Children of God mark 2nd Anniversary

BY NSISONG BEN

The Children of God Body recently celebrated its second anniversary in what was tagged a night of songs, dancing and drama to rejoice and praise the Sole Spiritual Head Leader O. O. Obu, for bringing to physical manifestation the Children of God body which pronouncement, He made since 1969.

A child of God, Sister Imaobong Obu at the occasion traced the history of the origin of the Children of God body to when the Holy Father, on 11th April 1992 annointed six children of His to this body and said that this divine exercise was repeated on the 11th of April 1993 when eight more children of God were ordained. She added that at

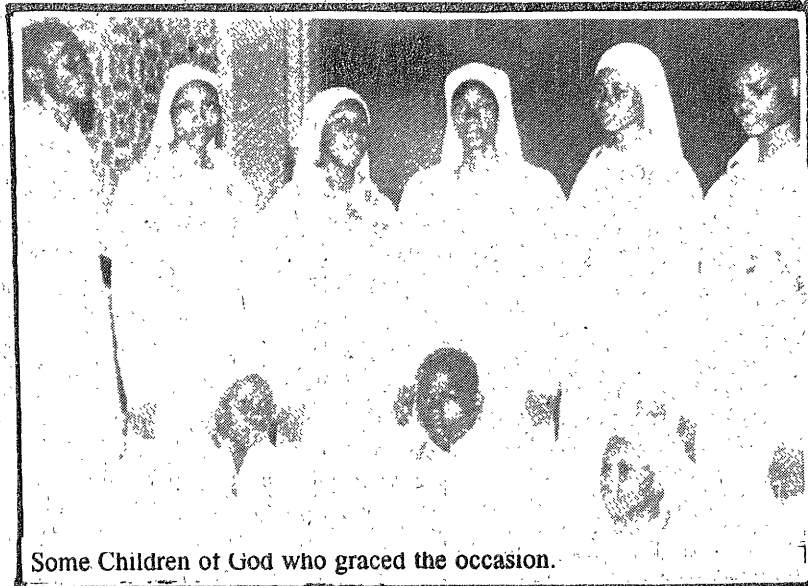

other times, the Holy Father used to pick one person in a year. Sister Imaobong then inferred that it was therefore proper to always observe 11th of April every year as day of happiness and a moment for sober reflection on their calling.

While confirming the many prophecies made in the past about the children of God fold in Brotherhood of the Cross and Star, Brother Obu Ekpezu Mba, the Chairman of Biang Enyeng Evai group testified that the Holy Father, first spoke of the children of God, group in 1969 at 26 Mbukpa Road in his presence and that the coming to being of this group should not surprise anybody since it was only one out of the many fulfilments of the Holy Father's pronouncements.

Also speaking on the physical manifestation of the children of God body, Deaconess A. Fredricks said she had the revelations in her dreams about eight years ago; and thanked the Father for bringing these children to serve in His vineyard.

Earlier, in a sermon, Brother Emmanuel Ekpo who conducted, thanked the Father for revealing the hidden truths to His children and said that it will be unwise for any Brotherhood of the Cross and Star member to claim ignorance of his expectations when everything has been revealed to him.

In his own speech, the Chairman of the occasion Brother Fredricks thanked the Father for what the world is witnessing in this last age, and expressed the hope that the children of God were going to bring peace and love to humanity.

Some Children of God who graced the occasion.

He lauded the efforts made by the children of God body towards organising their second anniversary celebration and thanked God for giving the parents of the children the love to hand over their children for the services of God. He enjoined all to encourage the children of God in carrying out their assignment.

Those the Father approved to grace the occasion were;

Sister Degans, Sister Esther, Sister Janet, Deaconess Mong, Pastor Umoh and Sister Fredricks.

Highlight of the occasion which took place at the ground floor of the new secretariat complex was a general outing procession, love feast and the rendition of songs by the 8 Ambo Choir and the Children of God.

Thank You Father.

My Mission Was To Convert O. O. Obu

- Christ Robson Komboye

Robson: The persecutor, now, a propagator of the gospel.

For decades now, some individuals, group of persons and most denominations in the christendom mounted very intensive campaigns of calumny against the Brotherhood of the Cross and Star and it's leadership. In almost all cases, they lobbied extensively some unweaned members of the New Kingdom to collaborate their invidious insinuations.

One of such persons is Pastor Christ Robson Komboye, a one time religious activist in the Cherubim and Seraphim Church, Foursquare Gospel Church and of late Pastor in Deeper Life Bible Church. Like others, he was knee deep in his zeal to persuade all and sundry to disassociate with the Brotherhood of the Cross and Star but unlike others, he was arrested by the Holy Spirit and the veil of ignorance lifted off him.

Pastor Christ Robson Komboye is now a chief spokesman for a course he ignorantly persecuted. Listen to him: "No man on earth could have convinced me that, a day comes in my life, when I shall not only adorn the white garment (soutane) but from the point of faith and deep conviction, identify with and worship in the Brotherhood of the Cross and Star."

EVENTS BEYOND 2,000 AD

A nation without a prophet is doomed. The Bible tells us so. Those whose foundation on earth are not laid on the teachings, revelations and spoken words of the Almighty God from time immemorial and now are understandably confused as to what happens before, during and after the year 2,000. This is more so in the face of the present speculations by self acclaimed mystics, occultists, palm readers, astrologers and other prophets of doom who continuously dampen the hopes of man through heart attacking visions and revelations. In this edition, a prophet of God highly used by the Father reveals God's plans for man before, during and beyond the year 2,000. Turn to Page 2

The world is beseeched with numerous problems. Man cannot solve these problems except something revolutionary happens in the whole system of things in the world. The Supernatural Teacher identifies these problems and proffer solutions in His Bible Class Lecture. Page 15

A new column is born in the "New Kingdom Trumpet". It has never happened in the history of any journal, newspaper, or magazine ever published in this kingdom. It is a column that will from now henceforth bring to your homes, all the seen activities of the Holy Spirit in the World Headquarters of the Brotherhood of the Cross and Star. It features prominently, the summaries of Holy Father's Gospels, Bible Class Lectures, Altar Briefs, Illustrations and important Declarations from the Holy Father's throne of grace. In the PULPIT, the Holy Father unfolds the mysteries surrounding marriage. Why do others marry while others don't? Why do some families have broken homes and others not blessed with fruits of the womb? Are all entitled to marry? What's the basis of true marriage? Is marriage necessary? All these questions and more are answered by the Holy Father in this wonderful Everlasting Gospel. Page 10

REVELATIONS

Revelations by Apostle Eyibio I. Akpan

EVENTS BEFORE AND AFTER THE YEAR 2000

THE HOLY SPIRIT

The Holy Father, Leader Olumba Olumba Obu, first revealed Himself to me when I was only ten years old in 1959. Then He appeared to me again on three different occasions, each time wearing a RED GARMENT and saying "I am the Way, the Truth and the Life." In between His legs flowed a stream of blood which He referred to as the "Blood of Gibraltar." At this time I had planned to own my own spiritual church.

He appeared to me again when He was commissioned as the Holy Spirit which was symbolised by His appearance in white garment. The white garment symbolizes Peace. It was also revealed that whoever must come to the earth plane must pass through him and whoever must sojourn into the other planes of creation must also be permitted by Him.

The next revelation confirms that, His red garment signifies the Word of God. It was this garment that was soaked in the Blood of the lamb that washed away the sins of the world. During this revelation, every thing stood still. The air, rivers, trees, angels and all spirits were in perfect silence. The RED GARMENT signifies the highest spiritual power. It is this red garment that is responsible for all the problems in the world. This red garment is exclusively meant for the Holy family. Those who wear the RED GARMENT are one with ETERNAL FATHER and those approved by him. That is why only the King of Kings and the Holy Queen Mother are qualified to wear the RED GARMENT for now.

In 1951 the black garment was shown to me and it was declared that, the Holy Father will use this to judge the whole world.

The Holy Father had since 1980, accomplished His mission of Peace and reconciliation. In 1992 He removed peace from the earth surface and since then a period of turbulence had begun.

NIGERIA

In 1984, it was revealed that the Federal Capital of Nigeria will be returned to Calabar because Calabar is the city of God. If the capital is not changed, there will be no peace in Nigeria. Another cause of the present problems in Nigeria is that, they abandoned the first National Anthem, which had a clause that went thus - "though tribes and tongue may differ in Brotherhood, we stand."

CHURCHES AND SECRET CULTS

By the year 2,003, there will be no more churches and governments of the world, because by this time, the Holy Spirit shall have judged the world.

By January 1999, the entire churches and secret cults will be judged so that they will not partake in the bounties of God from the year 2,000.

There will be no penal Institutions like the prisons, army and police, all such institutions shall cease to exist.

CROSS RIVER STATE - CALABAR

Why the general capital status of Nigeria was removed from Calabar is that, the owners of this town and the inhabitants, do not love God but right now, the Holy Spirit has agreed to return the federal capital to Calabar because of the Omnimercy of God to his people.

