## **CHAPTER ONE**

### **THE REIGN OF GOD ALMIGHTY**

#### **FIRST LESSON: REVELATION 21:6 - 7**

*And he said unto me, it is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely. He that overcometh shall inherit all things; and he shall be my son.*

#### **SECOND LESSON: REVELATION 22:1 - 2**

*And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb. In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations.*

#### **GOLDEN TEXT: REVELATION 21:22 - 23**

*And I saw no temple therein: for the Lord God Almighty and the Lamb are the temple of it. And the city had no need of the sun, neither of the moon, to shine in it: for the glory of God did lighten it, and the lamb is the light thereof.*

#### **INTRODUCTORY CHORUSES:**

1. "THE LAMB WILL PROTECT THEM AND WILL

TAKE THEM TO THE FOUNTAIN OF LIVING WATER."

2. "MY PEOPLE COME, FOR I DO NOT DESIRE THAT YOU PERISH: COME AND MAKE PEACE WITH ME."

### **WHAT IS BOUND IN HEAVEN:**

Brethren, this is the time of joy and era of God's glory. The intricacies of the kingdom have been revealed to you as contained in the Golden Text thus:

*"And I saw no temple therein: for the Lord God Almighty and the Lamb are the temple of it ...."*

It is the Lamb who speaks and feeds us in the kingdom. He is the door of every work; he teaches, protects and accomplished all things in this kingdom. Nobody is involved in the administration of things in this kingdom.

Brethren, it is due to our disobedience that the whole world is faced with untold suffering and tribulation. Man was not meant to experience tribulation, for man is incapable of accomplishing anything. God alone is the accomplisher of everything for us and it is done by grace. God provides us with such things as houses, food, clothing, good health and life in accordance with the biblical statement that: "whatsoever is bound on earth is equally bound in heaven".

Who is he that prepares food in the spiritual realm for all the birds, animals, fish, trees, leaves and even wind? Who is their provider? Of the entire creation of God, man is the most

*The Reign of God is at Hand*

important and he alone has the likeness of God. This being the case, why then should man face so much suffering while the other creations are well catered for? They do not sow, reap nor engage in trade yet they are well fed without strife. Do birds, animals, fish and other creatures engage in the business of governance? Are they in missionary activities? Do they marry or given in marriage? Yet they are all well fed. But in the case of man, he suffers like a killer and like a thief. He engages in farming and trading yet he lacks food to eat. Therefore, the Father has come in this New Kingdom to fulfill His promise made years ago. That what is bound on earth should equally be bound in heaven. Consequently, there shall be no more suffering; right now, only joy flourishes and abound in this kingdom.

Brethren, let the first lesson be read for I do not intend to take you further.

#### FIRST LESSON: REVELATION 21:6 - 7

*And he said unto me, it is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely. He that overcometh shall inherit all things; and I will be his God, and he shall be my son.*

#### SPIRITUAL CHORUS

"HALLELUJAH, HE HAS SAVE ME  
AND I WOULD NOT LEAVE HIM  
I AM GLAD BECAUSE HE DID SAVE US."

## **SIN LEADS TO SUFFERING**

Brethren, we have been saved today. Are you not saved? Has there been any day you saw any animal going to the hospital? Have you ever come across an animal from the bush in search of medical attention? Similarly, have you ever seen birds of the air, fish in the water and other creatures in search of a medical doctor? Do they look for a herbalist? Have they ever fallen sick? The answer is no! It is only human beings who fall sick often. Why is it so? It is because of the sins committed by man. The animals do not fall sick and this is what is most desirable.

Brotherhood of the Cross and Star is a perfect example, what happens here is that if a sick person comes into the fold, once the word 'Let' is pronounced, he is made whole instantly. And that will mark the end of the illness. Once it is said! 'Let' death, poverty, illness and all other problems cease with immediate effect. If a child of this new kingdom goes into the world to testify these mysterious works, people out there would rather mock at them, claiming that the power behind such wonderful works is ill-gotten from diabolical source.

People get so perplexed to see a child of Brotherhood who is jobless and yet he successfully sponsors three children in school. Also these children perform marvelously well in their studies. A lot of things that take place in Brotherhood happen mysteriously.

In spite of these wonderful events unfolding in Brotherhood, yet none of you has come to the full understanding of the intricacies of this kingdom. You do not engage in any

profitable business yet you have a lot of money.

There are other great things happening in the Kingdom. At times you go to the market with a single commodity but return home with a hundred commodity. In the same vein, you may sow crops in a small piece of land, but during harvest, you reap bountifully to the amazement of your neighbours. If I may ask: are you the doer of such wonderful works? It is stated in Psalm 127: that:

*Except the Lord build the house, they labour in vain that build it:*

*Except the Lord keep the city, the watchman watcheth but in vain.*

He has therefore come to take absolute dominion over all things and to demonstrate to us His love. This is the era of God's rulership. Therefore, you will no longer fall sick, experience poverty, suffering nor tribulation. There is no more insecurity or lamentation.

You have been advised to desist from preparation of charms, taking to drugs, injection and purgatives. But out of ignorance man continues to doubt. He argues that what would be the fate of a sick man without attention. that, he would die. By not heeding to this divine advice, you invariably disobey God's injunctions. You are warned against consulting any necromancer, taking drugs, preparing charms, cutting marks on your bodies and rubbing diabolical substances for protection. Children of Brotherhood do not desire any of these

things.

Brethren, let the second lesson be read for there is an important point to be noted. God is the owner of everything on earth. Are your eyes really open?

## SECOND LESSON: REVELATION 22: 1 - 2

*And he shewed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb. In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations.*

## **GOD'S GOODNESS SUFFICIENT FOR ALL**

Brethren, have you understood that? That is exactly what exists, and is obtained in this era. In a while there shall be no more death, sickness, poverty, starvation, drought, scorching heat, for all these things shall be exterminated. Consequently, all those who listen to and carry out God's injunction shall witness His glory. God does not desire that we perish or lose this kingdom. He wants us to witness it and enjoy the goodness of the kingdom for God's goodness is sufficient to us all.

Brethren, the punishment the entire world is facing is as a result of our disobedience and evil deeds. This is in line with what God has clearly stated that whoever commits sin must pay its price.

God is working round the clock from morning to night, both in your dreams and while walking in the street. Despite this enormous work there appear to be no impact felt as a result of lack of food for us and improvement in our general well being. This is traceable to the punishment we receive as a result of our sins. Right now, if we should repent and abide by God's injunctions we shall be free from hunger, thirst, sickness, hardship and suffering. We shall remain ever young. The sun shall not smite you by day nor the moon by night.

Tell me, if you abide by God's injunctions, what shall you do with food? Who would you quarrel with? God is the sole Being who shoulders the responsibility of providing our needs in life. If He is your provider you will go about freely without problems. Brethren, let the golden text be read.

**GOLDEN TEXT: REVELATION 21: 22 - 23**

*And I saw no temple therein: for the Lord God Almighty and the Lamb are the temple of it. And the city had not need of the sun, neither of the moon, to shine in it: for the glory of God did lighten it, and the Lamb is the light thereof.*

**SPIRITUAL CHORUS:**

**"THE BRIDEGROOM HAS BEEN CHOSEN  
THE SON OF GOD IS THE BRIDEGROOM."**

## **THE AGE OF BLESSING**

God is the provider of our clothings, food, shelter and every other thing: that is why we are as free as air. We have

therefore entered the kingdom of God. So, all those who have entered into this kingdom have entered into the eternal kingdom to find joy and happiness.

Brethren, where would you say is the vineyard of God? Where is its location? Where is the office of God? All these things are glaring examples pointing to the fact that we do not know what we are; we neither understand ourselves nor what we indulge in. And as drastic consequence we receive punishment for our ignorance and sinful nature. But the time of blessing has now come. This is the time for peace and goodness, for in due season whatever belongs to man shall ever remain with man. God had pre-planned and set aside this glory for His children to enjoy with Him. The time has therefore come for the children of God to enjoy God's kingdom with Him freely and daily. As a result of this enjoyment no one shall be hungry, thirsty, lack anything, lament, cry or suffer any predicament.

Brethren, I do not want to be tedious with you. If the children of God lack what to eat, how then will Satan have what to feed? Since we are the children of God: the first, second sons, first, second daughters and last born, we are the children of God. Hence, all that is God's possession belongs to us: also all that belong to us belong to God. When then should man experience so much tribulation.

