, United States, Japan and France lifted sanctions slammed on Nigeria since 1995."

OLUSEGUN OBASANJO
CHOSEN BY GOD

The battered image of Nigeria worldwide needed proper rehabilitation. This, Obasanjo, even as president elect worked on. He promised to fight corruption head on and vowed not to rest until human right abuses were surely and firmly addressed. As at today, an anti corruption Bill initiated by Obasanjo is before the National Assembly of this country while Christopher Kolade heads a panel on contracts review.

Justice Chuwudifu Oputa is probing cases of human rights abuses since 1966 to May 29, 1999. As at today over one thousand thought-provoking memoranda are before that panel. These are all in consonance with the decrees of our Father that sanity must reign in Nigeria. All these happened in 1999

REINHARD BONNKE
BLOODY CRUSADE

In the wake of the present revolution in Nigeria, on July 22, Salisu Buhari resigned as Speaker of the House of Representatives after accepting charges of age and certification while on November 19 1999, Evan Enwerem was impeached on grounds of matters related to his personal integrity and inefficiency. Before now, the Holy Father, Leader O. O. Obu had decreed that all stolen monies from Nigeria must be returned. Today we affirm that in March 22 1999, Sani Abacha's Family returned \$ 5 million (Five million Us dollars). Anthony Ani, former Minister of Finance and Bashir Dalhatu returned DM 30 million and \$3 million dollars and a promissory note to return \$5 million dollars.

Britain, United States and France are on stand by wishing to help us recover the loots. For now, Adamu Ciroma, Minister of Finance said in November 1999 that N800 millions had been recovered from Abacha's family. It must not be forgotten that the Holy Father had said that all works of darkness shall be revealed. It was not long before Clifford Orji, a human flesh eater was arrested. This was in February 1999. On April 20, 1999, two teenagers

Dylan Klebold and Eric Harris went on rampage at Colombia High School in Littleton Colorado. They killed 15 students and wounded 22 in a shoot out and shot themselves after.

The Holy Father, it will be recalled commissioned the Association of Brotherhood Academic Scholars (ABAS) International to ensure the curbing of cult activities in institutions of higher learning in Nigeria. After this declaration, the Obasanjo led administration decided to clam down on secret cult activities in Nigerian schools. This resulted in the confessional statements and denouncing of cults activities by penitent cult members.

Apart from these, the Father has consistently reminded His children to watch out for information

about the end times. After making such statements, world disasters had taken place. We are aware that "earthquake ravaged North Western, Turkey, killing 15,000 persons and smashing 40,000 buildings. More than 600,000 were rendered homeless and \$20 billion was lost in property and production." In Greece, earthquake killed 39 persons on September 7, 1999. Taiwan had a similar experience. At the end of the day, more than 2,200 people were homeless.

Florida, Georgia, and Carolina United States coastal areas were hit by Hurricane Floyd killing 41 persons. The experience of La Aurora in Teziuthan, a town in Mexico was not less catastrophic. About 375 were affected while property worth \$2 billion dollars was submerged in the flood. And in United States of America, President Bill Clinton should have been impeached on accounts of loose conduct but for the declaration of the Father that He stands forgiven. And he was forgiven.

1999 witnessed the rise, fall and humiliations of some acclaimed men of God. Reinhard Bonnke, a

happened and when you go and just say "let" all will be well. Have you not seen what the Crusaders team lead by Brother Udo Umoren used to do? That is the work of the Crusader. A lot of people who cannot come here are not able to do this work because they are still in the hands of the evil one, but immediately they are at liberty and the Holy Spirit gets into them, all will be well. All evil must be exorcised completely from this earth, so as to ensure full growth of the work of God. Therefore, the weapon we are using is not that of the flesh. Read 1st Corinthians 1:8-24.

They that are willing should support these labourers of the Father in the Father's work. Let us fast and pray, then dissociate ourselves from

all evil so that our light may shine. This is the war of the spirit and this is the time. No one is bold enough to point accusing fingers at you, if they attempt, the fingers will be broken. A brother came here and testified about witches, I rebuked him and told him not to disgrace God. After all Brotherhood is termed "wonderful." So go and tell the world to forsake and refrain from sin because this New World we are into is not for jokes. If you think evil about any one, you are in for a very big trouble, not to talk of indulging in evil tendencies. Let go all those things, so that all might be at peace. I had told a certain Sister to indulge no more in fornication or else something will happen to her, she ignored and went back and fornicated. Truly something happened, she died. Did

you not hear about it? People came here and pleaded with me to withdraw the statement, I ignored them and warned them not to indulge in fornicate. Oh! so you enjoy to fornicate, thinking God cannot do anything or God has no power. Annanias and his wife died because of lies. Was that not the spirit of God doing that? God requires not anything evil and so if any one brings evil near you, such a person will have himself to blame.

Now every one of you, wherever things are difficult, when you just step into that place, things will change immediately. Recall what happened at Ibandan. You all know those you regard to be strong.

Let my peace and blessings abide with the entire world; Now and forever more. Amen.

Thank You Father.

wherever they were going, he would send somebody to take permission from "Bro Obu" so that I could return to them. The old man further instructed that I should be taken to my apartment so that when I return I would move there directly.

With my two guides, we went to check the room. As I got into the room, I saw a rug carpet. Flowers, especially rose grew on top of the carpets. The bed was covered with red roses. We went to many other places. What I noticed was that, life in that place was quite enjoyable. Then our normal problem. The people refused to allow me go. At that point, two other people came to us. They said "Bro Obu" had directed that they should hand me over to them so that I should be brought back because there was much trouble on earth. That the trouble if not checked through my return could lead to war. This instruction was not heeded immediately. They sent two people to come with me to inform the Leader that they did not want me to return.

Did he return after that? What circumstances led to his return if ever? What happened after that? Keep a date with Brotherhood Yesterday.

MILLENNIAL

Contd. from P.19

terribly difficult task since it consists principally in dealing with men." Conrad must have observed pitifully that in spite of the woman's effort to live as a naturally endowed person, the man has always been a cog in her wheel of progress. The woman is almost always accused of some form of misdeeds but the man is behind her wrong doings. This was an old trick of giving a dog a bad name in order to hang it. The millennial woman must now resist every attempt posed by the man to lure her to circumvent the divine laws of her naturalness. The woman must exhibit some subtle spiritual violence against all tendencies that can cause her to act contrary to her essence. The Millennial woman must be free from anger, hatred, murder, licentiousness, laziness, backbiting and slandering. She should be free from all forms of mediocrity and other forms of evil deeds.

She should try, against all odds, to maintain her naturalness and potentials, not minding man's intrigues to pull her down. Our creator has changed gear, moving towards perfection, the woman must also change hers. This is how the millennial woman can remain blessed.

Thank You Father.

MINISTRY TO ZAMBIA

our Father, to establish an Orphanage Home where they will bring in the 'Street Kids' and train and make them (by the Father's grace) to be useful children to themselves, to the society and to God. Before they can do this, they need some money to start and they have planned to start a small business which the initial capital will be about three hundred pounds. They have already written a request letter to that effect to the Women Fellowship London for financial assistant. We hope the Father will answer their prayer.

MEN TO ESTABLISH A FARM

The Men Association during their meeting planned to establish a farm. In their opinion, if this project is undertaken, keeping the children by the Women Association will not be a problem. The crops from the farm can provide food for the children that the Women Association are planing to bring together. The children too can work in the farm. They are praying the Father to open their way so that there will be funds for this project to take off on time. They said that if some money were given to the village head, he would give to them a large parcel of land for the project. We believe that our Father will make fund available for this project to take off at his own time.

FATHER'S ACCOUNT

During the Bethel Executive Meeting held on 10 September 1999, the brethren, after an explanation about the blessing and tithe money that no one has right to use the money, decided that Brother Treasure J. Edemikoh should open an account so that the money from blessing and tithe will be paid into it instead of keeping it with any person.

Brother Treasure J. Edemikoh opened the account with the sum of one hundred thousand Kwacha, which is equivalent to twenty seven pounds (#27). As the Father has registered Brotherhood of the Cross and Star in Zambia, an account will be opened in the name of Brotherhood of the Cross and Star and the money will be transferred into it.

Brother Maurice Katongo is the Caretaker who sees about the cleaning and keeping watch over the Bethel. Sister Lilian is the one the Father is sponsoring to learn sewing. Brother Nephias was out of job and has no accommodation; the Father helped him to secure an accommodation. The Father assisted Sister Beatrice to pay her daughter's school fees and Brother Vincent Manasseh who is the one conducting service in Zambia was given a token as seen above. Some used clothes, shoes, ties and soutanes were also distributed to the brethren.

CONCLUSION

We are thankful to our Holy Father for taking us to Zambia and accomplishing his divine assignment by registering Brotherhood in

Zambia. We know that He will continue to nurture the Mustard Seed that He has planted in that country according to His divine will. We are grateful to the King of Kings and the Holy Queen Mother for their moral support, which has made this ministry a success. We are thankful to the Holy Father for all brethren in the United Kingdom who contributed in cash and in kind to the success of this ministry, may the Holy Father bless them abundantly in the name of our Lord Jesus Christ, Amen.

RECOMMENDATIONS

(1) I recommend that Brotherhood Memorandum be made available in the Bookshop and Brotherhood Offices worldwide.

(2) I recommend that the proposed projects in Zambia be supported financially and also be supervised to make sure it is done successfully.

(3) I recommend that the Brother who is conducting service in Zambia be encouraged by arranging to send him to the Headquarters to learn more of Brotherhood doctrine.

Thank You Father

PEARL OF WISDOM

The wiseman does not expose himself needlessly to danger since there are few things for which he cares sufficiently but he is willing in great crises to give even his life knowing that under certain conditions, it is not worthwhile to live.

EDO STATE

TRF INTERNATIONAL STORMS EDO STATE

The Trumpet Readers Family International (TRF) recently stormed Benin, the Edo State capital on an evangelical ministry.

The purpose of the evangelical ministry was to awaken the consciousness of the people in the ancient city to the spiritual realities of the time.

The ministry commenced on the 25th of June, 1999 with a sing song night that culminated in the ministry proper on the 26th of June, 1999. With the understanding that the warfare is not carnal but spiritual, the Trumpeters with fasting went to the State Psychiatric Hospital in Benin. The patients were prayed for individually and question sessions allowed for interaction with these children of light. Surprisingly, they demanded monthly supplies of Trumpet which the Family most kindly obliged.

The Orphanage Home located near the Psychiatric Hospital was also visited. The reception was overwhelming. After the spiritual food, an envelope was presented to the orphans after which a private

After this the TRF visited Bethels in Benin

metropolis to inform brethren of the birth of the TRF and the mission enumerated to brethren. The State Co-ordinator's family was visited. The Sister (wife) who had delivered a baby was happy and remarked 'the visit has proved to the neighbourhood and my parents that I have people and that I belong to a divine organisation.'

During the evangelical ministry, many people yearned for baptism and the state co-ordinator of the TRF in Edo, Brother Joseph Edosonwan was to follow up. The ministry ended on 27th June 1999 after being blessed by the 144,000 in the Bethel.

It will recalled that, this was the first evangelical ministry embarked upon by the TRF International. Many chapters attended, prominent among them being Lagos State, Abuja FCT, Edo and Delta States.

KANO NOW FATHER'S STATE LAND BETHEL

Following the recent visit of the brethren in Kano State to the World Headquarters of the fold, the glaring misunderstanding amongst brethren in Zungeru Road Bethel popularly known as Nomansland Bethel, His Holiness Olumba Olumba Obu has changed the name of the Bethel to Father's Land Pentecostal Centre to the glory of the Father.

The change followed an insinuation by the Bethel Leader's Representative who was at sea as to the causes of persistent disputes in the Bethel.

His Holiness Olumba Olumba Obu the King of Kings and Lord of Lords also made changes at the leadership level of the Bethels. The Leader's Rep. for Middle Road, Healing Home is currently the Leader's rep for Fathersland Pentecostal Centre while the Leader's Reps for Fathersland Pentecostal Centre swapped position with

In a similar development, His Holiness also changed the leadership of the Trumpet Readers Family and put in place a new Executive with Bro. Rafael I. Okoli as the new Chairman of the Trumpet Readers Family in Kano State.

In a letter of appreciation to the outgoing Chairman Bro. Ben Arisuknu, the Father thanked him for laying a strong foundation for the take off of the Trumpet Readers Family in Kano State and sued for co-operation among the members. COMMENTARY

THE WORD OF TRUTH

It is not untrue, the fact that, the world is breathing the air of fresh hopes and rising expectations today.

This fact is buttressed by her recent crossing over from the old millennium to a new millennium. And, a millennium is a period of one thousand years.

That man, in his evolution has come this far is a fact worthy of celebration. This man did not disappoint himself.

From Europe to Asia, the Americas to Africa, the celebrations came in multiforms. What constitutes a constant source of worry is, if man has taken stock of his activities in the eternally sleeping millennium. Has man resolved to live a merrier life in the new? This is most important. The worldwide brouhaha of the past few weeks is obviously not enough.

The old millennium had all the trappings of an unwanted era. It was a period when man was not at peace with

CHALLENGES OF THE NEW MILLENNIUM

himself because he refused to recognize the real Him in himself. It significantly portrayed God as an article of trade. God, despite His abundant love and grace for man was colonised, and marketed without fear.

In the extinct era, in the name of God, slave trade and slavery became a way of life. Colonialism and neocolonialism had tap roots on earth. It was a period when the government of the people became exploiters and the enfant terrible of the same people. The developed countries always exerted not only their pound of flesh but perpetuated the continuous enslavement of the people.

The League of Nations, United Nations (UN), Common Wealth of Nations, European Union (EU) and other such bodies became moribund and other otiose in the performance of their functions. It was a period when all the virtues of God were almost negated by man, thereby losing the beauty in the Brotherhood of man as taught by Leader O. O. Obu.

Honesty, love, peace, tolerance, understanding, respect for life and rights of others were absolutely in very short supply, the world over. Crime and general licentiousness kept going at a geometrical rate. There was arms race

and self annihilation galore. It was generally pitiful for man.

The new millennium has opened new vistas of challenges for man. Man must learn to live in peace with each other. It must strive to do this in order to ease the tension that characterized the old millennium.

Man must have genuine love for its kind in order to promote universal harmony among all creations of God. This is the stand of Leader O. O. Obu for the past eight decades now. The developed nations must not drown the developing ones in the huge debt ocean.

In this new millennium man should learn as a matter of voluntary compulsion to be his brothers' keeper. This is the essence of divine living. It must be noted that our Holy Father, Leader O. O. Obu, the founder and sustainer of the Brotherhood of man has informed the world that He has changed gear.

By this notice, He has upgraded creation to a level of perfection and of righteousness. It is only those who strive to be Perfect and Righteous that have genuine passport into the new millennium.

Any other arrangement bluffs His perfect Will and is absolutely unaccepted. This is the word of truth.

BANAL RHETORICS

By the special grace of the Most High God, I have been opportuned to listen to many self-ordained men of God preach. I had attended a little above three scores and four churches in search of the missing link between God and man.

Rather than being at one with my Creator through the vessels of His choice. Our Lord and Master, Jesus Christ, these so-called men of God had engaged in campaigns that usually exasperate me. Most embarrassing had been the question of the return of Jesus to the world.

The other day, I met a self-styled born again christian with the tag "JESUS IS COMING SOON" conspicuously displayed on his shirt's pocket. Curiosity forced me into exchanging pleasantries with him. After that, I remarked, "its interesting noting you are such a devoted Christian." He returned my compliments and said "without Him, no life".

Then I added, "even when he has not come yet and is only coming soon." My ignorant friend hurriedly tucked his hands in his pocket, came out with a pocket sized Bible and then talked all the "churchianity" he knew but admitting that Jesus is

everywhere, and that without Him is nothing made. He concluded by saying that He is all and in all.

"Excellent sermonising." I commended but before he relaxed, I fired on "you mean Jesus is here?" He intoned "Yes" That granted. "Which one is coming soon?" He looked at me, shook his head and admitted that Our Lord Jesus Christ is now on earth.

Not quite two minutes later, he started musing; "why are the Christians not aware of this truth?" Why are our preachers unaware of this salient fact? Why must they cajole millions of Heaven seekers to continue waiting indefinitely while like a thief in the night, Jesus Christ had sneaked into the world. Questions upon questions followed and indeed with an air of finality he bemoaned, "Churches, why all the banal rhetorics"

Believing that I was not watching, he removed his "JESUS IS COMING SOON" badge. Then I intervened, and appealed that it should be left there. He refused, promising that he must change it to "JESUS HAD SINCE COME"

Again, there was this neighbour of mine. He owned television set. Being a liberal minded fellow, he admitted us to view it along with him. As a regular viewer of the AKBC programme on Sundays, I visited him last Sunday.

In our company were two other persons who by their discussions proved to be yet another set of born again Christians. We exchanged views on few issues ranging from SAP to the transition programme, the governorship primaries, creation of states and LGAs and the attendant inferno that followed. Then came on screen "IDAHOSA WORLD OUT REACH MINISTRY" the normal religious campaigns for winning souls to swell the church, after his (IDOHOSA'S) ministry at one of European countries was screened. Conspicuously above the altar was "JESUS IS HERE."

My fellow viewers were busy thanking God for using him in such a special and wonderful way. But I was concerned with the inscription above the altar. I could not help asking "Brother, what's the meaning of that "JESUS IS HERE"

All of them volunteered answers, all suggestive that Jesus Christ is now on earth. I feigned ignorance and asked "When did He come with the sound of the trumpet and all eyes saw Him?" My co-viewers were at sea, they did not know how to answer that poser? I quickly added, "How about the second coming of Christ that is being preached by 99% of the Christendom." As if in a hurry to nail them finally, I asked again "If Jesus is

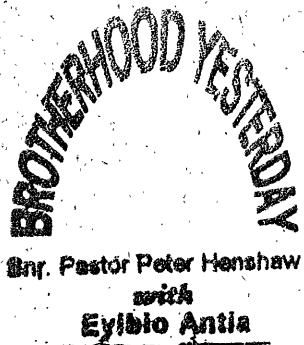

here, which one is being expected?"

They were tongue-tied, they could not defend one of the cardinal teachings of the Christendom. They promised to ask their pastors which Jesus they were expecting, when they always teach them that Jesus is the same yesterday, today and forever. When it is a known fact that Jesus is the Son of God, God and Holy Spirit.

That the Holy Spirit never departs and God never dies and is closer to us than our breath and He never leaves us alone. They also promised to ask their pastors to reconcile the question of His coming like a thief in the night and His appearing in the sky.

I watched these friends as they brainstormed and prayed the Comforter, the Holy Spirit personified to reveal Himself to as many as are being deceived so that they will come to the accurate knowledge of truth about the return of Jesus Christ to the world.

This piece is an improved version of an article in my former column "Valley to Victory" on page 5, in the October 1991, edition of Herald of the New Kingdom. Nine years after, most christians are still expecting Jesus Christ to crash-land. Year 2000 is here with us. The christians have shifted His coming to year 2001, 2004, 2005. Are you not tired of waiting? Christians be wise!