NIGERIAN SOLDIERS AND NIGERIA

If the soldiers in Nigeria do not hand over the reins of government to a democratically elected government and return to the barracks peace will continue to elude Nigeria. Again, the entire citizenry of this country must recognise the Holy Spirit personified, Leader Olumba Olumba Obu and jointly celebrate a feast for peace in Nigeria or watch out to see what will happen.

BROTHERHOOD OF THE CROSS AND STAR MEMBERS GENERALLY ARE HEREBY

warned to desist from eating in the spiritual world as this habit is responsible for the rampant cases of sickness among members. Unknown to some Brotherhood members, they are spiritually dead because they have been judged already. All the brethren must learn to live within their means and be contented with their positions.

WOMEN

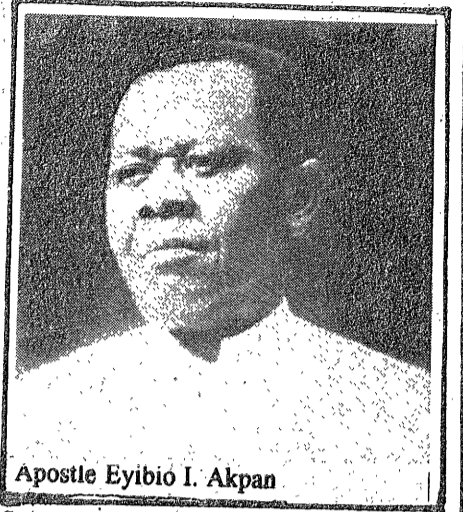

A woman shall rule Nigeria for five years. To this end, all Brotherhood of the Cross and Star members should celebrate a feast thanking the Father for liberating the women.

WORKERS IN BROTHERHOOD OF THE CROSS AND STAR

All workers in Brotherhood of the Cross and Star must from now henceforth practise holiness if they must continue to work or be prepared for the worst as the Holy Spirit has taken control of the entire situation.

THE WORLD

All the nations of the world must have embassies in the World Headquarters of the Brotherhood of the Cross and

Apostle Eyibio I. Akpan

Star 34. Ambo Street, Calabar for this is where God resides physically. They must all have representatives here to link the will of this God to their countries.

CHILDREN OF GOD

The entire creations of God are hereby warned to be careful while dealing with the children of God. If anyone is led by the Spirit to promise them anything, such promises must be fulfilled. It is only the Holy Father who knows what to do with them.

THE COMING OF VIRGINS

Another set of full time workers in the vineyard of God will soon manifest. They will be known as VIRGINS.

KING OF KINGS AND HOLY QUEEN MOTHER

All Brotherhood members must rejoice with the King of Kings and Holy Queen Mother for one week.

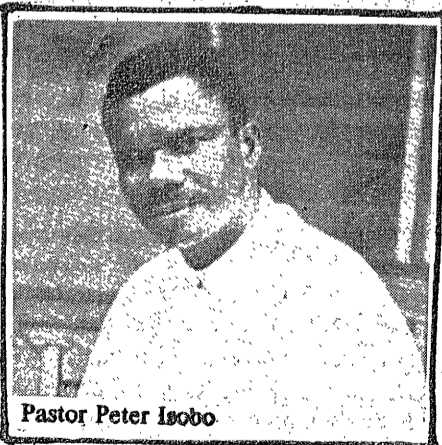

BUSINESS BOOM

It is also revealed that Brotherhood of the Cross and Star will soon establish her own private Airline. May the will of the Holy Spirit now living on earth with men be done in the lives of all his children now and even forever more. Amen.

Thank You Father.

VISIT TO THE PLANE OF HIDDEN KNOWLEDGE

BY PASTOR PETER E. ISOBO

Pastor Peter Isobo

I was in spirit when someone brought a bottle of Holy Oil and anointed, my head, forehead, the back of my neck, my two palms and two feet. After this the being declared thus "Henceforth you are a key."

Then I was carried to a very high plane. At a certain point in that plane, I saw a key hole. I suddenly became a key and thrust myself into the key hole. It opened like a large door and I found myself inside a cooled empty room. At one corner of the room, I saw a young man kneeling down with a shining sword in his hand. I went round to the room and the only thing I saw was some writings on the walls of the room. I was told that by entering into this plane I am endowed with hidden knowledge which was sealed and kept there for this generation.

After that I was carried to another plane. There I saw another key hole similar to the one of the first plane. At this instance I became a key again and thrust myself into the keyhole. It

opened like a large door and I suddenly found myself inside the room. The room was almost like the first one I came from. Looking round I saw a man kneeling down with a sword gazing seriously at me. I was told he has been there since the world began to take charge of that plane. I went round the plane and came out, the door closed and locked by itself. I was told not to exceed those two planes as yet. That all what I acquire from my visit to these planes will gradually manifest, I should make sure that I make them public.

It was after these experiences that the mystery of the blessed Trinity was revealed to me. In keeping with that instruction, the revelations are hereby published for the information of the entire human race.

FIRST REVELATION:

The Mystery Of The Blessed Trinity Unfolded

I thank the Holy Spirit for revealing the secret of the blessed Trinity through me in consonance with His divine promise as recorded in John 14:21.

He that has my commandments and keeps them; is the one that loves me, and he that loves me be loved of my Father, and I will love him and will manifest myself to him.

While I was in Spirit, there was a serious revolution in Nigeria. Some able bodied youths numbering in millions, revolted against the present military

Those ordained are Brother Isaiah Obu, Sister Glory Obu and Brother Michael Obu. Others include Brother Egom Obu, Sister Deborah Obu, Brother Lawrence Obu and Sister Chioma Obu.

During the ordination, the Holy Father urged them to practise openness. He decreed that no child of God should embark on ministry work without the express permission of the King of kings or the Holy Queen Mother.

2nd Lesson: I Thess. 5: 19-20
Golden Text: Eph. 4:30

We are those spoken of in this generation that they shall worship God in Spirit and in Truth for the Father seeks for such to Worship him. Any action taken on the prompting of the flesh is corruption. All practices here are in tune with the dictates of the Holy Spirit. Whoever does not believe in vision or prophesy does not believe in God and such a person is perished.

SUNDAY SERVICE EVENING

1st Lesson: Matthew 6:1-2
2nd Lesson: Luke 6:24
Golden Text: James 2:5

Whoever sows in the flesh will reap corruption. Do not seek for gratification, from people. Don't be interested in the praises of people. Allow God to crown you. If you render services in secret, God will reward you but if you want men to praise you in whatever you do, you will not be rewarded by God for you have already received vain reward from men.

1st Lesson: Matthew 15:12
2nd Lesson: John 14:21
Golden Text John 13:35
Ref. Psalm 82:6
1 Cor. 13:3

Whoever does not love one another is not of Christ. The Chief Corner Stone is love and this is oneness. Whenever you see man, it means you have seen God for we are the gods. If you love one another, whatever you request will be granted you. So, brethren love ye one another as I love you.

MEMORY LANE - 0.0.0.

On the 7th of July, an annual festival called "Change over" was revealed and instituted here in Brotherhood of the Cross and Star. Since then, one week is set aside each year to commemorate the event.

The practices of putting on white garment, walking bare-footed, celebrating feast and other

observances in Brotherhood were not prescribed by man. Such directives came directly from God. We must continue to uphold them to the letter.

In 1963, a teenage virgin revealed that, Brotherhood of the Cross and Star should celebrate full feast with cows. This celebration made people aware and conscious of the presence of the Holy Father and Brotherhood on earth. It was after complying with the message that it pleased the Holy Father to start wearing the garment dipped in blood.

DECLARATIONS BY O.O.O.

From now onward, do not joke with the feast conducted in the Kingdom. Make sure you celebrate every feast you are asked to celebrate. I see no reason why you should disobey God who bestows you with all the good things.

Visions and dreams are means by which God communicate with man and tells him what to do to have eternal life. Everything you see in the dream is significant and shall not fail to come true. Whatever your future would be, has to be revealed first in the dream or vision.

There is presently a message that all Nigerians should congregate at 34, Ambo Street, Calabar to restore oneness, love, peace and prosperity. It was also revealed that Nigeria would be the centre of the whole world. The Father has given to the black, nay Nigeria, the glory that is due them. Nigeria is the future hope of the whole world.

*The capital of Nigeria has continued to move from one place to another. The political, economic and social situations in Nigeria are unpredictable. That is the Father's handiwork, in order to bring about a change for the better.

*The boundary of new Jerusalem is not around Biakpan suburbs but cover the whole of Nigeria in particular, Africa and the whole world. That is why you are enjoined to refrain from evil and leave peacefully and in love.

*There is no other fertile or virgin land for God to establish his Kingdom apart from Nigeria in Africa.

*It is the richest and most prosperous nation in the world, various revelations had been given about Nigeria but no records of such revelations were kept.

*The final transfer of the Federal Capital of Nigeria was also revealed but no such record was kept because no one, even in Brotherhood, took it seriously.