This is the era of obedience to God's injunctions. That is why it is stated emphatically that, when the Comforter, the Holy Spirit shall come, he shall lead you into the accurate knowledge of the truth; for He shall not speak of His own but as he

hears from the Father. Therefore, in as much as we have heard His voice and carry it out, we shall witness the glory of God.

God does not surrender His rulership to Angels, man or anything, He rules by Himself. He has come to rule and superintend over all His creation. There is no more problem. the rulership of God is so beautiful and enjoyable. I hope you have started enjoying the goodness and the rulership of God's kingdom.

Brethren, a stroke of cane is sufficient for the wise. He who has ears to hear let him hear. May God bless His holy words.

*Thank You Father.*

# CHAPTER TWO

## THE MOST WORTHY LEADER

### FIRST LESSON: LUKE 4:18 - 20

*The spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the broken hearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, To preach the acceptable year of the Lord. And he closed the book, and he gave it again to the minister, and sat down. And the eyes of all them that were in the synagogue were fastened on him.*

### SECOND LESSON: LUKE 10:1 - 2

*After these things the Lord appointed other seventy also, and sent them two and two before his face into every city and place, whither he himself would come. Therefore said he unto them, the harvest truly is great, but the labourers are few; pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.*

### GOLDEN TEXT: JOHN 4:23

*But the hour cometh, and now is, when the true worshipers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him.*

## **THE RULING INSTRUMENT**

Beloved brethren, it has pleased the Almighty Father to use the gospel which is disdainfully treated by people to save all those who believe in Him. It is not an easy thing for me to read the bible and understand it but through the manifestation of the Holy Spirit, and the spread of His divine gospel it has now been easy to read and understand the Bible, which hitherto was not possible. These gospels given unto you does not come from this earth hence they are original gospels which no human being can comprehend the truth therein. Therefore, it is the number one gospel both in heaven and on earth and the words therein would be used in ruling the entire universe. I am telling you that all knowledge of this earth are quacks. This gospel has nothing to do with the House of Assembly, Senate, House of Chiefs or the House of Lords because all those things are all inferior. However, this is the only gospel that will lead you to life eternal.

This is the reign of the Holy Spirit but the world neither has it (the Holy Spirit) nor believe in it. So what will be used to rule the world? The Holy Spirit is the perfect leader, hence there is no other way that leads man to eternal life except the power of the Holy Spirit which has now been commissioned to travel with you to all nooks and crannies of the world to spread this gospel: and it is only through the teachings of the Holy Spirit that man can be led to eternal life.

Have you not heard that the children of God will judge the world? Is this not that judgement? Therefore go and tell the world that the presidency and other worldly administrative

*The Holy Father Remitting Peace and Joy in the Midst of His people.*

structures no more exist except the Holy Spirit who is now ruling the world. Tell them that they should stop oppressing and humiliating people, that they should set the captives free, they should not kill, punish nor sack them from work, for it is the Holy Spirit alone that judges and condemns. Tell the world that it is high time it listened to the teaching of the Holy spirit for he is in authority and controls all power. You have been given the authority to go out and give these words to the presidents, ministers, governors and commissioners. Tell them to forsake all manner of sins and evil deeds because this is the reign of the Holy Spirit.

## **NO MORE COUPS**

Since the Holy Spirit made the pronouncement that there will be no more coup detats and assassination of presidents, have you not seen that His words have come true? Everything is done according to the dictates of the Holy Spirit. His recondite teachings and its subsequent spread throughout the world have frightened all those who indulge in the perpetration of evil. Also, His words have wrought wondrous works and have engendered stability in the world. That is why all assassins and coup plotters no more succeed because the words of the Holy Spirit is efficacious and immutable. The entire universe should know that it is the Holy Spirit who will judge on the judgement day. Let everyone start now to do what is good. Go to the Cathedrals, the juju priests, presidents, necromancers and the secret societies and preach these words to them, let them realize that it is the children of God that will judge the entire world. I have also commissioned you to explain to the people of the world their wrongs

and the evil acts which they are perpetrating.

Everybody knows that Nigeria and Cameroon had some misunderstanding because of one thing or the other, but now it is being resolved, because both Camerounians and Nigerians are my children, hence there will be no war between them. Brotherhood of the Cross and Star revealed the physical existence of the Holy Spirit in Nigeria to the Camerounians, therefore they should not wage war against each other nor oppress one another. the Camerounian Head of state has realized this truth and is equally believing in it.

How you now understood the powers of man? Every human being, irrespective of age, has some powers. So spread these words of God everywhere in the world and tell people about this truth because this is judgement time. This gospel constitutes the book of judgement and no debates is permissible.

War has ended everywhere in the world because its time has passed. Our assignment now is to preach these words of life, words of truth which, of course, are the word of God. if you are a member of Brotherhood of the Cross and Star and you have not yet gone into the vineyard with your Bible, it means you have not yet started practicing the word of God, which implies that you have not yet known the doctrine of Brotherhood. Churches will cease to operate because they have not the truth nor do they believe in it. Therefore, disperse them with the words of God. they must close shop and vacate these churches for they are not preaching the word of God,

so they should give way to the children of God. There is money in Brotherhood, there is wealth; the field are all wide but the reapers are few, so you have to go into the world and preach the word of God but be honest in all your undertakings. Heaven, earth and the fullness thereof all belong to God; but what use do you want to put it to? Owning houses abroad is irrelevant but accepting the will of God and appealing to Him to provide honest labourers to work in His vineyard so that the world may be in peace in honourable.

## **THE PROPAGATORS OF THE WORD OF GOD**

I am telling you that the little children have their work to accomplish. The women also have their own work to accomplish. And everybody have their respective tasks to accomplish. Same was during the era of our Lord Jesus Christ. There were many people in the city but he went forth to capture Paul who was before then known as Saul. Paul was a personality; he was learned and popular. On his way to Damascus he was made blind - this was to reveal the glory of God. It was at this juncture that God sent Ananias to him to place his hand on his head (Paul's) that he may regain his sight, because He (God) knew that Paul would be the one to reveal His glory and name in this cities, and also spread the word to the whole community. Ananias said that he (Paul) would be the one to reveal the glory of God before the kings and Lords of the world, and also reveal His name to all the inhabitants of the world. So you have to pray God to extend his call to the righteous people who would go to all the nooks and crannies of the world revealing His glory and preaching His word. He has started doing this work already in the name of

our Lord Jesus Christ - Amen.

Sometimes you could donate 50 million naira or build a mighty Cathedral thinking that you have done noble. Yes, you have done noble, but partially. However, your paramount obligation is to preach the gospel; for which purpose you were anointed. Tell people about their evil acts and set the captive free. Go to the streets, houses, and everywhere and inform the people about the reign of the Holy spirit, because every person has an assignment to accomplish, therefore, all hands must be on deck. I am telling you that the word of God is the only instrument that would be used to destroy and rebuild the world. It is said those who call on the name of the Lord shall be saved. But the question is "how can they call on the name of Jehovah and be saved when they do not believe in it? How can they believe in the name when there is nobody to introduce the name to them, and how can they hear these words when there is no righteous preacher who will explain it in detail to their understanding? Though you were not sent earlier, you have now been sent with all authority and power to go and preach to them that the Holy Spirit is now with men. He is the one to teach and will judge the entire universe on his judgment day.

Go and tell the whole world that the time of judgement is at hand. There are those who, although they have received this word, still harbour doubts in them. Hence, you have to go to them and broaden their understanding. Impress on them the veracity of the word. Open their eyes and admonish them to practice the word of God for by so doing will they come and

embrace this kingdom.

Just like one of our brothers testified, getting to them is not an uphill task because they are equally drawing closer to you. God has called millions of you, revealed unto you His glory and has preached His words to you but you have not hearkened to his command, rather you are materialistic. Your problems stem from your claim that you are a spiritualist, a governor or a Roman Catholic, but whereas these are vain claims. Recall Jonah, how he disobeyed God when he was commissioned as a fisher of men. As he was trying to escape from God, he was thrown into the river and was consequently swallowed by the whale which took him to his assigned destination.

Admittedly, you have continued to lament and weep over your shortcomings because you have failed to abide by God's instructions by not carrying out your assigned responsibility. However, if you are steadfast with the word of God and also carry out your assigned duty, you will live a life devoid of problem and lamentation. Anything you do is as approved by the Holy Spirit; that is why I am telling you that the Father is everywhere, in the prisons, mountains and the world beneath. He is also present in the Hades.