MY EXPERIENCES IN THE LAND OF THE DEAD

In the December 1999 Edition, I recounted my involuntary twenty one days fasting and how I eventually died. In this piece, I will relate my experiences in the land of the dead.

After breathing last, all those present started crying. Others prayed that God should return me to life. I doubt if the Holy Father Leader O. O. Obu prayed. At that initial stage, it was as if I was inside the river over hearing people talking from upland. I heard all that people said. Unfortunately, neither could I open my eyes nor talk.

Surprisingly, those whom I thought could not run me down or say evil against me said "That serves him right. He fasted to become as powerful as the Leader. Let him wake up and be like the Leader." The last word I heard from the Leader was "This Henshaw lying down here

not dead. He is dead in spirit. He wants to know this place and he is taken to know more about this place. When he wakes up to relate his experiences to you, you will probably believe him." That was the last I heard.

I slept on. The sleep was to become endless, I lost count of the happenings on earth. On waking up, it was as if I slept with someone. As I moved away from the person. As I stood up, I discovered that the person still lying down was myself with the same clothes and every other thing. It came to my mind that we were now two. I could not know where I was. I had no thoughts. My understanding now is that, at that point, my soul had parted ways with my mortal body and was purely in Spirit.

After that, I saw two people in white robes. They walked towards me, bowed as they greeted me. I did the same. They told me "We have directives from our Father to show you how He arranges things in the various universe." I asked them "Who is our Father?" They said "Brother Obu" I inquired further "Where is He? I cannot see Him. To this question, no answer came. I was ordered to follow them. I looked at

the other me, laughed and followed them.

They told me many things, congratulated me for the privilege of that experience and considered me one of the luckiest beings on earth. The first place we went to was beneath the earth surface. There, a new world opened. When they saw us, they were very happy. I knew some of those people. The place had no roads but they lived in common. They had no barriers. They invited me to visit them at other times and showed me round other areas. But the two people cut short our stay there. According to them, there were more interesting places to visit still and enjoined me to follow them.

The next place they took me to was the deep sea. There, I saw another beautiful world. The people were deeply in love with me and they were happy as well. They asked the two people where I came from. They informed them that I came from the earth plane. They pitied me and asked what I was doing there. That the place is filled with hatred quite unlike their place and advised me not to ever think of going back. Again, the two people blocked me. The struggle to retain me was fierce.

At the long last, the two men held my two hands and up we flew. We went to another plane which by my current understanding was space. There, everybody wore white garment. Their major activity is the worship of God. On hearing the jingle of the bell, they would stream out and worship at the big halls located at strategic areas. I was introduced to a big man whom they told "Bro Obu" wanted me to be shown round. The big man told me that we are lucky in this generation otherwise, God could have destroyed the world but that He had promised never to destroy His handiwork and that He is now in the world to take His children unto Himself but that all those who do not want to live by the dictates of God will be destroyed. He said that these His elects will be heir apparents to their various families and would inherit their wealth. He said I should not return to the earth and that I should be given an apartment there. My two guides did not agree. They insisted that they were on instructions to take me round by "Bro Obu".

The old man was not satisfied. He told the two men, that

COMMENTARY**THE WORD OF TRUTH**

It is not untrue, the fact that, the world is breathing the air of fresh hopes and rising expectations today.

This fact is buttressed by her recent crossing over from the old millennium to a new millennium. And, a millennium is a period of one thousand years.

That man, in his evolution has come this far is a fact worthy of celebration. This man did not disappoint himself.

From Europe to Asia, the Americas to Africa, the celebrations came in multiforms. What constitutes a constant source of worry is, if man has taken stock of his activities in the eternally sleeping millennium. Has man resolved to live a merrier life in the new? This is most important. The worldwide brouhaha of the past few weeks is obviously not enough.

The old millennium had all the trappings of an unwanted era. It was a period when man was not at peace with

CHALLENGES OF THE NEW MILLENNIUM

himself because he refused to recognize the real Him in himself. It significantly portrayed God as an article of trade. God, despite His abundant love and grace for man was colonised, and marketed without fear.

In the extinct era, in the name of God, slave trade and slavery became a way of life. Colonialism and neocolonialism had tap roots on earth. It was a period when the government of the people became exploiters and the enfant terrible of the same people. The developed countries always exerted not only their pound of flesh but perpetuated the continuous enslavement of the people.

The League of Nations, United Nations (UN), Common Wealth of Nations, European Union (EU) and other such bodies became moribund and other otiose in the performance of their functions. It was a period when all the virtues of God were almost negated by man, thereby losing the beauty in the Brotherhood of man as taught by Leader O. O. Obu.

Honesty, love, peace, tolerance, understanding, respect for life and rights of others were absolutely in very short supply, the world over. Crime and general licentiousness kept going at a geometrical rate. There was arms race

and self annihilation galore. It was generally pitiful for man.

The new millennium has opened new vistas of challenges for man. Man must learn to live in peace with each other. It must strive to do this in order to ease the tension that characterized the old millennium.

Man must have genuine love for its kind in order to promote universal harmony among all creations of God. This is the stand of Leader O. O. Obu for the past eight decades now. The developed nations must not drown the developing ones in the huge debt ocean.

In this new millennium man should learn as a matter of voluntary compulsion to be his brothers' keeper. This is the essence of divine living. It must be noted that our Holy Father, Leader O. O. Obu, the founder and sustainer of the Brotherhood of man has informed the world that He has changed gear.

By this notice, He has upgraded creation to a level of perfection and of righteousness. It is only those who strive to be Perfect and Righteous that have genuine passport into the new millennium.

Any other arrangement bluffs His perfect Will and is absolutely unaccepted. This is the word of truth.

The old man was not satisfied. He told the two men, that

OUR FATHER IS GOOD

I was baptised in 1989 in Kano. Then I was working with Bayer Pharmaceutical Company, having been transferred from Lagos in 1986.

It was on a certain day in 1991 in a dream that an angel of the Lord appeared to me and asked me to hand over my car key which I did. The angel packed my belongings and locked in the store. When I asked, I was told not to ask questions, that my assignment was completed in Kano. Then, I did not understand the meaning of the dream.

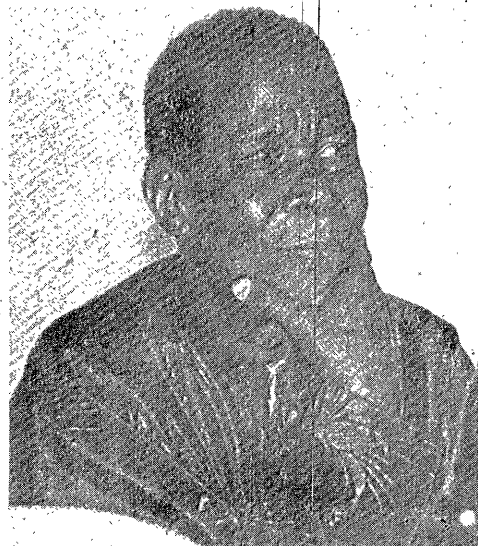

But on the 15th October 1991 a certain white evangelist came to Kano on a crusade. This crusade sparked off riot which lasted three days. I lost everything I had during the riot. This incident and the lost, I discovered were a fulfillment of what I was told that my assignment was completed in Kano. I left Kano for Lafia now capital of Nasarawa State to meet my parents who were staying there.

After about six months in Lafia, Father appeared to me and directed that I should proceed to Togo. I hesitated because I did not know anybody in Togo. I did not have money. When I related the dream to my mother, she was disturbed, but I assured her that the Father had given assurance that all would be well. So, she gave me money which I used to transport myself to Abuja.

At Abuja one Yoruba man offered me accommodation without

questions. That night the Father appeared to me and warned that I should not associate with people in Togo. He said He was sending me on a special assignment.

In Togo, miracles were happening very fast. First, I never knew anyone and did not have enough money. But people were just

LEADER O. O. OBU
AN EMBODIMENT OF GOODNESS

assisting me. At times, I would dream how people showed me favour and when I woke up I was shown such favours. When I had saved some money, I started traveling to Ghana to buy things to sell in Lome. The trade was lucrative. I rented an apartment. There, the Father appeared to me and directed that I should be praying

two times daily. In one of the prayer sessions, a Lady told me that her brother's wife had been pregnant for about 12 months without delivery. So I asked that she be brought. That was in December, 1995.

When the woman came, I prayed requesting the Father to direct on what was to be done. The Father directed that the woman should sleep in my apartment where I had an altar.

That night the Father showed me how the baby was tied in the womb and advised that she should be baptized the next day. After the baptism, I prayed on her and on December 17, 1995 she delivered a baby boy.

The mark of the robe used in tying the baby was shown on the hands. The baby was named Mercy, and the woman's name is Ema Kouko. People who heard this incident began to troop to my house and gradually we began to expand.

As the number of people who needed the Father's blessings increased, my attention began to be divided between Father's work and my business. So, on April 1st, 1997 I decided to close all my businesses to concentrate on the Father's work which was what took me to Togo. The immediate problem we had was that of accommodation. But the Father came to our rescue and brought a man who allowed us to worship under a tree in his compound.

In December, 1997 I came to

Calabar and reported the situation of things to the Father who pronounced that He had given us a place of worship. We actually got a place when I returned.

Meanwhile, I must confess that from what is happening here, the Father really sent me on an important assignment and that He had not left me even for a second since I came to Togo. The ease with which miracles are performed here baffles me at times. There is a case of one Henry B. De - Souza who works in the Ministry of Agriculture in Lome. He was poisoned and in search of solution, he spent much money to no avail. On the 2nd August 1997 he was brought to the Father. He was baptized and after three days of intensive prayers, fasting and feasting, he was delivered. He walked home a normal person. Today, he is the Bethel Leader's Representative of Rue de l'arimi Bethel, in Lome.

Another person, Sister Esther Bello had spent a fortune trying to go to the U.S. but was always denied visa. When she came to the Father, the Father made a pronouncement and she was given visa. She is now in America. Occasionally, she sends us money to assist in the work. These testimonies are many. I just pray that the Father should continue to give us the wisdom to abide in His grace and serve to His glory.

Thank You Father.

HE HEALED ME OF PARALYSIS

I thank the Holy Father, Leader Olumba Olumba Obu, for manifesting Himself in me in this dispensation. I thank Him for He is all-knowing, all powerful and His powers all pervasive.

Today, having been called into the Brotherhood, I have come in contact with all that I used to read about in my Bible knowledge classes. The growth of Brotherhood of the Cross and Star is likened to a mustard seed. The spread like the growth is miraculous.

I was baptised into the fold in 1969 from my former denomination - the Methodist Church. Before I got baptized, I was a 'hit-man' in footballing in my days in the Secondary and higher schools. As a footballer, I was very much endeared to many football lovers some of whom are in Brotherhood today.

As the football Captain and a house captain at the Methodist Body's High School Oron in 1969 I led my team to play football matches against Saint Patricks College (SPC) and Hope Waddel Training Institute all in Calabar. A few months after those

matches I could not walk. I became lame and crippled. I was taken out of school and I missed my Higer School Certificate Examination. This condition led to my being taken round Akwa Ibom then mainland in search of native doctors, prayer houses and hospitals for healing but all to no avail. At that time, I did not know about the existence of Brotherhood of the Cross and Star. I did not know it had a branch in Oyubia, a predominantly Methodist enclave.

As a last resort, I was referred to the BCS at Akani Obio Oron Bethel on a Thursday. I met some Sisters observing fasting. They invited me to officiate. I asked how that could be possible as I was new to the system. They replied "In Brotherhood there is neither Jew nor Gentile, there is no old or new and that it is the Father who does everything." Reluctantly I officiated. I was directed by a Deaconess to write a prayer request and enclose my tithe to the Holy Father at 34 Ambo Street, Calabar.

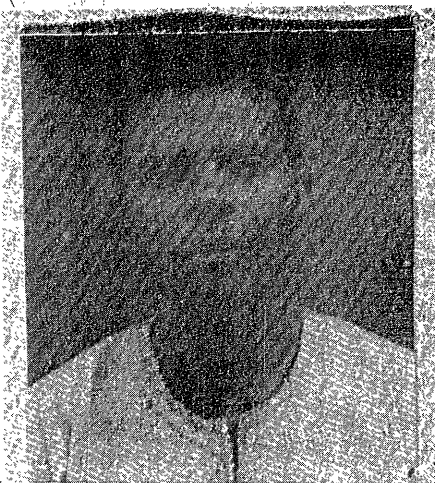

Finally, I was taken to the Healing Home at Ambo where the

Holy Father offered prayers on me. As He prayed I experienced something like cold, damp air exuding from the soles of my feet. After the Father had finished blessing us, He directed that those who were yet to be baptized should be taken for baptism at the beach. Miraculously, I was able to start walking slowly to the beach for the baptism. From then, I remained in the healing home.

No medicine was administered on me apart from the divine healing through fasting, prayers and going on ministry work.

A day I will not forget was the day I undertook a ministry work to Eight Mile's Bethel in the company of other choristers from the Healing Home. As I moved along Edgerly Road towards Chamley, I experienced acute burning sensations in my feet after which I regained the co-ordination of my limbs.

Brethren, after I had been healed of my lameness I was fully resuscitated. I am able to use my limbs again. In the BCS, the lame has walked, the blind has regained

sight, the deaf is able to hear, the dumb has spoken and the dead have risen. I thank the Father for all that He has done for humanity in this generation.

Thank You Father.

INQUISITIVENESS - MAN'S GREATEST UNDOING

BY BROTHER CHUKS UZOELUM

In the beginning, God created the universe and the things therein. Man's existence began when God conceived the thought that there was need to have someone in His image, after His likeness to lord over His creations. It was with this in mind that man was created.

However, after creating man, God gave him conditions, upon which he should live. God created this world to be a peaceful, blissful, habitable and convenient place for man to live. But as a result of man's quest to be as wise as his Creator, the Serpent deceived him. At this time and moment INQUISITIVENESS was born. Genesis 3:4. And the Serpent said unto the woman, "ye shall not surely die for God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil". This is the genesis of man's inquisitiveness on earth, the origin of his desiring to be as wise as God.

It is true that man faltered and did eat of the forbidden fruit with the intention to be as wise as his Creator but the question is: has man become as wise as God? No, rather, than being wise, man lost the paradise on earth as well as the glorious and unflinching Love His Creator had for him.

Besides this, God placed a curse on them which till today has a total effect on the world. Genesis 3:16-19: 'Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow thou shalt bring forth Children; and thy desire shall be thy husband, and he shall rule over thee. And unto Adam he said, Because thou hast hearkened unto the voice of thy wife and have eaten of the tree, of which I commanded thee, saying, thou shalt not eat of it; CURSED is the ground for thy sake; in sorrow shalt thou eat of it all the days of thy life; Thorns also and thistles shall it bring forth to thee, and thou shalt eat the herb of the field; In the sweat of thy face shalt thou bread, till thou return unto the ground: for out of it was thou taken: for dust thou art, and unto dust shalt thou return.' This therefore has been the cause of man's sufferings in the world.

IN A BID TO REACH GOD

Man in his curious nature has been seeking for ways to confront God, face to face. If it were possible to unseat God, and take over His sovereignty, man would have done so but since God is Supernatural; Omnipotent, Omnipresent and Omniscient, man's intellect has failed him in this regard.

A careful study of the Scriptures has revealed how division

set into the world when inquisitive man wanted to build the Tower of Babel to reach God in order to achieve his selfish reasons. At this point, God confused man and introduced many languages on earth which made it impossible for them to accomplish their negative ambitions.

Why does man antagonise his Creator? Why does man fight his creator and work against His operations? Man is a rebel. He rebels against his Creator in all aspects of life. Man rejected God and crucified His Son. Can man fight successfully against his Creator?

The inquisitiveness of man makes him to counter the injunctions of God, dominate and eliminate God's creation as well as refuse to identify and accept his Creator.

The Scripture tells us that man turned Noah's Ark into a public toilet. Also that man out of his wicked nature, bound Daniel and threw him into the Lion's den.

The atrocious life of man made him lust after the angels of God in Sodom and Gomorrah. Man also plotted a coup and executed it. He arrested, tried, killed Christ. What an insult, humiliation and disgrace has man meted to his Creator!

God has a master plan for man's life but due to his nefarious quest for wisdom and greed, God's grace has always eluded him. As part of God's plan for man, John the Baptist was sent to prepare man for the advent of our Lord Jesus Christ, man showed a bloated level of craftiness. John the Baptist described man as "BROOD OF VIPERS" Matt. 3:7. John the Baptist was thus disappointed in man.

THE WISE BROUGHT TO NAUGHT

In the course of Christ's teachings, the Pharisees and Sadducees rebelled against Him. But, in His mission to reprove the world of sin, He reduced their wisdom to naught. Hence in Matt 23:13 our Lord Jesus Christ said "Woe unto you, Scribes and Pharisees, hypocrites, for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in".

Our Lord Jesus Christ also dwarfed their wisdom in Mark 3:4 as He asked "Is it lawful to do good on the Sabbath days, or to do evil? to save life, or kill? But they held their peace." Here, rather than man appreciating the work of the Lord, they took counsel to destroy Him. In addition, James 2:9-10 states "But if ye have respect to persons, ye commit sin, and are convinced of the Law as transgressors. For whosoever shall keep the whole law, and yet offend in one point, he is

guilty of all."

Man loves to practise the laws in the old testament but our Lord Jesus Christ taught people to love, as love is the greatest of all the commandments. Today, man in his inquisitive nature has come a long way. Man now poses as rulers of man, ministers, prophets, and men of God. In the process, they deceive many as they speak in tongues, conduct revival meetings and miracle sessions, just with the aim of enslaving the minds of people and carting away their spiritual and physical wealth.

THE WORLD TODAY

Take a look at the world today. You will agree that there is confusion and division everywhere. These range from family to governments and nations of the world. Among the Christians and other religious circles, hunger and death are witnessed in high proportion among the people. In churches, fake teachings and prophecies have become the order of the day.

Christians were believed to be closer to God for they know that our Lord Jesus Christ came for the sinners' sake, died for the remission of man's sins and resurrected. Nevertheless man's cruelty, and obduracy have made something else of Christians. Christians are now rebellious among themselves and most pathetically to their creator.

Take a cursory look at the rapid increase of churches today. This is a result of inquisitive and selfish interest of man. This has no good impact on the general conduct of man as decreed by God. The major benefit of the incessant increase of churches is for self enrichment than creating more awareness that Jesus Christ is Lord upon all the churches, does man know Jesus Christ or God as he claims? This is a food for thought.

If man had known and believed in God, why did he not believe in our Lord Jesus Christ or why did he crucify Him? Think about this and retrace your steps. Your own wisdom can never save you.

I tell you of a truth when you surrender yourself to God all will be well. It is said, "for God so loved the world that he gave his only begotten Son that whosoever believeth in him should not die but have everlasting life." It is in the light of this that man is expected to subdue himself completely to the will of God. If you do not love man whom you see and relate with, how can you claim to love God whom you do not see and know? Remember God created man in His own image, after His likeness.