*The first capital of Nigeria was Calabar. So much money and resources have been spent in Abuja yet nothing good has come out of the city.

It is time, as it pleases the Holy Father to return the capital once again to its original place,

Calabar from where it was stolen.

EVENING SERVICE

1st Lesson: Heb. 8:10
2nd Lesson: Luke 17:20-21
Golden Text: II Cor. 6:17-18

Brethren, love ye one another. Separate yourselves from sinful acts. Strive to be real children of God. Love for one another is the master key. This is the message, of Our Lord Jesus Christ. Our Lord Jesus Christ did not forgetful about coming of any prophet but the Father himself. John the baptist was the forerunner of Our Lord Jesus Christ while Christ was the one preparing the way for the Father. Those who are still under the law of Moses are dead.

10TH MAY, 1994 TUESDAY

MORNING SERVICE:

1st Lesson: John 5: 30
2nd Lesson: John 6:45
Golden Text: John 12: 49-50

It is written that God shall come down and dwell with men and teach them all things. Only the teachings of God helps us to grow from strength to strength. God is the only one giving correct judgement. Except God, no man can lead man to the right path because of their selfish desires. To get closer to God, one must have to do away with all the devilish acts.

HOLY FATHER'S COMMENTS: AND ADVICE

If you have the fear of God, you would not commit any sin. Protect the corporate image of Brotherhood. Do not be forgetful of the revelation given sometime ago, for the Father has bestowed peace in the world.

A lot of you do not believe in vision not knowing that vision is very true. Whoever does not believe in vision is a dead person, for it does not come from man. Whoever blasphemes against the Son of man will be forgiven but whoever blasphemes against the Holy Spirit (vision and prophecy) will not be forgiven. Do not request something from God but allow his will alone to be done. When something is revealed to you, inform the person. If he refuses to adhere, then leave such person. God is in love with the city of Calabar. What is written in the Bible from Genesis to Revelation is about this generation. This is the last generation. There are no more Moslems.

REVELATION:

by Apostle Eyibio I. Akpan

From Monday, 9th May 1994, the world was changed from the former planet to another planet. Watch your utterances. Any child of God who fights or quarrels will be thrown away by the Spirit.

It is now time for the Western World to worship Africa. Africa is the wealthiest continent. If the Holy Father was not here, this city (Calabar), by now, would have been reduced to ashes, because of the different types of evil practises in the city. The name "Cross River" will be changed to a name that will bring glory to God.

Very soon, white garments will not be found. Gold has been given to all Brotherhood members. That gold is the Holy Spirit. Mr. Nelson Mandela will rule South Africa for five years, after which he will relinquish the post to another black man. No white man will ever rule South Africa again.

EVENING SERVICE:

1st Lesson: 1 Cor. 3:18-19
2nd Lesson: 1 Cor. 1:19-21

There is no teaching you cannot find in the Bible. Our main duty is to come here, listen to the word of God. Put same into practise, then you go out and preach it to others. The Word of God is interesting when it is put into practise.

EVENING SERVICE:

1st Lesson: John 13:1-3

1st Lesson: John 17:10
2nd Lesson: John 1:14
Golden Text: John 10:30

If the word was God and God was word, it means Our Lord Jesus Christ, the Father, the Holy Spirit and all the creatures are the word. Therefore we are all one; because without word, nothing can survive. The Word was made flesh and dwell among men. If the word becomes man, it therefore means that man is capable of becoming the word. That is why you are told to forsake sins. Speak positive words and positive things will manifest in your life. To speak positive words, refuse to make negative statements.

HOLY FATHER'S ILLUSTRATION:-

A certain king disobeyed the law of the land and was banished from his domain. His children and others tried to bring

him back from exile but it was not possible. Many people suffered and others were killed in the process. One day a man of God told them to always say "Thank You Father for bringing back our king from exile" This was now the way they must pray always. When they started praying this way, one day the king came back from exile.

Golden Text: 1 Cor. 7: 9-11

It is not an abomination to give birth to twins. Eve the first woman gave birth to twins twice. Rebekah also gave birth to twins i.e. Isaac and Jacob.

It is much more profitable to stay without marriage, but when you cannot do that, marry only one wife or one husband, without divorcing each other. This is the time of the Holy Spirit. Those who marry should remain as if they are not married. The only expectation of God from man is to obey Him.

The above texts constitute what makes the entire world to loose the Kingdom of God. The everlasting law is that whatever God has joined, no man should put asunder. Stay on, with your married partner throughout your life. Submit yourself to the will of God. The only condition given to us is love one another.

HOLY FATHER'S ADVICE:

Whenever you have revelations, try to put them in black and white, for the revelations in the Bible were written by people. Do not testify about your wealth or poverty before me. Go to the full time workers viz Preachers, Christ Servants, Christ Students and the Children of God and tell them your problems. They are talented people who can pray for you. THE ORIGIN OF KING OF KINGS' VISIT TO STATES

By Pastor K. E. Bassey

In June 1990, the King of Kings Bishop Roland Obu, made his first official visit to His world amidst the pomp and pageantry that use to characterise such visits. This is so because when the King moves, he must do so with his royal retinue devoid of the trappings in the movements of least mortals. This was when He visited Lagos State.

Since then, it has pleased the Almighty Father to see that this all important visit, that unlocks the gates of all problems and set the captives free, ensure the liberation of the children of God in the whole universe and provide succour for the bewildered children of the world, is a yearly event.

He visited Akwa Ibom in 1991, River's State in 1992, Anambra State had its turn in 1993 and this year, indeed June 1994, He is visiting Enugu State, to bless His children. The question to answer now is, how did this visit begin? Was it a well thought out plan from the fertile minds of members of Brotherhood of the Cross and Star? Was it a movement aimed at making a group of people more important than others? Or was it a divine revelation that must manifest in order to bestow all honour and glory to the Father God and His first begotten.

To keep the records straight, in the interest of history and generations yet unborn, it is pertinent to chronicle this. After the celebration of the Holy Father's physical manifestation on earth the practise is always that we meet the Holy Father, Leader O. O. Obu, to receive His blessings. I was privileged to be on the team from Ugbahara Clan that went to see Him in December 1989.

After receiving His blessings, and felt His divine physical presence, I felt that something was missing within me. I kept struggling with my senses but I could not get the desired - fulfilment. It was as if a vacuum was created within me

With time, I realised it needed a spiritual solution. To get it spiritually solved, I embarked on ministry work. My first port of call was Anantigha Bethel.

At this Bethel, it was revealed that I should celebrate a house feast. Because of the importance I attached to that vision, I celebrated the feast the following day. Four days after, I had a wonderful revelation. The revelation, was this.

As I was walking in the spiritual world towards Ambo Street from Dr. lean Street, I saw a large crowd made up of many members and none members of Brotherhood of the Cross and Star seaming into 34 Ambo Street, Calabar. I had to join them. At 34 Ambo promises, I saw thousands of people from all walks of life jubilating. The Christers were arranged based on the

various areas they came from. They were singing and dancing. I asked a sister who stood quite close to me what the gathering was all about. The question did not go down well with her. She preferred to be silent. As we continued praising God in songs, the Holy Father arrived from nowhere in a jeep and members surged forward to catch a glimpse of the recondite Teacher. He was carried shoulder high into a waiting open car. At that point, someone announced that the Holy Father was set for the Airport. His entourage, sandwiched His car as they moved. At the Airport, dignitaries all over the Brotherhood world mounted a guard of honour for Him to inspect after rendering the Brotherhood anthem.

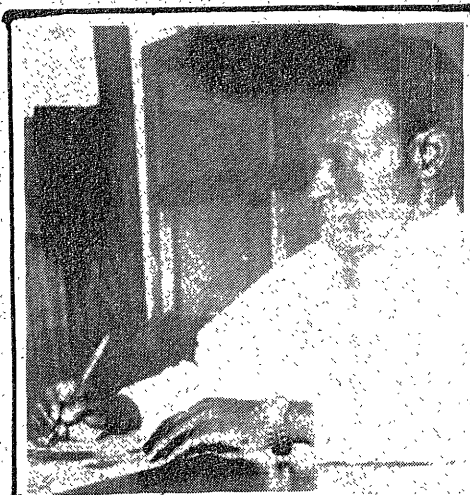

After the brief ceremony, the Holy Father walked briskly to the waiting plane. As He turned at the end of the step to bid the crowd goodbye, the Holy Father's face changed into that of Bishop Roland Obu and as He turned to get into the plane, ON HIS BACK was written boldly THE KING OF KINGS AND THE LORD OF LORDS and a voice said, "behold the missing link", I was disconnected.

By all understanding, the boarding of the plane by Bishop Roland Obu signifies travelling. But was it going to be a religious or personal travelling? If religious, under whose platform must He travel? Must He take a cue from the women and let Men Fellowship sponsor it? These were the questions that occupied my mind when I met with Late Prophet Roy Nadozie the Chairman of the Spirited Children's Fellowship, Lagos Branch in Room 19 of the Brotherhood Guest House. After explaining to him, we resolved to meet with the International Chairman of the Spirited Children's Fellowship, Pastor V. A. Essah at his No.49 Dr. Dean Street, Calabar, residence. There he was briefed on the whole issue, and he accepted the revelation and called it "a fantastic work of the Holy Spirit."