This week - the Universal Youth Fellowship Week, is really very great. This week in fact, is likened to a spiritual workshop. Therefore, you are invited to come and have your slumbering spirit revived, that you may be empowered to go into the world and let them know about the presence of the

Holy Spirit.

Let the first lesson be read. Listen attentively, so that you will know the importance of the assignment given to us.

**FIRST LESSON: LUKE 4: 18 - 20**

*The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the broken hearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, To preach the acceptable year of the Lord. And he closed the book, and he gave it again to the minister, and sat down. And the eyes of all them were in the synagogue were fastened on him.*

**THE SPREAD OF THE WORD OF GOD**

Brethren, that is what was written about you, for it is stated in the book of Isaiah that - The Spirit of Jehovah came upon you when you were baptized, and that Spirit is the word of God. You are a member of this kingdom therefore your work is to preach the gospel everywhere. Tell those who were expecting him that he has manifested here on earth; that the King of kings and Lord of lords; the ruler of the world is here physically on earth, that His reign shall endure for ever. Go and preach to them not to oppress the orphans and to set the captives free. Do not indulge in evil practices nor engage in litigations because this is the acceptable year of the Jehovah.

If you are sick, just confess your sins to God and call on His

name and your ailment would be over. We are all one, irrespective of nationality, whether you are a Jew, Greek or American; there is nothing like white-man or black-man here but what exists is oneness. These are what you are asked to go and preach to the world. Your twenty years in Brotherhood of the Cross and Star means nothing because you are still oppressing and fighting whereas that is not what you are expected to impart to the world. You are to preach to the poor, comfort the broken hearted, preach deliverance to the captive and recovery of sight to the blind. Make the blind recover his sight by revealing the kingdom of God to them, for they are blind, though their eyes are opened because they are not in this kingdom. I am commissioning you to go and preach this word to them that they may see this truth.

This kingdom is not a church, a prayer house, hospital, nor school; but the kingdom of God in totality. If you are blessed with money or food, use same for the service of God. In the same vein, if you are a chorister, continue singing praises to God and if you are a visioner, continue to reveal the glory of God. Do not stop anyone from working for God. If a visioner goes to court and gives vision to the judge, revealing all his woes, he would be surprised and would accept baptism because the world has been seeking for the truth and now the truth has arrived. A brother once testified that two of his friends were making life unbearable to him. One day, they paid him a call but met him absent, but they finally traced him to the church. When he saw them he invited them in and gave them seats. Unfortunately for these two men there was a visioner in the church. As stated in the scriptures that a city

without a prophet is doomed, this visioner revealed their secrets and the evils they have perpetrated. soon after that, they accepted baptism because they had seen the truth and now they are staunch members of this fold. The word is truly a life-giver.

The Spirit of truth is life, power and everything. The Lord says clear the bush and I will set fire to it. Go into the world and preach the word of God and you will have great testimonies. The Crusaders are doing marvelous works. that is why I am telling you that amongst us are choristers, crusader and the youths. There is no division whatsoever in this kingdom but we have to go into God's vineyard and work. If you have two cars use them for the service of God because all those things belong to Him, even your thoughts.

## **THE GREATEST ACCOMPLISHER**

Now the Crusaders only go on ministerial assignment on Fridays and Saturdays but what of other days? Behold a mighty vineyard without labourers! There are not Full-time Workers but the Father, who does all things alone, 24 hours daily, 366 days a year without break. Who in the whole Brotherhood world has seen these things? None! The Father himself is that vineyard. God's service does not only consist in praying for somebody; anointing him with oil or giving him Bethsaida water (in Biakpan) to drink. What is the person's ailment? It is the word of God alone that heals and does everything. If you visit outstations now you will see people quarreling, a Pastor quarreling with another Pastor, but do they know what they are doing? Who will convert people into

## *The Holy Father*

*On that day, ye shall ask in my name,  
and I say not unto you, that I will pray  
the Father for you (John 16:26)*

this new kingdom. You are equally blind because you do not know where you are; so how will you convert people. If the word of God is preached to the inhabitants of a particular country or village they will realize themselves. Therefore, go out and preach the word of God for you all have been anointed and commissioned to do so. If anyone in the whole Brotherhood world says that he has not been anointed, let him prove it.

Brethren, our primary obligation in this kingdom is to preach the word of God to the world and reveal their wrong doing to them. Do not tell people that God has blessed them and their families neither should you tell them that God has blessed them with money. But reveal to them their sins because God is all-seeing. That is the work of the spirit and the most important in the kingdom. Do not tell people you want to pray for them or give them visions for such are immaterial. If I had told you this would you have repented? Our local adage has it that if you visit the mother-toad and find her squatting, you must join her. In other words, when you are in Rome, behave as the Romans. So whatsoever work the Father does, same should be done by members of Brotherhood of the Cross and Star. But those who cannot emulate the Father will be shown the way out.

Preachers of the word of God are the greatest in this kingdom, but if you call yourself a prophet, prophets have their specific assignment. The visioners have theirs, so do the choristers. Recalled when Peter addressed our Lord Jesus Christ thus:

*Then answered and said unto him, Behold we have*

*forsaken all, and followed thee; what shall we have therefore? And Jesus said unto them, Verily I say unto you, That ye which have followed me, in the regeneration when the Son of man shall sit in the throne of his glory, ye also shall sit upon twelve thrones, judging the twelve tribes of Israel (Matthew 19:27 - 28).*

So brethren, same do I exhort you that those who have forsaken their belongings, children, wives and all their wealth and followed the Father will be rewarded a hundred fold and with eternal life. This should be your goal in this kingdom. You should forget about whatever you have forsaken. Sell everything you have and render help to the less-privilege that God may be glorified. You will not lack anything but you will be rewarded a hundred fold. If you do not work in the vineyard of God, of what use are you here? Upon the millions of members of the Brotherhood of the Cross and Star none is a full-time worker, but you will claim that you are doing spiritual work and even go as far as speaking in tongues. All this means nothing. Therefore rebuke the demon and he will run away and the word of God will reform and cleanse the sick. The word of God will also rid you of vices like jealousy, theft and fornication and will instill in you the fear of God. You come here everyday, sing, dance and claim that it is exciting, but do you want to tell me that whatsoever is hot does not cool or vice versa? In the name of our Lord Jesus Christ. Amen.

Let the second lesson be read.

## SECOND LESSON: LUKE 10: 1 - 2

*AFTER these things the Lord appointed other seventy also, and sent them two and two before his face into every city and place, whither he himself would come. Therefore said he unto them, the harvest truly is great, but the labourers are few; pray ye therefore to the Lord of the harvest, that he would send forth labourers in his harvest.*

### **THE WORKERS OF GOD**

Brethren, have you understood that? the field is wide but the reapers are few. However, he has come by Himself sending no one. He is in front and behind you. If you are told to go and work in the vineyard of God you would refuse because every person is mindful of and interested in his own business. That is why you continue to encounter problems day in day out. The Father has now taken control of everything and does everything. Even when he sends you on an errand, He would be there to accomplish it before your arrival. That is why I have been telling you that this world will not pass away until all the words of God are fulfilled. We are all witnesses to these works, so we have to go out and preach the word of God in all the nooks and crannies of the world. Go into the villages in pairs and reveal the glory of God. Our Lord Jesus Christ was not in spirit before His death, but in this generation, he is in Spirit and also walk in spirit. You have to hearken to His words and walk according to his injunctions because we came into this world to bear witness to the work of God throughout our life time and we are God's vessels.