Seek therefore for the

guidance of the Holy Spirit that He may dwell with you and live in you. The works of the Holy Spirit are not hidden and cannot be stopped. However, many had tried to scuttle His work but could not. You are therefore advised to seek for God vehemently and ask for His forgiveness that He may dwell in you and abide with you. However, for the scripture to be fulfilled, not all men will know, believe and accept Him. Hence, John 1:10-12 says, "He was in the world, and the world was made by him, and the world knew him not. He came unto his own, and his own received him not. But as many as received him, to them gave he power to become the sons of God, even to them that believe in his name."

Being a Spirit, God consolidates power and wisdom unto Himself so that man may not know Him as to plot another coup to kill Him as they did to Jesus. Man's ability to recognise God comes only from Him. However, He came not to die again. It is in this regard that God said in John 14:15-17 "If ye love me, keep my commandments. And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever; Even the Spirit of truth whom the world cannot receive, because it seeth him not, neither knoweth him; but ye know him, for he dwelleth with you, and shall be in you.

For man not to perish in his ignorance and foolish wisdom, God promised coming to lead man to the accurate knowledge of truth, with a new name that is above all other names both in heaven and on earth. This name is not known to anyone except Himself and to them that He has revealed it. This new name is causing rancor in the world but peace and salvation to the elects of God. The new name is Olumba Olumba Obu (O.O.O.)

Leader Olumba Olumba Obu, the Holy Spirit Personified says "Come unto me and receive your salvation." He has come to correct the anomalous ways of man by returning man back to the lost garden, glory and the first love.

Thank You, Father.

TESTIMONIES

OUR FATHER IS GOOD

I was baptised in 1989 in Kano. Then I was working with Bayer Pharmaceutical Company, having been transferred from Lagos in 1986.

It was on a certain day in 1991 in a dream that an angel of the Lord appeared to me and asked me to hand over my car key which I did. The angel packed my belongings and locked in the store. When I asked, I was told not to ask questions, that my assignment was completed in Kano. Then, I did not understand the meaning of the dream.

But on the 15th October 1991 a certain white evangelist came to Kano on a crusade. This crusade sparked off riot which lasted three days. I lost everything I had during the riot. This incident and the lost, I discovered were a fulfillment of what I was told that my assignment was completed in Kano. I left Kano for Lafia now capital of Nasarawa State to meet my parents who were staying there.

After about six months in Lafia, Father appeared to me and directed that I should proceed to Togo. I hesitated because I did not know anybody in Togo. I did not have money. When I related the dream to my mother, she was disturbed, but I assured her that the Father had given assurance that all would be well. So, she gave me money which I used to transport myself to Abuja.

At Abuja one Yoruba man offered me accommodation without

questions. That night the Father appeared to me and warned that I should not associate with people in Togo. He said He was sending me on a special assignment.

In Togo, miracles were happening very fast. First, I never knew anyone and did not have enough money. But people were just

LEADER O. O. OBU
AN EMBODIMENT OF GOODNESS

assisting me. At times, I would dream how people showed me favour and when I woke up I was shown such favours. When I had saved some money, I started traveling to Ghana to buy things to sell in Lome. The trade was lucrative. I rented an apartment. There, the Father appeared to me and directed that I should be praying

two times daily. In one of the prayer sessions, a Lady told me that her brother's wife had been pregnant for about 12 months without delivery. So I asked that she be brought. That was in December, 1995.

When the woman came, I prayed requesting the Father to direct on what was to be done. The Father directed that the woman should sleep in my apartment where I had an altar.

That night the Father showed me how the baby was tied in the womb and advised that she should be baptized the next day. After the baptism, I prayed on her and on December 17, 1995 she delivered a baby boy.

The mark of the robe used in tying the baby was shown on the hands. The baby was named Mercy, and the woman's name is Ema Kouko. People who heard this incident began to troop to my house and gradually we began to expand.

As the number of people who needed the Father's blessings increased, my attention began to be divided between Father's work and my business. So, on April 1st, 1997 I decided to close all my businesses to concentrate on the Father's work which was what took me to Togo. The immediate problem we had was that of accommodation. But the Father came to our rescue and brought a man who allowed us to worship under a tree in his compound.

In December, 1997 I came to

Calabar and reported the situation of things to the Father who pronounced that He had given us a place of worship. We actually got a place when I returned.

Meanwhile, I must confess that from what is happening here, the Father really sent me on an important assignment and that He had not left me even for a second since I came to Togo. The ease with which miracles are performed here baffles me at times. There is a case of one Henry B. De - Souza who works in the Ministry of Agriculture in Lome. He was poisoned and in search of solution, he spent much money to no avail. On the 2nd August 1997 he was brought to the Father. He was baptized and after three days of intensive prayers, fasting and feasting, he was delivered. He walked home a normal person. Today, he is the Bethel Leader's Representative of Rue de l'arimi Bethel, in Lome.

Another person, Sister Esther Bello had spent a fortune trying to go to the U.S. but was always denied visa. When she came to the Father, the Father made a pronouncement and she was given visa. She is now in America. Occasionally, she sends us money to assist in the work. These testimonies are many. I just pray that the Father should continue to give us the wisdom to abide in His grace and serve to His glory.

Thank You Father.

HE HEALED ME OF PARALYSIS

I thank the Holy Father, Leader Olumba Olumba Obu, for manifesting Himself in me in this dispensation. I thank Him for He is all-knowing, all powerful and His powers all pervasive.

Today, having been called into the Brotherhood, I have come in contact with all that I used to read about in my Bible knowledge classes. The growth of Brotherhood of the Cross and Star is likened to a mustard seed. The spread like the growth is miraculous.

I was baptised into the fold in 1969 from my former denomination - the Methodist Church. Before I got baptized, I was a 'hit-man' in footballing in my days in the Secondary and higher schools. As a footballer, I was very much endeared to many football lovers some of whom are in Brotherhood today.

As the football Captain and a house captain at the Methodist Body's High School Oron in 1969 I led my team to play football matches against Saint Patricks College (SPC) and Hope Waddel Training Institute all in Calabar. A few months after those

matches I could not walk. I became lame and crippled. I was taken out of school and I missed my Higer School Certificate Examination. This condition led to my being taken round Akwa Ibom then mainland in search of native doctors, prayer houses and hospitals for healing but all to no avail. At that time, I did not know about the existence of Brotherhood of the Cross and Star. I did not know it had a branch in Oyubia, a predominantly Methodist enclave.

As a last resort, I was referred to the BCS at Akani Obio Oron Bethel on a Thursday. I met some Sisters observing fasting. They invited me to officiate. I asked how that could be possible as I was new to the system. They replied "In Brotherhood there is neither Jew nor Gentile, there is no old or new and that it is the Father who does everything." Reluctantly I officiated. I was directed by a Deaconess to write a prayer request and enclose my tithe to the Holy Father at 34 Ambo Street, Calabar.

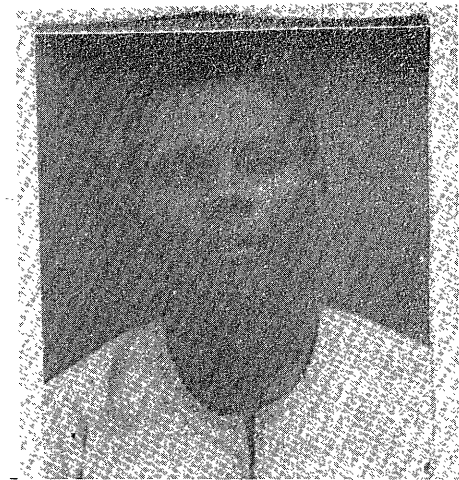

Finally, I was taken to the Healing Home at Ambo where the

Holy Father offered prayers on me. As He prayed I experienced something like cold, damp air exuding from the soles of my feet. After the Father had finished blessing us, He directed that those who were yet to be baptized should be taken for baptism at the beach. Miraculously, I was able to start walking slowly to the beach for the baptism. From then, I remained in the healing home.

No medicine was administered on me apart from the divine healing through fasting, prayers and going on ministry work.

A day I will not forget was the day I undertook a ministry work to Eight Mile's Bethel in the company of other choristers from the Healing Home. As I moved along Edgerly Road towards Chamley, I experienced acute burning sensations in my feet after which I regained the co-ordination of my limbs.

Brethren, after I had been healed of my lameness I was fully resuscitated. I am able to use my limbs again. In the BCS, the lame has walked, the blind has regained

Brother Otong E. Otong.

sight, the deaf is able to hear, the dumb has spoken and the dead have risen. I thank the Father for all that He has done for humanity in this generation.

Thank You Father.

INQUISITIVENESS - MAN'S GREATEST UNDOING

BY BROTHER CHUKS UZOELUM

In the beginning, God created the universe and the things therein. Man's existence began when God conceived the thought that there was need to have someone in His image, after His likeness to lord over His creations. It was with this in mind that man was created.

However, after creating man, God gave him conditions, upon which he should live. God created this world to be a peaceful, blissful, habitable and convenient place for man to live. But as a result of man's quest to be as wise as his Creator, the Serpent deceived him. At this time and moment INQUISITIVENESS was born. Genesis 3:4. And the Serpent said unto the woman, "ye shall not surely die for God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil". This is the genesis of man's inquisitiveness on earth, the origin of his desiring to be as wise as God.

It is true that man faltered and did eat of the forbidden fruit with the intention to be as wise as his Creator but the question is: has man become as wise as God? No, rather, than being wise, man lost the paradise on earth as well as the glorious and unflinching Love His Creator had for him.

Besides this, God placed a curse on them which till today has a total effect on the world. Genesis 3: 16-19: "Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow thou shalt bring forth Children; and thy desire shall be thy husband, and he shall rule over thee. And unto Adam he said, Because thou hast hearkened unto the voice of thy wife and have eaten of the tree, of which I commanded thee, saying, thou shalt not eat of it; CURSED is the ground for thy sake; in sorrow shalt thou eat of it all the days of thy life; Thorns also and thistles shall it bring forth to thee, and thou shalt eat the herb of the field; In the sweat of thy face shalt thou bread, till thou return unto the ground: for out of it was thou taken: for dust thou art, and unto dust shalt thou return." This therefore has been the cause of man's sufferings in the world.

MINISTRY TO ZAMBIA

* New Exco formed

INTRODUCTION:

We are very thankful to our Holy Father, Leader Olumba Olumba Obu for His love, mercy and kindness. We thank the Father for the forgiveness of all our sins. We thank Him for coming with all His angelic hosts in this last generation to lead, teach and rule man in peace and love. We thank Him for He has established the New Kingdom of God here on earth and called us all into this wonderful kingdom out of love and grace. Let thanks and praises be unto our Father in the name of our Lord Jesus Christ, Amen.

OUTWARD JOURNEY:

On 27th August 1999 the Holy Father set out on ministry to Zambia with Deaconess Leong and Brother Treasure J. Edemikoh. We departed Gatwick Airport at 10.5p.m. and stopped over at Harare International Airport for twenty minutes and finally arrived at Lusaka International Airport at 9.20 a.m. Local Time on 28 August 1999. Reverend Sister Monica Bernard Nkando received us at the Airport and we went together with her to the Chapel at the Airport and the Father prayed to bless her. The Father took us safely to the Bethel at 11.25 a.m. some brethren who were there with no idea that the Father was coming were very happy to see us and immediately the news of the Father's

CHRIST WITNESS TREASURE EDEMIKOH

arrival reached all brethren and the Father started His work.

MINISTRY IN ZAMBIA

Our mission this time was door to door ministry around the area where the Bethel is situated to make the brethren know what was happening. The Holy Father performed His miracles as usual. The Father took us around the area of Emmansdale and the Streets of Emmansdale was full of brethren wearing white, and everybody wanted to know what was happening, even

those in cars stopped and asked for the Father's tracts.

One of our brothers called the Father's attention that there was a sick person in the house nearby and we enquired whether he has ever gone there to pray for the sick person. He said no, but the Father advised him that he should not always doubt what the Holy Father can do. The Father took us to the house and we met the sick sister, whom the Father asked if she believed in our Lord Jesus Christ and she answered yes.

The Father asked if she believed that Our Lord Jesus Christ was able to heal her of her sickness at that time she answered in affirmation. The Father prayed for her, and gave her water to drink, and she was healed instantly. Thanks and glory be to our Father in the name of our Lord Jesus Christ, Amen.

As we left that house, another set of people ran after us reporting that they have a sick person in the house. The Father went with them and gave them the word of life and prayer was offered to the sick one. We saw the hands of the Father doing wonders in Zambia by healing those who were sick and setting his children free from the bondage of Satan. In our daily evangelism the Father took us to different areas of Lusaka such as Chipata, "Gardens Compound, the City Centre, Emmasdale and Maapodi village. On

DEACONESS LEONG LED THE TEAM.

4th of September 1999 the Father declared one day 6 a.m to 6 p.m. fasting for all members. All the brethren gathered in the Bethel from morning praying, singing and the Father fed us with the bread from above until the time for breaking the fast and the Father did His wonders among His children.

BAPTISM:

The Father glorified Himself and brought His children unto Himself. A total of 17 brethren were baptised into Brotherhood of the Cross and

Star. Let thanks be to our Father in the name of our Lord Jesus Christ, Amen.

BISHOP JEREMY GORING PUSHFUL EVANGELISM

On Tuesday, the 31st of August 1999 an emergency General Meeting was held. During the meeting the Father conducted election to fill some vacant posts. The former Secretary had moved from Zambia to Botswana and the former Chairman is the brother Father uses in conducting services. The Father elected Brother Timmy Thandents Patifi as the Chairman, Brother Rechard Chisaka as the Secretary and Brother Musonda Mutemba as the Financial Secretary.

REGISTRATION OF BROTHERHOOD OF THE CROSS AND STAR IN ZAMBIA:

On 1st September 1999 all members of the Bethel executive went to Emmansdale Police Station to submit the Registration form to the Inspector for approval and signature. As soon as we entered the Office, within few minutes the Inspector of Police signed the form and we took the form to the Central police for signature of the Commanding Officer. As the Father would like it he was not in the office but we were told to come back the next day. The form was signed on the 6th September 1999. All the executive members went before the Assistant Registrar to sign the form and after that we were directed to go to the office of the Registrar to pay and submit the form. And the sum of two hundred and fifty five thousand Kwacha (K255000) was paid as a fee for the registration. An additional ninety five thousand kwacha (K95000) was spent to make National Registration Cards for those who did not have it. This card was one of the requirements demanded from the members of the executive who were to sign the registration form. The total amount spent on the registration was equivalent to ninety-three

pounds (#93). On 27th of September after the Father has brought us back to the United Kingdom, we were made to know on telephone by Mr. Penias Ngoma who works in the Registrar's Office that the Father has registered Brotherhood in Zambia. Let thanks be to our Father in the name of our Lord Jesus Christ, Amen.

POST OFFICE BOX

To be able to have our mail received by the brethren in Zambia there was need to open a Post Office Box. The Father has opened a Post Box for Himself in Lusaka. The number of our Box is P. O. Box 5A 117, Lusaka, Zambia. The cost to rent the Box is one hundred and twelve thousand Kwacha (K12000) and equivalent of thirty pounds (#30).

WHEN WILL THIS GENERATION END?

By Pastor Umoh James Umoh

- * December 31, 1999? or
- * December 31, 2000?
- * What should we expect before the end of this generation?

These questions posed above are very crucial because their answers are relevant to the future of mankind.

What should the world expect before the end of this generation? This question is also very fundamental because the answer to it will determine the fate of man and the world. Twenty years ago, the Sole Spiritual Head of the Brotherhood of the Cross and Star, Leader Olumba Olumba Obu had declared categorically that "AFTER 1999, SOMETHING SPECTACULAR WILL HAPPEN IN THE WORLD". By this declaration from the Divine authority, Leader O. O. Obu, we should expect very dramatic events in the year 2000 and beyond. Before His Ascension to heaven about 2000 years ago, our Lord Jesus Christ had predicted that dramatic events will happen in the world before the end of this generation. Below are the predictions of our Lord Jesus Christ:

1 MATTHEW 24 VERSES 21-22

- 21 - "For then shall be great tribulation such as was not since the beginning of the world to this time, no, nor shall ever be.
- 22 - "And except those days be shortened, there should no flesh be saved, but for the Elect's sake, those days shall be shortened."

2 LUKE 11 VERSE 51

establishment of the Kingdom of God as prophesied by Prophet Daniel.

DANIEL 2 VERSE 44

"And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever."

As you have just read, this generation which will answer for all the crimes committed since creation (Luke 11 Verse 51) will also witness the establishment of the Kingdom of God. (Daniel 2. verse 44). The implication is that while some people will perish, some other people will survive. Our Lord Jesus Christ gave this assurance in Matthew 24 verses 21 - 22

22. "Except those days be shortened, there should no flesh be

saved, but for the Elect's sake, those days shall be shortened".

The days of great tribulation shall be shortened so that the Elect of God will survive. Three questions have come out of this promise.

- 1) Who are the Elect of God who will survive the days of great tribulations?
- 2) Who is the Divine Authority who will shorten those days for the sake of the Elect?
- 3) Do you know whether the Divine Authority to shorten the days of tribulations in order to save the Elect of God is already physically present on earth to perform His divine functions? Our Lord Jesus Christ was very categorical that His predictions will be fulfilled before the end of this generation.

- 2. No human being will survive this tribulation except the days are shortened for the sake of the elect.
- 3. This generation is to answer for the blood of all the prophets killed since the creation of the world.

From what you have read so far, the conclusion we can draw are as follows:-

- (1) This generation will end on December 31, 2000.
- (2) Before the end of the year 2000 SOMETHING SPECTACULAR WILL HAPPEN
- (3) Before the end of the year 2000, all the predictions of our Lord Jesus Christ will be fulfilled.

We should expect dramatic events in the year 2000. For us in Brotherhood, our major responsibility now is to spread the teachings of Leader Olumba Olumba Obu to all the nooks and corners of the world.

Refer to Matthew 24 Verse 14: "And this gospel of the kingdom shall be preached in all the world for a witness unto all nations and then shall the end come".

THE MILLENNIAL WOMAN

Through time, the woman has passed through series of evolution; she has tried to retain the essence of her creation. And she has so far excelled greatly, though not without some impediments, both from herself and the male gender. The woman has tried to prove that she was made to be a mother, a source of protection and care for everyone around her.

Like the man, the woman was granted the right to live - the right to speak, the right to think and act, the right to worship, except may be the right of independence because it was decreed that her desire shall be to her husband - Genesis 3:16

But as Lin Yutang rightly said, "of all the rights of women, the greatest is to be a mother."

Motherhood in this case does not only begin and end at bearing children; it includes primarily

protecting, caring and loving. In other to achieve these, the millennial woman must learn to be a mother, and a mother is always tolerating.

In all situations, good or bad, a mother tolerates. She does not flair - up in the face of any provocation but takes her time to think out what best she should do in such situations; this class of woman thinks and acts intelligibly. Her words are representation of her wise thoughts; calculative and reasonable. Her dealings with people reveal the substance in her.

A woman should be honest, that any who has an encounter with her may be forced to live in the charisma of her honesty. In her subtle nature, a woman is very loving, very pleasing, very nice. she does not give any one the cause to be annoyed. Indeed, she tries to create an atmosphere for love to thrive. she does not nag, neither

curse nor hurt.