An emergency meeting of the fellowship was summoned at the instance of the International Chairman Pastor, Essah. The matter was introduced by him for deliberation. Every member accepted the revelation and confirmed it as a religious movement. As to the fellowship that must sponsor the movement of the King of Kings, the Chairman reminded the house of the statement the Father made at one of the meetings of the Spirited Children's Fellowship, that, the fellowship is the Father and the Mother of all other fellowships. That as soon as you get baptised into Brotherhood you automatically become a member of the Spirited Children Fellowship. With this piece of information it became clear that the Bishop will have to travel on the platform of the Spirited Children Fel-

lowship since it embraces all Fellowships in Brotherhood.

Having settled that controversial issue, the next point was the venue of the 1st visit of the King of Kings. The emergency meeting reviewed the activities of all Spirited Children's Fellow-

ships in the fold and discovered that it was only the Lagos branch that was very effective and in constant communication with the World Headquarters.

NOT MY WILL TO CHANGE MY RELIGION

contd. from Last Issue

TRUMPET: Apart from the revelations of the man in the RED GARMENT, to you, did you have any other contact with Brotherhood of the Cross and Star before now?

SHEHU: At Bauchi, during the riot, all the churches were burnt by us. We were informed about a certain O. O. O. church that was yet to be destroyed. We marched to the Bethel with many gallons of petrol with the intention to set it ablaze. But despite frantic efforts, the Bethel was fire proof. At a certain point, a man, dressed in white soutane came out of the Bethel. We interrogated him and asked if he was prepared to change his faith to Islam. He said no - on the grounds that his God was good and faithful. We poured a gallon of petrol on him and used all available means to set him ablaze. Again, this man could not catch fire. We tried to maim him physically by breaking his legs, hands and other parts of his body. To our greatest surprise, the man started rotating like a ceiling fan and we experienced some electrical shocks from him. At that point, we left him believing that he might be a ghost. We came back again to the Bethel with a bulldozer to demolish it to its foundation but just as the bulldozer was moving towards the building a child emerged from the centre of the Bethel and was shouting "fire, fire, fire." Suddenly darkness engulfed the bulldozer and some of our people ran away and until this day the bulldozer and the people in the front row have not been seen.

Lagos State was therefore chosen as the venue of the 1st visit of the

King of Kings. It was also resolved that a delegation should be sent to meet with the Bishop. The delegates were Pastor V. A. Essah, Pastor Enwere and my humble self. On meeting the Bishop, he was pleased at the revelation but directed us to clear the matter with the Holy Father, Leader O. O. Obu. A few days later we met with the Holy Father who showered His blessings on us, and approved of the movement saying "Go I am in front and behind you. I am already in Lagos waiting to receive my children all over the world."

When the plan was made public, many important personalities in Brotherhood accused me openly of irresponsibility. But little did they know that I was acting on the revelations of the Holy Spirit. When finally all the arrangements about his movement in all the planes of manifest were completed and all the angels alerted, he departed with his first entourage on the 22nd of June 1990 by plane to Lagos to start his first historic visit to his children in Lagos, the then capital of the Federal Republic of Nigeria. We thank the Holy Father for His wonderful protection over His children throughout this period.

TRUMPET: You want to burn all your charms, this in effect means full acceptance of the Holy Spirit, what are your future plans?

SHEHU: I do not have my personal plans, but whatever the Holy Spirit directs me. Whatsoever a man does on earth is not by his power but by the special grace of the Most High God.

TRUMPET: Having been with the Born Again Churches and attended many crusades, what message do you have for them now?

SHEHU: Given the opportunity I will tell them what I told them before and which they denied me. If by chance I meet with them again I shall proclaim the deity of the Sole Spiritual Head, Leader Olumba Olumba Obu to them and warn them to accept him as the Supreme God since there is no need for blasphemy.

TRUMPET: Considering the artificial barriers amongst all people of the world what do you think is the possible solution to the present problem?

SHEHU: The only solution to the world problems is that everybody should strive to know the God he is serving. Again, unless all the religions, political and earthly leaders come to recognise the presence of the Holy Spirit on earth, peace will continue to elude the world. Besides the whole world should be informed that Our Lord Jesus Christ and Prophet Mohammed in their times told their disciples, that He who is mightier shall come and the one being prophesied about is Leader Olumba Olumba Obu.

Thank You, Father.

COMMENTARY

"And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of heaven to the other." Matthew 24:31.

The message to the people and brethren of Edo State at the recently concluded Holy Queen Mother's Visit to the State was, in part an appraisal of the status and contributions of women to the growth of the New Kingdom. In the message, the significance of the visit, the virtues of the great woman who brought forth the Iron Rod Ruler as well as the mission of the Holy Father on earth were highlighted.

It was stated that, that great woman who brought forth the Iron Rod Ruler of this age, Mother Ibum Olumba Obu was an embodiment of love, humility, peace, kindness, honesty etc. Hence all those who come through her must, of a necessity exhibit these characteristics. It added that women of the New Kingdom have through their activities proved that they are worthy daughters of that great woman, Mother Ibum Olumba Obu.

But the aspect of the message worth noting here are the contributions made by women to the growth of the New Kingdom. Since inception, the Women Fellowship, the Umbrella Organisation for women in the New Kingdom has left no one in doubt that

WOMEN IN GOD'S KINGDOM

it could set the pace in the activities of the New Kingdom. And, the members have consistently proved that they could keep the pace with women like Mary Magdalene, Mary, Martha, Joana, Susanna and others who found favour in the sight of the Lord because of their devotion to duty.

It is on record that the women designed, built and decorated the Altar at 26, Mbukpa Road Bethel, Calabar. They provided the first set of ceiling fans at the 34, Ambo World Pentecostal Hall and the first Linelum Carpet at the same Hall. Today, the women are re-constructing the Altar at the World Pentecostal Hall to make it meet international standard. Apart from these, the women have undertaken evangelical ministry to places like Liberia, United State of America, United Kingdom, Ghana and Israel of late.

In the area of charitable services, the women are not lacking. It is now very common to find women who have built places of worship for God, assisted servants of God to perform their assignment successfully. Little wonder then that the Holy Spirit, in recognition of the innumerable contributions of the women liberated them spiritually, as an acknowledgement by God of their sense of devotion.

Having watched with interest the activities of the women, we at New Kingdom Trumpet join the Holy Queen Mother, Deaconess I. O. Obu and other well meaning brethren to pay tribute to the woman through whom the Iron Rod Ruler manifested on earth to reveal all hidden truths to mankind. We thank the Holy Father for establishing a Kingdom where people are free to use their talents to work for the growth of the society. We equally identify with the women of the New Kingdom for their steadfastness in the affairs of the kingdom and urge them not to relent effort in pursuing their assignment to a conclusive end.

Meanwhile, much as the women of the Kingdom understand their call to service very well, and have been performing them, they can do better with some assistance from brethren. We therefore call on fellowships and individuals to assist the women in their avowed determination to be pacesetters in the in the Kingdom's affairs. To those fellowships that are yet to grasp the import of their establishment properly; a result of which they have been lacking in the activities of the New Kingdom, we implore them to emulate the women fellowship so as to contribute their quota to the growth of the New Kingdom, in particular, and the human society, in general.

Thank You Father.

world will surely experience the adverse effect of indulging in sins. Apart from Brotherhood of the Cross and Star, there is no other place that one could run to for salvation. This is the only source of salvation for mankind. The people of the world know this kingdom more than you (the members).

They always come here in the spirit. This depicts the Father as the Father of all nations. He is known in every nook and cranny of the world. Therefore, one need not go about telling people to know the Father. Read Matthew 25:41-end.

AVOID EVIL ACTS:

Swindlers, dupes, liars, robbers, thieves and the like should take note of the above texts. They should realise that whatever happens to them is not caused by any human being, witch or any other evil force but the activities of the Angels. The accidents occurring daily on our roads is caused by nothing but the angels. That is why you seldom see the children of God (Brotherhood of the Cross and Star members) involved in such a situation. At various check points, only the people of the world are confronted but the children of God are free. Whenever, members of Brotherhood get to such check points where the police or ordinary people are on duty, they would make way for the

children of God to pass.

This is so because the angels are in control of everything and not the human beings per se. Even while on certain spots of the road that are very rough, it is the angels that manoeuvre the vehicles of members of Brotherhood out of such places. They control the steering and the engine of the vehicles.