Brethren, you can recall one of our brothers, Brother Mander, who is still a Moslem and a very strong member in Islamic sect. The Holy Father called Him and he is now preaching the word of God, the teachings of Christ and the teaching of this new kingdom to as many as the Father has given him the ability. That brother is not alone, there is another Moslem brother who came and testified how some personalities in Nigeria conscripted them into the Mafia sect, thus sponsoring them to kill people and demolish churches and other buildings with the view to convert Christians to Islam. But he is now baptized into this fold and both of them are eloquent preachers of the word of God. This does not mean that they have denounced their religion, because already we do not have enough space to accommodate people here. Whether you are a member of the Ogboni Fraternity, AMORC, a Hindu or Buddhist, we are not after that, however, you are told to go there and show them the truth; tell them not to oppress people or perpetrate evil. Tell them to embrace righteousness for this kingdom is such that would unite the world, making it one fold under one shepherd. That is why I am telling you that you have to minister to them with all amount of endurance as I am enduring and tolerating you. Do not force them to listen to you or come into this fold. Tell them to maintain their denomination or faith, even with their uniform that they could wear such into this kingdom for it does not make them any different from others. Forsake whatever post you are occupying at present and allow yourself to be used by the Father and by so doing you have accepted the truth. You have to go out and reveal this truth to the people, tell them also about the era of the Holy Spirit

---

Whatever you owned was taken away from you right from the time you were baptized; now, you have been anointed with love. You should forsake all vices like fornication, stealing, killing, etc. The most important thing is to go out and preach the word of truth with honesty and sense of purpose. When you preach, ascribe not the glory to yourself for it is God who preaches. When you have this understanding that he is behind you whenever you speak, then all will be well with you. Their status notwithstanding, as soon as you go there to show them the truth and give them this divine invitation, they will harken and come into this fold which is controlled by one Shepherd, who is the Holy spirit in the name of our Lord Jesus Christ, Amen.

Brethren, I want you to understand that all spiritual assignments have been accomplished. What remains now to be done is the physical aspect, which is to go into the world and practically demonstrate the word of God.

Let our Golden Test be read.

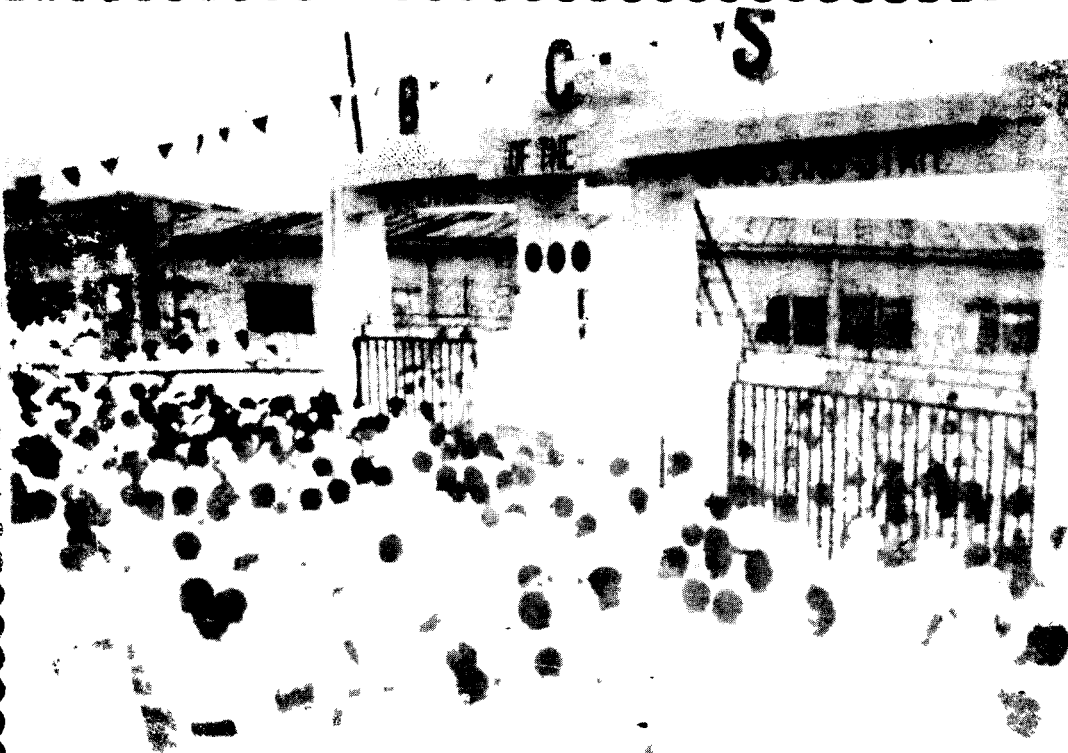

**GOLDEN TEXT: JOHN 4:23**

*But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him.*

## **THE TRUE WORSHIPPERS**

Brethren, have you understood what the scripture had told you? And what that Samaritan woman said;?

# The Reign of God Almighty is Joy and Liberty

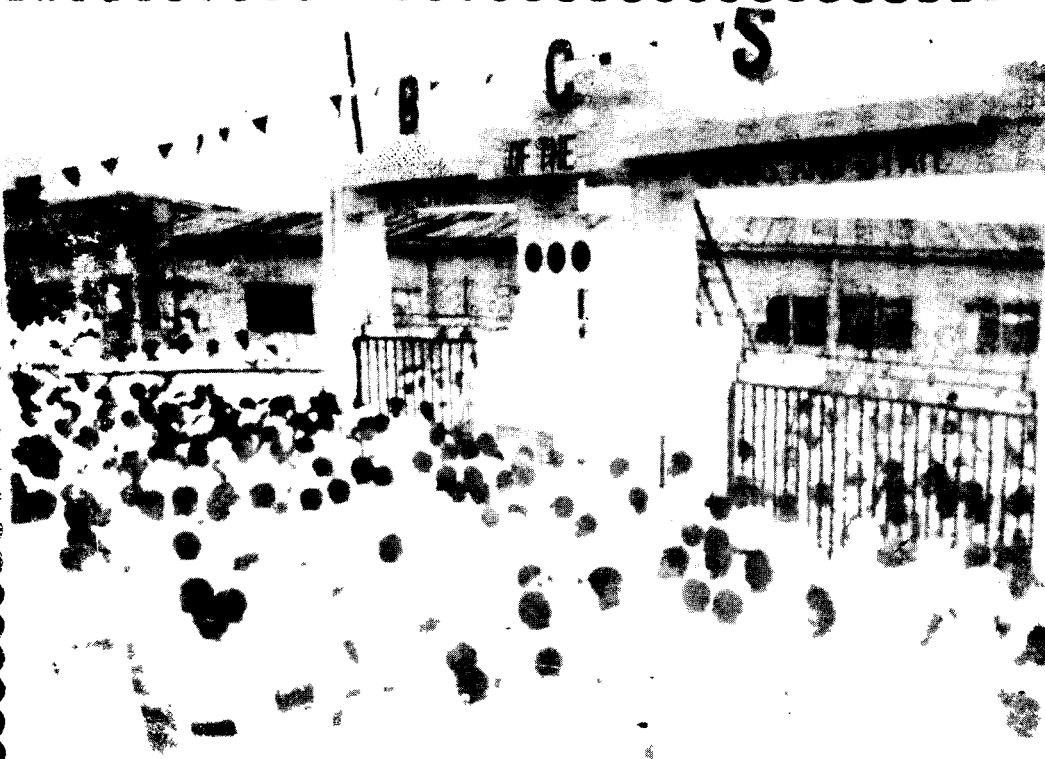

*Who are there in whites, they are they who came out of great tribulation  
and have washed their robes and made them white in the blood of  
the lamb (Rev. 7:13 - 14)*

*"The woman saith unto him, Sir, I perceive that thou art a prophet. Our fathers worshipped in this mountain; and ye say, that in Jerusalem is the place where men ought to worship. Jesus saith unto her, Woman, believe me, the hour cometh, when ye shall neither in this mountain, nor yet at Jerusalem, worship the Father. Ye worship ye know not what: we know what we worship; for salvation is of the Jews. But the hour cometh, and now is when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him." (John 4:19 - 23).*

Brethren, it is the word of God that rules the whole universe and its fullness therein. Everything in this kingdom is being done accordingly and correctly - as it is expected to be. Whenever you pray for the sick, the prayer will heal him. That prayer which you offer for the healing of the sick, is it not the word of God? Therefore, there are no tricks in the word of God. This is because He is the truth and His words is life. This generation has not passed away, yet the things you see here are real and they are right here on earth.

What are you going to the court to do? what are you visiting the juju priest or herbalist for? Look at the courts of law, they have never given any righteous judgment, the Police Stations are plagued with the same malaise. Can a blind man lead a blind man? No, because he himself cannot see? The Holy spirit has manifested here on earth to rule the entire universe with an iron rod and now all evil things have gone. If all the inhabitants of the world have embraced love and forsaken evil, then we would not have been bothered by anything. The

If all the inhabitants of the world have embraced love and forsaken evil, then we would not have been bothered by anything. The

Holy Spirit is here physically on earth and he has accomplished His work. The only thing left is for us to go on bended knees and plead with Him to provide workers. Bring people from far and near to come and practice the word of God. We should equally beseech Him to reshuffled His cabinet and install those that are honest - non-oppressors and non-embezzlers, to work in His vineyard in peace and harmony. The time is nigh so we should pray the Father to do His will in the name of our Lord Jesus Christ - Amen.