A real woman has no potential to hate or think evil; she was made with the "juice of life", to soothe the aching mind. A real woman is

Recall how Abraham heeded Sarah's words and sent away Hagar with Ishmael, his only son, then. Of course this was not without his considerations of Sarah's loving and respectful attitude. Sarah acknowledged Abraham as her Lord and she, in turn, was his mother. No real woman speaks carelessly, none is flippant. All her words are "edifying to the ear."

A woman as a mother is a good homemaker; she gathers, never scatters. She is never deterred by any insinuation but encourages herself to succeed. But in her effort to succeed, she is not violent because she is a subtle being.

The only problem which a woman has to overcome is the man. Joseph Conrad, in sympathy with the woman says, "to be a woman is a

INTRODUCTION:

We are very thankful to our Holy Father, Leader Olumba Olumba Obu for His love, mercy and kindness. We thank the Father for the forgiveness of all our sins. We thank Him for coming with all His angelic hosts in this last generation to lead, teach and rule man in peace and love. We thank Him for He has established the New Kingdom of God here on earth and called us all into this wonderful kingdom out of love and grace. Let thanks and praises be unto our Father in the name of our Lord Jesus Christ, Amen.

OUTWARD JOURNEY:

On 27th August 1999 the Holy Father set out on ministry to Zambia with Deaconess Leong and Brother Treasure J. Edemikoh. We departed Gatwick Airport at 10.5p.m. and stopped over at Harare International Airport for twenty minutes and finally arrived at Lusaka International Airport at 9.20 a.m. Local Time on 28 August 1999. Reverend Sister Monica Bernard Nkando received us at the Airport and we went together with her to the Chapel at the Airport and the Father prayed to bless her. The Father took us safely to the Bethel at 11.25 a.m. some brethren who were there with no idea that the Father was coming were very happy to see us and immediately the news of the Father's

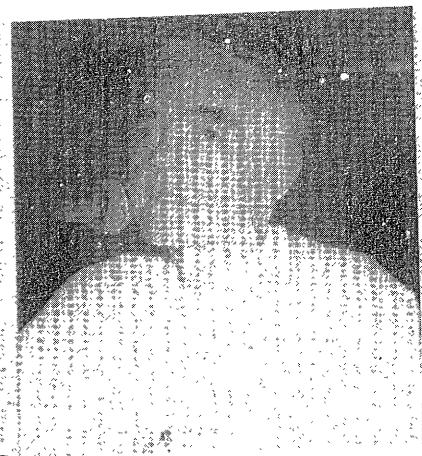

those in cars stopped and asked for the Father's tracts.

One of our brothers called the Father's attention that there was a sick person in the house nearby and we enquired whether he has ever gone there to pray for the sick person. He said no, but the Father advised him that he should not always doubt what the Holy Father can do. The Father took us to the house and we met the sick sister, whom the Father asked if she believed in our Lord Jesus Christ and she answered yes.

The Father asked if she believed that Our Lord Jesus Christ was able to heal her of her sickness at that time she answered, in affirmation. The Father prayed for her, and gave her water to drink, and she was healed instantly. Thanks and glory be to our Father in the name of our Lord Jesus Christ, Amen.

As we left that house, another set of people ran after us reporting that they have a sick person in the house. The Father went with them and gave them the word of life and prayer was offered to the sick one. We saw the hands of the Father doing wonders in Zambia by healing those who were sick and setting his children free from the bondage of Satan. In our daily evangelism the Father took us to different areas of Lusaka such as Chipata, "Gardens Compound, the City Centre, Emmasdale and Maapodi village. On

PUSHFUL EVANGELISM**

On Tuesday, the 31st of August 1999 an emergency General Meeting was held. During the meeting the Father conducted election to fill some vacant posts. The former Secretary had moved from Zambia to Botswana and the former Chairman is the brother Father uses in conducting services. The Father elected Brother Timmy Thandents Patifi as the Chairman, Brother Rechard Chisaka as the Secretary and Brother Musonda Mutemba as the Financial Secretary.

REGISTRATION OF BROTHERHOOD OF THE CROSS AND STAR IN ZAMBIA:

On 1st September 1999 all members of the Bethel executive went to Emmasdale Police Station to submit the Registration form to the Inspector for approval and signature. As soon as we entered the Office, within few minutes the Inspector of Police signed the form and we took the form to the Central police for signature of the Commanding Officer. As the Father would like it he was not in the office but we were told to come back the next day. The form was signed on the 6th September 1999. All the executive members went before the Assistant Registrar to sign the form and after that we were directed to go to the office of the Registrar to pay and submit the form. And the sum of two hundred and fifty five thousand Kwacha (K255000) was paid as a fee for the registration. An additional ninety five thousand kwacha (K95000) was spent to make National Registration Cards for those who did not have it. This card was one of the requirements demanded from the members of the executive who were to sign the registration form. The total amount spent on the registration was equivalent to ninety-three

pounds (#93). On 27th of September after the Father has brought us back to the United Kingdom, we were made to know on telephone by Mr. Penias Ngoma who works in the Registrar's Office that the Father has registered Brotherhood in Zambia. Let thanks be to our Father in the name of our Lord Jesus Christ, Amen.

POST OFFICE BOX

To be able to have our mail received by the brethren in Zambia there was need to open a Post Office Box. The Father has opened a Post Box for Himself in Lusaka. The number of our Box is P. O. WHEN WILL THIS GENERATION END?

By Pastor Umoh James Umoh

- * December 31, 1999? or
- * December 31, 2000?
- * What should we expect before the end of this generation?

These questions posed above are very crucial because their answers are relevant to the future of mankind.

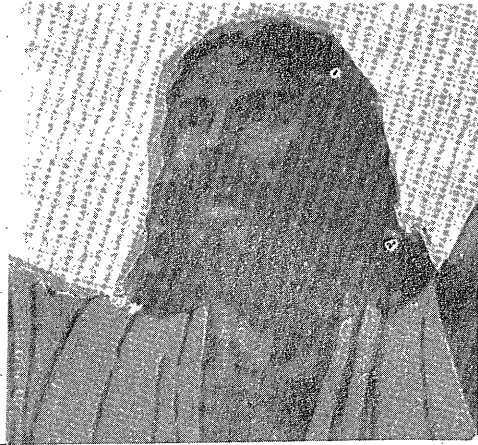

What should the world expect before the end of this generation? This question is also very fundamental because the answer to it will determine the fate of man and the world. Twenty years ago, the Sole Spiritual Head of the Brotherhood of the Cross and Star, Leader Olumba Olumba Obu had declared categorically that "AFTER 1999, SOMETHING SPECTACULAR WILL HAPPEN IN THE WORLD". By this declaration from the Divine authority, Leader O. O. Obu, we should expect very dramatic events in the year 2000 and beyond. Before His Ascension to heaven about 2000 years ago, our Lord Jesus Christ had predicted that dramatic events will happen in the world before the end of this generation. Below are the predictions of our Lord Jesus Christ:

1 MATTHEW 24 VERSES 21-22

- 21 - "For then shall be great tribulation such as was not since the beginning of the world to this time, no, nor shall ever be.
22 - "And except those days be shortened, there should no flesh be saved, but for the Elect's sake, those days shall be shortened."

ANNIVERSARY

CELEBRATION OF GOD'S ADVENT ON EARTH

HIS HOLINESS OLUMBA OLUMBA OBU AND HER HOLINESS I. O. OBU
DURING THE CELEBRATION

BY ENOBONG EMAH WITH MATTS
I. UDOAKA.

About eighty one years ago, a male child was born; in fulfillment of the prophecy of John the Divine as recorded in Revelation 12 : 5. This male child is Leader Olumba Olumba Obu, the promised Comforter long expected, the Holy Spirit personified.

Though the Spirit cannot be said to have either beginning or an end, believers have accepted the historical period, 1918 when the Holy Spirit manifested in flesh and blood.

Thus, the celebration was merely an appreciation of His earthly advent. The celebration of the birth of the King of glory has always been observed with pomp and pageantry. The 1999 celebration was more unique than the previous ones.

December 30, 1999 happened to be a Thursday; a day known and observed in BCS as the

day our Lord Jesus Christ was crucified on the Cross. A day the Lord atoned for the sins of mankind. For 1999, the end of an era, it became automatically the day the personified Holy Spirit perfected the atonement and so, ushered His children, the world over into a glorious new era - the era of the Holy Spirit.

In Calabar, the celebration proper took place in the evening, through the night, with Deaconess B. M. A. Oworen as the chairperson. The occasion was staged at the open space of the 34 Ambo Street, World Administrative Headquarters, Calabar. Members of the Holy Family - the King of kings, His Holiness Olumba Olumba Obu, the Holy Queen Mother, Her Holiness Ibum Olumba Obu, Her Majesty, Queen Esther Olumba Obu, the Princesses, Aja and Ugo Olumba Obu were present.

The choral groups which featured during the occasion were, Abasi Obori, 34 Ambo 8, 26 Mbukpa Choir, 34 Ambo Choir 8 Male voices and Missionary - Crusade Choir.

The 144,000 Virgins Choir which ushered in the Holy Family sang melodiously before the heavenly birthday cake was unveiled.

To add colour to the occasion, a well prepared Efik ballad was presented, in honour of the Supreme Holy Father by Brother Nsidibe Olumba. The audience was held spell bound when the New kingdom Theatre from Rivers staged a captivating drama, while the 144,000 Virgins Solo singer, Brother Goddy I thrilled the crowd of brethren as he presented his reggae - tuned heavenly melodies.

The occasion got to its crescendo when the birthday cake, having been unveiled by Princesses Aja and Ugo Obu, was jointly cut by Her Holiness Ibum O. Obu and Her Majesty Queen Esther Obu, amidst great jubilation.

Highlight of the celebration was the presentation of various trophies and medals to footballers and wining teams that played in Ghana during the Father's State visit, tagged Ghana '99. The Nigerian team which won the match took the most valued trophy while the Ghana team took the runners' - up trophy. Highly rated organizers and performers during the visit were also honoured.

Prominent among them include Pastor Mike Ntuk, the Chairman, Christ's Natural Chorister's Fellowship (CNCF), Brother Jonathan Ago of Rivers State, Brothers O. E. Otong, Ekeng Henshaw, Edwin Okon and 144,000 Virgin Effiong Ewa, among others.

At Asaba Zone in Delta State, the Father's Birthday cake

LEADER O. O. OBU
LORD OF THE NEW AGE

provided by the Zonal Women was jointly cut by Elder Edward Obi (Zonal L/R) and Deac. Adeleke. Earlier in the day, the Holy Father, in His sermon had intimated the congregation that the much talked about Iron Rod Ruler is now on earth, and should no longer be doubted. He revealed that He has come to rule the Universe and all the creation therein, unchallenged. The Holy Father further advised that the year 2000 marks the era of the Holy Spirit, when all forms of sinfulness shall no longer be tolerated.

It is the era of righteousness; a period of total liberation, vindication and salvation for God's children.

Thank You Father.

FATHER'S DECREES AND EVENTS '99

Contd. from P.2

popular German tele - evangelist in a religious crusade in Benin City had to bury sixteen corpse instead of saving their souls. In St. James Anglican Cathedral, on Akpakpava Road Benin, there was free for all fight, leading to the desecration of the house of God by irritant militant youths. That was on April 12, 1999.

The biggest of them came in July, 1999, when Sat Guru Maharaji, the self styled "Living Perfect Master" was apprehended by the police over the alleged murder of one Aferi Nobert, a Ghanaian. Nobert was

allegedly beaten to death at Gu Maharaji's Headquarters "One lov. Family" in Iju.

About sixteen churches were destroyed in Ilorin by Muslim Youths. That was 1999. In all these, the children of God in Brotherhood were being protected and ushered into the new millennium by the power of the Holy Spirit. What seems to surprise everybody is the surprise that year 2000 holds for the Jesus people. Is Jesus coming or is he with us? For them, the wait continues. But for us, He is here. Three hearty cheers.

Thank You Father.

VOICE OF THE PROPHET

Our universe is a complex web of mysteries. It is only the creator of the universe that has unlimited capacity to decode these mysteries.

However, when ignorant humans become stupefied at divine occurrences, the Almighty God would through His prophets demystify them and grant man the grace to forge ahead even in the midst of the unknown.

This accounts for why in Hosea 4 : 6 the good Lord states "My people are destroyed for lack of knowledge..."

In Proverbs 29 : 18, it is stated "Where there is no vision, the people perish, but he that keepeth the law, happy is he."

This forms the basis which makes prophets and prophecy essential balms in the life of man on earth

Noah, though not a prophet, by reckoning was an instrument in God's hands. As God's messenger, he announced the message of God's intention to destroy the world through deluge.

When God's time to release the Israelites from slavery in Egypt was up,

Moses the prophet was used to confront Pharaoh. Prophet Daniel spoke about the establishment of the Kingdom of God on earth. Isaiah, Micah and others prophesied about the coming of Our Lord Jesus Christ. John the Baptist came with the same message.

Our Lord Jesus Christ informed and promised the world of the coming of the Holy Spirit of Truth while on earth. When he dematerialised, He spoke through John the Divine in the book of Revelation.

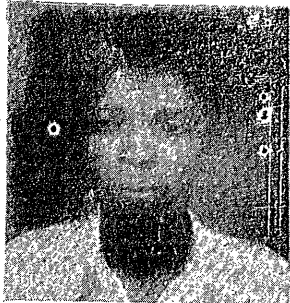

Enung Nkpa and Otom Eggam in the book "I am that I am" about five hundred years ago, confirmed the truth about the manifestation of the man child on earth, the man child is Leader O. O. Obu.

In this era, some prophets, do exist. Most of them, are in this New Kingdom.

It was one of them that revealed the eventual death of M. K. O. Abiola. Another revealed the collapse of the Abacha administration. All these were published. By the special grace of the Father, this column will bring God's revelations as it affects mankind from time to time.

THE SIGN OF THE SON OF MAN

VICTOR ELIAS

By the night of Monday, November 11, 1999, in a dream I found myself in the premises of 34 Ambo Street, Calabar. I, and other people had gathered in a pavilion, busy over Brotherhood of the Cross and Star affairs.

After a while, at the place we were gathering, it appeared as if a very important church leader who looked like a white man, in the company of other white men, was on a visit to the place.

The Leader was addressing the great multitude of people. I was baffled over the way that Leader was speaking. Calm and calculated, I started to consider the nature of the person he was. I then knew that he was the Holy One. He recalled that people did not recognize Him in the world, irrespective of His Divine preaching and Leadership.

In His calm disposition, he was talking as if he was reading from a book, resolutions that must have

been reached over His experiences in the world as concerned people's behaviour and made few comments about people's fate.

He was speaking very gently but His words were heard everywhere even above the sky. He finally said that He would not mind what would befall people as a proof of their recalcitrance over the years.

As He was speaking, we saw the sky changed and marvelous events took place. We saw the Lord Jesus Christ, His trial and torture; we saw the people who beat Him, we saw when Jesus was tired and how sweat ran down His face through His beards. Many other events were shown.

The Holy Father continued to reveal many things about Himself and after the event about Jesus Christ, we saw some places like heavenly environs; there were flowers and decorations that proved them extra-ordinary.

After the flowers and decorations scene, marvelous light and lightening were seen in the sky. I quite remember seeing different colours of precious metals used for the lighting. The light impacted on the earth.

May the Father use this revelation to change the world to His glory.

Thank You Father.

DURING THE CELEBRATION

BY ENOBONG EMAH WITH MATTS
I. UDOAKA.

About eighty one years ago, a male child was born; in fulfillment of the prophecy of John the Divine as recorded in Revelation 12 : 5. This male child is Leader Olumba Olumba Obu, the promised Comforter long expected, the Holy Spirit personified.

Though the Spirit cannot be said to have either beginning or an end, believers have accepted the historical period, 1918 when the Holy Spirit manifested in flesh and blood.

Thus, the celebration was merely an appreciation of His earthly advent. The celebration of the birth of the King of glory has always been observed with pomp and pageantry. The 1999 celebration was more unique than the previous ones.

December 30, 1999 happened to be a Thursday; a day known and observed in BCS as the

day our Lord Jesus Christ was crucified on the Cross. A day the Lord atoned for the sins of mankind. For 1999, the end of an era, it became automatically the day the personified Holy Spirit perfected the atonement and so, ushered His children, the world over into a glorious new era - the era of the Holy Spirit.

In Calabar, the celebration proper took place in the evening, through the night, with Deaconess B. M. A. Oworen as the chairperson. The occasion was staged at the open space of the 34 Ambo Street, World Administrative Headquarters, Calabar. Members of the Holy Family - the King of kings, His Holiness Olumba Olumba Obu, the Holy Queen Mother, Her Holiness Ibun Olumba Obu, Her Majesty, Queen Esther Olumba Obu, the Princesses, Aja and Ugo Olumba Obu were present.

The choral groups which featured during the occasion were, Abasi Obori, 34 Ambo 8, 26 Mbukpa Choir, 34 Ambo Choir 8 Male voices and Missionary - Crusade Choir.

The 144,000 Virgins Choir which ushered in the Holy Family sang melodiously before the heavenly birthday cake was unveiled.

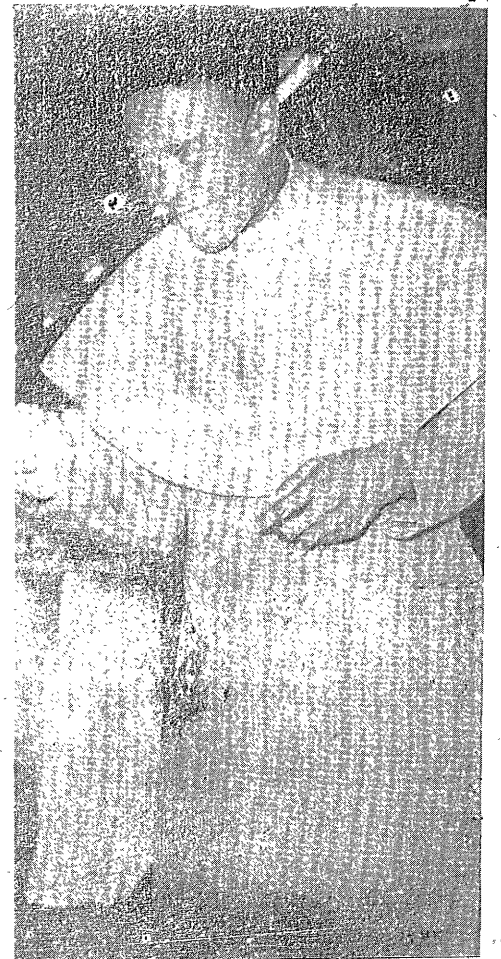

To add colour to the occasion, a well prepared Efik ballad was presented, in honour of the Supreme Holy Father by Brother Nsidibe Olumba. The audience was held spell bound when the New Kingdom Theatre from Rivers staged a captivating drama, while the 144,000 Virgins Solo singer, Brother Goddy I thrilled the crowd of brethren as he presented his reggae - tuned heavenly melodies.

The occasion got to its crescendo when the birthday cake, having been unveiled by Princesses Aja and Ugo Obu, was jointly cut by Her Holiness Ibun O. Obu and Her Majesty Queen Esther Obu, amidst great jubilation.