The angels are on earth to carry out any work assigned to them by the Father and their work is not evil. They are always ready to protect and guide you. Read Revelation 14:6-13-20. Do not think that those who pass away are the worst sinners, some are even better than you. It is an act of ignorance for one to say that he or she is not like those who have passed away. Then who's thing is carried out by specific angels assigned to handle the process? From the portion of the scripture cited. (Revelation 14:6-13, 20) have you read of any human being mentioned there apart from the angels? This is to show you that, it is the angels alone who are assigned to do all things on earth. Have you gone to impart this very teachings to the people of the world? Eventhough the present problems in the world are but a tip of the iceberg, the world is already panting with fear of the unknown. They should know that the worst is yet to come.

The members of Brotherhood of the Cross and Star are not perturbed at all

because whatever their heart desires, the angels are there to provide them.

Have you not heard about the story concerning a woman in California who is an angel? The angel is there in her place of abode seeing the Father lavishly. A great number of those who used to speak evil against Brotherhood of the Cross and Star are being chained. People do not speak carelessly about Brotherhood of the Cross and Star again. The cases of oppressing and duping of Brotherhood of the Cross and Star members are minimal now because the protagonists of such acts are being chained. Also, members of Brotherhood are no more subjected to maltreatment, oppression and deprivation in government offices. The reason for this is that those who used to indulge in such acts have been reprimanded.

ANGELS ARE MESSENGERS OF GOD:

Since there is nothing we cannot accomplish on our own, we should not boast of anything done by God through us. Stop professing to have done that much for Brotherhood of the Cross and Star, because without God and the angels, nothing can be done on earth. There shall come a time, when people would be harvesting exactly the size of what they sowed. The angels are always very serious in their undertaking, none

of them is redundant as man is. Read Matthew 15:47-50. Anyone who is not mindful of what he does will incur the wrath of God while the mindful ones will be guided, protected and saved.

The angels have no case to answer and there is no judgement for them. This is because they do not fail in their duties. Because of the wrath of God on mankind especially the ungodly ones, through the angels, are infected with incurable diseases that defy medical prescriptions. The children of God should walk majestically, having been assured of salvation, in return for their attitudes towards God's services.

The United Nation is unable to provide solution to wars which are going on in the world. This is very simple for the angels to accomplish in a matter of seconds. Read Matthew 25:31-33 and Read Hebrews 1:1-7.

I am sitting at one corner watching how you face God's wrath for deliberate refusal to obey His injunctions and honour Him.

Let my peace and blessings rest and abide with the entire world now and for ever more. Amen.

TESTIMONY

NOW, I KNOW THE TRUTH

In the name of Our Lord Jesus Christ, in the Blood of Our Lord Jesus Christ, now and even forever more - Amen.

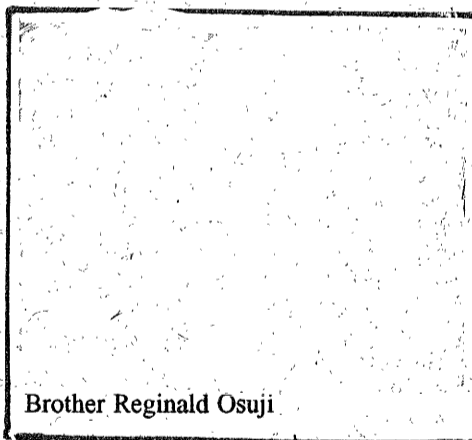

In Matthew 7:7, the Bible says "Ask and it shall be given you, seek and ye shall find, knock and it shall be opened unto you." This is a veritable spiritual truth. The world is full of religions but few lead man to the accurate knowledge of truth. This was my problem with the Christendom for many years. I was born into the Catholic Church but by 1958, it was dawn on me that my spiritual expectations could not be met by them. At that tender age, I started searching for the truth about God. When in 1964 I was admitted into the secondary school, the zeal to serve God in spirit and in truth was burning in me. But all the Rev. Father's could give me by way of spiritual food were still the Catholic litanies and church dogmas.

In 1972, after the war, I wrote officially to one of the acclaimed mystical, occultic and philosophical schools, with the mind that they expose God and His teachings to me in reality. This time, their approach was purely cosmetic and academic. We were advised to get a sanctum (a place for meditation) in our rooms where we must constantly retire to meditate on love, good health, natural laws and peace. I followed them up religiously, studied all the lessons until I was initiated to the

seventh temple degree in 1977.

Meanwhile, the church had failed me, the mystical school could not improve my lot in the society. I was left with one avenue. I decided to give the Native Doctors, herbalists and oracle diviners a try. I went to any length to find out from the oracles what my problems were. None of them was honest enough to tell me that they did not know anything, but they kept on rationalising and attributed my problems to Amadiora the god of thunder while others blamed the water spirit. They confirmed that except, I accept to worship these gods, I will not have peace. For the first time, I refused to accept their verdict based on the conviction that none of my people worshipped these gods.

From there, I turned my spiritual search light to the Cherubim and Seraphim Church and Hare Krsna Movement. Within the period of my stay with these organisation, I was still feeling empty within me. The Hare Krsna Movement was not only alien in its teachings to me but most of the practices were appalling. The prophets and visioners in the Cherubim and Seraphim behaved like demi-gods and there was not trace of humility or love for one another in their utterances and attitudes. I did not judge them but I needed where I will learn practical Godly virtues. I was constantly praying to God to show

Brother Reginald Osuji

me the path of truth in His service.

On 24th of March 1994, I narrated my experiences in the course of my search for God and my intentions to worship Him in spirit and in truth to a co-worker who is a member of the Brotherhood of the Cross and Star. After listening to my tale of woes, he introduced me to his church. It took me two weeks to make up my mind in view of my experiences with churches. Unknown to me that, this time I was to meet face to face with that God of my heart's desire. After the two weeks, I went to Egbema to see the preacher in that Bethel. The preacher was down to earth in his approach to my problems. After praying for me, I was baptised. This was on the 27th of April 1994.

Brethren after my baptism, the veil of ignorance in spiritual things was lifted from my eyes. I could dream and

readily understand the full import and interpretation of such dreams. On reading, one of the publications of the fold, the 3rd Covenant where the Bible Class Lectures of the Holy Father are published, I discovered that, I was spending thousands of naira to acquire from secret societies what the Holy Spirit personified, Leader O. O. Obu give's to this generation free of charge.

After reading the teachings of the Holy Spirit personified Leader O. O. Obu, I agree that my problems arose from my disobedience to hearken to the call of the Holy Spirit. I have since come to realise that nothing is impossible before God. Whatever the machinations of man against you, when the new name of God, Olumba Olumba Obu is called, all powers must surrender. I therefore surrender my whole being and the entire members of my family to the all conquering and protective powers of the Holy Spirit.

Having found this truth and light at no cost, I therefore invite all people of various occultic or religious persuasions to come and drink from this fountain of love, peace, joy, wisdom and knowledge. The wisdom of Olumba Olumba Obu transcends the wisdom of the entire world. Like me, you must have been tired of seeking for the truth. I have found Him. You can also find Him.

Thank You Father.

Bro Reginald Osuji.

WORLD PROBLEMS AND THEIR SOLUTIONS

The Holy Father reveals the solutions to world problems to His adherents.

* TEXT OF DISCOURSE: MATTHEW 13:1-END:

THE TRUTH MUST BE TOLD:

The cause of the problems plaguing the churches of the world and indeed the generality of the people of the world is not far fetched. Different churches of the world claim to be the best. I challenge any of them to tell me one good thing they have done as a body that qualifies them to be the best church. Which of the words of God have they practised in earnest?

People claim that Roman Catholic Church was the first church in the world and that it has many great and wealthy men as members. Is that all it takes for a church to be rated as the best? What good thing in the bible have they practised? Think of a common thing like baptism by immersion as undertaken by our Lord Jesus Christ. Have you seen any member of the Roman Catholic church, including the pope that ever received baptism by immersion? If they cannot practise such a simple teaching, why do they profess to be His followers.

Be it known to you that neither God nor His Words is a respecter of persons. The truth must be told at all times, no matter how it is received by the listeners. I do not do anything to win the favour of any man. Whatever your status in the society, be you a President, Head of State or what when the truth is to be told, I do it without fear or favour. Truth has eluded the world hence the hardships experienced by all and sundry. Formation of organisations and committees is no solution to the problem facing the entire world system.

It is only the knowledge of the truth that will rescue the world. And it will also bring an end to the world's problems. Truth cannot be mortgaged at whatever price. This accounts for the reason why Our Lord Jesus Christ said that it is not every man that can receive

the word of God. But that those who receive it are saved. (Matthew 19:11).

SHUN ALL MANNERS OF SIN:

Some people think that because they are virgins, they can inherit the kingdom of God if they continue to tell lies. Or because they have stopped drinking, they can walk into the kingdom of God when they are still fornicating. Except you refrain from all manners of sin, you have no place in this kingdom. Recall the reactions of the disciples when Our Lord Jesus Christ said that it is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God. They were amazed, saying, who then can be saved? When Christ heard this He turned and said to them, with men this is impossible, but with God all things are possible (Matthew 19:24-26).