Our Lord Jesus Christ stated that:

*Heaven and earth shall pass away but my words shall not pass away. (Matthew 24:35).*

Have you seen those words fulfilling today? Christ also said in John 4:23 thus:

*But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship Him.*

So brethren, we the members of Brotherhood of the Cross and Star are the people whom our Lord Jesus Christ was referring to as the true worshippers. The word is used to accomplish everything and we are living by the word of God in this new kingdom, hence the word of God is truth. In the name of our Lord Jesus Christ - Amen.

Our beloved brethren, it is said that a stroke of the cane is sufficient unto the wise. He who has ears, let him hear. May the Father bless His holy words, Amen.

*Thank You Father.*

### **SPIRITUAL BROTHERHOOD**

The fellowship of this week is a big and wonderful one. You should all therefore remain silent for none of you knows Brotherhood. the number of years you have been in Brotherhood means nothing.

Brethren, the Brotherhood you are practicing is the Brotherhood of man and not that of the Spirit. The type of brotherhood we are practicing is not that of Calabar, Nigeria, Africa or man. You are witnesses to the fact that the Brotherhood now existing is that of the Father, Son and Holy Spirit: Again we are called by God Almighty and he does all things for us. He owns both heaven and earth. He accomplishes all things in life and also cares for us.

You have all been informed of His promise to us today. But the situation is such that you desire to come here as an interpreter or to preach and give visions with the motive of being paid. You sing and are awarded prizes for such services rendered. The question is, where do I get such money from? As a result of this you ask of the type of reward which the owner of this work will give to you? Today you have been informed of His words. You who plan to buy a plot of land deceitfully only to turn back and claim that you neither paid for the land nor made any agreement in respect of the said land all in the name of money, have you heard what He has stated in the gospel?

You take delight in coming here frequently with claims that you will not leave me an inch, with the complaint that you have not eaten since morning. Do I have food, have you seen me with a farmland? Have you seen me established a school, company or shop? Why then do you come here and which father are you coming to visit? Have I not been introducing Him to you? Remember what is stated in the first lesson that you should not crave for material things and that you be

contented for Jehovah God has promised not to forsake or leave you desolate. Is this not His promise?

## **GOD IS NOW ON EARTH**

The owner of the vineyard is now on earth yet unknown to anybody. The owner of the whole world is now on earth and I am here to let you know Him. Have you not observed that I do nothing but He accomplishes all tasks. The heaven and earth including everyone of us is owned by Him. He is the landlord yet you do not know Him and because of this I have decided to introduce Him to you. He is that word of God as stated in Revelation 3:19 that:

*As many as I love, I rebuke and chasten: be zealous therefore, and repent.*

If we all should repent and listen to Him, He will feed us, overcome in any court cases we may involve and do all other things for us free of charge as He has promised. Do not go to any government. What can the government do for you? What can your carnal father, mother, wife, child or anybody in this world do for you? He is alive. Your father (God) is alive and no masquerade can beat His child.

You who call yourself a Christ Servant be conscious and perceptive. All the members of Brotherhood, be you a child of God, Christ Practical Student and whatever post you may hold does not help you. Pay rapt attention to this word of God. This is because if we listen to this piece of advice, it shall be well with us for this is the kingdom of Jehovah God and His Christ and not the kingdom of the world. The

rule is therefore owned by Jehovah God and His Christ and no other person, neither is it ruled by Nigeria or Africa. No man or nation of the world rules or exists in this kingdom except the immortal God. Has He ever instructed you to go to anyone, city, king, village, community or country? Has He ever done that?

Most of you now complain that you went to the King of kings and he refused to employ or give you money, that you made suggestions, telling him what to do and how it is to be done. The same suggestions you make to the Holy Queen Mother. You complain of not able to pay your rents, educate your children and to make ends meet. You attribute all these problems to Brotherhood of the Cross and Star. That now that you are in brotherhood and have completely surrendered yourself to rendering service to her but that Brotherhood has refused to take care of you. The question is, have you cared for Brotherhood? Has Brotherhood of the Cross and Star come to take care of anybody? You came to serve God and He in turn fulfills His promises to those who serve Him. Do not beg anything from anybody but make all your request known to God. He has not enjoined you to meet the Leader, Christ Servant or Pastor in order to plead for anything but make your request to only Him. No matter what it is ask anything you want from Him alone, no matter where you may be. Do not worry yourself over anything, whatever may be the problems on your mind, do not be troubled. Even if you are sued or beaten, do not be bothered for the spirit of your Father lives in you. He is responsible for all your activities. Has the Father ever forsaken you for a second? He is the

great "I am" and remain so with everyone at all times including the child in the womb, a day old child and even the child you bury in the earth. Even when someone is thrown into fire, thus there is no need troubling yourself or your fellow man.

You are not charitable to another person yet you want the benevolence of others. You never allow any of your things to be touched by others yet you want good things in life. In the same vein, you do not give yet you want to be given, you have never exalted anyone at any point in time yet you desire to be exalted.

Brethren, we would not take you further. Let the first lesson be read.

#### FIRST LESSON: HEBREWS 13:5

*Let your conservation be without covetousness; and be content with such things as ye have: for he hath said, I will never leave thee, nor forsake thee.*

#### SPIRITUAL CHORUS:

I will never leave you as orphans.

#### GOD WILL NOT LEAVE YOU COMFORTLESS

If there is any set of people who should have known and taught others what Brotherhood of the Cross and Star is, then it would have been the Christ Students. In the same vein, who are supposed to be more knowledgeable about the kingdom should have been the Christ Witnesses. They are

those who should have practiced the word of God and taught others the right path to follow. However, it is rather unfortunate now because it is not so. This is the problem plaguing the whole of humanity.

When you understand the wisdom of God as contained in today's message, you are enjoined that you should free yourself from materialism but rejoice and be contented with what you have for Jehovah God has sworn never to forsake or leave you desolate. That is His covenant unto the inhabitants of the world.

The same promise goes to the birds, animals, the fish, plant, air and even the angels as well as the heavens and the seen and unseen things. All those who have their faith and confidence in Him are aware of this truth that it comes from God and that it is God's promise to His creation. That is therefore our passport, treasure and the bedrock of all things. The emphasis is as contained in God's promise thus, "I will never leave or forsake thee".

## **GOD'S VICTORY FOR HIS PEOPLE**

Recall King Nebuchadnezzar who passed a decree in his reign that except his image nothing else should be worshipped. Who rescued Shadrach, Meshach and Abendego? Again, recalled Daniel who was thrown into the lion den. Who saved and brought him out of the den of lions untouched? Note Moses whom God sent to King Pharaoh to let His people go. Pharaoh refused to accept and to let the children of Israel go. Was it Moses who went on that errand? For Moses actually

argued with God when he was sent saying, "who am I to go and stand before Pharaoh"? Who saved the Israelites from Pharaoh's hands? Is it not this same God? Pharaoh was then the king and in charge of all the soldiers, necromancers and vested with power. Who was Moses to be able to save the children of Israel out of bondage? When it became necessary for them to leave Egypt, Moses took them out of their different homes without their possession. As numerous as they were, none of them had a farm, neither did they cultivate any crop. Also, they neither had shelter nor possessed anything yet they sojourned for forty years and were all fed throughout this period. Who was responsible for their feeding? Was Moses the person?

When the Children of Israel got to the red sea, Pharaoh was moved by God to pursue them and this he did with his chariots, horses and army. When the Israelites looked back and saw that Pharaoh and his army were pursuing them, they cried, lamented, wailed voices thus saying: *"Oh why have we left Egypt only to come and die by the sea side as ravens? Behold Pharaoh and his strong hold pursuing."* By this statement, it showed that they regretted leaving Egypt only to come out and die by the sea side. God had this point in time instructed Moses to strike the water with his staff which Moses did, the sea thus divided and paved way for a dry land in the great sea through which the children of Israel crossed to the other side of the sea. Pharaoh and his men on seeing this went in and were swept away by the water of the great sea. The question is, till date have they been able to return home? Who was actually responsible for that occurrence? God has

never forsaken anybody and will never forsake anybody.

There are many of such events which if I should recount one after the other from now till night and for millions of years will not be exhausted. He is that same God you do not believe. To buttress this fact, let the second Bible lesson be read.