Highlight of the celebration was the presentation of various trophies and medals to footballers and wining teams that played in Ghana during the Father's State visit, tagged Ghana '99. The Nigerian team which won the match took the most valued trophy while the Ghana team took the runners' - up trophy. Highly rated organizers and performers during the visit were also honoured.

Prominent among them include Pastor Mike Ntuk, the Chairman, Christ's Natural Chorister's Fellowship (CNCF), Brother Jonathan Ago of Rivers State, Brothers O. E. Otong, Ekeng Henshaw, Edwin Okon and 144,000 Virgin Effiong Ewa, among others.

At Asaba Zone in Delta State, the Father's Birthday cake

LEADER O. O. OBU
LORD OF THE NEW AGE

provided by the Zonal Women was jointly cut by Elder Edward Obi (Zonal L/R) and Deac. Adeleke. Earlier in the day, the Holy Father, in His sermon had intimated the congregation that the much talked about Iron Rod Ruler is now on earth, and should no longer be doubted. He revealed that He has come to rule the Universe and all the creation therein, unchallenged. The Holy Father further advised that the year 2000 marks the era of the Holy Spirit, when all forms of sinfulness shall no longer be tolerated.

It is the era of righteousness; a period of total liberation, vindication and salvation for God's children.

Thank You Father.

FATHER'S DECREES AND EVENTS '99

Contd. from P.2

popular German tele - evangelist in a religious crusade in Benin City had to bury sixteen corpse instead of saving their souls. In St. James Anglican Cathedral, on Akpakpava Road Benin, there was free for all fight, leading to the desecration of the house of God by irritant militant youths. That was on April 12, 1999.

The biggest of them came in July, 1999, when Sat Guru Maharaji, the self styled "Living Perfect Master" was apprehended by the police over the alleged murder of one Aferi Noberi, a Ghanaian. Noberi was

allegedly beaten to death at G. Maharaji's Headquarters "One lov. Family" in Iju.

About sixteen churches were destroyed in Ilorin by Muslim Youths. That was 1999. In all these, the children of God in Brotherhood were being protected and ushered into the new millennium by the power of the Holy Spirit. What seems to surprise everybody is the surprise that year 2000 holds for the Jesus people. Is Jesus coming or is he with us? For them, the wait continues. But for us, He is here. Three hearty cheers.

Thank You Father.

VOICE OF THE PROPHET

Our universe is a complex web of mysteries. It is only the creator of the universe that has unlimited capacity to decode these mysteries.

However, when ignorant humans become stupefied at divine occurrences, the Almighty God would through His prophets demystify them and grant man the grace to forge ahead even in the midst of the unknown.

This accounts for why in Hosea 4 : 6 the good Lord states "My people are destroyed for lack of knowledge..."

In Proverbs 29 : 18, it is stated "Where there is no vision, the people perish, but he that keepeth the law, happy is he."

This forms the basis which makes prophets and prophecy essential balms in the life of man on earth

Noah, though not a prophet, by reckoning was an instrument in God's hands. As God's messenger, he announced the message of God's intention to destroy the world through deluge.

When God's time to release the Israelites from slavery in Egypt was up,

Moses the prophet was used to confront Pharaoh. Prophet Daniel spoke about the establishment of the Kingdom of God on earth. Isaiah, Micah and others prophesied about the coming of Our Lord Jesus Christ. John the Baptist came with the same message.

Our Lord Jesus Christ informed and promised the world of the coming of the Holy Spirit of Truth while on earth. When he dematerialised, He spoke through John the Divine in the book of Revelation.

Enung Nkpa and Otom Eggam in the book "I am that I am" about five hundred years ago, confirmed the truth about the manifestation of the man child on earth, the man child is Leader O. O. Obu.

In this era, some prophets, do exist. Most of them, are in this New Kingdom.

It was one of them that revealed the eventual death of M. K. O. Abiola. Another revealed the collapse of the Abacha administration. All these were published. By the special grace of the Father, this column will bring God's revelations as it affects mankind from time to time.

THE SIGN OF THE SON OF MAN

VICTOR ELIAS

By the night of Monday, November 11, 1999, in a dream I found myself in the premises of 34 Ambo Street, Calabar. I, and other people had gathered in a pavilion, busy over Brotherhood of the Cross and Star affairs.

After a while, at the place we were gathering, it appeared as if a very important church leader who looked like a white man, in the company of other white men, was on a visit to the place.

The Leader was addressing the great multitude of people. I was baffled over the way that Leader was speaking. Calm and calculated, I started to consider the nature of the person he was. I then knew that he was the Holy Father. He recalled that people did not recognize Him in the world, irrespective of His Divine preaching and Leadership.

In His calm disposition, he was talking as if he was reading from a book, resolutions that must have

been reached over His experiences in the world as concerned people's behaviour and made few comments about people's fate.

He was speaking very gently but His words were heard everywhere even above the sky. He finally said that He would not mind what would befall people as a proof of their recalcitrance over the years.

As He was speaking, we saw the sky changed and marvelous events took place. We saw the Lord Jesus Christ, His trial and torture; we saw the people who beat Him, we saw when Jesus was tired and how sweat ran down His face through His beards. Many other events were shown.

The Holy Father continued to reveal many things about Himself and after the event about Jesus Christ, we saw some places like heavenly environs; there were flowers and decorations that proved them extra-ordinary.

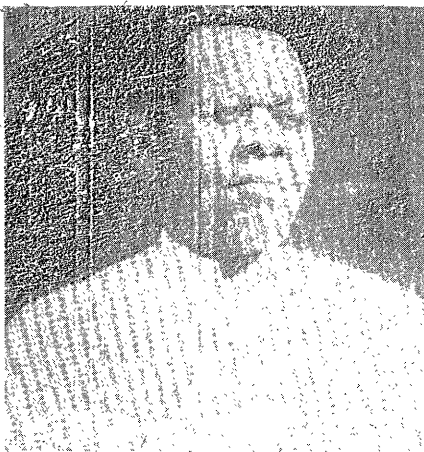

After the flowers and decorations scene, marvelous light and lightening were seen in the sky. I quite remember seeing different colours of precious metals used for the lighting. The light impacted on the earth.

May the Father use this revelation to change the world to His glory.

Thank You Father.

DIVINE TIME - TABLE FOR YEAR - 2000

BY APOSTLE EYIBIO I. AKPAN

It is revealed that God will change the world in three stages. The first stage starts from January 2000 - April 2000.

Within this time-frame, humanity is advised to forget about MATERIALISM, BEARING FALSE WITNESS and being

JUDGEMENTAL

It is now time for LOVE, and MERCY to reign supreme. Everybody should strive for PERFECTION in all his/her undertakings.

It is very dangerous for people to believe that the Holy Father, Leader O. O. Obu is not ruling. The Father's reign is on course and He will take over fully by YEAR 2001.

Abortion and family planning should be stopped. These practices are revealed as satanic. Self control with the power of the Holy Spirit is agreed upon. Whoever indulges in these acts should have himself or herself to blame.

Brethren are advised to be in peace with everybody.

Year 2000 is a year of abundant wealth to all true children of God. Present your cup and the good Lord will fill it.

BIBLE CLASS

SUPERNATURAL TEACHINGS

However Elijah came as John the Baptist and the people did not recognise Him. John came to pave the way for Our Lord Jesus Christ, who was given birth to, by a woman. Now, if He did not crash-land in that advent, how can the Holy Spirit crash-land in this era?

You have to know that there is reincarnation. All those who do not believe in it do not believe in the power and existence of the Holy Spirit. See Malachi Chapter 4:1-6. *"For, behold, the day cometh, that shall burn as in oven; and all the proud, yea, and all that do wickedly, shall be burnt, saith the Lord of hosts, that it shall leave them neither root nor branch. But unto you that fear my name the sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up, as calves of the stall. And ye shall tread down the wicked, for they shall be ashes under the soles of your feet in the day that I shall do this, saith the Lord of hosts. Remember ye the law of Moses my servant which I commanded unto him in Horeb for all Israel, with the statutes and judgments. Behold I will send ye Elijah, the Prophet before the coming of the great and dreadful day of the Lord, and he shall turn the heart of the Father to the children, and the heart of the children to their Fathers, lest I come and smite the earth with a curse."*

See also Luke chapter 1 vs. 10-20:

"And there appeared unto him an angel of the Lord standing on the right side of the altar of incense. And when Zachariah saw him, he was troubled and fear-fell upon him. Fear not, Zachariah; for thy prayer is heard; and thy wife Elizabeth shall bear thee a son and thou shalt call his name John. And thou shalt have joy and gladness, and many shall rejoice at his birth. For he shall be great in the sight of the Lord and shall drink neither wine nor strong drink; and he shall be filled with the Holy Ghost, even from his mother's womb. And many of the children of Israel shall he turn to the Lord their God. And he shall go before him in the Spirit and power of Elijah, to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the lord. And Zechariah said unto the angel, Whereby shall I know this? For I am an old man, and my wife well stricken in years. And the angel answering said unto him, I am Gabriel, that stand in the presence of God; and am sent to speak unto thee to show thee these glad tidings. And, behold, thou shalt be dumb, and not be able to speak, until the day that these things shall be performed, because thou believest

THE HOLY SPIRIT, YEAR 2000,
THE CHURCHES AND YOU

not my words, which shall be fulfilled in their season."

Many of you do not even know how to make references to the Bible. You have to learn quickly because you have much to do in the Bible. Your problem is unbelief, faithlessness, and ingratitude. The Holy Spirit is doing all things for you. He is fighting Spiritual wars to keep you alive and healthy.

YOU ARE NOT ALONE

The worldly people say that He has forsaken us. If Our Lord Jesus Christ forsakes us, would any person survive in the entire Universe? The evil one would not have spared any one on earth. Christ lives and reigns forever, if you keep His words you will live forever. See John chapter 14:15-18.

THE HOLY FATHER, LEADER O. O. OBU
REVEALING DIVINE MYSTERIES

"If ye love me, keep my commandments. And I will pray the father, and He shall give you another Comforter that he may abide with you forever; even the spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him but ye know him, for he dwelleth with you, and shall be in you. I will not leave you comfortless I will come to you."

If Christ had forsaken us, no person would have lived. I am ignorant in all things but the Father is all wisdom, knowledge and power. See 2nd Corinthians chapter 8:9.

"For ye know the grace of our lord Jesus Christ, that though he was rich, yet for your sakes he became poor that ye through His poverty might be rich."

THE COMFORTER IS HERE:

You can see that His promise was not on money but the Spirit which does all good things. He promised to give this power which you now behold, Peter, who you now behold was a fisherman yet, he endowed with power. There is nothing this spirit cannot do.

THE MATHEMATICS OF CHRIST'S
DEATH AND RESURRECTION:

Now people say that Christ had died yet they have not seen Him return. It was when He was nailed on the cross that He descended into Hades to overcome all that is there. Then when He was brought down and into the tomb was when He ascended to heaven. The Father is very wise. I am teaching you these things so that you can speak authoritatively when you go out.

HE IS SUFFICIENT TO YOU

Recall when the thief pleaded with Christ to remember him when He would come to take His dominion, Christ told him that, that very day he would be with Him in paradise. So you can see that the word of God is power. Do not lament any longer

Have you seen the game played there? For the very time He was crucified was the time He descended to us. So, those who say that Jesus has died and gone do not know that He is here with us.

THE POWERS OF THE TWELVE
DISCIPLES:

The Twelve disciples stand for love, faith, hope, life, power, patience, humility, understanding, orderliness, wisdom, will and imagination. What is killing you is lack of faith. For God had revealed Himself to you in all aspects.

Brotherhood of the Cross and Star is the centre of power. The Father, Son and the Holy Spirit is here, the entire human race is Brotherhood. All creations of God are Brotherhood. So do not discriminate or cause division for He has come to instill oneness. See Matthew 28:18-20

"And Jesus came and spake unto them, saying all power is given unto me in heaven and in earth. Go ye there, and teach all nations, baptising them in the name of the Father, and of the Son and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you and lo I am with you always, even unto the end of the world, Amen."

THE GREATEST WORK:

There is nothing greater than the word of God. If you obey the word of God, practise and as well preach same, you are doing the greatest job. Once you have been baptised into Brotherhood of the Cross and Star, you are separated from the world. You become a useful tool for Christ and have to listen and abide by the instructions of the Holy Spirit. For once you are baptised, you are given the Holy Spirit which subdues the evil spirit in man. From that moment, you are expected to start the work of God.

There is no sickness you cannot heal. There is no problem that you cannot solve if you are endowed with the Holy Spirit. The Holy Spirit is everything and in all things.

The worldly people and their churches say that the power in Brotherhood of the Cross and Star is not from God. They even fast and pray calling on Jesus to come and destroy the Satan in Brotherhood of the Cross and Star which is taking away all their people? Where does the power come from? See Matthew 28:18.

"And Jesus came and spake unto them, saying. All power is given unto me in heaven and in earth."

Now, we are to practise the word and not hearing it only. Let my peace and blessings rest and abide with the entire world, now and forever more, Amen.

Thank You Father.

because He is here to do all things for you. In your prayers always give thanks for all that He has done for you. When you go about begging, are you still the child of Obu? Does the Father encourage begging?

You go about seeking for visioners who dupe and cheat you.

All these you do because of your lack of faith in the Father. Do not go to any person for the Holy Spirit is the only one doing this work. See Philippians chapter 4:8-11

"Finally, brethren, whatsoever things are true; whatsoever things are honest; whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report, if there be any virtues, and if there be any praise, think of these things. Those things which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you. But I rejoiced in the Lord greatly, that now at the last your care of me hath flourished again; but ye lacked opportunity, not that I speak in respect of want: for I have learned in whatsoever state I am, therewith to be content."

ZONE ONE SINGING/GRADING RESULTS OUT

BY ENOBONG EMAH

Results of the December 1999 Singing/Grading Exercise for Zone One (Cross River State) are out. From the report, it is known that only 124 choirs contested, as against the 163 choirs that contested during the August Exercise. The report states, that "the standard of performance remains high," except the Tenor sound which was said to have been "muddled up with either classical or non Brotherhood flairs," which left the melody of such songs unnatural. Out of the 124 choirs that contested, only 3 featured in the Premier Division. The choirs were, in their order of positioning, Youth Fellowship Choir Calabar (1st) with 75.83 points, Youth Fellowship Choir Uyo which came 2nd with 75.66 points and 26

Mbukpa Choir bagged the third position with 75.00 points.

In the Upper Division of twelve choirs contested and the first position went to Eket Township Choir with 76.16 points, Pentecostal Centre Ikot Ekpena came second with 74.00 points and 72.82 points were recorded for Abasi Obori Bethel Choir.

For Division 1 (English), 5A St. Mary's Bethel Choir with 78.12 points tops, Nyok Esu Bethel Choir emerged second with a total point of 74.25 and Ikot Effanga Junction Bethel Choir was third with 73.49 points. Ten choirs contested in the category.

Division 1 (Vernacular) Category, had thirteen choirs contesting. In this group, no choir won the first position, possibly because none of the choirs had the points expected for the first

position. However, 34 Ambo Choir Eleven won the second position with 77.00 points and 34 Ambo Choir Five bagged the third position.

The two choirs which contested in Division Two (English) took the first and second positions respectively. They were, Atamuno Bethel Choir (1st) with 67.87 points and Eyo Abasi Bethel

PASTOR MIKE NTUK
CHAIRMAN, CNCF

Choir with 62.00 points. Division Two (Vernacular) had fourteen contesting choirs. This group's first position, recording 71.00 points went to two choirs

respectively - Okopedi Okobo Bethel Choir and Ibiakpan Bethel Choir. Ikot Mbonde Bethel Choir deserved the second position with 70.00 points. Unfortunately, no choir merited the third position.

In Division Three (English) only two choirs contested but the two could not meet the standard for the first and second positions and so, were placed at the third and fourth positions respectively. They were Esit Urua Eket Bethel Choir with 63.00 points (3rd) and Ukana Ikot Nyoho with 58.75 points (4th position).

Division Three (Vernacular) recorded nineteen contesting choirs. Its first position went to Mbgauji Bethel Choir with 73.75 points, Ikot Essien Etok Bethel Choir took the second position with 73.33 points, and none of the choirs could gather enough points to qualify for the groups third, fourth and even the fifth position.

For Division Four (English) three choirs

contested but merited the first position. The second, third and fourth positions were awarded the three choirs that contested. They were Ekpena Ukpa (2nd) with 64.65 points, Eastern Obolum (3rd) with 62.00 points and Mkpani Bethel Choir with 54.65 points.

Division Four (Vernacular) had fourteen choirs in its row. In this group, Isama Bethel Choir came first with 69.00 points, Akim Akim Bethel Choir emerged second with 68.25 points and Ukanafun Pentecostal Centre won the fourth position; no choir could qualify for the third position.

The report further states that all choirs which names did not appear on the result sheets are to note that they were not cleared by their State Association of the fellowship.

The results remain sacrosanct and thus, unchallenged.

Thank You Father.

IKOT UBOK UDOM BRETHREN VISIT THE FATHER

BY ENOBONG EMAH

On January 7th, 2000, brethren from Ikot Ubok Udom Bethel in Nsit Atai Local Government Area of Akwa Ibom State paid a courtesy visit to the Father.

HIS HOLINESS OLUMBA
OLUMBA OBU

The visit, the first in the year, was aimed at appreciating the Father's goodwill towards the brethren. From the address presented by Brother Utenge Samuel Akpaimoh, the Father blessed the Bethel which started as a mustard seed in 1967.

Upon its establishment in the area, the Kingdom which was nicknamed "Ufok Abasi Ntok Eyen" gradually courted the envy of all religious sects. The Father's work, Trumpet learnt has manifested in various ways, including the founding of other Bethels and Ikot Ubok Udom Bethel tagged the mother Bethel, is known for the propagation of the good news of the Kingdom of God on earth.

Brother Akpaimoh in his address further thanked the Father for calling to Himself 36 of them and others from the Bethel, after the Nigerian Civil War in 1968, a good portion of this number of which are Christ Witnesses today.

The Christ Witnesses, Trumpet further learnt are Christ Witness Sunday Inwang and Christ Witness Ubong James, the Chairman of the Christ New Truth Missionaries; 25 are Practical Students and 6 have been transferred to

eternity.

They are now praying the Father to grant them the grace of producing from the Bethel the 144,000 Virgins, to His glory. They also pray passionately for a Pentecostal Centre, for easy administration, and comfort in worship during Pente-

costal periods. The brethren expressed immense joy and gratefulness for the love, mercy and grace shown them by the Father.

Reacting, His Holiness Olumba Olumba Obu thanked the brethren for realising the importance of appreciation as witnessed by Him. He advised the brethren to continue in their good works in the area and beyond, be of immense help to others around them and

practise the teachings of the Holy Spirit, which is a sure way to their personal salvation.

The King of kings also admonished the Christ New Truth Missionaries from the area to reciprocate the honour done them by visiting their home Bethel.

He finally blessed them individually and collectively. The brethren departed with high hopes for the New Millennium.

Thank You Father.

ABAS PLANS REGIONAL CONFERENCE

The Association of Brotherhood Academic Scholars (ABAS) Nigeria is planning a Regional Conference to be hosted in Jos Plateau State.