Our Lord Jesus Christ purposely deliberated on this truth. His disciples did not think that this truth could be revealed by Him. They thought that by following Christ, they would be entitled to abundance of wealth. But surprisingly instead of Christ, by their own thought, saying that all those that followed Him will from thenceforth become the richest in the world over, rather intimated them that a rich man is likely to miss the kingdom of God. They were astonished at this heart breaking revelation. They conferred among themselves, and wondered that if a rich man would not enter the kingdom of God, who then would? They asked this because their hope was that they would be made rich by the person they followed.

This is exactly the situation with you today. None of you can rightly claim that you came here for the word of God. You are all here requesting for wealth. All your prayers and letters to the Father centre around material wealth. This is the why you become over excited when the Father pronounces that He has given wealth to you.

And this is when you vociferate and will be blooming with joy. Today you are worried just as the disciples of Our Lord Jesus Christ were in the days of old. You detest the truth, but I must tell it to you because this is what I stand for.

THERE IS A REWARD FOR HONEST WORKER:

Wealth can not usher you into the kingdom of God. This kingdom has no need for material things because it will fade away in a short while but the word of God lives for ever. You merely claim that you do not have anything to do with money. But within you, accumulation of material things are your main concern. If you deny this assertion, why do you change your mind and go back to the world when you have problem?

However, there is a handsome reward for all those who have actually forsaken everything and followed God for the sake of the gospel. Peter demanded this from Christ and he was told that all those who forsake houses, brethren, sisters, father, mothers, wife, children, among other material things of this world for the sake of God shall receive a hundred fold. And in addition, they will have everlasting life. (Matthew 19:27-29). This promise is still in force till now and for the generations to come.

But man's promise is short lived. Anything about this carnal world is temporary. It has a defined time. It can not exceed that period else trouble, rancour and violence will set in. But the promise of God endures for eternity. It is only impatience which prompt most people to ask questions. This will make them to speculate that God loves others more than themselves. At times, you conclude that God does not exist. By so doing, you give the glory of God to man. It is greed and blind jealousy that move you into murmuring and blaspheming against God. This will move you to recollect how you have suffered for the sake of the kingdom without reward.

You can not cause God to go contrary to His will and promise for man. God knows exactly what is good for you. He knows that if He should provide you with your hearts' desires at the time you want them, you will backslide and forget about Him. You should know that everlasting life is greater than the material things you crave for.

The world will be ruled by the children of God when all things would have been made new. No sinner will partake in the rulership. If you want to rule with Christ, you have to forsake all the things of this world and follow Him sheepishly. If your reward will be a hundred fold of what you had forsaken, what will you gain if you did not forsake anything. What then is holding you from forsaking what you seemingly have for the sake of this kingdom? You could in this situation be likened to someone rejecting a whole tuber of yam and prefers a slice. There is no disappointment whatsoever for all those that have done the will of God (Read Matthew 25:32-40).

There is nothing in the world. If you had spiritual eyes, you would have beheld this kingdom and the glory of it. John, Christ and even Paul came to this realisation in their time. That was why they left no stone unturned in serving God. They deprived themselves of the material things. They devoted their whole lives and time serving God, knowing fully well that their reward is immeasurable. If you had known this truth, you would not deceive yourself as you do now.

Do you think that God is blind, and that I do not see all the things you do? You pretend to be a very good person when you are in my presence but become something else outside this vicinity. Who is fooling who in this regard? God is omnipresence. He is an all seeing God. You can not trick God. Except you forsake all those things you keep and follow Him in Spirit and in truth you cannot qualify for His reward. The truth is that you do not loose anything serving God. You will rather gain. Afterall, if you practise the injunctions of God, you have the right of sonship, and no more a servant.

As a son of God, you have the irrevocable right to dwell in the house of God for ever. (Read John 8:35). And dwelling in the house of God forever means you will suffer no death. That is, you will have everlasting life, whereas the material things of this world will, in due time, pass away. (See 1st John 2:17) That is not all. See also Matthew 13:43. Note that it is only those who have forsaken all the material things of this world for the sake of God that will have the glory in the kingdom of their father. Whatever the circumstances, this promise

You cannot cause God to go contrary to His will and promise for man. God knows exactly what is good for you. He knows that if He should provide you with your heart's desires, at the time you want them, you will backslide and forget about Him. You should know that everlasting life is greater than the material things you crave for.

At Last The Moment Of Truth

MY MISSION WAS TO CONVERT OLUMBA OLUMBA OBU

No man on earth could have convinced me that, a day comes in my life, when I shall not only adorn the white garment (soutane) but from the point of faith and deep conviction, identify with and worship in the Brotherhood of the Cross and Star. None could have also believed that, I the Chief persecutor of Leader Olumba Olumba Obu and what He stands for, would now become a willing propagator of His gospels of oneness and love for one another. Above all, none would believe that, this BEING so dastardly vilified by me, would embrace me, forgive me, and above all accept me as one of His sons. This then is my story.

I was born into a Christian family. My father and mother were Senior Apostles in the Cherubim and Seraphim Church. When I grew up, I identified with the Foursquare Gospel Church after being BORN AGAIN.

For reasons bordering on perfidy, occasioned by the general attitude of the leaders and members of the church, I decided to give myself a break while seeking the face of God on which church to attend. This time, it must be one that will cause me to worship God in spirit and in truth. I resolved.

Later, I consoled myself that all I needed to do was to practise righteousness and uphold the truth, and all would be well in the service of God. With this in mind, I embraced the Deeper Life Bible Church. Since we had always interacted during my days in the Foursquare Gospel Church, they were aware of my level of spiritual growth and commitment to the service of God. Because of this, they readily accepted me as one of their workers. At a time, I was made one of the Housecarving fellowship leaders at Ajegunle and with time the Zonal leader in charge of Ajegunle. They also appointed me a Co-ordinator, a position almost equivalent to that of a Pastor in the church.

My ordeal, encounter, clash and final submission to the power of the Holy Spirit personified Leader O. O. Obu started when I was introduced by a sister to a lady called Grace in Deeper Life Bible Church. This girl flaunted one of the most intriguing credentials before me. These credentials were that, she spent seventeen and a half years in the sea, within which period she acquired her primary, secondary and university education. That for now she is the Executive Secretary to Lucifer the Devil.

The area that thrilled me most was that she knows all the secrets of Olumba Olumba Obu. That they are the people that gave him powers to rule the earth. And finally she said that in the spiritual realm, Olumba is her boy. She said many other things that kept my religiosity on edge while building within me a determination to deliver all members of Brotherhood of the Cross and Star from the spiritual slavery of Olumba Olumba Obu. I was determined that the covenant must be broken and that Olumba Olumba Obu in the name of Jesus must become born again. I prayed God to make me the instrument through whom, He must be baptised.

Following these revelations about Leader O. O. Obu, people started sponsoring this girl on her defamatory evangelical tours. The motive behind this was for her to publicly expose the secrets of Olumba Olumba Obu. I was part and parcel of this absurd exercise. I took her to Delta State, Lagos State and we used to move from village to village organising crusades, and open air services.

Everywhere we went, I will preach briefly and thereafter handover the microphone to Grace for her calculated blackmail and campaign of calumny on Brotherhood of the Cross and Star and its leadership. What surprised me most

From that moment, I knew that I was resisting a power greater than me and indeed the whole universe. It was an improper thing to do. But before the regrets, my life had been set ablaze.

was, despite the fact that we used money extensively to lobby the Brotherhood members, coupled with the tales of terror perpetuated by Olumba Olumba Obu on earth, we used to end up not converting a single Brotherhood member.

Apparently worried by this trend, I decided to persecute Brotherhood through the electronic media. I organised press conferences advising people to beware of Brotherhood of the Cross and Star and went the whole length, writing to various Radio and Television stations pleading with them to stop airing Brotherhood programmes no matter the amount they promise to pay. I advised them that it was blood money they were collecting. That did not help

matters. Brotherhood of the Cross and Star was growing in leaps and bounds by the day. There was no way stopping them.

But then, I still had one option left. That was to go to the REAL GOD through fasting and prayers. This was to help ensure that the covenant between Olumba Olumba Obu and his members was broken so that, they will all repent and become born again. Finally I decided to embark on fasting for three days. In embarking on this fasting, I was conscious that God answers the prayers of saints. Eventhough, there is no righteous person on earth, I took authority upon the Word of God that, there is no condemnation for those in Christ Jesus. Besides, the spirit of God bears witness with my spirit that I am a child of God. With this singular qualification and His grace, I pleaded with Him (God) to honour Himself.

In the first day of my fasting at about 1.00 p.m. Leader O. O. Obu appeared to me and said "I am the one whom you are persecuting. I am the King of Kings and Lord of Lords."

After seeing him in the dream, I was struck blind. After sometime, I regained my sight and immediately He continued "I am the Lord of Lords and King of Kings. I am the Jesus you are looking for. I am the Jesus you are persecuting. Upon all the crusades, did any of my members follow you. From now on, you are not going to stay. You must come to Calabar, get baptised and start to follow me. Don't you know that, I gave you all the powers you are using. From now, there is no way for you

again. The more you delay the more you suffer." When I was disconnected from that dream, I said to myself, of a truth, this man is satan, he claims to be Jesus I continued with my fasting.