## SECOND LESSON: MATTHEW 10:9 - 20

*But when they deliver you up, take no thought how or what ye shall speak: for it shall be given you in that same hour what ye shall speak. For it is not ye that speak, but the spirit of your Father which speaketh in you.*

## **THE PROTECTION OF GOD IS OVER HIS CHILDREN**

Brethren, contemplate over the encounter between Saul and David. That little David was to appear before King Saul. But the encounter took place and David succeeded. Again think of how David has to stand before Goliath. all Israelites including King Saul has fled for their dear lives from Goliath. Was David responsible for that encounter and was he the one who fought that war?

Recall the case of our Lord Jesus Christ and how He was rejected by the whole world. This was why immediately he was born, King Herod ordered the killing of all infants in the city in order that He be killed with other infants but did he succeed? In 1914, the world experienced the first world war but God protected His children. The second world war was

experienced from 1938 to 1944 but the protection of God was over His children and nothing happened to them, a lot of you here are witnesses to this fact.

The Nigerian Civil War was also revealed to the children of God and suggestions made that trenches be dug for hideouts and protection during the war. I rejected the idea and informed my children I knew the war had nothing to do with them for "it is he who throws ashes that it returns to."

The only obligation for you is to refrain from vice such as stealing, falsehood, looting, swindling, pride, fornication and others. Many people died during the war but not a limb of any Brotherhood child was broken neither did any lose his life. We were all secreted just as we are now and nothing happened to us. We were protected by God. What type of words of assurance do you expect? He has reassured you that you should not lament or think of what to do in any situation, that the spirit of our Father will always rescue you from whatever problem. The Father who is now in our midst is the only saviour. I am not the one who saves you, neither are you the one who saves yourselves; neither the white nor black is your saviour. None apart from Him. The Father is the conqueror, that is why it is revealed that you should not trouble your heart, lament, cry, commit idolatry. Do not borrow nor lend to any and do not be sorrowful or troublesome. That, you should do away with sadness as far as your life is concerned for the spirit of your Father has accomplished everything for you in the name of our Lord Jesus Christ, Amen.

## **THE GREAT CONQUEROR**

Our Lord Jesus Christ with the excuse that He claimed to be the Son of God, makes the whole world to vow that any day any person claims to be God, that such a person would die. This was even published in the Koran. People confessed that Christ was not God and even stated that there is no God, they also sealed and stamped it that God had neither a prophet nor man meaning that God is non existent that they are the only ones existing. This is the situation in the world. None in the world accepts any who accepts Brotherhood of the Cross and Star. Even among you here, is there any who accept Brotherhood? This is because you still indulge in stealing, murder, fornication, falsehood and other sinful acts. Had these message been given to you by the government and had the government forbidder you from these sinful acts, who among you would have indulge in them? Name one government official even in the Western world who is prepared to carry out these instructions. What you would see instead is individuals, communities, government and other set of people beating their chest that, over their dead bodies Brotherhood of the Cross and Star would not exist. Some people vowed not to allocate any parcel of land to Brotherhood. Some even vowed that, Brotherhood will never build on their soil. Other communities like Ndon Ebom in Akwa Ibom State, sworn that Brotherhood would never build on their soil except in the air. All these wars are not directed to Me but God, the owner of all things, for a messenger does not die while on an errand.

Henceforth, leave all situations and things to God, for He is the one to accomplish all things and give glory to Himself.

Read the golden text.

**GOLDEN TEXT: REVELATION 21:6**

*And he said unto me, It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely.*

**THE GREATEST PROVIDER**

Brethren, have you seen that? I want to emphasis on God's promise. It is on this note that after the multitude who followed Christ were healed of their sicknesses, the disciples of our Lord Jesus Christ instructed that since they were so many, they should rather go to the village and search for what to eat. Christ disagreed and asked the multitude to sit down and they all were seated accordingly. He further inquired where they could get something to buy, His disciples informed Him that the people were so many and that two hundred pounds worth of loaves of bread would not be enough. He again inquired to know how many loaves were available and was told that a young man is having five loaves and two fishes and that, it would not be enough. He asked them to bring the loaves and then the people should sit in fifties. They were all together five thousand in number excluding the little children and women. He broke and blessed the loaves which was eaten and everyone was satisfied. He asked them to gather the remains which filled twelve baskets. Who was responsible for that feat? Was any of them charged even half a Kobo? Is what he is doing now not more than that?

God is an academician, midwife, doctor, teacher, lawyer,

millionaire and a handsome person. What has God not done for you? Despite your unappreciative heart, abusive and pompous way of approach, what has God not done for you in this generation? He has given you all things free of charge. He has given you motor cars, life, children, houses and His love. He has also changed all of us free of charge.

SPIRITUAL CHORUS:

HE HAS NEVER DECEIVED US

BECAUSE OLUMBA IS THE FATHER.

Brethren, you can see that only a few people who followed Him were then fed by Him. But today, the whole of Nigeria, Africa and the entire world are being taken care of by Him. He caters for all those sailing in the seas, flying in the sky, on tree top, in the water, beneath the earth and wherever human beings can be found. God has never deceived man and would never do so. He gives freely from the fountain of water to those who are thirsty. You are not asked to demand anything from anyone for you have been given His telephone number to use. This is to aid you telephone your Father anytime you are in need of anything. This is because He has never deceived and would never do so. He provides you with food, shelter and everything you need hence you have no cause for alarm.

It is said, a stroke of cane is sufficient unto the wise. He who has ears to hear, let him hear. May God bless His Holy words, Amen.

*THANK YOU FATHER.*

## THE UNITY OF HUMANITY

### FIRST LESSON: GALATIANS 6:5

*For every man shall bear his own burden*

### SECOND LESSON: GALATIANS 5:24

*And they that are Christ's have crucified the flesh with the affections and lusts.*

### GOLDEN TEXT: MATTHEW 7:13 - 14

*Enter ye in at the straight gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because straight is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.*

## BEAR YOUR BURDEN

Brethren, we do not intend to take you far. For it is a very brief already spoken word. It needs no any other translation than your seeing it. Preachment have been imparted to you up to a million times. There is therefore no more preaching now but what is now prevalent is spotlighting of the important points. Let the first lesson be read.

### FIRST LESSON: GALATIANS 6:5

*For every man shall bear his own burden.*

## **TAKE UP THE CROSS AND FOLLOW CHRIST**

Brethren, that is what we have. There is no more lengthy statement; every man shall bear his own burden. As had earlier been said that whoever desire life should take up his cross and follow after the Lord. any wife who desires life take up your cross and follow the Lord. A husband that needs life - take up your cross and follow the Lord. Each and every man who has decided to be saved should take up his cross and follow the Lord. God does not operate the way you are doing. He does not take somebody unawares.

It was since 1974 that I was given the black garment, sword and staff to put on and pass judgment on the world but the Father refused. Do you think the three night and three days darkness will happen without the Father's pronouncement? A child is not beaten by a masquerade in the presence of his own father in the arena.

You are mine witnesses as concerning that year and how the angels handled their swords. Actually, they are waiting for me. Of all the things you see in this world, nothing could be effected without the Father's pronouncement. I had earlier told you this that nobody can do anything except the Father who is responsible for everything. As you are behaving here, one would decide to put on black garment while another person put on red yet another puts on yellow and so on; all such sets are in vain. All are ready to die and their corpses be arranged properly but if the Father's voice is not heard, they cannot do anything. You were witnesses to when Nigeria and Cameroon were at the brink of declaring full scale war against each other. I was at 26 Mbukpa Road and one of the soldiers who was sent to fight there was present in the Bible Class on

that day. When I heard the noise of the jet, I inquired where it was going and the soldier asked if the Father had not been informed of what is happening between Nigeria and Cameroon? I inquired about what was going on. He said that they were about to fight. He explained further that they had finalised every arrangement and he was only waiting for Brotherhood members to bid him good bye so as to take his leave.

I said, Cameroonians are my children likewise Nigerians, then what has so transpired between two brothers? They were waiting for the commander to issue the last command before they engaged in full scale war. They waited but could not hear anything of such. That ended the whole thing and till date no statement has been heard about it any more. The soldiers became so angry because they had been waiting to start shooting. Since they heard nothing, they decided to go back. And since then have you heard anything about it again? In the whole world, one may decide to do a particular thing yet he cannot do it except an approval is given from heaven.