The Regional Co-ordinator of ABAS, Northern Region who is also the National Vice President of ABAS, Bro. Aminu Mohammed briefed Trumpet recently.

Aminu Mohammed further stressed that the reason for the Northern Region Confab was to systematically present Brotherhood of the Cross and Star to the enlightened people of the State and the academia in particular. This way, the

Co-ordinator believes, the New Kingdom and what it stands for will sink in the minds of the people.

As part of the preparation to ensure a successful Conference, His Holiness Olumba Olumba Obu has directed all the Northern State Leader's Representative to ensure that adequate funds are raised to support the hosting.

In another development the Northern Region Co-ordinator informed Trumpet that Extra Mural Classes are arranged for junior ABASITES and that Supervisors are already appointed to see to the

successful implementation of the programmes.

Thank You Father.

THE HOLY FATHER, LEADER O. O. OBU
REVEALING DIVINE MYSTERIES

"If ye love me, keep my commandments. And I will pray the father, and He shall give you another Comforter that he may abide with you forever; even the spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him but ye know him, for he dwelleth with you, and shall be in you. I will not leave you comfortless. I will come to you."

If Christ had forsaken us, no person would have lived. I am ignorant in all things but the Father is all wisdom, knowledge and power. See 2nd Corinthians chapter 8:9.

"For ye know the grace of our lord Jesus Christ, that though he was rich, yet for your sakes he became poor that ye through His poverty might be rich."

THE COMFORTER IS HERE:

You can see that His promise was not on money but the Spirit which does all good things. He promised to give this power which you now behold. Peter who you now behold was a fisherman yet, he endowed with power. There is nothing this spirit cannot do.

THE MATHEMATICS OF CHRIST'S
DEATH AND RESURRECTION:

Now people say that Christ had died yet they have not seen Him return. It was when He was nailed on the cross that He descended into Hades to overcome all that is there. Then when He was brought down and into the tomb was when He ascended to heaven. The Father is very wise. I am teaching you these things so that you can speak authoritatively when you go out.

HE IS SUFFICIENT TO YOU

Recall when the thief pleaded with Christ to remember him when He would come to take His dominion, Christ told him that, that very day he would be with Him in paradise. So you can see that the word of God is power. Do not lament any longer

Have you seen the game played there? For the very time He was crucified was the time He descended to us. So, those who say that Jesus has died and gone do not know that He is here with us.

THE POWERS OF THE TWELVE
DISCIPLES:

The Twelve disciples stand for love, faith, hope, life, power, patience, humility, understanding, orderliness, wisdom, will and imagination. What is killing you is lack of faith. For God had revealed Himself to you in all aspects

Brotherhood of the Cross and Star is the centre of power. The Father, Son and the Holy Spirit is here, the entire human race is Brotherhood. All creations of God are Brotherhood. So do not discriminate or cause division for He has come to instill oneness. See Matthew 28:18-20

"And Jesus came and spake unto them, saying all power is given unto me in heaven and in earth. Go ye there, and teach all nations, baptising them in the name of the Father, and of the Son and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you and lo I am with you always, even unto the end of the world, Amen."

THE GREATEST WORK:

There is nothing greater than the word of God. If you obey the word of God, practise and as well preach same, you are doing the greatest job. Once you have been baptised into Brotherhood of the Cross and Star, you are separated from the world. You become a useful tool for Christ and have to listen and abide by the instructions of the Holy Spirit. For once you are baptised, you are given the Holy Spirit which subdues the evil spirit in man. From that moment, you are expected to start the work of God.

There is no sickness you cannot heal. There is no problem that you cannot solve if you are endowed with the Holy Spirit. The Holy Spirit is everything and in all things.

The worldly people and their churches say that the power in Brotherhood of the Cross and Star is not from God. They even fast and pray calling on Jesus to come and destroy the Satan in Brotherhood of the Cross and Star which is taking away all their people? Where does the power come from? See Matthew 28:18.

"And Jesus came and spake unto them, saying. All power is given unto me in heaven and in earth."

Now, we are to practise the word and not hearing it only. Let my peace and blessings rest and abide with the entire world, now and forever more, Amen.

Thank You Father.

because He is here to do all things for you. In your prayers always give thanks for all that He has done for you. When you go about begging, are you still the child of Obu? Does the Father encourage begging?

You go about seeking for visioners who dupe and cheat you. All these you do because of your lack of faith in the Father. Do not go to any person for the Holy Spirit is the only one doing this work. See Philippians chapter 4:8-11

"Finally, brethren, whatsoever things are true; whatsoever things are honest; whatsoever things are just; whatsoever things are pure; whatsoever things are lovely; whatsoever things are of good report; if there be any virtues; and if there be any praise, think of these things. Those things which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you. But I rejoiced in the Lord greatly, that now at the last your care of me hath flourished again; but ye lacked opportunity, not that I speak in respect of want: for I have learned in whatsoever state I am, therewith to be content."

ZONE ONE SINGING/ GRADING RESULTS OUT

BY ENOBONG EMAH

Results of the December 1999 Singing/ Grading Exercise for Zone One (Cross River State) are out. From the report, it is known that only 124 choirs contested, as against the 163 choirs that contested during the August Exercise. The report states, that "the standard of performance remains high," except the Tenor sound which was said to have been "muddled up with either classical or non Brotherhood flairs," which left the melody of such songs unnatural. Out of the 124 choirs that contested, only 3 featured in the Premier Division. The choirs were, in their order of positioning, Youth Fellowship Choir Calabar (1st) with 75.83 points, Youth Fellowship Choir Uyo which came 2nd with 75.66 points and 26

Mbukpa Choir bagged the third position with 75.00 points.

In the Upper Division, a total of twelve choirs contested and the first position went to Eket Township Choir with 76.16 points, Pentecostal Centre Ikot Ekpene came second with 74.00 points and 72.82 points were recorded for Abasi Obori Bethel Choir.

For Division 1 (English), 5A St. Mary's Bethel Choir with 78.12 points tops, Nyok Esu Bethel Choir emerged second with a total point of 74.25 and Ikot Effanga Junction Bethel Choir was third with 73.49 points. Ten choirs contested in the category.

Division 1 (Vernacular) Category, had thirteen choirs contesting. In this group, no choir won the first position, possibly because none of the choirs had the points expected for the first

position. However, 34 Ambo Choir Eleven won the second position with 77.00 points and 34 Ambo Choir Five bagged the third position.

The two choirs which contested in Division Two (English) took the first and second positions respectively. They were, Atamuno Bethel Choir (1st) with 67.87 points and Eyo Abasi Bethel

Choir with 62.00 points. Division Two (Vernacular) had fourteen contesting choirs. This group's first position, recording 71.00 points went to two choirs

respectively - Okopedi Okobo Bethel Choir and Ibiakpan Bethel Choir. Ikot Mbonde Bethel Choir deserved the second position with 70.00 points. Unfortunately, no choir merited the third position.

In Division Three (English) only two choirs contested but the two could not meet the standard for the first and second positions and so, were placed at the third and fourth positions respectively. They were Esit Urua Eket Bethel Choir with 63.00 points (3rd) and Ukana Ikot Nyoho with 58.75 points (4th position).

Division Three (Vernacular) recorded nineteen contesting choirs. Its first position went to Mbgauji Bethel Choir with 73.75 points, Ikot Essien Etok Bethel Choir took the second position with 73.33 points, and none of the choirs could gather enough points to qualify for the groups third, fourth and even the fifth position.

For Division Four (English) three choirs

contested but merited the first position. The second, third and fourth positions were awarded the three choirs that contested. They were Ekpene Ukpa (2nd) with 64.65 points, Eastern Obolum (3rd) with 62.00 points and Mkpani Bethel Choir with 54.65 points.

Division Four (Vernacular) had fourteen choirs in its row. In this group, Isama Bethel Choir came first with 69.00 points, Akim Akim Bethel Choir emerged second with 68.25 points and Ukanafun Pentecostal Centre won the fourth position; no choir could qualify for the third position.

The report further states that all choirs which names did not appear on the result sheets are to note that they were not cleared by their State Association of the fellowship.

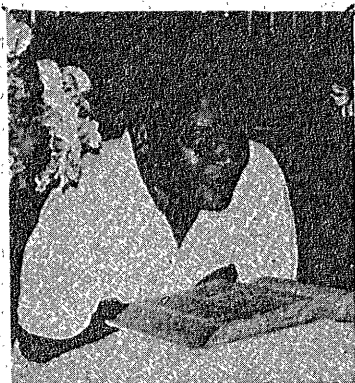

The results remain sacrosanct and thus, unchallenged.

Thank You Father.

IKOT UBOK UDOM BRETHREN VISIT THE FATHER

BY ENOBONG EMAH

On January 7th, 2000, brethren from Ikot Ubok Udom Bethel in Nsit Atai Local Government Area of Akwa Ibom State paid a courtesy visit to the Father.

HIS HOLINESS OLUMBA OLUMBA OBU

The visit, the first in the year, was aimed at appreciating the Father's goodwill towards the brethren. From the address presented by Brother Utenge Samuel Akpaimoh, the Father blessed the Bethel which started as a mustard seed in 1967.

Upon its establishment in the area, the Kingdom which was nicknamed "Ufok Abasi Ntok Eyen" gradually courted the envy of all religious sects. The Father's work, Trumpet learnt has manifested in various ways, including the founding of other Bethels and Ikot Ubok Udom Bethel tagged the mother Bethel, is known for the propagation of the good news of the Kingdom of God on earth.

Brother Akpaimoh in his address further thanked the Father for calling to Himself 36 of them and others from the Bethel, after the Nigerian Civil War in 1968, a good portion of this number of which are Christ Witnesses today.

The Christ Witnesses, Trumpet further learnt are, Christ Witness Sunday Inwang and Christ Witness Ubong James, the Chairman of the Christ New Truth Missionaries; 25 are Practical Students and 6 have been transferred to

eternity.

They are now praying the Father to grant them the grace of producing from the Bethel the 144,000 Virgins, to His glory. They also pray passionately for a Pentecostal Centre, for easy administration, and comfort in worship during Pente-

costal periods. The brethren expressed immense joy and gratefulness for the love, mercy and grace shown them by the Father.

Reacting, His Holiness Olumba Olumba Obu thanked the brethren for realising the importance of appreciation as witnessed by Him. He advised the brethren to continue in their good works in the area and beyond, be of immense help to others around them and

practise the teachings of the Holy Spirit, which is a sure way to their personal salvation.

The King of kings also admonished the Christ New Truth Missionaries from the area to reciprocate the honour done them by visiting their home Bethel.

He finally blessed them individually and collectively. The brethren departed with high hopes for the New Millennium.

Thank You Father.

ABAS PLANS REGIONAL CONFERENCE

The Association of Brotherhood Academic Scholars (ABAS) Nigeria is planning a Regional Conference to be hosted in Jos Plateau State.

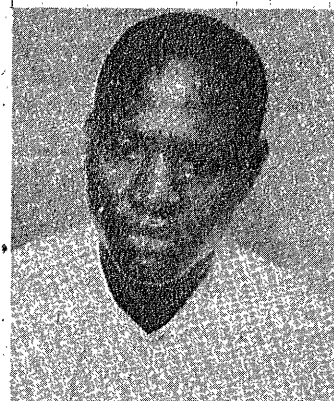

The Regional Co-ordinator of ABAS, Northern Region who is also the National Vice President of ABAS, Bro. Aminu Mohammed briefed Trumpet recently.

Aminu Mohammed further stressed that the reason for the Northern Region Confab was to systematically present Brotherhood of the Cross and Star to the enlightened people of the State and the academia in particular. This way, the

Co-ordinator believes, the New Kingdom and what it stands for will sink in the minds of the people.

As part of the preparation to ensure a successful Conference, His Holiness Olumba Olumba Obu has directed all the Northern State Leader's Representative to ensure that adequate funds are raised to support the hosting.

In another development the Northern Region Co-ordinator informed Trumpet that Extra Mural Classes are arranged for junior ABASITES and that Supervisors are already appointed to see to the

successful implementation of the programmes.

Thank You Father.

NORTHERN C/RIVER WOMEN APPRECIATE FATHER'S BLESSINGS

By Musa Olumofomi

The Cross River State Women's Fellowship, Northern group recently visited the World Headquarters to appreciate the Father's bounteous blessings to them.

The visit which has become a yearly imperative is predicated upon the belief that the Father appreciates a thankful heart.

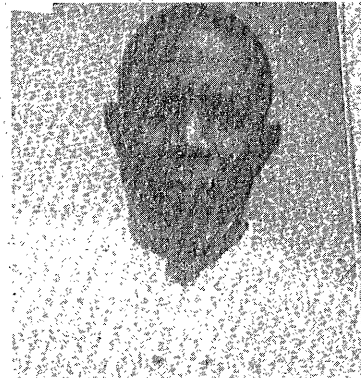

Led by the Group's President, Deaconess Grace Odo, the women brought different types of farm products ranging from garri, cassava, yams, cocoyam, water yam etc., to all kinds of fruits.

Enquiring as to why this must be, Trumpet learnt that, the Father uses the exercise to bless them physically as well as ensure their spiritual developments.

It is understood that, the Group which is made up of twelve Local Government Areas earmarked 1999 as the year they must work at the Ugbaja Farms while the proceeds will be used to cater for the children of God partly. The Chairperson of the Group in a chat with our Reporter called on brethren to display humility and be of

good service to the generality of the people.

The General Secretary of the Group, Sis. Sally James traced the history of the appreciation to 1996. She attributed the poor turn out at the occasion to the creation of two more Groups from the one Group it used to be. She advised other professionals like tailors, mechanics, shoe-makers to

ALEX IGWE, OTHERS ORDAINED

PASTOR ALEX IGWE

The Holy Father, Leader Olumba Olumba Obu has elected and ordained Elder Alex Igwe, a legal luminary and Secretary of the Board of Directors, Brotherhood Worldwide Communications Limited, Publishers of the New Kingdom Trumpet, a Pastor.

Also ordained are Elder (Sis.) Rossannah Isokrari, a wife of the Chairman, Brotherhood Worldwide Communications Limited and Bro. W. O. Douglas, as Deaconess and

Pastor respectively.

Others who received the divine upliftment are Sister Joy Alex Igwe and Sotonye Wellington Douglas. In a brief ceremony conducted by the Holy Father, when the President of the Father's Movement Committee paid a courtesy call on Him during which period the Father pronounced the ordination, the Father used the occasion to advise the brethren to be dedicated to their call as well as exude all virtues of the Holy Spirit.

Responding on behalf of the Father's Movement Committee, Brother Alex Igwe now Pastor, thanked the Father for the ordination which he said was an eloquent testimony of the Holy Father's love for Rivers State.

Thank You Father.

THE HOLY SPIRIT, YEAR 2000, THE CHURCHES AND YOU

their old doctrine of resisting those who trespass against Him. They forgot about the gospel and the presence of Christ and the evil came to them drastically. Even in this day, all those who disobey shall continue in problems and lamentation. But those who obey Him shall be in joy, radiance and plenty.

This explains why members of Brotherhood of the Cross and Star do not drink, smoke, snuff, and commit fornication, adultery etc. Those are the things that attract problems to you. We do not resist the evil doer but we relish in good works. Let others continue in their own, only let them see your good works. In this way you would behold the manifestation of the power of the Holy Spirit in you. That is why, whenever you go out to minister to people, this great Being (the Holy Spirit) never fails to do wonderful work on them.

This is not the case with the churches and other religious organisations who have not been given the mandate. They have not been sent and so do not know what they are talking about. For this reason they have ever continued in evil. See Matthew 3:5, it says:

"Then went out to him Jerusalem, and all Judea, and all the region round about Jordan"

THE LUCKIEST GENERATION

Ours is the luckiest generation. Our Lord Jesus Christ promised to plead with the Father to send a Comforter. We are the beneficiaries of that promise. Now He had sent that Comforter to stay with us forever. All those who were blind have been given sight. Christ had fulfilled His own part of the obligation though unfortunately, you have not kept yours.

Your part of the contract is to obey His words and practice them. You are to go out and disseminate the words of God. If you sit in one place and refuse to fulfill your own part, then you will not partake in the rewards. So to be on the safe side, you have to keep this commandment of His and go all out to spread the good news of this kingdom.

THE NEED TO HAVE THE HOLY SPIRIT:

The problem now is that without the Holy Spirit you cannot preach the true words of God, let alone practise it. You cannot refrain from any kind of sin or immorality unless you possess the Holy Spirit. Any person who has the Holy Spirit in him cannot do things on his own. For the Holy Spirit is the greatest teacher and guardian. He is a perfect Being. He has shown us a path which we must follow, and that is to lead a spotless life. Therefore all those who claim control over their bodies and as such can design things for

themselves do not possess the Holy Spirit.

All those baptized into this kingdom are filled with the Holy Spirit. If you do not therefore, having been baptized, go out to preach the gospel, then you are indebted to Him (the Holy Spirit), and if you continue in that way, you will be treated as a debtor. Go out and preach this gospel, for it constitutes power, prosperity and everything you need. **THE KINGDOM IS DEVOID OF INEQUALITY:**

Here the old and young are authorised to do anything because the Holy Spirit is in them. That is why you see Sabbath Children doing wonderful works in this kingdom.

The Churches, religious bodies and secret cults are not aware of the presence of the triune God in our midst. The problem of mankind would have ceased, if they were to know this truth and abide by the Holy Spirit's instructions. It is therefore expedient that you go all out to reach them the truth.

YOU HAVE A COMFORTER

He has fulfilled His promise that He would not leave us comfortless. We have to purify our mortal bodies so that He may dwell in us and we become one with Him. This is when you can go out and preach the true words of God. Do not insist on going to those who have determined to continue in evil, for their mind is hardened. After all, those who accept you will be free and liberated.

The former are those who have eyes but cannot see and have ears yet cannot hear. They have brains but cannot understand the truth. They cannot do good works because they do not have the Holy Spirit. For this reason they call the members of Brotherhood of the Cross and Star names when they see you doing wonderful works.

In order to acquire the power that abound in this kingdom, they have started to copy some of the things done here. They observed such things like, fasting, watch and pray as well as go on blessing before the altar, exactly as Brotherhood of the Cross and Star does. They even celebrate feast yet they cannot

perform because the Holy Spirit is not in them. They are in the flesh, but Brotherhood of the Cross and Star is in the Spirit. For this reason, Brotherhood of the Cross and Star continues to grow and now the entire Universe is engulfed physically by the Holy Spirit.

BE PURE AS HE IS

Once you listen to Him you will keep your body clean and pure. That is why in the kingdom we do not eat meat, fish, or food for idols. Any person who has the Spirit of God in him shines all times. Whenever he prays for people, they are healed (made whole). When he sings people enjoy it and give thanks to God. See Acts chapter 2 verses 2-47.

Brethren, that is the promise of God. The Pope, Bishops, Pastors and dignitaries of the churches have not known this promise. They are all empty vessels. They do not have the Holy Spirit and cannot do any good

Leader O. O. Obu

Leads the World in Righteousness
work. You are the true children of promises and heirs of God.

