BROTHERHOOD OF THE CROSS AND STAR

THE inhabitants of the world are pitiable. Your problems start from the day you are mixed up with women. Once you do this, you are disconnected from God. If you want to have connection with God, you have to be disconnected from women.

The connections we have with women are the source of all the problems of the world.

Adam was disconnected because of Eve. Once you are involved in fornication, you are disconnected from God — no matter your

position in life. Once you indulge in fornication and adultery you are far away and separated from God. It is for this reason that many people are doubting the existence of God.

This knowledge is not available for the Whites and Blacks. When you commit fornication and adultery, the whole of your body is defiled and you are no longer connected with God.

Man is left in a very pathetic and pitiable situation as a result of fornication.

Our body was supposed to be the temple, the dwelling house and church of God, — but because of fornication and adultery, God is no longer dwelling in man.

There is no peace, no love and no unity in the world of today because our bodies have been

defiled with fornication and adultery.

When you are involved in acts of fornication and adultery, you will not be able to fast, you cannot pray; you are completely empty because you will no longer be connected with God.

This is not the time to speak in parables. This is the time to speak plainly and openly. The end has come. You must refrain from fornication.

The bitterest enemy of mankind is fornication and adultery. If you do not refrain from fornication, you are worst than nothing — notwithstanding your position in life. When you defile your body with fornication, God will not recognise you — and you will not be able to see God. You will be empty.

Think less about the material wealth. Strive to flee from fornication and adultery, so that God will dwell in you and so that you will be able to withstand the tribulations ahead.

Those involved in fornication and adultery have no peace and cannot boast of any form of joy and happiness. Can they lay claim to any form of relationship with God.

If you do not refrain from fornication and are not purified, you will not enter into the Kingdom of God.

I have blown my trumpet to all the inhabitants of the world to take serious note of the fact that the Kingdom of God will not admit fornication and adultery and will not tolerate all forms of sins and iniquities. It was the fornication committed by Adam and Eve which separated man from God.

Today, people regard fornication and adultery as their breakfast, lunch, dinner and daily teas in office.

I weep for the world because of the tribulation which will soon befall them because of the sins of fornication and adultery.

No fornicator will be saved. Not one will enter the Kingdom of God. I want the inhabitants of the world to take this warning seriously, so that they will not claim that they had not been forewarned.

Judgment will start with the churches of God. You are the church of God. The world will soon witness calamities such that had never been witnessed in human history. Just wait. I am not telling you something that will happen in several years to come. I am telling you something that is

happening right now in the world — and to alert you that greater tribulations are coming all because of continued defilement of your bodies with fornication and adultery.

When you defile your body with fornication, the Spirit of God departs from you. From that moment, you are empty and you are exposed to all forms of dangers, hardship, sickness and death.

You will then become afraid that the forces of darkness were after your lives.

Those who will practise the teachings of God and who are destined for the Kingdom of God are on their assignment.

Those destined for the Kingdom of God are recorded in the scriptures. Read these scriptures and you will observe that they are not referred to people according to their status in life but referred specifically to those who are not involved in any form of sexual relationship — the virgins.

The Kingdom of God is the most important gift which human beings should desire. When you have the Kingdom of God, you will have every other good things from God.

How far are you prepared for the Kingdom of God? What efforts are you making to ensure that you do not miss the Kingdom of God?

You can spend much money in the service of God — but what preparations are you making to obtain entry into the Kingdom of God? Will you be able to meet the conditionalities given by God before you can secure entry into the Kingdom of God?

God has regained all the powers in the world. Fornicators, adulterous people and all categories of sinners will not enter the Kingdom of God.

My mission is to judge the world and reward them (the inhabitants) according to their work and performances. I am working for 24 hours daily ministering unto people in order to enable them (to) obtain salvation.

I have a responsibility to teach you and lead you to the accurate knowledge of the truth.

If God is in you, you will not suffer any hardship. Not by work but by grace you are saved. Practise the gospel of love one another. Those who have ears, let them hear. Amen...

(This gospel was recorded in Calabar by Pastor Umoh James Umoh on Sunday 24/3/91).