On the second day of the fasting. I resolved to look for Jesus with more vigour. Again, at exactly that time Leader O. O. Obu appeared and like a father advised me to follow Him, that He gave me all the powers I was using in the churches. That He will make the whole world to hear about me, adding that if I resist, I was done for. He then asked if I was ready to follow Him. I kept quiet. He asked me to kneel down so that He could pray for me. I knelt down. After praying for me, He held my ears and said "Have you heard me?" Immediately after this, I woke up. And all these He communicated to me in my language.

When I slept in the night again, I was more determined that Jesus must come to my aid. I hated this encounter with the Devil. With the poster of Jesus (artist impression) on my wall, and the Bible tucked under my pillow, I said "Lord Jesus, tonight I want to see you if you are still alive. Why do you allow the child of satan to be coming to me. Show me what to do."

Just as I dozed off, the cross appeared and I felt happy that Jesus was going to appear. This was closely followed by O.O.O. My mind went to Omnipotent, Omnipresent, Omniscient God, all attributes of Our Lord Jesus Christ. Just as I had prepared my mind to bow to Our Lord Jesus Christ, Leader Olumba Olumba Obu appeared in red garment and warned me to come to 34 Ambo Street, Calabar

COVER

By this time, I came to a sudden realisation that I might be toying with the Almighty God in human form. The Spirit made me remember that in 1981, there was an argument on the personality of God and what form He takes. We went into fasting that God should reveal Himself to us. That night, a man in white short sleeves shirt and short with black pigmentation appeared to me. Then, I said, "so this God is black not white." I could now link that BEING to Olumba Olumba Obu. Since the Holy Spirit made me to remember that dream, I said "God, if you are that God, I saw in the dream sometime, I want that God to come and advise me now." I also remembered that He can do anything so I changed my style of prayers thus: "Jesus, I want to see you face to face, if you are dead and gone, I know God is alive, My God, I want to see you."

Behold, the same man I saw in 1981 appeared in white short and white short sleeves shirt. This man was Olumba Olumba Obu. He started advising me as usual after which He said "I think you are still looking for Jesus" and I said yes.

Then a cross appeared with Jesus hanging on it. He beckoned on me to continue watching. At that point, He changed to that Jesus on the Cross. He came down from the Cross and showed me all the wounds on his hands and legs. After showing me the whole evidence of His death on the cross during His first advent, He said to me "Now that you have seen all things, go to the world and tell them what you have seen." When I was disconnected, I became restless. My first decision was to go and inform Pastor W. F. Kumuyi the founder of the Deeper Life Bible Church of my experiences. After narrating all my experiences to him, he asked me "as a leader of people, if your members would come to you, with a similar problem, what would you answer?" I told him that I would ask them to fast and pray, Pastor W. F. Kumuyi finally said, "you have answered the question, then fast and pray."

After this meeting with the founder of Deeper Life Bible Church, I went to my house. I continued in my preaching job assuming that the battle was over. I was mistaken, the battle was not yet started. For my stubbornness, I must pay for it.

After two weeks, all the Deeper Life Bible Church full time workers had a retreat at Ayabo in Lagos, for three days fasting and praying. Ayabo is the spiritual headquarters of the Deeper Life Bible Church. Pastor W. F. Kumuyi was there with us. While I was in the company of all these workers, house leaders, co-ordinators and Pastors, Leader Olumba Olumba Obu appeared to me. He ordered me to stand up right there and testify before them but I refused. After the three days retreat, I left for my house in Lagos. As I reached home, immediately I felt weak and tried to relax. The next minute Leader O. O.

Obu appeared and asked why I did not testify before the people and if I was going to fear people rather than God. At that moment, fear came upon me. I started shaking, urinating, defecating and messing up everywhere in my house. This time, it was no more a spiritual affair. It was with shame that I had to dry my mattress outside.

From that moment, I knew that I was resisting a power greater than me and indeed the whole universe. It was an improper thing to do. But before the regrets, my life had been set ablaze.

My landlord gave me notice to quit the office eventhough I did not owe him a dime. Before I knew it, he unilaterally arranged for thugs to throw my personal effects outside. My car that was known for not developing faults immediately became a "sic baby." No amount of "drugs" could revive it. The mechanics fed fat on me until I abandoned it somewhere. All other businesses of mine folded up. I decided to sell the car so that I could use the

decided to establish my own church to be called "DEEPER HOLY BIBLE CHURCH."

Many personalities showed interest in the arrangement and I was encouraged to arrange for a launching. On the date of the launching not even a fly showed up. I had exploited all avenues to survive but the odds were against me.

My problem now was how to trace Leader Olumba Olumba Obu. My fear was, whether He will receive me considering the depth of my transgressions against Him, His organisation and the entire humanity. But my conviction was that I have now come to the moment of truth. A time, that I must recognise Leader O. O. Obu for what He is. I smarted around, went to Hon. (Apostle) Melford Okilo the present Minister for Commerce and Industry, and collected a letter of introduction to the Leader of Brotherhood of the Cross and Star. Again, for the last time just as I was thinking of how to mortgage my position as a collared Reverend and become

would order the irons to press the cage. At such moments, it would appear as if He was squeezing the life out of me. I would beg for forgiveness, promising that I would respond to the call.

Then He said "This is a last warning, if you don't come, I will deal with you. Go and tell them that He is the promised Comforter." As a last attempt at helping myself, I decided to visit a herbalist who promised to do something to avert my predicament. He charged me only N200.00. Unfortunately for that poor man, his house was not only burnt to ashes but he became deadly sick. It was that tough.

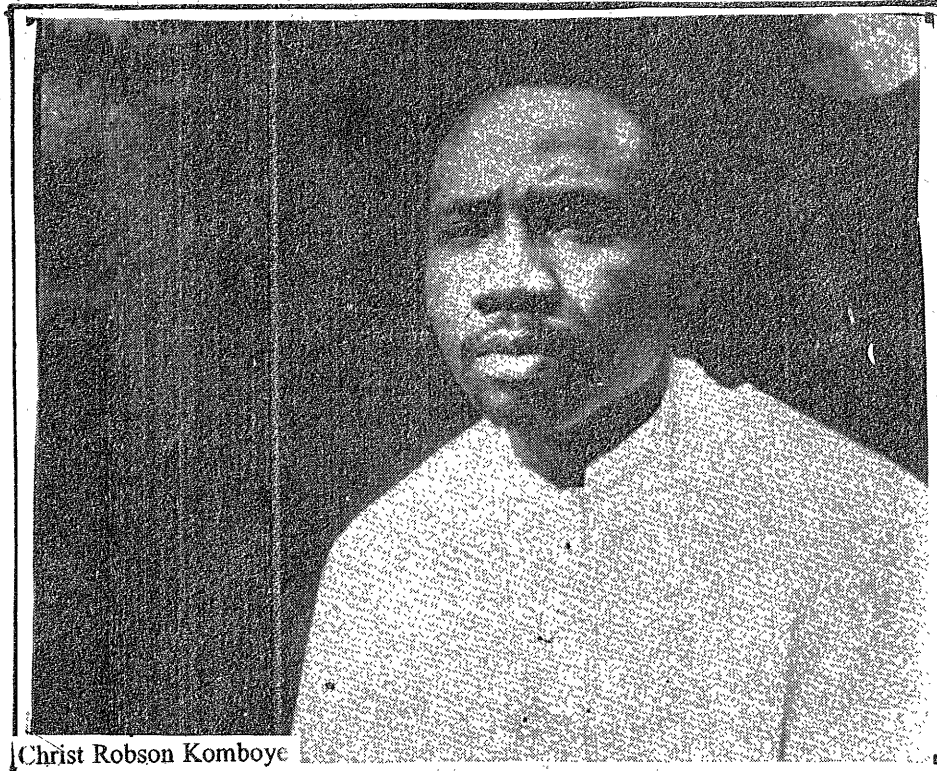

Well brethren, there comes a time in the life of a man that you can no longer resist the invitation of God. If you were destined to be saved, there might arise temporary set backs in the path. But one thing is sure, you will still answer that call.

And so, my time was up, not even the gates of hades could prevail against it. I decided to visit one Bro. Ime, a visionary at No. 25 Ekwe Street, Port Harcourt. It was my own way of finding out what I should expect in Brotherhood. This man of God said "Bro, you are a pastor, your problem is between you and the Holy Father, Leader O. O. Obu. All you need to do is to go to Calabar and see Him physically. If you need my assistance, I shall direct you."