Since you neither know heaven nor yourself, you conclude that all are equal. If all are equal, let the angels exhibit their duty after all time is long over due. But as a result of the manner you behave, I now want to take a look at everybody. That is why the teaching being imparted to you now is the final analysis to ensure that the number required is got. At any day the Father puts on the black garment and takes up the sword and the staff everything will end there. On this note, If I do not put on the black garment, you should come and put it on me or ask any powerful angel of your choice to

come and put it on me If at all he can try it. In fact, such cannot happen. Before you, you regard me very light but ask the angels to bring the garment and put it on me so that what you want may happen. In fact, nothing would happen. Whatsoever happened is nothing but God. Now, a million and one have changed. If it should happen as thought who would have been spared here in this world. War is not as we think and the way we are. Hence, should there now be an occurrence of war no one would know his fellow man again but it would never happen because the leader has come and has taken you to the accurate knowledge of the truth. Moreover, he has straightened everything. Therefore, no more war but everyone must change his mind and salvage himself out of this crooked world.

Those who had bought coffins and ammunitions should do away with same; for instance, Gog and Magog had gathered together all their ammunition but these had spoiled. What in essence do they want to use it to fight with? There is nothing for them to shoot at with those ammunitions. For their plan had been eliminated. Let each and everyone of us use this period to help himself out from this menace. There is no more problem. It does not mean that God has forgotten his plan. It does not mean that man has done what pleases God but since he had shedded his blood hence, he declared that, "It is finished". That is therefore the end of the matter. Our Lord Jesus Christ conquered since. He had asked, if God would forgive man of his sins should He (Christ) give His life. God agreed to forgive all and would not impute sin on any of them. That He would take us like himself. He did not say that if some happen to derall from the way, would you salvage

them. But he said that in as much as you have died, walked on the right path, accomplished everything and accepted to die for the sake of everybody, that he would forgive the whole world. That He would remember their sins no more. Let us rejoice for the entire world is saved. Let each and everyone of us endeavour to live a good life and be truthful. Read the first lesson again.

#### FIRST LESSON: GALATIANS 6:5

*For every man shall bear his own burden.*

### **AS YOU SOW, SAME SHALL YOU REAP:**

Brethren, it is police action. Thus what you soweth same shall you reap. It is no longer a question of mass involvement. Let each and everyone of us therefore endeavour to save himself by doing what is good.

The issue now at stake is that of free scholarship hence, you should include your name therein in order to assist everybody who are not educated. Those of us who are endowed with the ability should therefore pool our resources together in order to serve God. Let us assist our brothers by moving from the community to another and from one street to another to straighten everything. For there is no other way out or any other thing to do apart from this.

### **WALK THE PATH OF CHRIST**

Yes! the holy week. As you must have heard that everybody should make Himself holy so as to pass into the city through the gate. You can realise that everyone is enjoined to be ready to do good, to walk in the path of

Christ. One is not forced but all of us have the opportunity to rise up. Husband and wife, children and all should rise up for it is not by force. You should help yourself. Each and everyone of us has to help himself out of this evil generation. We have departed from the old world and we are now in the new world. The new world is full of happiness, joy, peace, prosperity and every good thing.

Read the second lesson:

## SECOND LESSON: GALATIANS 5:24:

*And they that are Christ's have crucified the flesh with the affections and lusts.*

### **CRUCIFY THE FLESH**

Have you now seen that? It is said, "And they that are Christ's have crucified the flesh with the affections and lusts". They therefore have no case to answer again hence, they are free from everything. Meanwhile, you are busy lamenting over your inability to stop eating fish and meat as well as fornicating.

You should thereofre continue but the beloved sons of Christ have accomplished this and His promise has been fulfilled to them. As a result of that, salvation has been extended to the whole world. As sin came unto all of us through Adam, so also has salvation come unto the world through Christ. Let no one claim that the salvation came from him, his father or his preaching for it does not come from there but from the death of Christ for the sake of our sin. This is the only thing that has redeemed the whole world from sin.

## SPIRITUAL CHORUS:

*He has saved me and I will never leave Him because he has saved me.*

## **A FEW SOUL CAN SAVE THE WHOLE WORLD**

When the angels were sent to destroy Sodom and Comorrah during the time of Abraham, Abraham pleaded that Lot be spared for he was his own brother. Abraham asked the angels if they found one hundred righteous people in the city of Sodom and Comorrah whether the cities would still be destroyed. They told him that should they find one hundred righteous people therein, the cities would not be destroyed. Again, he asked the angels whether the cities would be destroyed if they found eighty righteous people. They said if they found eighty righteous people, they would not destroy the cities. He asked them again, what about if they should find sixty righteous ones, they still assured him that they would not destroy the cities with this number of people. He continued to reduce the number, and asked, if they should find twenty righteous persons. And they affirmed that the cities would not be destroyed. He asked about ten and still they said the people would not be destroyed.

Brethren, you can see that, in our present generation, those who have completely forsaken every vice are in millions. Why then would He not save us? Do you not realise that only one person who has been able to crucify the flesh for the spirit is used to save the entire world? Our joy is therefore full.

## SPIRITUAL CHORUS:

*Our joy is full for the Father has come in glory with His host of angels.*

## **CHRIST'S DEATH HAS SAVED MANKIND:**

Can you imagine that? Now you can realise the type of ministry that, you have to embark on. That is a very good mark. There is no problem at all.

The other day I threw the question to them. In fact, people are busy doing what concerns them. I am asking, "What is your weapon"? You had already been equipped and for that reason, you are up-to-date. If you had been panicking about the three days darkness; you should understand that, that is the thing which should have existed but for the death of our Lord Jesus Christ. Having declared: "it is finished", that put an end to the whole issue. Besides, you have exhibited all that is expected of you and through this self-sacrifice everything has ended. Do not say, 'Oh! God has told a lie! This is not so but He has come to forgive our sins. Your part is therefore to go and forgive others. Do good to people wherever you go. Go into the vineyard and exhibit goodness unto everybody. See to the smooth running of scholarship award and be generous. After all, what do you want to use money for? Do you want to chew it. Do heaven and earth and the fullness there of not belong to the Father?

As you may have heard that, heaven and earth belong to Him, the world and its fullness are owned by Him. And whatever He has are owned by his children. It is questioned, who shall ascend His mountain? And the response is that, it is him whose heart is pure and his hands are clean and he who does not allow his soul to be given to deceit and falsehood. Then is it not what you have seen here? Do you find falsehood. Then is it not what you have seen here? Do you find falsehood and stealing in your body? There is no murder

hence, you are all up to-date. The Father is satisfied and happy. Our joy is therefore full. You should no longer be sad but leave everything to the Father for He has transformed everything. And the said kingdom has now exploded.

The golden test should now be read.

**GOLDEN TEXT: MATTHEW 7:13 - 14:**

*Enter ye in at the straight gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because straight is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.*

### **THE PATH THAT LEADS TO LIFE:**

Brethren, have you now seen that? The narrow gate which we have so entered is life. The black and the white races are now one. They have been united and they are now one. Then if you look up, men and women are now one likewise children. Everything that was impediment have now been taken away. The whites themselves are not aware of this. Nobody is aware of this except here in Brotherhood just as you have now been informed.

### **RESTORATION OF PEACE IN ISRAEL:**

Recall the story narrated to us by that Sister who returned from Israel. She said that, about thirty-nine churches which came from Africa, only Brotherhood of the Cross and Star was approved. She further said that one aged man who was about eighty-nine years old proclaimed that Brotherhood is

the only existing church which everybody embraces. Brotherhood members were issued a certificate which granted them the permission to go to anywhere because the Father had already told them.

When they went there, their leader informed the people that Brotherhood of the Cross and Star is love.

Paslistine, their war is over, for Brotherhood of the Cross and Star has come to restore peace in israel, and all over the world. Today, have you not seen peace? She has gathered together everybody hence, there is no more war between israel and Palistine; Moslems and Christians or with Bahai faith. No more distinction between the whites and the blacks; it is only joy that reigns supreme. About eleven countries in the Western world are now using one currency. Visa is no longer required. Here in Africa, there is no more war nor strife. What is really the cause of all these things? Everything that was not in order has now been straightened. Mention is made of the narrow gate. Do you not see how narrow is the gate which leads unto life? You may argue and refuse to go to that side but I am telling you that we are proceeding to that area for we came out from there.