Brethren, as you go out preaching the gospel, let the people know of this promise of God to mankind, that God has promised to give us the Holy Spirit. This is what does all the works in the Kingdom. Tell them this truth, that God had promised the Holy Spirit

to mankind even to the generations unborn.

The Holy Spirit casts away all evil spirits. So those who want to continue in evil should not be baptized into this Kingdom. For once you are baptized, the Holy Spirit

takes over your affairs and manage. **THE POWER WITHOUT LIMITATION:**

The power is not centred in any particular place. It is not in the Father's Vestry, in the mountain, or sea. It is not in the forest neither is it in the desert.

The Spirit dwells in the believers who have accepted baptism. Your problem is that you are not ready to follow the instructions of the Holy Spirit neither are you prepared to listen to Him. You do things the way you like. For this reason the churches and the like religious organisations do things haphazardly. Therefore, their works are also incomplete and ineffective.

Do not do things the way the worldly people do. Do not consult oracles, necromancers or Spirit Medium. For those who do these go empty, without the Holy Spirit. Your words also cannot come to fruition if you do not have the Holy Spirit in you. If you have the Holy Spirit, all your pronouncements will be efficacious. It is not you that people disobey but the Spirit in you.

Let it be known to you that though you were baptised in your church, you have to re-baptise into this kingdom because this is the only place where the Holy Spirit can be given to you. Have you not seen the work of the Holy Spirit here? The Father who stands and preaches twenty four hours each day does not get tired. But you who is sitting or lying down are tired of hearing. See John 3:1-6.

"There was a man of the Pharisees, named Nicodemus a ruler of the Jews: the same came to Jesus by night, and said unto Him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him. Jesus answered and said unto him, Verily verily I say unto thee, Except a man be born again, he cannot enter the kingdom of God. Nicodemus saith unto Him, how can man be born when he is old? can he enter a second time into his mother's womb, and be born again? Jesus answered, Verily verily I say unto thee, except a man be born of water and of the spirit, he cannot enter into the Kingdom of God. That which is born of the flesh is flesh; and that which is born of the spirit is spirit."

THE HOLY SPIRIT EMBODIES EVERY GOOD THING

The Holy Spirit is the only Teacher and Power. He alone is knowledgeable. It was said that Elijah would come before the Messiah.

"Whenever you go out to minister to people, this great Being (the Holy Spirit) never fails to do wonderful workson them. This is not the case with the churches and other religious organisations who have not been given the mandate. They have not been sent and so, do not know what they are talking about."

PASTOR ALEX IGWE

The Holy Father, Leader Olumba Olumba Obu has elected and ordained Elder Alex Igwe, a legal luminary and Secretary of the Board of Directors, Brotherhood Worldwide Communications Limited, Publishers of the New Kingdom Trumpet, a Pastor.

Also ordained are Elder (Sis.) Rossannah Isokrari, a wife of the Chairman, Brotherhood Worldwide Communications Limited and Bro. W. O. Douglas, as Deaconess and

Pastor respectively.

Others who received the divine upliftment are Sister Joy Alex Igwe and Sotonye Wellington Douglas. In a brief ceremony conducted by the Holy Father, when the President of the Father's Movement Committee paid a courtesy call on Him during which period the Father pronounced the ordination, the Father used the occasion to advise the brethren to be dedicated to their call as well as exude all virtues of the Holy Spirit.

Responding on behalf of the Father's Movement Committee, Brother Alex Igwe now Pastor, thanked the Father for the ordination which he said was an eloquent testimony of the Holy Father's love for Rivers State.

Thank You Father.

THE HOLY SPIRIT, YEAR 2000, THE CHURCHES AND YOU

their old doctrine of resisting those who trespass against Him. They forgot about the gospel and the presence of Christ and the evil came to them drastically. Even in this day, all those who disobey shall continue in problems and lamentation. But those who obey Him shall be in joy radiance and plenty.

This explains why members of Brotherhood of the Cross and Star do not drink, smoke, snuff, and commit fornication, adultery etc. Those are the things that attract problems to you. We do not resist the evil doer but we relish in good works. Let others continue in their own, only let them see your good works. In this way you would behold the manifestation of the power of the Holy Spirit in you. That is why whenever you go out to minister to people, this great Being (the Holy Spirit) never fails to do wonderful work on them.

This is not the case with the churches and other religious organisations who have not been given the mandate. They have not been sent and so do not know what they are talking about. For this reason they have ever continued in evil. See Matthew 3:5, it says:

"Then went out to him Jerusalem, and all Judea, and all the region round about Jordan"

THE LUCKIEST GENERATION

Ours is the luckiest generation. Our Lord Jesus Christ promised to plead with the Father to send a Comforter. We are the beneficiaries of that promise. Now He had sent that Comforter to stay with us forever. All those who were blind have been given sight. Christ had fulfilled His own part of the obligation though unfortunately, you have not kept yours.

Your part of the contract is to obey His words and practice them. You are to go out and disseminate the words of God. If you sit in one place and refuse to fulfill your own part, then you will not partake in the rewards. So to be on the safe side, you have to keep this commandment of His and go all out to spread the good news of this kingdom.

THE NEED TO HAVE THE HOLY SPIRIT:

The problem now is that without the Holy Spirit you cannot preach the true words of God, let alone practise it. You cannot refrain from any kind of sin or immorality unless you possess the Holy Spirit. Any person who has the Holy Spirit in him cannot do things on his own. For the Holy Spirit is the greatest teacher and guardian. He is a perfect Being. He has shown us a path which we must follow, and that is to lead a spotless life. Therefore all those who claim are control over their bodies, and as such can design things for

themselves do not possess the Holy Spirit.

All those baptized into this kingdom are filled with the Holy Spirit. If you do not therefore, having been baptized, go out to preach the gospel, then you are indebted to Him (the Holy Spirit), and if you continue in that way, you will be treated as a debtor. Go out and preach this gospel, for it constitutes power, prosperity and everything you need.

THE KINGDOM IS DEVOID OF INEQUALITY:

Here the old and young are authorised to do anything because the Holy Spirit is in them. That is why you see Sabbath Children doing wonderful works in this kingdom.

The Churches, religious bodies and secret cults are not aware of the presence of the triune God in our midst. The problem of mankind would have ceased, if they were to know this truth and abide by the Holy Spirit's instructions. It is therefore expedient that you go all out to reach them the truth.

YOU HAVE A COMFORTER

He has fulfilled His promise that He would not leave us comfortless. We have to purify our mortal bodies so that He may dwell in us and we become one with Him. This is when you can go out and preach the true words of God. Do not insist on going to those who have determined to continue in evil, for their mind is hardened. After all, those who accept you will be free and liberated.

The former are those who have eyes but cannot see and have ears yet cannot hear. They have brains but cannot understand the truth. They cannot do good works because they do not have the Holy Spirit. For this reason they call the members of Brotherhood of the Cross and Star names when they see you doing wonderful works.

In order to acquire the power that abound in this kingdom, they have started to copy some of the things done here. They observed such things like, fasting, watch and pray as well as go on blessing before the altar, exactly as Brotherhood of the Cross and Star does. They even celebrate feast yet they cannot

perform because the Holy Spirit is not in them. They are in the flesh, but Brotherhood of the Cross and Star is in the Spirit. For this reason, Brotherhood of the Cross and Star continues to grow and now the entire Universe is engulfed physically by the Holy Spirit.

BE PURE AS HE IS

Once you listen to Him you will keep your body clean and pure. That is why in the kingdom we do not eat meat, fish, or food for idols. Any person who has the Spirit of God in him shines all times. Whenever he prays for people, they are healed (made whole). When he sings people enjoy it and give thanks to God. See Acts chapter 2 verses 2 - 47.

Brethren, that is the promise of God. The Pope, Bishops, Pastors and dignitaries of the churches have not known this promise. They are all empty vessels. They do not have the Holy Spirit and cannot do any good

Leader O. O. Obu

Leads the World in Righteousness

work. You are the true children of promises and heirs of God.

Brethren, as you go out preaching the gospel, let the people know of this promise of God to mankind, that God has promised to give us the Holy Spirit. This is what does all the works in the Kingdom. Tell them this truth, that God had promised the Holy Spirit

to mankind even to the generations unborn.

The Holy Spirit casts away all evil spirits. So those who want to continue in evil should not be baptized into this Kingdom. For once you are baptized, the Holy Spirit

takes over your affairs and manage. **THE POWER WITHOUT LIMITATION:**

The power is not centred in any particular place. It is not in the Father's Vestry, in the mountain, or sea. It is not in the forest neither is it in the desert.

The Spirit dwells in the believers who have accepted baptism. Your problem is that you are not ready to follow the instructions of the Holy Spirit neither are you prepared to listen to Him. You do things the way you like. For this reason the churches and the like religious organisations do things haphazardly. Therefore, their works are also incomplete and ineffective.

Do not do things the way the worldly people do. Do not consult oracles, necromancers or Spirit Medium. For those who do these go empty, without the Holy Spirit. Your words also cannot come to fruition if you do not have the Holy Spirit in you. If you have the Holy Spirit, all your pronouncements will be efficacious. It is not you that people disobey but the Spirit in you.

Let it be known to you that though you were baptised in your church, you have to re-baptise into this kingdom because this is the only place where the Holy Spirit can be given to you. Have you not seen the work of the Holy Spirit here? The Father who stands and preaches twenty four hours each day does not get tired. But you who is sitting or lying down are tired of hearing. See John 3:1-6.

"There was a man of the Pharisees, named Nicodemus a ruler of the Jews: the same came to Jesus by night, and said unto Him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him. Jesus answered and said unto him, Verily verily I say unto thee, Except a man be born again, he cannot enter the kingdom of God, Nicodemus saith unto Him, how can man be born when he is old? can he enter a second time into his mother's womb, and be born again? Jesus answered, Verily verily I say unto thee, except a man be born of water and of the spirit, he cannot enter into the Kingdom of God. That which is born of the flesh is flesh; and that which is born of the spirit is spirit"

THE HOLY SPIRIT EMBODIES EVERY GOOD THING

The Holy Spirit is the only Teacher and Power. He alone is knowledgeable. It was said that Elijah would come before the Messiah.

"Whenever you go out to minister to people, this great Being (the Holy Spirit) never fails to do wonderful work on them. This is not the case with the churches and other religious organisations who have not been given the mandate. They have not been sent and so, do not know what they are talking about."

A CLEAN BREAK INTO THE 21ST CENTURY

AMBO 2000 AWARD NIGHT

31st December 1999 will forever be remembered in the history of the New Kingdom as the year many brethren were recognised for their contributions to the growth of the New Kingdom in such magnitude. Unlike previous awards, AMBO 2000 AWARD came as a surprise to many recipients.

Below is the abridged address of His Holiness Olumba Olumba Opu at the occasion.

Distinguished Brethren,

Peace be unto you. This is a momentous occasion, a memorable night and a befitting end to the 20th Century. Father welcomes you all, in the Name of Our Lord Jesus Christ. Amen.

Let us, at this point, glorify Our Father and Creator, Leader Olumba Olumba Opu. The Sole Spiritual Head of all universes, for seeing us through this century in grand style. The world is lamenting and gnashing their teeth but we are dancing and rejoicing because we have a Father who will never leave us comfortless or fail us.

All over the world, today, all eyes are on the clock. In a few hours from now, we in Nigeria will be ushered by divine mercy into the great transition to the New Age, the Age of the physical Reign of the Holy Spirit on earth. Everybody has been talking and dreaming about the year 2000. It is here. Do you know what it has in store? Do you want to know? Then be in the hall for the gospel on January 1st, 2000 and hear for yourselves.

So many years ago the Holy Father admonished us and I quote:

"Do not come here with the aim of being fed, clothed, honoured or being cared for, only to go back to the world. Your mission here should be to serve God diligently in anyway you can so that this kingdom may shine. It is not your duty to fo' your arms expecting God to provide everything for you. Everything you do is recorded in your file so that you may be rewarded accordingly. Many of you collect more when you have exhausted the old stock. You behave like the prodigal son, taking and consuming everything but not ready to contribute anything. There is love, peace, patience, mercy, joy, prosperity and righteousness in this Kingdom.

Do not be deceived that because no physical or corporal punishment is employed here, you can do as you like or fold your hands idly and watch others work. Have you not read in the Scriptures that no one should eat another man's food for nothing and that no one should feed a lazy person?

Everybody must therefore, be up and doing. You were not called in here for nothing. This is the reason why you have to watch and emulate only me and try to behave the way I do. I am the model for every member of this kingdom. God is not blind, is not deaf and is not without reasoning. He knows and understands every person in the world and every record of your daily life is kept in a file. The righteous ones are known, so also are the lazy and the unrighteous ones. These records shall be used on the day of reckoning. We are all instruments of God to be used anywhere and at anytime.

Most BCS members behave as they like because they believe that no one is watching them. Heaven and earth are gathered here tonight in the Name of Our Father to honour our brothers and Sisters who have distinguished themselves in one way or the other in this Kingdom.

As I said earlier, this is the beginning of a new dawn so the list of award recipients is not exhaustive. It is going to be on a continuous basis to appreciate conscientious brethren and encourage others to sit up and bring out their best.

I wish to thank the Father for the organizers of this great event. They, too, deserve awards because they were directed by the Holy Spirit. I thank the Father for those He has chosen for the awards and for the impartial way they were chosen."

The AWARD, Trumpet learnt was sponsored by Brothers Spencer and Austin Oyibo. In his speech, Brother Spencer Oyibo maintained, the awards were rewards for hard work and efforts to awaken the sleeping talents in brethren. This way, the teachings of the Father will be disseminated to all nooks and crannies of the universe either through books, music or personal evangelism.

The AWARD on Music was only based on music that are recorded in Cassettes or Compact Disc. Most of the outstanding Award were Mother of the Century which went to Her Majesty Queen Esther Olumba Olumba Opu.

Moving Force in the USA went to Princess Aja Opu while Princess Onugen Opu won the Award as Blessed Special Mother of the 144,000. Trumpet was not left out as our Cameraman Brother Nsiong Ben won the Award of Best Photographer of the Century and Pastor K. E. Bassey our Reader as the Best Author.

AMBO 2000 AWARD NIGHT

31st December 1999 will forever be remembered in the history of the New Kingdom as the year many brethren were recognised for their contributions to the growth of the New Kingdom in such magnitude. Unlike previous awards, AMBO 2000 AWARD came as a surprise to many recipients.

Below is the abridged address of His Holiness Olumba Olumba Obu at the occasion.

Distinguished Brethren,

Peace be unto you. This is a momentous occasion, a memorable night and a befitting end to the 20th Century. Father welcomes you all, in the Name of Our Lord Jesus Christ. Amen.

Let us, at this point, glorify Our Father and Creator, Leader Olumba Olumba Obu. The Sole Spiritual Head of all universes, for seeing us through this century in grand style. The world is lamenting and gnashing their teeth but we are dancing and rejoicing because we have a Father who will never leave us comfortless or fail us.

All over the world, today, all eyes are on the clock. In a few hours from now, we in Nigeria will be ushered by divine mercy into the great transition to the New Age, the Age of the physical Reign of the Holy Spirit on earth. Everybody has been talking and dreaming about the year 2000. It is here. Do you know what it has in store? Do you want to know? Then be in the hall for the gospel on January 1st, 2000 and hear for yourselves.

So many years ago the Holy Father admonished us and I quote:

"Do not come here with the aim of being fed, clothed, honoured or being cared for, only to go back to the world. Your mission here should be to serve God diligently in anyway you can so that this kingdom may shine. It is not your duty to fold your arms expecting God to provide everything for you. Everything you do is recorded in your file so that you may be rewarded accordingly. Many of you collect more when you have exhausted the old stock. You behave like the prodigal son, taking and consuming everything but not ready to contribute anything. There is love, peace, patience, mercy, joy, prosperity and righteousness in this Kingdom.

Do not be deceived that because no physical or corporal punishment is employed here, you can do as you like or fold your hands idly and watch others work. Have you not read in the Scriptures that no one should eat another man's food for nothing and that no one should feed a lazy person?

Everybody must therefore, be up and doing. You were not called in here for nothing. This is the reason why you have to watch and emulate only me and try to behave the way I do. I am the model for every member of this kingdom. God is not blind, is not deaf and is not without reasoning. He knows and understands every person in the world, and every record of your daily life is kept in a file. The righteous ones are known, so also are the lazy and the unrighteous ones. These records shall be used on the day of reckoning. We are all instruments of God to be used anywhere and at anytime.

Most BCS members behave as they like because they believe that no one is watching them. Heaven and earth are gathered here tonight in the Name of Our Father to honour our brothers and Sisters who have distinguished themselves in one way or the other in this Kingdom.

As I said earlier, this is the beginning of a new dawn so the list of award recipients is not exhaustive. It is going to be on a continuous basis to appreciate conscientious brethren and encourage others to sit up and bring out their best.

I wish to thank the Father for the organizers of this great event. They, too, deserve awards because they were directed by the Holy Spirit. I thank the Father for those He has chosen for the awards and for the impartial way they were chosen."

The AWARD, Trumpet learnt was sponsored by Brothers Spencer and Austin Oyibo. In his speech, Brother Spencer Oyibo maintained, the awards were rewards for hard work and efforts to awaken the sleeping talents in brethren. This way, the teachings of the Father will be disseminated to all nooks and crannies of the universe either through books, music or personal evangelism.

The AWARD on Music was only based on music that are recorded in Cassettes or Compact Disc. Most of the outstanding Award were Mother of the Century which went to Her Majesty Queen Esther Olumba Olumba Obu.

Moving Force in the USA went to Princess Aja Obu while Princess Onugen Obu won the Award as Blessed Special Mother of the 144,000. Trumpet was not left out as our Cameraman Brother Nsiong Ben won the Award of Best Photographer of the Century and Pastor K. E. Bassey our Reader as the Best Author.

BROTHERHOOD OF THE CROSS AND STAR

ABONNEMA PENTECOSTAL CENTRE - AKULGA ZONE

Heartily congratulates our Holy Father, the King of kings and the Lord of lords. The Holy Spirit personified here on earth; Great Leader Olumba Olumba Obu - on the occasion of your Birthday and Reign on earth. Your Glory is so great.

May you continue to lead your children to recondit wisdom, love and peace - Amen.

Thank You Father.

PRACTISE THE WORD OF GOD

Brethren, this is a Happy New Year. It is not time to only listen and hear the word of God. It is also not time to teach and learn the word of God. Rather it is time to practise the word of God. Jesus Christ and all the Prophets preached the word of God. For how long will this preaching last?

This is the message I have for you today. Though it is not a lengthy one, we should start off with vegetarianism and fruitarianism for we are they that worship God in Spirit and in Truth. We should no longer waste our time in cultivating the fields rather let us be the practitioners of the word of God so that it might be well with us.

Read James: 1:19 - 26

It is popularly acknowledged that action speaks louder than words. I believe you have witnessed what is happening now. In times past, I used to preach for ten hours but now I am no more into prolonged preaching. Everyday, I give references and you are being referred to various portions of the Scripture. Who has practised any of it? If I ask that the money accruing from appreciation should be counted, you will be surprised. The hall is filled with people but if you count the money realised you would be forced to give everybody a knock.