With this confirmation, I requested that Bro. Ime takes me to Calabar. He obliged. On entering the World Headquarters of the Brotherhood of the Cross and Star, I knew that I was delaying in coming to where I rightly belong. Before I testified the Holy Father, Leader O. O. Obu, from that throne of grace said "My persecutor, my persecutor, you are welcome." He accepted me, forgave me and commissioned me to let the world know what I have seen. In keeping to this divine commission, I now inform the whole world that, the Holy Spirit the Comforter, that Spirit of Truth had since personified in Leader O. O. Obu, the Sole Spiritual Head of the Brotherhood of the Cross and Star. All the campaigns of calumny by me and others are hereby regretted. I now know the truth. May you forgive us all.

Thank You Father.

money and obtain a visa to travel outside the country. It was a good idea though, but in the process to procure the said visa, the money moved into the hands of a "419" syndicate. Meanwhile, there was no spoilt car to fall back on and the chances of travelling outside was aborted.

Seeing this situation, a friend of mine decided to give me a loan of N120,000 (one hundred and twenty thousand naira) in order to enable me travel. I asked for permission to go and see my parents. The journey was not to be, because the bag I packed my belongings just disappeared and my friend in a negation of our arrangements had used the money, to secure another fairly used car for himself. I sought for assistance from all and sundry but no help came from anywhere. I went to Chief Rufus Ada George, the ex-Governor of Rivers State for assistance. He promised to, but that was the last day, I saw him. It was impossible for me to see him in his office. As a last resort, I

an ordinary member of the Brotherhood of the Cross and Star, Leader O. O. Obu appeared with a cage in His hands. It was the type they use in caging dogs. It had a chain outside. Without the Holy Father, Leader O. O. Obu saying a word, I found myself inside that cage. My world was narrowed to that cage. Just then two irons appeared on either side of the cage. Momentarily, He

ise cannot be altered. The promise of God must forever be fulfilled even if the heavens and earth come together. (See also Revelation 2:26-28)

The present condition of the world is informed by dishonesty and falsehood. Had there been any truthful person, the world would have been different. If you (Brotherhood members) have practised the truth as revealed to you in this kingdom, your sterling qualities would have endeared you to the world for leadership. The people of the world would be coming to me to request for a leader from amongst the members of Brotherhood. All appointments would have been made from amongst you. Other nations of the world and Nigeria in particular would come to me to appoint president, ministers, governors, local government chairmen for them. (Every woman in need of a good husband and every man in need of a good wife would all be coming to the Father requesting for one amongst you. It is under such a condition that every appointment both in the public and in private sectors would have been made solely amongst the members of Brotherhood because of your sterling qualities. This would be so because you resemble the Father who is the owner of everything. Here in the kingdom, there is money, employment opportunities and indeed all the good things of life. The only thing that is lacking is honesty. There are no honest people to harness these abundant resources for the benefit of all. This task cannot be accomplished by a sinner. No sinner will ever have access to this kingdom. All manners of sins and sinners themselves will perish. Whoever claims to be a Brotherhood yet commits fornication, adultery, idolatry, murder, covet, dupe, sues someone to court or engages in any form of evil shall not gain entrance into this kingdom. Whoever continues to sin yet claims to be a Brotherhood member, is making false claims and he is a liar. If you live in someone's house and refuse to pay rent as at when due, you are not a Brotherhood member but an anti-Brotherhood. All Brotherhood members should live exemplary lives worthy of emulation and acceptable in the sight of God. You have to leave a completely sin-free life. The people of the world and their governments are in dire need of honest men hence they turn to Brotherhood members to take charge of their treasuries. They do this in the belief that Brotherhood members have no need for luxuries. Like those appointed into key positions in the government, not much is required from the government in terms of hotel bills, entertainment bills, hospital bills etc. This is because if a Brotherhood member travels to a place he would prefer to sleep in the bethel, he neither drinks nor eats meat. When he is sick, he does not go to the hospital nor a chemist but he is treated freely spiritually. But the situation is different with someone who is not a Brotherhood member. He would receive allowances for all these things

and yet incur extra bills. The problem with you is that you have refused to practise the truth. You are all rendering eye-services and pretending to be good in the presence of the Holy Father but the moment you are off, you become a wolf. You think the Father does not see you.

The people of the world are blaming you because, their hope is in you. This is because you have refused to live up to their expectations; they are greatly disappointed. This, therefore, accounts for the negative comments they make against you. After all hope deferred makes the heart sick and a broken heart forces out evil utterances. I want you to note that the blame you receive from people as a result of your failure to practise God's injunctions signifies the annoyance of God. If you start to practise the truth as taught to you in this kingdom, you would not lack anything. Many of those who had regarded themselves as great men have now been brought low because of their dishonesty. If you occupy an exalted position in the government and you use that opportunity to exhibit dishonesty, you would be

criticised and subsequently removed from office. Someone else would be appointed to take your place immediately you are removed. This is the reason why George Bush suffered defeat during the last presidential elections in the United States of America. This is also the cause of delay in the election of a civilian president in Nigeria. Much money has been spent by several aspirants in buying both the electorate and electoral officers.

The politicians themselves should by now realise that the present Nigeria is different from the past. It may not be easy for them to bulldoze their way to the government house. The loss incurred by those aspirants now could best be imagined than described. Yet it is a tip of the iceberg. Wait and see what will happen in future. Money is no more the source of power because it cannot buy power. The only qualification as approved by God is perfection. This invariably means that, this is the time for the children of God to rule. All the important positions in the world will be occupied by Brotherhood in the nearest future. This is the time for love and truth to rule. Who in the world has the authority to judge a child of Brother-

hood? Those at the helm of affairs in governments are corrupt lots; the Inspector General of Police is not honest, the President, Attorney General and indeed all the government functionaries are dupes. Can a criminal judge the righteous? The whole world is now afraid of members of Brotherhood of the Cross and Star. Whenever they wish to perform their havoc, they think twice because of the presence of members of Brotherhood. The people of the world are afraid of you because, they are not doing the right thing. Read Matthew 13:39-42.

This shows you that the word of God is truth and so it remains for eternity. What do you think is the cause of all the sicknesses in the world today? Dreadful sicknesses as Aids, strokes, kwashiokor among others are caused by man's disobedience. Whosoever disobeys God must suffer for His disobedience, the problems in the world today is a fulfilment of the words of God as recorded in the scriptures. (Read Revelation 9:1-20).

THE SPIRITUAL WAR:

There is nothing in the world that takes God unawares. Anything that happens in the world is in accordance with what was predestined. The wars

Star members do not seek for any help from them.

A spiritual song has it that, they have been identified as such, they are blameless. Those who lack the identification mark of God on their foreheads, would be destroyed. One needs to know that it is the angels who identify the worthy people. But the question is, do you have this identification mark? Read Revelation 7:1-end. So beloved, use the portion above, to affirm that, it is the angels who are doing every work now. The hall is always filled with angels. It is therefore imperative that all should humble themselves and also keep silence whenever we are before Him.

If it should happen that, while you are in the hall worshipping, then fire descends from above on you, you should not attribute it to anyone else, but to the angels. Many markets have been reportedly burnt down without the government, soothsayer, necromancer or churches knowing the sources of the fire. But now, you have been made to know that, it is the angels who are the brain behind every happening in the world ranging from epidemic, war, famine, drought, earthquake and many other natural disasters. There are diverse duties here on earth to be

If you (Brotherhood members) have practised the truth as revealed to you in this kingdom, your sterling qualities would have endeared you to the world for leadership. The people of the world would be coming to me to request for a leader from amongst the members of Brotherhood.

you hear about in different parts of the world are not accidental but manifestations of the spoken word of God. Government is no longer effective. That is why they are unable to find lasting solutions to the problems in the world. The whites and the blacks have tried all their best to arrest the wars which are going on in the world today. For now all efforts have proved abortive in quelling the wars owing to the fact that, the wars are not caused by man but God. In the same vein, the natural disasters you experience and hear about are undertaken by the angels. That is why man cannot contain such situations or prevent them from occurring.

The angels have been commissioned to start full operations. Christ assigned all angels to take charge of everything that happen in the world. The destruction of the world and all the ungodly things herein would not be carried out by man or fire. The entire world is subject to destruction, but the children of Brotherhood of the Cross and Star have salvation. This deduction is right because, it is the people of the world only who come to Brotherhood of the Cross and Star for help and salvation. Whereas Brotherhood of the Cross and

accomplished by the angels, so also are many angels here on earth. Some angels are responsible for justifying while others condemn. Furthermore, there are some angels whose sole duty is to bring converts into the kingdom while others are responsible for ejecting people from the kingdom. So all works are done by the angels. Only human beings sleep but the angels never fall asleep or slumber. Their main concern is to carry out their assignments effectively. At the fullness of time, the whole world will be shaken to its foundation because, all those who refuse to listen to the word of God will be condemned while those who embrace and exalt God would be saved.

The said task would not be accomplished by any one else, apart from the angels. "Read Revelation 11:1 to the end" The above portion, is what Asassu Inyang Ibom and Chukwudi have been reading to people, any time they wish to deceive people. Whenever the said portion is read to you, you get shaken. The content of that portion of the scripture is exactly what will happen here in the world. He who takes delight in committing evil, should continue. The whole