### **THOSE CHOSEN OF GOD:**

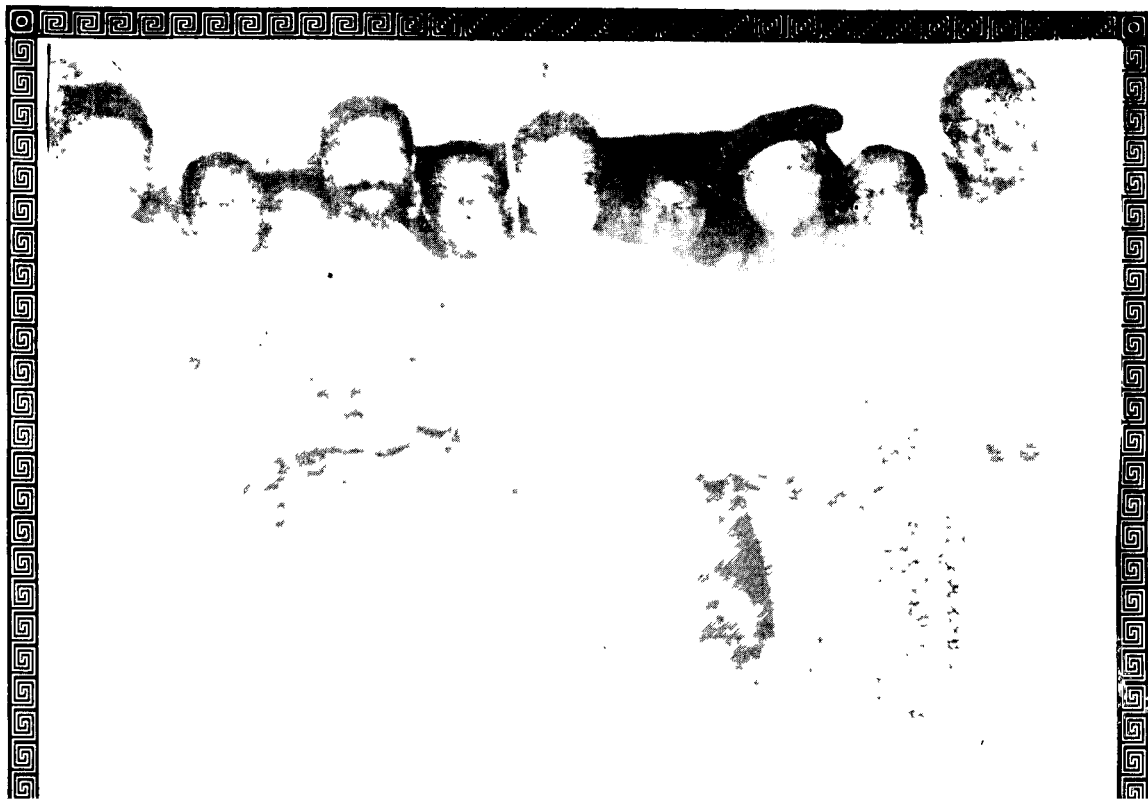

There was a question that who are those robed in white garment? They are those who came out of great tribulation and have washed clean their garments in the blood of the Lamb. This refers to those of you who pass through the narrow gate to the four corners of the world. Peace is full in Jerusalem. You can imagin the magnitude of joy. Thus we are one. They have been united. The blacks and the whites

have now become one hence, there is no division. Men and women have been united. Women are now free and children are equally free. You can see how the sabbath children are behaving. Remember the issue of one hundred and forty four thousand (144,000). Everything has been straightened in His kingdom. This is the kingdom whereby segregation does not exist. Have you ever seen this type of a thing? Since God created man; people have tried to do everything but do they come by this type of grace and peace which has set in motion one speech, one mind, one footstep and one way of worshipping God. There is no juju. No flute is blown, no wooden gong, no metal gong and tamborine. Have you ever witnessed such? Joy alone reigns supreme and joy forever. You go about talking at random but what in essence are you saying? Do you not see this glory? Do you not see the glory in the throne? Have you not seen the ruler of heaven and earth? Have you not seen peace, blessing and prosperity? These are the type of things you suppose to exhibit to the people.

### **THE UNITY OF THE WHITE AND BLACK RACES:**

Right from the on set the black and the white have never dined together but right from that year when Bishop C. O. Akpan brought one prominent white man, a head of utilitarian church and a retired Professor, the white and black races have been unified. His grand father founded the church. Before his retirement, he had acquired chains of degrees in various fields. After his retirement, he became the head of the church, he taught the members and carried out every activity there. Being that his grand father was the head in that

**Everyman that hath heard and hath learned of the Father, cometh unto me. And so it is even unto the Black Americans, they trooped in to receive His recondite teachings.**

church, he came up to be the head also. He came here and saw this truth which his two sons had also seen and embraced in order to save. The Father told him that He had been looking for him. Now he is made the leader's representative throughout the Western world.

Brethren, since then the entire Western world has been very calm. She too is a Professor. So, I ordained both husband and wife same day. That was the day the whites and blacks were united and there is no more division.

#### SPIRITUAL CHORUS:

*What will I do so that they may believe in my glory in Heaven is greater than the earthly glory. Halleluja.*

Have you seen that? The Father has done so much, much more than His son did. All these are what was said. Have you not seen this truth? this is for you to know that the work here is not done by man. Upon all the struggle, what have you been able to achieve? All this while that you have been struggling, have you been able to get to the other end? Where were you when others were leaving the market? Why were you not His begotten? You pillars of insolence and pomposity. You can realise that the Father has gathered them together. What is now left? What is left to be done? Is it not all? "It is finished". There is no any other thing to be done. All that had been lacking have been provided. Whatever was written about a particular thing has actually come and has taken it. Everything that was written has come to fulfilment. Nothing is left except joy. If we have money to purchase aircraft we should do so to convey people to Israel to restore

peace; to Palestine, London, America, Germany and wherever you feel like. For your work is to go about restoring peace and joy where there is none. What else do you want to preach? Present gifts to them and surrender your car if you have one. You should also surrender your ships, children, houses and all your resources. What do you now want to use money for? What would money, food or man be used for? After all, all such things are surplus. Love perse is prevailing everywhere and joy reigns supreme.

#### SPIRITUAL CHORUS:

*We thank you, Lord.*

*Creator of heaven and earth.*

Pastor Isobo was questioned “if he had set in motion the first revelation given to him”? He was told that they should bring mighty seats for the King of Kings and the Holy Queen Mother which of course, would be placed about twenty miles away and the whole earth should celebrate it.

Was it not said so? It was even published. Has any of these things been done? Alright, there is the city of Biakpan which is yet to be fully developed. If it were in America, by now, they would have finished everything within one week. But it is not meant for them. Everybody would have moved down there. Here, you lack money, wisdom and are devoid of thought. Your eyes do not see, your ears do not hear but since it pleases God to bestow this kingdom on you, the whites will come to straighten everything even as was their promise. They would come and prepare every place, establish banks, keep money in place, and everything. In your own

case, up till now have you been able to erect one building? Have you even started? You all remain idle. Well, it is not the fault of anyone. You have been shown what is suppose to be done. Is this small hut that you have put up here enough? Is this hell? Who is the King of gold. Silver and all other resources? Have you not seen the description of this kingdom in Revelation chapter 21 and how it should be done? All you know is to lament for money. Thus you deisre to talk. What in essence do you want to say? You should just keep your mouth shut. What have you done about the new language which we have brought and every other thing? Since it is written that when it is time those who are not my children shall become my children, you would be the children of the Father. You know quite well that you are not worthy but God is only fulfilling His promise. Therefore we all should rejoice.

As a matter of fact, seeing me dance is not for nothing. I am dancing because of this glory of God which He has given to us free of which the whites have not seen it. The whites have tried everything but have now accepted this God.

Now that you are joking over it what do you think of yourselves? The whites are coming. All that have been lacking like motor, ships, aeroplane would be flying all over conveying people to wherever is their destination. God has provided money and wealth everywhere for you to enjoy. It is only left for you to continue singing and moving from one community to another to show joy. It is not a matter of proclaiming to the people that God is this or that. But show your happiness here. You only succeed in donating pennies and kobo. What is the essence of such money? What can

such meagre amount be used for? The establishment of places like the refinery which had been lacking has been built free of charge for people to work in. New aeroplanes have been built likewise schools and everything is now new. Hence, there is joy everywhere.

### **SPIRITUAL CHORUS:**

Olumba has conquered the war. Thank you.

Our joy is full. Thank you.

Brethren, it is said that a stroke of cane is enough for a wise man. He who has ears to hear, let him hear. May God bless his words - Amen.