Whom are you deceiving? We have left the old world into the new world which everyone anxiously requested for. Man feared whether he would survive into the new world. The story of the three days darkness infused fear into the minds of many, but what have you done in appreciation for crossing into the New world?

Let everyone from now practise vegetarianism and fruitarianism. When you come here and give unto one brother N10,000, give N1,000 to another and N20,000 to another, what is the essence of your action?

ACCEPT SELFLESS SERVICE:

Now, a lot of people here are dupes, they only come here to receive money, claiming to use it to do the work of God; yet they divert it into their private business. Is that the work of God you claim you want to do? Is the work of God not done free of charge so that people witness the glory of God manifesting? Are you sure that you are serving God or your personal interest? You are into forms of contributions while you abandon your primary assignment. I have always told you that you have an option, you either do the work of God or forget it. You are engrossed with meetings. What purposes do these meetings serve?

I directed Brother Okpalla William that Brotherhood in Anambra

State is not quite up to par. That, he should arrange for some children of God to stay there to ensure the growth and strength of Brotherhood in that area. In Mkpiani, a certain Brother donated a building to the Father, I instructed Brother Odum to complete every renovation required in the place and establish a Bethel, take the Children of God there to take over the entire area and ensure practical presence of B.C.S. Just as activities are on in 26 Mbukpa, the same should continue in these places.

GOD PROVIDES FOR HIS SERVICES

God has given us enough resources for His services. We should not allow them to remain idle. God's work is purely philanthropic and humanitarian. No profit is expected. My joy is the joy of service in helping others. If most of the feats done in favour of Brotherhood members were done in favour of the outside world, the world would have long beheld the glory of God, and wonderful works of testimonies would follow. You might assume power tomorrow and forget to put the work of God into practice and because of that you begin to encounter problems. Christ had warned that man who got cleansed after being immersed in Bethsaida River not to indulge in further sin so that greater problem might not befall him. Is that not exactly what you are doing now? When you come here and your problems are taken away, you return to your old life. You indulge in the sins you forsook. For this reason severer problems and afflictions come your way. You will then begin to look for money to help yourself. That is why if any one comes here and seeks to be a real Brotherhood and serve God, such a one should understand that this calls for self sacrifice in the interest of others.

You can take a cue from me. My work is to make humanity refrain from sins as well as transform an evil doer. This indeed is the greatest task. How many people can transform an evil doer? There is no one, not even the white can do it.

I preach constantly that people should refrain from stealing but none of you has hearkened to it.

"From today, 1st January, 2000, Brotherhood is out to practise the word of God and not only to preach the word of God. Any one is at liberty to choose the kind of Brotherhood he wants.... If you continue to do the work of God the way you are doing it, till eternity, you will benefit nothing; after all, that is exactly what church denominations are doing."

I HAVE CHAN

You insist that the Father should continue with it for today is a great day.

How great is it? If you refuse to practise it, then tell me what makes it a great day? Look at all these people. They come here, every morning, afternoon and evening, and receive God's word but refuse to practise them. Did the Father not come to transform man? Since the Children of God are those willing to work with me I will use them too. There in Biakpan, how many children of God are there? They are only 4 yet. Since inception of Brotherhood, the only thing the members know is to go to Biakpan on pilgrimage just to bath in the 'Bethsaida' stream. Nothing was known about Brotherhood in Biakpan until 1995 when it pleased the Father to take the 144,000 Virgins there to render services to people. Have you not seen how things are going on there now? Some of them are now children of God. The problem most of you who claim to be healers have is that you might have twenty various sicknesses and many other problems besetting you, yet you come out here and profess you are a healer and pretend to heal some other person's illness. What about yours; what have you done to heal yourself?

NO GREENER PASTURE HERE:

You might be indebted to people, have a lot of dependents, yet you come to serve God. What time do you have for his services? I require no more preaching. All I want now are practitioners of the gospel. Whether they are three or four that are willing to serve God, I am okay with that.

All those who come here for greener pastures should try somewhere else. There is no room for them. Those that are willing to serve and have surrendered completely unto God should continue. You practise the word of God in an epileptic manner. This is not allowed here. What gains have you made over the years with this attitude? Those who serve God in

**THE HOLY FATHER REDIRECTS SPIRITUAL**

spirit and in truth must not mix with those who serve themselves. That is why I want those who serve God to live separately so that they can have full concentration about their mission here. Achara and Ukwa are in need of committed workers of God to show them the practical side of Brotherhood. The same situation applies to where Brother Ekwunwe is.

From today, 1st January, 2000, Brotherhood is out to practise the word of God and not only to preach the word of God. Any one is at liberty to choose the kind of Brotherhood he wants. After all, Brotherhood sues none to court and does not disgrace any.

Read St. Matthew 23

CHANGE IN PRIESTHOOD:

The Scripture has it that when the priesthood is changed, the law is also changed. Have you not seen truth, love, mercy, humility and grace at work here? Have you not seen these virtues practised here? Have you not seen the practical side of Brotherhood here? But in your out-stations are such obtained there? When I send children of God to out stations, people will make trouble with them. Without the Father, they would be tortured here and there. And I thank the Father for their adamant spiritual strength. Now how many people are from Biakpan among the 144,000 Virgins (Children of God)? If you are not ready to do the work of God, there is no need remaining here. This is because you are filled with hatred, jealousy etc. You are still stealing, fornicating and indulge in diabolism and preparing charms. Yet, you claim you are a preacher. What do you think you are preaching? The children of God are

working here full time. These people are chosen to do God's work by demonstrating the true teachings of this kingdom to the outside world. All of us are free in the house of God. We all belong to Brotherhood. But one thing we should realise is that Rome was not built in a day. Therefore, you who continues to practise the other side of Brotherhood should continue. All the while, you do not know what Brotherhood is all about. I am seeing all that you are doing. In Brotherhood, no one is compelled to become a Brotherhood, but I know every one must become Brotherhood. If you are not able to practise Brotherhood, forget about it. But remember that by your work, you shall be rewarded and that is where you will eat from. If you fail, you shall receive no reward. You used to hear the Father saying that every one is saved. Yes all are saved, but only those that practise the word of God.

SEVERE CARNAL TIES

This is 50 years now and I have not gone to Biakpan. Do not think it is the distant that stops me. After all, from here to Biakpan is not far. I told you that right from 1955, I had dissociated myself from a lot of things because this work is not such that you associate with carnal relationships. If you continue to do the work of God the way you are doing it, till eternity, you will benefit nothing. After all, that is exactly what church denominations are doing. Have you not seen how they are? What we are doing here, preaching about is just a minor assignment. From now, the word of God must be practised. If you are not able to practise it (word of God) give chance

to those that are able to practise. You are enjoined day in day out to forsake sin, refrain from telling lies and stealing but you are still into them. This practicality of the word of God has to reflect in you so that others might see. In Biakpan during the 144,000 Virgins' pilgrimage, Sister Anietie 2 went into people's farm and helped them weed and harvested food stuffs and carry them to their houses. She swept people's houses and helped a lot of people. Because of that she was recognised. That is the real demonstration of Brotherhood. She (Anietie) is now in Biakpan because the entire village wanted her. It is stated that where our treasure lies, there also are our souls. Since we love Brotherhood we must enslave ourselves to Brotherhood in earnest. Let us be real Brotherhood and make people behold the glory of God in us.

3RD REF: MATTHEW 23:1-12**BE HUMBLE**

All they that exalt themselves have been abased and whosoever humbles himself shall be exalted. The duty of Moses was to lead the Israelites out of bondage in Egypt. When he accomplished his assignment, he passed on. John came to make people forsake sin and recognise Jesus. When all had recognised Jesus and were baptised, he then revealed Christ to the Israelites. That was the end of His assignment. So, if the Father stopped continuing His assignment what will happen? If you preach the word of God to people, yet they refuse to practise, what is the essence of your preaching further? Now, we are those who practise the word of God. Why is it that when I ask you some thing, you behave as dumbs?, do you want me to turn you all to dumbs?

Recall when Christ visited his friend's house when He (Christ) was a child. On entering the house he enquired about the children who were locked in a room? The parents replied, "they are piglets." Then

Christ said, "Let it be as you have said."

When the door was opened after Christ had left and the parents went into the room, they found out that the children had all turned to piglets.

Realize now that I have changed my gear, so be mindful of yourself. Look at the children of God, they run up and down playing football here and there. Did you come here to play football? Is that field a football field? This is caused by idleness. You came here to preach and convert people to righteous ways. You all know that whatever I say must come to manifestation. I am ready to manifest the glory of this Kingdom wherever the children of God will be posted to, if only they are willing to do so. Some of you come here and plead that you do not want to be jailed. Everyone should define his mission then hold fast to that which he has chosen. There are two things that takes a bird to the stream, that is to bath and to drink.

AVOID EVIL ACT

I want to bless all of you that came with diverse problems, the Father has taken away them all. To you Children of God I want to advise you to concentrate and stop thinking about your parents, or whatever. After all, I also have parents and village but for how many years now have you seen me there? I do not require such things here. If you want to be carnally minded, then, go back to your house. If you put hands in anything ungodly, you cannot do this work. Even the children of God, if they associate themselves with anything ungodly, God's power will elude them and they will be unable to do this work of God. Do you think as you are gathered here, you are just here to play or joke about? You are still fornicating, yet you claim you are a child of God. You drink and inject, tell me, what kind of Child of God are you? Have you ever seen me playing football or have I kicked a football before? You were called to come and save souls, but you decide to play football! what is the profit in those things? We came to salvage the world. You must be prepared to be steadfast for the time of the work of

God is nigh. If one refuses to be righteous, what then is the need for telling one to forsake sin? Where there is light, there is brightness, so the time of the services of God is nigh.

DON'T BE AFRAID

We come here to save and redeem souls. A lot of people were enveloped with fear, that they cannot do a lot of things. But are you not aware of the fact that 419 men are afraid of Brotherhood? But the day I will put a stop to it, there shall be no more such act. I am taking things gradually. I do not want to be aggressive because you will all run away. A certain Sister did some ungodly things like that some times and I warned her that what she is doing is not good. If someone go prostituting now, it is a very great sin in the sight of God. This world is filled with problems. People go into people's houses with guns, frighten people and go away with their belongings. You hand over everything to them because of fear. The children of God are still having fears of such things. Do you want to tell me you cannot make just a pronouncement, then see what will happen to them? If you do not make them fear, do you think they will fear God? Have you not observed that immediately you call on Father Olumba, wonderful things happen? If armed robbers refused to rob Brotherhood members, do you consider it ordinary? They would not try it. And if those that do not know attempt to, they would be told that the Father is their Father.

So let all Brotherhood fast and pray for those are the things that strengthen us. Brotherhood members are the Father's soldiers. If you like money, your whole mind will be in money, the same thing to food, clothes and houses. That is why I do not like anything. I do not require foods, clothes, shoes and requires no praises from any one. Rather let all praises be accorded the Father. Anyway you go and feel you do not exist, you will surely not exist, but any where you go and make yourself an outstanding person, you shall surely be outstanding. Ibo land is quite large especially places like Onitsha, Owerri etc. There are a lot of people there but the labourers are few. If I would stand up now and say I want to see every one now, you would witness what has not happened before. Because people will be running up and down to come here, since they have it at the back of their minds that "Ete Obu" wants every one. You are aware of the fact that poison no longer has power because every power is here. I had said that the time of the work of God is at hand, and so if you go to any place, people will know that something has

What about yours; what have you done to heal yourself?

NO GREENER PASTURE HERE:

You might be indebted to people, have a lot of dependents, yet you come to serve God. What time do you have for his services? I require no more preaching. All I want now are practitioners of the gospel. Whether they are three or four that are willing to serve God, I am okay with that.

All those who come here for greener pastures should try somewhere else. There is no room for them. Those that are willing to serve and have surrendered completely unto God should continue. You practise the word of God in an epileptic manner. This is not allowed here. What gains have you made over the years with this attitude? Those who serve God in

spirit and in truth must not mix with those who serve themselves. That is why I want those who serve God to live separately so that they can have full concentration about their mission here. Achara and Ukwu are in need of committed workers of God to show them the practical side of Brotherhood. The same situation applies to where Brother Ekwunwe is.

From today, 1st January, 2000, Brotherhood is out to practise the word of God and not only to preach the word of God. Any one is at liberty to choose the kind of Brotherhood he wants. After all, Brotherhood sues none to court and does not disgrace any.

CHANGE IN PRIESTHOOD.

The Scripture has it that when the priesthood is changed, the law is also changed. Have you not seen truth, love, mercy, humility and grace at work here? Have you not seen these virtues practised here? Have you not seen the practical side of Brotherhood here? But in your out-stations are such obtained there? When I send children of God to out stations, people will make trouble with them. Without the Father, they would be tortured here and there. And I thank the Father for their adamant spiritual strength. Now how many people are from Biakpan among the 144,000 Virgins (Children of God)? If you are not ready to do the work of God, there is no need remaining here. This is because you are filled with hatred, jealousy etc. You are still stealing, fornicating and indulge in diabolism and preparing charms. Yet, you claim you are a preacher. What do you think you are preaching? The children of God are

working here full time. These people are chosen to do God's work by demonstrating the true teachings of this kingdom to the outside world. All of us are free in the house of God. We all belong to Brotherhood. But one thing we should realise is that Rome was not built in a day. Therefore, you who continues to practise the other side of Brotherhood should continue. All the while, you do not know what Brotherhood is all about. I am seeing all that you are doing. In Brotherhood, no one is compelled to become a Brotherhood, but I know every one must become Brotherhood. If you are not able to practise Brotherhood, forget about it. But remember that by your work, you shall be rewarded and that is where you will eat from. If you fail, you shall receive no reward. You used to hear the Father saying that every one is saved. Yes all are saved, but only those that practise the word of God.

SEVERE CARNAL TIES

This is 50 years now and I have not gone to Biakpan. Do not think it is the distant that stops me. After all, from here to Biakpan is not far. I told you that right from 1955, I had dissociated myself from a lot of things because this work is not such that you associate with carnal relationships. If you continue to do the work of God the way you are doing it, till eternity, you will benefit nothing. After all, that is exactly what church denominations are doing. Have you not seen how they are? What we are doing here, preaching about is just a minor assignment. From now, the word of God must be practised. If you are not able to practise it (word of God) give chance

to those that are able to practise. You are enjoined day in day out to forsake sin, refrain from telling lies and stealing but you are still into them. This practicality of the word of God has to reflect in you so that others might see. In Biakpan during the 144,000 Virgins' pilgrimage, Sister Anietie 2 went into people's farm and helped them weed and harvested food stuffs and carry them to their houses. She swept people's houses and helped a lot of people. Because of that she was recognised. That is the real demonstration of Brotherhood. She (Anietie) is now in Biakpan because the entire village wanted her. It is stated that where our treasure lies, there also are our souls. Since we love Brotherhood we must enslave ourselves to Brotherhood in earnest. Let us be real Brotherhood and make people behold the glory of God in us.

3RD REF: MATTHEW 23:1-12**BE HUMBLE**

All they that exalt themselves have been abased and whosoever humbles himself shall be exalted. The duty of Moses was to lead the Israelites out of bondage in Egypt. When he accomplished his assignment, he passed on. John came to make people forsake sin and recognise Jesus. When all had recognised Jesus and were baptised, he then revealed Christ to the Israelites. That was the end of His assignment. So, if the Father stopped continuing His assignment what will happen? If you preach the word of God to people, yet they refuse to practise, what is the essence of your preaching further? Now, we are those who practise the word of God. Why is it that when I ask you some thing, you behave as dumbs?, do you want me to turn you all to dumbs?

Recall when Christ visited his friend's house when He (Christ) was a child. On entering the house he enquired about the children who were locked in a room? The parents replied, "they are piglets." Then

Christ said, "Let it be as you have said."

When the door was opened after Christ had left and the parents went into the room, they found out that the children had all turned to piglets.

Realize now that I have changed my gear, so be mindful of yourself. Look at the children of God, they run up and down playing football here and there. Did you come here to play football? Is that field a football field? This is caused by idleness. You came here to preach and convert people to righteous ways. You all know that whatever I say must come to manifestation. I am ready to manifest the glory of this Kingdom wherever the children of God will be posted to, if only they are willing to do so. Some of you come here and plead that you do not want to be jailed. Everyone should define his mission then hold fast to that which he has chosen. There are two things that takes a bird to the stream, that is to bath and to drink.

AVOID EVIL ACT

I want to bless all of you that came with diverse problems, the Father has taken away them all. To you Children of God I want to advise you to concentrate and stop thinking about your parents, or whatever. After all, I also have parents and village but for how many years now have you seen me there? I do not require such things here. If you want to be carnally minded, then, go back to your house. If you put hands in anything ungodly, you cannot do this work. Even the children of God, if they associate themselves with anything ungodly, God's power will elude them and they will be unable to do this work of God. Do you think as you are gathered here, you are just here to play or joke about? You are still fornicating, yet you claim you are a child of God. You drink and inject, tell me, what kind of Child of God are you? Have you ever seen me playing football or have I kicked a football before? You were called to come and save souls, but you decide to play football! what is the profit in those things? We came to salvage the world. You must be prepared to be steadfast for the time of the work of

God is nigh. If one refuses to be righteous, what then is the need for telling one to forsake sin? Where there is light, there is brightness, so the time of the services of God is nigh.

DON'T BE AFRAID

We come here to save and redeem souls. A lot of people were enveloped with fear, that they cannot do a lot of things. But are you not aware of the fact that 419 men are afraid of Brotherhood? But the day I will put a stop to it, there shall be no more such act. I am taking things gradually. I do not want to be aggressive because you will all run away. A certain Sister did some ungodly things like that some times and I warned her that what she is doing is not good. If someone go prostituting now, it is a very great sin in the sight of God. This world is filled with problems. People go into people's houses with guns, frighten people and go away with their belongings. You hand over everything to them because of fear. The children of God are still having fears of such things. Do you want to tell me you cannot make just a pronouncement, then see what will happen to them? If you do not make them fear, do you think they will fear God? Have you not observed that immediately you call on Father Olumba, wonderful things happen? If armed robbers refused to rob Brotherhood members, do you consider it ordinary? They would not try it. And if those that do not know attempt to, they would be told that the Father is their Father.

So let all Brotherhood fast and pray for those are the things that strengthen us. Brotherhood members are the Father's soldiers. If you like money, your whole mind will be in money, the same thing to food, clothes and houses. That is why I do not like anything. I do not require foods, clothes, shoes and requires no praises from any one. Rather let all praises be accorded the Father. Anyway you go and feel you do not exist, you will surely not exist, but any where you go and make yourself an outstanding person, you shall surely be outstanding. Ibo land is quite large especially places like Onitsha, Owerri etc. There are a lot of people there but the labourers are few. If I would stand up now and say I want to see every one now, you would witness what has not happened before. Because people will be running up and down to come here, since they have it at the back of their minds that "Ete Obu" wants every one. You are aware of the fact that poison no longer has power because every power is here. I had said that the time of the work of God is at hand, and so if you go to any place, people will know that something has

"All evil must be exorcised completely from this earth, so as to ensure full growth of the work of God...If you think evil about anyone, you are in for a big trouble, not to talk of indulging in evil tendencies..."
